Nothing is as hopeless as an average American trying to pronounce foreign names and places.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY — TECUMSEH, MICHIGAN, AUGUST 26, 1948 — FIVE CENTS PER COPY

Schools To Open On September 8

SUPT. PLACE OUTLINES PROGRAM TO BE FOLLOWED BY PARENTS, CHILDREN

All students of the Tecumseh public school should enroll for the school year at 9 a.m. Wednesday, September 8. This includes the kindergarten children. Letters, sent to all members of the faculty this week by Earl H. Place, superintendent of schools, calls the teachers back on Tuesday for meetings before students come in for the beginning of the 1948-49 school year.

Plans have been completed to have school at eight locations in Tecumseh this fall. More rooms will be used than ever before because of the anticipated enrollment of at least 950 students.

At the **Brownville School** there will be a kindergarten and first grade for all students who live on or north of Shawnee street.

At **West Branch** there will be a kindergarten for all children who live south of Shawnee street. Children in the first grade who live south of Shawnee street and west of Evans street should also enroll there. A section of the second grade will also be at **West Branch** and children in that grade who live south or on West Pottawatamie street and west of Evans street will enroll there.

All third graders who live south of Chicago Blvd. and west of or on Maiden Lane should go to the Baptist Church.

All third grade children who live east of Maiden Lane and south of Chicago Boulevard are to go to the **Library.**

Third graders north of Chicago Boulevard are to report at the **St. Peter's Episcopal Church.**

At **East Branch** there will be a first and second grade. All children in the first grade who live south of Shawnee and east of Evans street will enroll there. All children in the second grade who live east of Evans street will report there.

At the **Presbyterian Church** one section of the fourth grade will be housed. Those students who live west of Evans street will attend there. The other section of the fourth grade will report to the **Central School Building.**

It should be called to the attention of parents of small children that it is a policy of the Tecumseh Board of Education not to enroll children in the kindergarten unless they are five or will be five not later than January 1, 1949.

Students in all other grades will report to the Central Building for enrolling.

Children who come by bus in grades kindergarten, one and two should go to West Branch. Third graders should go to the Library Building and all others should report at the Central Building.

It will probably be necessary to make some adjustments to equalize as nearly as possible the class size. Cooperation on the part of the parents will be greatly appreciated by the faculty.

The grade school faculty will use Wednesday afternoon, and all day Thursday and Friday for home visitations. The teachers will call upon the parents whose children they have enrolled in grades kindergarten through sixth. It is believed that the home and the school should work closely together. These visitations will assist all concerned to begin the school year with an understanding of specific problems that will help both parents and teachers.

In the Junior and Senior high school, students will take part in a special testing program Wednesday afternoon, Thursday and Friday, September 8, 9 and 10. This data will provide students and teachers with very valuable information concerning interests, abilities and aptitudes of students.

(Continued on Page 6)

HEAR RADIO DIRECTOR

Larry Payne, radio director of Station WABJ, Adrian, was the guest speaker at the regular meeting of the Rotary Club, Tuesday evening, following dinner at Brees House. Mr. Payne told something of the history of radio and of the purposes of the Adrian station. L. W. Larsen, a member of the board, presided in the absence of the president and vice-president, both of whom are on vacation.

SUNDAY SPEAKER

Dalton VanValkenburg will conduct the morning services at the Baptist church, Sunday, August 29, at 11 a.m. A student at Taylor University, Upland, Indiana, Dalton had a very fine service two weeks ago at the church.

Pear In Hens' Nest Must Be Fowl Play

Leon P. Williamson, West Chicago Boulevard, raises chickens as a hobby. He prides himself on his ability to produce plump, fat roosters and hens that lay an egg a day, come summer sun or winter's snow.

This week, however, Mr. Williamson is face-to-face with a new problem. When he gathered the eggs, Monday, he found an average size pear in the hens' nest. There isn't a pear tree within a block or more of the chicken coop. He swears that he hasn't changed the brand of chicken feed.

The fruit of a pear tree is not hen fruit, Williamson contends. But the coop is locked and he wonders how the pear fruit found its way to the nest.

"It's fowl play," he tells his neighbors.

Body Of Clinton Vet Is Returned

FUNERAL AT WHITTAKER CEMETERY TODAY FOR PFC HENRY F. WALDEN

Funeral services will be held this (Thursday) afternoon at 2 p.m. DST in the Whittaker cemetery near Willis, Michigan, for Pfc. Henry F. Walden, who was killed in Luxembourg, February 26, 1945. His body arrived at the Hause Funeral Home in Clinton, Monday evening. Services will be under the auspices of the Veterans of Foreign Wars of Tecumseh and Veterans of Foreign Wars of Clinton.

Pfc. Walden son of Mr. and Mrs. John E. Walden of 11211 Murphy Road, southeast of Clinton, was born in Dearborn February 4, 1925. The family moved to the farm from Whittaker where Henry attended Lincoln high school. Pfc. Walden entered the armed forces April 27, 1943, trained at Camp Wallace, Texas, and went overseas September 3, 1944. While serving with General Patton's Third Army, he won three stars on his service ribbon, and was credited with shooting down two German planes.

Besides his parents he is survived by five sisters, Mrs. Marie Schultz of Belleville, Mrs. Esther Refeld of Louisville, Ky., Mrs. Margaret Thilo of Ypsilanti, Mrs. Grace Beaubean and Dianna Lee at home, five brothers, Emanuel Walden of Belleville, Matthew in the army in Japan, and Lee, Alex and Clarence at home.

Casper P. Marsh,76, Buried Here Tuesday

Funeral services were held Tuesday afternoon in the Collins Funeral Home for Casper Peter Marsh, 76, who died Saturday at 2:30 p.m. in the Tecumseh hospital, where he had been a patient for two days. He had been in failing health for the past year. The Rev. Charles Marsh of Detroit officiated and burial was in Brookside cemetery.

The bearers were Frank, Ray, James, Ronald, William and Andrew Marsh. Friends and relatives attended from Detroit, Toledo, Saline, Ridgeway and Tecumseh.

Born, December 29, 1871, in Raisinville, Monroe county, Mr. Marsh is survived by his wife, Hazel, two brothers, Fred Marsh of Tecumseh and Walter Marsh of California and several nieces, nephews and cousins.

MRS. LILLIE HALL, 65, DIES AT CLINTON

Funeral services were held Tuesday afternoon in the Hause Funeral Home in Clinton for Mrs. Lillie Hall, 65, who died suddenly Saturday night at her home on Litchfield street. The Rev. O. E. Priest officiated and burial was in Riverside cemetery.

Surviving are her husband C. Melvin Hall, three sons, Claude F. Higgins and Lee B. Higgins of Evans Lake and Clifford M. Higgins of Tecumseh, nine grandchildren and one great-grandchild, two sisters, Mrs. Oley Mahrle of Clinton and Mrs. Newton Lewis of LaPorte, Ind., and four stepchildren.

NEW ASSIGNMENT

WITH THE EIGHTH ARMY IN OSAKA, JAPAN—Private Harvey J. Creger, son of Mr. Fred H. Creger, 126 South Ottawa, Tecumseh, Michigan, has recently been assigned to the 27th Infantry Regiment of the famous 25th Infantry (Tropic Lightning) Division, commanded by Brigadier General Everett E. Brown.

Private Creger entered the United States Army in December 22, 1947 and received basic training at Fort Ord, California, before being sent overseas to Japan in July 7, 1948.

Annual Flower Show, Sept. 15

GARDEN CLUB ANNOUNCES EVENT AND EXHIBITS ARE OPEN TO THE PUBLIC

The Tecumseh Garden Club will hold its annual Flower show in the high school gymnasium on September 15 from 2 to 9 o'clock The community is urged to exhibit flowers, fruits and vegetables.

Section 11—Window arrangements.

Section 12—Shadow boxes.

All entries must be in by 10 o'clock a.m. on the day of the show. The committee in charge will not be responsible for containers.

Development Survey Is Made By Phone Company

A market and development study of Tecumseh and the surrounding rural community is now under way, Ernest G. Green, district commercial supervisor of the Michigan Associated Telephone Company announced today.

The study is being conducted by commercial survey engineers of the Associated company for the purpose of determining present and future requirements, prerequisite to the company's plan for improved telephone service in the Tecumseh area.

Every mile of the rural area and every block of the urban territory will be analyzed before the survey is completed and families, businesses, and building will be tabulated and estimates will be scientifically analyzed for, telephone engineering purposes.

The thoroughness of the study reflects a part of the Associated company's extensive program for improving telephone service here, and indicates the company's desire to give Tecumseh the kind of service such a fast-growing community should have, Mr. Green said.

Baptists Will Hold Church Picnic, Aug. 28

Members of the Baptist church and Sunday school are to meet at the church between 2 and 3 p.m. Saturday afternoon, August 28, to go to Wamplers Lake for the annual church picnic. The Happy Home Builders class picnic will be included in the day's events.

Mr. and Mrs. Cliff Curran, Mr. and Mrs. Lyle Grigg and Mr. and Mrs. W. L. Becker have arranged a schedule for a busy afternoon. There will be games and contests for all age groups and the winners will receive prizes. All those attending should bring their own table service, a dish to pass and sandwiches.

STREET SIGN GONE; NEW TRAFFIC LIGHT

The old illuminated street sign which for many, many years hung at the corner of Evans and Chicago Boulevard, was removed on Wednesday by the state highway department. The sign long has been condemned by the state but it was not until this week that it was removed.

At the same time the state also installed a new traffic signal light at the intersection.

$200 FARM FIRE

Tecumseh firemen were called to the Arthur Dove Farm, occupied by Adelbert Calkins, 4247 Wisner road, a mile east and two miles south of Tipton at 5 o'clock, Tuesday afternoon, to extinguish a fire that had started in straw in a wheat field. The flames spread and damaged a tool shed. The loss was estimated at $200.

Firemen extinguished the flames with the tankwagon pumper. The Adrian department arrived after the fire had been put out.

Presbyterian Building Committee To Meet

The building committee for the expansion program of the Presbyterian church, will have its first meeting at the church, Wednesday evening, September 8, at 8 o'clock, Don Nixon, chairman, announced today. J. W. Spafford, John Saling, M. G. Partridge, Howard Truesdale, Mrs. Edith Cotton Smith, Mrs. Wade Hendershot and Dwight Hodges are the other members of the committee.

The building program was presented to the church congregation by a committee of four, after the young people of the church had raised a sum of money to investigate the possibilities of expanding the church facilities. It was decided, on the basis of plans drawn by architects, to enlarge the present church basement and make the necessary improvements. The project will cost about $25,000.

Gifts and pledges continue to come in from members of the church congregation, and other interested individuals.

50 Youngsters Receive Awards

250 CHILDREN PARTICIPATED IN SWIMMING PROGRAM AT "PIT" THIS SUMMER

Fifty youngsters were awarded certificates after having completed a six-weeks swimming course and passed the final tests at "The Pit," last week. Four young people received certificates in junior and senior life saving.

The Tecumseh Recreation Board rented "The Pit" from Luigi Gallo, owner, at a special seasonal rate, and obtained the services of Miss Dorothy Bowen and her sister, Louise, to direct the swimming activities there. Some 250 youngsters enrolled for th course, it was said.

Miss Dorothy Bowen expressed her thanks to Mr. Gallo for the party he arranged for the classes last Friday when the awards were made and for the use of "The Pit" during the summer. "We also want to thank the parents who helped us make the Recreation Board's swimming program a success," she said.

Jack Carlson, Duaine Hay and Marilyn Lindsley received their senior life saving certificates and Tom Naser a junior life saving award. The life saving course requires 17 hours of work for seniors and 15 hours for juniors. The students had reading assignments and oral quizzes every day and at the end of the course completed both a written and practical test. Their instructors have been assisting the instructors in watching the beginners classes.

The beginners who passed their tests are now able to swim 30 yards, float on their back, and jump and dive into deep water. They are: Phyllis Butler, Steve Vargo, Barry Brock, Barbara Cornell, Theresa Cornell, Barbara Crowell, Judy Fairbanks, Barbara Hall, Bob Hall, Frances LaBaron, Kenneth Miller, Dick McCarbery, Beth McKenzie, Raymond Nichols, Shirley Palmer, Nancy Randall, Shirley VanCamp, Doris Tressler, Nancy Ann Weaver, Mary Lou Alderdyce, Lorissa Peotter, Irma Broiller, Bill Browne, Dean Leonard, Raymond Pate, Mary Pate, John Naser, Howard Naser, Florene Hoose and Rosemary Murphy.

The intermediates have learned three arm and leg strokes, swim 100 yards with a selected stroke and have learned a five minute continuous swim. Those who received awards in this class were Erls Bailey, Jolene Barron, Wilma Bumpus, Roger Busche, Robert Bird, Lois Crowell, Mary Jane Dermeyer, Fred Buchheimer, Ned O'Hara, Greta Porter, Judy Sisson, James Stutesman and Dale Tingley.

These swimmers do the breast stroke, side stroke and crawl each for 100 yards, learn three types of dives and can swim for ten minutes. They are: Annette Bailey, Dulcie Bowen, Joyce Poloy, Brenda Porter and Ralph Swain.

Robert Hadley and Dualne Hay received advanced swimmer certificates. They passed the life saving course, can swim eight different strokes for 100 yards in good form, float for five minutes and swim continuously for thirty minutes.

Quaker Cuts Profit Melon

FIFTY LOCAL EMPLOYEES SHARE EQUALLY IN $6,041 IN "DIVIDENDS"

There were smiles aplenty at the Tecumseh plant of The Quaker Oats Company today as 50 employees received $6,041 in profit-sharing checks.

The 13th annual "melon cutting" added an average of about $120 to local employees' regular earnings during Quaker's recently ended business year.

Donald T. Nixon, plant manager, explained that profit-sharing checks went to all permanent employees. He said that eligibility of an employee is chiefly dependent upon six months or more of service.

Similar checks also went out today to workers in Quaker's Chicago headquarters and in its 12 other plants in various parts of the country. Total profit-sharing sum this year was $906,651.

Voluntarily established by management in 1936, the plan sets aside for profit sharing each year a fixed percentage of Quaker earnings after preferred stock dividends, but before taxes and common stock dividends.

Most important, the plan allows employees to share profits whenever Quaker has a year in which it makes a profit. It then provides employees an income over and above their regular earnings.

During the 13 years of Quaker's profit-sharing plan, employees have shared a total of more than $7,100,000.

A letter from Donold B. Lourie, Quaker president, accompanied each profit-sharing check. He reported that payroll for the eligible employees was more than 18% higher than during the previous year. Causing this increase were wage boosts granted during the year and the employment of additional workers.

He pointed out that the first nine months of the year was a period of good business for Quaker, but that the last three months were far from favorable. He continued by asking employees for help in turning that tide by doing their jobs more effectively and at lower cost.

Clinton Boy Is Victim Of Polio

FOURTH CASE OF PARALYSIS THIS YEAR IN LENAWEE COUNTY REPORTED

The fourth case of infantile paralysis in Lenawee county has occurred this season. The latest victim is Billy Sproull, six-year-old son of Mr. and Mrs. Willis Sproull of Clinton, who was taken to the University hospital Sunday afternoon where his case was diagnosed as polio. The child became suddenly ill Saturday. It was said he is suffering a partial paralysis of the neck.

An eight-year-old Hillsdale county boy is in serious condition at the University hospital where he was taken Friday and his illness was said to be polio. The boy is Geofrey Holcomb, son of Mr. and Mrs. John Holcomb of Route 3, Hudson. A paralysis has developed in his left arm.

FUNERAL SERVICES ARE HELD FOR MRS. McCANN

Funeral services were held in St. Elizabeth Catholic church Thursday for Mrs. Anna Loretta McCann, who died suddenly last week, Monday. The solemn high mass was sung by the Rev. Fr. Frank McQuillan, Fr. John E. Eppenbrock, Fr. William McGoldrick, and Fr. Robert Lambert La Voy. Rev. Fr. Michael G. Collins delivered the sermon. Burial was in St. Dominic's cemetery in Clinton. The bearers were Richard Druillard, Russell Thurlby, Sr., Carl Gruber, Harry Dewey, Charles Warfel and Don Blesing.

Friends and relatives attended from Detroit, Manchester, Jackson, Stockbridge, Chelsea, Lansing, Tunker Hill, Leslie, Mason, Adrian, Holloway, Irish Hills, Clinton, Ridgeway, Macon and Tecumseh.

PERKINS HARTLEY DIES AFTER LONG ILLNESS

Funeral services were held Monday at the Bittner Funeral Home in Elyria, Ohio, for Perkins Hartley, a former Tecumseh resident, who died Friday afternoon in a hospital in Elyria.

Mr. and Mrs. Hartley moved from Tecumseh to Elyria two years ago. He had been in failing health for some time. Surviving are his widow, Elizabeth, four sons, Richard and Jack of Tecumseh, and Thomas and Wallace of Elyria, one brother Earl of Elyria, nine grandchildren and a number of nieces and nephews.

To Turn Clocks Back On September 26th

If you have been wondering when you'll lose an hour of sleep by turning your clock back to "normal" time, here's the answer.

The council of Tecumseh has decreed Sunday, September 26, as the time, and about 2 a.m., as the hour.

Most other villages and cities operating on so-called fast time also will change back on that day.

The public schools here, reopening on September 8, will operate on fast time until September 26 when the clocks will be changed.

To Return Body Of Local Vet

PVT. GORDON FURGASON WAS KILLED IN ACTION IN ITALY IN 1943

The body of Pvt. Gordon L. Furgason, son of Mrs. Lila I. Furgason, 210 North VanBuren, who was killed in Italy November 10, 1943, while serving with the infantry of the 5th Army under General Clark, is enroute to Tecumseh for burial here. Pvt. Furgason is the first of Tecumseh's war dead to be returned.

Pvt. Furgason entered the army March 27, 1943, and received his training at Camp Walters, Texas. After his death he was buried near Cassino.

Surviving besides his mother are three brothers, Glenn Furgason of Britton, and Gaylon and John William at home, and six sisters, Mrs. Verna Cramer of Pittsford, and Vivian, Shirley, Mary, Josephine and Ruth, all at home. His father, Bernard Furgason, died in September, 1945.

Private Funeral Held For Mrs. Lulu Weaver

A private funeral service was held Tuesday afternoon in the Hause Funeral Home in Clinton for Mrs. Lulu A. Weaver, who died Saturday night in her home after a five year's illness. Burial was in Riverside cemetery.

The daughter of Edward C. and Sarah A. Cushman, pioneer residents of Washtenaw County, she was born July 12, 1866, near Manchester. December 30, 1884, she married Fred L. Weaver, who survives, and they lived in Hillsdale county some time before they moved to Manchester. They had lived in Clinton since 1910.

Mrs. Weaver was a member of the Congregational church, a past matron of the Order of the Eastern Star and a past president of the Clinton Woman's Club.

Surviving besides her husband are one son Linn C. Weaver of Clinton, one daughter, Mrs. Starlie McGillem of Detroit, six grandchildren and eight great-grandchildren.

Gustav W. Meyers, 70, Is Dead At Ridgeway

Gustav W. "George" Meyers, aged 70 years, died Tuesday at 4:45 p.m. at his home in Ridgeway, after he became suddenly ill Monday afternoon.

Mr. Meyers was born in Ft. Wayne, Indiana, March 17, 1878, and had been a resident of Macon and Ridgeway for 20 years, coming from Detroit. He is survived by his widow, two sons in California, two daughters in Chicago and Detroit and 17 grandchildren.

Funeral services will be held in the Niblack Funeral Home in Britton, Friday at 2:30 p.m. The Rev. E. D. Pumphrey will officiate and burial will be in the Ridgeway cemetery.

PAY TRAFFIC FINES

Those who paid traffic fines in Justice F. C. Hanna's court during the past week are: Harold Emminger, Benton Harbor, speeding, $5 fine and $3.35 costs. William Place, parking in a restricted zone, $2. Vincente Johnson, Britton, paid a similar fine for a like offense. Harold Blotz, LaVon Hepner, Hudson, Gerald Hephner, Hudson, John C. Woodward, Jasper, each paid fines of $5 and costs of $3.35 for speeding. William Bader, Tecumseh, Charles Gasmire, Adrian, and Richard Coleman, Cleveland, each paid $2 fines for parking in restricted zones.

MURDOCH TO SPEAK

The Rev. James Cameron Murdoch of Princeton, Illinois, will be the guest speaker at the Presbyterian church, Sunday morning at 11 o'clock. The Rev. Mr. Murdoch is a former pastor of the local church.

I will be at United Savings Bank for collection of village taxes every Saturday from 9 a.m., to 3 p.m., until further notice.

Chas. Fay, Village Treasurer

Aug 5tf

Registration Starts Monday

DRAFT BOARD PREPARES FOR INDUCTIONS; DEFERMENTS ARE OUTLINED

Registration of all men between the ages of 18 and 26 will begin August 30 in Lenawee county, The Lenawee County Selective Board No. 48 was organized at a recent meeting at which time Dr. Frederic S. Kellogg was named chairman. There will be another meeting of the board Friday, August 26, to meet prospective registrars and outline their duties.

Registration of men in Lenawee county will be on the following dates:

August 30—Men born in 1922 after August 22, 1922.

August 31 and September 1—Men born in 1923.

September 2 and 3—Men born in 1924.

September 4 and 7—Men born in 1925.

September 8 and 9—Men born in 1926.

September 10 and 11—Men born in 1927.

September 13 and 14—Men born in 1928.

September 15 and 16—Men born in 1929.

September 17 and 18—Men born in 1930 before Sept. 19, 1930.

Registration will be at the Armory in Adrian.

Deferments are Listed

WASHINGTON—President Truman deferred all husbands and fathers from the 19-through-25 peacetime draft.

But they still must register, beginning August 30, with all other draft eligibles.

The President also deferred single men who support "in good faith" a brother, sister, grandparent or other dependent.

HIS EXECUTIVE order, which, for the most part, recreated World War II draft regulations, also deferred these men:

1—Agriculture workers engaged in marketing substantial amounts of essential farm products, if they cannot be replaced.

2—Industrial workers whose jobs are considered essential to the Nation's health or safety.

3—Members of the armed forces and veterans who served more than 90 days in the Army, Navy, Marines or Coast Guard between Dec. 7, 1941, and Sept. 2, 1945.

4—Any sole surviving son of a family in which one or more sons or daughters were killed in action or died in line of duty while serving with the armed forces in World War II.

5—Ministers and clergymen.

6—Conscientious objectors.

7—Such public officials as governors of states and territories, members of Congress or state legislators, and judges.

8—Those physically or mentally unfit.

MAILING OF classification questionnaires to single, non-veteran registrants will begin Sept. 7.

The President directed that Maj. Gen. Lewis B. Hershey, Selective Service director, may reclassify any registrant without regard to his claim for deferment.

For example, doctors, lawyers or scientists needed for specific military jobs could be drafted even though they have dependents.

Under the act, all men 19 through 25, unless otherwise deferred, are subject to 21 months of compulsory service either at home or abroad.

Youths of 18 may escape being drafted at 19 by volunteering for a year's training in this country only.

The Navy, meanwhile, warned its organized reservists that if they miss as few as five weekly drills a year they'll lose their draft exemptions.

DISCUSS TESTING OF MOTORISTS' VISION

Dr. R. C. Limes attended the president's council of the Michigan Optometric Association at the Olds Hotel in Lansing Sunday as a representative of district No. 6 of the Michigan Optometric Association.

Plans were completed for the coming state convention to be held October 3, 4 and 5 in Grand Rapids. There was also a review of a discussion held by the association president, Dr. Kenneth Tinker of Dearborn, and Captain Scarvada, head of the Michigan State Police, regarding a program wherein the law governing the visual requirements and the methods for testing motorists vision be revised.

SCHOOL REUNION

The annual Lanning school reunion will be held at the school house Sunday, August 29, at 1 o'clock. All former teachers and students are invited. All those attending should bring a dish to pass, sandwiches and their own table service.

Our store will be closed after 6 p.m., on Saturday, August 28. Open at usual hours on other days.

Tecumseh Dairy

WE NEED FAITH

In a recent speech, Martin R. Gainsbrugh of the National Industrial Conference Board, dealth with the all-important and little understood topic of how far this country—which is supposed to be the leader of the anti-Communist forces of the world—has gone along the road which ends in Communism, dictatorship, and the destruction of property rights. Here are some examples.

One plank of the Communist Manifesto, the century-old document which summed up in precise detail the principles of Communism, calls for a "heavy progressive or graduated income tax." We have an income tax so severe that the accumulation of substantial savings is virtually impossible, and the incentive to take chances, to build up new enterprise, to further develop the nation, has been deadened.

Another plank calls for "abolition of all right of inheritance." Our present inheritance tax laws approach that goal. In case after case, when the owners of a business die the enterprise must be sold to satisfy the tax collector.

Still another plank demands "centralization of credit in the hands of the state by means of a national bank with state capital and an exclusive monopoly." Today our Federal government, in one way or another, completely dominates the money supply, credit, and interest rates.

Another plank advocates the "extension of factories and instruments of production owned by the state; the bringing into cultivation of waste land, and the improvement of the soil generally in accordance with a common plan." It is estimated that the Federal government owns $150,000,000,000 of our national wealth. It has tremendous land and other holdings. It has gone into commercial business on a grand scale—as witness the Tennessee Valley Authority, and the various government-owned electric projects around the country.

Many more planks from the Manifesto which we have unwittingly adopted in part could be cited. In Mr. Gainsbrugh's words, "The disciples of capitalism need faith . . . In too few can there be found a view that capitalism contains within itself the same seeds of expansion as in the past century. What is needed is a favorable environment for further capital accumulation of private property and a greater degree of voluntary, personal control over its use and disposition." Let that happen, and we will effectively oppose Communism at home even as we oppose it by diplomatic means abroad.

NICEST SMILE . . . Piquant Edith Mrandmarte was judged to have nicest smile in all France in a contest held in Paris. This is how she looks when she arranges her face for that nice smile.

RIDGEWAY

Mr. and Mrs. A. E. Elkington of Adrian were guests the past few days of Mr. and Mrs. Everett Exelby.

Mrs. Don M. Peters and son Tom of Detroit, and daughter and husband, Mr. and Mrs. Jack Scott and their son Dick and great-granddaughter Beverly Joyce, were Sunday visitors of their parents and grandparents, Mr. and Mrs. Will E. Allen.

Mr. and Mrs. C. H. Beach spent Sunday with their son Mr. and Mrs. Chester Beach and family at Sand Lake.

Mr. and Mrs. Harry L. Johnston of Monroe were guests Sunday afternoon of Mr. and Mrs. Elmer Linn and Florine.

Mr. and Mrs. Everett Exelby and Mr. and Mrs. E. Elkington were guests Saturday of Mr. and Mrs. Royal McElRoy in Britton.

Dale Beach is building a house in the east part of town on the Britton road.

Mrs. Rose Cox and Miss Ada Pocklington are moving to Tecumseh.

Mr. and Mrs. Groth and family are vacationing this week with friends at Hartford.

Mr. and Mrs. Frank Bartis of Flint spent from Friday to Sunday evening here. They were Sunday dinner guests of Mrs. Gertrude Houseman in Tecumseh.

Mr. and Mrs. Roy Harrison and daughter and husband, Mr. and Mrs. Farmer and baby of Concord called on friends in town Sunday.

Mr. and Mrs. Ned Brown of Britton were guests Sunday evening of Mr. and Mrs. Daniel Linn.

Mr. and Mrs. T. M. Birdsall and Mr. and Mrs. Howard Landin and Terry of Detroit called in town Sunday.

Rev. E. D. Pumphrey has returned from a trip to Boston.

Dunes of Colorado Tinted With Legend;

Alamosa, Colo.—The Great Sand Dunes, Colorado's mysterious mounds which cover an area of 39 square miles along the western base of the Sangre de Cristo mountain range, 38 miles from Alamosa, on state highways 17 and 150, is a national monument of unusual interest to visitors.

Many explanations of their presence have been given, one of which is that the sands once constituted the bed of an inland sea and were blown by winds against the western wall of the mountains where they piled higher through the ages.

The dunes are visible for 70 miles, their wierd and changing colors glowing above wild grasses and sunflowers that grow in shallows between hillocks.

Fancy runs riot in any part of Colorado on moonlight nights, but in the dunes there is no end to legends, images, and sounds of the shifting masses. A constant breeze stirs the surface, and one may walk through an ankle-deep sandstorm while his head is in clear air.

One oft-told legend is a spur to imagination and creates a desire to stand below the dunes, which rise 1,500 feet in the air, and wait for brilliant moonlight to lure wild horses from their hiding place. These bands of wild horses do roam the edges of the sand hills—animals that have developed broad hoofs and are able to outrun ordinary steeds. This, then, is the reason for the story that large horses can be seen outlined against the horizon, their manes blowing in the wind, with great webbed feet in place of hoofs.

Even if horses should fail to appear, visitors to Colorado will find it is worth traveling far to stand in the moonlight there, entranced by the beauty of the dunes, to listen to music made by shifting sands, or to watch a golden disc rise in a blaze of flaming glory above the Sangre de Cristo peaks in San Luis Valley—nature's garden of the west.

The new brick block on Chicago Street being erected for Richard, Gilman and Deuel, is fast assuming form.

Michigan is the first to inaugurate an Agricultural College. This has only accomodations for 100 students and at the beginning of the present term had only 28 vacancies with 93 applicants waiting for examination.

1878

The new baseball nine has been christened "Sweet Singer of Michigan."

L. A. Davis has completed a bargain for the purchase of the Tool Handle Factory, near the top of Globe Mill hill.

Water is so low in the creek and river that the flouring mills have been short of water for several days, seriously interfering with business.

1883

The Addison Courier is offering his paper for three months free to the first one who brings in a good home-grown watermelon.

Hay is bringing $8 a ton.

Judge and Mrs. C. A. Stacy celebrated their golden wedding August 21.

Thos. O. Perry of Chicago and Mary E. Keeney of Franklin were married on the 21st inst. in Franklin, by the father of the groom, Dr. G. D. Perry of Tecumseh.

1898

Milan is agitating the question of electric street lighting.

A new cement walk is being constructed on the north and west sides of McCann Store. That block will soon be all up-to-date.

Fred Kolkioesch has purchased the Cook Store block.

Bertha Mead has opened a millinery store in Mt. Pleasant.

The annual report of the State Treasurer show the finances of Michigan to be in good condition with a balance of $1,216,212 in the state treasury.

1908

Born, August 20, to Mr. and Mrs. Henry Kempf, a son.

The school board has purchased an elegant piano, made to order, and one of the finest in town.

Special sale on hammocks, while they last, at Satterthwaite's.

The lack of rain during the past month has caused severe damage to corn, beans, potatoes, sugar beets and pastures.

The best American Prints, 5c a yard at T. C. Harris'.

M. D. Britton of Britton has moved his house to the lot west of the M. E. church.

May Plues has gone to Detroit, Buffalo and Cleveland to buy millinery.

1918

Employees of the American Steel and Wire Co. now have uniforms of dark blue with gilt buttons and the name of the company.

On Monday, September 2, Emil H. Ahrens, will become owner and proprietor of the Tecumseh Herald.

Born, August 25, to Mr. and Mrs. Finley DeSpelder of Columbus, O. a daughter.

Invitations are out for the marriage of Ella Marie Ahrens and Lawrence Allen VanGieson, at St. Peter's church, on August 31.

The new high school will be opened September 2.

Public eating places no longer are required to observe wheatless days and meals.

1928

Miss Helen Sheldon and Vaughn Curtis were married August 23.

"Jinks," the pet dog of Harold Sisson and family died suddenly Sunday, evidently from poison.

The soldiers monument in Military Park is to be moved to the G. A. R. lot in Brookside cemetery.

The paving of M-52 between Tecumseh and Clinton has been assured.

The four rural mail routes out of Tecumseh are to be re-arranged and consolidated into three.

Robert H. Moore and Pauline H. Dillon were married today at the home of her parents in Hudson.

1938

A new haberdashery, carrying a complete line of men's furnishings, will be opened in the Heesen block on West Chicago Boulevard, by McCann & Son.

Wilton Lee Sharp, son of Mr. and Mrs. Verne Sharp of Tecumseh, and Ruth Elizabeth Bugbee of Adrian were married Saturday, August 20.

Born, August 18, to Mr. and Mrs. Clare Martin, nee Beatrice Day, a son, Robert James.

A croquet tournament will be held at the Central playground in charge of Mrs. Easton.

Large attendance has characterized the services at the big tent in Elliott Park, where the California Joybringers are conducting a union revival.

Urban German Folk Still Reported Hungry

Washington — German farmers are as well-fed as before the war but city dwellers still go hungry at times, the U. S. Army announces.

If German production is to be improved, these city workers must get more food, said an Army report based on findings made by a special nutrition mission to Germany.

The mission, headed by Dr. Leonard A. Scheele, Surgeon General of the United States Public Health Service, found that German adults were 10 to 15 per cent underweight, but German children were on a par with American children.

The general mortality rate compares favorably with that of England and Wales.

The report said the level of nutrition in the western zone of Germany has improved steadily for several months.

Dr. Scheele said the target the Army must hit to restore German civilian productive capacity is a minimum of 2,540 calories per person daily. City dwellers now are getting about 2,200.

This compares with from 3,000 to 3,300 considered average in the United States.

An "afterburner" which increases the power of jet engines for short periods of time has been developed by Navy for one of its jet fighter planes.

Building Costs Are Stabilizing

SHORTAGES ARE IN STEEL, CEMENT; MANPOWER POOL IS MUCH IMPROVED

WASHINGTON—While in most areas nonresidential construction costs are still showing a tendency to move slightly upward, there are signs that stabilization may come at or near present cost levels, according to a survey by the Associated General Contractors of America, Inc.

The A. G. C.'s Washington office reported it had brought together its national picture of today's condition in the contract construction industry by telegraphing its 103 chapters and its directors. With a membership of 4,750 general contractor firms, its people do considerably more than half of all the contract construction work in the country.

The survey developed these points:

"A trend toward equilibrium is discernible today, under today's market conditions, between supplies and requirements of a construction industry operating at a high volume level.

"Materials supplies, with the exception of steel and cement, are improving or ample in many areas.

"General contractors are demanding and getting firm prices on most materials. Hard-to-get steel items still contain escalator clauses, however.

"The availability of construction workmen appears to be satisfactory except for shortages of bricklayers and plasterers in some areas and skilled operators of some highway and heavy construction equipment.

"A substained volume of work at a high level appears to be coming on the market.

"An increasing amount of exports for European recovery and the expanded defense program may be unsettling factors in the future, particularly regarding items available for construction work."

"Significantly, material shortages appeared to be confined almost exclusively to steel and cement."

The manpower situation has definitely improved, the survey also brought out.

On construction costs, the Associated General Contractors reported:

"In general, the over-all cost level for all commodities and services today, higher wages and a productivity that is still not completely satisfactory, were reasons cited often for an upward pressure. But the outlook for stabilization is favorable. One out of every five replies indicated that stabilization of costs has already been achieved. As a highway chapter secretary put it: 'General conditions look better than 90 days ago . . . there has been considerable intimation on the part of labor representatives to arrive at a stabilizing period in regard to wages, when negotiations are opened in October.'"

On construction volume, replies were thus summarized:

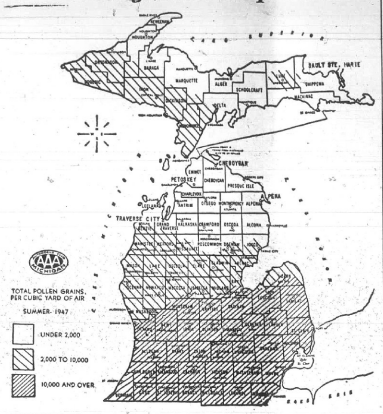
"Work volume is not increasing as rapidly in highway and heavy construction today because substantial federal and state programs were launched last year and are now being carried to completion at a high level. It is expected that this high volume of work will be continued for an indefinite number of years.

"Regarding building and private construction, public acceptance of present price levels because the dollar is inflated and never will return to the 1939-1940 level, was often advanced as a reason for an increased or a sustained volume of work. In areas where work volume has dropped, 16.5 per cent of all replies reported lack of adequate financing. A contributory cause for a drop in industrial construction volume appears to be that prospective owners are anticipating shortages of necessary materials, particularly steel, needed for capacity operation of the planned factories."

Relative to the availability of materials, the Associated General Contractors said:

"Looking at the results of the question on availability of materials, heavy contractors appear to be affected the most by inadequate supplies today, probably because many large construction projects started in the recent past have gotten to more elaborate stages of construction requiring large and sustained supplies of materials.

Hay Fever Map



DETROIT—Nearly half of Michigan is free of ragweed pollen, in any irritating quantities, Automobile of Michigan's travel manager Harry Rogan pointed out to hay fever sufferers today.

Unshaded areas of the map above contain all portions of the state where pollen count in 1947 was consistently low. Lightly shaded areas offer relief to those whose hay fever allergy is relatively mild. Heavily shaded areas in 1947 had large concentrations of ragweed pollen. Michigan State Health Department has conducted extensive research on pollen counts.

How far from darkly shaded areas victims have to go for relief can be determined only by experiment, Rogan stated. High on the list of spots, recommended for sneeze sufferers are St. Ignace, Sault Ste. Marie, Cheboygan, Charlevoix and Rogers City. All these cities had total State Health Department pollen counts of less than 1,000 last year.

Other cities with counts totalling less than 1,500 (comparatively strong relief) were: Petoskey, Alpena, Traverse City, Houghton, Mackinac Island, Isle Royale, Manistique and Munising.

Ragweed season begins about August 15 and continues to bother hay fever victims until the first heavy frost, usually about the last of September in much of Michigan. Wooded areas, seashores and mountains seem to give the most relief. Auto Club advised. The only places in the United States that are completely free of ragweed and related pollens are Puget Sound and western Oregon.

Other areas Rogan recommends to the hay fever tourist are the Rocky Mountains (although sagebrush affects some), Yellowstone National Park, much of Idaho and other parts of the Pacific Northwest.

SO HE TURNS UP THE HEAT . . . Cheta, talented anthropoid movie actor, probably is the first chimpanzee ever to regulate the temperature of his own air-conditioned trailer. His trainer is studying the effects of heat and humidity on animal ailments.

Foghorn To Continue As "Standard Equipment"

Duluth, Minn. — The foghorn which has for 200 years been warning mariners with a wail like that of a black sheep gone astray has just made news. Investigators report that it is here to stay. Various new navigation aids have been thoroughly tried, both in war and peacetime, but nothing has been found that can supplant the foghorn.

From Boston harbor to Galveston bay and from the Florida coast to Puget Sound shore-line residents will continue to hear the haunting horn day and night if the weather is foggy.

Navigators identify foghorns by frequency of the signals and can thus confirm their position as well as be warned of obstacles.

Even on vessels having the latest sailing devices, ship masters still rely upon the foghorn. Other aids notwithstanding, it is one device that is worth a hoot.

Those citizens who declare they are "too busy" to take an active part in the work of their church spend much time in criticising those who do their part.

East Chicago Blvd.

HOLLOWAY

Jerry and Donna Jean Glenn, children of Mr. and Mrs. Joe Glenn, arrived Sunday to spend a week with their grandparents, Mr. and Mrs. Ken Kopke.

Miss Nancy Morningstar of West Palm Beach, Florida is visiting for a few weeks with her grandparents, Mr. and Mrs. Leon Stautz.

Mr. and Mrs. Paul Schwab of West Hempstead, Long Island, N. Y., are spending two weeks with his mother, Mrs. John Schwab.

Mr. and Mrs. Frank Hall left the last of the week to visit friends and relatives in the northern part of the state.

Jane Gritzmaker is spending the first of the week at the cottage of Loretta Walper of Devils Lake.

Mrs. Paul Kopka and Mrs. Ken Kopke were co-hostesses at a cradle shower Friday evening for Mrs. Robert Betz of Blissfield. Games and contests were held with prizes being presented to the honored guest. The hostesses served light refreshments and one large gift was presented from the group.

Mrs. Ken Marine was hostess Monday afternoon to 16 children who were invited to help seven year old Karen celebrate her birthday. Games and entertainment filled the afternoon and ice cream and birthday cake was served by Mrs. Marine.

Mr. and Mrs. Robert Mitchell drove Mrs. Oliver Osborne of Waverly, Va., who is here visiting to the home of Mrs. Osborne's sister, Mrs. Zula Skinner of Flint on Tuesday. She will remain for the rest of the week.

Mr. and Mrs. Sam Lunn and children of Massilon, Ohio arrived Thursday to spend the rest of the week with Mr. and Mrs. Matt Lunn and family.

Hess Callander returned to his home on Tuesday from University Hospital where he has been a patient for two weeks.

Mrs. J. W. Nixon of Detroit spent the week end as the guest of Mr. and Mrs. John Calhoun.

Mr. and Mrs. David Grindstaff of Tecumseh have purchased the little house in Holloway that has been occupied for some time by Elmer Lewis and owned by Mrs. J. W. Nixon. They expect to move in this week.

Shireen Forsythe of Detroit is visiting this week with Mr. and Mrs. Clark Sinclair and daughter.

The Raisin District No. 3 school will open August 30 with Miss Delores Martolock as teacher. Raisin District No. 9 will open school with Miss Betty Martolock as teacher.

Mr. and Mrs. Alton Wellnitz and children were in Detroit Friday afternoon and Ron Beaverson returned home with them to spend the week end. Sunday they all went to the home of Mrs. S. E. Beaverson of Holgate, Ohio.

Mr. and Mrs. Raymond Kahle and children returned home Sunday afternoon after spending a week at Sugar Island.

Mr. and Mrs. Bernice Dibble attended the silver wedding anniversary of Mr. and Mrs. W. W. Cooks of Clayton on Sunday afternoon.

Mrs. Bertine Comfort, Mrs. Ida Rogers and Mr. and Mrs. Merelyn Fairbanks spent Sunday visiting friends in Detroit.

Roy Cadmus, Mrs. Wm. Budwit of Adrian and Miss Joan Cadmus of Ford Hospital, Detroit were recent visitors in the home of Mr. and Mrs. Walter Kappan of Delta Ohio.

NO LOVE LOST HERE . . . President Truman is shown delivering a tough 24-minute message before a truculent congress at the special session. The joint session of congress, which he has termed "one of the worst" in the nation's history, gave him scant applause. This general view shows the President at the speaker's rostrum.

Miss Josephine Carey Weds Donald C. Oesterle

Before a background of white gladioli and palms in the First Presbyterian Church, Tecumseh Friday afternoon, Miss Josephine Louise Carey, daughter of Mr. and Mrs. Russell C. Carey, became the bride of Donald Clare Oesterle, son of Mr. and Mrs. M. Oesterle of Mason. The double ring ceremony was performed by the Rev. Edward Escolme, pastor of the Friends Church.

Mrs. Doyle Jessen of Lansing, at the organ, played a program of nuptial music as the guests were seated. Richard Hammel sang "Through the Years" and "My Happy Day."

Given in marriage by her father the bride wore a gown of white satin and marquisette fashioned with a shirred apron front of lace tied in a bustle bow. The lace bodice had an off the shoulder neckline with folds of marquisette forming the cap sleeves. The bride's fingertip veil of French illusion was held in place by a circle of stephanotis and pearls. Her bridal bouquet was of white roses and bebe mums.

She was attended by her cousin Miss Catherine Jean Nelson of Indianapolis as maid of honor and Suzanne Rohweder of Tecumseh as junior bridesmaid. The maid of honor was attractive in her gown of valenciago taffeta with full skirt over a hoop. Her hat was of chartreuse illusion with brown velvet trim. The junior bridesmaid wore chartreuse taffeta made in identical fashion, with a valenciago illusion hat. They carried bouquets of Talisman roses and yellow mums.

Dewey Doane of Mason, was the best man. The ushers were Howard and Glenn Oesterle, brothers of the groom, Ned Doane all of Mason and Jim Reynolds of Weberville.

Mrs. Carey chose a suit of grape satin with black accessories and pinned a corsage of pink roses to her purse. Mrs. Oesterle wore navy blue with wine accessories. Her corsage was of Hilltop roses.

The reception was held in the home of Judge and Mrs. G. Arthur Rathbun, uncle and aunt of the bride.

For traveling the bride chose a charcoal gray taffeta dress with scarlett accessories and wore a corsage of red roses. After a trip in northern Michigan the couple will make their home in Mason.

Mr. and Mrs. Walter Nelson of Indianapolis, aunt and uncle of the bride, entertained at the Tecumseh club for the rehearsal dinner, Thursday evening.

BASEBAWL . . . Although he's not good for any paid admissions, the Pittsburgh Pirates have no more loyal rooter than this 14-year-old chimpanzee at the Highland Park zoo who sports a Pirate cap.

AVERAGE AMERICAN BECOMING CANDY MAN

The average American is rapidly becoming a candy man. During 1947 he consumed—all by himself—eighteen pounds of candy! Wholesale candy sales of $930,000,000 jumped 35 per cent over the previous record year of 1946. The number of pounds produced in 1947 reached 2,600,000,000.

Mrs. Margaretta Brisbin, Secretary to Superintendent, Central Building.

PAST CHIEFS CLUB

The Past Chiefs Club was pleasantly entertained Friday evening at the home of Mrs. Lynn Harris with Mrs. Lillie Gray as the assisting hostess. After a short business meeting games were played and prizes won by Mrs. Harry Schuch, Mrs. Earl Betser, and Mrs. Edwin Swift. The hostess gift was also awarded to Mrs. Swift. The hostesses served a light lunch. Mrs. Verdi Skinner and Mrs. James Brady will be co-hostesses for the September meeting.

UNION WILL MEET

The Baptist Ladies Union will meet Thursday, September 2, at the Leon VanValkenburg cottage at Sand Lake for a potluck dinner at 12 noon. Families of the members and the Junior League women and their families will be guests. Mrs. Naomi Williamson has charge of the program which concerns the Baptist mission station at Codiac, Alaska. Mrs. Dean Van Valkenburg will lead in devotions. All those attending bring table service and drink will be furnished.

CLASS ENTERTAINED

Mr. and Mrs. Raynor VanValkenburg were host and hostess to the Welcome Class of the Tecumseh Friends church at the Leon Van Valkenburg cottage at Sand Lake, Thursday evening. Thirty-eight members and guests were in attendance. After the potluck supper and business meeting, swimming, boating and fishing were enjoyed. The class will meet with Mr. and Mrs. Marvin Johnson near Ridgeway in September.

EVER READY CLASS

The Ever Ready class of the Baptist church school met for a farewell party for Mrs. Dolia Carpenter at her home, Thursday afternoon. Mrs. Carpenter will leave September 2 to spend the winter in Tampa, Florida. A potluck dinner and social time was enjoyed by the eleven members present. Mrs. Ira Lamkin of Blissfield was a guest.

RIDERS TO ROAST

The Raisin River Riders will have a corn roast Friday evening, August 27, at 8 p.m., at the Cohee farm.

STORK SHOWER

Mrs. M. L. Dannells, sr., and Mrs. John Truesdale, jr., entertained in the former's home, Thursday evening, at a stork shower for Mrs. Warren Steurer and Mrs. Ford Mudgett. Bridge was the diversion and prizes were won by Mrs. C. F. Sage and Mrs. Robert Sage, who presented them to the honored guests. The dessert table for the guests of honor was centered with a stork surrounded by flowers. A pink and blue color scheme was used throughout. The women received many lovely gifts.

R. N. A. PICNIC

The Royal Neighbors met with Mrs. Tillie Tuckey Monday evening. Mrs. Jean Golat was obligated into the lodge, after which the members enjoyed refreshments at the Cozy Cafe. Thursday, September 2, the lodge will meet at Alice Colhun's cottage at Sand Lake for a potluck dinner. Members are reminded to bring their embroidery work.

TEACHERS TO MEET

A pre-school meeting of the rural teachers of Lenawee County will be held in the court room at the Court House, Adrian, on Saturday, August 28, starting promptly at 9:30 a.m. This will be a half-day session for the purpose of giving out instructions and materials and all rural teachers are expected to attend.

GRANGE TO MEET

The Tecumseh Grange will hold its regular meeting Thursday, August 26, at 8:30 p.m. DST. Members are to bring cookies or cake. The committee includes Mr. and Mrs. William Gibson, Mr. and Mrs. John Taylor, Mr. and Mrs. Percy Cadmus, Mr and Mrs. Everett Exelby and Mr. and Mrs. Dwight Service.

REBEKAHS MEET

The Rebekah Lodge met Friday evening with the Noble Grand, Mary Furgason, presiding. The regular routine of business was conducted after which the Dundee Lodge presented the "Mystery Box" to the Tecumseh Lodge and entertained those present. Lunch was served in conclusion, honoring all those who had birthdays in August. Guests were present from Dundee and Britton.

O. E. S. TO MEET

The Tecumseh chapter, Order of the Eastern Star, will meet Thursday evening, September 2. There will be a special dedication ceremony for the new flag. A special meeting will be held September 9 for the initiation of candidates.

CARD OF THANKS

We wish to thank the many friends and neighbors, Dr. R. F. Helzerman, the Tecumseh hospital staff, the Rev. Fr. Michael G. Collins, the Collins Funeral Home and the Altar Society for the many acts of kindness, and also the blood donors who were so ready for my wife Mary Eleanor. Everything was greatly appreciated.

Jim Tressler and family

CARD OF THANKS

We wish to thank our friends and neighbors for their many acts of kindness and for the beautiful floral offerings at the time of the deaths of our mother and sister. Also the Rev. Fr. Michael Collins, the Collins Funeral Home, the pallbearers, those who donated cars for the funeral and all others who assisted in any way. Everything was greatly appreciated.

The family of
Mrs. Thomas McCann

CARD OF THANKS

I wish to thank my many friends for their kindness and cards while I was a patient in the Foote hospital at Jackson.

John Thomas Reidy

TIPTON

Mr. and Mrs. Harold Lowery and twin daughters Joan and Joyce of North Arlington, New Jersey, and Miss Nancy Hornsby of Adrian are visiting Mr. and Mrs. Glenn L. Kemp and other relatives.

Mr. and Mrs. Lamont Simmons and daughter Sandra have returned home after a business trip to Omaha, Nebraska.

RIDGEWAY

The Ridgeway Extension Club will meet with Mrs. Leslie Marks, Thursday, September 2. Potluck dinner at noon.

BRITTON

The Christian Church Dorcas class met Friday at the home of Mrs. Russell Smith for a 1 o'clock luncheon with Mrs. Ruby Kniffen as chairman.

The North East Britton Extension Club is planning a picnic supper in the Britton Park Friday evening at 6:30. This is family night.

Mrs. Ethyl Baker of Maumee called on friends here last Wednesday evening.

Mr. and Mrs. Charles Patterson were in Midland last Saturday.

Clyde Brown and H. M. Jackson are on a fishing trip in the Upper Peninsula.

Richard, Sharon and William Koch of Flint are visiting in their grandparents' home, Mr. and Mrs. William Dettman.

Mary Lou Riciela and Bonnie Buttolph finished their summer course at Michigan State Normal College Friday and both are planning to attend the fall term.

Mr. and Mrs. Robert Exelby and Mr. and Mrs. Charles Benedict returned home Monday evening from a vacation trip in the eastern states.

Mr. and Mrs. W. S. Niblack and Mr. and Mrs. A. Spohr were Sunday dinner guests of Mr. and Mrs. J. H. Miner. Mr. and Mrs. Miner returned home for a visit in the Niblack home.

Mrs. Ida Miller is caring for Mrs. Nettie Dennison near Cone this week.

Sunday guests of Mr. and Mrs. Valden Bidle and Margie were Mr. and Mrs. Hugh Murphy and son and Mr. and Mrs. James Beattie and daughter of Detroit.

Mr. and Mrs. Wendell Rhinehardt returned home today after a vacation trip in northern Michigan.

Mr. and Mrs. Rober Kuster and William of Valparaiso, Ind., are guests in the William Kuster home this week and later plan to visit relatives in Ohio before returning home.

Jack and Larry Patterson are vacationing this week in Ypsilanti at the home of Mr. and Mrs. Clarence Starkweather.

Misses Delight Steuwe, Francis Grady, Carolyn Staulter and Mrs H. M. Jackson spent Tuesday in Detroit.

Mr. and Mrs. Clay Croll were week end guests of Mr. and Mrs. L. P. Cushman at Owosso.

The Rosacrans Store

Catherine Marie Fleming Bride of Jack Puffer

Lovely in her gown of white slipper satin, Miss Catherine Marie Fleming of Britton, daughter of Michael J. Fleming of Detroit and the late Mrs. Fleming, exchanged her marriage vows with Jack Robert Puffer, son of Mr. and Mrs. Raymond W. Puffer of Tecumseh, in St. Elizabeth's church, Saturday at 11 a.m. The Rev. Fr. Michael Collins officiated at the double ring service.

Mr. Fleming gave his daughter in marriage. The bridal gown was fashioned with a square sheer yoke edged with wide rosepoint lace trimmed with rhinestones. The fitted bodice closed with tiny self covered buttons down the back and the long sleeves ended in points over the hands. The peplum trimmed in rosepoint lace extended down the back of the skirt to a full court train. The bride's fingertip veil with a scalloped edge fell from a bonnet of rosepoint lace trimmed in rhinestones and her bouquet of white gladioli was centered with white roses tied with white satin ribbon.

Mrs. Peter J. Fleming, matron of honor, was gowned in American Beauty red with a matching bonnet. She carried a bouquet of American Beauty and cream gladioli. The bridesmaids, Mrs. George K. Rockwood of Burbank, Calif., and Mrs. Warren L. Puffer wore gowns of peacock blue with matching bonnets and carried yellow gladioli tied with peacock blue ribbons.

Peter J. Fleming of Detroit assisted as best man and the ushers were Warren L. Puffer and George K. Rockwood.

Mrs. Edward Fleming of Detroit, aunt of the bride, wore a gray ensemble and a corsage of pink roses. The groom's mother wore a valanciago water silk dress with brown accessories and a corsage of pink roses.

A wedding breakfast was served at the Cozy Cafe for some 38 guests, after the ceremony. A reception was held in the evening at the I. O. O. F. hall in Britton for over 250 guests. The six-tiered wedding cake, topped with a miniature bride and groom, was cut by Mrs. Raymond Puffer, jr. Driscoll's orchestra furnished music throughout the evening. Among the many guests from away was Mrs. Thomas, who flew by plane from Newfoundland.

Upon their return from a week's trip to northern Michigan the couple will reside on the Fleming dairy farm south of Ridgeway.

The new Mrs. Puffer graduated from Britton high school in 1943 and has been employed at the Ford Motor Co., in Manchester. The groom graduated from Tecumseh high school in 1944 and attended Adrian College. He is employed at the Tecumseh post office.

RAISING FOOD BY THE SIDE OF THE ROAD . . . Economically on the rocks, England has had to turn to last ditch measures to produce enough food for her people. At Middlesex some of the ditches are being used to grow vegetables. And if the Middlesex experiment works, those nice margins of emerald lawn that flank many of England's sylvan roads may be sacrificed. Here, a man is, using a small tractor plow to cultivate a stretch of grassland for the planting of barley. The section runs for about a mile and totals eight acres. Other roadside areas will become potato fields.

Mrs. Charles Shultis entered Henry Ford hospital in Detroit last week, for observation.

Bees must travel an average of 150,000 miles to gather a single pound of honey.

ANNUAL FLOWER SHOW TO BE HELD SEPT. 15

The Tecumseh Garden Club has announced its annual Flower Show will be held in the high school gymnasium Wednesday afternoon, September 15. Committees have been named and plans are in progress to make this years' show larger and better than before. All persons in the village and the vicinity are invited to enter their flowers, fruits or vegetables in the show. Prizes will be awarded for the winning specimens.

ONSTED

Mr. and Mrs. Elwyn Onsted and Mr. and Mrs. Max Johncox spent last week at Spider Lake and the Upper Peninsula.

The Rev. and Mrs. F. D. Hague are vacationing at Houghton Lake.

Mr. and Mrs. Carl Wheaton and son Gary, accompanied by Mr. and Mrs. Orren Sanford of Alma, have been vacationing in northern Michigan.

Which Is Best

OYSTER SHELL OR GRIT?

The question of grit and shell maker for layers never seems to be settled. Whether or not grit is the "hen's teeth" — or whether only oyster shell is required — or whether a combination of grit and calcium carbonate is the thing — is still a source of argument.

Hayden's Sell All Three — Oyster shell, Stone-Mo granite grit and Calcite Crystals.

One thing Hayden's do emphasize is the liberal amount of mineral in their mashes: 2.5% ground limestone, 2.5% bone meal, .03% manganese sulphate and 2.5% iodized salt. Layers that get Hayden mashes don't have to rob their bones to maintain full egg output.

Adam Names The Animals

"And out of the ground the Lord God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them; and whatever Adam called every living creature, that was the name thereof." —Genesis 2:19.

The newly created earth was being given a degree of orderliness — Adam was asked to name the living creatures. In naming them, he gave them identity, and by giving them identity, he established their place on the earth. Then, out of Adam was created woman (from-man) as his helpmeet. The creation was complete.

The Church of today is one of man's symbols of this orderliness of God's world. To maintain this important influence over man's thinking and action, it is necessary that we all attend the church of our choice every week.

MILLION A YEAR INCOME DOESN'T WORRY HIM

Winston Churchill, World's Busiest Man

LONDON — Although Winston Churchill has one of the finest vocabularies in the English-speaking world, there is one word he just doesn't know the meaning of where he himself is concerned—and that is the word "relax."

A favorite question of overseas visitors to London is, "What is Winnie doing these days?" The answer is, "Plenty—and some more."

You would think that after all he had done he might want to put his feet up and lean back on his laurels and the £250,000 his war memoirs are earning him from the United States alone. But not a bit of it. The other day he flew from his home in Kent to Bristol to confer honorary degrees in behalf of Bristol University, of which he is chancelor. The same afternoon he flew on to Cardiff to receive the freedom of the Welsh Capital. In each case he made fine speeches, which were reported through the length and breadth of the land.

He also managed to enjoy himself, as he usually does, when paRading in Bristol in one of those big, round, floppy academic hats which make him look even more Elizabethan than usual.

Most of the cities in Britain, and many in Europe, want to make him a freeman. He has to turn down far more offers than he accepts.

But these academic and civic functions still are only a sideline. First and foremost he is the leader of the Conservative opposition in the House of Commons. Recently the socialist minister, Herbert Morrison, rashly charged Mr. Churchill with drawing the £2,000 salary attached to being opposition leader without being as regular an attendant as Mr. Morrison thought fit.

Mr. Churchill soon had Mr. Morrison on the carpet, by disclosing that he was not receiving the salary, but was putting in considerable time in the Commons.

Recently, for instance, though the thermometer registered over 90 degrees in the shade and the sun scorched through the high Gothic windows of the Commons, which has absolutely no air conditioning, yet Mr. Churchill was battling with socialist Chancellor of the Exchequer Sir Stafford Cripps over the plan for having the Americans advise the British industrialists on speeding up production.

Some lesser — and younger — men were quietly melting away. Not Mr. Churchill. His face seemed to be challenging the sun to a radiant battle.

"You see," an Englishman was telling a Chinese visitor in the public galley of the Commons, "he was brought up on roast beef."

Mr. Churchill, by the way, is also busy on Conservative Party policy against the time, probably in 1950, when he judges the Attlee government will be swept from power much as he was in 1945.

Mr. Churchill would then expect to be Prime Minister again.

Most persons would find Mr. Churchill's occupation with his writing a full-time job. His proofreading, like most other things about him, is unique. He goes on correcting even after a book is in print. The second volume of his war volumes is expected about March, 1949.

Meanwhile, he is in various stages with three other volumes.

A story is told of how the other evening Mr. Churchill dined with several of the big newspaper proprietors who are good friends of his. They dined and talked until a late hour. But when Mr. Churchill eventually arrived home, did he go to bed?

No. He just dictated 2,000 words of his book to a stenographer.

That was what happened during the war. He wanted to work when others wanted to sleep. His colleagues found it hard to keep pace with him.

When he was speaking at Bristol as chancellor of the university, after conferring honorary degrees on a number of vice-chancellors of the British Commonwealth universities meeting in Bristol, Mr. Churchill recalled how he had conferred degrees there under the very different wartime blitz conditions.

He said, "all the officers of the university who took part in that ceremony came in with the academic robes put on over dripping, soiled, khaki clothing, in which they had passed the night endeavoring to put out the fire which still was raging in the neighboring building.

"I need not say that the strictest formality and the most orthodox procedure were observed. I felt that at that time the sense of how a great university can rise above the material and physical surroundings of the hour and carry its head high, however the winds may blow."

HIS EYES SPELL OUT HIS FAITH . . . Victim of a Nazi sniper, Jimmy Wallace now lies with arms outstretched on a cross of pain in VA hospital at Hines, Ill. He is unable to hold the beads of his favorite devotion, the Rosary, so he prays it with his eyes, using this huge Rosary hung above his bed and made just for him.

FARMERS: HERE'S EXCUSE TO CONSIDER TELEVISION

The Department of Agriculture is planning to provide farmers with a good excuse for investing in a television set.

Under the Research and Marketing Act, the department's radio service will shortly begin a study to determine the cost and desirability of television broadcast designed to "encourage more effective use and greater consumption of agricultural products."

Programs would be used to show city and farm folk alike results of agricultural research. They would emphasize information useful to consumers. The department's bureau of human nutrition and home economics should be most helpful here since it is always seeking and finding ways to make homemakers' work lighter, easier and more enjoyable.

Before the establishment of standard time on November 18, 1883, American railroads were using about 100 different standards of time.

The average American consumes 187.4 quarts of milk in a year.

MICHIGAN MILK PRODUCERS ASSN — Quality Dairy Products — Cooperative Way

SYMBOL OF PROTECTION

This insignia of one of the nation's most outstanding cooperative organizations—the Michigan Milk Producers Association—is today recognized as a *Symbol of Protection* for both the consuming public and 15,000 dairy farmer members.

After thirty-one years of conscientious leadership and strict adherence to true cooperative principles, this association is highly esteemed for the vital services rendered in:—

☆ Efficient marketing of all milk produced by members and guaranteeing prompt payment.

☆ Supplying distributors with adequate quantities of high quality milk at all seasons of the year.

☆ Enabling consumers to have ample supplies of pure, approved milk and cream at an equitable price.

Truly, a Service Organization

Six LIFESAVING RULES FOR FARM PEOPLE

TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten seconds. When operating power machinery, take time to be careful.

Your life will be safer if you . . .

Observe these simple rules:

1. Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
2. Keep all shields in place when operating machine.
3. Don't trust defective hitches, brakes, clutches, seats.
4. Never mount or dismount from a moving tractor. Don't ride on drawbar.
5. Don't wear loose, floppy clothing around power machinery.
6. Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person every 19 seconds. Don't let carelessness put your name on that list.

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

LELAND—This is a tale of nostalgia.

It is a story about J. Lee Barrett — Detroit's suave No. 1 ambassador and promoter of civic superlatives — manager of the Detroit Convention and Tourist Bureau, and his vacation retreat on South Manitou Island on Lake Michigan.

We viewed the distant outline of the Manitous — North and South — from a window of Karl Detzer's print shop here in Leland.

In the foreground are fishermen's weatherworn docks and shacks. A baldheaded man, bronze with tan had set up his easel to paint. A family was having a picnic in the village park where a charcoal iron smelter once stood. Children were playing on the sandy shore, for the waters of Lake Michigan are numbing cold. Hundreds of gulls swarmed noisily about wood piling that line the narrow harbor entrance.

Between this tranquil scene and the faint silhouette of South Manitou are 18 miles of blue water.

Tracy Grosvenor, mail boat skipper, knows the Manitous. His conversation about life on the islands was a pleasant relief from lingering troubled memories of teenage boys undergoing military training at Grayling.

"Back in 1908 my father was a logger on North Manitou," said Tracy at the wheel. "Before then the island had a popular summer lodge for Chicago tourists. Many times the dining room served 100 people. When the lumbermen came in 1908 for a second timber harvest, the tourists left." Years later the island was acquired by William R. Angell, former President of the Continental Motor Company of Detroit and Muskegon, and Roger Sherman a Chicago attorney. They operate it now as a sportsmen's club and cherry farm.

We stopped at North Manitou to deliver parcels of food and to pick up two lugs of cherries for the Coast Guard. Thence we journeyed on to South Manitou whose natural harbor, curved like a new moon, is praised by sailors as being the best on Lake Michigan.

The boat trip from Leland was slow, two hours and a half.

August Warner, Deputy Sheriff, met us at the South Manitou dock. We climbed aboard his 1928 model A Ford. The chugging ride up a neglected two mile trail was reminiscent of grandfather's time.

We paused at a rustic gate and then drove past an ancient barn to a small farmhouse. The Detroit publicist, usually immaculately attired, resembled a beachcomber. He introduced us to two of his associates in the Lee Island Company, Inc., which was financing the venture. William W. Slocum was reclining in a hammock. William G. Bloes was busy preparing lunch in the farmhouse kitchen.

Yes, the Detroit promoter explained, everyone had been busy fixing up things. Union plumbers were forgetful, you know, and the island was miles off the mainland. So the Detroit business men had been wielding a paint brush, hammering nails, sawing wood and installing plumbing. Gradually the farmhouse was being transformed into a snug lodge. The barn was to become a clubhouse.

A stone's throw from the farmhouse was a beach of Lake Michigan strewn with drift wood. The lake breeze was invigorating. Wild raspberries nearby grew in profusion.

We beheld the farm scene with its happy city colony and we marvelled at the zeal of these Detroiters who were revelling in the isolated pastoral simplicity of a half century ago. No telephones, no automobile traffic, no factory or railroad whistles, no gadgets, no evening papers with black headlines. Yes, this could be impelling attraction — man's protest against modern complex living.

Barrett smiled in contentment. South Manitou, Robison Crusoe haven of nostalgia, had waited years for him.

The Island was his answer, in complete reverse, to a promoter's prayer.

County Agent Declares Farmers Are Good Drivers

Farmers have to be good drivers! This is the opinion of Louis G. Hall, county agricultural agent.

Unlike city dwellers, most of a farmers traveling is done on high speed roads. The farmers safety and that of his family depends on his knowledge of the rules of the road.

According to records of the National Safety Council, more farm people are killed in motor vehicle casualties than in any other type of accident. Last year there were seven thousand fatalities and two hundred fifty thousand lost-time injuries. Farm residents have contributed more than their share to the post-war increase in motor vehicle accidents.

When you are at the wheel your life and the lives of others are in your hands. You cannot afford to take a chance. This is the note of caution of Mr. Hall who offers ten tips for safer driving.

1. Have a courteous attitude.
2. Know the rules of the highway.
3. Keep the car in good condition.
4. Stay alert when driving.
5. Keep car under control.
6. Obey the signs and road rules.
7. Avoid driving when tired.
8. Use tail lights on trailed equipment.
9. Remember the same rules apply with tractors on highways.
10. Cooperate with your community traffic officials.

CLINTON

It Was A Tie

Automobiles being driven by Mrs. Eva VanDeMark of Clinton and Mrs. Priscilla Brown of Tecumseh collided Thursday afternoon at an intersection about four miles southeast of Clinton. Tall corn and trees obscured the vision and "it was a tie," state police of the Clinton post said. The rear of the Brown car and the front of the VanDeMark car were damaged.

Surprise Birthday Party

Mrs. Mary Hoxsie was pleasantly surprised Thursday afternoon when her neighbor Mrs. E. H. Meyers entertained at a 1 o'clock luncheon honoring the former's 83rd birthday anniversary. Guests included Mrs. Eva Powers, Mrs. C. C. Hubbard, Mrs. Bert Rogers, Mrs. Bertha Matthews, Mrs. Minnie Haltiner, Mrs. William Larmour and Mrs. Grace Colson. The afternoon was spent socially.

"Homecoming" Family Night

A "Homecoming" family night will be held at the Methodist church, Wednesday, September 15. The choir members and youth of the church are in charge of all arrangements for the supper and entertainment.

Mrs. C. F. Littell, accompanied by her son and family, Dr. and Mrs. F. H. Littell and daughters, returned to her home in Mineole, Long Island, after visiting here. Dr. and Mrs. Littell will attend a conference on religion and higher education in Westminster, Md.

Mr. and Mrs. W. D. Moats and Mr. and Mrs. Frank Sage and son Billy are vacationing in Minneapolis and Neena and Menasha, Wisconsin.

The Eagle Bridge Club will meet at the cottage of Mrs J. C. Campbell at Wamplers Lake, Wednesday, September 1.

Miss Irne Crane of Portland is visiting Mrs. Clyde Knight and other relatives.

Guests of Mr. and Mrs. F. A. Furgason are Mr. and Mrs. Lawrence Furgason and children of Waterloo, Iowa.

Lee Hammond, son of Mr. and Mrs. George Hammond, enlisted in the army and is now in Ft. Knox, Kentucky.

Mrs. Charles Geiger is seriously ill.

Guests of Mr. and Mrs. C. L. Hause are the Rev. and Mrs. B. H. Hause and her mother, Mrs. Mae Lender, all of Los Angeles, Calif.

The piece of steel in the right eye of Roy Jedele has not been removed yet. Mr. Jedele was at the University hospital last Friday for treatment.

Mrs. Levert Drake and sons Kenneth and Ronald are in Muskegon visiting her father-in-law, Millard Drake.

SUMMER COTTONS SOON TO RUSTLE LIKE TAFFETA

By next summer cottons will be rustling like taffeta and won't wrinkle no matter who sits on them. The American Cyanimid Company has developed a permanent wrinkle-resistant finish called "superset." The finish controls shrinkage to 2 per cent and is unaffected by washing and dry cleaning.

Using a resin base, Joseph Bancroft and Sons Company have developed finishes that give cottons a lustrous sheen and a rustling sound which last through many washings.

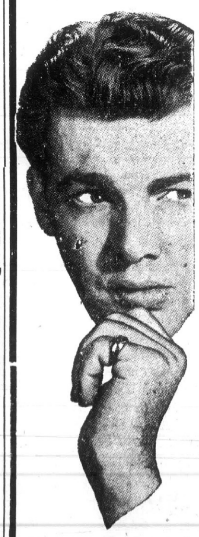
THINK ABOUT THESE THINGS
BEFORE YOU BUY
YOUR
TELEVISION SET!

ANSWER THESE QUESTIONS:

1. Does the set you're buying give you complete coverage — all 13 channels, with simplified selection, maximum eye-comfort, sharp tuning and a powerful speaker?



2. Price is a factor, too. If the set you're looking at costs more than $299.95 you should FIRST check up on the new ADMIRAL MAGIC MIRROR with 29 tubes and 10-inch picture tube. Have you done it?

3. Have you compared the set you are looking at with MAGIC MIRROR? If you haven't actually SEEN THE DIFFERENCE then you should, before you decide.

4. Service is an important factor. Have you considered it? If you haven't then you should take into consideration that we are the oldest electrical supply and service dealers in Tecumseh. That we have an enviable reputation for service, which we intend to defend.

5. Do you realize that the new Admiral Magic Mirror Console Model is now priced LOWER than some table model sets of other makes?

6. Do you know that we will demonstrate our ADMIRAL MAGIC MIRROR against any model to compare performance and eye comfort?

7. What do you know about television? If you're not an expert, then service on your set is important. That is where we play an important part, because service is a part of every sale that we make.

We'll Be Glad to Talk Television With You If You're Interested.

LEGAL NOTICES

Order of Hearing—
Appointment Administrator

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 3rd day of August in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter o the estate of WILLIAM ROSENBAUM, Deceased.

On reading and filing the petition, duly verified, of Stella Cox daughter and heir at law of said deceased, praying that the administration de bonis non of said estate may be granted to Fay A. Wiggins or some other suitable person,

It is ordered that Monday, the 30th day of August next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered that a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

(A true copy)
Hazel D. Gregg, Probate Register
Aug 26-RFR

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 14th day of August in the year one thousand nine hundred and forty-eight.

Present: HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of ALICE BENEWAY (formerly Alice Beneway Harding), Deceased.

On reading and filing the petition of Elizabeth Chase, executrix upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that her final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Tuesday, the 7th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

DELEGATES TO COUNTY CONVENTIONS

There shall also be elected as many DELEGATES to the County Convention of the several political parties as said ward, precinct or district is entitled to under the call of the county committees of said political parties, which number will be indicated by the number of blank lines printed on the official primary ballots used at said election, under the heading "Delegates to County Conventions."

Notice Relative to Opening and Closing of the Polls

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Hugh H. Hanna, Township Clerk
Aug26-Sept1-8

MINUTES OF THE BOARD OF EDUCATION
August 10, 1948

The regular meeting of the Board of Education, Tecumseh, Michigan, was called to order by Mr. Touborg, President, at 7 o'clock, Tuesday, August 10. Present: Mr. Jens Touborg, J. W. Spafford, and P. C. Satterthwaite. Absent: R. F. Helzerman, M. D. and Paul Bretienwischer.

The minutes of the last meeting were read and approved. All current bills were approved as read.

Upon motion of P. C. Satterthwaite and supported by J. W. Spafford the following appointments to the faculty were made:

Miss Marjorie Mohr, Vocal Teacher.

Mrs. Helen Sisson, 2nd and 3rd grade teacher—Baptist Church.

Miss Dorothy Burgess, Art Instructor for all grades.

Mrs. Marguerite Garlick, 2nd grade teacher at East Branch.

Mrs. Cora Praus, half time teacher, 6th grade.

R. Neal Brazee, Social Studies Teacher.

On motion of J. W. Spafford and supported by P. C. Satterthwaite, Mr. Howard Watson was given the job of putting an asphalt roof on the East half of the High School Building at a cost to the school of $864.00.

On motion of Mr. Satterthwaite, supported by Mr. Spafford, Stanley Kasno was given the job to rebuild the library steps at a cost of $415.00.

Mr. Munger, of Britsch and Munger, Architects, Toledo, met with the Board at 8 o'clock to discuss the bids which were opened August 5. The low bona fide base bid for the entire building, without deductions, was $806,807.00. The other bid for general plumbing and heating, and electrical was $688,100.00. There were a few other individual bids for electrical as well as plumbing and heating. After a general discussion of the building situation, the motion made by Mr. Spafford and seconded by Mr. Satterthwaite to reject all bids was approved.

It was agreed that the Board of Education and the Architects would go over the plans and specifications with a view of cutting here and there in the plans in order to bring the building plans down to the point where a new building might be built.

Meeting adjourned at 11:10 p.m.

J. W. Spafford,
Secretary pro tem

Order Of Hearing—Claims

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for said County

At a session of the said court, held at the probate office, in the city of Adrian, on the 19th day of August, A. D. 1948.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of MARTIN GATT (also known as Gaudt), deceased.

IT IS ORDERED, that the 26th day of November, A. D. 1948 at ten o'clock in the forenoon, at the probate office in the city of Adrian, be and is hereby appointed for the hearing, examination and adjustment of all claims and demands against said estate; creditors of said estate are required to present their claims in writing and under oath to this court and serve a true copy thereof upon Glenn VanVleet, administrator of said estate, whose address is Britton, Michigan, not less than twenty days prior to the date set for said hearing.

IT IS FURTHER ORDERED, that notice thereof be given by publication of a copy of this order for three consecutive weeks, within thirty days from the date hereof, in the Tecumseh Herald, a newspaper printed and circulating in said county.

MAURICE E. TRIPP,
Judge of Probate

LEGAL NOTICE

PLEASE TAKE NOTICE: That a petition has been filed with the Council of the Village of Tecumseh to change the zoning classification of property hereinafter described:

Lots Ninety-nine (99), One Hundred (100), One Hundred One (101), and One Hundred Two (102), of the Assessor's Plat Number One (1) of the said Village of Tecumseh.

The change requested is from Residence B to Business A.

The property is bounded on the North by Water Street, on the East by Lots One Hundred Three (103), and One Hundred Four (104), Assessor's Plat Number One (1), on the South by Brown Street and on the West by Mill street.

A hearing on the above petition will be held at the Council Chambers on Monday, the Thirteenth day of September, A. D. 1948, at 7:30 o'clock in the evening of said day, at which time all persons interested therein may attend and may be heard concerning the application for change in classification.

Marvin Watkins,
Village President

Dated at Tecumseh this 20th day of August, A. D. 1948.

Time Is Money

When Labor Is Involved OUR--

Precision Tools
Parts That Fit
Trained Mechanics

CUT Your Costs!

When labor is involved, time is an element. We all know that is a fact. And, in automobile repairing, time is an element that must be taken into consideration. The longer it takes to do a repair job, the more expensive.

To overcome the "time element" we have installed factory-engineered tools, we use precision parts . . . that fit . . . and our mechanics are factory-trained . . . enabling them to do your work in a minimum time.

We tell you this because WE KNOW that we can save you money on repairs. We know we can do it because of the precision tools, the precision parts, the mechanical know-how.

Bring your car or truck to us for service. We'll be glad to prove to you that we can cut your costs.

Butler Motor Sales, Ford Tecumseh Michigan

Promises are much easier to make than to fulfill, but people continue to make them.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-ONE — TECUMSEH, MICHIGAN, SEPTEMBER 2, 1948 — FIVE CENTS PER COPY

School Bell To Ring, Wednesday

BETWEEN 950 AND 1,000 CHILDREN EXPECTED TO ENROLL NEXT WEEK

Between 950 and 1,000 students are expected to enroll in the Tecumseh public schools next week, the largest enrollment in the village's history, Earl H. Place, superintendent, said today that everything is in readiness for the reopening of the schools. While there may be some congestion in certain grades during the first two or three days, he anticipates that classes will be operating smoothly by September 13.

The school bill will ring for the local youngsters on Wednesday, September 8, at 9 a.m. At that time all children from kindergarten through senior high school will report for enrollment.

Because there will be eight classroom locations in Tecumseh this fall for school children, The Herald this week again prints the complete program that parents and children should follow, as announced last week by the superintendent's office. If this schedule is followed, it will greatly reduce confusion for parents, children and their instructors.

At the **Brownville School** there will be a kindergarten and first grade for all students who live on or north of Shawnee street.

At **West Branch** there will be a kindergarten for all children who live south of Shawnee street. Children in the first grade who live south of Shawnee street and west of Evans street should also enroll there. A section of the second grade will also be at **West Branch** and children in that grade who live south or on West Pottawatamie street and west of Evans street should report Wednesday morning.

At the **Baptist Church** there will be a second and third grade combination group. All second grade children who live north of Pottawatamie and west of Evans street will enroll there.

All third graders who live south of Chicago Blvd. and west of or on Maiden Lane should go to the Baptist Church.

All third grade children who live east of Maiden Lane and south of Chicago Boulevard are to go to the **Library.**

Third graders north of Chicago Boulevard are to report at the **St. Peter's Episcopal Church.**

At **East Branch** there will be a first and second grade. All children of the first grade who live south of Shawnee and east of Evans street will enroll there. All children in the second grade who live east of Evans street will report there.

At the **Presbyterian Church** one section of the fourth grade will be housed. Those students who live west of Evans street will attend there. The other section of the fourth grade will report to the **Central School Building.**

It should be called to the attention of parents of small children that it is a policy of the Tecumseh Board of Education not to enroll children in the kindergarten unless they are five or will be five not later than January 1, 1949.

Students in all other grades will report to the Central Building for enrolling.

Children who come by bus and who are of kindergarten age should go to West Branch. Third graders should go to the Library Building and all others should report at the Central Building except children in grades one and two who come by bus should report to the East Branch.

It will probably be necessary to make some adjustments to equalize

(Continued on Page 6)

Five Tecumseh Grads To Enter Michigan 'U'

Five Tecumseh high school graduates will enter their freshman year at the University of Michigan, Ann Arbor, this fall. A full week of orientation activities has been planned for the freshmen beginning September 13. This period will include the registration days for all students, September 15-18.

Anna Lou Aebersold and John Louis Carlson will enter the College of Literature, Science and Arts; Frederick Ward, jr., and Frederick Carl Aebersold, the College of Engineering and Marion Jane Gilman will attend the School of Dentistry.

NOTICE

I will be at United Savings Bank for collection of village taxes every Saturday from 9 a.m., to 3 p.m., until further notice.

Chas. Fay, Village Treasurer

Aug 5tf

NOTICE

My office will be closed until after Labor Day.

Dr. P. B. Hardy

—Adv. 82

First Call Is Issued For Football Practice

The first call for football players at Tecumseh High School was issued today by E. E. DuVall, coach.

The initial meeting will be held at 10 a.m., Friday, September 3, in the gymnasium of the high school. Aside from registrations, physical examinations will be given.

"This is a general call," Coach DuVall said, "And everybody is welcome. All positions are wide open."

The grid season will get under way about September 17, the schedule to be announced next week.

Military Honor For War Veteran

BODY OF PFC. HENRY F. WALDEN IS BURIED IN WHITTAKER CEREMONY

The body of Pfc. Henry F. Walden, who lost his life in Luxembourg, Germany, February 26, 1945, was reburied Thursday afternoon in the Alban cemetery near Whittaker.

Full military honors were conferred at the cemetery by V.F.W. of Tecumseh and Clinton. Those in charge were: Commander Neville Hart, senior vice commander Walter Mueller, jr., vice commander George Wittrup, chaplain Tom Kelly, officer of the day Richard Beutter, bugler Lee Coffey, color bearers Gerald Miller and Donald Purkey, color guard Harlan Boyce and Robert Meads, sergeant-at-arms Harold Warren, firing squad Earl Kreuger, Gerald Driscoll, Frank Steele, Wilbur Meads, George Kemp, Ernest Hammack, all of Tecumseh.

The pall bearers were Wilbur, Charles and Ted Greenfield, William Stout, jr., Lavern Woodward and Floyd Graham, all of Clinton.

Relatives and friends from Louisville, Ky., Detroit, Belleville, Ypsilanti, Tecumseh and Clinton attended the services.

6.45 Increase In Taxes In '47

AVERAGE PERSON PAID $71.90 DURING PAST YEAR, MICHIGAN SURVEY DISCLOSES

The average Michigan citizen wanting to complain about his mounting property tax burden should see his school, county and village authorities.

The other two units of local government, cities and townships, actually reduced total property tax levies during 1947, according to a study just issued by the Michigan Survey, a state taxpayer association.

Adding levies of all five classifications (cities, schools, counties, villages and townships) however, the average taxpayer suffered a 6.45 per cent net increase in 1947 over the previous year, a jump from $232 million in 1946 to $247 million in 1947. (The disbursement of 1947 property tax collections effects 1948 operations.)

The Survey analysis shows that the average Michigan taxpayer paid $71.90 in property taxes in 1947. This compares with the $67.54 he paid in 1946.

In 1947 he paid an average of $29.79 in city taxes, $26.36 in school taxes, $13.43 in county taxes, $1.57 in village taxes and $.74 in township taxes, the Survey reports.

Looking at the whole picture, Henry Steffens, director, said local units, in general, "obtained higher revenues by increasing property valuations instead of the tax rate. Equalized valuations rose 13.33 per cent or from $7.9 billion in 1946 to $9 billion in 1947."

Twenty-two of Michigan's larger counties paid $223.3 million or 90 per cent of total taxes, according to the Survey report. These were levied against 88 per cent of the total equalized valuation. The remaining 61 counties levied only $23.9 million or 10 per cent of total Michigan property taxes against 12 per cent of the total equalized valuation.

Lenawee County had an equalized valuation of $76,107,000, according to the report. Taxes levied totaled $1,685,000. Making up this total were $381,000 in county taxes, $28,000 in township taxes, $386,000 in city taxes, $124,000 in village taxes, and $267,000 in school taxes.

WATER MAINS FLUSHED

The Tecumseh fire department was called out last Friday at 6:15 p.m. to flush water mains on South Adrian, North VanBuren and North Maumee streets.

Village Hires New Engineer

TAKES OVER TASK OF DIRECTING SEWER, WATER AND STREET PROGRAM

A full-time graduate engineer, who will take over the task of directing Tecumseh's street, water and sewer maintenance and expansion programs, plus all other jobs normally assigned to such a department, is now on the village payroll, Marvin Watkins, president, announced today.

The new engineer is F. Ken Dawson, 25, of Arlington, Va., a graduate of Purdue University. Aside from his training in engineering, Mr. Dawson also has had special work in city planning and traffic engineering.

The new engineer succeeds Frank Hoekstra who, about the first of the year, was granted a leave of absence and since has been in a sanitorium at Howell. Until Dawson came on the job Mr. Hoekstra's work has been handled on a part time basis by Al Bagshaw, a former engineer of the village.

Mr. Watkins said that Bagshaw will assist Dawson until he becomes more familiar with the local situation. Dawson probably will have offices in the clerk's office and in the village garage on North Pearl street. He will be directly in charge of all street, water and sewer projects.

Dawson spent 39 months in the Army air corps and was discharged with a captain's rating. During his service period, he was in the engineering maintenance division of the Army.

School Bonds Bring Premium

$180,000 ISSUE SOLD TO DETROIT FIRM; INTEREST RATE IS 1.9%

The First of Michigan Corporation of Detroit, Monday evening was awarded the purchase of $180,000 in Tecumseh School District No. 7 bonds when bids were opened by the board of education at the high school. The bonds brought a $6 premium and the interest rate was 1.9%. This means that interest costs on the bonds up to the time of their retirement will total $11,141.50.

The board received five bids for the purchase of the bonds but the Detroit firm's bid was low. Other bids ran the interest cost as high as $17,655.

The board plans to meet with its architects, the firm of Britsch & Munger, Toledo, here on the evening of September 13 to canvass new plans for a high school building. Previous plans, based on a $400,000 estimate for a new school, when submitted to construction firms for bids brought a low estimate of $688,000.

The school district has $400,000 available for a new school and the board hopes, by revising its plans, to come within the funds thus earmarked. Of the total, $180,000 comes from the sale of bonds, $145,000 is in gifts from Tecumseh Products Co., Ray Herrick, president, Jens Touborg, F. K. Smith and C. M Brown, and the balance from a sinking fund already established.

The board hopes to get the construction of the new building started this year, making the building available for use when school opens in the fall of 1949.

Stores Vote To Close Thursdays

WILL REMAIN OPEN EVERY DAY IN WEEK DURING DECEMBER

Retail merchants in Tecumseh, meeting on Tuesday afternoon, voted to continue the Thursday closing of their stores, except during the month of December when stores will be open every day in the week. The merchants also decided that when a holiday falls on any day other than Thursday or Sunday, the stores also would remain open on Thursday.

The meeting was called by Leon Mix, chairman of the Retail Merchants Division of the Chamber of Commerce. Some 15 merchants attended the meeting.

Most of the merchants here have been closing their stores on Thursday throughout the summer months and the vote on Tuesday continues the practice.

GRASS FIRE

The Tecumseh fire department was summoned Monday at 3:45 p.m. to extinguish a grass fire at "The Pit," South Adrian St.

Be Careful! It May Be Your Last Fling

Your last fling at a summer vacation may be your last fling if you don't "take it easy" over the long Labor Day weekend, the Michigan Department of Health warned today.

Labor Day weekend hazards are the same as those of all summer vacation time, but excessively heavy homecoming traffic on all major highways makes added caution imperative.

Take it easy in travel, swimming, boating, sunning, golfing and tennis. You have another year in which to vacation, but not another life, the Department said.

Flower Show Plans Progress

COMMITTEES NAMED FOR ANNUAL EVENT TO BE HELD SEPTEMBER 15

The Tecumseh Garden Club has announced the committees for the 2nd annual Flower Show to be held in the high school gymnasium, Wednesday, September 15, from 2 to 9 o'clock. Community gardeners are urged to exhibit flowers, fruits and vegetables.

Mrs. Al Helzerman and Mrs. Lyman Curtiss are in charge of the general arrangements and it was said more committees are to be added. Those named insofar are: table setting and sick room trays, Mrs. Orville Laidlaw, Mrs. John Thompson and Mrs. George Wright; shadow boxes, Mrs. Chas. Kempf; miniature arrangements, Mrs. R. M. Kendrick; window displays, Mrs. Kendrick, Mrs. Harold Wilson, and Mrs. Leon Rosacrans; mantel displays, Mrs. Geo. Green Mrs. M. C. Miller will act as clerk and will also be in charge of the specimen arrangements. Back yard flowers will be under the direction of Mrs. Thomas O'Hara.

The posters in the business places downtown were made by Mrs. Kendrick, Mrs. Miller, Mrs. Clauda and Mrs. George Wright.

Tickets may be obtained from any club member or by calling Mrs. Clarence Beack. Sections are being arranged for, exhibits of school children from kindergarten through the sixth grade, the general public and male gardeners.

Ribbons will be awarded for each classification as follows:

Section 1—1. Miniatures, under 3 inches, including container. 2. Small arrangements, under 6 inches, including container.

Section 2—1. Table arrangements. 2. Tray arrangements, sick room type.

Section 3—Console arrangements.

Section 4—1. Modern arrangements. 2. Victorian arrangements, mixed bouquet in pottery containers.

Section 5—Gladioli. 1. Tall. 2. Table. 3. Mass.

Section 6—Men's arrangements.

Section 7—Specimens. 1. One bloom of any type flower with its own foliage. 2. Three blooms of any type flower with its own foliage.

Section 8—Fruits and vegetables.

Section 9—Children's arrangements.

Section 10—Basket arrangements.

Section 11—Window arrangements.

Section 12—Shadow boxes.

All entries must be in by 10 o'clock a.m. on the day of the show. The committee in charge will not be responsible for containers.

PARENTS HONORED

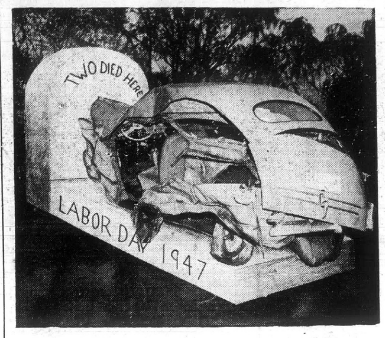
Mr. and Mrs. William A. Wright entertained Saturday and Sunday honoring Mrs. Wright's parents, Mr. and Mrs. Fent E. N. Thatcher, who celebrated their 40th wedding anniversary August 26; her uncle and aunt, Mr and Mrs. Marion H. Thatcher of Grand Rapids, who celebrated their 32nd wedding anniversary August 28, and Mr. Wright's aunt, Mrs. Julia Wright McClure of Pittsburgh and Tecumseh, celebrating her 86th birthday anniversary. Guests included Mr. and Mrs. Wright's daughters, Sarah, Loana and Laura, her aunt and children, Mrs. Marienne Thatcher, Thomas, Mary and Duane of Ravenna, and Carol Turner Thatcher, daughter of Mr. and Mrs. Garfield G. Thatcher of Hollywood, Florida. All the children are spending the week in Tecumseh.

NOT TYPHOID FEVER

A patient from Tecumseh, removed to University Hospital, Ann Arbor, last week when typhoid fever was suspected, is recovering, according to the County Health Unit, Adrian, and the case now has been diagnosed as not typhoid.

REMEMBER! CARE MAY SAVE A CHILD'S LIFE

Accidents First Cause of Death to Kiddies Under 15



Labor Day of 1947 was no happy holiday for 18 Michigan motorists who were killed in auto crashes and thousands who were injured or inconvenienced in non-fatal accidents. Automobile Club of Michigan urged all motorists to "Take It Easy" this year. Traffic over this holiday will be unusually heavy — probably the greatest concentration of the year — because thousands will be stretching extra time out of the last long weekend of warm weather and because many will be returning from resort areas. Auto Club urges Labor Day motorists to start for home early, drive more slowly and closely observe yellow road markings. August led all months for persons killed on Michigan's highways last year, with 149 traffic deaths out of a total of 1,444 for the year.

Cooperation of every Michigan adult in a nation-wide campaign to reduce loss of child life through accident was urged today by the Michigan Department of Health.

Accidents are the first cause of death among Michigan children under 15 years of age. An average of 640 Michigan children lose their lives through preventable accidents each year. Many others are crippled or disfigured for life.

Dr. Albert E. Heustis, State Health Commissioner, called on all public health and medical people, all civic and service organizations and all parents and teachers to take an active interest in the campaign.

"Adults are the crux of the child accident problem", he said. "This national campaign is to arouse adults and older members of the family so that they will eliminate unsafe practices and the hazards which cause children's accidents.

"The needless loss of a single child's life, or the crippling of even one child is an exhorbitant price to pay for neglect of this problem. This campaign can remove accidents from the first cause of death, and save eyes, arms and legs," Dr. Heustis said.

These accidents occur in the home—suffocation, fires, falls, poison, drowning; enroute to school or in traffic—while walking, on bicycles or in automobiles; while swimming—in rivers, lakes and quarries, and on playgrounds or at play.

Concentrated effort has greatly reduced deaths due to communicable diseases. The child safety campaign is planned to bring about a comparable reduction in deaths and injuries due to accidents. National sponsors for the campaign include the United States Children's Bureau, the American Academy of Pediatrics, the National Safety Council and the Metropolitan Life Insurance Company.

Lindsley School Dist. Holds Annual Reunion

The 16th annual reunion of the Lindsley school district was held recently at the school grounds with some 80 persons in attendance. The meeting was called to order by the president, C. B. Hall. A silent prayer in memory of the deceased was followed by all reciting "The Lord's Prayer."

Former teachers who entertained with short talks were Mrs. C. D. Finkbeiner of Saline, Miss Gertrude Collins of Dearborn and Edward Miller of Tecumseh, who taught there 53 years ago. Mr. Miller was the eldest teacher present, and very ably recited a poem "The Story of the Engineer." Judge James Breakey of Ypsilanti spoke on the topic "Old Friends and Old Documents." Mr. Breakey's mother lived and taught in the district many years ago. Howard Parker of Dearborn and Frank Morgan of Detroit also gave very interesting talks on their early school life.

The following officers were elected for the coming year: Earl Lindsley, president; Ross Biddle, vice president; Hazel Scudder, secretary; Dorothy Damon, corresponding secretary; Theophil Alber, treasurer. Next year's reunion will be held at the same time and place.

Clinton Polio Victim Serious

17-YEAR-OLD HIGH SCHOOL SENIOR IS NOW IN UNIVERSITY HOSPITAL

Barbara Sproull, 17 year old Clinton high school senior, remains in critical condition at the University hospital in Ann Arbor. Barbara was stricken with polio a few days after her six-year-old brother, Billy, was removed to the Ann Arbor hospital with the same disease. She has the bulbar type of polio which never strikes below the chest and she is being fed through tubes because her tongue is affected and she cannot swallow.

Billy is improving rapidly and is expected to return to the home of his parents, Mr. and Mrs. Willis Sproull, this week.

The sixth case of polio was reported in Lenawee county last Friday when Richard Robinson, 10-year-old son of Artie Robinson of Adrian and the late Mrs Robinson, was taken to the University hospital in Ann Arbor where the diagnosis was made. The case is believed to be mild as no paralysis has developed.

Funds collected through the annual March of Dimes are available to pay the mesical expenses of all Lenawee county polio victims.

BELIEVE IT OR NOT, IT'S REALLY COOLER

After sweltering in temperatures that daily, and nightly as a matter of fact, remained in the 80's, 90's and sometimes over the 100 mark, for the greater part of last week and through Sunday, this section of the state now is enjoying normal Michigan weather. The heat wave, that held the mid-west and east in its grip, cost more than 170 lives. The temperature broke on Monday and Tuesday night and low readings in the 40's were reported.

Sane Holiday Driving Urged

18 PERSONS LOST LIVES IN MICHIGAN TRAFFIC OVER LABOR DAY '47

Anticipating a surge of holiday traffic and accidents over the Labor Day weekend, Automobile Club of Michigan today joined state police and local safety agencies in a plea to "Take It Easy" on the state highways and city streets.

"Our record in past years for Labor Day weekends has not been an encouraging one," said Ernest P. Davis, Auto Club safety and traffic director.

"Over the week end last year 18 persons lost their lives in Michigan traffic, and countless more were injured or inconvenienced in non-fatal accidents. What's the gain in saving 10 minutes by driving 70 miles an hour and taking all kinds of chances?" Davis asked. Highest fatal toll over Labor Day weekend in recent years came in 1940 when 46 persons were killed in Michigan traffic accidents.

Davis emphasized that more cars will be on the road this weekend than any time in 1941 and that most of them are not new cars.

He listed six suggestions to insure a safe and sane motor holiday:

1. Take It Easy! Don't weave in and out of traffic. Maintain a steady driving pace without excessive speed or racing spurts in traffic.

2. Don't drive on wrong side of road. Keep to right at all times.

3. Don't pass on hills, curves or at street intersections.

4. Get an early start, going and coming, to avoid tension in crowded traffic. Rest when necessary to overcome fatigue.

5. Slow down at sundown; don't overdrive your headlights.

6. Watch for cars coming out of side roads, particularly after dusk and obey all traffic signs calling for a "Full Stop."

DOCTOR'S FATHER IS BURIED IN PENNSYLVANIA

Funeral services were held in Union City, Pennsylvania, last Sunday for M. J. Blanden of Union City, father of Dr. M. R. Blanden of Tecumseh. Mr. Blanden had been in failing health for the past five years. Burial was in Union City.

Dr. and Mrs. Blanden and children arrived home Monday after being called to his father's home last Tuesday.

NIGHT SOFTBALL IS SCHEDULED FOR FRIDAY

A softball game, under the lights, is scheduled for Friday evening at 9 at Recreation Center. Two teams from the Adrian league, Frownfelder's vs. J. & M. Dairy will play. Admission will be free, but a collection will be taken, proceeds to aid in paying for the new lights at the park.

2 TRAFFIC VIOLATORS

Two traffic violators appeared in Justice F. C. Hanna's court during the past week. On August 30, Neil Judkins of Britton, paid a fine and costs of $8.35 for speeding. Wednesday, Frank Cannon, Tecumseh paid a $2 fine and costs for failing to have a driver's permit.

Registration Is Under Way

MEN 18 TO 25 MUST REPORT TO DRAFT BOARDS FOR MILITARY SERVICE

Draft registration has begun in Lenawee county with two hundred twenty-eight men in the 25-year-old age group registering at the Armory in Adrian, Monday. All 24-year-olds registered Tuesday and Wednesday and most of those in these two age groups are expected to be deferred from the draft because of previous service and/or dependents.

Draft officials have indicated the bulk of future draftees will come from the 22 and 23 year olds. The 18-year-olds will not be eligible for the draft until they become 19.

The schedule for the remainder of the registering period is as follows: Men born in 1924 register Sept. 2 and 3; 1925, Sept. 4 or 7; 1926, Sept. 8 and 9; 1927, Sept. 10 and 11; 1928, Sept. 13 and 14; 1929, Sept. 15 and 16; if born in 1930 before Sept. 19, Sept. 17 and 18. Those who are not 18 by Sept 18, must register on the day of their 18th birthday or within five days of it.

Each registrant is given a postcard size card with fifteen questions to answer. This procedure takes about 15 minutes. It was said registrations were going smoothly, with little delay for the registrants. The work was well organized by the draft board and the volunteers, although it was pointed out more volunteers would be needed as registering picked up.

Most of the draftees will go in the Army, as the Navy and Marine corps hope to fill their ranks with enlistments. The Army has asked for 10,000 draftees for induction sometime in November, and is expected to ask for another 10,000 in December and step up the pace later to about 30,000 a month. The call for 10,000 men will be broken down into state quotas by the national headquarters and transmitted to state headquarters, and then to local boards.

At Hillsdale the draft registration total Monday was approximately 100, while 603 registered in Jackson county.

PLAN OPENING MEETING

The first meeting of the year of the Westminster Junior League will be held Tuesday, September 7, at the home of Mrs. Charles Stephenson, at 8 p.m. Mrs. Floyd Hicks is the assisting hostess. Members are to bring candy for a home made candy sale. Mrs. Neil Pearson will present the program.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

BUNK!

The Saturday Evening Post recently ran a lead editorial with the straightforward title, "Having More By Making Less is Still Bunk!" In it, it said, "It has become a commonplace with post-Roosevelt politicians that every American has a 'right' to a good house, or a 'right' to inexpensive medical care, or a 'right' to a standard of living represented by a salary of $5000 a year, or a 'right' to 'the good things of life at prices he can afford to pay' . . .

"People three hundred years ago would be mystified by a generation which expects to enforce the 'right' to a high standard of living by closing down the nation's coal mines, railroads, packing houses and automobile plants. Capt. John Smith's bustling workers and the settlers in equally 'reactionary' New England would not have understood how people could have more things by producing fewer."

The philosophy of less and less work for more and more money is the most iniquitous thing that can happen to a country. Every real gain made in living standards is the result of greater efficiency and increased production. Otherwise all the wage increases must simply be offset by higher prices—which is just another way of saying that inflation becomes inevitable.

Even worse, the philosophy of producing less and earning more has led to a dependence on the government which prior generations would have regarded as disgraceful. Millions of people seem to have come to the conclusion that the principal function of government is to provide cradle to the grave security—that it's job is to stand between the individual and every conceivable economic contingency. That is the attitude that makes dictatorship possible. It was the selling point on which Hitler, Mussolini and all the rest of the modern tyrant came to power. And it is now approaching another full flowering in England, where the state is determined to control everything and the individual is turning into a cipher.

In this country, the labor unions have been major offenders in developing the idea that a higher standard of living for the masses of people can be accomplished without doing a full day's work for a full day's pay. In some fields that illusion has reached scandalous proportions. And that, in the long run, is the sort of thing that produces depressions.

The men who built this country, and developed the most nearly perfect system of government ever conceived, knew that the only way to perpetuate freedom was through vigilant and independent people. They didn't run to the government for help every time something went wrong. And they didn't work on the theory that the less an individual produced the more he should have. It's time we again looked the facts of life in the face, and learn that the only real "rights" are those we earn.

30 RICH CHINESE FACE 'EXPOSURE' OF TAX DEBT

SHANGHAI—If 30 wealthy Shanghai Chinese do not hurry and make their contribution to the special "soak the rich" levy, they are going to have their names published in the newspapers.

The committee out to collect the special relief fund for the destitute sent them notices to pay up or be exposed.

The welfare fund is a bit short—only two trillion 500 billion Chinese dollars of Shanghai's quota of eight trillion 500 billion has been collected.

INSULATE!

AND CUT YOUR
FUEL BILL

Save Up To 1-3 On Your Fuel

Would you be interested in reducing your fuel bill from 25 to 33 per cent this coming winter? Of course you would, because heat, in the winter time—costs money.

And you can save that much if you'll properly insulate your house. Don't take our word for it, ask the man who lives in an insulated house.

And aside from the savings, think of the added comfort. Upstairs rooms that heretofore were cold will be "livcable" in both winter and summer, because insulation makes your house cooler in the summertime.

See Us for All
Your Roofing Needs

Don't neglect your roof—and now, in the summertime, is the time to have it repaired. We can furnish you with high quality, nationally advertised brands of roofing — at money-saving prices.

Before you buy your roofing materials, we'd like to have you consult us for quality and price. We'll be glad to furnish a FREE ESTIMATE.

War Babies Will Hike Enrollment In Kindergartens

120,000 ARE EXPECTED TO ENTER SCHOOL THIS YEAR FOR FIRST TIME

Michigan's first contingent of war babies will raise to more than 120,000 the number of little children who will enter school for the first time this fall. It wil be the largest kindergarten in the state's history, the Michigan Department of Health said today, and called on all parents and all drivers to make it the safest kindergarten.

Show your children the safest route to school, and drive as though every child at the curb is a "Go Slow" signal, the Department pleaded.

Ten per cent of all accidents occuring to school children from kindergarten to the fourth grade occur enroute to school, and accidents are by far the greatest cause of death in this age group.

A survey in one major Michigan city showed that the typical school child traffic death was that of a five year old, run down while crossing between intersections near his school between 3 and 4 p.m. on a Thursday in October.

Now is the time to take your child over the entire route he will travel to school and point out to him each hazard which exists and show him how to avoid it. Advise him to cross at intersections only, to cross only when traffic lights are in his favor, to obey warnings of police and safety patrol, to look both ways and listen before he crosses, and then to walk not run across the street. On country roads where there is no sidewalk, the child should walk on the far left of the highway facing oncoming traffic. Set a good example for your child.

Be sure your child can handle any vehicle he pilots. Remember bicycles are especially dangerous transportation. If your child rides to school in an automobile be sure that it has a competent, mature driver.

Watch out for other people's children, especially near playgrounds and schools. Any child on the curbing should be a caution signal to any sensible driver.

WE WISH YOU WELL

A new pamphlet for Michigan vacationists, "Michigan Wishes You Well," has been prepared by the State Department of Health and is now available from local health departments and tourist centers throughout the state.

The pocket-size folder contains suggestions for protecting and maintaining good health while vacationing.

For copies of the pamphlet stop at the local health department nearest you or write to the Michigan Department of Health, Lansing 4, Michigan.

Married September 1, Lillian May Palmer of Britton and Edgar Clarence Buttolph of Detroit.

1938

Miss Bernice Rogers and Earl Cordray were married Saturday, August 27, in Manchester.

Robert Mohr received a scholarship to Michigan State Normal College.

The marriage of Miss Catherine Herrick and Donald Cobb of Owosso will take place October 8.

Friday and Saturday specials: picnic hams, 19c lb.; bacon square, 17c lb.; pork chops, 23c lb.; beef roasts, 17c lb.; luncheon meat, 25c lb.

Fire, believed to have started from spontaneous combustion, caused a loss estimated at between $5,000 and $6,000 Sunday evening on the Sumner McCollum farm near Clinton.

Leo Bachtal caught his left hand in the chain of a stump puller Monday while working at the Ford farms, and suffered the loss of the end of the third finger.

'75 COLLEGE FORECAST: 9,000,000 GRADUATES

NEW YORK—If present trends continue, college graduates in the United States will number 9,000,000 by 1975—about 1 in 13 of the adult population at that time.

This forecast, made by Metropolitan Life Insurance Company statisticians, also shows that more than half of the adult population will have at least a high school education by that time, while 9 out of 10 will have completed their elementary schooling.

More than a quarter million students received college and university degrees in 1948. Statisticians are predicting an average of about 150,000 graduates annually for the next 27 years.

A Navy jet plane pilot recently was interviewed twice on the same half-hour radio program, from points 160 miles apart.

ROTARY INTERNATIONAL GRANTS 38 FELLOWSHIPS

CHICAGO—Rotary International, worldwide service club organization, announces it has awarded 38 Rotary fellowships to young men in 12 countries. The fellowship grants, ranging from $2,000 to $4,000 each are to enable outstanding graduate students to study abroad during the coming academic year.

In announcing the awards, Rotary's president, Angus S. Mitchell of Melbourne said: "By affording outstanding students an opportunity to continue their studies in a country other than their own and to acquire a knowledge of the people of that country, their culture, and their ways of life, these fellowships represent a concrete expression of one of Rotary's principal objectives—the advancement of international understanding, good will and peace.

Countries in which the fellowships were awarded are Argentina, Australia, Canada, China, Denmark, England, Honduras, Italy, New Zealand, northern Ireland, the Philippines, and the United States.

Decentralization Is Seen as Help to U. S. Economy

By Thomas Hewes
Author of "Decentralize for Liberty."

The American people have unwittingly allowed to develop in their country during several generations an increasingly rigid, materialistic, and unstable economy. This economy has resulted from a gradual overconcentration of people and economic power. The primary effect has been slowly and invisibly to undermine real opportunity for individual citizens to win for themselves personal economic freedom.

There has been a rapid increase in population; a rapid increase in the size of cities; a rapid increase in the percentage of persons wholly dependent on wages; a steadily expanding size and power of business units; a parallel expansion of industrial unions; a reciprocal expansion in activity and cost of federal, state, and local governments.

The free market, the traditional key to individual opportunity, is disappearing. Intertwined with these concentrations of people and power and intensifying their evils has been and still is the over concentrated exploitation and destruction of our basic national wealth—the soil, the water, and trees, and our minerals.

The result of this undermining of individual opportunity today and in the foreseeable future is the threatened proletarianization of our people and the ultimate loss of political freedom. The average citizen is seriously affected by economic conditions over which he has little individual control and he does not like it.

What the American wants, as he always has, is real opportunity for real living; not as someone else views it for him or provides it for him; rather as he looks upon it or seeks to learn about it for himself.

FOUR-H TO FILMLAND . . . Marian Lucille Freed of Stevens Point, Wis., is one of four 4-H club girls selected from 8,000 entries in 43 states to go to Hollywood for screen tests for a part in a film called "The Green Promise." Marian has been a 4-H club worker for two years.

By opportunity is meant a fair chance for employment with a future in the place where he lives, without fear or favor; to have a trade or skill; the widespread and individual ownership of interest in a productive business; of homes; of savings; for happiness. Opportunity is economic democracy at work.

Decentralization is the antibody of concentration. It implies a dispersion—not only physical of population and facilities but equally so as to controls and responsibilities. Decentralization means a spreading out from centers; a spreading out of individuals into wider spaces with more land to live on, fresher and better food, better air, cleaner rivers and streams, superior health; a spreading out among more and more individuals of the ownership of property; a spreading out of government. The end products in view are free men and women in their own right enjoying economic independencies; strong communities and regions; a flexible and more powerful nation.

Decentralization, because of enlarged individual opportunity which in turn releases human energy, will provide the maximum production, distribution and consumption of goods and services, lower living costs, and a higher standard of living. It will present a cushion to future depressions, offer the best protection in the event of war and further the hope for permanent peace.

Alice Eleanor Everlove Weds Charles M. Manley

Burning tapers in candelabra and vases of gladioli decorated the altar of St. Peter's Episcopal church, Thursday evening, for the wedding of Miss Alice Eleanor Mae Everlove and Charles M. Manley. The Rev. Allan Ramsay read the double ring service at 8 o'clock.

The family pews were distinguished by white gladioli tied with white satin ribbon. Mr. and Mrs. Bernard A. Everlove, 207 S. Oneida St., are the bride's parents and Mr. and Mrs. Charles J. Manley, 107 W. Kilbuck St., are the parents of the groom.

Attractive in a suit of gray gabardine with which she wore a white blouse, the bride approached the altar on the arm of her father who gave her in marriage. Her accessories were gray and her hat was trimmed with ostrich feathers. White satin streamers cascaded from the colonial bridal bouquet of white carnations and white and red roses tied with white satin ribbon.

Miss Anna Aebersold was the bride's only attendant. She wore a rayon dress suit of royal blue with a black hat and black and gold accessories. Her colonial bouquet of pink carnations and yellow snapdragons was tied with a pink satin ribbon.

William K. Brown attended Mr. Manley as best man and the ushers were Tom Everlove, brother of the bride, and Bill Hayden.

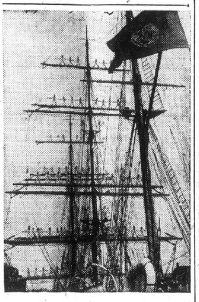
Seated at the organ, Jack Tonneberger played a program of nuptial music preceding the ceremony and also accompanied Miss Joyce Lawrence, cousin of the bride and a student at the University School of Music, when she sang "O Promise Me" and "Because."

For her daugher's wedding Mrs. Everlove wore an ankle length dinner dress of navy blue with dark green accessories. Mrs. Manley chose an afternoon dinner dress of royal blue with black accessories. Both wore corsages of pink gladioli.

Following the ceremony a reception was held at the home of the bride for the immediate families. Some 50 guests were present from Ypsilanti, Ann Arbor, Detroit, Royal Oak, Birmingham, Hicksville and Alliance, Ohio and Tecumseh. The four-tiered wedding cake was decorated with rose buds and miniature white doves and topped with a wedding bell and apple blossoms.

The couple spent four days at the Campbell cottage at Wamplers Lake and a reception for friends is now being planned.

The bride attended the Bermuda high school for girls in Hamilton, Bermuda, Dearborn high school and Tecumseh high school. The groom graduated from Tecumseh high school with the class of 1948 and is now employed at the Tecumseh Products Company.



THE OLD-FASHIONED WAY . . . Some of the 300 cadets of the Portuguese naval training ship Sagres man the masts as the ship arrives in New York on a training cruise.

Mail In Canada Goes By Air, If Necessary

OTTAWA—Canada's experimental "all air mail" service has been launched from paper into practice.

Ordinary letter mail not over one ounce, which includes some 90 per cent of all letters handled by the Postal Department, is now being carried by air, wherever an advantage is gained in time of delivery.

There is no change in routine for the sender of a letter. He puts the usual four-cent surface-rate stamp on the envelope and drops it in the box.

The postal clerk decides whether time will be gained by sending the letter by air, or partly by air and partly by rail. The decision, it is explained, is automatic, since the whole mail pattern of the country was worked out before the scheme was launched on July 1.

At present, letter mail heavier than one ounce will travel by air only if it is so marked and bears the appropriate air-mail postage. It is expected, however, that this mail may be included in the plan as soon as the operating costs of the project are determined.

The new plan applies only to mail originating in Canada and addressed to points within the country.

Mr. and Mrs. Marshall Drouillard entertained in their home for the weekend Mr. and Mrs. Harry McNutt, Henry McNutt and Mr. and Mrs. Carl Dell of Toledo.

Mr. and Mrs. George Henry, Sr., daughter Anna and son Melvin are spending a few days visiting at Pesotum, Ill.

Louise Clara Smith Weds Lee P. Coffey

Miss Louise Clara Smith, daughter of Mr. and Mrs. Earle W. Smith of Adrian, and Lee Patrick Coffey, son of Mrs. Grace Coffey of Tecumseh, were united in marriage Sunday during an impressive double ring service in the First Presbyterian church in Adrian. The Rev. John P. Emig performed the service before the church altar beautifully decorated with white gladioli and burning tapers in candelabra.

Before ceremony Mrs. Ruth Conklin sang "Because" and at the close of the service "The Lord's Prayer."

The bride, given in marriage by her father, was gowned in white slipper satin. The fitted bodice had self-covered buttons down the back and the long sleeves ended in points over her hands, while the off-the-shoulder effect of the bodice featured a wide lace ruffle. The skirt ended in a short train, and the veil of illusion was caught to a beaded tiara. The bouquet of cascading white gladioli and rosebuds was centered with a purple orchid.

Miss Lois Smith was her sister's maid of honor. She wore a chartreuse gown, styled with a bustle in the back and an off-the-shoulder effect. She wore matching mitts and a headdress of yellow gladioli and yellow rosebuds. Her cascade bouquet was of yellow gladioli. The bridesmaids, Mrs. Richard Kirsch and Miss Ruby Gayhart of Palmyra were gowned in rose, the style identical to Miss Smith's. Their bouquets were pink gladioli with headdresses of pink gladioli and pink roses.

Carol Spangler, the bridegroom's niece, was the little flower girl and was gowned in white organdy. She carried yellow gladioli. The ring bearer, Edsel Palmreuter, the bride's cousin, was attired in a white suit and carried the rings on a white satin pillow.

Jerry Coffey assisted his brother as best man and the ushers were Wayne Kopke of Milan and Grover Everts.

For her daughter's wedding, Mrs. Smith chose a print dress with matching accessories and a corsage of red rosebuds. Mrs. Coffey wore rose and a corsage of yellow rosebuds.

After the ceremony a reception was held for some 200 guests at the home of the bride's aunt, Mrs. Edwin Palmreuter. Friends and relatives attended from Clayton, Palmyra, Onsted, Tecumseh, Britton, Saline, Milan, Wyandotte, Detroit, Pontiac and Toledo.

The couple left on a trip to the Smoky Mountains. In September they will make their home in Chicago where Mr. Coffey will enter radio school. He graduated from Tecumseh high school and served in the U. S. Navy for three years. The bride has been employed by the F. W. Woolworth Co. in Adrian.

LOCALS AND PERSONALS

Mr. and Mrs. John Foote have returned home from a weeks trip to New York state.

Mrs. G. D. Ellis was removed by ambulance to the University hospital in Ann Arbor, after she fell late Thursday night and suffered a broken leg.

School Bell To Ring, Wednesday

(Continued From Page 1)

as nearly as possible the class size. Cooperation on the part of the parents will be greatly appreciated by the faculty.

The grade school faculty will use Wednesday afternoon, and all day Thursday and Friday for home visitations. The teachers will call upon the parents whose children they have enrolled in grades kindergarten through sixth. It is beflieved that the home and the school should work closely together. These visitations will assist all concerned to begin the school year with an understanding of specific problems that will help both parents and teachers.

In the Junior and Senior high school, students will take part in a special testing program Wednesday afternoon, Thursday and Friday, September 8, 9 and 10. This data will provide students and teachers with very valuable information concerning interests, abilities and aptitudes of students. The guidance program should function effectively for the benefit of the student.

Beginning Monday, September 13, all grades will begin at 8:45 a.m. and at 1 p.m. All sections of the kindergarten, first, second and third will be dismissed at 11:30 a.m. and 3:30 p.m. All other grades will be dismissed at 11:45. In the afternoon grades four, five and six are to be dismissed at 3:45 and the Junior and Senior high school at 4 p.m.

The Brownville kindergarten will meet in the afternoon only and the West Branch kindergarten class will be divided into morning and afternoon sections.

The following list contains the names of all teachers of the Tecumseh Public Schools for this year:

Mrs. Dorothy Updike, Kindergarten, West Branch.

Mrs. Margaret Heimerdinger, Kindergarten-First, Brownville.

Mrs. Ivah VanValkenburg, First Grade, West Branch.

Miss Alice Seeger, First Grade, East Branch.

Miss Bertha LaPointe, Second Grade, West Branch.

Mrs. Marguerite Garlick, Second Grade, East Branch.

Mrs. Helen Sisson, Second-Third, Baptist Church.

Mrs. Ruth Whiting, Third Grade, Library.

Mrs. Betty Joyce Miller, Third Grade, Parish House—St. Peter's Church.

Mrs. Lela Colson, Fourth Grade, Presbyterian Church.

Mrs. Ina Baily, Fourth Grade, Central Building.

Mrs. Irene Boltz, Fifth Grade, Central Building.

Mrs. Purnell Osburn, Fifth-Sixth, Central Building.

Miss Bernice Parker, Sixth Grade, Central Building.

Darwin C. Smith, Principal-Sixth Grade, Central Building.

Mrs. Cora Pfaus, Sixth Grade, Central Building.

Miss Marjorie Mohr, Vocal Music, Central Building.

Miss Marie Frautschi, Physical Education, Central Building.

Alvin C. Brazee, Jr. High Mathematics, Central Building.

Miss Bessie Bortner, Jr. High English-Reading, Central Building.

Duane K. Furbush, Jr. High Social Studies, Central Building.

Mrs. Martha Kuhn, Homemaking, Central Building.

Mrs. Lois Service, English-Language-Journalism, Central Building.

Mrs. Hazel Dickinson, English-Speech-History, Central Building.

Delmar Crisp, Commercial-Coordinator, Central Building.

Neville Hart, Commercial, Central Building.

David J. Dick, Science-Math-Driver Training, Central Building.

David G. Locke, Agriculture-Gen. Science, Central Building.

R. Neal Brazee, Social Studies, Central Building.

Myles E. Runk, Shop-Coordinator, Central Building.

Clare Camburn, Instrumental Music, Central Building.

Miss Dorothy Burgess, Art Supervisor, Central Building.

E. E. Duvall, Phys. Ed.-Coaching, Central Building.

F. James McDowell, Principal-Mathematics, Central Building.

Earl H. Place, Superintendent, Central Building.

Mrs. Irene Jacobs, Secretary to Principal, Central Building.

Mrs. Margaretta Brisbin, Secretary to Superintendent, Central Building.

Tipton, Michigan

D. A. R. WILL MEET

The first meeting for the ensuing year of the Abi Evans chapter, D. A. R., will be held at the Merrie Moore cottage at Sand Lake, Friday, September 10, with Mrs. R. S. Moore as the hostess for a 2 o'clock tea. The assisting hostesses are Mrs. Charles Williamson, Mrs. Frank Turner, Mrs. George Wittrup and Mrs. Clark Rathbun. Those in need of transportation call Mrs. Orville Laidlaw. Miss Ethel Garlinghouse is program leader and Miss Edith Ingersoll will discuss the early history of Tecumseh.

TO MEET TONIGHT

Regular meetings of the Tecumseh chapter, Order of the Eastern Star, will be resumed after summer vacation this evening at 8 o'clock. During the evening there will be a dedication ceremony for the new flag. Next Thursday there will be a special meeting for the initiation of candidates.

W. S. C. S. TO MEET

The W. S. C. S. of the Methodist church will meet at the home of Mrs. Edward Beal, 505 S. Evans street, September 8, at 2 o'clock. Mrs. Edna Codling is the worship service leader and Mrs. Clifford Deaner has charge of the program. The assisting hostesses are Mrs. Lenore West and Mrs. Mary McLain.

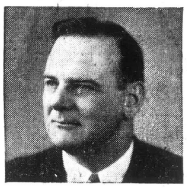
TO RESUME MEETINGS

The Tecumseh Girl Scout Association will resume its regular monthly meetings Wednesday, September 8, at 8 o'clock at the high school building. All mothers of Girl Scouts and all the mothers of girls interested in scouting are urged to attend.

MEADER SPEAKS

George Meader, candidate for the Republican nomination for Congress addressed the Exchange Club of Adrian at their noon luncheon Tuesday. He told about his work as Chief Counsel of the Senate War Investigating Committee in investigating waste, extravagance and corruption in war expenditures.

Correct this sentence: "She only sent me a cheap handkerchief and I sent her a love'y rown, but it's the spirit of the gift that really counts after all."



GEORGE MEADER

for Congress

2nd District, Michigan
Republican Party

NOMINATE HIM AT THE

PRIMARY ELECTION
TUESDAY, SEPT. 14

"Elect A Man Who Takes A Stand"

Biographical Sketch

Born at Benton Harbor, Michigan, 1907, son of a Methodist Minister.
Graduate of Literary College and Law School University of Michigan.
Ann Arbor lawyer since 1932.
First President—Washtenaw County Federation of Young Republicans—1932.
Charter Member — Michigan Federation of Young Republicans—1932-1936.
President — University of Michigan Club of Ann Arbor —1937.
President—Ann Arbor Kiwanis Club—1939.
Counsel — Michigan Merit System Association — 1939-1940.
Vice President, Alumni Association, University of Michigan—1940-1941.
Prosecuting Attorney, Washtenaw County—1941-1943.
Counsel, Senate War Investigating Committee, investigating war frauds, during and following World War II —1943-1948.

I Advocate

Elimination of bureaucratic interference in the lives and businesses of our people, and its expense to the tax payers by:

1. Returning to Congress law-making power usurped by executive departments.
2. Cutting off useless bureaus and boards.
3. Taking the government out of private businesses.
4. Removing abuses from labor laws and regulations.
5. Stopping the government from taking sides in labor matters.
6. Cutting communists and inexperienced theorists off the governmen payroll.
7. Demanding efficiency and the cessation of waste and extravagance in the spending of public funds.

GEORGE MEADER

Vivian M. Furgason And Wendell Woods Wed

At a quiet ceremony taking place at Angola, Indiana, Saturday, August 28, Vivian M. Furgason, daughter of Mrs. Bernard L. Furgason and the late Mr. Furgason, and Wendell C. Woods, son of Mr. and Mrs. Oran A. Woods of Clinton, were united in marriage.

The bride graduated from Macon high school in 1945 and is employed in the purchasing department of the Tecumseh Products Company. The groom was graduated from Tecumseh high school in 1944 and served with the U. S. Army for one year. He is also employed at the Tecumseh Products Company.

The couple will make their home at 280 Outer Drive in Dundee.

LANNING SCHOOL HOLDS 8TH ANNUAL REUNION

The eighth annual reunion of the Lanning school (Raisin district No. 1 fr.) was held Sunday, August 29, with 27 members enjoying a potluck dinner at 1 o'clock. Amos Wilson, vice president, called the meeting to order with the group singing "School Days." Walter Norris spoke briefly of events that took place the past year, including the deaths of three members. The secretary's report was read by Mrs. Florence Halstead in the absence of Mrs. Ivah VanValkenburg. Officers for the coming year were elected as follows: president, Amos Wilson; vice president, Dean Van Valkenburg; secretary, Florence Halstead; treasurer, Wallace Bryan. Next year's reunion will be held the last Sunday in June at the school house. Guests were present from Clinton, Tecumseh, Adrian and New York City.

FOOD CHAIN TRUCKER WINS SAFETY AWARD

Woodrow W. Williams, truck driver for A & P Food Stores, Toledo, has been designated "Driver of the Month" by the Ohio Association of Commercial Haulers.

Last March 5, Williams halted his truck on Route 223 near Sylvania, Ohio, and pulled a man from a burning automobile, and called an ambulance and foremen, saving the man's life. Williams is one of more than fifty drivers who supply stores of the food chain from the Toledo Warehouse.

The Ohio award places Williams in nomination for "Driver of the Year" award to be made by the American Trucking Association, Inc. Frank E. Kirby, Columbus, is executive secretary of the Ohio Association.

FALL MEETING

El Misti Santha, Nomads of Avrudaka, will hold its first fall meeting September 3 at 8 p.m. Meetings will be held on the first Friday evening of each month thereafter.

3. Lattice-work grill is especially designed to increase radiant heating efficiency.
4. Fingertip control dial assures you workless, dirtless heat!

Come in for Easy Terms

SLUYTER ELECTRIC

A back-to-school reminder to drivers and pedestrians alike to "Take It Easy" is being issued by Automobile Club of Michigan in the form of the above poster. It and others are being distributed as part of a series to Michigan police chiefs and parochial and public elementary schools. The series will attempt to prevent the traffic death of any Michigan school child crossing the streets during the 1948 opening school days. After rising a third in 1946, traffic deaths of children between ages of 5 to 14 have decreased by 12 percent in 1947 in the face of greater traffic volumes. Auto Club encourages school safety patrols, teachers and police forces to unite in reducing accidents every year. A diligent safety patrol boy in each city is annually given a four-day all-expense trip to Washington, D. C. for the AAA safety patrol convention.

MOSCOW PAPER CALLS TRUMAN LAST RESORT

MOSCOW—The Literary Gazette says the nomination of President Truman by the Democratic Party was a "gesture of desperation."

In the first Soviet editorial comment on the Democratic Convention the papers implied that Mr. Truman was named because there was no one else who cared to present himself.

The Gazette said that leaders of the Democratic Party, understanding their unpopularity among the people, intended to use executive power during the next four months to carry out a series of demagogic maneuvers, thus to "increase election chances."

Building Committee To Meet Next Wednesday

All members of the building committee of the Presbyterian church are requested to be present at the first meeting of the committee Wednesday evening, September 8, at 8 o'clock at the church. Don Nixon is chairman and has been awaiting information from the financial committee before proceeding with the building plans.

It was planned, at a meeting of the church congregation a month ago, to have the additional space in readiness in nine months. The financial committee has been planning and soliciting members of the congregation for pledges and cash donations for several weeks. The expense of the new heating plant will involve a considerable sum and it is hoped enough cash will be received for that part before beginning work. The entire project is expected to cost about $25,000.

HISTORICAL SOCIETY TO MEET HERE, SEPT. 9

A meeting of the Lenawee County Historical Society will be held Thursday, September 9, at 12 o'clock at St. Peter's Episcopal church. An interesting program is being arranged and will include a memorial service for the late Mrs. E. S. Tate. At roll call each may name a home of Lenawee county 100 years in one family, display an antique or describe an early event in Lenawee. All those interested in Lenawee County history are invited to attend. Everyone should bring table service and one dish to pass for the potluck dinner.

EXCHANGE CLUB HOLDS OUTING AT PLYMOUTH

The Tecumseh Exchange Club held its second annual outing and golf tournament at the Plymouth Country Club last Thursday. Thirty-two members and guests were in attendance. For the non-golfers there were various activities arranged by a committee. Following the dinner in the evening winners of the contests were awarded prizes, which were donated by local merchants. Ned Rosacrans was the winner of the golf tournament.

GRANGE TO PICNIC

At the regular meeting of the Tecumseh Grange, Thursday evening, Mr. and Mrs. William Grigg and Mr. and Mrs. Leland Downing were named delegates to the county convention, to be held at the court house in Adrian, Thursday, September 2. The Grange picnic will be held Saturday, September 4, at Wamplers Lake with a potluck dinner at noon.

CARD OF THANKS

I wish to express my sincere thanks to my friends and neighbors for their kindness and sympathy at the time of the death of my husband. Also for the many floral offerings. I also wish to thank the doctors and nurses. I would like to extend my gratitude to Mr. Collins, the pallbearers and Rev. Charles Marsh for their services.

A poem to my husband
Sleep on, dear husband,
Sleep in Jesus name
In life, dear, I loved you
And in death I'll do the same
You are gone, dear, but
Never will be forgotten.

By wife, Hazel Marsh

CARD OF THANKS

I wish to thank the friends for their many acts of kindness through the illness and death of my husband. I especially wish to thank Mr. and Mrs. Everett Exelby, Mr. and Mrs. Carl Stone, Mr. and Mrs. Ernest Elkington, Mrs. Mary Anspach, Mr. and Mrs. Bert Long and the pall bearers. Also Rev. Pumphrey for his comforting words, for the beautiful flowers and all those who assisted in any way.

Miss Margaret Cline Weds Stanley C. Frost

Thursday afternoon in the country home of Mr. and Mrs. Carroll C. Frost, their son Stanley C. Frost and Miss Margaret Cline of Tecumseh repeated their nuptial vows at 2 o'clock, with the Rev Alvin C. Brazee reading the single ring service.

The bride, daughter of Mrs. Clara Adkins of West Virginia, was given in marriage by her uncle, Ransom Brown. The white satin bridal gown was styled with a fitted bodice which featured a sweetheart neckline and long sleeves which came to points over her hands. The full net skirt over satin extended into a long train and a halo of seed pearls held her fingertip veil. Her bouquet was of white gladioli and white roses tied with white ribbon.

Mrs. Roderick H. Welch, sister of the bridegroom, was matron of honor and she was gowned in pale pink. The fitted bodice buttoned down the front and was fashioned with a sweetheart neckline and three quarter length sleeves. She also carried white gadioli and white roses tied with blue ribbon.

Lester Frost served his brother as best man.

Recordings made by Jack Tonneberger, when he sang "I Love You Truly" and played the traditional wedding march on the organ, were played preceding the ceremony.

Guests from Manitou Beach, Ridgeway, Tecumseh and West Virginia honored the couple at a reception at the Frost home. The three-tiered wedding cake was topped with a miniature bride and bridegroom.

The bride attended schools in West Virginia and has been employed at the Cozy Cafe. The bridegroom attended Tecumseh high school and enlisted in the Army Air Corps in November, 1947. He will return soon to Hamilton Field, California.

The man in the barber chair signalled with his finger. "Gott another razor?" he whispered.

"Why?" asked Gus the barber.

"I'd like to defend myself," said the customer.—National News.

In a school essay on "parents" a small girl wrote: "We get our parents when they are so old it is very hard to change their habits."

Miss Alma Jean Coy Weds Guy S. Gillen

Miss Alma Jean Coy, daughter of Mr. and Mrs. Homer Coy of Adrian, and Guy S. Gillin, son of Mr. and Mrs. Merton Gillin of Tecumseh, were united in marriage, Friday evening, in the home of the bride's parents. The Rev. H. H. Hendricks performed the double ring ceremony at 7:30 o'clock.

Preceding the ceremony, "I Love You Truly" and "Because" were sung by Mrs. Duane Gillin, sister-in-law of the bridegroom, accompanied by Miss Mary Ellen Coy, sister of the bride, who also played the wedding march from Lohengrin.

The bride, given in marriage by her father, was attractive in a navy blue suit with which she wore black and gray accessories and a corsage of red roses. As the bride's only attendant, Miss Marilyn Peterson of Ft. Wayne, Ind., was attired in a gray suit with a pink aster corsage.

Richard Gillin of Johnson, Pa., attended his brother as best man.

The bridegroom is employed at the Tecumseh Products Company. The couple left on a short trip after the ceremony and are now residing in Adrian.

BRITTON

The Britton public schools will open on Tuesday September 7 with a meeting of the teaching staff. All students will be expected to attend school during Wednesday morning, September 8, when enrollment will be held at nine o'clock.

New members of the staff will be Thomas Culbert, principal; Warren Piche, shop and coach; Mrs. Arlie Beaubien, commercial; Mrs. Geraldine Beal, kindergarten.

Mr. and Mrs. P. G. Heldenreich of Tecumseh and Mr. and Mrs. LaVern Russell spent the week end at South Branch. The ladies remained this week for a vacation stay.

Mr. and Mrs. George Beale and son returned home Sunday evening after spending two weeks at Marquette.

Dick Klaus returned to Minden City after spending last week with Jerry Filter.

Mr. and Mrs. Charles Patterson and sons and Mr. and Mrs. Mills Swick returned home Monday from a few days stay in northern Michigan.

Mr. and Mrs. Merle Crutchfield and children moved last week to their new home in Holloway.

Mr. and Mrs. Bert Moore and son and Mrs. James Adams are visiting friends and relatives this week at Urbana, Ill. Mrs. Adams plans to remain for an extended visit.

Mr. and Mrs. Lawrence Hoagland spent Sunday with Mr. and Mrs. W. W. Cook at Clayton.

Mrs. Clarence Larson and Mrs. Earl Smith were at University hospital Monday evening visiting their mother, Mrs. French of Tecumseh, who is confined there with a broken leg.

Mr. and Mrs. Tom Hamilton and son and Mrs. Ernest Taylor returned home Sunday evening from a vacation trip through the southeastern states.

Miss Merlyn Brown of Howell plans to spend several days this week end with her parents, Mr. and Mrs. Clyde Brown and family.

Mr. and Mrs. Clifford Underwood, Betty and Karlene returned home Monday from a two weeks trip through the western states.

Misses Betty Berkley of Milan, Florene Schultz of Tecumseh, Joyce and Wilma McCarbery, Rose Mary Gilmore, Mary Lou Ricicia, Bonnie Buttolph, Marie Cundiff, Carolyn Staulter, Ginger Crutchfield and Francis Grady are vacationing this week at Evans Lake.

Mrs. Martha Kopka of Tecumseh spent several days this week with Mrs. Ira Steele.

Mr. and Mrs. Raymond Staulter and family moved this week to the Irving Lewis farm near Holloway, which they recently purchased. The Harold Osterhout family bought the Staulter residence.

West And South Lead In New Plant Building

Industrial and commercial building shows a marked increase in the more open spaces of the West and South as compared with the eastern and northern United States, according to a survey recently published by the United States News.

Comparing all private nonresidential building during 1947 with similar construction for 1939, the news magazine found that the 11 states farthest west, the Pacific Coast and mountain states, contributed 19.3 per cent of the volume for the entire nation, as compared with 16.6 per cent in 1939.

Meanwhile, eight south central states, from Kentucky and Alabama to Texas, jumped from 11.7 per cent of the total nonresidential construction in 1939 to 15.1 per cent in 1947.

The north central section, from Ohio to Nebraska and North Dakota, maintained a slight increase, from 27.2 per cent to 28.8 per cent.

The eastern seaboard, although still contributing the largest physical volume of construction, dropped percentage wise from 44.5 in 1939 to 36.8 in 1947.

The world's long-distance flight record of 11,230 miles set by the U. S. Navy's P2V Neptune in 1946, has not yet been challenged.

BIG JOB AHEAD

FOR THOSE FALL PULLETS

Everybody knows that a pullet begins to lay for some months before she is fully grown. Thus, for the first 6 months after she comes into production she uses her feed for three purposes: (1) Continuing her growth. (2) Egg production. (3) Repair of her egg-making machinery. Thus feed will have a big job to do for those pullets this Fall. Depend on Hayden's 32% Poultry Balancer for a mix that will do the job well.

Don't forget those Dinnerware Coupons found in Hayden's Poultry Mashes. They will get you a 32-piece set for $2.69.

The Creation Of The Earth

"And God said, Let us make man in our own image, after our likeness, and let him have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.—Genesis 1:26.

After God had put form and light on the earth, after He had created the animals, the fishes, the trees, the water, He created a being to rule over this earth for Him. This was on the sixth day of Creation. Man was made in God's own image, and was given the responsibility of the earth — replenishing it, and subdueing it.

Today, Man's responsibility to earth is one of spreading a doctrine of peace and good will to all men of all nations. You can aid this great cause by attending the Church of your choice this Sunday.

Non-Partisan News Letter

By Gene Alleman

(Special to The Herald)

GLADSTONE — The man who made the "better mousetrap," 50 years ago this September, was Webster L. Marble.

The founder of the Marble Arms and Manufacturing Company, Gladstone's leading industry, proved the old adage still holds good. A world of sportsmen beat a path through purchase of his quality hunting and fishing equipment, to this Upper Peninsula small town.

The story of Marble is the story of American opportunity.

It is another Michigan Alger-to-riches chapter in the annals of frontier enterprise.

Lansing Marble, a timber cruiser, took up a homestead near Frankfort on the lower shore of Lake Michigan. Here his son, Webster, at the age of 14, started to follow the woods as a career.

"I took to the woods like a duck to the water," he once related. "The greatest enjoyment of my life has come in the woods. As a young fellow, I got my greatest thrill out of starting out with a map and a compass to explore new territory, to carry very little equipment, and stop wherever night overtook me.

"I was gratified to feel that I was remote from everything civilized and exploring new regions."

His ventures into Michigan forests prompted him to design a metal guard to fit over a small pocket axe. This replaced the unwieldly axe which hung at his belt.

Other hunters, fishermen and trappers liked it.

"Make me one just like it" was the familiar plea.

So Webster installed a little workshop at the rear of his home in Gladstone. That was in 1898. In the first year he manufactured 3,000 safety pocket axes.

Knives came next. And then followed other improved items: Waterproof match box, compasses, special trout knife, clincher gaff for landing fish, gun sights, gun cleaners and rods, and nitro sol vent oil.

The idea for the waterproof match box came to Marble while he was traveling on a train north from Grand Rapids. The new product clicked instantly. During World War I for example, the English government ordered 12,000 for use of soldiers in the trenches.

Another hard to believe fact: Ninety percent of Marble-made knives are bought by sportsmen who have no practical need for them. They want a knife as an ornament, to display, or perhaps for the pleasure of merely possessing it. This observation was made by Marble himself. Hence the popularity of stag handles.

Today, the business is run efficiently by James T. Jones, general manager since 1912. "Jim" joined the firm in 1905 as an accountant. William L. Marble, eldest son of the founder, is the president of the firm. Jones is president of a subsidiary corporation, Marble-Card Electric Company, which manufactures electric motors. The two plants at Gladstone employ approximately 100 persons, mostly men.

Webster L. Marble preferred his hunting camp at Round Lake, about 33 miles north and east of Gladstone, to the ease and comforts of city living.

It was in September, 1930, when he went to camp for the last time.

His friends say he would have wanted it that way. He died in the woods.

The story of Webster L. Marble is a mirror of American enterprise in the Upper Peninsula of Michigan 50 years ago this September.

Gladstone, adjacent to Escanaba on Little Bay de Noc Lake of Michigan, has an outstanding recreational program for a town of its size.

The city's choice land along the lake front has been converted into a public park, eight blocks long with a small harbor for boats, beach-house, trailer park with laundry building, and children's swings, playground merry-go-round and slides.

The Gladstone playfield is illuminated for night baseball. A recreation building, 40 by 60, is used in winter months as a warming house for ice skating and hockey and in summer months as a club house. Fishing is excellent in the Little Bay de Noc: Northern Pike, walleyes, perch and black bass.

Somehow, Galdstone's emphasis upon recreation exemplifies the spirit of Webster L. Marble. Like the man who made the town famous, Gladstone is making a business out of play.

Miss Marie Frolich Bride of Jas. Kershner

Before a background of white gladioli and lighted candelabra at the altar of St. Joseph's Catholic Church of the Irish Hills, Saturday morning at 10 o'clock, Miss Marie E. Frolich, daughter of Mr. and Mrs. Fred Frolich of Macon, became the bride of James Kershner, son of Mr. and Mrs. William Kershner of Clinton. The vows of the double ring ceremony were exchanged before the Rev. Fr. Francis Juras, who also celebrated the nuptial mass. Clayton Holland of Brooklyn sang "Mass of the Angels" and "Panis Angelicus."

The bride, who was given in marriage by her father, was lovely in her white satin gown. The sweetheart neckline was adorned with pearl and silver beading and the fitted bodice, which buttoned down the back with tiny satin covered buttons, featured a soft billowy bustle over a full skirt which extended into a long court train. The long sleeves ended in points over her hands. Her fingertip veil was fastened to a crown of orange blossoms. The bride wore a single strand of pearls, a gift of the bridegroom, and carried a cascade bridal bouquet of white gladioli with an orchid center.

Miss Hazel Kershner, sister of the bridegroom, was maid of honor. She was attractive in a white satin gown. Fresh white bebe mums formed a crown which held her shoulder length veil. She wore long satin mitts, carrying a cascade bouquet of white gladioli.

Little Linda Schwartz was the flower girl, dressed in white satin and veil, similar to that worn by the maid of honor. She carried a dainty colonial bouquet of white bebe mums and pink baby roses.

Eugene Frolich, a brother of the bride, assisted the bridegroom as best man and seating the guests were Donald Frolich, also a brother of the bride, and Richard Jacobs of Adrian.

The bride's mother chose a navy blue french crepe dress with light pink accessories. Mrs. Kershner wore a dusty pink print dress with white accessories. Both mothers wore corsages of pink roses.

Breakfast was served at the Brees House in Tecumseh immediately following the ceremony. In the late afternoon and evening a reception was held at the Bridgewater Town Hall for 130 guests. A three-tiered cake was served with the refreshments. Mrs. Irving Gurtzweiler, a sister of the bride, cut the cake; Miss Bernadine Frolich, also a sister of the bride, and Miss Evelyn Kershner, a sister of the bridegroom, assisted. Music for dancing was furnished by Jeff Bush and his orchestra.

Guests attended from Ann Arbor, Jackson, Brooklyn, Adrian, Manchester, Tecumseh, Sand Lake, Macon, and Clinton.

The bride and bridegroom are graduates of Clinton High School. The bridegroom is employed at the Clinton Products Company.

When the new Mr. and Mrs. Kershner left on a trip through northern Michigan she was wearing a summer pink gabardine suit styled with a fitted jacket and ballerina skirt. Her accessories were white and her corsage a purple orchid. On their return, the bridal couple will reside at their home on the Clinton-Tecumseh Road.

When U. S. Navy ships recently visited Dublin Eire, on a goodwill tour, over 95,100 sightseers boarded them during public visiting hours.

PITTSBURGH TAXPAYERS SAVE $25,000 ANNUALLY

"Hill City" Proves Crime Doesn't Pay

Pittsburgh—Children in Pittsburgh's "city within a city" are saving the big folks about $25,000 a year.

They do it by reducing false fire alarms and by curbing juvenile delinquency in other ways.

"Hill City," as the project is known, is nestled deep in Pittsburgh's predominantly Negro Hill district—referred to in sociological reports as a "blighted area."

Governed by the youth of the district, under the supervision of Howard C. McKinney, the "city" has its own mayor, council, judges, district attorney, police, and a counterpart of every department and bureau in Pittsburgh's municipal government.

City officials say the self-government process has worked well. For instance, in addition to the $25,000 saved by the reduction in false alarms, shoplifting in Pittsburgh stores has been reduced about 63 per cent, Mr. McKinney says. Gang activities have been cut 36 per cent, he adds proudly, and vandalism more than 60 per cent.

Mr. McKinney, an ex-city detective and a University of Pittsburgh graduate, says the main purpose of Hill City is "to make the children feel they are not outcasts of society and that America offers them a future even though they are negroes."

Any neighborhood child can join Hill City for 15 cents a year. No other charges are made. When entertainment is given, admission is never with money, but by some article of food, however small and cheap.

If a youngser does not care to join Hill City officialdom, he can spend his free moments in the workshop.

CLINTON

Diane Woodward and Ann and Sandra Copeland are attending the Methodist Junior Camp for 10 days at Mill Lake near Chelsea.

Mrs. Eugene Rosacrans of Long Beach, Calif., is a guest at the home of her parents, Mr. and Mrs. L. W. Kimball.

Mr. and Mrs. Guy W. Hoover and three children are visiting relatives in Davis, Illinois.

Mrs. Lillie Cruickshank and granddaughter Miss Helen Walker, left Thursday for their home in Cobourg, Ontario, Canada, after visiting at the home of Mr. and Mrs. L. V. Bauer for a week.

L. J. VanDeusen attended the funeral of Henry P. Berkemeir, weighmaster for the State Highway Department, in Jackson Thursday.

James Bellmore arrived at the home of his parents, Mr. and Mrs. Robert Bellmore, to spend ten days. James has completed his boot training at the Great Lakes Naval Station.

Miss Mary Fox left for Brighton where she will teach school and take charge of the library.

Some 24 Girl Scouts enjoyed a day at the Toledo Zoo Thursday. The trip was sponsored by the Child Study Club and the girls were accompanied by Mrs. Delmar Anderson, Mrs. Harry Werth, Mrs Delmar Manchester and Mrs. Herbert Anderson.

Barney Jones, Joe Kunz and 20 members of the football team returned home after a two weeks outing at Traverse City. Football practice began Monday morning.

Miss Marilyn Ward has returned home after spending a week in Sawyer.

Week end guests of Mrs. L. A. Ward and daughter were Mr. and Mrs. Ronald Brabon and daughter Priscilla of Royal Oak.

TIPTON

Schools Opened Monday

Schools in this vicinity opened Monday. Teachers were assigned as follows: Franklin Center, Mrs. Mabel Winchell; Pink, Miss Shirley Baker; Free Soil, Mrs. Richard Vollmer; Bradley, Mrs. Chester Baker. The Grub and Excelsior schools will open next Tuesday with Harold Pilbeam of Dundee and Vesta Pentelow of Jasper teaching.

The Ladies Aid Society met Wednesday at the K. of P. Hall with Mrs. Rollo Conlin as the hostess. Mrs. Lyle Whelan and her committee served lunch.

Mr. and Mrs. Harold Smith and family have returned home from their vacation at Chippewa Lake in northern Michigan.

Recent guests of Mr. and Mrs. Harold Smith and family were Mrs. W. B. Huntley of Jackson and Miss Vesta Huntley of Akron, Ohio.

The Misses Joan, Marilyn and Linda Whelan spent a few days recently with their uncle and aunt, Mr. and Mrs. Glenn Randall at Brooklyn.

SKID-PROOF RUGS

A new rubber paint applied to the back of scatter rugs makes them skid-proof. This paint is also useful on hooked rugs for holding the loops firmly in place.

Fuel Shortages Is Sending Australians To Bed Very Early

SYDNEY—Australians are going to bed early this winter.

July and August are mid-winter months "Down Under," and Australians are colder today than they were at any time during World War II.

The reaso is a shortage of household gas and electric power. The main reason for that is shortage of coal. This in turn has been brought about by a rising demand for coal, and industrial unrest at the mines. In addition, it's the coldest winter in years.

Electricity and gas were rationed in Sydney early in July.

In Sydney, rationing means the housewife can cook for only 4½ of the 24 hours. She is allowed only two electric lights at one time, is forbidden to use any electric or gas heating.

Coal and wood are so difficult to obtain it is almost impossible to have an open grate fire.

Inspectors have been ordered to police gas and power rationing. Offenders are threatened with £500 ($1,640 United States) fine.

Most things that were scarce during World War II are still scarce. Prices are rising steadily, and housewives say salaries aren't keeping up with them.

Recently clothes rationing was lifted. It hardly raised a cheer. Clothing is so expensive that most persons have to make do with what they have. Sugar, though unrationed, is an "under-the-counter" item. Butter is rationed. Meat rationing is off, but a pound of lamb chops costs 33 cents U. S. Before the war chops cost 20 cents.

ONSTED

Mrs. Emily Reeder of Manton, Michigan, is visiting with Mrs. Rena Bailey and Mr. and Mrs. John Bryan.

Mrs. Charles Shultis has returned home from Henry Ford hospital in Detroit where she had been a patient for a week.

Mrs. Florence Stephenson of Hillsdale is visiting at the George Teachout home.

Mr. and Mrs. W. J. Redfield spent a week in Boyne City. They accompanied Mrs. Norman Davis and son Jerry to their home there.

Mr. and Mrs. Lynn Riley and sons and Mrs. Adah Riley are spending this week at the Riley cottage at Spider lake.

PRESBYTERIANS REPORT MEMBERSHIP IS UP

PHILADELPHIA—The Presbyterian church in the United States has announced a membership gain of 39,446 during the last nine months of 1947.

The church said its total membership is 2,274,294, "largest in the history of organized Presbyterianism in America."

Total contributions during the nine months amounted to $64,872,688, which the church said represented an increase in the proportion of giving over the preceding year.

The statistics were compiled on a nine-month basis because of the change in the church fiscal year. Previously, the fiscal year was from April 1 to March 31. It will now be from January 1 to December 31.

Naval Air Reserve pilots flew 122,075 man hours in training operations in one month of 1947.

The Navy has developed a human catapult to test human tolerance to accelerated takeoffs and arrested landings in the newest, super-speed aircraft.

If its news call The Herald.

LEGAL NOTICES

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 14th day of August in the year one thousand nine hundred and forty-eight.

Present: HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of ALICE BENEWAY (formerly Alice Beneway Harding), Deceased.

On reading and filing the petition of Elizabeth Chase, executrix upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that her final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Tuesday, the 7th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

YOU CAN

Cut Costs

AND

Save Money

If You'll Let Us Do Your

Repair Work

THERE ARE THREE REASONS why we can cut your repair bills:

1. Our mechanics are factory-trained to do the work.
2. We use factory designed tools, that speed up the work.
3. We use precision-built, factory-designed parts that fit.

WE SLASH REPAIR COSTS BY SAVING TIME

We know, and you know, that time is money. That's why we have installed precision-built tools and machinery, why our mechanics are factory-trained, why the repair parts we use are factory-designed . . . we know that all of these things save time . . . and that time is money.

Our customers know, too, that when they bring their car to us for service they can be assured that a minimum of time will be spent in doing the job . . . and that, consequently, their repair bill will be at a minimum.

If you are not now one of our customers, we'd like to prove to you, too, that we can CUT YOUR REPAIR BILLS.

The average man is willing to do almost anything to make money except good hard work.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-TWO — TECUMSEH, MICHIGAN, SEPTEMBER 9, 1948 — FIVE CENTS PER COPY

Primary Vote May Be Light

LITTLE INTEREST IN TUESDAY'S ELECTION, "MAN ON THE STREET" SAYS

According to "the man on the street," there is little interest from the voter's point of view in next Tuesday's primary election and, as a result, a light vote is expected to be cast in Lenawee county. Politicians, of course, are busy contacting electors but, confidentially, they are admitting 7,000 to 8,000 ballots are all that may be expected when the polls finally close.

To the average voter, the ballot this year will be an innovation. It is a two-sided affair, about 10 by 19 inches in size, and is printed on both sides. If you choose to vote the Democratic ticket you vote on one side, if you're a Republican you turn it over and vote on the other side. Of course, you'll fold the ballot just as always, and unless election boards are busy, it will not be too difficult for anyone to determine, just by looking to see how your ballot is folded, what your politics are. If the Republican side is folded in, it's a safe bet that you voted Democratic, and vice versa.

And remember this, if you vote for candidates on more than one party ticket your ballot will be rejected. That warning is printed on the ballot.

Both of Tecumseh's precincts will vote at the Council Building, South Evans street. Polls will be be open from 7 a.m., to 8 p.m.

Lack of contests on the Republican ticket is blamed for the little interest in the election in Lenawee county, which normally is a Republican stronghold. Gov. Kim Sigler is unopposed for the nomination as is Lieut. Gov. Eugene Keyes. Senator Homer Ferguson is unopposed for nomination, but Rep. Earl C. Michener will run a four-way race. His opponents are Henry C. Barnes, jr., Phillip C. Kelly, and George E. Meader.

In the state senate race, Tecumseh has a candidate opposing Elmer R. Porter, Blissfield, the in-

(Continued on Page 6)

Traffic Death Toll Hits Peak

113 PERSONS KILLED IN MICHIGAN ACCIDENTS DURING MONTH OF JULY

The traffic death toll of 133 persons in July established a new high for the year, but was one less than the 134 killed during the same month in 1947, according to the monthly statistical report of the Michigan State Police. The previous high was in June, when 119 died.

There were 10,719 accidents and 3,913 persons injured. Accidents increased eight per cent over July of ayear ago and injuries were up 14 per cent.

Contrary to the usual summer trend, there was an increase in urban deaths, and a decrease in rural trunkline and county road deaths.

Deaths resulting from collisions with railroad trains increased sharply, with 12 in July of this year as compared to four in July of last year. Pedestrian deaths were down from 42 to 31 on the same comparative basis.

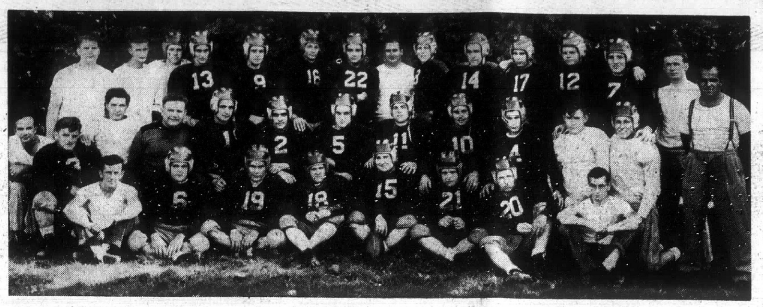
During the first seven months of this year 716 persons were killed and 21,724 injured in 79,662 accidents. Compared with the same period last year, deaths decreased 26, or four per cent; injuries increased 1,786, or nine per cent, and accidents increased 3,918, or five per cent.

Mileage for the first six months of this year was up 10 per cent over the same period of 1947, but the death rate was down 12 per cent.

Diocesan Field Worker At St. Peter's Church

The Rt. Rev. Richard S. Emrich, D. D., bishop of the Episcopal Diocese of Michigan, has assigned Deaconess Olive M. Robinson to St. Peter's Church, Tecumseh for four weeks beginning Sunday, September 12. Miss Robinson will devote her time to parish calling in the interests of the Sunday School and Young People's Work. During her stay here she will be the guest of Mr. and Mrs. Clyde Barber and Mr. and Mrs. L. W. Larsen. Members of the parish will assist in entertaining her at meals in their homes to give her an opportunity to become acquainted with them. She will speak briefly at the morning service in St. Peter's Church on Sunday at 11:15 and will also meet the children at the fall opening of the Sunday School at 10 a.m.

Tecumseh's First Independent Semi-Pro Football Team



Top Row, left to right: Bill Moeller, coach; Dean Hamilton, Dean Osburn, Baker, Jackson, Poley, Aten, Greenfield, L. Reese, C. Reese.

Crist, Hicks, Bob Dinse, Fellows, Purkey, Tim Neil, coach; Laidlaw, Williams, Haugh, Williamson, Hoekstra, Carl Covell, Lyle Reinhart.

Bottom Row, left to right: Carl Stevens, manager; Kennedy, Curtiss, Second Row, left to right: Gibson, Halchishak, Bly, Blauch, Jack Dick Hartly, Carpenter, Tilton, Hadley, Jim Osburn.

Holiday Week-End Safe In Lenawee

Lenawee county escaped the long Labor Day week-end without a single traffic fatality. Michigan State Police at Clinton reported it to be one of the dullest Labor Days in their memory with no traffic mishaps on US-112 of consequence.

State and nation-wide, however, it was a different story. Twenty-one persons lost their lives in Michigan, 13 of the number being traffic deaths. Six others come from drowning and two died in plane crashes. In the nation, 400 died accidental deaths, 271 in traffic mishaps.

In Lenawee, 11 minor accidents were reported and four persons were injured, none of them seriously.

A record load of traffic moved over all state and federal roads over the week-end, but police said that extreme care was being used.

Place Favors Tax Diversion

CALLS ATTENTION TO REPEAL AMENDMENT ON THE BAL LOT NEXT NOVEMBER

Earl H. Place, superintendent of schools, spoke in favor of sales tax diversion and against a repeal amendment which voters will receive at the November 2 election, when he talked to members of the Rotary Club, following dinner at Brea House, Tuesday evening.

Diversion of a portion of Michigan's sales tax to the public school was approved by voters two years ago. The proposal carried by nearly 300,000 majority but was fought in the courts by the state administration. Now, at the next general election in November, an amendment to repeal the program will be submitted to electors.

Place pointed out that the diversion has benefited Tecumseh schools in the amount of $15,000. He said that unless revenue from other sources could be guaranteed he believed that the repeal plan would strike a serious blow to Michigan schools.

The superintendent also favored approval of Amendment No. 5 on the November ballot which would permit bonding by a simple majority vote of the school district and the issuance of long term bonds, up to 20-year maturity. Place said that the fact that at time school districts are restricted to a 5-year bond limit is working a distinct hardship and is retarding a much needed growth in school plant facilities.

The superintendent also reviewed briefly Tecumseh's school problem, pointing out that the board of education is wrestling with the district's building program and endeavoring to stretch its construction dollars to make possible the building of a new high school. Tecumseh's school enrollment is growing steadily, he declared, and within two years will present an even greater problem than at the present time.

MISSION GUILD

The Florence Weld Mission Guild will meet Monday, September 13, at the home of Miss Edith Ingersoll. A potluck dinner will be served at 6:30 o'clock.

Injuries Fatal To Cyrus Smith

BRITTON FARMER, 73, WHO WAS HIT BY TRAIN, IS BURIED AT RIDGEWAY

Funeral services were held Saturday afternoon in the Niblack Funeral Home in Britton for Cyrus J. Smith, 73-year-old Britton farmer, who died last week Wednesday from injuries suffered six weeks ago when the tractor he was driving was struck by a Wabash passenger train. The Rev. Gerald Ballauer officiated and burial was in Ridgeway cemetery. The bearers were Stanford Smith, Keith DesErmia, Charles DesErmia, Vernon Smith and Dale Fletcher.

Death occurred in Mr. Smith's farm house northeast of Britton, where he was born and spent his entire life. In the accident which took place near his home, he suffered a broken leg, scalp lacerations and other injuries. He had been hospitalized for about three weeks before returning home.

Mr. Smith was a member of the Congregational Christian church of Britton.

Surviving are the widow, Jennie E., a son Stanley G. of Britton, a daughter, Mrs. Clara L. Wright of Tecumseh, four grandchildren, his stepmother, Mrs. Estella Smith of Oden, Mich., a half-brother, Russell Smith of Britton, a half-sister, Mrs. Winifred Taylor of Oden and other relatives. A son George E., died in infancy and a brother, Vern, and his parents, George and Libbie Smith, also preceded him in death.

Judges Are Named For Flower Show On Sept. 15

C. E. Hoxsie of the Hidden Lake Gardens and C. E. Wildon of the Michigan State College extension service in Lansing will be the judges at the second annual Flower Show, to be presented by the Tecumseh Garden Club at the high school gymnasium, next Wednesday, September 15, from 2 to 8 p.m. The committees in charge are urging all Tecumseh gardeners to enter their flowers, fruits and vegetables in the show.

There will also be a display of jellies, jams and canned fruits, these to be sold the same day.

All entries must be in by 10 o'clock a.m. on the day of the show, although school children will be given until 1:30 p.m. Sections will be arranged for exhibits of school children from the kindergarten through the 6th grade, the general public and male gardeners.

GRANGE TONIGHT

The Tecumseh Grange will meet this (Thursday) evening, September 9, at the hall at 8:30 DST. Members of the committee are Mr. and Mrs. Leland Bush, Mr. and Mrs. Leland Downing, Mr. and Mrs. Ed Furgason, Mr. and Mrs. Allen Wise and Miss Ruth Kudercice cream will be served and members are to bring cookies or cake.

New Airport Bowl Is Nearing Completion

The Tecumseh Airport Bowl, under construction since last May, is rapidly nearing completion. The eight Brunswick alleys are in the process of being laid and James Russell, alley manager, expressed confidence that they would be open and operating in time for the fall league play to begin.

The Tecumseh alleys will be the most modern in this area, featuring the "electric eye" automatic foul and the spot bowling for beginners. The unique decorating is being handled by Lu Duchane of Adrian.

In connection with the alleys the management will maintain a thoroughly modern snack bar and soda fountain. An unusual feature of the snack bar will be a wall-length window through which the diners can observe the activities in the alleys.

Shortly after the opening an "open house" will be held to give local folk an opportunity to view one of Tecumseh's newest enterprises. The date of the "open house" will be announced later.

Will Dedicate Organ, Sunday

BAPTIST CHURCH PLANS SPECIAL SERVICE TO BE HELD SUNDAY EVENING

During the past year the Tecumseh Baptist church received a bequest from the late Mrs. Lena B. Wells for the purchase of a new organ. This gift having been received and the organ installed, dedication services will be held at the church Sunday evening, September 12, at 8 p.m.

Mrs. Wells was formerly Lena VanValkenburg of this vicinity and a member of the church. The organ is being given in memory of the late Mr. and Mrs. A. VanValkenburg. Other members of the family making possible the contribution are Mrs. Bertha Hoag and Dean, Leon and Faye VanValkenburg. Ben Roberts, Herbert Hoag and many other members of the church have contributed the labor involved.

Included with the Hammond organ is a complete set of chimes. J. W. Zimmerman, guest organist, will give the recital. The following program will be presented:

Excerpts from "The Student Prince," Romberg; "Trees," Rasbach; "Meditation from Thais," Massenet; "Parade of the Wooden Soldiers," Jessel; "The Bells of St. Mary's," Adams; "To a Wild Rose," MacDowell; "Serenade," Schubert; "Liebestraum," Liszt; "Largo from New World Symphony," Dvorak; "Ave Maria," Schubert; Overture "Poet and Peasant," Suppe; "Claire de Lune" Debussy.

The public is invited and urged to attend this important occasion in the life of the church.

Semi-Pro Grid Game On Sunday

BRAVES GET UNDER WAY NEXT WEEKEND WITH GAME WITH BAY CITY ALL-STARS

The Tecumseh Braves, Tecumseh's first independent semi-pro football team, will go into action for the first time when they meet the Bay City All Stars, Sunday, September 12, at Recreation Center. The kickoff will be at 3 p.m.

The All-Stars, rated by a Detroit newspaper as the independent team to win every game in the state this season, averages 185 pounds per man to the Braves 175 pounds. Nevertheless, both teams have been well schooled in the game, so it will provide an afternoon of real sport. The Tecumseh line averages 185 pounds while the backfield averages 165 pounds per man.

Coaches Tim Neil and Bill Moeller have been drilling and training the volunteer players for weeks, but said a starting lineup would not be announced at this time. The players are so well-balanced any 11 of them would make a good team.

Each individual player will receive no compensation for playing, but all the profits earned will go into the organization to be used to purchase equipment for the Recreation Center. Individual game and season tickets may be purchased from Lee Purkey's gas station, any player, coach or member of the board.

Chalk Talk Artist To Present Program

Rev. William Leach, celebrated chalk artist from Chicago, formerly associated with Hollywood studios, will appear in a full program of gospel artistry commencing Monday evening, September 13, and continuing through Friday, September 17, at the Tecumseh Friends church.

Mr. Leach uses his artistic talent to illustrate the Christian message in color and action. His three dimension easel is constructed for rare lighting effects and "moving" pictures. He draws pictures that live.

He recently devised a means whereby he now incorporates sound effects with his drawing. They are produced by means of a synchronized sound-track on a wire recorder. Lightning flashes, thunder claps are heard, trains whistle and puff, people talk, etc.

Music by the Sunday school band, girls chorus and solos will precede each evenings program. The public is invited.

GETS DEGREE

Neville Lynn Hart has received his Master of Arts degree from the University of Michigan, where he attended the summer session. Degrees were awarded to 1,120 students at the close of the summer.

Weather Man Hurls The Book At Tecumseh

The weatherman threw the book at Tecumseh on Labor Day, giving vacationers a taste of all types of Michigan weather except snow and freezing temperatures.

The holiday started out a bit gloomy but by mid-day the sun was shining and picnic parties progressed. Shortly before 4 p.m. the skies darkened, there was a "calm before the storm" and then, riding in on a stiff, shifting wind came thunder, lightning and hail. Temperatures dropped 10 or more degrees.

The storm lasted only about 30 minutes. It returned two hours later and continued for another half hour.

In the two storms, nearly two inches of rain fell. There was no serious damage locally but in the trading area some trees were uprooted.

The rain brought an end to a month's drought, but too late to benefit the corn crop. Pasture lands were helped immeasurably.

Safe Driving Urged By Board

WITH REOPENING OF SCHOOL, MOTORISTS WARNED TO PROTECT KIDDIES

School bells are ringing again!

The Safety Committee of the Tecumseh Chamber of Commerce therefore urges that everybody—children and adults—review the rules of traffic safety.

"With vacation over, and children going back to school, drivers must be extra careful. But all of us must see that the children are as safe as possible on our streets," A. W. Porter, chairman of the Chamber's committee, said today. "And when I say all of us, that's just what I mean. The safety of our children is a job for the whole community — parents, the police, school officials, teachers and every club or organization that numbers motorists, parents or young people among its members."

The school safety campaign this month is part of a continuing traffic safety program coordinated in this city by the Chamber of Commerce and sponsored nationally by the National Safety Council.

Back-to-school safety pointers Mr. Porter listed are:

1. Motorists, give the kids a "brake" by using special caution in residential areas, school zones, and wherever you see them.

2. Parents, see that your children know the safest route to school — and that they know how to behave safely in traffic. And set them a good example.

3. Older boys and girls, watch out for the smaller children. They follow your example, you know — so give them a good one to follow.

4. Younger children, obey your traffic officers and school safety patrols. Keep out of the street except when you cross with the traffic signal, and always cross at the intersection, never in the middle of the block.

Extension Course To Be Offered To Teachers

An extension course for all public school teachers who do not have degrees and who desire to avail themselves of such a course, will be held here in the near future, Earl H. Place, superintendent of schools, said today. Mr. Place announced that Dr. Hood of the extension department of the Ypsilanti State Normal, would be at the high school today to confer with officials and interested teachers.

"Any teacher without a degree, and who desires to take advantage of the course here, is welcome," Place said in making the announcement. He said that in all probability a 16-week program would be offered, the date to be announced later.

Similar extension courses for teachers have been arranged in Deerfield and Adrian, Place said.

WORKMAN IS INJURED BY FALLING BRICKS

Edwin Pratt, Rt. 1, Lyons, Ohio, suffered head injuries about 9 o'clock Tuesday morning while at work on construction at Tecumseh Products Co. He was removed to Tecumseh Hospital and, after treatment, returned to his job. Mr. Pratt is employed by the Bender Construction Co. The accident happened when loose bricks fell, striking Pratt in the head.

TO MEET AT LAKE

The American Legion Auxiliary will meet Monday evening at Mrs. Alice Schneider's cottage at Wampler's Lake for a potluck supper at 7 o'clock.

Big Enrollment Crowds Schools

REGISTRATION, HOME VISITATION KEEPS TEACHERS BUSY; CLASSES MONDAY

More than 900 students, from kindergarten through the 12th grade, reported for registration yesterday as the public schools of Tecumseh reopened for the year 1948-49. While Earl H. Place, superintendent, was unable to give an accurate figure on registration last night, he is of the opinion that Tecumseh's schools will be even more crowded this year than they were a year ago when an all-time record enrollment was reported.

Classes this year, due to a lack of classroom facilities, are being held in eight different buildings, three of them churches. A combined second and third graders group is meeting in the Baptist church. Another third grade group is meeting in the Episcopal church and at the Presbyterian church a section of the fourth grade is being housed.

In addition, another third grade group is meeting at the public library, there are kindergarten and first grade classes in the old Brownville school, and elementary grades in the East and West Branch buildings as well as at the Central building, where junior and senior high school students also are housed.

A year ago, only one church, the Episcopal, was used by the schools for classroom purposes but this year's enrollment, due to the heavy increase, has necessitated the pressing of the rooms of two other churches into service.

Mr. Place said yesterday was given over entirely to the enrollment and registration of students. In all probability, he said, still more elementary and perhaps some more high school students will be enrolled today and tomorrow. No classes will meet this week, the two remaining days being given over to home visitation by teachers in elementary grades. Monday, however, all classes will meet and regular assignments will be given.

The superintendent hopes that by using the three churches and the library in addition to the regular school buildings that classes will not be too crowded, despite the heavy enrollment upturn.

The board of education will meet next week Monday evening with its architects, the firm of Britsch and Munger, Toledo, in an effort to draft plans for the erection of a new high school building that will come within the available cash for such construction. The board has on hand, through gifts, bonds and a sinking fund, $400,000 to construct the new building. However, a month ago when plans were submitted to contractors for bids, the lowest estimated cost of the proposed building due to the sharp up-turn in prices, totaled $688,000.

The board now plans to reduce the size of the proposed building and effect other economies that make possible its construction within the $400,000 figure. However, whether or not actual work on the building can be started this fall depends upon how quickly plans can be completed and bids can be obtained.

Funeral Services Held For Britton Veteran

Funeral services for T/5 Donald E. Miller, 19, son of Lawrence and Sadie Miller, 221 So. Barnard street, Howell, former residents of Britton, were held at MacDonalds Funeral Home in Howell, Monday afternoon, August 30, with Rev. R. J. Karney officiating. Donald was wounded at Leyte in the Philippine Islands, November 19, 1944 and died November 24, 1944.

He was born at Northville March 12, 1925 and attended the Howell schools. He enlisted in the summer of 1943 and served with the Headquarters company of 19th Infantry of the 24th Division as a radio operator. He qualified and ceived the expert riflemans' badge.

His parents received the Presidential Citation and Purple Heart, postheumously, which had been given to Donald. Sgt. Clyde Perdise was the escort assigned to accompany the body to Howell and remained with Mr. and Mrs. Miller until Tuesday evening. The bearers were Captain Kenneth Evans, Roger Parker, Robert Simpson, Ross Horwood, Joe Allen and Richard Callaghan. Burial was in Ridgeway cemetery.

Those from out of town who attended the services were from Lansing, Detroit, Plymouth, Clinton and Britton.

NOTICE

I will be at United Savings Bank for collection of village taxes every Saturday from 9 a.m., to 3 p.m., until further notice.

STATE POLICE ASK GREATER DRIVER CARE

Give The Children A Break, Sgt. Miller Urges

"Give the kids a break!"

That's the theme of the state safety program during the month of September, when more than a million Michigan children return to school, according to Sergeant C. M. Miller, commanding officer of the Clinton post of the Michigan State Police.

"There were 163 children and youths in the age range up to 19 killed in pedestrian, bicycle, scooter and motorcycle accidents last year in our state," Sergeant Miller said. "In addition, 4,336 were injured in pedestrian and bicycle accidents.

"The hazards increase when schools are in session. And drivers should bear this fact constantly in mind: No matter how much safety instruction you give them children can always be expected to do the unexpected. That means drivers must do more than observe ordinary safety precautions. They must be on the alert for children darting out from between parked cars, playing in the streets, riding out of driveways on bicycles or scooters without stopping to look if all is clear, and other acts of carelessness.

"No matter if, technically, it isn't his fault, a driver who injures or kills a child never forgets the experience. It is an unhappy memory that lasts forever.

"Consider every child on the street a human caution sign. Keep clear of bicycles and watch out for youngsters on tricycles, roller skates, scooters and coaster wagons, and later the ones on sleds, too. Don't depend on children to observe safety rules. So give them a brake."

EAST CHICAGO BLVD.

The Tecumseh Herald
EARL L. WICKWIRE
Editor and Publisher

The oldest newspaper in Lenawee county. Established in 1850.

Published Every Thursday Morning. Offices at 127 W. Chicago Boulevard, Tecumseh, Michigan. Telephone 476.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

THAT ALL MAY HAVE ENOUGH

Phelps Adams, Chief of the Washington Bureau of the New York Sun, recently defined the essential difference between capitalism and communism in these words: "The communist, seeing the rich man and his fine home, says: 'No man should have so much.' The capitalist seeing the same thing, says: 'All men should have as much.' . . . Communism—born of poverty and hunger—seeks to perfect a system for the equal distribution of a scarcity of goods, so that ultimately no man has enough of anything. Captialism—born of hardship and toil—seeks to provide such a plentitude of goods that, ultimately, all men have enough of everything.

The main technique used by communists and socialists is to argue that capitalism makes possible luxury for the few, while it exploits the many. Yet, according to a study recently completed at the University of Notre Dame, the opposite is true. Over a thirty-year period, 88 per cent of all our income has gone to those with earnings of less than $5,000 a year. And—of equal importance—the long-time trend has been to steadily raise the percentage earned by people of modest means.

And how does capitalism stack up against other systems which are in operation throughout the world? The evidence in its favor is overwhelming. According to Mr. Adams we have 46 per cent of the world's electric power, 48 per cent of its radios, 60 per cent of its life insurance policies, and 85 per cent of its automobiles.

So much for material gains. The record also shows that capitalism is the only economic system which can exist along with representative government and a maximum of individual freedom. Every system of controlled enterprise no matter what name it goes by, inevitably is accompanied by more and more regimentation of the individual—and, in the final stage, by a government based on terrorism and slavery.

When the Olympic games ended in London recently, the press services carried a significant story. A number of athletes from Czechoslovakia and other countries within the iron curtain refused to leave. They hope to find sanctuary in England, Canada and the United States. They have seen oppression, they have had a small taste of freedom, and they have made their choice. There is a lesson in that for those here at home who denounce a way of life that has given more material and spiritual benefits to more people than any other.

Well-Rounded Program

"My Boy," said the magnate to his son, "there are two things that are vitally necessary if you are to succeed in business."

"What are they, dad?"

"Honesty and sagacity."

"What is honesty?"

"Always—no matter what happens or how adversely it may affect you—always keep your word once you have given it."

"And sagacity?"

"Never give it."

DO YOU REMEMBER?

1858

Married, September 7, in Manchester, Giles O. Vandergriff and Mary S. Morgan.

A music teacher has been employed for our Union school.

1873

The fire department made its first run September 3, to the Bidwell tannery.

J. B. Swan has commenced erection of a two story brick building on the lot adjoining the Opera House lot on the east. The building will be used as a printing establishment.

Business prospects are brightening, all indications pointing to a lively fall trade.

The Opera House is progressing rapidly. The walls are already about half up.

1883

The drouth is so severe in this section that many shade trees are suffering badly.

S. P. Hosmer has an old Bible printed in London in 1777 which is a decided curiosity.

34 foreign pupils enrolled Monday in the Tecumseh schools.

A strong Republican club is being organized in this village.

Tons of celery are leaving this market every week.

Mr. and Mrs. Wm. Aldrich of Onsted will celebrate their 58th wedding anniversary September 9.

1893

The D. & L. N. has put in two new electric clocks, one at the station and one in the offices.

Linora Charles and Wm. Otis Peal were married September 9.

Oscar Palmer has a copy of the first newspaper published in America—The Boston News-Letter.

The cottage built by Oliver Miller nearly 70 years ago when Ridgeway was in its infancy, one of the oldest, if not the oldest, land mark in the village was struck by lightning Monday and burned.

525 pupils are enrolled in the Tecumseh schools. The high school enrollment is 146.

Born to Mr. and Mrs. Charles Gorham of Britton, a daughter.

1903

Alva Spayde was in Toledo Wednesday for a reunion of messmates of the 38th Ohio Veteran Volunteer Infantry.

William O. Lamkin of Franklin and Mena D. Payne of Saranac were married September 2 at the home of Mr. and Mrs. Horace Lamkin.

The enrollment in the local schools is 422, with 67 foreign pupils.

Mr. and Mrs. Earl Updyke are moving to the Wimple house.

Albert Schreder has purchased the Harrison barber shop on Railroad street.

Winifred DeWolf and Arnet Gurlinghouse left yesterday to resume their school work at Kirksville, Mo.

1918

Traffic through town has reduced 90 per cent since the ban on Sunday use of pleasure cars. Quite a number of farmers resorted to the use of horse and buggy to attend church Sunday.

This week's street entertainment is the last for the season.

Mrs. Florence Bowers and Mrs. John R. Nyland have purchased the Conklin property, corner of Pearl and Pottawatamie streets.

Born, September 2, to Mr. and Mrs. Amiel Bluhm, a son.

Horace Gray, the first Tecumseh soldier wounded in the World War arrived home September 5. Mr. Gray lost one leg in the Battle of Belleau Woods in France.

Clarence Alderdyce has purchased the Allan Montgomery truck line.

Beginning with the next issue The Herald will be published every Thursday, with one issue each week instead of Tuesday and Friday.

1928

W. J. Hanna wins out in nomination for sheriff by over 1000 majority.

The high school enrollment is 315.

Lynn Hubbard and family have moved to the Burrows house on South Oneida street.

Born, September 3, to Mr. and Mrs. Richard Drouillard, a son.

Married September 8, at the M. E. church, Imovelle Spalding and Wayland E. Kahle, by Rev. H. J. B. Marsh.

Geo. H. Hanford is celebrating his 90th birthday today.

1937

About 600 children have enrolled in the Tecumseh schools.

A new law has been put into effect whereby a voter's ballot will be secret. In the past an election inspector has bluntly asked your preference.

The question of whether or not Tecumseh school district No. 7 should issue $42,000 in bonds, and with the aid of a WPA grant of $33,000, build a new grade school building in this village will be decided by voters at a special school election, September 23.

Ronald Gamble, brother of Newman Gamble, formerly of Tecumseh, entered in competition with 62 other radio announcers and received the high rating which enables him to announce the broadcast of the Ford Sunday Evening Hour on WJR.

Miss Betty Bell has entered the Traphagen School of Fashion in New York City.

Born, Tuesday, September 3, to Mr. and Mrs. Harry Sutton, a daughter.

James Tonneberger left this week for Sweetwater, Tenn., where he will take a course in business administration at Sweetwater Military Institute.

Expert Watch and Jewelry Repairing
152 E. Chicago Boulevard

A touch and you GO— that's DYNAFLOW!

YES, it boils down to just about that. You start your engine, set a lever — and from then on your treadle foot takes over.

You press the accelerator — and move softly and smoothly away.

You speed up, slow down, halt completely — and your right foot alone, operating gas treadle and brake, does it all.

How come? Simply because Dynaflow Drive is the one passenger car drive in America that gets completely away from gears which function in fixed stages.

Changes in the way oil flows, instead of changes in gears, adjust your engine power to your driving requirements.

Whether you are starting out, climbing a hill, surging past others or cruising easily, there's nothing for you to do except feed gas.

For very fast starts, extreme pulls, reserve braking power, you flick the selector lever—and your engine seems suddenly to double in size.

For parking, there is a very special setting, exclusive to Dynaflow Drive, that rigidly locks rear wheels.

Even rough and chattery roads are made smoother by power that flows along through a cushion of oil — your whole car is "sweeter" in its feel, far silkier in its actions.

Quite rightfully is Dynaflow Drive called the most important development since the self-starter.

It's a basically different way of transmitting power — and one you should know about firsthand.

See what your Buick dealer can do about arranging that for you. The merest sample of Dynaflow magic will make you want to place an order pronto, whether or not you have a car to trade!

Here's your Buick Dealer's Four-Square Selling Policy

1. **NO PRICE PADDING.** You receive an itemized bill of sale. We display all prices in our showroom.
2. **NO "LOADING" OF ACCESSORIES.** All cars are delivered with accessories as ordered; no "extras" except those you specify.
3. **NO COMPULSORY TRADE-INS.** We will accept your order and deliver your car with or without a car in trade.
4. **NO COLLUSION WITH "GRAY MARKETEERS."** We will not knowingly sell Buick cars to anyone who operates in the "gray market."

When better automobiles are built **BUICK** *will build them*

Announce Engagement

Mr. and Mrs. Lamont Simmons are announcing the engagement of their daughter Gloria Mae to Robert J. Karle, son of Mr. and Mrs. David Karle of Cincinnati, Ohio. The wedding will take place October 2.

More Schools Open

Mrs. Raymond Platt opened the Shepherd district Tuesday for her second year. Mrs. John Jones is teaching in the Paragon district.

Elects Officers

Mrs. Grover Swarts was elected president of the Ladies Aid Society at a recent meeting of that organization. Other officers named are: vice president, Mrs. Lester Munger; secretary, Mrs. Lyle Whelan; treasurer, Mrs. L. T. Dibble.

Pentecost Extension To Meet

The Pentecost Extension Club will meet Thursday, September 16, at the home of Mrs. Elleen Scheuerman with Mrs. Floyd Preston as the assisting hostess. At a recent meeting Mrs. Marjorie Hallfwell and Mrs. Dorothy Roberts were hostesses at a picnic at the roadside park on M-50.

Mr. and Mrs. C. A. Hardy and Mr. and Mrs. Raynor Hardy have returned home from a trip through northern Michigan and Wisconsin.

Mr. and Mrs. D. J. VanValkenburg have returned home after being the guests of their daughter and husband, Mr. and Mrs. Russell Munch and children at Albion.

Mr. and Mrs. Raymond Platt and son Thomas have returned home after visiting at the home of her sister and husband, Mr. and Mrs. Frank Oehler at Gainesville, Fla., and her mother and husband, Mr. and Mrs. Frank Schulken at Charleston, S. C.

Mr. and Mrs. Charles Driffill and daughter Bette have returned from a three weeks trip to the Rocky Mountains.

Miss Jean Simpson was a recent guest of Mr. and Mrs. William Mukensturm. Miss Simpson's home is in Kalamazoo and she teaches school in South America where their son, Robert is stationed.

The Pythian Sisters met last evening in the hall. The entertainment committee included Mrs. Richard Carter, Mrs. C. Davenport, Mrs. Helen Greenwald, Mrs Alden Erlenbush, Mrs. Wayland Kahle and Mrs. Glenn Taylor.

Guests last week of Mrs. Della Spangler were her daughter and husband, Mr. and Mrs. John Van Valkenburg and daughter Janie of St. Louis, Michigan.

Mr. and Mrs. Milo Denney and sons have returned home from a trip through the southern states.

1277 American Firms Show Sales Decline

WASHINGTON—Sales of 1,277 American companies dropped 1.6 per cent to about $27,000,000,000 during the first quarter of 1948, the Securities Commission reported.

Trends were mixed. Compared with the previous three months, sales of 37 department stores jumped 24.8 per cent. However, 11 distilleries showed a decline of 18.1 per cent, while 5 cigarette companies reported a drop of 3.5 per cent sales and 10 automobile companies declined 2.3 per cent.

The figures were taken from reports of corporations listed with the SEC. Although the 1,277 companies showed a minor dip from the previous quarter, sales were 18.8 per cent above the like quarter of last year.

Of the 141 industrial groups covered, 59 reported sales increases over the fourth quarter of 1947, while 82 showed decreases.

Compared with the first quarter of last year, 118 industry groups showed increases, while 23 reported declines.

Comparisons with the final three months of last year showed the following percentage gains: Seven mail order houses 7.1; 13 meatpackers 3.5; 33 oil refining companies 11.7.

Percentage losses: Thirty-six chemical companies 3.0; 25 electrical companies 8.8; 12 food companies 3.7; 13 steel producers 1.7, and 10 tire companies 15.2.

COMMUNICATIONS

The Story Has Only Half Been Told

The story revealed in the August 26 issue of the Herald disclosed some true facts regarding eggs in pears (not pairs). It is quite true also that I have developed a very famous strain of chickens which are a cross between a Chicago Shawnee and a Pottawatamie but I have also had plenty of assistance from my near neighbors to develop this latest type mentioned. The fact that the coop has been unlocked has helped me to reach this high standard of production and should not encourage anyone to try and keep a secret without a lock on the door.

Leon P. Williamson

The installment-buying plan may be all right, but isn't it funny how one loses one's enthusiasm for the idea after about six months of paying.

A sick man who refuses to take the medicine prescribed by his physician should not blame the doctor if he doesn't get well.

The guy who said charity begins at home evidently never went on an expedition to raise funds by public subscription.

From where I sit ... by Joe Marsh

One Great American Trait

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the *tolerance* which reconciles those different points of view.

I mean the tolerance of a Pennsylvania farmer for the habits of his city cousin; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

Joe Marsh

Mr. and Mrs. Elmer Lewis and Mrs. Rachel Lewis of Ann Arbor were Sunday guests of Mr. and Mrs. J. O. Strong and Mrs. Annie Pocklington.

BRITTON

The 11th annual reunion of Prairie School No. 9 was held in the Britton park Saturday with a basket dinner at noon. The new officers for the year are: president, Mrs. Martha Gorham; first vice president, Mrs. Herbert Smith; second vice president, Garfield Gray; secretary, Mrs. Roy Van Nest; treasurer, Mrs. Garfield Gray; general arrangements committee, Ruben Tucker; flower committee, Mrs. Jennie Theeke and Mrs. Lilly Millyard; program committee, Mrs. Ida Kingsbury and Mrs. Maud Spohr. The birthday anniversaries of Jennie Lister and Henry Meyers were especially recognized. After the afternoon program ice cream, cake and melons were served. The 1949 reunion to be held in the same place.

Rev. C. Badder, assistant superintendent of the Congregational Christian Conference will be the guest speaker at the Christian Church Sunday at 10:30 a.m., at a rededication service of the newly remodeled sanctuary. A basket dinner will be served at noon.

Mr. and Mrs. William Miller of West Unity, O., moved Saturday into the residence vacated by Forrest Weichner recently.

Mr. and Mrs. Roy Carothers and Kay were holiday weekend guests of Mr. and Mrs. Smith Pocklington.

Mr. and Mrs. Lynn Clark and daughter of Rockford called Saturday on their aunt, Mrs. Margaret Curry.

Mr. and Mrs. Wyman Ferman and children of South Bend spent the holiday with Mr. and Mrs. J. V. Ferman.

Mrs. Edward Rudel and sons returned to Lincoln Park Tuesday after several days visit in the Arthur Carothers home.

The Methodist church is planning family night for September 15 with a co-operative supper at 6:30.

NAVY EXPERT WEIGHS 'IF' OF SOVIET A-BOMB

LOS ANGELES—If Russia has an atomic bomb it is going to be difficult to detect radiation from any tests, says Commander J. T. Hayward, Navy atomic expert.

Commander Hayward, Plans and Operations Director of the Armed Forces Special Weapons Project at Sandia, N. M., told interviewers that a Russian atomic test might be reflected from radiation impact on the moon "if we trained a spectrometer on the moon; but the moon would have to be in the right phase."

Radiation, he said, could not be detected here from Siberia.

"Let's assume the Russians have the A bomb," he continued, "it would be silly of them to fly it over."

Some people think that what this country really needs is some workers who are willing to do a day's work for a day's pay.

Primary Vote May Be Light

(Continued From Page 1)

cumbent. Tecumseh's candidate is Yale Leland Kerby, Michigan State College student.

Rollo G. Conlin, is unopposed for nomination to the representative's post in the state legislature.

In the county race, the high spot is a three-way race for the nomination for county sheriff. Sheriff Elmer Bringman is being opposed by his former undersheriff, Wade Willett, and Robert Stites, a member of the Adrian police force.

Rex Martin is unopposed for the prosecutor's nomination, Robert King for county clerk, Harry Bradley for county treasurer, Leonard Warner for register of deeds, and Archie Bruce for drain commissioner.

In the race for coroner, Ed M. Braun and Paul E. Mott, incumbents, are in a three way race with Franklin L. Lennox. Two of the three will be nominated.

Walter Frazier is unopposed for the surveyor's nomination.

On the Democratic ticket; Burnet J. Abbott, Victor E. Bucknell and G. Meenen Williams are in a three-way race for the governor nomination. J. W. Connolly and Victor Targonski are seeking the lieutenant governor nomination. Frank E. Hook is seeking the U. S. senate nomination. Redmond Burr and Preston W. Slosson are racing for the nomination as U. S. representative. Victor Weipert is unopposed for the state senate nomination as is Larey M. Lawrence for the state representative's post. There is not a single contest on the Democratic ticket in the county. George Bean is seeking the office of prosecutor; John C. Truesdale, Tecumseh, the office of sheriff; George A. Patterson the office of county clerk; Richard Hunt the office of treasurer; there is no candidate for the register of deeds post; Francis Snyder seeks the office of drain commissioner.

Fellowship To Resume Programs Next Sunday

Members of the Junior and Senior Westminster Fellowship of the Presbyterian Church will begin their year's program next Sunday evening at 7 p.m. at the church.

Adult sponsors for the two groups which will resume their leadership will be Mr. and Mrs. Burdette Kizer with the Junior High group and Mr. and Mrs. J. W. Spafford with the Senior High youths. These couples who have children in the respective groups were responsible for the establishment and growth of their youth groups during the past year.

Organized on a "commission" basis the Sunday evening programs for the year will be planned and carried out by the four commissions. The members are divided into one of the four commissions, Faith and Life, Outreach, Stewardship or Fellowship, depending on their particular interest. This enables each member to give specific attention to that part of the Christian life in which he is most interested, while receiving at the same time a comprehensive picture of Christian thought and action.

Each member of Westminster Fellowship is urged to be present for the first meeting of the 1948-49 season. All other interested young people of junior or senior high school are especially invited.

FUNERAL SERVICE FOR MRS. ELPHONZA GOODRICH

Funeral services were held Sunday afternoon in the Hause Funeral Home in Clinton, for Mrs. Elphonza Goodrich, 76, who died Thursday at the home of her grandson, James B. Beach, north of Clinton. The Rev. H. R. Sullivan of the Congregational church officiated and burial was in Riverside cemetery.

Born, February 20, 1872, in Butler county, Pa., to Mr. and Mrs. John Croft, she had been married to Leon C. Goodrich for 53 years. Mr. and Mrs. Goodrich had lived in the Clinton vicinity for 25 years. At one time she was active in the woman's suffrage movement.

Surviving are her husband, Leon, one son, James A. of Onsted and three grandchildren. A daughter, Mrs. Cecyl Beach, preceded her in death in 1944.

TO RESUME MEETINGS

The Tecumseh Hospital Auxiliary will resume their activities with a meeting next Tuesday evening, September 14, at the home of Mrs. H. H. Hanna, at which time plans for the coming season will be made.

CHURCH BUILDING COMMITTEE MEETS

With the beginning of the fall season the finance committee for the Presbyterian church building program takes up its work in earnest. Members of the committee who are undertaking the raising of the necessary money are Dr. M. R. Blanden, chairman, Mrs. Frank K. Smith, secretary-treasurer, Mrs. Ray Sluyter, Robert Hanna, Kenneth D. Hall, L. D. Tallman and Gordon Keyser.

Last night the building committee met at the church to consider when the excavation can begin. The first step will be deepening the level of the present basement about four feet.

TROOP 57 BEGINS FALL PROGRAM MONDAY

After the summer vacation period Troop 57, Boy Scouts of America, will resume regular Monday night meetings on September 13. Opening at 7:30 p.m. in St. Peter's Youth Center all boys of the community 12 years of age and over will be welcome to attend. The Rev. Allan L. Ramsay, Scoutmaster, will be assisted by Charles Manley, Assistant Scoutmaster and Thomas Everlove, Senior Patrol Leader.

ASSOCIATION TO MEET

The Presbyterian Women's Association will meet Wednsday evening, September 15, at 8 p.m., at the church. Mrs. Edith C. Smith is the program leader and the topic will be, "A Single Purpose." Miss Edith Ingersoll will have charge of the devotions. Mrs. M. G. Partridge is chairman of the hostess committee which includes Mrs. Ruby Preston, Mrs. Ray Puffer, Mrs. John Quigley, Mrs. Archie Porter, Mrs. Ernest Green and Mrs. Pearl Elliott.

DESSERT BRIDGE

Miss Jean Bailey entertained Saturday evening at a dessert bridge honoring the former Miss Joan Lott, who was married Sunday. At the conclusion of the enjoyable evening the honored guest was showered with many lovely personal gifts.

CHOIR TO PRACTICE

Choir practice is being resumed at the Baptist church with sessions every Wednesday evening at 8 o'clock. Mrs. Harley McConnell is the director and Mrs. Kenton Hunt the organist.

TO MEET TUESDAY

The W. C. T. U. will meet Tuesday, September 14, at the home of Mrs. John Brown at 2:30 p.m.

LEAGUE TO MEET

The Presbyterian League will feet Tuesday evening, September 14, at the home of Mrs. Arlene Osterhout for a potluck dinner at 6:30 p.m.

In Other Words

Wife—You don't love me anymore.

Husband—Why, dear, I certainly do.

Wife—You couldn't love a woman with such old clothes as I have.

He Knew

"Don't you ralize how much your life means to me?"

"Sure, if I die you get my insurance."

Herald classifieds pay big dividends.

LOCALS AND PERSONALS

Mr. and Mrs. Glenn VanDenbergh are spending this week at the home of their daughter at Lockport, New York.

Dr. and Mrs. W. H. Steurer of Barrytown, New York, left Tuesday after spending the week at the home of Mr. and Mrs. D. F. Wright.

Mr. and Mrs. W. L. Becker and Mr. and Mrs. Clarence Aebersold will leave tomorrow for a week's trip through the Upper Peninsula.

Mrs. Marie Koernig, who was injured in an automobile accident several weeks ago, is in the Tecumseh hospital. Her condition is improving and she is able to receive visitors.

Mrs. William B. Shavalier fell at her home Saturday and suffered a dislocated finger and other bruises.

Mrs. Gertrude Crawford and daughter Joan of Toledo and Miss Lillian Baird and Miss Nola Burkhardt of Detroit were week end guests of Mr. and Mrs. John H. Smith.

Mr. and Mrs. Orville Steele of Minneapolis, Minn., and Mrs. Myrtle Johnson of Altona, Mich., were weekend guests of Mr. and Mrs. Vern Miller and family. Mr. Steele and Mrs. Johnson are brother and sister to Mrs. Miller whom they had not seen for a number of years. During the week end the guests enjoyed plane rides with Stanley, Robert and Russell Miller.

There is No Price Tag on Thoughtfulness, Faithfulness

In the more than 70 years this store has been serving the public, we have learned that there is more to making a sale than just wrapping up an article, handing it to the customer and collecting the money.

We believe that customers MUST be satisfied with the merchandise they buy, and that the successful store is dependent upon "repeat" business.

We try our best to satisfy every customer that comes to our store. We sell only merchandise that we can guarantee. We believe that a satisfied customer always comes back.

If you're interested in this kind of service, we invite you to shop with us regularly.

Miss Marjorie VanWinkle Bride Of Hugh C. Marx

Vases of white gladioli, palms and hampers of cream and yellow gladioli decorated the altar and chancel of St. Peter's Episcopal church, Saturday, for the wedding of Miss Marjorie VanWinkle of Tecumseh and Hugh C. Marx of Manchester. The couple repeated their vows to the Rev. Allan Ramsay at 4 o'clock during a double ring service. The family pews were marked with white gladioli tied with white bows.

Mr. and Mrs. Andrew Leroy Van Winkle of Tecumseh are the parents of the bride and Mr. and Mrs. Leroy Marx of Manchester are the groom's parents.

As the guests were being seated by Duane Roller of Manchester and Norman Papsdorf of Clinton Jack Tonneberger played a half hour program of organ music Raymond Marx of Detroit assisted his brother as best man.

Preceding the bride to the altar were the bridesmaids, Mrs. William Kiefer of Rockford, Illinois, and Mrs. Loren Kuhn, cousin of the bride, of Cleveland, Ohio; junior bridesmaid, Judith Van Winkle, sister of the bride, and Miss Marilyn VanWinkle as her sister's maid of honor.

The bride, given in marriage by her father, wore an ivory satin gown made with long sleeves and a tight fitting basque, extending into a short train. The illusion yoke of the bodice was outlined with an appliqued handmade design of calla lillies, which also trimmed the skirt, which was fashioned with deep scallops edged with a Chantilly lace ruffle falling over a satin draped hoop skirt. Her illusion veil was fastened to a circlet of orange blossoms. She carried a satin covered prayer book, rose buds and stephanotis and from this showered white satin ribbon with bows and white rose buds.

The bridesmaids wore emerald green faille gowns and the maid of honor was gowned in gold faille. The dresses were designed with tight fitting bodices with a drop shoulder effect. The full skirts were fashioned with flower trimmed bustes worn over hoop skirts. Their headdresses were bands of matching material trimmed with flowers. The honor maid carried a shaded crescent bouquet of bronze and red pompons and the bridesmaids had crescent arm bouquets of cream and yellow pompons. The dress worn by the junior bridesmaid was of white marquisette over taffeta fashioned similar to the bride's gown. She carried a crescent arm bouquet of cream and pink pompons.

For her daughter's wedding, Mrs. VanWinkle was attired in a black dress with pink and black accessories. The groom's mother chose a navy and white print with which she wore navy accessories. Both mothers wore corsages of Lily Pons.

Following the ceremony a reception was held at the VanWinkle home at 208 East Logan street. Mrs. Herbert Murphy, aunt of the bride, beautifully decorated the home and yard with floral arrangements. The four-tiered wedding cake was cut by Mrs. Naomi Sallows, aunt of the bride. In the serving of refreshments Miss Vera Gilbert was assisted by Mrs. Peter McGee, Mrs. Paul Abbett, Mrs. Duane Roller and Mrs. Raymond Marx. Miss Jacquelin Costigan was in charge of the guest book.

Guests were present from Schenectady, New York; Rockford, Ill.; Cleveland, and Delta, Ohio; Detroit, Lansing, Jackson, Kalamazoo, Ann Arbor, Adrian, Webberville, Williamston, Mason, Sturgis Niles, Brooklyn, Manchester, Clinton and Tipton.

The couple left on a trip to Chicago, with the bride wearing a navy suit with navy and white accessories and a corsage of white roses from her bridal bouquet.

The bride graduated from Tecumseh high school in 1943 and from Michigan State College in 1947. She is a member of the Delta Zeta sorority. She taught in the Adrian schools the past year.

The groom graduated from Manchester high school in 1943 and attended Albion College the past two years. He is a member of Delta Sigma Phi fraternity. The couple will make their home in Iowa City, Iowa, where Mr. Marx will attend the University of Iowa.

During the past week Mrs. Wm. Kiefer and Mrs. Karl Schneider entertained at a miscellaneous shower for the new Mrs. Marx in the Schneider home and Mrs. Arthur Wonder and Mrs. Lavern Wonder, of Adrian, aunts of the bride, entertained at a towel shower.

Joan Louise Lott Weds Paul E. Hesse

Four o'clock Sunday afternoon at the country home of her parents, Mr. and Mrs. John R. Lott of Tecumseh, Joan Louise Lott became the bride of Paul Ernest Hesse. The Rev. Donald C. Wilson, pastor of the First Presbyterian church, performed the marriage service.

Mr. Hesse is the son of the late Mr. and Mrs. Alvin G. Hesse of Lansing.

Preceding the ceremony Mrs. J. W. Spafford played several piano selections and Miss Cynthia Spafford sang "Because." Miss Jean Bailey of Tecumseh was the bride's only attendant and Charles Hesse of Lansing, brother of the bridegroom, was best man.

A reception followed the impressive service after which a buffet supper was served to thirty guests from Detroit, Lansing, Ovid, Newaygo and Tecumseh.

Mr. and Mrs. Hesse left for northern Michigan and upon their return will reside in Lansing where both will attend Michigan State College. The bride will take a special course having received her Bachelor of Arts degree from Alma College in June, while the groom will continue his engineering course. During the war Mr. Hesse served for eighteen months in the European theatre of operations.

DEPENDABLE CLASS

The Temple Dependable class of the Methodist church will hold its first meeting of the ensuing year at the church, Wednesday, September 15. All members are urged to be present. The hostesses are Mrs. Carl Burch, Mrs. Mae McLain, and Miss Lizzie Beamish.

Go To Church On Sunday

The Lord Visits Abram

"And the Lord appeared unto Abram and said, Unto thy seed will I give this land: and there builded he an altar unto the Lord, who appeared unto him." (Genesis 12:7).

Previously, the Lord had appeared unto Abram and advised him to leave his father's house and go to a land which He would show him. He told Abram that he would make a great nation of this land and make his name great. So Abram had left his home, full of faith and trust—ready to begin a new life of faith and trust.

The same great faith that carried Abram from his home to carve new worlds for himself and his tribe out of hostile lands is alive today—in the church. Guard this faith—it is your one bulwark in a world that is filled with hate and jealousy—Attend the church of your choice every Sunday.

'47 Liquor Bill Over 8 Billions

IS ABOUT $8.50 A MINUTE FOR 1,948 YEARS, SCIENTIST FIGURES OUT

WINONA LAKE, IND. — You may agree that $8,500,000,000 was a staggering sum for Americans to spend on beverage alcohol in 1947.

But have you any real conception of how much $8,500,000,000 really is?

Alonzo Baker, professor of political science at the University of Southern California, admitted that he hadn't. Not until he sat himself down and figured out that if he had lived since the beginning of the Christian area and had been watching the second hand of his watch go around ever since then, he would have seen it go around approximately 1,000,000,000 times.

If he had had a basket large enough and someone had put $8.50 into it every minute during 1,948 years, he would by now have accumulated almost as much money as Americans spent on liquor during the single year of 1947.

Mr. Baker was full of statistics when he delivered a rousing address here on "America's Destiny." His speech was one of the highlights of the fourth annual National Training School of the Temperance League of America.

He believes that America came into the world for just such a time as this. Some of the things the United States has stood for from the beginning are just what the world needs today, he said.

But the United States has to keep itself fit for world leadership. It has to have the respect of the world and that takes more than merely handing our Marshall Plan bread or mercy, he declared.

It cannot long maintain that fitness, if indeed it possesses it today, he said, if it continues to condone and protect an industry that is sapping the spiritual, moral, and ethical strength of the nation.

He praised Marshall Plan spending as "the greatest gift any nation or group of nations had ever made in the history of humankind."

But he scored those who said the country could not afford the gift while they did nothing to stop the expenditure of $8,500,000,000 a year on beverage alcohol. The $6,000,000,000 to be spent for the Marshall Plan in 1948 would only pay the liquor bill for nine months, he pointed out.

He also scored the recent showing in Warsaw, Poland, of "The Lost Week End," which he characterized as the "drunkenest, besottedest picure ever turned out." Yet that was what the Poles saw after standing in line for hours in eager anticipation of the first American film to be shown in Warsaw since before the war.

"What kind of leadership is that?" he demanded.

Nor does he feel reassured about America's fitness for leadership when he stops to contemplate figures that show there are more saloons, taverns, bars and places to sell liquor than there are schools and churches combined in the United States.

Further statistics reveal, he said, that the 1948 liquor bill was greater than that covering all phases of religion and education, plus all the police and fire departments in the nation.

In this dismal picture California, he added, with its penchant for superlatives, presents the dismalest facet. It has more saloons than any other state, one for every 300 persons.

Putting the national liquor bill in such perspective should convince anyone, he thinks, that the country is slightly overdoing the liquor business!

Canadians Seek Site Of North Magnetic Pole

OTTAWA—A group of natural scientists is flying from this city to the Arctic Archipelago to chart the exact position of the Magnetic North Pole.

During the last decade, the position of this pole, at which the needle of the magnetic compass always points, has been elusive. Before that, its site appeared to be as definitely determined as that of the geographic pole itself. It was on the west side of Boothia Peninsula, the neck of land that juts into the archipelago from the Arctic mainland to the northwest of Hudson Bay.

It would now appear that the magnetic pole has shifted in some incomprehensible way by itself or that early calculations were out, for it is no longer there.

Last summer an expedition from Ottawa — "Operation Polco" — located the north pole in the northwestern part of Prince of Wales Island. The general area in which experts have now placed it is about 200 miles from its former location on Boothia Peninsula. In recent years at least three different positions have been suggested for it, and an idea was advanced that there might be more than one center of magnetic attraction.

The object of the present survey is "to determine with greater exactness the position of the North Magnetic Pole." It will also, it is stated, complete the first reliable magnetic charts of Canada's Arctic regions.

Magnetic observations will be taken from several islands lying between 70 and 80 degrees north latitude and between the 100 and 125 meridians of west longitude. Instruments designed by the leader of the magnetic party, Paul H. Serson, who took part in the expedition last year, will be used to assist in the charting of the pole's position.

Magnetic compasses never have proved an infallible guide to the pole. Anywhere near it, magnetic compasses are erratic and unreliable. The gyroscope is the only really satisfactory compass for navigation in Hudson Bay.

CLINTON

Annual Meeting October 7

The annual meeting of the Golden Rod chapter, Order of the Eastern Star, will be held Thursday evening, October 7, at which time there will be an election of officers. The supper will be pot-luck. At a recent meeting O. E. Priest and Roy Williams showed interesting pictures of the western states where they had visited.

Eugene Quigley of St. Ignace was a recent guest of his parents, Mr. and Mrs. E. R. Quigley.

Mrs. Emma Service has returned to her home in Detroit after visiting for two weeks at the home of her son, Charles Service and family, west of Clinton.

Mrs. Vivian Kendall has returned home after visiting friends in Grass Lake and Jackson.

Miss Agnes Johnson of South Bend, Indiana, was a Labor Day weekend guest of Miss Jennie Davis.

Miss Anna Martiny accompanied her sister, Mrs. Clara Conner, to Pontiac, where she is spending several days.

Mrs. Lydia Riopelle of Detroit is a guest of her sister, Mrs. Hattie Feldkamp.

Rural Schools Have Opened

Rural schools in the Clinton area opened this week. Teaching the schools are: Mrs. Alice Anglemyer, Lancaster; Mrs. Mary Knight, Lindsley; Mrs. Raeola Lasky, Centennial; Mrs. Marian Woodward, Newburg.

Superintendent W. D. Mosts suffered a heart attack while on vacation in Wisconsin. He is unable to have visitors.

Mrs. Emma Roberts has moved to the home of Mrs. Mable Ogden on Franklin street.

Run, Don't Walk

"So you studied music in secret."

"Yeah—piano."

"And then when you sat down at the instrument your friends laughed."

"Laughed? Oh, worse than that. They left."

SO SORRY, BUT ARMY-NAVY GAME IS ALREADY SOLD OUT

ANNAPOLIS, MD.—The Navy said as usual that its football classic with Army is in effect a sellout already.

Mailing out applications for tickets for the 1948 season, the Naval Academy athletic association omitted any for the Army game in Philadelphia November 27.

"This action is necessary," the association said, "because the number of tickets available is definitely limited and is not sufficient to provide undergraduates of the United States Naval Academy and other dues-paying members with more than a bare minimum."

In Character

The eminent alienist recognized the thug who was holding him up.

"Look here," he protested, "I'm your benefactor. Don't you recall that I once saved you from a life sentence by proving you crazy?"

"Sure, I remember you now," the thug said as he continued his work. "And ain't holdin' up your benefactor a crazy thing to do?"

Ordinary advice: If you really are very good in your line, keep your mouth shut—somebody will find out in time.

Cheerfulness, it is rumored, is largely a matter of one's income being above one's out-go.

Hugh H. Hanna, Township Clerk
Aug26-Sept1-8

Order Of Hearing—Claims

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County

At a session of the said court, held at the probate office, in the city of Adrian, on the 19th day of August, A. D. 1948.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of MARTIN GATT (also known as Gaedt), deceased.

IT IS ORDERED, that the 26th day of November, A. D. 1948 at ten o'clock in the forenoon, at the probate office in the city of Adrian, be and is hereby appointed for the hearing, examination and adjustment of all claims and demands against said estate; creditors of said estate are required to present their claims in writing and under oath to this court and serve a true copy thereof upon Glenn VanVleet, administrator of said estate, whose address is Britton, Michigan, not less than twenty days prior to the date set for said hearing.

IT IS FURTHER ORDERED, that notice thereof be given by publication of a copy of this order for three consecutive weeks, within thirty days from the date hereof, in the Tecumseh Herald, a newspaper printed and circulating in said county.

MAURICE E. TRIPP,
Judge of Probate

LEGAL NOTICE

PLEASE TAKE NOTICE: That a petition has been filed with the Council of the Village of Tecumseh to change the zoning classification of property hereinafter described:

Lots Ninety-nine (99), One Hundred (100), One Hundred One (101), and One Hundred Two (102), of the Assessor's Plat Number One (1) of the said Village of Tecumseh.

The change requested is from Residence B to Business A.

The property is bounded on the North by Water Street, on the East by Lots One Hundred Three (103), and One Hundred Four (104), Assessor's Plat Number One (1), on the South by Brown Street and on the West by Mill street.

A hearing on the above petition will be held at the Council Chambers on Monday, the Thirteenth day of September, A. D. 1948, at 7:30 o'clock in the evening of said day, at which time all persons interested therein may attend and may be heard concerning the application for change in classification.

Marvin Watkins,
Village President

Dated at Tecumseh this 20th day of August, A. D. 1948.

NOTICE

Sealed bids for the construction of WATER LINE EXTENSIONS INDIAN ACRES PEARL STREET—MAIDEN LANE TECUMSEH, MICHIGAN

will be received by the Village of Tecumseh, Michigan at the office of the Clerk in the Village office until

12 O'CLOCK NOON, EASTERN DAYLIGHT TIME
MONDAY, SEPTEMBER 20, 1948

and at that time and place will be publicly opened and read aloud.

The proposed work consists of laying approximately 3120 lineal feet of 6-inch water main with the necessary valves, hydrants, fittings, and appurtenances.

The Contract Documents including plans, specifications are on file in the office of the said Clerk and at the office of the Consulting Engineers, Finkbeiner, Pettis & Strout, 518 Jefferson Avenue, Toledo, Ohio, copies of which may be obtained by depositing $10.00 with said Consulting Engineers for each set so obtained. The amount of the deposit for one set of documents will be refunded prior to or at the time of opening of bids.

All bids shall be signed and submitted on the blanks which are in the specifications and shall be secured from the Consulting Engineers. Bids shall state the price for materials and labor separately on the blanks provided therefor, shall be enclosed in sealed envelopes marked "Bid for Water Line Extensions," and addressed to the Village of Tecumseh, Michigan.

Each bid must contain the name of every person, firm or corporation interested in the same, and be accompanied by a bond to the satisfaction of said Clerk or a certified check on a solvent bank, in the sum of 5% of the amount of the bid, made payable to the Village of Tecumseh, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

The Village reserves the right to reject any or all bids and to waive any irregularities in bidding.

No bidder may withdraw his bid for a period of 30 days after the scheduled time for the receipt of bids.

By Order of the Council of the Village of Tecumseh, Michigan.
Wade L. Jones, Clerk

Sept. 16

Village of Tecumseh Council Building August 31, 1948

Present: President Watkins, Trustees McCombs, Driscoll, Beach, Porter, Mensing.

Absent: Ousterhout.

The plat of "Herrick Park" number four, was presented for approval. Motion made by McCombs, supported by Beach, that plat as offered be accepted and approved, that streets be properly graded and graveled, that all improvements be carried out according to contract heretofore agreed upon, and that clerk be authorized to sign the same. Ayes: Beach, Driscoll, McCombs, Porter, Mensing. Nays: None. Motion carried.

The plat of Moore's Second Addition to "Indian Acres" was presented for approval. Motion made by Porter, supported by Beach that plat as offered be accepted and approved, that streets be properly graded and gravelled, that all improvements be carried out according to contract heretofore agreed upon, and that clerk be authorized to sign the same. Ayes: Beach, Driscoll, McCombs, Porter, Mensing. Nays: None. Motion carried.

President Watkins appointed Frank Kenneth Dawson, Village Engineer at salary of $200.00 per month, with allowance for car of seven cents ($.07) per mile, and allowance for meals and lodging when on Village business. Two weeks vacation with pay for Engineer and Assistant Engineer upon completion of one years service. One months notice in event of termination of service to be given by either party. Moved and supported that appointment and agreement be confirmed. Ayes: Beach, Driscoll, McCombs, Porter, Mensing. Nays: None. Motion carried.

On Motion, Council adjourned.

Marvin Watkins,
President
Wade L. Jones,
Clerk

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for said County

At a session of the probate court for the county of Lenawee holden at the probate office in the city of Adrian on the 1st day of September in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E TRIPP, Judge of Probate.

In the matter of the estate of MARY SPENCE, Deceased.

On reading and filing the petition of Floyd E. Spence, Sr. administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 27th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-THREE | TECUMSEH, MICHIGAN, SEPTEMBER 16, 1948 | FIVE CENTS PER COPY

C. OF C. BOOSTS SAFETY PROGRAM

Running Boy Signs Warn Drivers

With the Tecumseh schools now in full time operation, careful attention is being given to the safety of the students in the schools, on their way to and from school, and in the homes.

School officials met last week with the safety committee of the Chamber of Commerce, Leo Smith, chief of the Tecumseh police, and representatives of the Junior Chamber of Commerce, to lay out plans for the season's program.

"Running Boy" signs, provided by the Village of Tecumseh, warning motorists of school locations, are placed in the streets wherever the width permits at the times when students are going to and from school. Student safety patrols are organized and guide the students at the busier intersections near the schools.

Some safety inspection blanks are being taken home this week and Chief Smith is to address an assembly of students on general safety rules and practices.

A general program of student safety activities is being developed by D. C. Smith, elementary schools principal. Parents and the general public are asked to give full cooperation.

Local Gridders Start Training

DUVALL PUTS SQUAD THRU PACES IN PREPARATORY TO LAMBERTVILLE GAME

With eight lettermen back in uniform and with 53 boys reporting for regular practice, Coach E. E. Duvall of Tecumseh high school is putting his squad through its paces preparatory to the first scheduled football game of the season with Lambertville, there, on September 24.

"I'm not doing any early forecasting because I haven't had an opportunity to scout any of the other teams," Coach Duvall said today, "but I'm certain that Tecumseh will furnish plenty of competition for all of its opponents." Coach Duvall is new here this year, coming to Tecumseh from Detroit.

The lettermen back on the string this year are John Underwood, fullback; Duaine Murphy, all county center last year; Don Van Camp, tackle; Bill Martin, quarterback; Bob Rentschler, guard; Jack Gillen, halfback; Mel Murphy, half-back; Richard Bishop, guard and tackle. It will be around this group that Duvall will build his 1948-49 team.

Duvall said that 53 boys have reported for scrimmage and that some of them are working diligently for first-starting positions. Tecumseh will have a reserve team this season, directed by David Dick. The reserves will play a six game schedule.

The schedule for the varsity squad follows:

Sept. 24—Lambertville, there.
Oct. 1—Hudson, there.
Oct. 8—Clinton, there.
Oct. 15—Pittsfiel, here.
Oct. 22—Dexter, here.
Oct. 29—Morenci, here.
Nov. 5—Petersburg, there.
Nov. 12—Hillsnield, here.

All home games will be evening games, played under the lights.

Leland W. Heidenreich, Former Resident, Dies

Funeral services were held in the Horne Funeral Home in Jackson Saturday, September 11, at 2 p.m., for Leland W. Heidenreich, who died of a heart attack early Thursday morning. He was the brother of P. G. Heidenreich and the son of Mrs. Rosina J. Schreder.

Mr. Heidenreich, known to his friends as "Heinie," was born in Tecumseh November 1, 1892, the youngest son of the late Albert G. Heidenreich and Mrs. Schreder. He attended Tecumseh public schools and in 1913 went to Jackson and has since been associated the The Kantlehner, Inc., a jewelry firm of which he became president five years ago.

Besides his mother and brother in Tecumseh, he is survived by the widow, Jeanette, one son, Jack C. of Jackson, and one niece, Mrs. Carl L. Stevens of Tecumseh. He was past president of the Southern Watchmakers Guild of Michigan and a member of Jackson Masonic Lodge No. 50.

Those attending the funeral from here were Mr. and Mrs. P. G. Heidenreich, Mrs. Rosina J. Schreder and Mr. and Mrs. C. L. Stevens.

HELP WANTED

We have room in our organization for one or two more mechanics. Also, opening for someone desiring to learn mechanics trade. See Mr. Butler at Butler Motor Sales.—Adv. 816

Girl Scout Assn. To Meet Friday Evening

A combined meeting of committee women, leaders and co-leaders of the Tecumseh Girl Scout Association will be held at the high school, Friday evening, September 17, at 8 o'clock, at which time Mrs. William Townley of Brooklyn, area consultant, will be present to discuss the Girl Scout program. When the Association met last week Wednesday, Mrs. Townley gave an enlightening talk on the same subject, and all of the aforementioned women are urged to attend tomorrow evening.

At last week's meeting it was voted to purchase a spread eagle and trefoil for one set of flags to be used in parades and courts of honor. The resignation of Mrs. W. G. Porter as an Association officer was accepted. Some 40 members were in attendance.

Local Entrants Win Show Honors

4-H CLUB MEMBERS FROM THIS AREA PLACE AT STATE COLLEGE EXHIBIT

Several 4-H club members from Tecumseh and vicinity took top honors at the state 4-H club show held recently at Michigan State College at East Lansing. There were several thousand exhibits from clubs all over the state.

Purnell Osburn of Tecumseh and Virgil Bortel of Britton were two of four leaders to have received special recognition for outstanding service for ten or more years.

William Weitenhagen, of Adrian, Route 4, won the state 4-H dairy judging contest and will be one of a team of three to represent Michigan at the national dairy judging contest to be held at Waterloo, Iowa, in October.

William Dean of Ridgeway showed the grand champion Jersey bull. Bill Brown of Tecumseh placed second in the 2-year-old Jersey heifer class and James Dean of Ridgeway placed second in the junior yearling heifer class.

In the Guernsey show Bruce Baker of Tecumseh exhibited the junior champion and took first place in the senior yearling heifer class. Jerry Eaton of Tecumseh showed the grand champion Ayrshire and also placed first in the two-year-old heifer class.

With his Shorthorn heifer Wesley Exelby of Britton won the grand championship in the beef cattle division.

Howard Pennington of Britton took first place with his ewe lamb in the Shropshire sheep flock division.

In displays which were judged on the A, B, C basis, Alfred Comfort of Tecumseh placed A in handicraft and Marian Comfort was given an A in clothing.

Parents To Aid Church Program

PRESBYTERIANS PREPARE TO LAUNCH NEW CHRISTIAN EDUCATION PLAN

In union with all Presbyterian churches throughout the country, the Presbyterian Church of Tecumseh will embark on its New Curriculum on Sunday, October 3. Entitled "Christian Faith and Life, a Program for Church and Home," an entirely new departure in Christian education is under way. Through it parents will play a major role in teaching the Christian faith to their own children.

Resulting from a growing conviction of educators that any form of Christian education that bypasses the home has little lasting value, parents will be given a long-neglected opportunity. Mrs. Wade Hendershot, the superintendent, has put it this way: "It is unrealistic to suppose that one hour of training a week in Church School can fully train a child to grow in wisdom and stature, and in favor with God and man. That must happen in the home."

The Curriculum will fall into a three-year cycle, the first year consisting of a study by all departments of the Life of Christ; the second year, the Bible as a whole; the third year, the Christian Church. Thus, the pupil beginning this year in the Beginner's Department will, by the time he has completed the four departments, have studied the three above subjects at four different age levels.

Parents of pupils will receive quarterly magazines outlining the

(Continued on Page 6)

Students Will Get 2-Day Fair Holiday

Johnnie and Mary are going to the fair.

There'll be no "skipping" or "cutting" of classes in the Tecumseh public schools this year as a result of the Lenawee County Fair next week at Adrian.

Supt. Earl H. Place announced today that school would adjourn next Wednesday afternoon for a long weekend, giving students Thursday, Friday and Saturday for the fair.

Braves To Play Monroe, Sept. 18

KICK-OFF AT 9 P.M., UNDER LIGHTS; HOLD BAY CITY TO 2 TOUCHDOWNS

The Tecumseh Braves, the new local independent semi-pro football team, opened its 1948 season, Sunday afternoon at Recreation Center, bowing to the powerful Bay City All-Stars by a score of 13-0, before a crowd of some 2500 fans. The game was also the first of the season for the visitors.

The first quarter was almost even with Tecumseh penetrating to the All-Stars 19 yard line on pass interception by Bob Baker. There was no scoring in the first quarter as Tecumseh lost the ball on downs.

The second quarter opened with Bay City on the march. The All-Stars moved from their own 33 to the Tecumseh 12 in six plays. On a straight buck, the All-Stars scored. The kick for the extra point was missed and after the kickoff, the Braves tried to score but were held to the end of the half.

In the third quarter Bay City blocked Baker's kick on the 40 yard line and the All-Stars recovered there. In successive play, the All-Stars moved to a first down on Tecumseh's four yard line. In two plays Bay City scored. The kick was good, as was the score, 13-0. There was no further scoring in the game.

Tecumseh tried to break through for a score in the fourth quarter. With Baker passing to Purkey and Hough, the Braves moved to the All-Stars 38 when the game ended. The All-Stars had 8 first downs to the Braves six.

Saturday evening, September 18, the Braves play the Monroe Athletic's Club at 9 p.m., under the lights at Recreation Center.

Sunday's line-up was as follows:

Tecumseh

LE, Don Purkey; LT, Bob Laidlaw; LG, Bill Tilton; C, D. Carpenter; RG, Wayne Hicks; RT, Roger Williams; RE, Merrick Hough; QB, Jack Osburn; RH, Jack Curtiss; LH, Bob Baker; FB, Lynn Reese.

Substitutes

C, Williamson; QB, Jim Osburn; QB, Bob Aten; G, Jack Hadley; T, Dob Dinse; C, Bill Pagel.

Bay City

LE, Don Glowicki; LT, Bob Anderson; LG, John Wolfe; C, Jerry Greenwood; RG, Earl Northaup; RT, Mike Kazyak; RE, Paul Paueglio; QB, Jim Butler; RH, Don Earl; LH, Bob Heinz; FB, Jerry Rose.

Capacity Audience At New Organ Dedication

A capacity audience at the Baptist church Sunday evening enjoyed the organ concert by J. W. Zimmerman of Jackson, this concluding the dedication services of the new Hammond electric organ purchased with a bequest by the late Mrs. Lena B. Wells and other members of the VanValkenburg family who contributed sums of money and much labor.

An organist with outstanding ability, Mr. Zimmerman included selections in the recital such as "Trees" by Rasbach; "Parade of the Wooden Soldiers" by Jessel; "The Bells of St. Mary's" by Adams, in which the chimes were played very effectively; "Ave Maria" by Schubert and "Clair de Lune" by Debussy.

During the morning church service, Rev. B. O. Bashore conducted the dedication service, which was WABJ. Mrs. Kenton Hunt, church organist, played the dedicatory number "Evening Bells and Cradle Song."

During the past few weeks the old organ was removed and the choir loft redecorated.

NOTICE

Saturday, September 25, is the last day for collection of village taxes at the United Savings Bank, 9 a.m. to 3 p.m.

Chas. Fay, Village Treasurer
823

Rotary Speaker

Gen. Ralph Royce

Royce Believes Russia Bluffing

RETIRED GENERAL SEES EDUCATION AS HOPE FOR PEACE WITH SOVIET PEOPLE

Russia is bluffing. The Kremlin is not anxious for war and the greatest aid to permanent peace with the Soviet is the education of its people, Maj. Gen. Ralph Royce, retired, declared when he spoke to the Rotary Club, Tuesday evening, following dinner at Brees House. Gen. Royce also spoke to a high school assembly earlier in the afternoon and then made a complete inspection of Tecumseh's industrial expansion.

Gen. Royce, now executive director of the Michigan Department of Economic Development, is a graduate of West Point. He was the first American aviator to fly across German lines in World War I and he led the first attack on Japanese installations in World War II. He directed campaigns from Britain, the desert of North Africa and the southwest Pacific, receiving many citations. He also is a former commander of Selfridge Field.

The General is well qualified to speak on European affairs. He was in command of all American troops in the middle-western theatre, and served as deputy commander of the entire Allied Air Forces.

Lend-lease, the general thinks, has done and will do very little to influence the Soviet attitude toward America. The thing that will influence, however, is the education of the Soviet people, teaching them the American way of life and the benefits of democracy. The institution of colleges in Russia, he says, should be encouraged.

Under Royce's direction, the state development department has taken an active role in attracting new industry to Michigan, providing service for firms now located in the state, and working with civic groups and regional planning agencies.

The department was established to serve as the official state chamber of commerce, coordinating all government agencies and serving as a clearing house for information concerning industrial development.

Officers Are Named By Legion Auxiliary

Mrs. Joseph Russell was elected president of the American Legion Auxiliary when that organization met at Mrs. Louis Schneider's cottage at Wamplers Lake, Monday evening. Other officers presented by the nominating committee and elected are: first vice president Mrs. Ned Rosacrans; second vice president, Mrs. Laine Holden; secretary, Mrs. Dale Tingley; assistant secretary, Nerissa Fosdick; treasurer, Mrs. Ken Herrick; chaplain, Mrs. Charles Osburn; historian, Mrs. Fred Marsh; sergeant at arms, Mrs. Bob Lowe; junior past president, Mrs. Hal Lewis; executive committee for three years, Mrs. Al Bagshaw; two years, Mrs. Marvin Watkins and for one year, Mrs. Percy Bowen. These officers will be installed October 4 by the district president, Mrs. Gertrude Nichols of Ann Arbor.

An exchange and baked goods sale was discussed and it was voted to send a sum of money to the veterans hospital at Battle Creek for cigarettes. Mrs. Laine Holden and Mrs. Schneider gave interesting reports of the state convention held recently at Grand Rapids.

NOTICE

Rummage sale, Friday and Saturday, September 17 and 18, at Schneider Bros. show room. Bake sale Saturday, 10 am. St. Peter's Lyster League. Members bring rummage to show room tonight at 7:30.—Adv. 816

Michener Winner In 4-Way Race

CONGRESSMAN NOMINATED BY 2-1 MAJORITY; SHERIFF RACE IS CLOSE

Earl C. Michener, veteran member of Congress from the Second District, won an easy nomination over his three Republican opponents when electors went to the polls, Tuesday. Cong. Michener rolled up a two-to-one majority over his contenders, virtually assuring himself of re-election in the November balloting.

Lenawee county cast an "about normal" vote on Tuesday and the closest race for any of the Republican offices centered around Elmer Bringman, Robert C. Stites and Wade Willett, seeking nomination as county sheriff. Unofficial returns gave Mr. Willett, former undersheriff, a vote of 2,041, Mr. Bringman, the present sheriff, 2,024, and Mr. Stites, Adrian police lieutenant, 1,955. Students of politics said yesterday that a canvass of these returns might change the vote slightly and it may be several days before the official count will be announced.

The contest between Yale L. Kerby, a young Republican Tecumseh student at Michigan State College, and Republican Senator Elmer R. Porter of Blissfield, seeking renomination, was by far, one of the strongest magnets attracting electors to the polls here. Mr. Kerby, a pre-law student, staged an intensive summer-long campaign in the 19th district and gave Mr. Porter one of the stiffest contests in his political memory.

In the final tabulation, Senator Porter defeated Kerby by about a three to two margin. Locally, however, Kerby was an easy victor, polling 262 votes to Porter's 160. Lenawee and Monroe counties comprise the 19th district and in Lenawee Porter polled about 3,600 votes to Kerby's about 2,100. In Monroe county, Porter's vote was about 1,930 to Kerby's 1,305. Kerby carried Monroe city, Porter getting its strength in rural areas. Porter carried 11 precincts in Lenawee county except Tecumseh and Addison.

The only other race on the Republican ticket was for the office of coroner. Ed M. Braun and Paul Mott, both of Adrian, seeking renominations, were opposed by Franklin Lennox. The incumbents proved easy victors over Mr. Lennox.

About 8,000 votes were cast in Lenawee county, considered to be "about normal" in a primary. State-wide, however, voting was very light, in fact so light that many candidates worried seriously when there was opposition.

Tecumseh's vote definitely was far from normal, only 532 electors going to the polls. Normally, in a primary, this township casts between 800 and 900 votes. The fact, however, that there was no contest for the Republican governor nomination in this traditionally solid G.O.P. district, caused electors to lose interest.

Gov. Sigler, of course, won an unopposed Republican renomination as did Eugene Keyes, lieutenant governor. Homer Ferguson was unopposed for renomination as Republican United States Senator.

Contests on the Democratic ballot also failed to attract, and in Tecumseh township only 54 Democratic votes were cast in the 3-way governor nomination contest. Tecumseh favored Victor Bucknell with 26 votes, gave Burnett Abbott 16, and G. M. Williams, 12. Likewise, Democratic contests for lieutenant governor and representative in Congress aroused little enthusiasm.

John C. Truesdale, Tecumseh monument manufacturer, was unopposed for the Democratic nom-

(Continued On Page 6)

D. A. R. To Hold First Meeting, September 10

The first meeting of the Abi Evans chapter, D. A. R., was held at the summer home of Mrs. R. S. Moore at Sand Lake, September 10. In the absence of Mrs. D. F. Wright, regent, Mrs. Louis Schneider presided. Reports were given by the various committees and an invitation to attend the regional conference at Hillsdale, September 16, was read. Miss Ethelyn Garinghouse, program leader, presented Miss Edith Ingersoll, who gave an interesting talk on early history of Tecumseh.

Tea was served to twenty-four members and one guest, Miss Mable Durfee of San Jose, Calif. The next meeting will be a guest tea at the home of Mrs. Charles Branigin.

MacNaughtons To Be Honored Here, Sunday

The Woman's Society of Christian Service of the Tecumseh Methodist church will entertain at a reception on Sunday evening, September 19, from seven until nine o'clock, honoring Dr. and Mrs. Norman MacNaughton. Dr. MacNaughton has served the church longer than any other pastor and is now beginning his seventh year. An informal program is being planned by Mrs. Ellsworth Collins and Mrs. Wilfred Waldron.

All Methodist families and their friends are invited. The reception will be held in the social room of the church. Miss Vera Gilbert will have charge of the arrangements for the refreshment table.

Permit Needed For Excavating

COUNCIL ACTS TO CONTROL EXCAVATION WORK IN THE STREETS AND ALLEYS

The village council acted Monday night to put an end to hit-and-miss digging and excavating in the public streets and alleys of Tecumseh when it enacted an ordinance making it a misdemeanor to do such work without first obtaining a permit. Violations of the ordinance are punishable by a $100 fine or 90-day jail sentence.

The ordinance, given immediate effect, provides that henceforth it is necessary to obtain a permit from the village engineer for all street digging and excavating, and that such work must be done under the engineer's supervision.

The village recently experienced difficulty at the intersection of Evans and Pottawatamie street when contractors, excavating for a sewer main, accidentally struck and broke a water main.

The council set Monday evening, September 20, as the date when it will hand down a decision on the petition of Howard Truesdale who is seeking to rezone four lots on North Evans street, changing them from residedal to business property. The petition was read Monday night and 34 residents opposed the change, and 70 favored it. The council took the matter under advisement until next Monday.

Current reports of department heads and committees were read and placed on file and bills were audited and ordered paid.

Friends Plan For Rally Day

SPECIAL PROGRAM WILL BE PRESENTED AT CHURCH HERE NEXT SUNDAY

Rally Day will be observed at the Tecumseh Friends church next Sunday September 19. During the morning service at 10 o'clock there will be special music and the Rev. Edward Escolme will deliver the sermon.

Mrs. Pearl Powers will present a lesson by flannelgraph during the Sunday school hour at 11 a.m. The entire offering at this time will go into the church building fund, as has been the custom of the church, on the third Sunday of each month, for many years. It is hoped the record attendance of 183 persons can be exceeded, Sunday and Ralph McCarbery, superintendent, is urging all members and friends to attend. Souvenir Rally Day tags will be given to all present and other souvenirs will be presented to all those who bring guests.

At the evening meeting at the church, Mrs. Powers will again bring an evangelistic message by flannelgraph.

Work on the addition to the church is progressing and it is possible that all the work on the outside will be completed before winter. It was said the work on the inside would continue as the funds come in, but to finish the outside some $1,900 is needed. This amount will cover the cost of the new chimney, balance of the siding, painting, etc.

The Welcome Class of the Sunday school, which is composed of the young married people, has purchased a new lighted sign for the church, and a dedication service for this will be held soon.

TEACHER RECEPTION PLANNED BY P. T. A.

The Parent-Teachers Association will hold a reception for all the school teachers this (Thursday) evening at the high school at 8 o'clock. All parents are invited to meet the old teachers as well as the new. Mrs. Ray Sluyter will have charge of the informal program, after which refreshments will be served.

953 Enrolled In School Here

THREE CHURCHES; LIBRARY ACCOMMODATE OVERFLOW IN ELEMENTARY GRADES

With the heaviest school enrollment in Tecumseh's history—953 students from kindergarten through the 12th grade—local churches and the public library are housing some 125 youngsters in elementary grades, branch buildings are buzing and, perhaps, the end is not yet.

School opened for registration last week Wednesday. At that time 931 were enrolled. In the past week, 22 more registrations were taken and it is not impossible that a few more will register within the week. Whether the total enrollment will hit 975 or 1,000 is problematical.

The sharpest up-turn in registrations came in the kindergarten, with 99 children in four classes. Kindergarten, on a half-day schedule, is being held in the West Branch and in the Brownville school. There are 80 kindergarteners at West Branch, 19 at Brownville.

Mixed second and third grade classes are meeting at the Baptist church with 34 enrolled. In the Presbyterian church, 31 fourth graders are attending classes. At St. Peter's church, 38 third graders are receiving instruction. A third grade group of 34 students meets at the public library.

At Brownville, 20 first graders and 19 kindergarteners get instruction and at West Branch there are 80 in the kindergarten class, 34 in the first grade and 32 in the second grade. East Branch lists 31 first grade and 35 second grade students.

Central Building houses 557 students, divided as follows: 43 twelfth graders; 58 eleventh graders; 82 tenth graders; 72 ninth graders and 54 eighth graders. There are 66 students in each of the fourth, sixth and seventh

(Continued On Page 6)

Homecoming Services At Iron Creek Church

Homecoming services will be held at the Iron Creek church next Sunday, September 19, commencing with the morning worship hour at 10:30, at which time there will be special music by the choir and the sermon by the pastor. Bible School will be at 11:30.

Following these services there will be a potluck dinner and a renewing of old acquaintances. Included in the afternoon service at 2 o'clock will be special music by Forrest Cook and his "Old Meeting House Quartet." Rev. Edward Escolme, pastor of the Tecumseh Friends church, will be the guest speaker. The new organ will be dedicated and a painting, "Christ The Good Shepherd," a gift to the church from Mrs. Mina Trolz, will be unveiled.

The evening youth service at 8 o'clock will conclude the day's events. At this time there will be special music and a temperance motion picture will be shown under the auspices of the W. C. T. U.

The public is invited to attend the services.

ADRIAN WOMAN FINED IN TRAFFIC CASE

Hazel B. Lassey, Adrian, drew a $3 fine and $2 costs when she pleaded guilty in Justice F. C. Hanna's court this week to a charge of failing to stop her car at a stop street. Mrs. Lassey was given a ticket by police last Saturday afternoon after her car and a car owned by Marion Murphy of Onsted, and driven by Roderick Welch, collided at the intersection of Maiden Lane and Logan street. Both cars were damaged.

Others in Justice Hanna's court this week were: Franklyn Dunbar, who paid a $25 fine and costs of $3.35 on a reckless driving charge. Ferris Baker, $2 fine and $1 costs for failing to observe a stop sign, and Hands McLund a $5 fine and $3.35 costs for speeding.

TELEPHONE COMPANY INCREASES SERVICE

Another position on the 3-position switchboard now in use at the Michigan Associated Telephone Company's offices here will be installed and ready for service about the end of this month, Ernest Green, commercial manager said today.

This will enable the company to serve 120 more village residents and 20 more rural residents, he said. In addition, it will greatly speed up local service, making possible four operators on the board at all times instead of three, as it now the case.

THE MEANING OF AMERICA

Herbert Hoover, in a talk made in the little town of West Branch, Iowa, where he was born, gave one of the finest expressions ever made of what this country stands for.

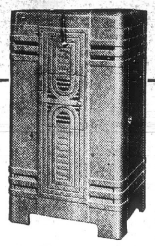
"America means far more than a continent bounded by two oceans," he said. "It is more than pride of military power, glory in war, or in victory. It means more than the vast expanse of farms, of great factories or mines, magnificent cities, or millions of automobiles and radios. It is more even than the traditions of the great tide westward from Europe which pioneered the conquest of a continent. It is more than our literature, our music, our poetry . .

"The meaning of our word 'America' flows from one pure spring. The soul of our America is in its freedom of mind and spirit in man. Here alone are the open windows through which pours the sunlight of the human spirit. Here alone is human dignity not a dream, but an accomplishment."

Those who attempt to interpret the greatness of this country in purely material terms are blind to the basic truths. Other nations possess resources which are comparable to ours. We have no monopoly on intelligence, on knowledge, on energy, on the potential ability to create and build. But here, alone of the great powers of the modern world, we have maintained the right of the individual to do whatever he pleases within the framework of the law. We have said, in effect, that the man controls the state—and the state does not control the man.

This has been one of the greatest achievements in the whole vast sweep of recorded history. Yet we must never forget that freedom must always be guarded and defended if it is to live. Elsewhere in his address, speaking of his boyhood, Mr. Hoover said, "In those primitive days, social security was had from the cellar, not from the Federal government." The most dangerous tendency of our times lies in our ever-increasing dependence on government. When we buy a dubious "security" at the price of loss of personal liberty, we are following the same old downhill path that has led to oppression and dictatorship throughout the world.

The real American values are spiritual. All our other values, like all our wealth and power, stems from them alone. They have sustained us in every period of adversity, ranging from disastrous depressions to terrible wars. And in those values, based as they are upon the dignity and rights of man, we can find the real meaning of America.



ECONOMY SPECIAL!

Model 712

A FULL-SIZE DUO-THERM HEATER

FOR ONLY $ 99.95

Full 14-inch Burner—53,000 BTU output

This big, handsome circulating heater gives you Duo-Therm's famous performance features *at a new low price!*

INSULATION Pays For Itself

Before Winter sets in and zero temperaturesa arrive, put your house in order by having it insulated. Insulation pays for itself . . . through reduced fuel costs. It makes your house warmer in winter, cooler in summer. And, surprising as it may seem, its inexpensive.

Don't Neglect Your Roof---It's The Most Important Part Of Your House

You still have time before the weather gets bad to repair or replace the roof on your house or other buildings. We have the finest in roofing materials . . . the kind that give long-lasting satisfaction.

We'll be happy to estimate the cost of doing your job. Call at any of our yards, in Tecumseh, Clinton, Britton or Dundee.

CLINTON

Feeney-Gray

Miss Hope Catherine Gray, daughter of Mr. and Mrs. Leonard T. Gray, and Joseph Michael Feeney, son of Mr. and Mrs. Chas L. Feeney of Newport, R. I., were united in marriage during a double ring ceremony at St. Dominic's Catholic church, Saturday morning. At 10 o'clock the Rev. Fr. William McGoldrick officiated at the nuptial mass, before the altar and chancel decorated with white gladioli.

Miss Joyce Brighton of the Irish Hills accompanied Wallace Whiting of Tecumseh when he sang "Panis Angelicus," "Ave Maria," and "On This Day, O Beautiful Mother."

The bride, given in marriage by her father, was lovely in a white satin gown featuring a high neckline and deep illusion yoke. The skirt was fashioned with a smart bustle and train and her fingertip veil was draped from a cap of net embroidered with pearl clusters. Her bouquet was of white chrysanthemums centered with roses.

As her sister's only attendant, Miss Nancy Jean Gray of Ypsilanti wore light blue taffeta and carried yellow chrysanthemums.

Edward Cullen of Jackson assisted his cousin as best man and the ushers were Lynwood Gray of Grand Rapids, brother of the bride, and her brother-in-law, Cletus Merillat of Adrian.

A wedding breakfast was served for 35 persons at Bauer Manor at Evans Lake after the ceremony and a reception in the afternoon was at the same place.

Upon their return from a trip to Indiana, the couple left for Newport, R. I., to make their home. Mr. Feeney is employed by the New England Telephone Company there. Mrs. Feeney is a Clinton high school graduate.

Officers Named

Mrs. Dorothy Frolich was elected president of the American Legion Auxiliary at a recent meeting. Other officers named are as follows: first vice president, Mrs. Margaret Garrison; second vice president, Mrs. Donald Feldkamp; secretary, Mrs. L. K. McIntyre; treasurer, Mrs. Vance Ogden; chaplain, Mrs John Feldkamp; sergeant-at-arms, Mrs. Maurice Heath. The nominating committee was composed of Mrs. John Feldkamp, Mrs. L. K. McIntyre and Mrs. George Bowman.

Auxiliary Busy On Book

Members of the Veterans of Foreign Wars Auxiliary are busy collecting material for a book of memoirs of World Wars I and II. Mrs. Harry Werth of 122 Tyrell street, is in charge of publication and pictures and service records of all veterans, both men and women, are requested to be mailed or given to her.

Recent guests of Miss Ada Quinn were Mr. and Mrs. Hoyt Muffitt of St. Petersburg, Fla.

Mr. and Mrs. Edward Judge and sons have returned home after vacationing for the summer at Wamplers Lake.

Seaman James Bellmore has returned to the Great Lakes Naval Training Station at Great Lakes, Illinois, after spending a ten day leave with his parents, Mr. and Mrs. Robert Bellmore and family.

Recent guests of Miss Jennie Davis were Mrs. Frank Everett of Jackson and Mrs. S. R. Arbogast of Grand Rapids.

Lucy Jedele, 11-year-old daughter of Mr. and Mrs. Rubin Jedele, was removed to University hospital, Ann Arbor, Friday, after X-rays taken at Tecumseh hospital, revealed a fissile joint in her hip. Lucy had fallen while roller skating.

Mr. and Mrs. James Cullen, Mr. and Mrs. Charles Feeney and son Joseph and Miss Hope Gray were guests of Mr. and Mrs. Edward Cullen in Jackson Thursday evening in celebration of the latter's second wedding anniversary.

Mr. and Mrs. Milton Kiebler of New York City are guests of his parents, Mr. and Mrs. A. M Kiebler.

Mr. and Mrs. C. C. Coon are on a motor trip through northern Michigan.

Mrs. Robert Pardee and son and Mrs. W. J. Cey are spending a few weeks in Gaylord.

Mrs. W. W. Steel suffered bruises on the face and knees when she fell in the shopping district recently.

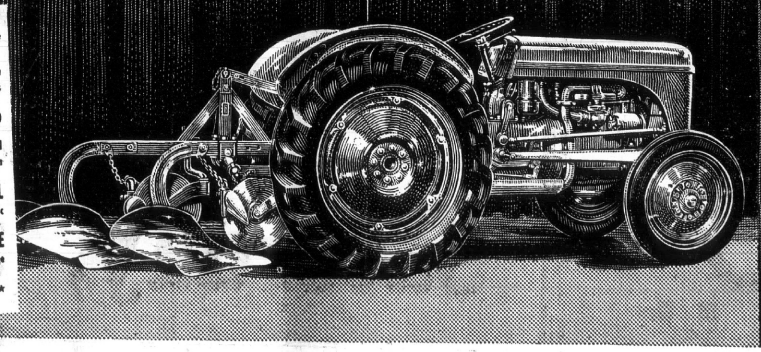
The curtain rises on
THE NEW FERGUSON TRACTOR



MORE POWER—Continental valve-in-head engine

MORE SPEEDS—Quiet, constant-mesh transmission with 4 forward speeds

AUTOMATIC HYDRAULIC OVERLOAD PROTECTION—Protects both tractor and implement if implement strikes an obstruction

HYDRAULIC IMPLEMENT CONTROL—Both finger tip and automatic

FRONT WHEEL TREAD ADJUSTABLE—Without adjusting steering linkage

★ No other tractor combines ALL these features ★

Beginning . . . another great era in power farming!

A Great New Farming Machine to help you cut the costs of food production still more! A powerful, rugged tractor with many new high-performance features designed from the experience of over 300,000 Ferguson System users. Stepped-up power lets you walk away with two 14-inch plows—with reserve for the tough spots. You can brake both wheels with a single pedal, or use the individual brake pedals for turning. And many other improvements for greater safety, economy and convenience.

A Miser on Fuel! Powerful Continental valve-in-head engine, combined with the weight-saving and automatic traction control of the Ferguson System, gives you more work from a gallon of fuel than you ever dreamed possible! High-torque design to give you amazing lugging power at low engine speeds. Responsive governor, fully enclosed from trash and dust. High-efficiency cooling fan and removable "wet" sleeves with full-length water circulation. An engine built to "take it!"

A New System for Low-Cost Hauling with revolutionary method of linking trailer to tractor. With this new Ferguson System of transportation you can haul loads of 3 tons or more out of soft fields, up steep grades, on slippery roads or over rough ground. On countless farms, located at average local market distances, this latest Ferguson invention slashes costs of hauling farm products—a revolutionary new solution to your farm transportation problems.

Only the Ferguson System, invented, perfected and patented by Harry Ferguson, and authorized *only* for use in the new Ferguson Tractor, gives you *all five* of these big advantages: 1. Penetration without excessive implement weight. 2. Both finger tip and automatic hydraulic depth control. 3. Traction without excessive built-in weight. 4. Keeps the tractor's front end down. 5. Automatically protects both implement and tractor when the implement strikes an obstruction.

NOW ON DISPLAY!

Annual Flower Show Held

The Franklin Garden Club held its annual Flower Show and tea at the K. of P. hall Tuesday afternoon. Ribbons were awarded for miniatures, both colonial and modern; gladioli, specimens, house plants, novelty arrangements and fruits and vegetables. Tea was served by Mrs. Grover Swarts, Mrs. Karl Listman, Mrs. Lester Baker and Mrs. William Grigg.

The Pentecost Extension Club met Thursday evening with Mrs. Ellen Scheuerman. Mrs. Floyd Preston was the associate hostess. Instructions on making sock dolls was given by Mrs. Preston and Mrs. Della Gibbs.

Mr. and Mrs. Lester Baker attended the wedding of Miss Virginia Hitchcock at Sandusky, Ohio, Thursday.

Mr. and Mrs. Charles Driffill have moved to the house which was recently vacated by Mr. and Mrs. Richard Sherman. Mr. and Mrs. Harvey Smith and daughters of Furgus Falls, Minn., moved into the Driffill home, which they purchased.

Mrs. Meriam Dickerson of Toledo has returned to her home after being the guest of her brother and wife, Mr. and Mrs. F. N. Baldwin, for several weeks.

Mr. and Mrs. John Cook and Mr. and Mrs. H. G. Daniels have returned home after a ten-day vacation in Rogers City.

ONSTED

Glen Dale Hunt and Carmen Carpenter left this week for Bible colleges, Mr. Hunt at King's College, Deleware, and Mr. Carpenter at Northwestern Bible Institute at Minneapolis, Minn. Members of the Onsted church honored the two students at a dinner last Sunday.

Mr. and Mrs. A. B. Kidney are the guests of her brother and family, Mr. and Mrs. Orren Short at Grand Forks, N. D.

Recent guests of Dr. and Mrs. Philip Sayre were Frank Scott, Mr. and Mrs. Joseph Galboe and son Peter, Mr. and Mrs. George Mancuso and son Frank and Miss Anne Music of Buffalo, New York.

Some 424 pupils have enrolled in the grade and high schools at Onsted. 211 enrolled in the grades, 59 in the seventh and eighth grades and 154 in the high school.

A special meeting of the Happy Rebekah lodge was held Tuesday evening, at which time a Rebekah Assembly officer was present. A potluck supper was enjoyed.

Born, Friday, September 10, to Mr. and Mrs. Harold Sackett, in Adrian Bixby hospital, a son.

From where I sit ... by Joe Marsh

"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattlemen and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get together now and then for a barbecue and a friendly glass of beer."

And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

Joe Marsh

Home Safety Is Theme of C. of C.

PUBLIC SCHOOLS AND POLICE DEPARTMENT COOPERATE IN PROGRAM

Home safety is being stressed this week in Tecumseh by the schools, the police department, and the Junior Chamber of Commerce.

"The popular notion that we are 'safe at home' is not supported by facts," stated A. W. Porter, chairman of the Safety Committee of the Tecumseh Chamber of Commerce. "According to figures from the National Safety Council, more people are killed or injured in their homes or on their home premises than any other place.

"For example," continued Mr. Porter, "32,000 persons are killed annually at home. 130,000 more are permanently injured, and 4,750,000 are maimed, disfigured, or disabled.

"Every year 16,000 are killed by falls, 5,600 are killed by burns, explosions, and fires; 2,000 are suffocated. 1,500 are poisoned. 1,200 die of firearm accidents. 1,000 are asphyxiated, and 4,700 are killed in other ways."

To make the citizens of Tecumseh aware of the hazards in the home, school children are taking home this week a "Check List For Home Safety." These lists, prepared by the National Safety Council and furnished by the Chamber of Commerce, point out the most frequent causes of accidents in the American home. Parents are requested to use these lists and help their children inspect their own homes.

Since many homes are not represented by school children, a limited supply of check lists is available for others who may wish to check the dangers in their homes. If anyone wishes such a list, he may have one by calling at the Chamber of Commerce, or by phoning 259.

HONOR RECENT BRIDE

The Misses Louise Bowen and Dorothy Jean Brandt entertained last week Wednesday evening in the former's home for Mrs. Gloria Underwood Fetkenhier, a recent bride. Games were enjoyed and the winners were awarded prizes, which were in turn presented to the honored guest, Mrs. Fetkenhier was showered with many lovely gifts. Refreshments were served by the hostesses.

HARRIS TO ATTEND SECRETARIES MEETING

Ronald Harris, secretary of the Chamber of Commerce, is leaving today for Higgins Lake to attend the fall meeting of the Michigan Commercial Secretaries Association to be held tomorrow and Saturday at the Michigan State Conservation Department Training School.

Saturday Mr. Harris is to participate in a panel discussion on "Safety on Our Streets and Highways". Appearing with him on the panel will be Harold Lillie, Director of the Lansing Safety Council, and Maxwell Halsey, Executive Secretary of the Michigan State Safety Commission.

MISSIONARY SOCIETY TO GIVE PROGRAM

The Tecumseh Friends Missionary Society will present the program this (Thursday) evening when they meet with the Raisin Valley Friends church group. When the Society met last Thursday at the home of Mrs. Oscar Mead 17 members and guests were present. After the dinner Mrs. Ralph McCarberry, president, presided at the business meeting after which the group tied off a quilt for a student going to college this fall. Mrs. Richard Woodcox led in devotions.

The next regular meeting will be held at the home of Mrs. Perry Hayden, October 12, with Mrs. Clifton Holmes in charge of devotions.

WILLIAMS REUNION

Mr. and Mrs. Garland Gove entertained Sunday for the Williams family reunion at the Waldron cottage at Sand Lake. The potluck dinner served on the large porch was followed by the business meeting, at which time the following officers were elected: president; Gordon Gove; vice president, Ruth Gove; secretary and treasurer, Minnie Kimball. After swimming and games ice cream and cake was served. Guests from away included Mrs. Iva Wilson of Gaylord, Lester Treat's family from Flint, Mr. and Mrs. Herbert Gove of Chicago, the Wiliams families of Perrysburg and Toledo and many others. Forty members were present.

CHILD STUDY CLUB HOLDS REGULAR MEET

The first meeting of the year of the Tecumseh Child Study Club was held Monday evening at the home of Mrs. Owen Partridge. Mrs. M. R. Blanden, Mrs. Donald Nixon, Mrs. A. A. Musch and Mrs. Robert Manchester were the assisting hostesses. Mrs. David Dick and Mrs. Mervyn Boltz led a discussion subject pertaining to child study and care.

TO ENTERTAIN LEAGUE

Mrs. Gene Fisher will entertain the Baptist Junior League at the first meeting of the year, Tuesday, September 21, with Mrs. Richard Carter as the assisting hostess. Mrs. Dow Bilby will present the program "A Light that Shineth" and Mrs. B. O. Bashore will lead in devotions.

Herald classifieds pay big dividends.

Parents To Aid Church Program

(Continued from Page 1)

week-by-week study of their children at church school and the specific instructions for home teaching, including family prayers, Bible reading, and other devotional aids. Once each quarter the parents will be invited to the church for a 'briefing' session with the superintendents of the departments in which their children are enrolled.

The pupils will receive their own bound volumes of the reading books which when accumulated will provide them with a permanent religious library. At church school their teaching will include the use of work books and work projects.

The new Curriculum in the Tecumseh church will be formally dedicated on Sunday, September 26, at the Rally Day exercises in the church school and morning worship. Parents are urged to be present for these services.

The first "briefing" session will be held at the church on Wednesday evening, September 29, at the Church Family Night. At that time the department superintendents will preview the material for the first quarter. Also parents will then be given their material for home teaching. It is important for all parents to be present at that time if they wish to undertake their share of the educational responsibility. Plans have been made for a potluck supper at 6:30 after which the preview will begin. Young children present will be entertained by movies. The supper is under the direction of Mrs. Ray Sluyter.

W. S. C. S. TO HOLD BAZAAR, OCTOBER 20

Wednesday, October 20, has been chosen as the date for the annual bazaar and dinner to be given by the Woman's Society of Christian Service in the Methodist church.

The bazaar will officially open at three o'clock and the dinner service will begin at five-thirty. The president, Mrs. T. Rentschler, announces the appointment of the chairmen for the following committees: fancy goods, quilts and rugs, Mrs. Lillian Gray; country store, Mrs. Carl Burch; baked goods, Mrs. Grenval Spangler; aprons, Mrs. Edward Leighton; candy, Miss Janet Erhart; posters, Youth Fellowship; fish pond, the Juniors; general chairman of dinner, Miss Vera Gilbert.

POLING-OSTRANDER

Miss Dorothy Ostrander and Richard E. Poling, both of Adrian, were married Sunday afternoon at 12:30 in the Baptist church. Rev. B. O. Bashore performed the double ring ceremony. They were attended by Jacqua Jaqua and Doris Elain Ostrander.

LYSTER LEAGUE

Mrs. George Elliott entertained the Lyster League of St. Peter's church at a picnic at her home last week Wednesday. It was planned to have a rummage sale Friday and Saturday and all members are to leave their rummage at Schneider Bros. show room tonight at 7:30.

CULBERTSON P. T. A.

The Culbertson P. T. A. met Friday evening at the school house with some 36 members present. The business meeting was followed by a program of music and moving pictures. Refreshments were served by the hostess.

NO MEETING FRIDAY

Because of the Flower Show last evening, the Tecumseh Garden Club will not meet Friday, September 17. The next regular meeting of the Club will be held Friday, October 15, at the home of Mrs. R. W. Herrick.

PLAN S. S. PROGRAM

The teachers and officers of the Baptist church school met at the church last evening to plan a program for the coming year. Cliff Curran is the superintendent.

Mrs. Eleanor Claus Is New Society President

The Lenawee County Historical Society met last Thursday in St. Peter's Episcopal church. Mrs. Eleanor Claus of Tipton was elected president and other officers named are: first vice president, Mrs. Howard Evans of Tipton; second vice president, Miss Edith Ingersoll of Tecumseh; treasurer, Miss Beth Satterthwaite of Tecumseh; secretary Mrs. Clair Beland of Tecumseh; historian, Mrs. Frederic S. Kellogg of Adrian.

Howell Taylor of Ann Arbor was one of the speakers, and all those present told of buildings more than 100 years old in the county. A memorial for the late Mrs. Alma Tate of Tecumseh, who served as president of the organization for 21 years, was given by Mrs. Seber Wyman of Ann Arbor. Mrs. Maude Hardy of Tipton and Mrs. Murray Day of Tecumseh sang solos.

953 Enrolled In School Here

(Continued From Page 1)

grades, 76 in the fifth grade, 90 in the third grade, 83 in the second grade and 93 in the first grade.

Earl H. Place, superintendent, is studying the sharp upturn in the 10th grade enrollment which would indicate that in 1951 Tecumseh might have a senior high school graduating class of 82, the largest in the school's history.

"We are getting along very nicely in all classes and everything is operating smoothly," was the way Supt. Place summed up the first week of school. "Of course, a further increase in enrollment might bother us a little, but on the whole we have the situation well in hand."

The board of education met on Monday evening with its architects to further consider plans for the construction of a new high school. Recent bids on a proposed $400,000 building were 60% higher than anticipated.

"The architects hope to have plans in the hands of the board within a month for revised construction that will come within existing costs," Place said. "It will, of course, be necessary to eliminate the proposed gym in the new school and some of the classrooms." The original plans called for 21 classrooms in the new building. The revised plans will call for 18.

As soon as the new plans are submitted they will be studied by the board and new bids will be sought, later in the fall.

Tecumseh has $400,000 available for a new high school building, $145,000 of the amount being from gifts, $180,000 from bonds and the balance from a sinking fund. It had been hoped to get the building under construction this fall and have it completed in time for the opening of school in 1949 but, due to the revision of the plans, such a schedule may be impossible.

DR. AND MRS. BURNS OBSERVE ANNIVERSARY

Dr. and Mrs. William C. Burns of Toledo, observed their 63rd wedding anniversary last Thursday, September 9. Mrs. Burns is the younger daughter of Mr. and Mrs. Isaac Collins of Macon. Dr. Burns, until his retirement a few years ago, served as minister of the Presbyterian church in Monroe.

"The journey has been a very pleasant and and the friendships we have made fill our hearts with happiness and pleasant memories," Dr. Burns writes.

HAYDEN IN IOWA

Perry Hayden will be in the state of Iowa next week to show his tithing movie, "God is my Landlord." His schedule is as follows: Saturday and Sunday, Marshaltown, Iowa; Monday, New Providence, Iowa; Tuesday, Lynville, Iowa; Wednesday, Earlham, Iowa; Thursday, Indianola, Iowa; Friday, Fairfield, Iowa; Saturday, Salem, Iowa; Sunday, Muskotine, Iowa. Monday he will speak in Moline, Illinois, and Thursday, September 30, Mr. Hayden will be at the Napoleon, Michigan, high school.

Miss Doris VanBreeman Weds Lowell R. Smith

The Tecumseh Baptist church was the scene of a beautiful candlelight wedding Saturday evening when Miss Doris VanBreeman, daughter of Mr. and Mrs. William VanBreeman of the Irish Hills, and Lowell R. Smith, son of Mr. and Mrs. Ralph E. Smith of near Britton, exchanged their marriage vows at 8 o'clock the Rev. B. O. Bashore read the double ring service, assisted by the Rev. Roy Sheehy of Ridgeway.

Given in marriage by her father, the bride was gowned in white French marquisette, made with a full sweeping train. The fitted bodice was styled with a sweetheart neckline outlined with pearl beads and rhinestones, and long sleeves. The headdress from which the full length French illusion veil fell was designed by her sister, Mrs. Elaine Dega of Royal Oak, and was trimmed in rhinestones. Her cascade bouquet of gardenias was centered with a removable orchid. The entire bridal ensemble was made by Mrs. Dega.

Mrs. Dega was her sister's matron of honor and the bridal maids were Anna Lou Robinson, another sister, of Lincoln Park, Shirley Eberline of Dearborn, Mrs. Lois Walenska of Detroit and Mrs. Mae Kebler of Ottawa Lake, the bridegroom's sister. The bridesmaids were gowned in pale green French marquisette and carried cascades of yellow mums and roses, while the matron of honor wore a darker shade of green and carried talisman roses.

Janice Dega, the little flower girl, wore a pale green formal trimmed with contrasting bows, and the ring bearer was Douglas J. Robinson, nephew of the bride.

Melvin Kebler assisted his brother-in-law as best man and the ushers were Robert Dega of Royal Oak, William Phalen of the Irish Hills, Harold Lawhead of Britton and George DuBois of Detroit.

After the ceremony a reception was held in the Methodist church for some 300 guests. Upon their return from a trip, the couple will reside near Britton where Mr. Smith is engaged in farming.

Officers Are Installed By Exchange Club

Leon Williamson was installed as president of the Tecumseh Exchange Club at the first meeting of the year of that organization, following a steak dinner at Brees House, Monday evening. Other officers installed by George Schellenberg of Pontiac, state Exchange president, are: Earl Lindsley, vice president; Kenton Hunt, secretary; J. Russell Garno, treasurer; Paul Claudy, Dwight Hodges and Rhae Henkel, board of control.

Mr. Schellenberg outlined the activities of Exchange Clubs throughout the state, and reviewed the organization in general. Some 35 members were in attendance.

IT GETS AROUND

Salesman: "You make a small deposit, then you pay no more for six months."

Lady at the Door: "Who told you about us?"

Mr. Henpeck: "My wife went through my pockets again last night."

Neighbor: "What did she find?"

Mr. H.: "What all explorers find —material for a lecture."

Socks, like all other men's apparel, might as well be discarded when a hole appears in one place where in no time.

Michener Winner In 4-Way Race

(Continued From Page 1)

ination as county sheriff and won an easy victory, county-wide. In Tecumseh, Mr. Truesdale received 53 votes.

The vote in Tecumseh was as follows:

Republican ticket: Governor Sigler, 384; Lieutenant governor Keyes, 358. U. S. Senator, Ferguson, 370. Representative in Congress: Michener, 345; Meader, 65; Kelly, 38; Barnes, 50. State senator, 19th district: Kerby, 262; Porter, 160. Representative in state legislature: Conlin, 343. Prosecuting attorney, Martin, 342. Sheriff: Bringman, 192; Stites, 118; Willett, 86. County clerk, King, 348. County treasurer, Bradley, 350. Register of deeds, Warner 343. Drain commissioner, Bruce 344. Coroners, Braun 211; Lennox, 129; Mott, 185. Surveyor, Frazier 335.

Democratic Ticket: Governor: Abbott, 16; Bucknell, 26; Williams, 12. Lieutenant Governor: Connolly, 47; Targonski, 0. U. S. Senator, Hook, 43. Representative in Congress: Burr, 32; Slosson, 19. State senator, Weipert, 28. Representative in state legislature, Lawrence, 43. Prosecuting attorney, Bean, 50. Sheriff, Truesdale, 52. County clerk, Patterson, 44. County treasurer, Hunt, 44. Register of deeds, Cecil Smith, 1. Drain commissioner, Snyder, 43. Coroner, Braun, 1.

Harris Is Honored By Institute Award

Spencer Shaw, manager of the Northern Central division of the United States Chamber of Commerce, has announced that Ronald Harris, secretary of the Tecumseh Chamber of Commerce, has completed the requirements for a National Institute certificate. The certificate is granted after the candidate has attained satisfactory grades in twelve organizational subjects over a minimum of three years' attendance at the annual National institute at Northwestern University in August.

About a dozen secretaries from various parts of the United States qualified for certificates this year. No others will be able to meet the qualifications before 1950. Plans are being made to present the certificates to the winners at the national conference of organizational executives in Philadelphia in October.

ALBERT E. REASON, 71, DIES OF HEART AILMENT

Wade L. Jones has received word of the death of Albert E. Reason, 71, which occurred at Charlettetown, P. E. I., where Mr. and Mrs. Reason were vacationing. Death came suddenly September 2, due to a heart ailment.

The Reasons resided in Toronto and often visited here. Mrs. Reason before her marriage being Floy Freeman of Tecumseh.

Mr. Reason was a member of the Masonic lodge and of the Church of the Transfiguration in Toronto. Surviving besides the widow are a daughter, Mrs. Lester Boyes of Toronto and a son, John F. Reason of St. John, N. B. Another son, W. A., was killed during World War II.

116 E. Chicago St.

BRITTON

The Christian Church held its service of rededication last Sunday and a large audience attended. The Rev. Coral B. Adder delivered the sermon of rededication. Special music was furnished by the girls quartet of Rosemary Gilmore, Ardath Gripton, Alice Moore and Joy Schott. The soloist was Willard Exelby. A co-operative basket dinner was served at noon to 125 members and friends.

The Methodist church held family night Wednesday evening and a basket supper was served. The Britton school faculty and their families were guests of the evening. Prof. William Schuble of Adrian College gave chalk talks.

Mrs. Beulah Hannah and family have moved to the Lawhead house in the north part of Britton.

Mr. and Mrs. D. Jackson and family have purchased the Cubberly home and have moved in.

Mr. and Mrs. Fred Blouch of Holloway and Mr. and Mrs. Pirt Robinson returned home Monday evening from a weeks trip in northern Michigan and the Upper Peninsula.

Mr. and Mrs. Robert Mayfield and family of Ann Arbor and Mr. and Mrs. Richard Wiggins and baby of Wamplers Lake were at the Fay Wiggins home Sunday and attended the rededication services at the Christian church.

Callers Sunday afternoon of Mrs. Fred Meyers and Majel were Mr. and Mrs. Will Libstaff of Toledo and Rev. and Mrs. G. Hallauer and family.

Mrs. W. A. Cross of Danvers, Ill., is visiting in the home of Mr. and Mrs. George Forsythe.

Stanford Smith, son of Mr. and Mrs. Stanley Smith has entered Albion College for the fall term.

Hudson Girl Is Bride Of Darwin E. Creger

Saturday afternoon in the rectory of the Sacred Heart church at Hudson, Miss Mary Helen Flory, daughter of Mr. and Mrs. Edward Flory of Hudson, and Darwin E. Creger, son of Mr. and Mrs. Harry Creger of Tecumseh, exchanged their marriage vows. The Rev. Fr. Bernard Hoey performed the double ring ceremony at 1 o'clock.

Given in marriage by her father, the bride was attractive in a light wool medium blue street length dress with which she wore black and blue accessories. Her corsage was of white roses and white carnations.

Attending the couple were Mr. and Mrs. Raymond Stockinger of Manchester and Mr. and Mrs. Hal Metcalf of Rollin. Mrs. Stockinger wore dusty rose with navy accessories and a corsage of rose carnations, while Mrs. Metcalf was attired in black with black accessories and a pink carnation corsage.

For her daughter's marriage, Mrs. Flory chose blue crepe and black accessories with a corsage of red roses. The bridegroom's mother wore a blue print with beige accessories and a corsage of yellow roses.

At two o'clock in the afternoon a reception was held at the home of the bride's parents for some 60 guests. The four tiered wedding cake, topped with a miniature bride and groom, was served by the groom's sister, Mrs. E. J. Francouer of Tecumseh. The home was decorated with baskets of white gladioli for the occasion. Out of town guests were from Tecumseh, Wayne, Grand Rapids, Ohio, Adrian and Saline.

When the couple left for a short wedding trip, the bride was wearing a gray suit with maroon pin stripe and black accessories. The new Mrs. Creger graduated from Sacred Heart high school in Hudson with the class of 1943 and until her marriage was employed in the office of the Hudson Manufacturing Company.

The groom attended Tecumseh high school and spent 22 months in the U. S. Navy. He is employed at the Tecumseh Products Company. Mr. and Mrs. Creger are residing in their newly built home at 404 West Brown St., Tecumseh.

MICHIGAN LEADS IN AUTO OWNERSHIP

LANSING — Michigan citizens own more vehicles per capita than citizens throughout the nation, according to "Highway Needs in Michigan," the Michigan Good Roads Federation's engineering analysis of road and street requirements.

"In 1946 there were 26.5 vehicles registered in Michigan for every 100 people, as against a national average of 24.3 vehicles," states the Federation Report.

The 12 predominently industrial counties in the southern part of the State account for two-thirds of all trucks and cars registered. Another 20% are registered in the 25 southern agricultural counties. The northern part of the Lower Peninsula and the Upper Peninsula combined account for less than 14% of the state's vehicles, the report says.

One out of every ten miles driven is recreational travel—well over a billion and a half vehicle miles in 1946.

• • • •

Three-fourths of this recreational mileage is driven by Michigan residents, one-fourth by people from outside the state.

• • • •

Half of the out-state cars on Michigan roads are driven by recreation-seekers.

• • • •

One-fourth of the total travel for the year is rolled up in the vacation months of July and August.

Obliged to Agree

"I must say my mother-in-law's visit has been very pleasant."

"Why, I thought her visits were anything but—"

"They are. But I must say what my wife says I must."

Go To Church On Sunday

The Story of Abraham and Lot

"And Abram said unto Lot, Let there be no strife between me and thee, and between my herdsmen and thy herdsmen, for we are brethren."

"Is not the whole land before thee? Separate thyself, I pray thee, from me: if thou wilt take the left hand, then I will go to the right; or, if thou depart to the right, then I will go to the left." (Genesis 13:8-9).

Abram and Lot found a peaceful settlement of their differences, and were able to avert war between their tribes.

Men of all nations are trying to find a peaceful solution to their troubles. A mutual trust in a Higher Being is one solution. Nourish this faith — attend the Church of your choice every Sunday.

DO YOU REMEMBER?

1873

A music teacher has been employed at the Union School and daily instructions will be given on piano, melodeon or organ, to all those who desire.

The North Lenawee Agricultural Society will hold its third annual fair in this village September 16.

1873

Work has been commenced on the new Episcopal rectory.

A new business enterprise, the manufacture of the "Twin Spring Bed" has begun in Tecumseh.

Probably the best mineral water in the state is now found at Bliss field.

1887

Mr. and Mrs. George Heesen celebrated their 40th wedding anniversary September 9.

C. E. Williamson bought $10,000 worth of eggs in August.

Richard Caldwell of Franklin has invented a new changeable wagon rack which can be changed to a stock rack, hay rack or double wagon box.

On Friday, September 14, fire broke out in the east end of Beasleys' block in Britton and swept clean all that stood east of the harness shop.

1909

Fred Wood has sold his house in Brownville to John Waters and contemplates building soon.

Mr. and Mrs. Dolph Heesen celebrated their 10th wedding anniversary September 11.

On account of crowded conditions 15 fifth graders have been transferred to Brownville school.

Mrs. Allan Bell, who has been spending the summer in Scotland, arrived here Tuesday to visit her parents, Mr. and Mrs. G. W. Frazier before returning to her home in Bonne Ferre.

1913

Alvin Brazee and Marie Bramble are attending Kalamazoo College this year.

Miss Eloise Waring who spent the summer abroad, returned yesterday and will leave today for Alma to teach.

Seymour Boyd, Wade Frost, Roger Waring and Fred Dickinson are attending Alma College this year.

Beck and Shaw will reopen the bowing alley closed since July 4.

Born to Mr. and Mrs. George Taylor, a daughter, Pauline Elizabeth.

Born, September 10, to Mr. and Mrs. Lewis Skinner of Macon, a daughter.

1918

Bert Prichard of Tecumseh and Mary L. McClelland of Chicago were married September 7 in Adrian.

H. Brewer & Co, has received an order from the government for 28,000 aiming posts to be used by the artillery section of the ordinance department.

A big fire at the Clinton Grain Co. Sunday did $2500 damage.

The Comfort school has a service flag with 10 stars.

The Wm. Hayden Milling Co. has renewed and rebuilt its dams. The wasteway at the mill pond has been replaced with cement, also the flumes at the mill rebuilt. The dam at the race and a cement apron at the Standish are under construction and when completed will give the company the best water power on the River Raisin.

1923

Rev. A. T. Camburn will be the new M. E. pastor here replacing Rev. H. J. B. Marsh who goes to Milan.

Ed Harper and family are moving to Saline.

Glenn F. Wyrill and Marie Celia Kelsey of Toledo were married September 15 at St. Andrew's Episcopal church.

Lawrence F. Dermyer, manager of the Tecumseh Supply Co., and Miss Beatrice Morley of Hillsdale were married September 15 in Hillsdale.

The soldiers monument has been moved from Military square to the G. A. R. lot in Brookside cemetery.

1923

In one of the heaviest election votes in Tecumseh in many years, the electors of this township on Tuesday joined with Lenawee county and the state of Michigan in giving majorities to the successful candidates in the election. 715 ballots were cast in this township. Frank D. Fitzgerald was nominated for governor.

The New York Central Railroad Company will discontinue its passenger train service to Tecumseh and on the branch line between Toledo and Jackson on September 25.

Mr. and Mrs. L. E. Brown celebrated their 20th wedding anniversary September 7.

The William Hayden Milling Co., has changed its name to the Hayden Flour Mills, Inc.

Mr. and Mrs. H. Boyes have taken over the management of the Foral City ice cream parlor and lunch room on East Chicago Blvd.

George Isaacson was elected president of the Tecumseh Commerce Club.

Born, Saturday, to Mr. and Mrs. Homer Henry of Clinton at Tecumseh hospital, a daughter.

Everybody assails "un-American ideas," but very few people try to define them.

The Bible still outsells any book published, and, if you want to know, is still being widely read.

Michigan Mirror

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

GARDEN—Bill Bonifas got his start here at Garden.

The Upper Peninsula lumberman, eight times a millionaire arrived in the Garden peninsula pennfless from Luxemburg. He was a six-footer, broad-shouldered, and in his early twenties. America was the promised land of opportunity, and the Upper Peninsula was one of its frontiers.

As a lumberjack he started to work cutting timber for Louis Van Winkle, a Dutchman who built a sawmill at Van's Harbor back in 1881. Lacking a team of horses, he carried logs out of the woods on his back. It was William Stellwagon, proprietor of a hardware store at Garden, who staked him to his first capital—$50 worth of needed tools and equipment. Stellwagon's son, Walter, runs a modern grocery at Garden.

Bonifas built his fortune in the Garden peninsula. Perhaps his greatest find was Kate Nolan, a beautiful Irish girl whom he met here at a lumberjack boarding house. Kate, a waitress, became his wife. Bill never forgot Garden. And neither did Kate.

The Garden peninsula is one of the least known of Michigan's famed peninsulas.

In some respects, as you behold the ghost town of Fayette, a few miles south of Garden, here is a peninsula that Michigan forgot. Few tourists know about it. Travelers who venture on a good blacktop road to Garden, Fayette and Fairport usually view the abandoned village of Fayette in wonderment. Here are ten abandoned houses and a 47-window hotel, all located on a scenic promontory with a view of Lake Michigan and Snail Shell harbor nearby. Inhabitants total 11. Among these is Donald Cehren, navy veteran who runs the post office and builds boats during his spare time.

No sign tells the story of Fayette where good hardwood was burned to smelt iron ore, more than 75 years ago. You view the ruins of the deserted town and ask yourself: "What happened to bring all this about?"

The story of Bill Bonifas gives an answer.

Charles Olmstead, now 82, was a foreman for Bonifas at his first camp nine miles north of Garden on the plains near Little Harbor. He related to us the history of the region. Charley helps out in a store and gas station of his son-in-law, Roy Winter, at Garden.

The Garden peninsula, in those days, was covered by hardwood trees—maple, beech and birch.

Because of the harbor and limestone at Fayette and the abundance of hardwood nearby, the Jackson Iron Company of Negaunee purchased 16,000 acres of trees for $15,000. That was in 1866. They bought land at Plumb's harbor, later called Snail Shell because of its shape, from Iram G. Squire; built limestone kilns through the peninsula to convert hardwood into charcoal; extended a narrow-gauge railroad to Fairport at the tip; and then constructed huge furnaces at Fayette to smelt the iron-ore, shipped from Escanaba, into pig iron for loading into sailing vessels bound for Cleveland.

It took eight days to char the hardwood in the kilns. Twenty-five bushels of charcoal were consumed in the furnaces to produce one ton of pig iron. The virgin hardwoods of the Garden peninsula were literally burned up!

Fayette was a company-owned town—houses, hotel, stores, church, dance-hall and furnaces. The place was abandoned in 1889.

Bonifas' logging camp became the William Bonifas Company with three brothers—John, Jim and Isaac—as partners. When Bill left the peninsula in 1917, he threw a big party at the Garden town hall—champagne and all. Worth then about $500,000, Bill formed the William Bonifas Lumber Company at Escanaba.

Sawmills were operated at Marenisco and Lake Linden. Pulpwood operations were maintained all over the Upper Peninsula. By fortunate investments, Bonifas acquired large blocks of Kimberly-Clark and General Motors stocks. He was a rich man.

When Bill died several years ago he left a million dollars to build a new St. Joseph's church at Escanaba including a rotory, auditorium and gymnasium. Kate donated $150,000 for a new public school and convent in the village of Garden. When she died early this summer she left about $2,500,000 to Escanaba—new Catholic Central high school, public high school, city hall, court house, public office building and city recreational facilities.

Thus, the wealth from the woods at Garden and the Upper Peninsula has come back, in part, to the land in which Bill and Kate Bonifas got their start. Remember this when you visit the Garden peninsula, just west of Manistique.

The Probate Court for the County of Lenawee

At a session of said court, held at the probate office, in the city of Adrian, in said county, on the 30th day of August, A. D. 1948.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of WILLIAM ROSENBAUM, Deceased.

On reading and filing the petition duly verified, of Fay A. Wiggins, administrator de bonis non of said estate, praying that he may be authorized, empowered and licensed to sell the real estate described in said petition at private sale for reasons therein stated.

It Is Ordered, That Monday, the 20th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

NOTICE

Sealed bids for the construction of
WATER LINE EXTENSIONS
INDIAN ACRES
PEARL STREET—MAIDEN LANE
TECUMSEH, MICHIGAN

will be received by the Village of Tecumseh, Michigan at the office of the Clerk in the Village office until 12 O'CLOCK NOON, EASTERN DAYLIGHT TIME MONDAY, SEPTEMBER 20, 1948 and at that time and place will be publicly opened and read aloud.

The proposed work consists of laying approximately 3120 lineal feet of 6-inch water main with the necessary valves, hydrants, fittings, and appurtenances.

The Contract Documents including plans, specifications are on file in the office of the said Clerk and at the office of the Consulting Engineers, Finkbeiner, Pettis & Strout, 518 Jefferson Avenue, Toledo, Ohio, copies of which may be obtained by depositing $10.00 with said Consulting Engineers for each set so obtained. The amount of the deposit for one set of documents will be refunded prior to or at the time of opening of bids.

All bids shall be signed and submitted on the blanks which are in the specifications and shall be secured from the Consulting Engineers. Bids shall state the price for materials and labor separately on the blanks provided therefor, shall be enclosed in sealed envelopes marked "Bid for Water Line Extensions," and addressed to the Village of Tecumseh, Michigan.

Each bid must contain the name of every person, firm or corporation interested in the same, and be accompanied by a bond to the satisfaction of said Clerk or a certified check on a solvent bank in the sum of 5% of the amount of the bid, made payable to the Village of Tecumseh, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

The Village reserves the right to reject any or all bids and to waive any irregularities in bidding.

No bidder may withdraw his bid for a period of 30 days after the scheduled time for the receipt of bids.

By Order of the Council of the Village of Tecumseh, Michigan.
Wade L. Jones, Clerk
Sept. 16

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for said County

At a session of the probate court for the county of Lenawee holden at the probate office in the city of Adrian on the 1st day of September in the year one thousand nine hundred and forty-eight

Present, HON. MAURICE E TRIPP, Judge of Probate.

In the matter of the estate of MARY E. SPENCE, Deceased.

On reading and filing the petition of Floyd E. Spence, Sr. administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 27th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

(A true copy)
Hazel D. Gregg, Probate Register
Sept. 23 RFR

Village of Tecumseh
Council Building
September 13, 1948

Present: President Watkins, Trustees McCombs, Beach, Porter, Ousterhout, Driscoll.

Absent: Mensing.

The following amendment to an Ordinance to amend an Ordinance to regulate digging or excavating in or upon any of the streets, highways, or alleys within the corporate limits of this village. The Village of Tecumseh ordains:

(69) UNLAWFUL WITHOUT APPROVAL OF VILLAGE ENGINEER.

SECTION 1. That it shall be unlawful for any person whomsoever to dig or excavate in or upon any of the streets, highways or alleys within corporate limits of said Village without first obtaining the consent and written approval of the Village Engineer of said Village.

(70) VILLAGE ENGINEER TO INVESTIGATE.

SECTION 2. Before granting such permission the Village Engineer shall first ascertain whether such proposed digging or excavating will interfere with any underground pipe, cables or conduits.

(71) CONDITIONS.

SECTION 3. The permit shall only be granted upon the express understanding that the work shall be subject to supervision and inspection by the Village Engineer and under such conditions and regulations as he may impose, including the requirement that the applicant deposit a cash bond with the Village Clerk to insure replacement of the street, highway, or alley in a good and safe condition for travel.

(72) PENALTY.

SECTION 4. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof before any Justice of the Peace of Tecumseh Township, may be punished by fine not exceeding One Hundred ($100.00) Dollars or imprisonment in the county jail not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

Was offered for adoption by Trustee McCombs.

Motion by Porter supported by Beach that above amendment be adopted and given immediate effect.

Ayes: McCombs, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Marvin Watkins,
President
Wade L. Jones,
Clerk

traffic police say--

DRIVE

As It Your Life Depended On It--

It Does!

. . . maybe you never thought of it that way, but when you are behind the wheel of your car you're a potential killer. You wield the power of life or death . . . you sit in the judge's seat.

That's why Traffic Police urge you to use good judgment . . . to drive with care. Your victim may be a school child, an innocent adult . . . and maybe yourself.

Now that school is in session, use extreme care. Thousands upon thousands of little children trust your judgment . . . they expect that you'll give them a break.

Don't let them down!

We'll Give Your Car The Care It Needs

Every car, regardless of its age or make, needs to be checked regularly for safety. If you'll bring your car to us, we'll do all in our power to make you a safe driver.

Butler Motor Sales, Ford Tecumseh Michigan

Hours: 7 A.M., to 6 P.M., Daily. Closed Sundays.

You'll find that if you're far ahead of the procession you're just as much alone as though you were way behind it.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-FOUR — TECUMSEH, MICHIGAN, SEPTEMBER 23, 1948 — FIVE CENTS PER COPY

Pastureland Site Transformed Into $1,500,000 Subdivision Here

Herrick Park Growth Steady

Herrick Park—Last Spring an area of farm land owned by the Ford Motor Company, today, Tecumseh's fastest growing subdivision—will, by January 1, be the site of some 50 or 60 new houses and, by January 1, 1950, practically all of the 170 houses, to be built there, will be completed and occupied. And so, in less than 18 months, what formerly were pasture fields will be a busy residential area with a total valuation of more than $1,500,000.

Herrick Park is the realized dream of Ray W. Herrick, president of Tecumseh Products Company. Products purchased the land from Ford, had it subdivided, water and sewer mains were laid, and other utilities were brought to the area. Streets and parkways were constructed, steam shovels and bulldozers worked long hours—and still are working. But in another 15 months Herrick Park will be the home of some 170 employees of Tecumseh Products Company. To each Products employee who qualifies a lot is given and an additional sum is contributed by the firm to enable construction. There still are a few lots to be designated for employees, but the area is filling up rapidly.

Robert H. Moore, head of R. S. Moore & Son Co., lumber dealers here, and who has been active in the development of the Park, said today that by the first of the year it is expected that between 50 and 60 dwellings will be completed.

"We expect to have a sufficient number of other houses framed, so work can proceed through the winter months," Mr. Moore said, "because there must not be a letdown in construction. Herrick Park is a busy place, and we are pushing the building as rapidly as possible."

At the present time there are 42 houses in various stages of construction in the park. Five of this number are finished and when the water is turned on this week it is expected that they will be immediately occupied.

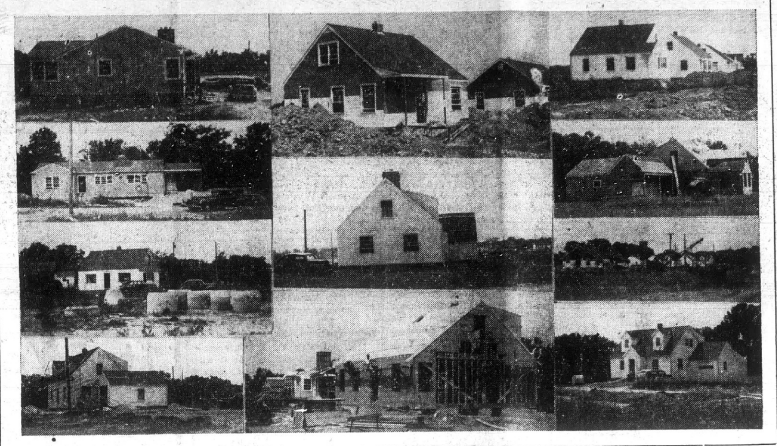
Three classes of houses are being built in the Park, and at present under construction, there are 34 Class C residences, five Class B and four Class A.

Roads, streets and parkways are in the early stages of building but whey they are finished they will be asphalt coated.

Mr. Moore also is interested in another subdivision, Moore's Second Addition to Indian Acres, which lies west and north of Union and Brown streets. This area has been plotted and about 85 houses are to be built there, starting this fall and next spring.

"Houses in this subdivision will be of the $8,000 type and will be of two bedroom and bath design, with basement. Lots in this subdivision will be sold only to persons interested in building," Moore said.

This is Mr. Moore's third addition to the original Indian Acres Subdivision. In the Addition to Indian Acres, 42 houses were built on Union street, and in the First Addition, 16 houses were built on West Brown street.



Here are Herald photos, taken last week in Herrick Park, showing some of the new houses that are being built. Up and down, first row, is the Robert Hanna residence, the McLaughlin house, one being built by James Laird and the fourth by Sonny Mason. In the middle row can be seen in the upper picture two of the second five houses to be started in the area, on Outer Drive. They are being built for J. C. Walters, Walter Hizer, R. S. Thompson, D. J. Smith and James Hall. The second photo is another house, partly completed, and bottom picture is of some of the models being built on Center Drive.

Pictures, right, up and down, are, first, the first five houses to be built in the Park. Among the owners are James Rice, Robert Hart, H. Hoffman, sr., and J. C. Curtis. The second picture shows the Lloyd Rhein house, the third is a general view in the Park, and the bottom photo is of a house, nearly finished, built for E. E. Lamkin.

Tecumseh Will Turn Back Clocks, Sunday

Tecumseh will return to Eastern Standard Time at 2 a.m., Sunday, September 26, according to resolution by the Village Council.

Daylight Saving Time, on which the village has been operating during the summer, officially ends at 2 a.m., Sunday morning, when clocks will be turned back one hour.

Few people will stay up until 2 a.m., to set their clocks. Generally speaking, clocks will be turned back when families retire on Saturday night and alarms will ring correctly Sunday morning.

Schools, stores, factories and offices will operate on Eastern Standard Time starting on Monday.

St. Peter's Plans For Anniversary

OLDEST EPISCOPAL CHURCH WEST OF ALLEGHENIES TO MARK 115TH YEAR

"The Oldest Episcopal Church West of the Allegheny Mountains" is the title worn by historic St. Peter's church in Tecumseh. The cornerstone was laid October 10, 1833, and since the completion of the building it has been in constant use for worship services.

To commemorate this long period of Christian witness several special services and activities are scheduled. On Sunday, October 3, at 11:15 there will be a special parish corporate communion and dedication of the Carillonic Chimes which have been installed.

A turkey dinner will be served in the high school on Tuesday, October 5, and the public is invited to attend. The guest of the evening will be the Rt. Rev. Russell S. Hubbard, recently elected and consecrated suffragan bishop of Michigan, who will be welcomed to Tecumseh for his first visit. Former rectors of St. Peter's church have been invited and several are planning to come.

On Sunday, October 10, the bishop of Michigan, the Rt. Rev. Richard S. Emrich, will be the preacher at the service on the actual 115th Anniversary day. The public also is invited to take part in this observance.

The members of St. Peter's church school are enjoying their new curriculum and looking forward to plans for the coming winter. All children nine years old and over are now using work books and the younger children have story leaflets, in connection with their lesson, to take home. A monthly assembly, movies and other visual aids are being used and plans made for pageantry and sasonal parties. The teachers are having weekly meetings to discuss procedure and methods in

Braves To Play Fenton, Sept. 25

GAME UNDER LIGHTS NEXT SATURDAY NIGHT; HOLD MONROE TO TOUCHDOWN

The Monroe Athletic Club edged out a 7-0 win in the last six seconds of the contest when they battled the Tecumseh Braves at Recreation Center Saturday night under the lights. Some 1500 football fans witnessed the first of Tecumseh's Saturday night semi-pro attractions.

The game opened under very threatening weather and during the first half only two passes were thrown. Tecumseh kicked off to Monroe and the two teams battled on the ground to a standstill. Tecumseh's first break came in the first quarter when Bob Baker's kick went out of bounds on the Monroe seven yard line. The visitors couldn't run the ball out and punted out of trouble. In the second quarter neither team could get a sustained drive started and the half ended in a scoreless tie.

Monroe kicked off to start the second half. The Braves took to the air but couldn't connect. Another break came for Tecumseh when Bill Bunch, Brave fullback, kicked to Monroe's ten yard line and on the return, Monroe fumbled, and this Tecumseh recovered. After the Braves lost the ball, Monroe also started an aerial attack with quarterback Ferguson doing the passing. Bob Kennedy, Brave halfback, intercepted one of Ferguson's passes to halt the drive on Tecumseh's forty yard line.

(Continued on Page 6)

WEDNESDAY GAME

The braves have scheduled a game with Toledo for Wednesday, evening, September 29, at 8 p.m., under the lights at Recreation Center. The Toledo team is reported to be a fast aggregation and promises plenty of thrills.

Harris Explains Safety Program

TELLS ROTARIANS THAT CAREFUL PLANNING IS REDUCING DEATH TOLL

The National Safety Council's carefully planned program to make all persons safety-conscious is commencing to pay dividends but, there still is considerable work to be done before the enormous death and injury toll can be cut appreciably, Ronald E. Harris, secretary of the Chamber of Commerce, told Rotarians, when he spoke, following dinner at Brees House, Tuesday evening.

More than 32,000 persons are killed annually in automobile accidents, and more than 34,000 persons die in home accidents each year, Mr. Harris pointed out. The national accident death toll is more than 100,000 a year.

"We sometimes think that it is the hot-rod drivers, the speed artists who are responsible for all deaths in traffic, but that is not the case. All of us can practice more safety," Harris said.

Harris pointed out that industry is doing a remarkable safety job within its plants but is discovering that absenteeism and loss of time from accidents is now building up due to injuries to its workers outside factories.

The local Chamber of Commerce is cooperating in every way with the National Council in its safety program and Harris declared that Tecumseh has many peculiarities of its own in its local problem.

Harris was introduced by Clyde Barber, a member of the Chamber's safety committee.

Robert French, local attorney, was accepted into membership of the club.

Local Rotarians At Tilbury, Ont., Meet

Charles O. Butler, president of the Tecumseh Rotary Club, Clarence Gilman, vice-president, Lester Rogers, secretary, and W. J. Bruce, a past president, were in Tilbury, Ontario, Monday evening for the chartering of a new Rotary club in that city. Scores of Rotarians from the 153rd district attended and enjoyed the turkey dinner that was served.

"Dick" Hedke of Detroit, former president of Rotary International, was a speaker and the toastmaster was Joe Brady of Howell, former governor of the 153rd district.

The Tilbury club is the newest in the district with 28 members. Gifts to the new club were received from practically all clubs in the area.

Rally Day To Be Observed

Rally Day in the Presbyterian church will be celebrated with a service dedicating the New Curriculum next Sunday, September 26th. Teachers, parents, and pupils will take part.

The teaching staff will be:

Beginners Department—3 and 4 year olds, Mrs. Robert Reis; Beginners, Mrs. Laurence Price and Mrs. Helen Hendershot.

Primary—1st grade, Mrs. Robert Manchester, and Mrs. James Elliott; 3rd grade, Mrs. Al Helzerman with Miss Ruby Preston assisting.

Junior—4th grade, to be announced; 5th grade, Mrs. Walter Pfaus; 6th grade, C. Ray Puffer.

Junior High—7th grade, Robert Reis; 8th grade, Mrs. John Saling; 9th grade, Clair Roselle.

Senior High—10th grade, Mrs. Clyde Bailey; 11th grade, Walter Pfaus; 12th grade and older young people, Mrs. John Thompson.

All members and parents of children in the Presbyterian Church School are urged to be present at the Family Night Supper, Wednesday, September 29, at 6:30. At this time material for parents will be distributed and parents will be briefed on their part in the program. The guest speaker will be the Rev. Charles F. Bole, director of Christian Education for the Synod of Michigan. Mrs. Ray Sluyter is hostess for the supper.

98th Hillsdale Fair Opens September 26th

The 98th Hillsdale County Fair, with seven days of entertainment, will open Sunday, September 26 at 3 p.m., with special religious services featuring an address by Dr. Terry M. Johnson of Chicago.

Grounds and buildings are all prepared for an overflow of exhibits and the huge crowds that attend each year. Large fields of harness horses competing over the finest race track at any county fair assure the race fans of exceptional entertainment with attractions between each heat. Entries in the 4-H Club Department exceed any previous display.

Teams in the horse pulling contests will represent at least a half dozen States. Predictions are that new world records will be set.

Evenly matched ball teams will play five days to decide the county championship.

Fine talent has been secured for the Womens' Congress programs.

Tuesday, September 28 has been designated as free school children's day, and Saturday, October 2 will be free soldiers' and sailors' day, closing a week of education and entertainment.

NOTICE

Saturday, September 25, is the last day for collection of village taxes at the United Savings Bank, 9 a.m. to 3 p.m.

Chas. Fay, Village Treasurer

BAND FESTIVAL TO BE HELD, OCT. 12

A band marching festival will be held at the Tecumseh Recreation Center, Tuesday evening, October 12, Clare Caughurn, Tecumseh high school band instructor, announced today. Some twelve bands will participate. They will include Britton, Clinton, Adrian, Blissfield, Hudson, Morenci, Sand Creek, Lyons and Metamora, Ohio, Napoleon, Brooklyn and Tecumseh.

Date Changed

Lorenz Meyer auction, advertised on page 11, date changed to Oct. 1 instead of Oct. 2.

Exchange Gives $900 For Lights

ALSO ASKS MEMBERS TO AID "STONE PICKING PROGRAM" AT COUNTRY CLUB

The Tecumseh Exchange Club on Monday evening turned over a check for $924.13 to the board of trustees of the Recreation Center to help defray the cost of installing new flood lights, used on the softball diamond. The lights are now in place.

The Exchange club derived the funds from special activities.

Leon Williamson, new president, made his committee appointments and also urged that members cooperate in the building of the new country club by giving a portion of their time on Wednesday and Friday evenings of this week to picking up stones on the fairways, which are being prepared and seeded.

C. O. Butler, president of the Rotary Club, also made a similar announcement at the Rotary meeting, Tuesday evening.

Friends New Sign To Be Dedicated, Sunday

Dedication services will be held at the Friends church Sunday for the new lighted sign, presented to the church by the Welcome class of the Sunday school. The service will begin at 11:15 a.m.

The Friends Sunday school broke a long-standing attendance record of 183 last Sunday when Rally Day was observed and some 187 persons attended. The offering record of $123.34 was boosted to $260.04, this amount going into the building fund. The $500 project of shingling the roof has been completed by the primary children, and the miniature church with the roof covered with miniature shingles was used as part of the program Sunday morning. Mrs. Pearl Powers of Adrian presented a lesson by flannelgraph.

DIES IN OHIO

Funeral services are being held today in Ellit, Ohio, for Mrs. Ida Pacher, who died at her home there, Monday. Mrs. Pacher was a sister of George Withrow of Tecumseh.

Stores Close Today For Lenawee Fair

As has been customary for many years, a majority of the stores and offices will remain closed here today, (Thursday), that employers and employees may attend the 71st annual Lenawee County Fair.

Announcement of the closing plan was made by Leon Mix, chairman of the Retail Division of the Chamber of Commerce.

Vet's Funeral This Afternoon

SERVICES TO BE HELD FOR PVT. GORDON FURGASON, WHO WAS KILLED IN ITALY

Funeral services will be held at the Green Funeral Home this (Thursday) afternoon at 2 p.m. for Pvt. Gordon L. Furgason, who was killed in action in Italy, November 10, 1943. Rev. A. C. Brazee will officiate. Burial will be in the Tipton cemetery where members of the Underwood-Orr post, American Legion, will conduct military services at the grave. The body arrived in Tecumseh Tuesday.

Pvt. Furgason served with the infantry of the 5th army under General Clark and after his death was buried near Casino. He entered the army on March 27, 1943.

Surviving are his mother, Mrs Lila I. Furgason; six sisters, Mrs. Verna Cramer of Pittsford, Mrs. Vivian Woods of Dundee, Mary, Josephine, Shirley and Ruth at home; and three brothers, Glenn of Britton and Gaylon and John William at home. His father, Bernard Lavern Furgason, died September 24, 1945.

THREE PAY FINES

Three persons paid fines in Justice F. C. Hanna's court during the past week. Robert Hamilton, Tecumseh, paid a fine of $10 and costs of $3.35 for being drunk and disorderly. Darwin Creger paid a fine of $1 and costs of $1 for parking in a restricted zone and Grace M. O'Fiars of Clinton paid a $2 fine and $1 costs for failing to yield the right of way with her car.

Winners Named At Flower Show

SECOND ANNUAL EXHIBITION HELD LAST WEEK AT HIGH SCHOOL GYMNASIUM

Winners of the second annual Flower Show, held by the Tecumseh Garden Club last Wednesday afternoon and evening in the high school gymnasium, have been announced. C. E. Hoxsie of the Hidden Lake Gardens and C. E. Wildon of the Michigan State agricultural service were the judges. Mrs. Clarence Beach, chairman of the show was assisted by Mrs. George Wittrup as co-chairman.

The gold star was awarded to Mrs. T. N. O'Hara and committee and their husbands for the flower garden so attractively arranged at one end of the floor. A window arrangement by Mrs. Lyman Curtiss, a table setting and unique flower arrangement by Lenore Mohr and Sally Heilman, and a mantle arrangement by Mrs. Geo. Green all won first prizes.

Other winners were as follows:

Section I—Miniatures: under three inches, first and second, Mrs. O. W. Laidlaw; third, Mrs. A. Hoffmeister and Mrs. S. M. Rees; fourth, Mrs. M. Waring; under six

Legion Asks Opinion About Exchange Shop

The American Legion Auxiliary is planning to open an "Exchange Shop" in Tecumseh if the demand for such an enterprise is warranted.

The purpose of the shop is to sell, on a 20% commission basis, used clothing, furniture, dishes, toys, etc., which residents desire to discard.

"We first must learn if residents are sufficiently interested in such a shop before we continue with the program," Mrs. Laine Holden said in making the announcement.

Mrs. Holden asked that residents express their opinions to her or to Mrs. Florence Howe, at once. If there is sufficient interest, such a shop will be opened in a week or two.

Methodist Rally Day To Be Held, Sunday

The Tecumseh Methodist church board of education has announced that Rally Day will be observed at 11 a.m. Sunday, September 26, in the sanctuary.

The service will open with a processional of the children of the church school and their teachers. The teachers will present for promotion the boys and girls who are eligible because of age. A guest speaker will be present to give the children a picture of missionary work suitable for them to do. Dr. Norman MacNaughton will address the parents on their responsibilities toward the child and the church.

All members, parents and friends are urged to attend.

BRINGMAN WILL NOT ASK FOR A RECOUNT

Sheriff Elmer Bringman has announced that he will not ask for a recount of last week Tuesday's election in which he was defeated by Wade Willett for the Republican nomination for sheriff. Mr. Willett, former undersheriff, polled 17 more votes than Mr. Bringman, who has held the office for three terms.

RALLY DAY, SUNDAY

Rally Day will be observed at the Tecumseh Baptist church, next Sunday, September 25. There will be a program during the Sunday school hour, at 10:00 a.m., which will include the awarding of promotion certificates and Bibles. Parents and friends are urged to attend.

TO RESUME MEETINGS

The Baptist Youth Fellowship will resume its meetings Sunday evening at the church at 7 p.m.

EXCHANGE LAUNCHES S. O. S. CAMPAIGN

Local Club Plans Shoe Shipment To Europe

Don't throw away your old shoes—there are millions to whom those old shoes would represent happiness, health and a better chance of survival. Even one used shoe, for a great number with only a single foot, is in great demand.

And so, starting next Saturday, September 25, the Tecumseh Exchange Club plans to begin a 30-day "Save Old Shoes" campaign to aid the needy in Europe.

"In Europe there are thousands of children unable to go to school this winter because of the lack of shoes, and there are thousands of wage earners who will walk with their feet wrapped in rags," Leon Williamson, president of the local club, declared. "In thousands of European families a single pair of shoes may and will do duty for six persons, being passed from one to another when they go out of doors.

"Our campaign asks for used shoes; it means just that. Your old shoes are not too shabby for use, be assured that they are not even worn out for soles and uppers can be mended. There are many craftsmen in France, Poland, Greece and Germany who would be only too happy to repair the shabbiest of shoes. All sizes and all types are needed."

For 30 days, starting Saturday, the Exchange club plans to carry on its campaign not only in Tecumseh but Michigan-wide. Barrels will be placed in prominent locations in the downtown district here bearing the "S.O.S." sign—save old shoes.

The club asks that donors do just one thing. Before shoes are dropped into the barrel, tie them together in pairs.

"The need for shoes is now," Mr. Williamson said. "Let's dig into our closets and find our old shoes—no matter how old. Someone is waiting for them. The shoes will be sent to accredited relief agencies, children's shoes being distributed by the Foster Parents Plan for War Children."

Re-Zoning Of Property Approved By Council

Four lots, owned by Howard Truesdale and located on the east side of Mill street, north of Brown street, were re-zoned as business property, when the council met in special session, Monday evening. Previously the lots had been zoned as Class B residence property.

The council also received a petition from Elmer Eberhardt, administrator of the estate of George Seitz, asking that the classification of two lots on Mill street, at the corner of Brown and Mill, be classified as business property instead of residential. A hearing date on the petition was set for November 1.

The firm of Dunigan Brothers was awarded the contract for installing water mains in Indian Acres subdivision at a cost of $3,667. There were two other bidders, both of them higher.

The Tecumseh Herald
EARL L. WICKWIRE
Editor and Publisher

The oldest newspaper in Lenawee county. Established in 1850.

Published Every Thursday Morning. Offices at 127 W. Chicago Boulevard, Tecumseh, Michigan. Telephone 476.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

IT ISN'T PROFIT

At more or less frequent intervals, the newspapers still carry accounts of consumer "strikes" against retail stores. The participants pledge themselves to cut their buying to the minimum until the storekeepers reduce prices by 10 or 20 per cent or some other arbitrary figure.

This kind of consumer feeling may be understandable. But to blame the retailer for today's steep prices makes no sense at all. If the storekeeper — particularly those dealing in staple necessities — made no profit whatever, the average family's buying power would be increased very little.

The proof of that is found in statistical breakdowns of what happens to the money spent in typical stores. Practically all of it goes to buy supplies, to pay wages and taxes, for rent and maintenance, and for other unavoidable expenses. All that is left as profit, in most cases, is two to five cents out of each dollar rung up in the cash register.

There is one main reason why this should be so—competition. In this country all kinds of stores compete with each other. Chains and independents are after your business. They try to outdo each other by offering better qualities, more extensive stocks, improved service — and more reasonable prices. Under that kind of a set-up, no one is going to be able to profiteer for long.

Retailers will be among the first to cheer if prices ever come down. And, in the meantime, they'll sell you what you want at the lowest cost possible.

TECHNICALLY THEY WERE STOWAWAYS . . . There is always a record of one kind or another being set somewhere, but this one is a little different. These five infant "stowaways," shown here with Nurse Carol Donoghue, were born aboard the American President Lines vessel General W. H. Gordon on a voyage across the Pacific from the Orient. It was a postwar record for births in one trip and possibly an all-time mark for a Pacific crossing.

TIPTON

Mr. and Mrs. Glenn Fisher were called to Kessler Field, Miss., Saturday, to be with his son, Maurice Fisher, who was injured in a motorcycle accident upon his return to Mississippi from visiting here.

Miss Muriel Carpenter has resumed her studies at the Maumee Valley Hospital School of Nursing to begin her second year of nurses training.

The T. E. Hendryx farm west of the village has been purchased by Mr. and Mrs. Arthur H. McElhiney and family of Swanton, Ohio. They will move here soon.

Carmen Carpenter has enrolled at Northwestern Bible School in Minneapolis, Minn., for a three year general course.

Mr. and Mrs. H. A. Krause have returned to Council Grove, Kansas, after being the guests of their daughter and husband, Mr. and Mrs. Raynor Hardy for ten days.

Mr. and Mrs. Lester Baker, Mrs. Richard Vollmer and Mrs. Veri Miller were the delegates to the Grand Temple of the Knights of Pythias and Pythian Sisters in Lansing last week. Mrs. Rose Elwood also attended the convention.

RIDGEWAY

Mrs. Ed Harrison had as guests over the weekend Mr. and Mrs. Harold Harrison of Detroit and Mr. and Mrs. Hartley Harrison and son, Duane of Royal Oak. The latter left for Chicago Monday morning where Duane will enter his second year in Northwestern University. Mr. and Mrs. Harrison will return to Royal Oak Thursday.

Clarence Gilmore of Tecumseh and sister, Mrs. Alta Boyce and daughter, Miss Marjorie Boyce were guests Tuesday of Lulu and Julia Gilmore.

Mrs. Truman Sisson entertained the guild of the Methodist church at her home Tuesday evening.

Ed Smallidge of Tecumseh called on his cousin, Mrs. Will E. Allen and Mr. Allen Wednesday.

Mrs. Ed Harrison visited in the home of Mrs. Will E. Allen Tuesday.

Mr. and Mrs. Robert Scribner and baby, who have been guests of their aunt, Miss Laura Hite, have returned to their home at Fort Knox, Ky.

Mr. and Mrs. C. S. Risley of Petersburg attended services in the Methodist church here Sunday morning.

Mr. and Mrs. D. V. Sturtevant had as guests over the weekend his sister and husband, Mr. and Mrs. Willard Walling of San Francisco, California.

The United Workers of the Methodist church will meet with Mrs. Eva VanVleet in Tecumseh, Wednesday, September 29, instead of the 28th. Potluck dinner will be served at 12:30.

Mr. and Mrs. C. M. Culbertson spent the weekend in Detroit with her brother, Mr. and Mrs. George Booth.

FARMERS APPRECIATE OUR 4 - YARD SERVICE

Farmers in this area . . . always busy with the work and always finding buildings in need of repair . . . really appreciate the service they get at our FOUR YARDS . . . in Tecumseh, Clinton, Britton and Dundee.

They appreciate our service because they know that the tremendous purchasing power of our four yards makes available to them ALL OF THE MATERIALS THEY NEED for minor or major repairing or new construction. They know that it eliminates the need for them to "run around" to buy the things they want.

We pride ourselves on the service we are able to render to our farm trade. Our high quality materials give long-lasting satisfaction, and our prices are always the lowest possible in keeping with market conditions.

Changing Temperatures Bring Coughs and Colds

Fall weather with its changing temperatures is likely to bring coughs and colds—illness that may lead to serious complications.

Don't neglect the so-called common cold. Statistics show that more time is lost from work because of the "common cold" than from any other illness.

We have all of the home remedies for the treatment of colds, but if they do not respond readily to home treatment, call your physician. He knows the answer and when he gives you a prescription, bring it to us for careful compounding.

DO YOU REMEMBER?

1858

The Board of Regents of the University have unanimously resolved against removal of the medical department and against the admission of females.

Tecumseh Lodge, No. 69, F. & A. M., holds its regular communications at Union Hall, the Friday evening on, or next before, each full moon.

1878

Beginning September 30, the post office will close at 8 p.m.

The foundation walls of the new Herald building are completed and the building will be one of the 2-story buildings in the village.

Farmers are way behind with their work; threshing and seeding still continues; corn is dead ripe with but little in the shock.

1888

S. W. Temple, manager of the Tecumseh Coal Co., has added a stock of lumber.

Several wagon loads went to the fair this A.M. and the train took a big crowd.

Democratic clans of Clinton and Tecumseh unite in a grand pole raising Saturday.

The blessed rain of Saturday and Sunday shows that Mother Nature has not forgotten how its done and people can now sow wheat.

1898

J. W. Priest, Holloway's genial station agent, and Miss Grosse of Wyatt, Ind., were married Sunday.

Helen and Eleanor Norcross of Tipton have entered Tecumseh high school for ninth grade work.

Mr. and Mrs. John Lucas are moving into their new home in the east part of town.

Tecumseh is now enjoying a building boom—16 new houses, a grain elevator and a building for the telephone exchange are now under construction.

About 500 applications for pensions arising out of the War with Spain have been filed at the pension office in Washington.

Miss Bernice Shugars and Corporal Fred Welch of Co. C, 31st regiment were married September 19.

Chester Pilbeam and Sarah McCaughey of Britton were married September 22 at the Reformed parsonage in Britton.

1908

The Lake Shore Sunday train to Detroit will be discontinued Sunday.

The village of Britton suffered a fire last Friday, September 18, that destroyed the greater part of the business section.

The Orr Drug store is to be closed due to the failure of the health of the proprietor John J. Orr.

Born, September 12, to Mr. and Mrs. Frank Reed of Franklin, a daughter.

A woman's congress, inaugurated as an experiment by the Lenawee County Federation of Women's Clubs, will be held this year at the county fair.

1918

Miss Beth Widney, local librarian, left Wednesday for Sacramento, Calif., where she has a position in the State library. Miss Edith Ingersoll is acting librarian.

"Hank" Stevens spent his 79th birthday laying cement walk.

1568 sugar cards have been issued here calling for over 20,000 lbs. of sugar.

Frederick Bernard Wood, son of Mr. and Mrs. Bertram Wood of Sacramento, Calif., won the better baby contest there recently. He was in the perfect baby class, 100 per cent perfect, and a $50 Liberty Bond was awarded to the mother, nee Alice Satterthwaite of Tecumseh.

A ladies band has been discussed here frequently.

1928

A new centrifugal electric pump is to be installed to increase the village water supply.

Ground was broken this week for the new home of Mr. and Mrs. R. H. Moore on South Maiden Lane.

Born, September 21, to Mr. and Mrs. Ivan Spitler, a daughter.

Mr. and Mrs. Marvin Watkins have purchased the D. L. Nolan home on South Oneida street.

1938

Some 602 pupils have enrolled in the Tecumseh schools.

Rev. and Mrs. Edward Escolme celebrated their 12th wedding anniversary September 16.

Mr. and Mrs. D. G. Ellis observed their 55th wedding anniversary Sunday, September 18.

Melvin Murphy is working at the Tecumseh Dairy.

Mr. and Mrs. Carroll Frost sold their home on North Maumee Street to Mr. and Mrs. Floyd Guy, and have moved to their property on South VanBuren street.

Mr. and Mrs. E. J. Lowry have moved to their new home on North Union street, recently completed.

Could Cut Fuel Costs One Half

INEFFICIENT FURNACES, LACK OF INSULATION, UNBALANCED HEATING GETS BLAME

WASHINGTON—What were you doing on the evening of January 10, 1948? You were probably down cellar shoveling coal, the same as you did on January 11, 12, 13 and every other night in the winter. Or perhaps you were sitting in the living room, casting a wistful glance at the oil burner thermostat and wishing for more heat.

More heat isn't exactly what everyone is asking for this summer, but if they want more heat next winter, now is the time to check up on heating facilities.

Walter Timmis, heating engineer, says in a current magazine, "Periodic surveys have demonstrated that domestic oil burner installations are operating at 50 to 60 per cent over-all efficiency" when a 70 to 80 per cent over-all efficiency is possible. Therefore, savings up to 30 per cent are possible if errors in heating installations are corrected.

Weather-stripping and insulation are the best ways of cutting down heat loss. But there are two other important factors which should be watched, according to Mr. Timmis.

Leakage of basement air into the combustion chamber of an oil burner causes excessive oil consumption and heat is lost up the chimney. A gadget for detecting air leaks is called on orsat. Such leaks can be stopped with furnace and refractory cement for about $15 to an average size house.

Another major cause of heat loss is an unbalanced heating system. "For one-pipe systems," Mr. Timmis advises, "correct trapped piping—piping that slants the wrong way or does not slant enough the right way. Install vent valves with large ports on ends of steam mains so that the steam can flow readily to the remote parts of system."

Utilizing these and other heat-saving methods by the entire country "would reduce our fuel consumption by as much as 50 per cent," Mr. Timmis said.

ONSTED

The Happy Rebekah Lodge will meet Tuesday, September 28, at which time July and August birthday anniversaries will be observed.

Mrs. Winifred Hammond of Lansing is visiting her parents, Rev. and Mrs. F. D. Hague.

Mrs. Philip Sayre attended the three day session of Grand Temple Pythian Sisters in Lansing last week.

Herald classifieds pay big dividends.

Legal Mercy Deaths For Incurably Sick Urged; N.Y. Doctors Sign Plea

Legalization of mercy killing has been urged in a petition signed by more than 1000 doctors in New York State. Widespread and heated controversy has been aroused over this fundamental moral issue. Those who favor the proposed bill argue that the incurably ill have the right to choose to die; those opposed, say that euthanasia is murder, and a crime against God and human nature, according to H. N. Oliphant. Discussing the nature of the bill and the arguments of both sides, in Redbook Magazine for September, he writes:

"If the bill should pass, this, briefly, is how it would work:

"Any sane person twenty-one years old or over who suffers from a painful and hopeless condition, could apply to a court for euthania with a petition. The court would then appoint three persons, two of whom must be physicians to investigate the conditions carefully. If this commission reported favorably, and if the patient still desired it, euthanasia would be administered either by a person chosen by the patient or the commission.

"More than fifty religious leaders of New York State, including such eminent theologians as Harry Emerson Fosdick and Dr. Henry Sloan Coffin, formerly of Union Theological Seminary, favor the bill. The most militant opponent of euthanasia — the Catholic Church — takes stern issue. The chief spokesman being the Right Reverend Monsignor Robert E. McCormick, J. C. D., presiding judge of the New York Archdiocesan Ecclesiastical Tribunal, formerly Chancellor to Cardinal Spellman as Military Vicar for our Armed Forces.

"Monsignor McCormick says, 'If we allow the State to legalize voluntary 'mercy killing' we will permit the Government to usurp a Divine Law which prohibits the killing of the innocent. The passage of this bill will indicate that our Legislature has adopted the principle that man-made law takes precedence over the natural law. A thing will be right or wrong only because the civil law says that it is right or wrong and because it seems opportune to the majority of the Legislature at the time, regardless of its basic morality.'

"Not only Catholics, but many Protestants as well, are opposed to euthanasia. Dr. Harllee Bordeaux, General Secretary of the American Council of Christian Churches, which includes 3,000 Protestant congregations, made this statement:

"'According to the teaching of the Bible there is no such thing as legal suicide or legalized murder. We do not believe that the State should be encouraged in any way to usurp such an authority over life, and such a step is a part of the ideology of Collectivist control.'

"The arguments of euthanasiasts are:

"That murder is the 'illegal killing of another person with malice aforethought.' Euthanasia its advocates say, is administered in mercy, not malice; and it will not be illegal when the proposed law is enacted. Therefore it is not murder.

"That ill-considered requests for euthanasia are unlikely to be acted upon, because at any time during the interval between application for euthanasia and its administration the patient may withdraw his application.

"That if doctors may err in diagnosing a disease as 'incurable,' they may likewise err in recommending an operation, and the patient must trust to the judgment of medical science.

"That, if euthanasia were legalized, the law's requirement of a written application by the sufferer and of legal and medical investigation of the case would put serious obstacles in the way of mal-practice; that our courts would be inflexibly severe with anyone who undertook to take the law into his own hands.

"Opposition to euthanasia, chiefly represented by the Catholic Church, is based solidly on Church doctrine, and is concerned only with fundamental arguments.

'Catholics hold that mercy-killing is technically and actually murder — the penal law of the State of New York defines first-degree murder as the killing of a human being from a deliberate and premeditated design to effect the death of the person killed, and that this, except when the act is committed in self-defense, as in war, is a crime punishable by death.

"That euthanasia violates the Biblical command 'Thou shalt not kill,' and is directly opposed to the Divine, natural and positive Law.

"That euthanasia is also contrary to the Divine Law in that it rejects the spiritual value of suffering.

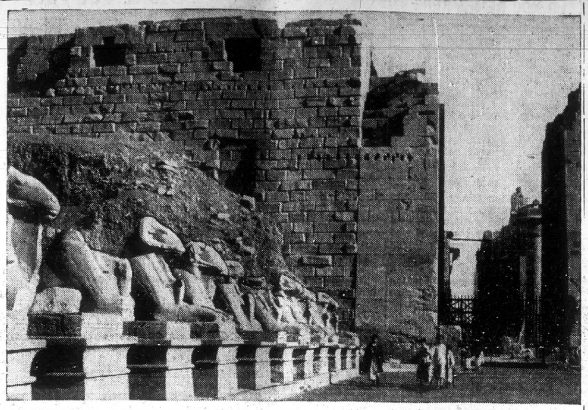
"That our Creator alone has the power to decide the moment at which life shall cease.

"That a patient pronounced incurable may later recover. Moreover, doctors may err in their diagnoses. Hence this law, if passed, would allow unlimited possibilities for the practice of euthanasia on those who have passed middle age.

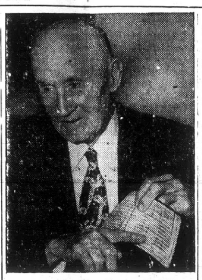
"And finally, according to Monsignor McCormick, 'It is but the first step toward the Hitlerian involuntary euthanasia that shocked the civilized world.'"

—o—

Don't tell a man he's a saint; he knows better. Tell him he's a devil; he will believe it and be flattered.



MILLENNIUMS OF RECONSTRUCTION . . . This is the avenue of ram-headed sphinxes at Karnak, Egypt. From ancient times repairs and reconstruction have been going on at Karnak. But despite the destruction of the centuries there is no other building in the world that can match the Temple of Amon at Karnak. The majestic edifices have been injured and rebuilt during the course of the ages. Construction probably began with the era of the Pyramids, 5,000 years ago, and continued for almost 3,000 years. At the turn of the last century the flood of the Nile weakened the ground on which the Temple of Amon stands, and in 1899 many of the columns of the great Hall of Columns, one of the wonders of the world, fell.



OLD PILOT . . . James W. Montee of Washington, D. C., claims that he is the oldest active private pilot in the country. Now 85, he won his license at 60 and has logged more than 3,000 hours in the air since.

Building Costs To Hold Steady

MARKET IS GOOD, THOUGH THERE ARE A FEW RUMBLINGS

BOSTON — Continued rising prices for both new and old houses are forecast by Robert H. Pease, Vice-President of the nationally known real estate firm of Draper & Kramer, in the July issue of the Harvard Business Review.

With wage-rate increasss noted throughout the building trades this year, Mr. Pease could see no immediate change in the upward trend of prices which has held steady, he said over the last 15 years.

Even though new-home building costs are 80 to 100 per cent higher than in 1939, Mr. Pease stated, there will be no break in prices until "the water in them begins to evaporate."

While construction costs will probably move a bit higher for a while longer, he added, there is a growing realization in investment circles that these costs have considerable "water" in them. This "water" is in the form of low labor productivity and abnormally high contractor profits.

On commercial properties he figured sales prices at 70 to 200 per cent greater than in 1929. Apartment house sales prices, despite rent controls, have risen from 50 to 100 per cent, he said. No valid reasons were seen by Mr. Pease for anticipating lower prices here.

During 1946 and 1947, Mr. continued, an apartment house selling for $100,000 could be financed with a $66,000 mortgage at 2¾ to 4 per cent on a 20-year term. Today, he said, that mortgage is seldom over $60,000, the rate is 4¼ to 4½ per cent, and the period granted for amortization is 10 years.

Thus, Mr. Pease concluded, the real estate market is good "but there are serious problems within it that must be carefully evaluated."

He advised venture capital to consider the broad aspects of the threat of atomic warfare in locating new plants. "Our national security," he declared, "dictates increasing emphasis upon industrial decentralization."

Nearly one-quarter of a million sightseers visited ships of the Navy on their recent goodwill cruise to Ireland, Denmark and Norway.

Record Sales Likely In Small Appliances

CHICAGO—Small electrical appliances will break all sales records in 1948, an industry spokesman has predicted.

William E. O'Brien, sales executive for the McGraw Electric Company, Elgin, Ill., said 310 out of every 1,000 people in the nation bought a traffic appliance last year. He predicted the figure will be higher this year.

Traffic appliances are small electrical items, such as toasters and ironers, which the customer may buy on the spot while passing through a store.

Ninety-two out of every 100 people bought a refrigerator, washing machine, vacuum cleaner, or other major appliance last year, said Mr. O'Brien. He spoke before a conference of 100 dealers and 50 home furnishings market at the merchandise mart.

He told retailers they would have to stock a greater variety of the appliances that people know and want in order to meet the advance in competition.

Last year more than 42,000,000 traffic appliances were sold, said Mr. O'Brien. This was 22,000,000 above the 1940 level, he said. In the same period, the average sales ticket has jumped 121 per cent from $5.60 to $12.38. The total 1947 sales volume in traffic appliances was $529,000,000, Mr. O'Brien said.

A key factor in sales, said Mr. O'Brien, is proper instruction of sales personnel. He said inability to answer questions often sends customers to other dealers.

From where I sit ... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about *the right to disagree*. And it only asks for *tolerance* towards the other person's point of view."

He went on to explain, by way of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the *right* to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

Joe Marsh

HOLLOWAY

Church Notes

Morning Worship 10:30. James Letcher, Pastor. Special music by choir. Organ prelude before service. Sunday School at 11:30, Lyle Calhoun, superintendent. Youth Group services at 7 o'clock. Choir meets every Thursday evening. Everyone welcome.

Born Saturday morning in Bixby Hospital to Mr. and Mrs. Milton Opel, a son, Eugene Richard. Mrs. Opel before her marriage was Alice Jean Mitchell.

Mrs. Floyd Graham, Jr. and Mrs. Floyd Graham, Sr. entertained 25 relatives and friends at a miscellaneous shower Saturday afternoon honoring Mr. and Mrs. Robert Graham who were married in Angola, Ind., September 4. Games and contests were the diversions of the afternoon and the prizes were awarded to the bride. Refreshments were served and Mrs. Graham received many lovely gifts for her new home in Madison Center.

Mr. and Mrs. Paul Kopke and children spent Sunday as the guests of Mr. and Mrs. Allen Edwards of Holland, Ohio.

Mr. and Mrs. William Righter and son attended the Tiger ball game in Detroit Sunday.

Mr. and Mrs. Lloyd Murphy and Mrs. Bertine Comfort spent the weekend visiting Mr. and Mrs. Ned Comfort and fam.y of Albion.

Mr. and Mrs. Jack Finnegan and family entertained in their home Sunday, Mr and Mrs. A. W. Perry, Mr. and Mrs. Fred Doerr and Mr. and Mrs. L. Fredricks all of Cincinnati.

Mr. and Mrs. John Buehrer of Chesterfield, Ohio and Mr. and Mrs. F. W. Kahle of Blissfield were Sunday guests of Mr. and Mrs. Raymond Kahle and family.

Mr. and Mrs. James Letcher and family were hosts for the weekend to Mrs. T. C. Pitzer, Mr. and Mrs. Henry Ecker and son James, and Miss Norma Jean Baxter all of Connellsville, Pa. Miss Baxter and James Ecker remained to enter Adrian College as freshmen.

Weekend guests of Mrs. Edna Wilmoth were Mrs. Charles Brockman of Dundee, Mrs. Elizabeth Chiswell of Detroit and Mr. and Mrs. Walter Hall and children of Plymouth. Sunday callers were Mr. and Mrs. Harold Munson of Fairfield.

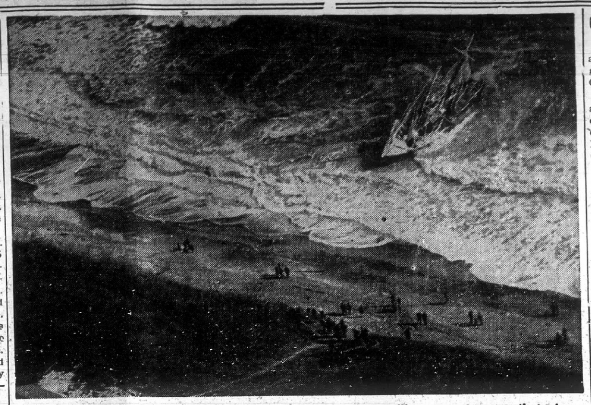
Mr. and Mrs. Leslie Calhoun and son and Mr. and Mrs. John Calhoun attended the birthday party honoring Mr. Fred Rector of Tecumseh on Sunday.

Mr. and Mrs. Alton Wellnitz and children were hosts Sunday to Mrs. S. E. Beaverson and son Forrest of Holgate, Ohio, Mr and Mrs. Russell Beaverson and family, Miss Kathleen Beaverson of Holgate, Ohio, Mr. and Mrs. T. G. Stange, Miss Vernia Beaverson of Toledo and Ron Beaverson of Detroit.

The South Holloway Extension Club met Wednesday afternoon with Mrs. John Gautz as hostess in her home. Five members answered roll call. The October meeting will be a potluck dinner with Mrs. James Mitchell as hostess. Mrs. Gautz served refreshments assisted by her mother, Mrs. Amiel Wellnitz.

The Ladies Aid of the Holloway Presbyterian Church met Thursday afternoon with Mrs. Merlyn Fairbanks as hostess. This meeting was in the form of a reunion of all the older members and Mrs. Frank Hedrick was presented with a going away gift from the Ladies Aid. Refreshments were served to 32 members and 7 visitors.

The Volunteer Class of the Holloway Presbyterian Church will not hold any September meeting due to the Fair. The next regular meeting will be the the fourth Wednesday evening in October.



VIOLENT DEATH OF A TALL SHIP . . . The mysterious and compelling sense of tragedy that seizes the imagination when a ship is destroyed violently in a storm goes with every shipwreck, no matter how small. This New Bedford, Mass., fishing schooner, Cape Ann, is shown stranded on Nauset Beach, being hammered by surf, directly in front of the coast guard station near Chatham, Mass. A breeches buoy was rigged over 100 yards of raging surf to rescue five members of the grounded scallop dragger. Four men remained aboard but escaped when incoming tides drove the craft on the beach.

LOCALS AND PERSONALS

Mr. and Mrs. Elmer Spreeman and son Charles were Sunday guests of her parents, Mr. and Mrs. Guy McGill of Hudson.

Mr. and Mrs. William Spreeman and Mr. and Mrs. Albert Filter and chidren Alice and Robert were recent guests of Mr. and Mrs. Everett Netcher and family of Onsted.

Warren Steurer left Sunday for Canton, New York, to resume his studies at St. Lawrence University.

Mr. and Mrs. Dale Hoag and sons of Saginaw were weekend guests of her parents, Mr. and Mrs. Fred Sheldon. Mr. and Mrs. Paul Sheldon and sons of Dundee were Sunday callers in the same home.

Mr. and Mrs. Leonard Beasley of Northville and Mr. and Mrs. William Spreeman spent Sunday at the home of Mrs. Charles Lister near Britton.

Bran Bugs And Weevils Stored Grain Enemies

Bran bugs and weevels are big enemies of grain stored in granaries points out county agricultural agent, Louis G. Hall. He urges farmers to inspect their stored grain regularly from now on for evidence of damage by these insects.

Damp grain tends to heat and it is in heated grain that these pests may be at work. Bran bugs and weevils can cause grain to heat enough to cause great damage in addition to the injury done by their feeding. Warm weather during the fall is very favorable for grain insects.

Fumigation is the best means of getting rid of bran bugs and weevils once they infest the grain. Ray L. Janes, extension entomologist at Michigan State College advises that careful attention must be paid to the conditions under which fumigation is done. The granary must be tight enough to prevent the fumigating material from escaping through the walls while fumigating is being done. The temperature of the grain must be above 65 degrees Fahrenheit when the work is done. The fumigant should be used according to directions obtainable from the agent's office.

Janes recommends a mixture of three parts of ethylene dichloride and one part of carbon tetrachloride for fumigating. The carbon tetrachloride is essential because ethylene dichloride is explosive when used alone. Both substances are poisonous and must be used with great care. Avoid breathing the fumes. The mixture is used at the rate of one gallon to 200 bushels of grain.

Take the capacity of the granary into consideration, since one gallon of the mixture will not be enough for 200 bushels of grain in a 1000 bushel capacity granary. The county agricultural agent can give further information on the fumigation of stored grain.

Not a Bank

A trolley passenger apprehensive lest she pass her destination, poked the conductor with her umbrella.

"Is that the First National Bank?" she asked.

"No, mum," answered the conductor. "That's my stomach!"

Do You Have Something You'd Like To Sell?

Would You Use An "Exchange Shop"

If One Was Available?

The American Legion Auxiliary is thinking about opening an "EXCHANGE SHOP" in Tecumseh very soon, if there is enough interest in the project to warrant it.

Here, briefly, is what is planned: The shop will operate each afternoon and all day on Saturday and Saturday evening.

You bring to the shop any clothing, furniture, dishes, children's toys or what have you, and the Shop sells it for you, charging a 20% of the sale price as a commission.

Similar shops have operated in other cities and villages very successfully. They serve as a clearing house for their communities.

If you would be interested in such a program, and if you believe that such an enterprise could be operated successfully locally, phone Mrs. Laine Holden or Mrs. Florence Howe at once.

If there is sufficient response, a shop will be opened here within a week or two.

Miss Joyce I. Bowman Is Bride of John B. Aho

Before the altar decorated with burning tapers in candelabra, palms and baskets of gladioli, Miss Joyce Ilia Bowman, daughter of Mr. and Mrs. Jessie Bowman of Tecumseh, and John B. Aho, son of Mrs. B. Aho of Rock, Michigan, were united in marriage by the Rev. B. O. Bashore in the Tecumseh Baptist church Sunday evening. The double ring ceremony was performed at 8 o'clock.

Given in marriage by her father, the bride was gowned in white satin, the bodice of which was styled with a sweetheart neckline outlined in beads and long sleeves which came to points over her hands. The skirt swept into a long train. Her full length veil was trimmed in lace and she carried a bouquet of white roses.

Mrs. George Bowman of Wayne was the matron of honor wearing peach taffeta moire. The bridesmaids, Mrs. Norman Soarie of Detroit and Mrs. Bud Kibby of Saline, were gowned in peacock blue taffeta moire.

Attending Mr. Aho was the bride's brother, George Bowman as best man, Bernard Bowman and Norman Soarie of Detroit. Seating the guests were Robert Bowan and Mr. Layvill. The men all wore brown suits, white shirts and yellow ties.

Preceding the ceremony Mrs. Kenton Hunt played a program of organ music.

The bride's mother was attired in black crepe with black accessories and a pink rose corsage. Mrs. Aho wore dark green crepe and black accessories with a pink rose corsage.

After the ceremony a reception for some 146 guests was held in the K. of P. hall. Mrs. J. T. Callahan and Mrs. Guy of Tecumseh and Mrs. Roy Carlton of Saline assisted with the serving. The three tiered wedding cake was topped with a miniature bride and groom.

For their trip to West Virginia, the bride wore a black gabardine suit.

St. Peter's Plan For Anniversary

(Continued From Page 1)

teaching and making long-range plans for the church school.

A special program will be announced for the church school in connection with the 115th anniversary of the parish. Among the teachers are Mrs. Russell Cheever, Mrs. Helen Brollier, Mrs. Thomas O'Hara, Mrs. Lynn Hubbard, Mr. and Mrs. Charles Manley, Mrs. Orville Laidlaw and Mr. M. L. Dannells, Jr. Mr. W. H. Wick is secretary-treasurer. Supplementing courses on the Bible, Old and New Testament, and worship, the school is having special courses on the traditions and customs of the Episcopal church and a course for high school students on the prayer book. Deaconness Olive M. Robinson, field worker for the Diocese of Michigan, now working in St. Peter's parish by assignment of the bishop, the Rt. Rev. Richard S. Emrich, is directing the church school work until October 10.

The enrollment of the Church School has increased and attendance is nearly double that of last year.

In addition to the regular Sunday worship service and lesson period at 10 o'clock the children meet each Saturday afternoon at 2 for moving pictures.

PLAN CHURCH BAZAAR ON NOVEMBER 3RD

At the regular meeting of the Presbyterian Women's Association last week Wednesday evening at the church, it was decided to hold the annual chicken supper and bazaar at the church November 3.

Mrs. Edith Cotton Smith prepared the program on the topic "The Single Purpose of Christian Education", and this was presented by Mrs. Glenn VanDenbergh. Those who assisted were Mrs. J. W. Spafford, Mrs. Burdette Kizer, Mrs. Clair Dickinson and Mrs. John Saling. Miss Edith Ingersoll led in devotions. Rev. D. C. Wilson showed moving pictures pertaining to the New Curriculum of the Sunday school.

Mrs. Mel Partridge and her committee served refreshments.

Braves To Play Fenton, Sept. 25

(Continued From Page 1)

Before the end of the quarter the Braves drove to Monroe's sixteen yard line before fumbling. Tecumseh's fumbles, of which there were six, cost them much yardage if not the game.

The fourth quarter opened with both teams taking to the air as neither lines could be dented for much yardline. Ferguson's pass carried to the Brave's 33 before being halted. With two minutes left, Bunch's kick on the fourth down was blocked on Tecumseh's 29. Ferguson passed to the seventeen and a first down. An end run carried to the first and another first down. The Braves tried to hold but with six seconds to go, Monroe scored and kicked the extra point.

Bob Laidlaw and Bill Tilton played a very good game in the lines along with Bob Baker, Dermont Poley and Bill Bunch in the backfield. Before the game Bill Pagel and Bob Baker were elected captains for the year.

The Braves played the Big Reds of Adrian last night and they play Fenton at Recreation Center next Saturday night, at 8 o'clock, under the lights.

The lineups for Saturday night's game are as follows:

Monroe: Rohn, RE; Miletti, RT; C. Reisig, RG; C. Powers, C; Mason, LG; Smith, LT; Bell, LE; Ferguson, QB; Chickeral, RH; DeFiore, LH; A. Powers, FB.

Tecumseh: Hough, RE; Dinse, RT; Hadley, RG; Pagel, C; Tilton, LG; Laidlaw, LT; Purkey, LE; Osburn, QB; Kennedy, RH; Baker, LH; Bunch, FB.

MacNaughtons Honored At Sunday Reception

The Woman's Society of Christian Service of the Methodist church entertained Sunday evening in the church parlors at an informal reception honoring Dr. and Mrs. Norman MacNaughton. Dr. MacNaughton is beginning his seventh year with the church, having served longer than any other pastor.

Miss Vera Gilbert, Mrs. Floyd Elliott and Mrs. Arthur Brown decorated the room attractively with baskets and bouquets of flowers, and also planned the refreshments which were served to some 100 guests by the Misses Beverly Hay, Nadine Carney, Donna Burleson, Sally Jo Rentschler and Virginia Snyder. Members of the Ministerial Association were special guests.

Mrs. Wilfred Waldron presided at the piano after which Mrs. Truman Rentschler gave a brief welcoming talk. With Mrs. Waldron, Mrs. Ellsworth Collins arranged the folowing musical program: piano duet, "Softly Now the Light of Day," Janet Erhart and Nita Spangler; vocal duets, "Morning" and "Sylvia" (Oley Speaks), Mr. and Mrs. Edward Beal; piano duet, "Hymn Tunes," Mrs. Kenton Hunt and Mrs. Woodrow Hunt.

150 Parents Attend Opening P. T. A. Meet

Some 150 parents attended a reception, sponsored by the Parent-Teachers Association, in the high school gymnasium, Thursday evening. Mrs. Truman Rentschler president of the Association, named the following chairmen: school dances, Mr. and Mrs. Carl Fosbender; historians, Mr. and Mrs. J. W. Spafford; publicity, Mr. and Mrs. Grenval Spangler; program, Mrs. Ray Sluyter.

The program included several readings by Mrs. A. W. Kopke and two vocal solos by Jack Tonneberger, accompanied by Mrs. Kenton Hunt, after which refreshments were served by Mr. and Mrs. James Hartsell, Mr. and Mrs. C. W. Hanna and Mr. and Mrs. Clair Ramsay. A large circle was formed as each person was given an opportunity to meet and shake hands with everyone else present.

The next meeting will be held Thursday, October 21.

SCOUTS ELECT

Barbara Ousterhout was elected president of the Cardinal Girl Scout Troop Number 6 when the group met at her home recently. Other officers are: vice president, Elizabeth McKenzie; secretary, Sandra Judson; treasurer, Marcia Treby.

Tecumseh F. F. A. Boys Exhibiting At The Fair

Many of the Tecumseh F. F. A. members who have livestock projects are exhibiting at the Lenawee county fair this week. Those exhibiting steers are Fred Feight, John LaGore, James Winzler, Dick Kahle and Freddie Long. Fred Feight is also showing a heifer calf. Many others are exhibiting grain, etc.

The regular livestock judging contest occurs today and the local chapter has been grooming its judges to take part in the contest.

To defray the expenses of the judging, the local chapter is sponsoring an eat stand at the fair, selling light refreshments, soft drinks, etc. The building used for this purpose is a quonset building, the use of which was donated to the organization by the Rogers Lumber Co. of Adrian.

ALBERT F. ROGERS TO BE BURIED AT CLINTON

Funeral services will be held this (Thursday) afternoon at the Hause Funeral Home in Clinton for Albert F. Rogers, aged 74 years, who died at midnight Sunday after a long illness. The Rev. Franklin Littell will officiate and burial will be in Riverside cemetery.

Surviving are the widow, Laura, one daughter, Mrs. Glenn Mathews, two grandchildren and one great-granddaughter, all of Clinton, two brothers, Chester of Chicago and John of Ann Arbor, and three sisters, Mrs. Mary McCollum, Mrs. Charles McCollum and Mrs. Glen Randall, all of Clinton.

WOMEN PREPARE BOWLING SCHEDULE

With the opening of the Airport Bowling Alleys, the following teams in the Tecumseh Women's All-Star League will bowl as follows: The Seven O'clock Shift—Clinton Dairy Bar, Atlas Milling, The Bucket, Eastons Friendly Service, Hoelzers, Tecumseh Tavern, Bens Market, Hannas Insurance, Nine O'clock Shift—Beachs Service, Morris' Cafeteria, Tecumseh Products, Weatherman's Inc., Race Track Inn, Palmans, Tecumseh Greenhouse, Top Hat.

B. & P. W. CLUB TO MEET ON MONDAY

"Vacations" will be the topic for the program at the initial meeting of the year of the Tecumseh Business and Professional Woman's Club, Monday evening, September 27, at the Baptist church. Dinner will be served at 6:45 p.m. Alice Seeger and Irene Boltz will have charge of the program while Martha Artman will lead in devotions. The hostesses are Vevia Anderson, Crystal Barber and Ruth Biddix.

GUESTS AT VALLEY

Some 18 members of the Friends church Missionary Society were guests of the Raisin Valley group Thursday afternoon at the Friends church at Birdsall. The local group was in charge of the program which was presented as follows: devotions, Mrs. Jennie Slater; reading, Mrs. Emma Day; vocal duet, Mrs. Elizabeth Hayden and Mrs. Ella Escolme. Missionary games were enjoyed after which a lunch was served.

DIES IN CALIFORNIA

Mrs. Clarence Millhiser, aged 80 years, died suddenly at her home in Long Beach, California, Sunday. Among her survivors are a daughter, Mrs. S. E. N. Thatcher and a granddaughter, Mrs. William A. Wright, both of Tecumseh.

BIRTHDAY SURPRISE

Wesley A. Handy was pleasantly surprised at his farm home southwest of Tecumseh, Sunday by a gathering of his family in celebration of his 64th birthday anniversary. Guests at the potluck dinner included Mr. and Mrs. Fay Handy and family of Adrian, Mr. and Mrs. Lester Handy, Mr. and Mrs. Wilson Handy and Mr. and Mrs. Clare Handy and their families, all of Tecumseh; his sister, Mrs. Marcia Carson, and his uncle, John Mull, both of Tecumseh. Mr Handy received many nice gifts. It was decided to meet each year at the same time for an annual reunion.

BASHORE TO SPEAK

Rev. B. O. Bashore will be the guest speaker Saturday when the Devereaux Grange near Albion will celebrate its Diamond Jubilee.

The Rev. Mr. Bashore was the speaker at the Monroe-Lenawee Equipment Dealers' Association meeting at Petersburg last Thursday evening. He was the guest of Owen Partridge, president of the organization.

TO MEET MONDAY

The Happy Home Builders of the Baptist church school will meet Monday evening, September 27, at the home of Mr. and Mrs. Carl Fosbender for a potluck supper at 6:30.

JUNIOR LEAGUE MEETS

The Baptist Junior League met Tuesday evening at the home of Mrs. Gene Fisher near Tipton. Mrs. George Burns, just returned from Korea where she spent two years with her husband, gave an interesting talk of the country.

WELCOME CLASS

The Welcome Class of the Friends Sunday school will meet Friday evening, September 24, at the home of Mr. and Mrs. Marvin Johnson at 8 o'clock. Mr. and Mrs. Walter Wagner have charge

LOCALS AND PERSONALS

Miss Dorothy Jean Brandt has resumed her studies at Michigan State Normal College at Ypsilanti.

Mrs. Charles Beland entertained at a party Saturday afternoon honoring the fifth birthday of her daugher, Evelyn. Games and favors were enjoyed, as was the ice cream and birthday cake.

Guests this week of Mr. and Mrs. Al Hooten and children are her mother and brother, Mrs. John Taylor and Jim Caraway of Baton Rouge, Louisiana.

Weekend guests of Mr. and Mrs. Lavern Graff and son Richard were Mr. and Mrs. Walter Goff and daughter Hazel of Jackson. Sunday Mrs. Graff entertained with a chicken dinner at Wamplers Lake honoring the birthdays of Mr. Graff and his brother-in-law, Mr. Schollhaner of Jackson. Other guests included Mrs. Schollhaner and family, Mr. and Mrs. Bolt Farver and Mr. and Mrs. Leo Kerchok of Tecumseh, Mr. and Mrs. Walter Craig and family of Macon, Mr. and Mrs. Leonard Graff of Saline, John Wilcox of Cadillac, grandfather of Mrs. Vern Graff, Mr. and Mrs. Don Brooks and daughter Barbara and son Bobby.

A son was born to Mr. and Mrs. James Barton at St. Joseph's hospital in Ann Arbor, Tuesday, September 21. Mrs. Barton's condition is much improved. Her mother, Mrs. C. W. Glenn of Stockbridge, is caring for their children, here.

If its news call The Herald.

Careful Harvesting Of Potatoes Urged By Hall

Extra care in harvesting potatoes will prevent much loss from spoilage suggests Louis G. Hall, county agricultural agent. Rough handling causes cuts, bruises and peeling. The agent says a little care will result in better potatoes to market during the winter months.

Consumers are demanding a well graded, clean and attractive bag of potatoes and Hall believes farmers taking extra effort to please the consumer will get more profit in the long run.

Under cool, cloudy conditions, potatoes should be allowed to remain on top of the ground an hour or two to let the skins set. But if the sun is bright, gather them before they get sunscald.

Potatoes should not be shoveled or dumped roughly into bins. Potatoes with bad cuts should be culled out. They may start spoilage that will claim many of the tubers.

COUNCIL PROCEEDINGS

Village of Tecumseh
Council Building
September 13, 1948

Present: President Watkins, Trustees McCombs, Beach, Porter, Ousterhout, Driscoll.

Absent: Mensing.

The following amendment to an Ordinance to amend an Ordinance to regulate digging or excavating in or upon any of the streets, highways, or alleys within the corporate limits of this village. The Village of Tecumseh ordains:

(69) UNLAWFUL WITHOUT APPROVAL OF VILLAGE ENGINEER.

SECTION 1. That it shall be unlawful for any person whomsoever to dig or excavate in or upon any of the streets, highways or alleys within corporate limits of said Village without first obtaining the consent and written approval of the Village Engineer of said Village.

(70) VILLAGE ENGINEER TO INVESTIGATE.

SECTION 2. Before granting such permission the Village Engineer shall first ascertain whether such proposed digging or excavating will interfere with any underground pipe, cables or conduits.

(71) CONDITIONS.

SECTION 3. The permit shall only be granted upon the express understanding that the work shall be subject to supervision and inspection by the Village Engineer and under such conditions and regulations as he may impose, including the requirement that the applicant deposit a cash bond with the Village Clerk to insure replacement of the street, highway, or alley in a good and safe condition for travel.

(72) PENALTY.

SECTION 4. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof before any Justice of the Peace of Tecumseh Township, may be punished by fine not exceeding One Hundred ($100.00) Dollars or imprisonment in the county jail not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

Was offered for adoption by Trustee McCombs.

Motion by Porter supported by Beach that above amendment be adopted and given immediate effect.

Ayes: McCombs, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Marvin Watkins,
President
Wade L. Jones,
Clerk

Smith—My wife looks after me, all right? Why, she takes off my shoes for me every evening.

Jones—When you come home from the club?

Smith—No, when I want to go to the club.

Illinois Speeds Reforestation

SALE OF SEEDLINGS ADDS GROWTH TO STATE CONSERVATION PLAN

SPRINGFIELD, ILL. — During the present year the Illinois Division of Forestry in the State Department of Conservation will have sold more than 5,000,000 seedling trees to farmers and others interested in the State's reforestation program. If current plans are realized, the annual output of seedlings will be stepped up to more than 15,000,000 plants.

Under the direction of Elmo Nuuttilo, State Forester, strenuous effort will be made to reforest an additional 3,000,000 acres of submarginal agricultural land. This total added to the present 3,500,000 acres of timber in the State, would restore to some extent the original forested areas of the State.

Transplants and seedlings from the State's two tree nurseries—the Union State Tree Nursery and the Mason State Tree Nursery—are made available to the cooperating parties at nominal cost. The plants, produced by highly mechanized methods at the nurseries, are sold for as little as $5 a thousand. This program of reforestation has been under way since 1936.

Of the 12 district foresters aiding Mr. Nuuttilo in the program, seven are engaged in working with the farmers. Every effort is being made to instruct them in the development of woodlands for recreational, income, erosion control, and game conservation purposes. The idea of timber cropping along the streams and highlands and particularly in the southern third of the State is being given great emphasis.

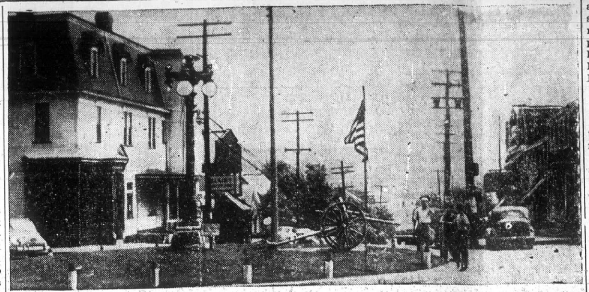
Communities, clubs, sportsmen's groups, strip mines, schools, and youth organizations are being included in the program.

At present there are 53 community forests in the State, and eight county forests. Illinois also has one national forest of nearly 250,000 acres and three state forests totaling 10,000 acres.

Illinois imports about 90 per cent of the wood used within the State. Yet, it still supports a sizable wood industry. At present there are 1,100 sawmills employing more than 5,000 persons. These mills are producing 13,000,000 board feet a month, or wood equivalent to build 1,440 houses a month.

However, Illinois woods are hardwoods and are not generally used for construction purposes, but for crating, barrels, farm tools, and other specialized purposes. Actually, more than 30,000 workers are employed in the wood industries of the State.

Although Illinois is known to its own citizens and to the nation as primarily an agricultural and industrial State, current developments indicate that the forest resources have a high degree of importance.



FORTUNE SMILES ON LITTLE MINING HAMLET . . . The main square of Perryopolis, Pa., tiny hamlet in the shadow of Pittsburgh's gigantic steel mills, looks much like many another American small town. But there's a big difference, although it doesn't show yet in a photograph. The civic lot of Perryopolis will be enhanced soon by an estimated 20 million dollars. The late Mary Fuller Frazier, a native of the community, willed the greater part of her vast estate to Perryopolis for civic improvements. The street light in the middle of the square is the only one in town.

Poor Eyesight Youth Handicap

ONE OUT OF EVERY FIVE SCHOOL CHILDREN ARE AFFECTED, SURVEY SHOWS

Poor eyesight handicaps one out of every five Michigan school children, according to facts revealed in a study conducted by the Michigan Department of Health.

To help these children and to prevent sight loss in other children the Department last year undertook a vision conservation program designed to help local agencies and groups who are interested in the prevention and correction of sight defects of children and improving the visual environment in schools and in homes.

During the first year of the program, the Department's vision consultant has been invited into 27 counties to advise on how to find the child with sight difficulties, how to arrange for his treatment, how to care for the eyes, how to prevent eye defects through improving general health, and how to improve the visual environment of schools and homes. Services of the Department's consultant were also provided to teacher education colleges, teachers' institutes, and workshops.

During the year nine counties carried on a program in which all school children were tested for near-sightedness, far-sightedness, and eye muscle imbalance. Of the 33,585 children tested in these counties, 3,864 showed some sight defect. In addition there were 2,748 children who were under treatment or who had undergone treatment for eye conditions. In cooperation with the State Department of Public Instruction, classroom adjustments were recommended for 1,011 of the children tested in this area. Tests for near-sightedness were carried on in other counties.

The Department has testing instruments, light meters and motion picture films dealing with vision which are loaned to local communities to aid in their vision programs. It also has lists of educational materials dealing with vision.

Equipment and materials as well as the services of the vision consultant are available upon request made through the local health department or where there is no local department, directly to the Michigan Department of Health, Lansing 4, Michigan.

DEPENDABLE CLASS

The Temple Dependable class of the Methodist church held its first meeting of the season last week in the church parlors with all newly elected officers present. There was a good attendance of some 14 members. It was voted to send $5 to the Ethel Harpst Childrens' Home in Georgia, and also to have a rummage and bake sale in October. Memory prayer was held for two deceased members, Mrs. Eugenia Powell and Mrs. Jessie Page. Mrs. Carl Burch expressed her thanks to those who donated baked goods and clothes to the recent rummage sale. Mrs. Burch and Mrs. Mae McLain were the hostesses for the afternoon.

Keeping your fingers crossed won't save your car! But regular checkups and repair by our expert mechanics will! Go To Church On Sunday

The Building of Babel

"And they said, Go, let us build a tower, whose top may reach unto Heaven, and let us make us a name, least we be scattered abroad upon the face of the earth."

"And the Lord said, Behold, all the people is as one, and they have all one language . . . Go to, let us go down there and confound their language, that they may not understand one another's speech . . . So the Lord scattered them abroad from thence to the face of the earth . . . " (Genesis 11:4-10).

The Word of the Lord is not confined to one language, one people, one creed. Your church, too, is striving to fight intolerance and greed among all peoples . . . Join this fight—attend the Church of your choice this Sunday.

Jobless Man Is Paid $51 Weekly

AND HIS UNEMPLOYMENT COMPENSATION CHECK IS NON-TAXABLE, TOO

BOSTON—The highest unemployment compensation ever paid to a jobless worker in the United States is going to a Massachusetts fisherman with 13 children. He is receiving $51 a week from the State.

This was disclosed by a check-up with the Social Security Administration at Washington.

The fisherman has drawn seven checks of $51 each. For himself he gets $25, and $2 more for each of his children under the new state law granting children's dependency allowances.

He is receiving much more money from the State for being idle than during the last year when he was employed. His earnings for the past year averaged $34.53 a week.

The previous high mark in Massachusetts was $47 a week, given last year to a carpenter with 11 children.

At $51 a week, the unemployed fisherman is receiving more clear money than the weekly average of the wage earners in Massachusetts industry, according to the last state survey. Covering 423,901 workers in manufacturing, this placed their average weekly earnings at $51.28. These are subject to taxes, while the fisherman's jobless pay is not.

The fisherman has so far collected $357 and if he obtains all he is eligible for, will receive a total of $539.

Another record-breaker was reported by the Division of Employment Security when it announced making payments of $49 a week to an unemployed man with 12 children. His average weekly wage during the past year was $54.25. He collected three checks of $49 and five of $47, and may obtain $526 in all.

Commenting on these high payments of unemployment compensation, Dean William G. Sutcliffe of the College of Business Administration, Boston University, who is chairman of the State Advisory Council of the unemployment insurance system, said today:

"This is further indication of the fact that unemployment compensation is becoming more and more a welfare concept, and the sooner we recognize this fact and give up unemployment compensation as presently administered and make it dependent upon general taxation, the better."

RUSSIAN WALK LEAVES THREE ON BASE . . . This stern-visaged threesome used to be a foursome. Together, the quartet—representing the Big Four nations—would stand guard happily at the Berlin Kommandatura, seat of the Allied governing body in Berlin. But the disgruntled Russians walked out of the council, took their sentry with them and said they weren't coming back. So that left the (left to right) British, American and French representatives in charge.

Utilities Worry About Inflation

IMPACT SOON WILL REACH THE CONSUMER'S POCKET-BOOK, REPORTS INDICATE

By Gene Alleman
(Special To The Herald)

LANSING — Inflation is fast catching up with Michigan public utilities.

The impact will soon reach the consumer's pocketbook.

Utility rates are going up, if they haven't done so already.

How much? That depends on the judgment of three men, members of the Michigan Public Service Commission, who serve as referees in behalf of the people to see that consumer and investor alike get a fair deal.

We chatted recently with Stuart B. White of Niles, chairman, and his two commissioners: Schuyler L. Marshall of St. Johns and Henry L. Woolfenden of Detroit. It was a late-summer day, quite hot and humid. All three men had foregone summer vacations, and they were not any too happy about it. The pressure of work work was heavy.

"Post-war inflation, added to war time inflation, has increased expenses of the Michigan Bell Telephone Company 137.5 per cent, the Detroit Edison Company 63.8 per cent, Michigan Consolidated Gas Company 70.6 per cent, and the Consumers Power Company 67.2 per cent," said White, referring to a notebook. (Figures covered 1941 to 1947.)

"You can see why these companies are before the state commission with requests for rate increases. As a result, our workload has tripled in 12 months.

"Utilities have a monopoly by state franchise and hence are not self-regulated by competition, as is the case of private business. Because of this fact, they are permitted to earn only enough to pay a reasonable return to investors. They cannot set aside profits to meet the cost of needed improvements and expansion of their plants as private industry does. Utilities are regulated by the legislature, and the commission acts as a court. It's our job to look after the public's interest—good service at fair rates."

The Public Service Commission has jurisdiction over five general classes of utilities: Electric power, telephone, gas distribution, railroad and motor transportation, such as buses and trucks.

What the commission does is highly important to the people of Michigan. These utilities touch the lives and reach into the pocketbooks of every citizen. Invested capital of Michigan utilities amounts to more than $2,000,000,000. The people pay more than $600,000,000 each year in fees—just about twice what the State of Michigan collects in all forms of taxes.

Nineteen major utility companies filed applications in 1948 for rate adjustments, as inflation kicked up their cost of operation. Collectively, these utilities asked a total of $40,000,000 additional income.

In addition to the high cost of doing business, utilities are forced by long-established policy to expand their service whenever the public demands more service. Private industry would put off expansion, if prices were out of line. Utilities can't delay installation of telephones, laying of gas mains, generating plants, and so on.

Michigan Bell, for example, is now expanding its telephone service to the tune of $120,000,000. Consumers and Detroit Edison are borrowing $100,000,000 each. Detroit Edison stockholders number 44,000 persons—all of which have risked money for investment. This profit incentive makes America tick.

"The financial impact of an interruption in the service of a single utility," related Chairman White, "is well illustrated in the 17-day curtailment of natural gas to a number of Detroit industries in January, 1948.

"Approximately 100,000 workmen lost $8,700,000 in wages. Unemployment compensation payments totalled $1,356,880, while the state spent $150,000 for additional administrative help to process the applications. It is estimated that the grand total was around $10,800,000—all because one utility was unable to provide full service to all of its customers for only 17 days.

"Members of the commission sense an obligation, as representatives of the people, to do everything possible to assure adequate service by our public utilities. The consequences of our failure to do this would be costly, indeed."

When the commission does announce its findings on pending cases for higher utility rates, you may be sure that these three men—all appointees of Governor Kim Sigler—believe the rates to be the lowest rates consistent with good service.

The history of the utility commission has not been favorable to public interests. The average commissioner has held office for only three years. Salaries have not been aways attractive to high-calibre business men. Appointments have been political, as a reward for political support, in too many instances.

The commission gets little publicity. Yet its work affects every one.

That's the picture of the Michigan Public Service Commission in September, 1948.

Over Their Heads

A distinguished orator was addressing a convention of women's clubs.

"It does me proud," he began, "to stand on this platform which is like a beach before an ocean of loveliness, and cast my glances over a sea of smiling faces. I er-er-er—

"Careful," cautioned the chairman, "the first thing you know you'll be floundering among the Marcel waves."

Successful business does not depend upon the elimination of clean competition anywhere, at any time.

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

EAST TAWAS—Joseph Valinto, government forest engineer of Czecho-Slovakia, shook his head. He had been traveling about the United States and had just arrived in East Tawas for a visit at headquarters of the Huron National Forest.

"You Americans are so wasteful," he said. "I cannot understand it. Over in Czecho-Slovakia we try to plant trees as we cut them. We do no let any part of the tree go to waste. Even small sticks are gathered as faggots to burn in stoves. But in this country—it seems such a pity. You Americans waste so much."

Valinto voiced his wonderment in a talk here with John Franson, district ranger.

Franson related it to use when we dropped in for a chat. The chat ended up in a day's inspection tour of a few of the 450,000 acres of federal forests under his wing. After getting a close-up of what Uncle Sam is doing to rebuild our vanishing forests, we were both worried over the future and somewhat reassured. It's hard to explain.

Here's a fast picture, as we got it.

The United States is rapidly becoming a have-not nation in natural resources.

According to the last annual report of the Forest Service, the nation's woodpile has been reduced 44 per cent in the past 36 years. And listen to this: The annual drain on the nation's forest approximates 54 billion board feet, while the annual growth is only 35 billion board feet.

The annual loss is greater than annual growth by more than 50 per cent.

Maybe the Czech forester was right, after all.

And yet the picture isn't all black. There's a silver lining or two.

"I believe there is a change of national thinking about our national resources," commented Franson. He is a career man in federal forest work; a native of Boston who went to the University of Michigan. "Congress increased funds this year for tree planting, and as a result 12,000 acres of trees are to be planted in Michigan. Crews started their work in the Huron National Forest last Monday (Sept. 13)."

The money spent will be an investment rather than an expense. National forests are beginning to "earn" their own way, covering cost of planting by sale of timber.

Approximately 2,800,000 pine trees will be planted in the Huron forest alone.

A tractor and a tree-planting machine, manned by only two men, can plant 10,000 to 12,000 trees in one day—about three times more than by hand. Trees lie dormant over winter.

Jack pines, planted 1,000 to an acre, about six feet apart, will mature in 60 years. If the soil is right, white pines are used. The seedlings are planted, close together so that each tree will be forced upward to get its share of sunshine, and the result will be a tall pine tree. In 25 years the first thinning is done, and sale of this pulpwood will cover cost of the original planting. Then in another 35 to 40 years the trees will be thinned again.

As the old trees are cut, new seedlings are planted. Then you have a perpetual supply of wood.

Timber contractors used to import southern whites to cut the Huron woods. When the trees were all gone, the southerners became welfare clients of the community.

The modern system is much better. The Forest Service helped 120 farmers to organize a co-operative, the AuSable Forest Products Association. Proceeds of Huron pulpwood, sold to paper mills at Muskegon and near Ludington, are pro-rated among members according to cords cut. The co-op has provided a steady income to supplement farmers' earnings, especially during winters. Wages now average $1 an hour.

As substitute for taxes, 25 per cent of stumpage receipts are returned by Uncle Sam to county governments. And 10 per cent comes back for local road improvements.

A careless camper started a forest fire here last May. Fed by a 20-mile-an-hour wind, flames raced over crowns of pine trees a distance of two miles in 90 minutes. Foresters and farers checked the conflagration only by literally fighting fire with fire.

If dry weather cycle returns, and Franson fears it is now due, the peril of fire will be greatly increased.

More of a danger, however, is public indifference to the steady draining of our timber resources. We can't continue to cut and burn more trees than we grow. Our water level is dropping steadily. Soil erosion has soared as man turned forests and grasslands into open, bare fields. Dust bowls are man-made.

Our visit to the Huron National Forest convinced us of one thing. It's significant. Planting of trees, under expert supervision and long range control, is a sound national investment — one that is self-supporting, paying steady dividends.

It takes 60 to 100 years to grow a tree. What are we waiting for?

CLINTON

500 Pupils Enroll In School

Some 500 pupils have enrolled in the Clinton public schools, acting superintendent J. S. Hartman, announced after registration last week. Superintendent W. D. Moats is ill and Mrs. Ira Jump, a substitute, and Albert Fox are teaching his classes.

Jones Is Choir Director

Neil Jones has been named as director of the newly organized choir at St. John's Episcopal church. Mrs. Frank Tully is the organist. Rehearsals are being held every Thursday evening.

Mrs. Lois Minor has replaced Mrs. Joyce Simons as cashier in the State Savings Bank. Mrs. Simons is employed by the Ford Motor Co. in Manchester.

Walter Rawson and daughter Margaret are vacationing in the western states.

Guests last week of Mr. and Mrs. John Stewart were Mrs. Robert Stewart and son Bobby of Plymouth.

Jack E. Warner, lay-minister of St. John's Episcopal church, was in Royal Oak Thursday, attending a conference of the clergy of the Diocese of Michigan.

Mr. and Mrs. Richard Steffens are on a motor trip to Denver, Colorado.

Mrs. Clyde Miller, accompanied by Mr. and Mrs. Charles Mensing of Tecumseh, returned home Friday from a two-weeks trip to New York City and through the eastern states.

Mrs. Erma Hainey of Belleville was a guest of Mr. and Mrs. Fred Geiger and daughters over the weekend.

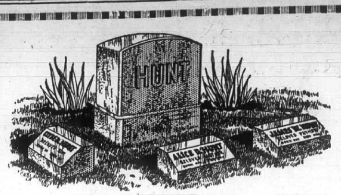
Mrs. Harry McSwain and daughter, Mrs. Louis DeGroff of Hooks, Texas, left Monday after visiting for a few days with relatives. They also atttended the funeral of Mrs. George Ernst.

Roy Jedele had his eye removed at the University hospital last week after injuring it several weeks ago while working.

Liberality In Reverse

"Look what de good Lawd is done foh youall," exhorted the Negro preacher. "You ought to give a tenth of all you gits."

"Amen," shouted a perspiring brother, catching the spirit of the occasion, "but, a tenth ain't enough. Ah say les' raise it to a twentieth."



Dedicated To Memories

Memories are in the making now. The associations of today will someday be crystallized into precious memories. To sustain your indelible sentiments, let us create a monument—so artistically designed—and so superbly fashioned, that it will live as eloquent testimony of sacred memories forever.

LEGAL NOTICES

STATE OF MICHIGAN,
County of Lenawee. ss.
Probate Court for said County

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 1st day of September in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E TRIPP, Judge of Probate.

In the matter of the estate of MARY E. SPENCE, Deceased.

On reading and filing the petition of Floyd E. Spence, Sr. administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 27th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

The Finance Committee reported favorably on bills as read Moved and supported that report of Finance Committee be accepted and orders be drawn for several amounts. Ayes: McCombs, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

The hearing of objections on petition of Howard Truesdale for changing of zoning classification of property described as Lots 99, 100, 101 and 102 was held and petition signed by thirty four property owners protesting against granting of same as read, and petition signed by seventy property owners requesting that petition be granted was read.

Matter was taken under advisement until Monday evening, September 20th, 1948.

The following amendment to an Ordinance to amend an Ordinance to regulate digging or excavating in or upon any of the streets, highways, or alleys within the corporate limits of this village. The Village of Tecumseh ordains:

(69) UNLAWFUL WITHOUT APPROVAL OF VILLAGE ENGINEER.

SECTION 1. That it shall be unlawful for any person whomsoever to dig or excavate in or upon any of the streets, highways or alleys within corporate limits of said Village without first obtaining the consent and written approval of the Village Engineer of said Village.

(70) VILLAGE ENGINEER TO INVESTIGATE.

SECTION 2. Before granting such permission the Village Engineer shall first ascertain whether such proposed digging or excavating will interfere with any underground pipe, cables or conduits.

(71) CONDITIONS.

SECTION 3. The permit shall only be granted upon the express understanding that the work shall be subject to supervision and inspection by the Village Engineer and under such conditions and regulations as he may impose, including the requirement that the applicant deposit a cash bond with the Village Clerk to insure replacement of the street, highway or alley in a good and safe condition for travel.

(72) PENALTY.

SECTION 4. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof before any Justice of the Peace of Tecumseh Township, may be punished by fine not exceeding One Hundred ($100.00) Dollars or imprisonment in the county jail not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

Was offered for adoption by Trustee McCombs.

Motion by Porter supported by Beach that above amendment be adopted and given immediate effect.

Ayes: McCombs, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Moved and supported that Consumers Power Company be authorized to place a street light on pole on South side of West Logan Street, west of Democratic Street. Motion carried.

Moved and supported that electric light be placed in middle of block west side of North Ottawa Street between East Logan and East Shawnee Street, also electric light on West Logan Street between North Evans Street and North Pearl Street, also one electric light on West Brown Street in center of block and one electric light on West Brown Street east of Ternes Road. Motion carried.

Moved and supported that Police Report be approved as read and placed on file. Motion carried.

On Motion, Council adjourned until September 20, 1948, 7:30 p.m.

The Only Difference

Paderewski once praised a young society man who was distinguished as a polo player for his clever playing.

The young man said it was different indeed from Paderewski's performance!

"Oh," answered Paderewski, "the difference between us is perfectly clear. You are a dear soul who plays polo, while I am a poor Pole who plays solo."

DOES YOUR CAR BUCK LIKE A BRONCHO?

DON'T LET ENGINE TROUBLES THROW YOU!

Our Mechanics Will Make Your Motor Purr Like A Kitten

"RIDIN' TROUBLE" Is Our Business

Is your car giving you trouble? Does it start hard, stop when its supposed to go, spit and sputter when you feed it gas and finally, buck like a broncho? We've see 'em do all of the tricks in the book but be assured of this: Our mechanics know how to fix 'em.

Don't let engine troubles throw you! To the trained mechanic, there's a reason for all trouble . . . and nine times out of ten the trouble is very simple. Ignition, carburetion, timing . . . vitally important to the smooth operation of your car and a slight adjustment often does the trick.

Finding the cause of trouble is our business . . . and once we discover the cause, its generally a simple thing to remedy it—permanently.

IT'S KNOWING HOW THAT COUNTS

There's another phase of motor repairing that we'd like to discuss briefly: REPAIRING CARS ECONOMICALLY.

Our mechanics are all trained in their field. They have the very latest of tools to work with and, in addition, we use factory-designed, precision-built replacement parts that were made to fit.

With mechanical know-how, proper tools and parts, it takes less time to do a job. That is why our customers tell us that it costs them less to have their cars repaired in our shop. Time costs money . . . we save time.

Butler Motor Sales, Ford Tecumseh Michigan

Hours: 7 A.M., to 6 P.M., Daily. Closed Sundays.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-FIVE TECUMSEH, MICHIGAN, SEPTEMBER 30, 1948 FIVE CENTS PER COPY

Braves Divide 2-Game Honors

HOLD ADRIAN TO SCORELESS TIE, LOSE TO FENTON; PLAY MONTAGUE, SATURDAY

Tecumseh's new semi-pro football Braves saw lots of action the past week, Wednesday night at the Island in Adrian, the Braves battled the Adrian Big Reds to a scoreless tie. Tecumsen completely out-played Adrian the first half but just couldn't get their scoring punch to come through.

Adrian never reached Tecumseh territory till the third quarter and then not until the fourth did they get into scoring territory. A bad pass from center put the ball in Adrians' possession on Tecumseh's 29. Bob Hatter, Brave quarterback, intercepted one of Hurlibut's passes on the five as the game ended. Tecumseh outscored Adrian in first downs, 12 to 6. The Braves missed a scoring chance in the third quarter when their aerial attack bogged down. Baker and Poley played their usual good game along with Laidlaw, Tilton and Purkey in the line.

Saturday night, the Braves took on the Fenton Independents. It was a thrilling and hard fought game before a crowd of some 1,400 fans at Recreation Center. The outcome proved to be in Fenton's favor, 19 to 12.

Fenton scored in the first quarter after they had intercepted one of Bob Baker's passes and marched to the score. The Braves came

(Continued on page 6)

B. & P. W. Club In Dinner Meet

LOCAL ORGANIZATION BEGINS EIGHTEENTH YEAR WITH PROGRAM, MONDAY

The Tecumseh Business and Woman's Club opened its eighteenth year with a dinner meeting at the Baptist church, Monday evening. Alice Seeger and Irene Boltz arranged the program which included two piano solos, "Angel Serenade" and "Hungarian Rhapsody" by Nita Spangler, followed by Robert Randall who showed pictures of his western trip. Mrs. Kenton Hunt played several selections on the new church organ including "Moonlight On the River," "In Summer," and "Evening Bells and Cradle Song." Mrs. Martha Artman led in devotions.

The club will meet each month at the Baptist church for dinner served by the Ladies Union. An interesting program has been arranged for the year and includes a variety of subjects.

On October 25, a benefit Hallowe'en party is planned by Jessie Sluyter and Margaretta Brisbin. A travelogue program for November 22 in charge of Lillian Service and Bess Spayde should prove interesting. December 20 is the date for the Yule Tide program with Lulu Waldron and Naomi Sallows in charge.

(Continued on page 6)

CLUB DINNER

The Past Presidents Club of the American Legion Auxiliary will meet this (Thursday) evening at the home of Mrs. Clyde Drewyor with Mrs. Al Bugshaw and Mrs. Lyman Curtiss assisting. Dinner will be served at 7 o'clock.

An Editorial

Carelessness, thoughtlessness, and indifference show up alarmingly in our actions in public.

Hardly a motorist anywhere today fails to complain about the high cost of insurance. Insurance is high because motorists are careless. Behind the wheel of the car they cease to be ladies and gentlemen. They bump a fender, wreck a car, injure a pedestrian and shake it off by saying: "I'm insured, the company will pay." They forget that insurance premiums are based on losses.

Here in Tecumseh we look at our tax bill and complain about the high cost of public service. To be sure we want our town to give us service comparable to that received in other like communities. But not all communities require a like amount of service.

One service that is proving expensive to the village—and which is none too good—is the cleaning up of the parks, streets and alleys and the grassy spot in the center of Chicago boulevard.

It costs money—taxpayers' money—to keep places clean. And, perhaps, the reason that some of them are not too clean here in Tecumseh is because we, who live here, are thoughtless, careless and indifferent.

We refer particularly to the condition of the grassy spot in the center of Chicago boulevard, both east and west. Kept clean and mowed, it adds beauty to the street and eye-appeal to the village.

But this fall it has the wrong kind of eye-appeal. Newspapers, handbills, beer cans and beer bottles litter the area. Anything that a passing motorist cares to discard is hurled out of the car and onto the boulevard. Private lawns on each side of the street, both east and west, come in for their share of the debris, too.

Before we cry too loud about tax costs for service, let's analyze the reason for the service.

This is our town—its where we live. People passing through town judge us by its appearance.

Let's stop being thoughtless, careless and indifferent.

Band Festival To Be Held Here, October 12

Tecumseh high school band members are preparing for the Band Festival to be held at Tecumseh Recreation Center, Tuesday evening, October 12. Clare Chamburn, local band instructor, is completing the arrangements and has announced Rev. B. O. Bashore will be the master of ceremonies for the event. Some 12 bands from this vicinity will participate in a program of novelty acts, etc., and at the conclusion there will be a mass band act. Bands will be here from Britton, Clinton, Adrian, Blissfield, Hudson, Morenci, Sand Creek, Lyons and Metamora, Ohio, Napoleon, Brooklyn and Tecumseh.

Churches Plan For Celebration

WORLD-WIDE COMMUNION TO BE OBSERVED IN SEVERAL CHURCHES ON SUNDAY

Tecumseh churches will join with denominations of all faiths throughout the world in celebrating World Wide Communion, Sunday, October 3. Local churches are expected to be filled for this year's annual observance.

Along with the Communion service, St. Peter's Episcopal church will dedicate the new Carillonic chimes. These chimes have been heard for the past several days every fifteen minutes, as a part of the church's 115th anniversary celebration.

Several children will be dedicated at the Baptist church, Sunday morning at the 11 o'clock service. The pastor, Rev. B. O. Bashore, will speak to his congregation and radio listeners at 11:30 a.m., using as his subject, "World Wide Communion, What Does It Mean?"

(Continued on page 6)

Hammel Slaps Govt. Medicine

TELLS EXCHANGE CLUB IT HAS PROVED FAILURE IN ENGLAND, NEW ZEALAND

Declaring that socialized medicine has failed miserably in New Zealand and in England, where it is or is rapidly becoming the biggest item of tax expense paid by the people, Dr. H. H. Hammel, local physician and surgeon, took a direct slap at the Ewing Bill and the proposed Truman plan of state-controlled medicine in the United States, when he spoke, Monday evening, to the Exchange Club. The dinner meeting was held at Brees House.

"A certain group in this country has been trying for 20 years to put across socialized medicine and it looks now as though the showdown is coming," Dr. Hammel said. "England has tried it and it is failing. In New Zealand it is the biggest item of expense in the tax budget and the people are sick of it. Socialized medicine cannot succeed."

Dr. Hammel told his audience that the socialization of medicine means the government ownership of medicine.

"Let the people of this country go to England or New Zealand as I have done and they'll soon learn for themselves that state-controlled medicine is a flat failure."

The new officers of Exchange, seated at last week's meeting were in charge of the program.

The Deweys And The Warrens

As evidenced by the smiles, the Dewey-Warren compatibility goes deeper than politics—family-deep in fact. The Governors are old associates of the National Govarnors' Conference; their wives make it a congenial foursome. And when the Warrens visited the Dewey farm at Pawling, New York, the family combination had all the atmosphere of a traditional American family reunion. Left to right: John Dewey, 12; Virginia and Nina Warren, 19 and 14; Gov. and Mrs. Warren; Mrs. Dewey; Gov. Dewey; Dorothy Warren, 17, and Thomas Dewey, Jr., 15. The Warren's two sons, James, 28, and Bobby, 13 were not present.

HALLOWE'EN CELEBRATION IS IN THE MAKING

Old-Fashioned Spooks Party Planned For Children

A circle Hallowe'en party, the likes of which many Tecumsen children never saw and one that will be old-fashioned enough to include many pre-war ideas will be staged here on Saturday evening, October 30, it was announced today.

"During the war, it was necessary to curtail some of the activities, but now that the war is over, we are determined that local children shall again have their fun and that nothing be spared to make the evening a success," the Rev. B. O. Bashore, chairman of the entertainment, said today.

This year's party, as in the past, will be in charge of the Rotary Club. Assisting and cooperating financially will be the Exchange Club, the Community Chest which is contributing $100, the Chamber of Commerce and the Village Council.

While only tentative plans have been made, they include:

A parade of masked and costumed boys and girls and adults through the business district, headed by the high school band. Several prizes will be given.

A huge bonfire in Elliott Park, with cider and doughnuts for all of the youngsters. The band will go

(Continued on page 7)

Pre-trial Procedure Explained By Judge

Pre-trial procedure, adopted last July as one of the rules of the Lenawee county circuit court, was explained in detail by Judge G. Arthur Rathbun when he spoke to the Rotary Club, Tuesday evening, following dinner at Brees House.

The purpose of the procedure, Judge Rathbun said, is to save the court's time and to reduce trial expense. Under the plan, an effort is made to effect a settlement before the case comes to trial or, if this cannot be done, then issues involved are narrowed down so that it takes less time to complete the case. The practice was inaugurated in Wayne county, the judge said, and reduced the number of trial cases there by nearly one-half.

Next week, instead of meeting at Brees House, Rotarians will attend the 115th anniversary dinner of St. Peter's Episcopal church, to be held at 7 o'clock Tuesday evening at the high school. Wives of Rotarians also are invited to this meeting.

RODNEY WILLIAMSON BURIED IN BROOKSIDE

Private funeral services were held in the Collins Funeral Home, Saturday morning at 10:30 for Rodney Williamson, 49, who died in a Coldwater hospital, Wednesday evening, September 22. Born, June 3, 1899 in Tecumseh, he was the son of the late Mr. and Mrs. C. E. Williamson.

The Rev. Edward Escolme officiated and burial was in Brookside cemetery. The bearers were Lucian, Bernard, Richard, Robert, Floyd and Leon Williamson. Friends attended the funeral from Albion, New York, Monroe, Morenci, Washington, D. C., and Tecumseh.

Mrs. Jennie S. Williams Buried Here, Wednesday

Mrs. Jennie Sallows Williams, 75, died Sunday morning at 12 o'clock in the Tecumseh hospital, where she had been a patient for 16 days. Born April 25, 1873, in Ogden township, she had been in failing health for the past year. She was a member of the National Pentecostal church, Inc., of Ohio.

Surviving are her husband, Jack Williams, three sons, Leon Sallows of Lyons, Ohio, Hazen Sallows of Zanesville, Ohio, and Cleo Sallows of Deerfield; two daughters, Mrs. Velma Munger and Mrs. Rhoda Kotts, both of Clinton; one sister, Mrs. Etta Bryan of Blissfield, 13 grandchildren and 30 great-grandchildren.

Funeral services were held yesterday (Wednesday) at 2:30 p. m., in the Collins Funeral Home with Bishop Colson Owens of Lima, Ohio, officiating. Burial was in Brookside cemetery.

The bearers were Carl Sallows of Lyons Ohio, John Kotts, Dorman Vescelius, James Stevens of Deerfield, Robert Cox of Morenci and Ronald Johnston.

Monday Club To Resume Meetings

TO MARK 54TH YEAR WITH LUNCHEON AND PROGRAM AT THE METHODIST CHURCH

The Tecumseh Monday Club will open its 54th year Monday, October 4, with a one o'clock luncheon at the Methodist church. Guest Day will be observed and the past presidents will be the hostesses. The dramatic department of the Adrian Woman's Club will present the play, "Three Cents A Day." Luncheon reservations are to be made with Mrs. George Green or Mrs. M. G. Partridge by tomorrow, October 1.

A variety of programs have been arranged for the year's meetings, both musical and literary. On October 18 the club will meet at the home of Mrs. Earl Wood, and Mrs. Philip Gentile of Detroit will be the guest speaker. Mrs. Gentile is of the Detroit extension service of the University of Michigan and is well versed in international affairs.

Mrs. R. S. Moore will entertain the club November 1, and will have as a guest Mrs. Marjory Wegherst, dramatic soprano, who will give the program entitled "American Music." On November 15, Mrs. M. L. Dannells, sr. will be the hostess and Mrs. Donald Goddard will give a travelogue. Completing the month's meetings on November 29, Mrs. Allan Seager will speak on the topic, "A Trip to Rio de Janeiro." Mrs. Thomas O'Hara will be the hostess.

Before adjourning for the holiday recess the club will meet at the home of Miss Edith Ingersoll December 13, for an appropriate Christmas program. The gifts for the county infirmary will be brought at this time.

The first meeting of the new

Prevent Fires, Watkins Urges

VILLAGE PRESIDENT ISSUES PROCLAMATION ON FIRE PREVENTION WEEK

Marvin Watkins, village president, has issued a proclamation declaring the week of October 3 as Fire Prevention Week and urging local citizens to cooperate in a Tecumseh-wide safety campaign.

President Watkins' proclamation follows:

WHEREAS fire claims lives of our citizens each year; and

WHEREAS many deaths from fires are those of children and the fires causing these deaths could be prevented by eliminating fire hazards; and

WHEREAS destruction of either industry, business or homes is a vital loss to our village; and

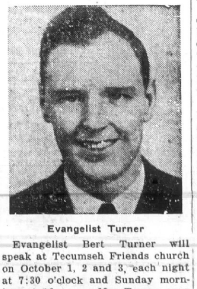
WHEREAS most of the states and many of the municipalities of the nation have, during the past year, organized and established facilities for more effective protection and fire prevention:

THEREFORE, I, Marvin Watkins, President of the Village of Tecumseh, do hereby designate the week beginning October 3, 1948, as Fire Prevention Week.

I direct all the municipal agencies of the village governments, and particularly the fire department and schools, to assist in arousing the public to the seriousness of the fire problem. I earnestly request every citizen to do his part in eliminating all possible cause of fire in his home or in his business. I urge that the school children of this community be given appropriate instructions to inspect their own residence, and that the fire department assist them in this effort.

IN WITNESS WHEROF, I have hereunto set my hand and caused the seal of Tecumseh to be affixed.

DONE in the Village of Tecumseh this 22nd day of September in the year of our Lord nineteen hundred and forty-eight.



Evangelist Turner

Evangelist Bert Turner will speak at Tecumseh Friends church on October 1, 2 and 3, each night at 7:30 o'clock and Sunday morning at 10 a.m. Mr. Turner was born in Belfast, Ireland, and converted in the great Irish revival. He is the originator of the popular "Gospel Cruise." He recently returned from the British Isles.

Barbershop Quartette To Parade Here, Oct. 9

A Barbershop quartet parade is being sponsored by the Tecumseh Girl Scout Association in cooperation with the Tecumseh S. P. E. B. S. Q. S. A., Inc., Number 18. The parade will be presented Saturday, October 9, at the United Products Workers Union Hall at 8 o'clock with an "afterglow" in the high school gymnasium.

The Acoustical Persecuting Four of Jackson, the 1946 State champions, will be featured along with The Barons of Detroit and The Trubadors of Toledo. Other quartets from Detroit, Marshall, Albion, Pontiac, Ann Arbor, Adrian and Toledo will entertain. Three Tecumseh quartets, the Four Knights of Harmony, the T. P. Broadcasters and the Tecumseh Barber-Aires, will also take part in the program.

Another Meyers Plane Approved

C. A. A. GIVES O.K. TO SECOND MODEL WITHIN 3 MONTHS TO LOCAL PLANT

The Meyers Aircraft Co., of Tecumseh, is in the unique position of having two new model planes approved by the Civil Aeronautics Administration within three months. Production on both types of ships will go forward immediately and, according to Al Meyers, president of the company, it is hoped to build more than 150 of the planes during the coming year.

The latest model approved is the Meyers 125, on September 24. Earlier, on July 28, C. A. A. approved Meyers 145 model. Both ships have the same airframe, the difference being in the size of the motor.

William Norton and Jerry W. Davidson, flight engineering agents of C. A. A. made the tests on the Model 125. Powered with a 125 horse engine the new plane has a top speed of 153 miles an hour, a cruising speed of 140 miles an hour, and a landing speed at sea level of 42 miles a hour. Speeds, of course, increase at higher altitudes.

John Mann, Meyers' west coast representative, last week flew the new model ship from Tecumseh to Los Angeles in 12 hours and 15 minutes. He made three stops to take on gasoline.

The demand for the Meyers type ships is steadily increasing, the company announced, and the future for the local firm appears very bright.

Meyers said that his engineers are now working on a Model 185, which will be submitted for C. A. A. approval within a few months.

Indians To Play Hudson, Friday

HOLD LAMBERTVILLE TO 6-6 TIE IN OPENING FOOTBALL GAME THERE, LAST WEEK

By Gordon Comfort

Tecumseh high school opened its 1948 football season with a non-league tilt with the Bedford school at Lambertville, Friday evening. It was the first game played under the new coach, E. E. Duvall, and the Indians tied with Bedford 6-6. Previously, Bedford had defeated Dundee by a one-sided score of 26 to 0.

Tecumseh won the toss and elected to receive. In the first three plays of the game the Indians failed to make a first down and booted the ball down to the Bedford 30 yard line. Bedford then started a march down the field and a series of 4 first downs and the end of the first quarter found them on the Tecumseh 6 yard stripe.

On the opening play of the second quarter, Porter, Bedford halfback, carried the ball and hit pay dirt on a sweeping play around Tecumseh's right end. The attempt at conversion was partially blocked and the score stood at 6 to 0, in favor of Bedford.

Tecumseh's initial try after the kickoff failed to yield a first down and they kicked to their opponents. Then, due to a fifteen yard penalty, Bedford was forced to punt. The kick was blocked and Tecumseh was quick enough and fortunate enough to recover the ball on the Bedford 21 yard line. On the fourth try and after a 5 yard penalty, the Indians gained enough yardage for a first down

(Continued on Page 7)

REBEKAH MEETING

The regular meeting of the Rebekah lodge will be held Friday evening. A good program is being planned. Members are to bring sandwiches.

Prevention Of Fires Is Urged

CHAMBER OF COMMERCE CO-OPERATES IN NATIONAL FIRE PREVENTION WEEK

Tecumseh, along with every other progressive community in the country, will participate in National Fire Prevention Week, October 3-9, it was announced today by B. G. Ousterhout, chairman of the Fire Prevention Committee of the Chamber of Commerce.

"The best time to fight fires is before they occur," said Mr. Ousterhout. "In other words, the most valuable fire protection is fire prevention. Fire is not mysterious. It has been thoroughly studied and its causes are well known. Most fires start with conditions which may be easily recognized not only by the expert, but by the thoughtful propery owner. Most fires, therefore, may be prevented by the simple process of correcting such conditions."

The Chamber's Fire Prevention Committee met earlier this week with Fire Chief Cecil Alderdyce and school superintendent Earl Place to formulate plans for next week's observance.

Two promotional features will be emphasized according to Mr. Ousterhout. First, by the use of posters, movie trailers, etc., to make the public conscious of the danger of fire, and second, by the use of inspection blanks to enable the householder and property owner to check his own premises for definite fire hazards.

School children will bring home fire safety inspection blanks,

Will Dedicate Chimes Sunday

SERVICE WILL INAUGURATE WEEK'S ANNIVERSARY PROGRAM AT ST. PETER'S

Marking the opening of a week's observance of the 115th anniversary of the laying of the cornerstone of St. Peter's Episcopal church, a special service will be held Sunday at 11:15 a.m. During the parish corporate communion, a part of World Wide Communion Sunday, a set of 21 note amplified chimes will be dedicated by the rector, the Rev. Allan D. Ramsay. A tablet giving the names of those in whose memory they are dedicated will be unveiled and special music for organ and chimes will be played. Musical selections will include "Alleluia," "To God We Render Thanks," and "Jesus, Priceless Treasure," all by J. S. Bach, and will be played by Thomas J. Tonneberger, organist and carillonneur. The choir will sing "Jesus, In Thy Care and Keeping", Bedell, for the offertory.

The children of the Sunday school with their parents and other members of the parish will hold a potluck supper on Friday, October 1, at 6 p.m. as their part in the anniversary observance. Following the dinner the parents will hear the first of the national broadcasts of the Episcopal radio hour entitled "Great Scenes From Great Plays". The broadcast will be at 8 p.m. over the Mutual network. The children will take part in games and contests under the direction of Deaconess Olive M. Robinson and at 8:30 all will view sound pictures to close the evening programs.

On Tuesday, October 5, at 7 p.m. a dinner will be served in the high

Cost Of Living Narrows Profit

QUAKER OATS SHOWS ONLY SMALL NET GAIN IN YEAR JUST ENDED

Net earnings of The Quaker Oats Company, Chicago, rose only $578,000 during the business year ended June 30, 1948, while dollar sales climbed to $235,478,696—more than $41,000,000 above the previous year. Total net earnings for the year were $8,437,135.

In the annual report issued today, John Stuart, chairman of the board, gave Quaker's more than 9,000 stockholders a picture of the year's developments in the company's food, feed and chemical businesses.

Dividend payments of $4,222,636, he reported, were made during the year to holders of common and

WHAT ABOUT PROFITS?

A candidate for the United States Senate recently made a campaign speech at a labor picnic. In it he told his audience of 5,000 people that profits are responsible for the high cost of living.

It is evident that a great many politicians will attempt to ride into public office with vote-getting appeals such as this. They are the kind of appeals which will attract a following among those who have not had an opportunity to learn the facts. And, for that reason, it is all important that the truth about profits and their influence on prices be given the widest possible distribution.

Industry and business are making profits. They must if they are to keep going. It is profit which pays investors for the use of their money, and which permits the spending of billions for more and better plants and factories and stores which make better jobs. The profit system has been the cause of this country's unequalled standard of living.

The profit earned varies from enterprise to enterprise. On the cost of most goods, manufacturers retain, after they have paid their bills, six or seven cents on each dollar received. If they earned absolutely nothing the cost of commodities could be reduced very little.

The retailers who distribute the goods also make a profit, and this too varies in different fields. The food chains, for instance, usually keep, as profit, about two cents out of each dollar spent by their customers. Other kinds of stores earn five cents or a little more. In any event, if the retailer earned exactly nothing for serving you, your living budget could be cut by only a penny or two on the dollar.

To argue that profit is the primary cause of high prices is rabble-rousing of the worst kind. Profit is one of the smallest items in industry's ledger—infinitely smaller, for instance, than wages. And without profit the American system of government could not exist.

BEAUTIFUL . . . Sanda Popa, Romanian war bride of Washington, D. C., emerged a surprise winner over American lovelies to reach the finals in the nation-wide search for "Miss Stardust of 1948." She left Romania before the iron curtain fell.

COMMUNICATIONS

WE APOLOGIZE

In the last issue of the Tecumseh Products a picture of the Tecumseh Braves football team, Tecumseh's first independent semi-pro team, was printed. The Tecumseh Products Company was erroneously given credit for having the first independent semi-pro football team.

This team is sponsored by the business men of Tecumseh and the committee which has put forth much effort in putting this project over is as follows—Lee Purkey, Ray Guy, Bob French, Clare Manwaring, Al Bagshaw, Jack Morehouse and Aden Mead.

From the amount of interest shown to date the men who have been responsible for this project should be highly commended, for it certainly has created a great deal of interest here in town and the members of the team have displayed some very fine sportsmanship and football playing ability. Every one is getting a big kick out of it.

Editor, T. P. Broadcast

BRITTON

The fall meeting of the council of church women will be held October 8 at 2:00 p.m. at the Congregational Christian church, with Mrs. Z. Irshey of Detroit as the speaker of the afternoon. Mrs. Florence Gripton is chairman of the meeting with Mrs. Alberta Hallouer as the worship leader.

Mrs. Edward Kanous entertained in her home Saturday afternoon in honor of her daughter Linda, who was celebrating her eighth birthday. Eighteen little children enjoyed an afternoon of games and Mrs. Kanous served refreshments assisted by Mrs. Charles Herrick of Milan. Linda received many lovely gifts.

Sunday dinner guests of Mr. and Mrs. G. L. Gripton were Mr. and Mrs. Ivan McCarbery and family and Mr. and Mrs. Edward Gripton and family of Dearborn.

Mrs. Clyde McCaughey visited her mother in a Toledo hospital, Sunday.

The Methodist W. S. C. S. met at the church Wednesday for a fall clean-up session. A potluck dinner was served at noon with the regular meeting in the afternoon.

Sunday, October 3, will be World Wide Communion Sunday. It will be observed in the Christian and Methodist churches here.

Mrs. Clarence Larson visited her mother in University hospital, Ann Arbor, Monday evening.

Mr. and Mrs. Roy Carothers and Kay of Detroit were dinner guests Sunday of Mr. and Mrs. Smith Pocklington.

The Philathea class of the Christian church met with Mrs. Alberta Hallauer Wednesday with a cooperative dinner at 12:30. Each member brought their fair material.

The official board of the Methodist church met Monday evening at the parsonage.

The Christian church will hold their annual church fair October 1, with Mrs. Florence Gripton supper chairman and Mrs. Lillian Kniffin dining room chairman.

Mr. and Mrs. Ernest Carothers visited Ed Roth in the University hospital Ann Arbor, Sunday.

Mrs. Cora Allen shows much improvement at the home of her son Harry Allen in Adrian.

Mr. Home Owner . . .
Your Fuel Dealer Will Pay For Your INSULATION

Yes, sir, your fuel dealer will pay for your insulation in the amount of fuel you save, in two, three or four years through insulation.

That's something to think about, too, when both coal and fuel prices are high.

If by chance, there should be any doubt in your mind about the savings that you can make, we invite you to ask the man who lives in an insulated house about his fuel costs. Ask him—and he won't care—how much fuel he uses each winter; let him tell you, himself, about the economies of insulation.

Insulation is easy to install, inexpensive to buy, so don't be fooled about high costs of insulating your house. Often, attic insulation is sufficient, and in such cases the cost is surprisingly low.

We'll be glad to furnish you with cost estimate. You can probably do the work yourself and begin immediately to enjoy new home comforts and economies.

Uniform Symbols Are Urged For Car Traffic

SALT LAKE CITY—Philip B. Fleming, Federal Works Administrator, urged seven southern and southwestern states to hurry up and do something about their high rate of automobile accidents.

At the same time, he recommended that all states join in a movement to standardize traffic signals and signs throughout the country.

In an address prepared for delivery to the Association of State Highway Officials, Mr. Fleming said Alabama and South Carolina have the nation's worst highway safety records, with Arizona, New Mexico, Nevada, Tennessee, and Georgia close behind.

At the other end of the safety scale were Connecticut, Rhode Island and New Jersey.

"A roadside sign of uniform shape and size should mean the same thing in every state," Mr. Fleming said, "but certainly there is little excuse for a confusing diversity of signs throughout the towns and counties of a single state.

"Traffic signals and signs should be uniform from coast to coast. The local driver or the tourist should know exactly where to look for guidance and direction. And he should be able to determine, at a glance exactly what the signpost tells him to do."

Mr. Walter Hampden inaugurates the new radio series, GREAT SCENES FROM GREAT PLAYS, Friday, October 1, at 8 P. M. over all Mutual stations. The production is Cyrano de Bergerac, a role which Mr. Hampden has played more than 1000 times on the stage. Photo shows the dramatic climax of the play . . . "My White Plume!"

The new series is sponsored by the National Council of the Episcopal Church with the Episcopal Actors' Guild cooperating. It will be broadcast weekly at the same time, bringing great stars of stage and screen in fine dramatic productions.

Episcopal Church Goes On the Air

NEW NATION-WIDE NETWORK PROGRAM TO BEGIN FRIDAY

The Episcopal Church in the United States will be on the air on Friday evening, October 1, from 8:00 to 8:30 p.m. EST, with its first nationwide network radio program. The series will be broadcast over nearly 500 Mutual Broadcasting System outlets, coast to coast, including the following: WATZ Alpena, 1450; CKLW Detroit, 800; WBBC, Flint, 1330; WHLS Port Huron, 1450; and WILS Lansing, 1430.

Mr. Walter Hampden, the distinguished stage star, will be permanent host on the series, which is entitled "Great Scenes From Great Plays". The first broadcast will be a radio version of "Cyrano de Bergerac", with other scenes from great plays to follow during the 13-week series.

The series is being produced by the National Council of the Episcopal Church, with the cooperation of the Episcopal Actors' Guild, which numbers more than 700 members, many of whom will be available for important parts in various productions of "Great Scenes From Great Plays".

The program will be the largest religious network broadcast series ever presented, and is the only Church radio series aimed directly to reach the seventy million people in the United States who are completely unchurched. Never forgetting that the Church's purpose in radio is to bring positive Christian teaching before millions, the message of the Church has been selected first. Then to emphasize and dramatize the central theme of each message, great scenes from great plays have been selected from plays which have become classics whether written last year or a thousand years ago. Thus the messages of the program are carried to the millions by the Episcopal Church through the greatest plays, which in themselves have a tremendous inspirational power to lift people out of themselves.

At the conclusion of each broadcast, an opportunity will be given for a local Episcopal clergyman to speak briefly, directly to the people of his locality, from the local station, which in this area will be Detroit.

From where I sit ... by Joe Marsh

Your Most Important Right

Now that the bandstand has been painted, and the park re-landscaped, we have about the nicest village green in the county.

And it's all because, at the last town election, folks got out and *voted*—85 per cent of them! That way, they passed the amendment calling for park improvements—over those opposing it.

Reminds you again how important the right to vote is in this country. And it's a right we can retain only by exercising it! . . . like all the other individual liberties—from freedom to enjoy a glass of beer or ale, to a woman's right to vote along with men.

Folks can thank *themselves* that on summer evenings they'll be able to listen to band concerts in a well-kept park . . . enjoying a bottle of beer or soda pop (whichever they prefer). Because from where I sit, that's a freedom they've *earned* by exercising a still more important freedom: Voting!

Joe Marsh

German Youth Desire Peace

WOULD LIKE WORLD ASSOCIATION AND AN OPPORTUNITY TO STUDY

BOSTON—After six years of war, German youth wants world peace and an opportunity to communicate with people elsewhere, according to Dr. Elizabeth Schliebe-Lippert, German educator currently visiting Wheelock College in Boston.

"They would like to make up their minds for a peaceful life for Germany and the world," Dr Schliebe-Lippert said, "and the way to bring about that world is to provide them with the opportunity to communicate with those people everywhere who think that peace is the idealistic aim in life."

Dr. Schliebe-Lippert is in Boston as a guest of Dr. Winifred E. Bain, President of Wheelock College and President of the Association of Childhood Education, International, which has awarded the German educator a six-months Patty Smith Hill postwar study grant. A member of the ministry of education in the state of Hesse, Dr. Schliebe-Lippert is spending several days studying the teacher education program of Wheelock.

She is observing the Wheelock College program for seniors which provides them with a period of observation and teaching in a nursery school, kindergarten or primary grade and also insures them an opportunity to participate in work with parents and in the community around the school.

"Contrary to opinions held by many people, the youth of Germany does think," Dr. Schliebe-Lippert held. "They need to be understood. Telling them that their former life has been wrong does not solve their problem.

"At the end of the war in 1945, German youth suffered a severe let-down. Their souls became empty, and youth had to have ideals to fill them. The young people whom I taught really tried to look into their consciences ..ager to ask what are the aims in a man's life. And they found the answer in making a better, peaceful world and in each beginning in his own life to become a better human being."

Dr. Schliebe-Lippert stated that German youth is vitally interested today in problems of modern living and is eager for opportunities to speak with youth of other nations all over the world.

"Their desire for education is so great," the educator continued, "that even when the room in which I taught was ice-cold the students were there at eight in the morning, and no one ever said that he was hungry or cold or had no overcoats or underwear."

Reluctant to discuss the readjustment process in the education of German youth, for "the problem is too complex to discuss in a short time," Dr. Schliebe-Lippert did express the belief that the process "will be quicker when German youth will be able to live free from hunger, cold, and privation."

Dr. Schliebe-Lippert plans to return to Europe on Oct. 7 upon completion of six months' study of the educational system of the United States. During that time she will have visited schools, universities, teacher training institutions, and child-caring agencies in a number of areas. Upon her return to Germany she will continue her work of reorganization of teacher education.

"MICHIGAN FEATURE SERIES prepared by the MICHIGAN TOURIST COUNCIL No. 7

LOWER LIGHT CHURCH PLANS QUARTERLY MEET

The Lower Light Church will hold its quarterly meeting October 1, 2 and 3. Sunday school will be held each day at 10 a.m., with services at 11 a.m. and in the evening at 7:45 p.m. In conjunction with the quarterly meeting there will be a preacher's meeting Saturday, October 2, with an afternoon service at 2:30 p.m. The district elder, Rev. James Fortress of Jackson, will preside. The public is welcome to attend.

NURSES ASSN. MEETS

The Lenawee County District Nurses Association opened its 1948-49 season with a meeting at the Baptist church last week. Some 41 members enjoyed the dinner served by members of the Baptist Ladies Union. Miss Genevieve Gillespie, chairman of the hostesses, was assisted by Mrs. Cecil Williams, Mrs. Milburn Brook, Mrs. Allan Ramsay and Miss Mertie Kempf.

Plans for the year were discussed and reports of vacation experiences were given. Mrs. Kenton Hunt played several selections on the new church organ.

Prevention Of Fire Is Urged

(Continued from Page 1)

approved by the National Board of Fire Underwriters and provided by the Chamber of Commerce. Inspection blanks especially prepared for schools, merchantile, and manufacturing establishments will be sent by mail. Any person or firm who does not receive an inspection blank may obtain one by calling at the Chamber of Commerce or by phoning 259.

In addition to these promotional features, the committee made the following recommendations:

1. That the village ordinance requiring quarterly inspection of merchantile establishments be strictly enforced.

2. That, because of old buildings or buildings not designed for school purposes, fire drills be held in the Tecumseh public schools oftener than the minimum number of times required by state law.

3. That teachers be trained in the use of fire extinguishers and that school fire prevention and fighting equipment be checked oftener than the minimum number of times.

4. That the Tecumseh Fire Department hold an open house to acquaint the public with the devices and measures designed to protect their lives and property.

Monday Club To Resume Meetings

(Continued From Page 1)

year on January 3, will find the women sewing at the home of Mrs. Fay Whelan. A potluck dinner will also be held. The drama department will be in charge January 17 when Mrs. Thomas O'Hara will give the history of the barn theatre. Mrs. Ted Lahounty will entertain. Meeting at the home of Mrs. E. J. Aebersold, January 31, the club will hear a program entitled "Hymns" from the Nations. Mrs. Perry Hayden will be the leader.

New officers will be elected February 14 when Mrs. Ray Herrick will entertain at her home. Mrs. Henry P. Vaughan, chairman of music of the Michigan State Federation of Women's Clubs, will present the program entitled, "National Characteristics Expressed in Music." The officers of the Lenawee County Federation of Women's Clubs will be special guests when the club meets with Mrs. Veva Connor February 28. Carleton W. Angell, artist at the University of Michigan, will speak on "Sculpture in the Making."

Robert L. French, attorney at law, will be the guest speaker on March 14 when Mrs. Earl Wicwire will entertain the club. His subject will be "Common Legal Principles". The peace committee will be in charge when Mrs. Clare Beland is hostess March 28. Mrs. William Mitchell will be program leader.

The annual luncheon will be held April 11 when the club officers will be the hostesses. Mrs. Burtsel Claus will be the leader and a play will be presented.

TIPTON

Pfc. Donald Hunt, U. S. Marine Corp, from Cherry Point, N. C., is spending a furlough with his parents, Mr. and Mrs. Howard Hunt and family.

Quiet Home Wedding Unites Local Couple

At a quiet wedding Saturday in their home on Iroquois street, Ruby Elletson and Herman Radant, both of Tecumseh, were united in marriage. The Rev. J. deRuiter performed the double ring ceremony at 7 o'clock in the presence of some 35 guests.

The bride was attired in a black street length dress with gray accessories and a corsage of red and white roses and carnations. Mr. and Mrs. Harold Radant, brother and wife of the groom, attended the couple.

At the reception following the ceremony, Miss Greta Jennings and Miss Eula Meads assisted with the serving. The three-tiered wedding cake was decorated in the traditional manner. The couple received many lovely gifts.

Mr. and Mrs. Radant are spending this week in West Virginia. The groom is employed at the Hayden Mills, Inc., and until her marriage the new Mrs. Radant was assisting at the Parrett Nursing Home.

Churches Plan For Celebration

(Continued from page 1)

The Methodist church will also observe Communion and the pastor, Dr. Norman MacNaughton, will deliver a Communion Meditation.

In the spirit of fellowship of that occasion the members of the Presbyterian church of Holloway have been invited to worship at the Tecumseh Presbyterian church. The service will begin at 11 o'clock.

James Letcher, student pastor of the Holloway church, will preach the communion meditation and the elders of that church will join the elders of this church in serving. Mr. Wilson will preside at the Communion Table.

The Sunday service will also mark the beginning of the Presbyterian choir's second season under the direction of Mrs. Neville Hart.

Last Wednesday night the members of the Presbyterian church and parents of children in the church school gathered at the church for a potluck supper. After a talk to the parents by the Rev Charles Bole, Synod's secretary of Christian Education, on the need of parents' participation in the New Curriculum, the parents were given previews of the church school work for the coming quarter; and study material was distributed to them.

GRANGE TONIGHT

The Tecumseh Grange will meet this (Thursday) evening at the hall. Ice cream will be served and members are to bring cake or cookies. The committee includes Mr. and Mrs. Martin Keasel, Mr. and Mrs. Raynor Benedict, Mr. and Mrs. Luther Wood, Mr. and Mrs. Hamilton Moore and Mr. and Mrs. Bert Bruder. Howard Heath, radio farm editor of radio station WPAG, Ann Arbor, will be present to make a musical recording for his program.

LYSTER LEAGUE

The Lyster League of St. Peter's church will meet at the parish house, Wednesday evening, October 6, for a potluck supper at 6:30, followed by a white elephant sale.

NOMADS TO MEET

The Nomads of Avrudaka will meet Friday, October 1, at 8 p.m.

HOW TO BE HAPPY THOUGH IN POLITICS . . . New York's Governor Thomas E. Dewey momentarily displaces the cares of state and campaign strategy with the woes and aggravations of golf. The Republican candidate for the presidency is shown here making—or at least attempting—a long putt on the last green of the Albany country club. He soon will forsake the greens for the political rough when he starts the fall campaign that he hopes will win the presidential election for him

Braves Divide 2-Game Honors

(Continued From Page 1)

right back to score in the early minutes of the second quarter. Both teams missed the extra point and the score was tied 6 to 6. Fenton scored again in the closing minutes of the first half to lead 12 to 6.

In the third quarter, both teams took to the air and Tecumseh got a break when Don Purkey, Brave end, intercepted a pass on his 45 and raced to the Fenton 9 where he was tackled. The Braves crashed over for the score with Bob Kennedy carrying the ball. The try for the extra point missed.

In the dying minutes of the game, the Braves got an aerial and ground attack going which carried to the Fenton 22, where Fenton got their break. One of Kennedy's passes was intercepted by Howe, Fenton fullback, who outran the Tecumseh team to score. Fenton's fullback, Rockman, crashed over center for the extra point and the game ended 19 to 12.

The Braves had additional support from four cheerleaders who will follow the team for the rest of their games.

The Braves took on the South Side Ramblers of Toledo last night and will meet the Montague Maroons at Recreation Center Saturday, October 2, at 9 p.m., under the lights. Next Wednesday, October 6, they will play the Ace Auto Parts of Toledo with the kickoff at 8 p.m.

The lineup for last Saturday's game is as follows:

Fenton		Tecumseh
M. Schuppach	LE	Purkey
Durfee	LT	Laidlaw
Wegner	LG	Pilbeam
Black	C	Carpenter
Dennison	RG	Hadley
Thompson	RT	Dinse
Torrey	RE	Hough
Butts	QB	Kennedy
Franks	LH	Baker
C. Schuppach	RH	Aten
Rockman	FB	Poley

Officials: Green, Oberlin, Runk, Judkins.

LEGION AUXILIARY TO INSTALL OFFICERS

The American Legion Auxiliary officers will be installed Monday, October 4, at the K. of P. hall, by Mrs. Gertrude Nichols of the Ann Arbor degree staff. The Pythian Sisters will serve a ham dinner. Mrs. George Wittrup, Mrs. Fred Marsh and Mrs. Carl Thompson are making the arrangements for the dinner. Reservations are to be made with Mrs. Florence Howe at Bancroft Cleaners by tomorrow, October 1.

MEETINGS RESUMED

The Baptist Youth Fellowship resumed their meetings Sunday evening at the church. Doris Bibby was elected president and other officers are: vice president, Janet Bashore; secretary, Linda Sisson; treasurer, Betty Bird; publicity chairman, Phyllis Butler; scribe, Linda Sisson. Refreshments were enjoyed by some 13 members in attendance. The meetings will be held every Sunday evening at 7:30 p.m.

HAPPY HOME BUILDERS

Mr. and Mrs. Carl Fosbender entertained the Happy Home Builders class of the Baptist church at their home, Monday evening. Following the regular potluck dinner Mr. and Mrs. Lyle Grigg directed the program. During the business meeting, it was voted to cooperate with the Junior League in sponsoring a rummage sale at Schneider Bros. Show Room, Friday and Saturday.

GUILD TO MEET

St. Peter's Guild will meet Thursday, October 7, at 2 o'clock at the home of Mrs. H. H. Hammel with Mrs. Jack Smith assisting hostess.

TO MEET OCT. 5

The Golden Rule Division of the Presbyterian church will meet at the home of Mrs. Ronald Harris, Tuesday, October 5, at 8 o'clock.

TO MEET WEDNESDAY

The Past Matrons club will meet Wednesday, October 6, for a potluck dinner at the home of Mrs. Edna Codling, at 6:30.

TO MEET TONIGHT

The Past Chiefs Club will meet with Mrs. Opal Brady, this (Thursday) evening at 8 o'clock.

SCOUTS TO MEET

The Tecumseh Girl Scout Association will meet in the music room at the high school, Wednesday October 6, at 8 p.m.

Cost Of Living Narrows Profit

(Continued from page 1)

preferred stock. More than $3,500,000 went for additions to country grain elevators; the expansion of the Memphis Chemical Plant; new warehouses at Pekin, Illinois, and Sherman, Texas; and for general improvement of other plant facilities.

Inventories, Mr. Stuart said, were kept at a minimum throughout the year. When increased inventories were necessary during the winter months, Quaker had to borrow as high as $15,000,000 from banks on short-term loans. These loans, he reported, were paid off before the end of the business year.

Shipments of cereal items and pancake flour during the year ranged from satisfactory to the largest in company history. But the highest grain and feed prices in years and the decrease in poultry and livestock numbers cut the volume of feed business. Both chemical and dog food businesses, however, continued to grow.

Mr. Stuart indicated that many people forget that companies, like the individual, have cost-of-living problems. Citing a new warehouse at Quaker's Sherman, Texas, plant, he reported it cost about $5.28 per square foot. It could have been built in 1941, according to company engineers, for $2.85 per square foot. "On the basis of present price levels," he said, "companies have to make larger earnings and retain a substantial amount in the business if they are to keep in a strong working capital position." Because of high costs of equipment and construction, only those jobs of replacement and construction are being done that cannot be postponed.

Miss Aileen Umbarger Weds Rudy G. Larson

A wedding of charming simplicity took place at the home of Mrs. Jessie Matthews near Tecumseh, Saturday afternoon, September 25, when her daughter, Miss Aileen L. Umbarger of Detroit, and Rudy G. Larson of Washington, D. C., son of Mrs. Anna Graving of Minneapolis, Minn., were united in marriage. The Rev. B. O. Bashore performed the single ring ceremony at 4 o'clock before the fireplace decorated with bouquets of white gladioli and baskets of greens.

Given in marriage by her brother, Max E. Umbarger, the bride was attractive wearing a street length dress of cocoa silk crepe with a corsage of white orchids. Her attendant, Mrs. Bob Lamb of Detroit, wore hunters green silk crepe with a corsage of yellow roses. Bill Tell of St. Paul, Minn., attended Mr. Larson as best man.

For her daughter's wedding, Mrs. Matthews chose coral rose jersey and a corsage of white roses.

After the ceremony a reception was held for some forty guests. The linen covered table was artistically arranged with crystal candelabra and a large floral centerpiece of white bobo mums, pink roses and white gladioli. The three-tiered wedding cake, decorated with garden flowers, was cut and served by Mrs. Myra Parrett.

The bride has been employed at the Federal Bank of Detroit for the past eight years. Having served four years in the U. S. air force in the southwest Pacific, the groom is a sales agent of the Addressograph-Multigraph Corp., of Washington, D. C. Upon their return from a two-weeks trip to Minneapolis, the couple will be at home at Rock Creek Gardens, 2228 Washington Ave., Silver Spring, Maryland, Apt. 202.

Guests attended the wedding from Miami Beach, Fla., Minneapolis, Minn., Mt. Union, Iowa, Detroit and Tecumseh.

Will Dedicate Chimes Sunday

(Continued from page 1)

school for all people interested in joining the members of the church during this celebration period. The speaker of the evening will be the newly elected Suffragan Bishop of Michigan, the Rt. Russell S. Hubbard. Former rectors of St. Peter's will be present. Musical selections will be included in the evening program. Tickets for the dinner are available and should be reserved early. Clyde A. Barber is chairman of the ticket committee assisted by George McCombs and Lynn Hubbard.

B. & P. W. Club In Dinner Meet

(Continued from page 1)

The first meeting of the new year on January 24 is musical night. Nina Heath and Irene Hay will arrange the program. Geraldine French and Ethel Truesdale are scheduled as program committee for the February 28 meeting. This will feature a book review.

Skit Night will be on March 28 with Ayesha Laidlaw and Mable Lockwood as program leaders. Bernice Parker and Emma Partridge will be in charge for Auction Night, April 25. New officers will be elected for the following year and these will be installed May 23. Entertainment will also include a movie.

F.F.A. Members Win Fair Honors

Members of the Tecumseh F. F. A. walked away with several honors in judging and livestock exhibits at the Lenawee county fair last week.

The local team placed first in livestock judging with Onsted coming in second and Blissfield third. Jerry Eaton, James Dick and James Winzler won highest judging honors and Lawrence Young scored fourth. In dairy judging Blissfield, Addison and Onsted were high with Tecumseh placing seventh.

In the livestock exhibits Dick Kahle won first and third honors with his steers while Fred Feight placed fifth. In the swine exhibits Dean Pilbeam was awarded first prize with his Berkshire gilts; Charles Gorton won first on his Duroc gilt and a pen of three and Howard Pennington placed first on his pen of three Durocs. Fred Feight's Jersey heifer placed third and a Holstein heifer exhibited by Lawrence Young placed fifth.

In the grain exhibits James Winzler won first and the sweepstakes.

The eat stand declared a profit in spite of the cold weather. The boys in charge were Herman Dick, Martin Mickel, Jerry O'Brien, Charles Bumpus and Marvin Higgins.

The local F. F. A boys are planning an initiation meeting for October 6, at which time some 15 boys will receive their official instructions in goat riding.

The Legion Auxiliary

EXCHANGE SHOP

Will Open Very Soon

Because of the apparent interest in the operation of an exchange shop in Tecumseh, The American Legion Auxiliary desires to announce that such a shop will be opened here very soon.

Watch next week's Herald for announcement.

And, thanks very much for your phone calls and the interest shown in the new enterprise.

Mrs. Leland Randall and daughter Nancy and Mrs. Leo Alderdyce and daughter Mary Lou spent Thursday in Toledo.

Mr. and Mrs. Carl Thompson spent last week in northern Michigan.

Mrs. Alice Ehrlick and daughter Clara of Miami Beach, Fla., Mr. and Mrs. William Tell of St. Paul, Minn., Mr. and Mrs. James Duncan and family and Albert Allen of Mt. Union, Iowa were guests of Mrs. Jessie Matthews for the Larson-Umbarger wedding.

The condition of Carol Spangler, who suffered a broken leg recently, is much improved. She will remain in St. Joseph's hospital in Ann Arbor for another two weeks.

Mr. and Mrs. Clifford Ostrander and children of Onsted were Sunday guests at the home of her brother and family, Mr. and Mrs. Leo Alderdyce and daughter.

Mrs. Austin Drake and children Ann and Tommy have returned to their home in Nappanee, Indiana, after visiting at the home of Mr. and Mrs. Roscoe Hewlett, for two weeks.

Mr. and Mrs. Leo Alderdyce and Mary Lou spent Saturday in Jackson.

Mrs. Myra Parrett entertained twenty relatives, attending the wedding of her niece, Aileen Umbarger, at the Brees House at dinner, Sunday.

Tommy Judd has resumed his studies at Central Michigan College.

Martha Hewlett and Louise Bowen have entered their sophomore year at Michigan State College at East Lansing.

Al Schumm has entered his junior year at Adrian College.

Mr. and Mrs. Lyle Grigg and family were weekend guests of Mr. and Mrs. George Green, jr., and family of Jackson over the weekend.

Mr. and Mrs. Howard Diedrich visited her parents, Mr. and Mrs. Charles Winkelman in Dundee Sunday afternoon and evening.

Mr. and Mrs. Alvin Muck and son of Adrian were Monday evening guests of her brother and family, Mr. and Mrs. Elmer Spreeman and son.

Dorothy Jean Brandt of Michigan State Normal College spent the weekend with her parents, Mr. and Mrs. Ernest Brandt.

Fred Swan has returned to Tecumseh from Banff, Alberta, Canada, where he attended the conference of Provident Round Table.

A daughter was born to Mr. and Mrs. Earl Fritz Monday in Adrian Bixby hospital.

Mr. and Mrs. George Green, jr., of Jackson have named their infant daughter, born September 20, Gloria Kay.

Mrs. Maude Cummings has returned home after visiting her brother and wife, Mr. and Mrs. Claude Jordan, in Jackson last week.

Mr. and Mrs. Harold Pearson of Auburn, Maryland, are the guests this week at the home of his brother and wife, Mr. and Mrs Neil Pearson.

Stuart Costigan is attending Adrian College this fall, having transferred from Albion College.

Miss Maureen McLain of Albion College spent the weekend at the home of her parents, Mr. and Mrs. Elliott McLain.

Mr. and Mrs. Elmer Spreeman and son visited her parents, Mr. and Mrs. Guy McGill in Hudson, Sunday.

HOSPITAL NOTES

Born, September 22, to Mr. and Mrs. Reuben Bacek of Ypsilanti, a daughter.

Born, September 23, to Mr. and Mrs. Robert Betz of Blissfield, a son.

Born, September 23, to Mr. and Mrs. Almond Curtiss, a daughter.

Born, September 23, to Mr. and Mrs. Floyd Graham of Holloway, a daughter.

Born, September 24, to Mr. and Mrs. William DePuy of Clinton, a daughter.

Born, September 25, to Mr. and Mrs. Arthur Sweet of Clinton, a son.

Born, September 25, to Mr. and Mrs. Edward Enriquez of Ridgeway, a daughter.

Born, September 25, to Mr. and Mrs. Ned Rosacrans, a son.

Born, September 26, to Mr. and Vere Vandercook of Dundee, a son.

Born, September 27, to Mr. and Mrs. Melvin Wegner of Blissfield, a son.

Born, September 28, to Mr. and Mrs. Erwin Wyse, a son.

Born, September 29, to Mr. and Mrs. Hobart Hughes of Manchester, a son.

Mrs. Hazen Richardson and daughter of Onsted were discharged September 22.

Mrs. Alice Kamp and Loretta Falhauber of Manchester were discharged September 23.

Those discharged September 24 were Mrs. Robert Woods and daughter of Monroe, Bernard Allen of Tipton, Mrs. Donald Nixon and Mrs. Mervin Young of Adrian.

William Hamilton and Mrs. Dorothy Strahle were discharged September 25.

Mrs. Ronald A. Jenter and daughter of Manchester and Mrs. Fred Kaiser of Clinton were discharged September 26.

Those discharged September 27 were Mrs. Henry Howard and son, Mrs. Robert Betz and son of Blissfield, Mrs. Sherry Murdoch and daughter, and William Bachtal of Ridgeway.

Mrs. Milo Thompson of Deerfield was discharged September 28.

Promotion Certificates Awarded By Baptists

Twenty children of the Baptist church school primary department received their promotion certificates during exercises at 10 o'clock, Sunday morning.

Cathlyn Cornell, Della Butler and Ronnie Mikesell were presented with leather bound zipper Bibles from the church school upon their promotion to the Junior Department.

Richard Steele was promoted to the third year primary and the beginners promoted to first year primary are: James Bashore, Marjorie VanValkenburg, Bruce Daniells, Jean Ann Hoag, Sharon Fielder, Carol Lowe, Dennis Bryan, Robert Fisher, David Grigg, Mary Bird, Nancy Smith, Evelyn Beland, Nancy Nighswander, Helen Sue Hicks, Karen Butler and Camilla Grigg.

The three-year olds were given their cradles from the cradle roll and are now in the beginners class. They are Billy Fisher, Norman Grigg, Richard Carter, Roger Mikesell, Jane VanValkenburg, Ward Cornell and Gary Steele.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will begin the ensuing year with a business meeting at the home of Mr. and Mrs. Wilfred Waldron, Monday evening, October 4.

Indians To Play Hudson, Friday

(Continued from page 1)

on their opponents 9 yard line. VanWinkle scored on the second play from the 8 yard marker. The kick was not good and the score was tied 6 to 6.

Soon after the start of the second half, Lambertville was forced to kick and Martin, Tecumseh quarterback, made a brilliant runback, from his own 30 yard line to Bedford's 31, where the last man between him and the goal snagged him. There was some excellent blocking by Gillin and Underwood that helped to make this run possible. Tecumseh gained a first down on the 17 but Bedford held and Tecumseh lost the ball on downs.

The fourth quarter was generally a series of changes, first one side had possession, then the other. The outstanding play of the quarter was VanWinkle's pass interception and long run to the Bedford 30 yard line. The game ended with the score still 6 to 6.

The players were:

Tecumseh—Ends: Case, Cameron, McDowell; Tackles: VanCamp, Murphy, Bailey; Guards: Rentschler, Judd; Center: Owen Campbell; Backs: Martin, Beasley, VanWinkle, Henkel, Gillen, Murphy, Underwood.

Bdford—Ends: Doerfler, Codwell; Tackles: Swy, - Seymore; Guards: Wagenhauser, Doerfler; Center: Gene Holey; Backs: Boehne, Meyers, Porter, Boehne.

The Indians will meet the Hudson Tigers at Hudson, tomorrow evening.

Spooks Party

(Continued From Page 1)

to the park and there will be a general celebration.

A new and novel idea will be the drawing of pictures on store windows in the downtown district by boys and girls so designated by the high school art department. Special soap crayon will be used and these pictures will be drawn Hallowe'en day and inspected in the evening. Special prizes will be given for the finest drawings.

"This party is going to cost considerable money and, of course, its purpose, as in the past, is to eliminate the destruction of property and the soaping of windows," the Rev. Mr. Bashore said. "In years past, we have had 100 per cent cooperation from Tecumseh youth, and we believe that we will obtain it again this year. We know that boys and girls like to have a good time on Hallowe'en and it is our one desire to see that they do have it—harmlessly."

Mr. Bashore said that the merchants and the clubs are cooperating completely in the plan as are the public schools. He said that an announcement of prizes and definite plans would be made within a week or two.

Public Is Invited To Inspect Fire Equipment

A cordial invitation to the citizens of Tecumseh to visit the Tecumseh Fire Department some evening next week, National Fire Prevention Week, was issued today by Cecil Alderdyce, chief of the Tecumseh Fire Department. The fire hall will be open to the public each evening from 7 to 9 o'clock, with someone present to explain the equipment and procedures.

"We hope to accomplish two results by this open house, said Chief Alderdyce. "In the first place, we find that the general public, who pays for our equipment and for the cost of fire runs, is generally uninformed about local fire fighting facilities. If they learn what we have and what we do it will help us considerably in our duties.

"In the second place, we hope to make the public more fire conscious during Fire Prevention week. Practically every fire could have been prevented if simple and proper precautionary measures had been taken. Viewing fire fighting equipment naturally turns one's mind toward eliminating fire hazards.

"We would like very much to have Tecumseh's citizens visit us some evening next week and to bring their children with them."

CULBERTSON P. T. A.

The Culbertson P. T. A. will meet Friday evening at the school house with Mr. and Mrs. Harold Kempf and Mr. and Mrs. Leslie Naugle as hosts. The program will include moving pictures. Refreshments are cake, cookies and jello.

REMEMBER THE EGG AND CHICKEN STORY?

Which Fits Which, House Or Furniture?

CHICAGO—Should houses be built around furniture, or furniture designed for houses? What does Mrs. Homemaker want in both? How far are furniture stores keeping up with her demand—nay, her new-found knowledge of what good interior decoration is?

Answers to these questions were bandied about by a panel of experts at a luncheon sponsored here by the Fashion Group of Chicago during the International Home Furnishings Market.

It was "Batter up!" as each expert told what the other fellow should do. If all could play on the same team, together, the consensus was there would be better homes—functionally and decoratively speaking—for Mr. and Mrs. Homemaker of moderate incomes. More teamwork is needed, said panel speakers, more coordination between the house builder, the interior decorator, the manufacturer, and the merchant who sells house furnishings.

Home builders think more furniture should be made to fit wall spaces of today's houses. They want sofas, tables, chairs, scaled to the smaller dimensions of houses going up on the nation's Elm Streets. For one thing, it is thought that more furniture could be designed to act as partitions between the living room and the dining room space which isn't a whole dining room.

Interior decoration experts, on the other hand, think architects could well provide more open floor areas and more storage space in their houses. The designers ask more consideration for the furniture that is to be used when blueprints are laid out for houses.

While much is already known about what Mrs. Homemaker wants, furniture manufacturers should do more research in that direction, said Paul R. MacAlister, Director of Interior Decoration and Industrial Design for Montgomery Ward, member of the Beaux Art Institute of Design, and Chairman of the National Design Board. He thinks there could well be a redesigning and correlation of all home furnishings and equipment.

L. W. Stratton, former President of the American Furniture Club, said Mrs. Homemaker knows a deal more than formerly about what good home decoration is—thanks to magazines and newspapers that have been educating her. There is a very definite trend to "fashion rightness" in home furnishings, he said, and a smart store recognizes this and acts accordingly.

As for what house purchasers want, when they start out to buy a home costing from $16,500 to $22,500, Benjamin Bills, realtor and lecturer at Northwestern University's School of Commerce, said:

Such house purchasers accept small bedrooms, provided the living room is large. They are willing to have the dining and living room space combined, provided there's an L-arrangement for the former and a nook for breakfasts in the kitchen.

Electricity appears preferred to gas when it comes to stoves and refrigerators, according to Mr. Bills. New electrical equipment, such as combination washers and driers, is sought. Steel cabinets are preferred to wood; Venetian blinds to window shades. So popular are Venetian blinds Mr. Bills thinks they well could be included as an original and natural part of constructing a house.

Lend-Lease Agreement Is Made With Britain

WASHINGTON — The United States has sold Great Britain all Lend-Lease military equipment in British possession in western Germany and overseas territories, the State Department said.

Britain paid $7,000,000, which the State Department said was more than the United States could get by disposing of the material in any other manner.

This belated transaction is part of a "final and conclusive" settlement of Britain's $14,000,000,000 wartime Lend-Lease account with the United States.

Government officials said, however, the American Government reserves the right to veto British sales of these Lend-Lease stocks to third countries and to repossess them if necessary.

Hale T. Shenefield, State Department Lend-Lease agent who negotiated the deal, told reporters the items presumably included are tanks, artillery, trucks, vehicles, ordnance stock, and communications equipment.

The text of the agreement signed by Secretary of State George C. Marshall and British Ambassador Sir Oliver Franks disclosure that the British have cut their Lend-Lease settlement bill by $35,000,000.

The British now owe $615,000,000—to be paid over a 50-year period to wind up their wartime Lend-Lease obligations.

Ernest S. Pawson, 62, Is Buried At Tipton

Funeral services were conducted in the Tipton Community church Monday afternoon for Ernest Seymour Pawson, aged 62 years, who died suddenly at 11 p.m. last Thursday at his home northwest of Tipton. The Rev. Edward Escolme officiated and burial was in the Tipton cemetery. The Knights of Pythias conducted services at the grave. The pall bearers were Kenneth Pawson, Claud Baker, Ralph Wilson, Charles Driffill, Richard Vollmer and John Baker.

OF THEE WE SING . . . Far from the terrors and persecutions of Soviet Russian enemies, sons and daughters of anti-Soviet Russian families sing a loud and clear anthem of liberty at the annual children's festival held at Reed farm, the Tolstoy foundation refuge for White Russians in Rockland county, N. Y. It was at this farm that Mrs. Oksana Kasenkina first sought refuge from the Soviets.

Surviving are the widow, Harriett, one daughter, Mrs. Ernestine Knickerbocker of Tecumseh, a son, Calvin C. of Hudson, Ind., a stepdaughter, Mrs. Alice Thiel, two stepsons, Allen Jeffrey of Tipton and Walter L. Jeffrey of San Diego, Calif., five grandchildren, three nephews and a niece.

Noah And The Ark

"And God looked upon the earth, and it was corrupt . . . And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them, and behold, I shall destroy them with the earth."

"Make thee an ark of gopher wood . . . and of every living thing of all flesh, two of everything shall bring with thee to the ark, to keep them alive with thee . . ." (Genesis 7:12-19).

You know the rest of the story—the rain for forty days and forty nights—the death of all the earth—except Noah's passengers.

Today, your church is still riding above the currents and eddies of uncertainty and violence. Join this crusade—attend the church of your choice each Sunday.

Sometimes you get away with it...but

You're boiling water on the front burner when your doorbell rings. It would be a simple matter to move the kettle to a back burner, out of reach of your small child's hands while you answer the door. But you don't bother. And nothing happens, *this* time.

Sometimes You Don't!

Your child's only scarred for life—and you're lucky. He might have been scalded to death. But the rest of your life you'll live with this moment of carelessness. Caution *can* prevent this tragedy. Train your children not to go *near* the stove. Never leave them in the kitchen alone when you're cooking. Be *extra* careful for your child's sake!

2500 children under fourteen were slaughtered on American streets and highways in 1947. Truly, a slaughter of the innocents! For children have to depend on *your* forethought to stay alive. Drive carefully in school zones and where children play.

Suffocation and poisoning add to the grisly toll of needless child fatalities. Caution begins at home. Consult your physician about proper bedclothes. Keep all poisons on a high shelf or under lock and key. Your child's chances of living depend on it!

GREEN CROSS FOR SAFETY

An official public service message prepared by The Advertising Council in cooperation with the National Safety Council.

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

At a cost of $1 a year Michigan is to become the 33rd state to provide its governor with a home.

The state administrative board has accepted an offer from the City of Lansing whereby the stately 17-room Orlando M. Barnes residence, located at the south end of Capitol avenue, will be leased for a period of 50 years. The annual rental is $1.

Built 73 years ago in the elegant Victorian manner, the Barnes home has long been a showplace of the capital city. Barnes, an attorney, was identified with industrial lumber and railroad enterprises. He served three terms as mayor and once ran unsuccessfully for governor on the Democratic ticket.

Capital news round-up:

Aroused by killing of 200,000 fish in the Kalamazoo River, the state stream control commission is considering a statewide restriction on cyanide discharge by industries into public waters. The Union Steel Products Company, Albion, was the offender.

The Upper Peninsula community industrial survey, sponsored by the state department of economic development, has been published in a booklet. Thirteen thousand copies will be distributed in an effort to attract new industries to the region.

As a result of the primary elections, 30 or more new legislators are likely to take their seats in the house and senate next January. Among the changes will be the replacement of Senators Bishop, Down, Fletcher and Callahan. Senator Don VanderWerp, Fremont, unopposed for re-election, is being groomed for his old job as chairman of the senate finance committee.

County governments in Michigan were more than $8 million in the red for the year 1947. Revenues totaled $88.6 millions, while expenditures were $96.8 millions.

County road commissions received $26,118,000 from the state; the commissions spent $26,981,000 for road construction and maintenance.

Michigan's state parks enjoyed an attendance of 11.5 million persons last year. A total of 130,271 acres of recreational land are administered by the conservation commission.

In an effort to control the rising cost of state publications, Controller John A. Perkins of the state department of administration has created the post of state printing director. All agencies must submit printing requests to the budget division for the director's OK. A legislative committee has estimated the total cost, printing and labor, at $1,000,000 a year.

Property assessments are not uniform throughout the state, charges the State Bar of Michigan which asks Governor Sigler to appoint a study committee. The remedy proposed by attorneys: Give the state tax commission power to equalize property assessments.

The Wayne County Medical Society has asked oculists and opticians to discontinue the rebate system whereby part of the cost of eye glasses is rebated by some supply houses to eye doctors without knowledge of patients. The Detroit Better Business Bureau has been pushing the reform.

Iron ore resources of the Upper Peninsula will continue to provide employment for thousands of miners. Such is indicated by availability of a new process, costing $2 per ton, for production of pig iron from low-grade taconite ore. The process was developed in Minnesota.

A 14-member committee of legislators has been studying Governor Sigler's streamlining proposals for modernizing of state government.

If prices reach their apex of the postwar inflation this winter, as is now forecast by many leading economists, the state sales tax will hit its high point of revenue. The budget division still is convinced that State government is headed inevitably for red ink financing in the near future.

Herald classifieds pay big dividends.

Our Remodeled Store Is Nearing Completion

For several weeks, carpenters, masons, painters and decorators have been busy in our store, doing a complete remodeling job.

A new front has been installed, new floors have been laid and there have been other improvements—all of them accomplished with just one thought in mind . . . to give our customers better service.

While the job is not quite done, we feel that it is far enough along so that we can invite our friends to come in and look us over. In a week or two everything will be completed, and then we'll have a formal opening.

OUR ONE AIM IS TO BE OF GREATER SERVICE

We feel that we carry the finest lines of electrical appliances, including stoves, refrigerators, freeze chests, hot water heaters, radios, television sets . . . in fact we know of none better. We also have the very latest in washing machines and clothes dryers.

In our enlarged and remodeled store you'll find that we have considerably more room to display this merchandise, and that we are better able to demonstrate it to your satisfaction.

So drop in, anytime. We'll be happy to be of service to you.

CLINTON

Biblical Drama Is Presented

"The Light Eternal", spectacular Biblical drama, is being presented at the high school auditorium this evening and Friday evening for the benefit of the building fund of the Masonic hall. It is being sponsored by the Golden Rod chapter, Order of the Eastern Star. A contest to determine Clinton's most typical American boy and girl is being held in conjunction with the drama.

Those with leading roles are: Rev. Jack Warner as Joseph; O. E. Priest, Pharoh; W. P. VanTuyle, Moses; Dell Jenkins, the grandfather; Tom Pence as chief steward; Mrs. Elva Hoelzer as Hannah; Mrs. Clara Covell, Miriam; Jane VanTuyle, angel; Martha Jump, Mary.

Shoes For The Needy

"Shoes For The Needy" are being collected in a barrel in front of Merritt's store. The campaign ends October 23. Used shoes which are still serviceable are to be sent to the needy in this country and in war ravaged Europe.

Mrs. Jeanette Marting left Thursday for her home at Newport Richey, Fla., after visiting at the home of Mrs. A. J. Allen. Mrs. Woodrow Loughry and son and her father S. S. Walker, who were also guests in the Allen home returned to Roscommon Friday.

Pvt. Kenneth E. Sloan, son of Mrs. Florence Sloan, is stationed at Fort Warren, Cheyenne, Wyo.

Mr. and Mrs. H. M. Hoag were guests of her brother and wife, Mr. and Mrs. Willis Barnes of Toledo, over the weekend.

Friday guests of Mrs. Almon Kuder and Miss Ruth Kuder were Dr. and Mrs. G. D. DeMaagd of Rockford, Michigan.

Members of the Veterans of Foreign Wars Auxiliary visited the national home for the V.F.W., at Eaton Rapids, Saturday.

Services at St. John's Episcopal church will be held each Sunday morning at 9:30 o'clock.

Mrs. Donald Aldworth of Garden City, Long Island, spent last week as the guest of the Rev. and Mrs. H. R. Sullivan and sons.

Mrs. Franklin Englehart and son are spending several days with Mr. and Mrs. Dale Robison and son James of Kingwood, Va.

Mrs. F. R. Kaiser entered Tecumseh hospital Tuesday to undergo surgery.

Mrs. Bertha Matthews is a patient in University hospital at Ann Arbor.

Miss Jean Farley left Thursday for California.

Mrs. Fred Beuhler of Battle Creek spent last week in town.

Robert Seidel and Palmer Kroh have entered Adrian College.

ONSTED

Auxiliary Officers Named

Mrs. Sylvia Hughes was elected president of the Durkee-Seager Auxiliary of the American Legion at a recent meeting. Other officers are: first vice president, Mrs. Myrtle Dowling; second vice president, Mrs. Henrietta Roesch; secretary, Mrs. Doris Morningstar; treasurer, Mrs. Lucille Howard; historian, Mrs. Marcella Barickow; sergeant at arms, Mrs. Virginia Roesch; chaplain, Mrs. Ava Rider; executive committee, Mrs. Lenore Drum, Mrs. Grace Skees, Mrs. Edna Billmayer.

Herbert Mann has resumed his studies at Michigan State College.

Charles Sherrard has returned home after he visited his daughters and families, Mr. and Mrs. Fred Jahr of Traverse City and Mr. and Mrs. Walter Noffsinger of Flint.

Richard Opsal was elected president of the senior class at the Onsted high school. Other officers are: vice president, Donald Dallis; secretary, Leo Phalen; treasurer, Ward Bradish; student council, Virginia Myers and Jack Adams; advisor, Elwood Little. Other classes and their officers are: junior, Carol Applin, Richard Weigert, Dorothy Husereaux, Mariel Petee, Mardell Burton and Albert Taylor; sophomores, Mary Wilkins, Leona Fittler, Jeanette Daniels, Carol Pawson, Donna Cary and Bruce Kelser; freshmen, William Phalen, Beverly Smoke, Joan Winter, Camden Broadwater, Jack Stevenson, Jeanette Bradish.

Recent guests at the Edward Butler home were Mr. and Mrs. Walter Bertke and Mrs. Ricky Gott of Manchester.

School Children To Get Hearing Tests

Schools in 50 counties have requested the services of the Michigan Department of Health's two hearing consultants in testing the hearing of their children this year.

For the sixth year the Department is providing the service as an aid in conserving the hearing of children and in helping those who do not hear well. Many more requests are received than can be fulfilled.

To find those children who have hearing difficulties group hearing tests are given by local persons trained by Michigan Department of Health consultants. For this purpose, an audiometer—a phonograph with 40 sets of headphones—is used. A record is played. A woman's voice repeats numbers in diminishing loudness. Each child writes down all the numbers he can hear.

If this test reveals that a child does not hear as well as he should, consultants of the Michigan Department of Health give the child an individual hearing test to determine the extent of his hearing loss. Local health department and school personnel follow up the hearing tests given by the consultants to see that each child with a hearing loss is taken to an ear specialist for examination and medical care.

More than 250,000 children have been examined for hearing loss since the Department's hearing program began in 1943. Of these children, 3 per cent showed some hearing loss. Of the children who received medical treatment, 75 per cent improved, about 50 per cent of them to normal hearing.

Improved hearing resulted in better school work, better social adjustment and in improved personality.

Requests for the hearing conservation program are made by the schools through local health departments.

COUNCIL PROCEEDINGS

Village of Tecumseh
Council Building
September 13, 1948

Present: President Watkins, Trustees McCombs, Beach, Porter, Ousterhout, Driscoll.

Absent: Mensing.

The following amendment to an Ordinance to amend an Ordinance to regulate digging or excavating in or upon any of the streets, highways, or alleys within the corporate limits of this village. The Village of Tecumseh ordains:

(69) UNLAWFUL WITHOUT APPROVAL OF VILLAGE ENGINEER.

SECTION 1. That it shall be unlawful for any person whomsoever to dig or excavate in or upon any of the streets, highways or alleys within corporate limits of said Village without first obtaining the consent and written approval of the Village Engineer of said Village.

(70) VILLAGE ENGINEER TO INVESTIGATE.

SECTION 2. Before granting such permission the Village Engineer shall first ascertain whether such proposed digging or excavating will interfere with any underground pipe, cables or conduits.

(71) CONDITIONS.

SECTION 3. The permit shall only be granted upon the express understanding that the work shall be subject to supervision and inspection by the Village Engineer and under such conditions and regulations as he may impose, including the requirement that the applicant deposit a cash bond with the Village Clerk to insure replacement of the street, highway or alley in a good and safe condition for travel.

(72) PENALTY.

SECTION 4. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof before any Justice of the Peace of Tecumseh Township, may be punished by fine not exceeding One Hundred ($100.00) Dollars or imprisonment in the county jail not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

Was offered for adoption by Trustee McCombs.

Motion by Porter supported by Beach that above amendment be adopted and given immediate effect.

Ayes: McCombs, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Marvin Watkins,
President
Wade L. Jones,
Clerk

MINUTES OF THE BOARD OF EDUCATION
September 13, 1948

The meeting was called to order by the President, Mr. Jens Toubro. Present: Mr. Touborg, Mr. Snafford, Dr. Helzerman and Mr. Breitenwischer. Absent: Mr. Satherthwaite.

The minutes of the last meeting were read and approved. The current bills were read and upon motion of Mr. Breitenwischer, seconded by Mr. Spafford, they were approved for payment.

The subject of liability insurance was next discussed. After reading the policy which provides for the coverage of an individual up to $10,000.00 and for each accident up to $100,000.00, the motion to accept the insurance made by Dr. Helzerman and seconded by Mr. Breitenwischer, was approved. The cost was $170.00.

The condition of the locker in the boys and girls shower rooms was next discussed. Dr. Helzerman's motion seconded by Mr. Breitenwischer to repair the lockers was unanimously approved.

The Superintendent was authorized to make application for hot lunch Federal subsidy. The Superintendent was likewise given authority to complete the work on the curb and sidewalk on the Southwest corner of the high school building. This is to be done in cooperation with the officials of Tecumseh.

It was also decided that Thursday and Friday, September 23 and 24, we should recess school because of the Lenawee County Fair.

Dr. Helzerman moved that this be done and was supported by Mr. Spafford and unanimously supported by the Board.

Non-Resident Tuition for the present school year will be $59.21 for students in the Kindergarten through the sixth grades and $83.55 for all non-residents enrolled in grades seven through twelve inclusive. Mr. Spafford moved and Mr. Breitenwischer seconded the motion which was unanimously approved.

Mr. Killinger and Mr. Munger, Architects, from Toledo, then met with the Board to discuss proposed changes in the plans and specifications for the proposed new high school building. After reviewing the proposed changes the architects were authorized to complete plans as rapidly as possible.

Meeting adjourned at 11:20 p.m.

R. F. Helzerman, M.D.,
Secretary

NOTICE

Sealed bids for the construction of a

SEWAGE PUMPING STATION
NORTH MAUMEE STREET
TECUMSEH, MICHIGAN

will be received by the Village of Tecumseh, Michigan at the office of the Clerk in the Village office until

12 O'CLOCK, NOON, EASTERN STANDARD TIME MONDAY, OCTOBER 11, 1948

and at that time and place will be publicly opened and read aloud.

The proposed work consists of the construction of a Sewage Pumping Station with necessary Pumping and Screening Equipment, approximately 500 lineal feet of 12 inch sewer with manholes and approximately 540 lineal feet of eight inch Cast Iron Force Main.

The Contract Documents including plans, specifications are on file in the office of the said Clerk and at the office of the Consulting Engineers, Finkbeiner, Pettis & Strout, 518 Jefferson Avenue, Toledo, Ohio, copies of which may be obtained by depositing $10.00 with said Consulting Engineers for each set so obtained. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the plans and documents in good condition prior to or at the time of opening of bids.

All bids shall be signed and submitted on the blanks which are in the specifications and shall be secured from the Consulting Engineers. Bids shall state the price for materials and labor separately on the blanks provided therefor, shall be enclosed in sealed envelopes marked "Bid for Sewage Pumping Station", and addressed to the Clerk of the Village of Tecumseh, Michigan.

Each bid must contain the name of every person, firm or corporation interested in the same, and be accompanied by a bond to the satisfaction of said Clerk or a certified check on a solvent bank, in the sum of 5% of the amount of the bid, made payable to the Village of Tecumseh, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

The Village reserves the right to reject any or all bids and to waive any irregularities in bidding.

No bidder may withdraw his bid for a period of 30 days after the scheduled time for the receipt of bids.

By Order of the Council of the Village of Tecumseh, Michigan
Wade L. Jones, Clerk
Sept. 30- Oct.7

REGISTRATION NOTICE
For GENERAL ELECTION
TUESDAY, NOVEMBER 2, 1948

To the Qualified Electors of the Township of Tecumseh, County of Lenawee Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at Supervisor's Office WEDNESDAY, OCTOBER 13, 1948 The Twentieth Day Preceding Said Election From 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

In any Township or City in which the Clerk does not maintain regular daily office hours, the Township Board or legislative body of such Township or City may require that the Clerk of such Township or City shall be at his office or other designated place for the purpose of reviewing applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at Supervisor's office Saturday, October 9, 1948, from 1 o'clock p.m., to 8 o'clock p.m., Monday, October 11, 1948, from 1 o'clock p.m. to 5 o'clock p.m., Tuesday, October 12, 1948, from 1 o'clock p.m., to 5 o'clock p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

HUGH H. HANNA,
Township Clerk
Sept. 30-Oct. 2

PAST CHIEFS CLUB

The Past Chiefs club held its regular meeting Thursday evening in the K. of P. hall with Most Excellent Chief, Mrs. Clark Vincent, presiding. The report of Grand Temple held recently at Lansing was read by Mrs. Henry Kempf and Mrs. Garth Hall. Plans for the annual bazaar to be held October 16 were discussed. Members are reminded articles for the booths are to be at the hall by Wednesday, October 13. Also the Sisters are reminded of the grocery basket, as no soliciting will be made from the homes. A turkey dinner will be served at 5:30. In conclusion the hostesses served a lunch.

R. H. Quackenbush
and
Mrs. Grace Powell and family

This Is Not A Football Advertisement

But--

We're Striving To "Hold That Line"

We know the rules of football—and we also know what it means when the crowd yells to "Hold that line." It's a job—generally a genuine job, but, in the end, it pays.

In the garage business—repairing and rebuilding automobiles—we find that there's a line to be held, too. We've been and are striving to hold it in the face of advancing prices and inflation.

We're "holding the line" by improving our shop conditions. Precision tools, factory-designed parts, factory-trained mechanics . . . all of these things speed up repair time and cut down costs.

Yes, we're holding the line by cutting down costs through expert workmanship. We find that our customers appreciate our effort . . . because their work costs them less.

If you'd be interested in helping us to "hold the line" we'd appreciate it if you'd bring your car or truck to us for the service that it needs. We'll prove to you that "holding the line" does pay.

Butler Motor Sales, Ford Tecumseh Michigan

Hours: 7 A.M., to 6 P.M., Daily. Closed Sundays.

FIX YOUR WET WALLS WITH AQUELLA

NINETY EIGHTH YEAR NUMBER FORTY-SIX | TECUMSEH, MICHIGAN, OCTOBER 7, 1948 | FIVE CENTS PER COPY

Band Festival Here, October 12

600 MUSICIANS TO PARTICIPATE IN PROGRAM TO WHICH PUBLIC IS INVITED

The "Great White Cross" will be the main feature of the Band Festival to be held at Recreation Center, Tuesday evening, October 12, at 8 p.m., under the auspices of the Band Mothers Club.

Some 600 musicians from 12 schools in this vicinity will participate in the festival. Clare Camburn, director of the local high school band, explained that the main purpose of the festival was to show goodwill toward the neighboring communities. The proceeds will be divided evenly among the schools.

The Britton band under the direction of Joseph Foder, and Lois Derr's musicians from Clinton high school will head the program, after which will come the Morenci and Sand Creek bands under the direction of Raymond Westgate and Helen Beck, respectively. Precision marching will be a part of a majority of the band programs including the Metamora Band with Jack Phillips directing.

The Blissfield high school band, directed by Gilbert Blanks, will have as a special feature a circus novelty act and a chorus of 40 voices will be included. "The Old Gray Mare" will be presented by the Tecumseh high school band, under the direction of Clare Camburn. The Lyons, Ohio, band, directed by Jack Phillips will feature precision marching, in which they are especially noted, winning several honors in this.

Al Bohm and his Adrian band will be followed by the Hudson high school band, who will present a novelty number "Turkey In The Straw." This band, directed by Raymond Westgate, took part in the Toronto Exhibition this year. The Brooklyn band with George King directing will present a version of "Dry Bones" made popular by Fred Waring. A clock formation of precision marching will be featured by the Napoleon high school band under the direction of Betty Ettig.

The program will close with a mass band. Rev. B. O. Bashore will be master of ceremonies.

Legion Women Seat Officers

EMMA RUSSELL INSTALLED AS PRESIDENT, COMMITTEES NAMED ON MONDAY

Emma Russell was installed as president of the American Legion Auxiliary Monday evening at the K. of P. hall following dinner served by the Pythian Sisters. Mrs. Frank Hooke was in charge of the installation which was done by a ritual team from Ann Arbor.

Other officers installed are: first vice president, Joan Rosacrans; second vice president, Majel Holden; secretary, Myrna Tingley; assistant secretary, Nerissa Fosdick; treasurer, Shirley Herrick; chaplain, Pearl Osburn; historian, Ivah Marsh; sergeant at arms, Olga Lowe; executive committee, Doris Bagshaw, Goldie Watkins, Helen Bowen.

Madge Lewis was presented with a Past Presidents pin by Elizabeth Hammel, junior past president, and received into the Past Presidents Parley. Ivah Marsh, president of the Parley, presented her with an arm bouquet of red roses.

After the dinner a group of members presented village council members with an inhalator for the village, purchased with the proceeds from the recent magazine drive. Mrs. Lewis, past president, presided at the business meeting and a resume of the past year's work was given by the various committee chairmen. Out of town guests included Gertrude Nichols, district president, and Edna Alber,

Cong. Paul W. Shafer To Speak To Local Clubs

Congressman Paul W. Shafer of the Third Congressional District, will address a joint meeting of the Rotary and Exchange Clubs here, Tuesday evening, October 12, at Brees House. Normally, the Exchange Club holds its meetings on Monday evening but, to enable the club to hear Cong. Shafer, the meeting was adjourned to Tuesday.

Cong. Shafer is a member of the House committee on military affairs and he has made several trips to Europe on investigations. Mr. Shafer addressed a Rotary meeting here two years ago.

Shafer resides at Bronson, where he is the owner and publisher of The Bronson Journal.

Cider And Donuts At Hallowe'en Party

Cider by the barrel, donuts by the bushel and spooks that actually talk and walk were promised by the Rev. B. O. Bashore, today, as he announced that plans for Tecumseh's civic Hallowe'en celebration were practically completed.

The festivities will be in Elliott park, following a parade of masqueraders through the business district and the awarding of prizes.

A feature this year will be the drawing of pictures on assigned store windows in the downtown district by members of the art classes of Tecumseh high school.

Braves To Play Hudson, Sunday

LOCAL SEMI-PRO TEAM ENTERS WINNING STREAK, DEFEATS TOLEDO, MONTAGUE

The Tecumseh Braves, local semi-pro football team, went on the warpath the past week and, after losing three games and tying one, scalped the South Side Ramblers 25 to 0 Wednesday night and the Montague Maroons 19 to 0 on Saturday night. Both games were played at Recreation Center with the local boys in command all the way.

Wednesday night, the Braves, playing in a steady rain, turned on the power and smothered the Toledo team 25 to 0. Tecumseh put on a 50 yard drive to score in the first quarter, when Bob Baker raced around his own left end to score from the Toledo 13 yard line. The Braves came right back in the second period to score again with Baker crashing over from the one yard line.

In the middle of the third quarter, Kensler, Brave fullback,

Food Handlers To Be Licensed

VILLAGE ENACTS ORDINANCES THAT WILL REQUIRE MEDICAL EXAMINATONS

Two ordinances, one calling for the licensing of restaurants, the other the handlers of foods, such as meat markets and grocery stores, were passed by the village council, in session on Monday evening. The ordinances will become effective this month.

The council has been studying such a program for several months and the ordinances adopted are similar in form to those now in force in other villages and cities. In some instances, medical examination of employees would be made mandatory, and a close supervision of sanitation facilities provided.

The council also requested the State Highway Department to conduct a traffic survey looking forward to the installation of stop-and-go lights at the intersections of Mill and Brown streets, Maumee and Chicago Boulevard, Chicago Boulevard and Pearl street, Chicago and Adrian and Ottawa and Chicago.

The Kroger Company was granted permission to break the curbing on Chicago boulevard, preparatory to building a driveway into the parking lot at its new store building.

The time for payment of village taxes without penalty was extended to October 11.

An appropriation of $50 to help defray the cost of a civic Hallowe'en party was approved, and $5,000 was transferred from the general fund to the water fund to cover a deficit.

Council approved a new scale of rates for the installation of water taps. For ¾ in. tap the rate now is $60, for a one inch tap, $75 and larger taps will be charged for on a material and labor cost basis.

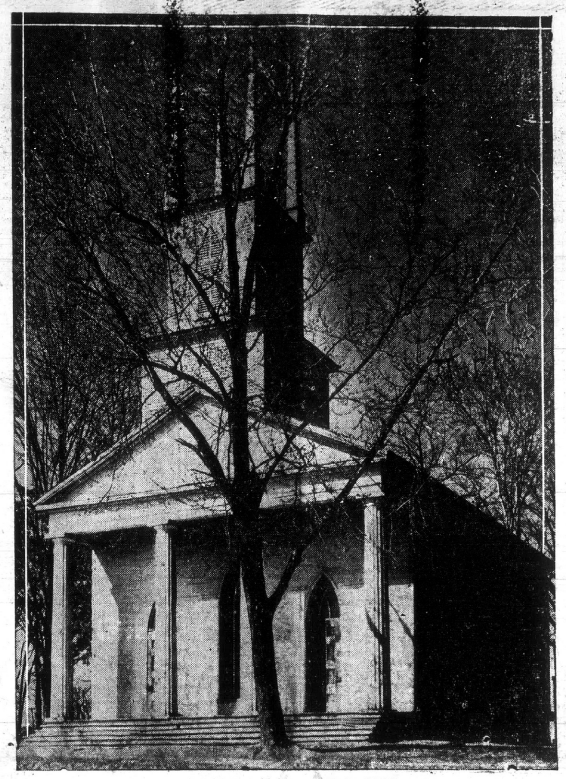
Marvin Watkins, president of the village, accepted a gift from the Ladies Auxiliary of the American Legion an inhalator, to be stored at the fire barn and for the use of the public. The presentation was made by Mrs. Hal Lewis. Members of the fire or police departments will be instructed in the use of the machine, which is used to revive victims of gas or drowning.

GARDEN CLUB WILL MEET, OCTOBER 15

The Tecumseh Garden Club will meet Friday, October 15, at the home of Mrs. R. W. Herrick. The program will include three reels of film on "Roses.". The assisting hostesses will be Mrs. Thomas O'Hara, Mrs. Harold Wilson, Mrs. R. M. Ries, Mrs. Ed Berry and Mrs. R. S. Moore.

BISHOP WILL OFFICIATE AT SERVICE HERE ON SUNDAY

Historic St. Peter's Episcopal Church Observes 115th Anniversary



Historic St. Peter's, built in 1833

St. Peter's, the oldest Episcopal church west of the Allegheny mountains, will officially observe its 115th anniversary on Sunday when the Rt. Rev. Richard S. Emrich, S. T. D., Episcopal bishop of Michigan, delivers the sermon at the 11:15 o'clock morning service. This ceremony will bring to a close a week-long birthday celebration which was highlighted on Tuesday evening with a banquet at the high school, attended by some 200 persons, members of the parish and their friends.

At the Sunday service, the Rev. Allan Ramsay, rector, will wear the Irish silk black gown, worn by the Rev. William N. Lyster when he officiated at the laying of St. Peter's corner stone on October 10, 1833. The robe is a possession of the church and was last worn at the centennial celebration. There will be special music by the choir.

Last Sunday, October 3, the anniversary program got under way with the dedication of the new carillonic chimes, the gift of the late Edward and Mary Holdway. A tablet, bearing the names of the donors, was unveiled and special music was played on the 21-note chimes by the organist Jack Tonneberger. This service was in charge of the rector, the Rev. Mr. Ramsay.

At the banquet program on Tuesday evening, over which Mr. Ramsay presided, the principal speaker was the Rt. Rev. Russell S. Hubbard of Detroit, suffragan bishop of Michigan. Others on the program included the Rev. James Widdifield, rector of St. Paul's Memorial church, Detroit, and rector here from 1916 to 1918, and the Rev. Edward Green, rector of St. James church, Sault Ste. Marie, and rector here from 1936 to 1941. The Rev. Gordon Matthews, executive secretary of the Episcopal diocese of Michigan also spoke. There was a vocal solo by Jack Tonneberger, and a piano solo by Miss Marilyn Lindsley.

The Rev. Mr. Lyster, the church's first rector, played an important part in obtaining funds for the building of the edifice. Originally from Ireland, Mr. Lyster was called to Tecumseh to take charge of the Episcopal services. He firmly believed that a church was necessary, rather than to continue meeting in the homes. He conducted a campaign among his friends in the east and listed among subscribers to the building fund are President Andrew Jackson, Cong. Thomas Benton, Henry Wise, governor of Virginia, Henry Clay and Daniel Webster.

Mr. Lyster also is given credit for naming the Irish Hills. "They look so much like the hills in my home country," he is quoted as saying. "They look like the Irish Hills." And so, since the early 1830's the hills west of Tecumseh have been known as the Irish Hills.

Pres. Jackson Contributor To Building Fund

Friends To Observe "Harvest Home Day"

The fifteenth annual Harvest Home Day of the Tecumseh Friends Church will be held next Sunday, October 10, and it will be observed by two services: the morning worship service at 10 o'clock, and the evening meeting at 7:30 with the Rev. Marvin Leist of Cleveland Bible College as the speaker at both of these services, with Byran Teague as the guest soloist.

As in previous years the church will be decorated with flowers, fruit, vegetables, and canned goods. This year all the contributions of farm and garden produce will be given to Cleveland Bible College. The motto of these harvest home services is—"No offering too small—no offering too large."

All desiring to make a contribution are asked to bring it to the church as early as possible on Saturday, so that it may be used in the decorations.

Money And Radios Are Stolen From Store Here

State and local police are investigating a burglary at the Tecumseh Electric Supply, sometime Sunday night, in which between $60 and $80 in cash and two radios, valued at $50, were stolen.

Entrance to the store was gained through a small opening at the rear of the ouilding. The money was taken from the cash drawer, but checks and pennies were not molested.

The robbery was discovered Monday morning by Forest Abner, a member of the firm, and officers were notified immediately.

Indians, Hudson In 0-Score Tie

TECUMSEH TRAVELS TO CLINTON TOMORROW FOR GAME UNDER LIGHTS

by Gordon Comfort

For the second consecutive year the Tecumseh high school Indians and the Hudson Tigers opened their league season by fighting to a scoreless tie, Friday night at Hudson. The closely matched teams made it a battle to the finish, striving equally hard to cross the goal line. The Hudson boys came closest to scoring, but Coach Elven Duvall's Indians held and the result was no score, clear to the finish.

Tecumseh received the starting kick-off and in two attempts failed to gain sufficient yardage. On the third down they punted to Hudson's own 35 yard line, and their opponents started their first offensive maneuvers. But the Tecumseh line stopped them cold. The half found neither team with the advantage.

In the third quarter, neither of the teams seriously threatened to score, but in the last period, Coach Dee Gardiners Tigers advanced until stopped on the Tecumseh 11 yard line. Tecumseh was attempting a punt on the fourth down when three of the Hudson defenders swarmed over the line of scrimmage and literally swamped the kicker. Hudson took the ball on the Tecumseh 10 yard line! This was a false alarm however, as an incomplete forward pass and a five yard offside penalty stopped this forward surge. The scrappy Hudson line didn't budge and the Indians kicked their way

Holiday Party Will Open Club

WORK IS PROGRESSING ON NEW $130,000 COUNTRY CLUB EAST OF VILLAGE

Work is progressing normally on the new $130,000 Tecumseh Country Club and, if there are no unusual delays, the formal opening of the clubhouse will be with a Christmas party, about mid-December, Frank Purcell, president of the organization, said today. The club is located just east of the Village on Milwaukee road.

Mr. Purcell said that the seeding of 11 greens had been finished and that the seeding of the fairways would be completed by mid-October. Water lines will be completely installed this week. The irrigation of the greens and fairways will be through a sprinkler system with water pumped from a well which is now under contract.

The building of the clubhouse has been started and it is expected that it will be roofed by November 1.

"We plan to have the clubhouse in shape for a formal opening party about mid-December," Mr. Purcell said.

The clubhouse is being built by the Bender Construction Co., of Toledo. Robert H. Moore is chairman of the club's building committee.

Approval of the club's incorporation papers have been received, Purcell said, and stock soon will be issued. There are about 160 names on the club's roster but this number may be increased if the course is expanded from nine to eighteen holes.

Baptist Harvest Home Service Is Announced

The largest Harvest Home service for many years in the Baptist church will be held there next Sunday, October 10. A capacity congregation is expected. All members of the congregation will bring canned goods, dairy products, vegetables and fruits, and clothing to help fill the rostrum. Everything collected will be taken to the Gleiss Memorial Center in Detroit. Rev. B. O. Bashore will deliver the sermon on "The Good Earth," and there will be appropriate music under the direction of Mrs. Harley McConnell with Mrs. Kenton Hunt at the organ.

N. C. McConnell and E. H. Harris are in charge of the general arrangements for the decorations. It will be appreciated if the foodstuffs and clothing will be brought to the church on Saturday.

REVIVAL SERVICES

An old-fashioned revival service is now under way at the Gospel Tabernacle, North Pearl street, of which the Rev. Geno Cecchini is the pastor. The Rev. and Mrs. M. DeVere, playing and singing evangelists are in charge. The meetings are held each evening, except Monday and Saturday, beginning at 8 o'clock.

30-YEARS AS CHURCH'S PASTOR SETS LOCAL RECORD

Public Reception Planned For Edward Escolme

Sunday, October 10, will be the 1,561st Sunday that Edward Escolme has been pastor of the Tecumseh Friends Church. He preached his first sermon October 6, 1918, and has just completed his thirtieth year in this pastorate. It is believed that he has served a Tecumseh church for a longer term than any other pastor in the community. Mr. Escolme played a prominent part in the Centennial Celebration of Tecumseh in 1924.

A reception, honoring the pastor, is planned for next Wednesday evening at the church by the Friendly Class. A special program has been arranged and the public is invited to attend.

Mr. Escolme was born in Carnforth, Lancashire, England, and came to America as a gardener. Upon his conversion he entered Cleveland Bible College. Upon graduation he served in a small rural church at Orange, Ohio, and then came to Tecumseh. In 1926 he went to England and returned with his wife. Their one daughter, Elizabeth Mary, was born in the present parsonage, and is now a student in Baldwin Wallace College, having taken two years in her father's Alma Mater, Cleveland Bible College.

Edward Escolme (it is Quaker custom not to used the title of reverend) in addition to his pastoral duties has been honored with many added responsibilities. At present he is a trustee, and secretary-treasurer of the Tecumseh Community Fund. He was a former president, and at the present time is vic-president of the Lenawee Ministerial Association. He is president of the Lenawee County Association for the Promotion of Holiness. He is presiding clerk of the Adrian Quarterly Meeting of the Friends Church, recording clerk of the Ohio Yearly Meeting, and a trustee of Cleveland Bible College, and a member of the Board of the Friends Foreign Missionary Society of the Ohio Yearly Meeting of the Friends Church.

He is well known in Southern Michigan and Northern Ohio for the Quaker Gospel Hour which he conducts each Sunday morning over Adrian's radio station WABJ. His is the oldest continuous religious broadcast on the station.

The Quakers of Tecumseh, the fourth group of the Society of Friends to be founded in Lenawee

Barbershop Parade Here Saturday Night

The Acoustical Persecutin' Four, Jackson barbershop quartet and 1946 state champions, will be featured at the Barbershop quartet parade at the United Products Workers Union Hall, Saturday evening, October 9. The parade is being sponsored by the Tecumseh chapter No. 18, S. P. E. B. S. Q. S. A., and Tecumseh Girl Scout Association. The program will begin at 8 o'clock with an "afterglow" in the high school gymnasium.

Three Tecumseh quartets, the Four Knights of Harmony, the T. P. Broadcasters and the Tecumseh Barber-Aires, will take part in the program as well as The Barons of Detroit, the Trubadors of Toledo, and other quarters from Detroit, Marshall, Albion, Pontiac, Ann Arbor, Adrian and Toledo.

Geo. Derby Partner In Tecumseh Electric Supply

Forest Abner, owner of the Tecumseh Electric Supply, announced today that he had entered into a partnership with George Derby, but that the name of the business would not be changed.

Mr. Abner opened the Tecumseh Electric Supply store on North Evans street, four years ago. The firm is engaged in electrical contracting and sells appliances, including stoves, radios, refrigerators, heaters, etc., as well as small electrical goods. A radio repair department, in charge of William Rockwood, also is a feature.

Mr. Derby spent two years studying electrical engineering, spent four years doing electrical engineering work in the Army air force and had one year's training in motor rewinding. In the near future, Electric Supply expects to add a motor repair department to its business.

The W. C. T. U. will meet Tuesday afternoon, October 12, at the home of Mrs. S. W. Boyce, at 2:30 o'clock.

Monday Club Begins Year With A Luncheon

The Tecumseh Monday Club opened the season with a one o'clock luncheon at the Methodist church Monday. Some 65 members and guests were in attendance. Mrs. Truman Reutschler, vice president, opened the business meeting at which time a letter was read from the president, Mrs. Don Goddard, who was visiting relatives in England.

Mrs. Robert Carey, president of the Southeastern district of women's clubs, and Mrs. S. L. Wyman of Ann Arbor gave brief talks. Other guests included Mrs. Zella Bricker, president of the Birmingham Woman's Club, Mrs. James Baker, president of the Adrian Woman's Club, Mrs. E. T. Armstrong of Adrian, and Mrs. William Merrill of Bloomfield Hills, state president, who announced the state meeting of Women's Clubs will be held March 30. Mrs. M. G. Partridge introduced her guest, Mrs. George Hemphill of Lodi, Calif. It was also announced a style show, sponsored by the County Federation, will be held at the Adrian Armory, October 14, at 2:30.

The Past Presidents were in charge of the program. Mrs. Henry Vaughan, state chairman of music, sang two solos. "The Pappilon" and "The Spirit Flower," accompanied by Mrs. Frank Gilman. The dramatic department of the Adrian Woman's Club presented the playlet, "Three Cents a Day." Mrs. C. H. Green was the director and those taking part were Mrs. Worden VanOrden, Mrs. Gilbert Runkel, Mrs. Harold Hoisington, Mrs. Robert Campbell and Mrs. Clarence Matthes.

STATE VICE REGENT TO BE D. A. R. SPEAKER

Abi Evans chapter, Daughters of the American Revolution, will meet at the home of Mrs. Charles Branigin, Friday, October 8, at 2:30 o'clock. The program will be in charge of Mrs. Donald F. Wright regent, who has announced Mrs. Walter C. Pomeroy, state first vice regent, will be the speaker. Mrs. Doris Day will sing "Autumn" by Laurence Lieurance. Guest Day will be observed and the hostess will be assisted in serving tea by Mrs. William Wehr, Mrs. George Elliott, Mrs. Charles Mensing and Mrs. E. D. Brown.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

THE PRICE OF MEAT?

Writing in the Baltimore Sun, C. P. Ives presented a few facts on the meat situation which deserve wide circulation.

First of all, Mr. Ives disposed of the theory that high meat prices are the result of an ominous combine to exploit the consumer. He says: "Meat prices are fixed by multiple-unit wide-open market competition. There are about 6,000,000 farms in this country op any one of which you are likely to encounter a few head of livestock grown for market.

"Before the war there were around 300 slaughtering plants in the country in the Federally inspected group alone. During and since the war the number has boomed to around 465 . . Monopoly as the major cause of high meat prices? Don't be silly . . . ."

Going on, Mr. Ives touched on the extremely important development which is at the root of the high cost of meat—and many another commodity as well. The earnings, in late years, of people in low and middle income groups have gone up faster and farther than those in the high income group. Mr. Ives put the result in these words, "The high-income people are relatively few in number and have always had plenty of meat. Their increased income added relatively little to meat demand.

"The totally unprecedented pressure that has boosted average meat consumption from 126 pounds before the war to 155.2 pounds last year, comes mostly from the very numerous low-income groups whose 36 per cent increase in buying power has enabled them to demand meat at a rate quite beyond their prewar dietary practices."

What this all adds up to is that the answer to the meat problem lies largely in greater production of livestock. It certainly doesn't lie in quack remedies, such as price control, which would discourage production and boom the black market.

BRITTON

Sunday callers in the Royal McElroy home were Mrs. Irene Williams and Mrs. Joseph Wrighter of Adrian and Mrs. Chester Pilbeam, Mrs. Thomas Gamboe and son Robert of Pioneer, O.

Mr. and Mrs. Ernest Maschino were called to Benton Harbor Thursday night by the serious illness of their daughter, Mrs. Shirley Jackson. Mr. Maschino returned to his home Sunday night but Mrs. Maschino is remaining indefinitely. Mrs. Jackson's condition has improved some but she is still a patient in Mercy hospital at Benton Harbor.

The Christian church will hold the fall meeting of the Dundee Council of church women Friday, October 8 at 2:30. Mrs. J. Irshey of Detroit will be the afternoon speaker and Mrs. Glen Gripton is the general chairman.

Mrs. Harold Rohrback was hostess to the Macon Extension Club with Mrs. Harry Craig assisting at a 1 o'clock luncheon, Friday. The lesson on "Italian Hemstitching" was given by Mrs. Howard Rhora and Mrs. Robert Exelby. Mrs. Earl Murphy will hold the next meeting in her home.

Mrs. Edith Steele returned home Sunday after several days visit in the Lester Isley home near Wellsville.

Mrs. Cora Allen is back in her home here again and her health is much improved.

Sunday callers in the R. B. Kanous home were Mr. and Mrs. Clarence Kanous of Toledo.

Mr. and Mrs. Dick Southerland and baby returned to Dayton, O., after spending the weekend in the Royal McElroy home.

Miss Lucila Haynes of Ypsilanti and Mrs. Amos Campbell of Detroit are visiting this week in the G. L. Gripton home.

Mrs. William Pupard and Barbara Gamboe of Monroe and Mrs. Clifford Pupard of Cannasota, N. Y., were calling on relatives here Sunday and attended the McElroy-Fairbanks wedding that day.

Mr. and Mrs. Richard Wiggins and daughter of Ann Arbor spent Sunday with Mr. and Mrs. Fay Wiggins.

Mrs. Robert Billau entertained at a cradle shower Sunday afternoon honoring Mrs. Ernest Billau of Ann Arbor. The group of ladies played games with the prizes going to the honored guest who received many lovely gifts from the group. Mrs. John Billau, Jr. assisted Mrs. Billau serve refreshments.

Mr. and Mrs. Clarence Larson are on a ten day trip through the southeast and to Washington. D. C.

Mr. and Mrs. Valden Bidle and daughter and Mr. and Mrs. Arthur Carothers were in Detroit Sunday as guests of Mr. and Mrs. Roy Carothers and daughter.

Mrs. Lilly French was moved Sunday from the Adrian Bowers nursing home to her daughters, Mrs. Earl Smith.

Sunday, Mrs. James Adams met her sister, Mrs. R. L. Duckworth of Alma in Jackson and left by train for California and Oregon.

INSULATE

Your New Home

Or The Home

In Which You Live

YOU'LL SAVE THE COST

IN FUEL SAVINGS

The best time, of course, to insulate your house is when it is being built . . . but don't be misled . . it can be insulated at any time. And don't forget this: Insulation pays for itself in fuel savings . . . in just two or three years.

Ask the man who lives in an insulated house. He'll tell you the fuel savings he makes . . . how comfortable his house is, both in winter and summer. And right now is the time to insulate, and to begin immediately its saving-comfort.

Safe Guard Your Home With A New Roof

Before snow, sleet and winter's chill winds, repair or replace your worn-out roof. We can supply almost any type of shingles you desire . . . and our guaranteed quality gives long-wearing insurance.

YOU can dish yourself up a full portion of the zip and go that make today's Buick engine the leader of the parade.

You can thrill again to the surge of brand-new Fireball power—under the bonnet of your prewar Buick. And you can get action—and action now.

In from one to two working days, we can take the weary engine out of your faithful 1937 or later model Buick—replace it with a sparkling new 1948 Fireball engine fresh from the factory.

It's a complete power package. You get all the items listed in the panel—everything new from carburetor to clutch, valves to oil pan. You get every design and construction feature that puts today's Buick engine out in front. Best of all—your engine is waiting for you in our shop *right now*—because engine output has outstripped new-car production at the factory.

The cost—varying a bit from model to model—is low enough to make this power package a prize bargain. So why delay any longer the thrill of owning and driving a 1948-powered car? Come in today to see how simple the whole thing is.

You get all this— ALL NEW!

- NEW Cylinder Block
- NEW Crankshaft and Bearings
- NEW Connecting Rods
- NEW Pistons, Pins and Rings
- NEW Push Rods and Tappets
- NEW Oil Pump
- NEW Oil Screens
- NEW Oil Pan
- NEW Thermostat and Housing
- NEW Carburetor
- NEW Air Cleaner
- NEW Manifolds
- NEW Water Pump
- NEW Camshaft
- NEW Timing Chain and Sprockets
- NEW Cylinder Head
- NEW Valves and Springs
- NEW Rocker-Arm Assembly
- NEW Flywheel Housing
- NEW Flywheel
- NEW Clutch
- NEW Balancer
- NEW Fuel Pump
- NEW Distributor
- NEW Spark Plugs
- NEW Spark Plug Wires

RIDGEWAY

Church of the Nazarene
Rev. Roy Sheehy, pastor

Sunday school, 10:00 a.m.; morning worship, 11:00 a.m.; youth groups, 7:00 p.m.; evangelistic service, 7:45 p.m. Adult and young peoples prayer services, Wednesday, 8:00 p.m.

October 10 will be Rally Day in the Sunday school.

Church To Celebrate

On October 10 the Church of the Nazarene located at Ridgeway will join a churchwide celebration of the Fortieth Anniversary of the organization of the Church of the Nazarene as a protestant denomination.

The union of separate groups from the West, the East and the South took place at Pilot Point, Texas in 1908 under the leadership of Dr. P. F. Bresee of Los Angeles, Rev. Howard Hoople of New York City and Rev. C. B. Jernigan of Texas.

At the time of the organization in 1908 there were 10,000 members scattered in 225 churches with a few missionaries in a half dozen foreign areas. At that time the Sunday School department had an enrollment slightly in excess of 6,000 and the total giving of the church was $140,000. Forty years later (1948) the Church of the Nazarene had grown until its membership has reached 210,000 representing 3,350 churches on the United States, Canada, and the British Isles with nearly 200 missionaries in twenty-eight foreign areas. The Sunday School enrollment has advanced to 400,000 and the total giving for all purposes during 1947 was more than $44,000,000, making the per capita for the year $90.28.

The Church of the Nazarene, which maintains its International Headquarters in Kansas City, Missouri, supports six major colleges in the United States, one in Canada and one in the British Isles and the Nazarene Theological Seminary, graduate school for ministers and missionaries. In addition, "Showers of Blessing" radio voice for the Church of the Nazarene, is heard over 150 radio stations and by short wave around the world.

The Church of the Nazarene at Ridgeway was organized in 1922 according to Rev. Sheehy, pastor of the congregation.

HOLLOWAY

Miss Patricia McWilliams of Los Angeles, California has arrived at the home of her parents, Mr. and Mrs. Melvin McWilliams.

Mr. and Mrs. Dee L. Dibble and daughter Stephanie of Houghton were recent dinner guests of Mr. and Mrs. B. L. Dibble. They are returning to Houghton to resume his studies there.

Mr. and Mrs. Floyd Graham, jr., have named their infant daughter born September 23 at Tecumseh Hospital, Linda Sue.

Mrs. Eva Dawson was hostess to the Raisin Sewing Circle Friday afternoon. She was assisted by Mrs. John Mitchell.

Recent callers of Mrs. Edna Wilmoth were Mr. and Mrs. B. E. Giles and Mrs Frazier Carmichael and son Tommy of Plymouth. Friday, Rev. and Mrs. D. Carmichael of Orchard Lake and Mrs. Peter Smith of Scotland. Mrs. Charles Brockman of Dundee was a week end guest.

Joy Bennington, daughter of Mr. and Mrs. Earl Bennington fell recently and broke her collar bone. She is at the home of her aunt, Mrs. Carl Gritzmaker.

Compliments are paying investments, but they must be true and sincere if they are to have the desired effect.

Braves To Play

(Continued from page 1)

caught a Toledo punt on his own 45 and raced 55 yards to a touchdown behind good blocking.

Tecumseh's last score came when Brave tackle, Bob Williamson, intercepted a pass on the Toledo 5 yard line. On the next play, Bob Aten swept around his left end to the score. The Ramblers tried to score on several occasions only to have a stubborn Brave line smother their plays. Byron Pilbeam place kicked one extra point. Tecumseh led in first downs 7 to 3.

On Saturday night, a crowd of some 1500 fans saw a bitterly fought contest beween Tecumseh and the Montague Maroons with the Braves coming out on top 10 to 6. Montague received the kick-off and put on a strong running attack which reached the Brave 36 before Tecumseh stopped the offensive there. Tecumseh took over on downs and marched down the field to the Maroons 15. Then Tecumseh's tackle, Byron Pilbeam, stepped back and kicked a perfect field goal. The rest of the half saw both teams battle around midfield as neither squad could get their attacks rolling to any distance.

The battle continued into the third quarter until Bob Kennedy, Tecumseh quarterback, intercepted one of Montague's passes on the Maroon's 34. The drives drove to a touchdown in four plays with Baker going off tackle from the one.

Montague put on a determined aerial attack in the fourth period only to have three more of their passes intercepted by Tecumseh to halt their drives. Tecumseh linemen led by Pagel, Bough and Tilton played a good game along with Baker, Kennedy and Kensler in the backfield.

The Braves played Ace Auto Parts at Recreation Center last night and will meet the Hudson team Sunday afternoon, October 10 at 2:30, at Recreation Center. Wednesday night, October 13, Kasco Mills of Toledo will travel here to play the Braves under the lights at 8 p.m.

The lineups for Saturday night's game was as follows:

Montague — Jack O'Connell, Gibbs, E; Rager, Lipka, T; Chuck, O'Connell, Nordlan, G; Jim O'Connell, C; Hunt, Myers, Troutman, Hunt, Backs.

Tecumseh—Purkey, Hough, E; Dinse, Williams, T; Tilton, Pilbeam, G; Carpenter C; Kennedy, Baker, Aten, Kensler, backs.

From where I sit ... *by* Joe Marsh

Get The Truth!

Called on my good friend "Cappy" Miller, who edits the County *Bee*, the other day. And hanging up on the wall of Cappy's office is this slogan for his paper:

"Remember there are two sides to every question. Get both sides. Be truthful."

A good slogan . . . not just for a newspaper—for people, too. Because there'll always be two sides to every question: the side of those who vote one way, and those who vote another—the side of those who enjoy a temperate beverage like beer or ale, and of those who swear by nothing but cider.

And from where I sit, once you've got both sides—and faced them truthfully, you realize that these differences of opinion are a precious part of what we call Democracy—the right of the individual to vote as he believes, to speak his mind, to choose his own beverage of moderation, whether beer or cider.

Joe Marsh

Gloria Mae Simmons Bride Of Robt. J. Karle

St. Dominic's parish house in Clinton was the scene of a lovely fall wedding, Saturday, October 2, when Miss Gloria Mae Simmons, daughter of Mr. and Mrs. Lamont Simmons of Tipton, and Robert J. Karle, son of Mr. and Mrs. David Karle of Cincinnati, Ohio, were united in marriage. The couple spoke their vows amidst baskets of white gladioli and white pompons at 2:30 o'clock to the Rev. Fr. McGoldrick, who officiated at the double ring ceremony.

The bride chose a hoop skirted gown of white satin. Satin scallops draped the off the shoulder neckline and edged the sheer yoke of the fitted bodice and the long tight pointed sleeves. Rose point lace made a peplum extending to the floor and the ruffles of the same lace appeared from beneath the scalloped drapes of the voluminous skirt. The French illusion scalloped fingertip veil was held in place by a headdress of tiny seed pearls in the shape of a crown. She carried a shower bouquet of white Fygi mums and bebe pompons. Her only ornament was a string of pearls, a gift of the bridegroom.

The bride's only attendant was her cousin, Margaret Taylor. She was gowned in royal blue taffeta with matching mitts and she carried bronze Fygi mums and bebe pompons. Jerry Karle attended his brother as best man.

For her daughter's wedding, Mrs. Simmons chose gull gray with royal blue accessories and the groom's mother wore gray satin with black accessories.

After the ceremony a reception for some 100 guests was held at the bride's home. Mrs. Charles Greenfield of Clinton presided at the urn. The four tiered wedding cake was topped with a miniature bride and groom. Mrs. Charles Driffill and Mrs. Raynor Hardy assisted with the serving.

When the couple left on a trip to Washington, D. C., the bride was wearing a rust colored suit with green suede accessories, with a corsage of two green cymbidium orchids.

The bride, a graduate of Adrian high school, attended Seina Heights College and is now employed in the purchasing department of The Tecumseh Products Company. The groom is a graduate of Roger Bacon high school of Cincinnati, served in the armed forces for one and one half years and is now employed at Simmons Motor Sales at Milan. They will reside at 105 Brooklyn Road, Wamplers Lake.

Miss Phyllis Fairbanks Weds Holden McElroy

Miss Phyllis Fairbanks, daughter of the late Mr. and Mrs. Eli Fairbanks, and Holden McElroy, son of Mr. and Mrs. Royal McElroy of Britton were married Sunday afternoon at 3 o'clock in the Christian Congregational church. The double ring ceremony was performed by Rev. Gerald Hallauer before the altar of the church, which was beautifully decorated with roses and gladioli.

Before the ceremony the acolytes, Bobby Younglove, nephew of the bride, and Lee Benedict, lighted the tapers. Ford Exelby accompanied by Mrs. Exelby sang "I Love You Truly" and "Because."

The bride was given in marriage by her brother, Douglas Fairbanks of Britton.

The bride and groom chose matching suits of gray gabardine for their marriage. The bride wore pink and black accessories and her corsage was gardenias.

Mrs. Harland Parker of Tecumseh, sister of the bridegroom, was the bride's only attendant. She was attired in a green gabardine suit with black accessories and her corsage was pink carnations.

William J. McElroy, brother of the bridegroom, was best man. The ushers were Robert Gamboe, of Pioneer, Ohio, Clifford Brown and Charles and Elwood Fairbanks, brothers of the bride.

Mrs. McElroy chose for her son's wedding a navy dress and a corsage of pink mums.

After the ceremony a reception for some 100 guests was held in the church parlors. Mrs. Myrtle Taylor cut the traditional four tiered wedding cake. Mrs. William Miller and Mrs. Wendell Frear presided at the coffee urns. Hostesses for the occasion were the bride's sisters, Mrs. Ralph Mull of Sylvania, Ohio,. Mrs. Clarence Hilghneck of Dundee, and Mrs. Ralph Younglove of Britton. Miss Merilyn Brown was in charge of the guest book.

The new Mr. and Mrs. McElroy are graduates of Britton high school. Mr. McElroy served in the Army Air Corps for three years and is now employed as an electrician. The young couple will reside in Britton after a short wedding trip.

WILL VISIT HOME

The W. S. C. S. of the Methodist church will travel to the Ester Hall home for Working Girls, 1191 Merrick Ave., Detroit, Wednesday, October 13, for their regular meeting. A potluck luncheon will be served at noon. For transportation members are to call 263 not later than Tuesday, October 12.

Public Reception

(Continued From Page 1)

County, commenced to hold their meetings at the homes of various friends in 1842. Prior to that date, Quakers from Tecumseh and Macon met for worship at the Raisin Valley Friends Church, established in 1831, and today a flourishing church three miles north of Adrian, at Birdsall.

The present church building here was built in 1891, and when dedicated was debt free. Among those eastern Friends who sent gifts to build the Tecumseh "meeting house" was the famous Quaker poet, John Greenleaf Whittier. Of interest to many is the fact that 106 years after the first meetings were held, in the Comfort and Satterthwaite homes, some of the most active members of the present church are descendants of those two pioneer families.

Friends custom for years was not to employ salaried pastors, but since the building of the present church there have been 12 pastors, Edward Escolme next Sunday begins his 31st year as pastor. Eleven other pastors served the church for 17 years, as compared to his 30 years of service.

A new $10,000 addition to the church for the expanding Sunday School will be dedicated some time within the coming months. Although the membership of the Tecumseh Friends Church now is only 117 the church income, due to the fact that most of the members tithe, runs around $12,000 a year. The famous Dynamic Kernels Wheat Tithing experiment, carried on from 1940 to 1946 was the result of a sermon preached in this church September 22, 1940.

Harold L. Ruhl, jr., Weds Battle Creek Girl

Sunday afternoon in the Lakeview Baptist church at Battle Creek Miss Jean Ann Williams, daughter of Mr. and Mrs. Richard Williams of Battle Creek, and Harold Ruhl, jr., son of Mr. and Mrs. Harold Ruhl, sr., of 214 Bidwell street, Tecumseh, exchanged their nuptial vows before the altar decorated with palms, ferns and gladioli. The Rev. George Seifert read the double ring ceremony at 2 o'clock.

Given in marriage by her father, the bride was attractive wearing a wine gabardine suit, gray accessories and an orchid corsage. Her only jewelry was a single strand of pearls, a gift of the groom. Mrs. Keith Mackinder attended the bride attired in a suit of blue gabardine with blue accessories and a corsage of gardenias and roses. The bride's little sister, Elanor Williams, was dressed in a yellow suit and carried the rings in two carnations.

Martin Korth attended Mr. Ruhl as best man and the ushers were Harlan Ruhl and Keith Mackinder.

Preceding the ceremony Mrs. Virginia Hyttan played a program of organ music and accompanied Miss Marian Leman when she sang "I Love You Truly" and "Because."

For her daughter's wedding, Mrs. Williams chose green crepe with black accessories and Mrs. Ruhl wore a blue gabardine suit with gray accessories. Both mothers wore corsages of talisman roses.

After the ceremony a reception was held in the church parlors for some 75 guests. Those assisting with the serving were Mrs. Frank Warren, Eloise Warren, Mrs. James Clevenger and Mrs. Len Hill.

The bride, a graduate of Lakeview high school and Cleary college in Ypsilanti, is employed as a secretary of the Consumers Power Company. The groom attended Macon schools and is employed at Boysville in Macon, where the couple will reside upon their return from a trip to northern Michigan.

Indians, Hudson

(Continued from page 1)

out of the hole to midfield. Hudson returned that kick, with a punt on the fourth down, to the Tecumseh 24. The visiting team's first play was nearly fatal when the Indian carrier fumbled the ball and Hudson recovered, deep in Tecumseh territory. An end run brought them to the 10 yard stripe and they were dangerously close to breaking the tie. On the second pass attempt, the receiver gathered in the ball in the end zone. The Hudson fans went wild. Here in the closing moments of the ball game, the Hudson team suddenly struck, breaking the tie—but no—as luck would have it, there had been an official's horn on the play and they were called back without the touchdown, to receive a 5 yard penalty. Again, for the second time this year, Tecumseh tied their ball game.

Tecumseh will travel to Clinton tomorrow night to meet the Redskins under the lights.

Tecumseh; Ends, Case, Cameron. Tackles, VanCamp, Murphy. Guards, Rentschler, Judd. Center, Campbell. Backs, Martin, Gillin, VanWinkle, Underwood.

Hudson: Ends, Meredith, Phillips. Tackles, Zimmerman, Schafer. Guards, Ames, Alverson. Center, Franz. Backs, Culver, Potter, Garr, Lawrence.

TWO NEW MEMBERS OF EXCHANGE CLUB

Supt. Earl H. Place was the speaker at the regular dinner meeting of the Tecumseh Exchange Club at Brees House, Monday evening. Mr. Place spoke on the Tecumseh schools and the school situation in the state. He explained the school amendments which will be voted on November 2.

F. Ken Dawson, village engineer, was a guest of Clarence Beach. Two new members were admitted into the club. They are James Barton and Robert Manchester.

SLOSSON TO SPEAK IN TECUMSEH, OCT. 8

University of Michigan historian, Preston W. Slosson, Democratic nominee for second district congressman, today announced plans for a public address in Tecumseh, at 7 p.m., Friday, October 8. Professor Slosson's appearance in Tecumseh will be one of twelve he will make during the coming two weekends in communities in Washtenaw, Jackson, Lenawee and Monroe counties.

The tour will be conducted by a "Slosson Caravan" of cars. The candidate will speak for fifteen minutes and then answer questions at a convenient location in the business district.

WIT, WISDOM CLUB HOLDS FIRST MEETING

The Tecumseh Wit and Wisdom Club opened its 56th year Monday with a business meeting at the home of Mr. and Mrs. Wilfred Waldron. After the business was discussed Mrs. John McCall, Mrs. Kennard Wise, Mrs. John Hamilton and Mrs. Waldron entertained with a two-piano duet. Members told of their vacation experiences after which a social time was enjoyed. Refreshments were served by the host and hostess.

The club will meet with Mr. and Mrs. Mel Partridge, October 18.

AUXILIARY TO MEET

The Tecumseh Hospital Auxiliary will meet Tuesday, October 12, at the home of Mrs. C. O. Butler, at 8 p.m. A discussion on the care of polio patients will be given by several nurses.

CHILD STUDY CLUB TO MEET OCTOBER 11

The Tecumseh Child Study Club will meet Monday, October 11, at the home of Mrs. Robert Ries at Ridgeway, with Mrs. Howard Truesdale and Mrs. Hugh Andrews as the assisting hostesses. The Indian Acres Extension club will give an ironing demonstration under the leadership of Mrs. Duncan Oliphant. Mrs. Kenneth Johnson and Mrs. George McCombs will be in charge of the children's favors.

Those desiring transportation and those with cars available are to contact Mrs. Duncan Oliphant.

LANNING P. T. A.

The Lanning P. T. A. will meet at the home of Mr. and Mrs. W. L. Becker, Friday, at 8:30 p.m. A miscellaneous shower will be held for Mr. and Mrs. Johnnie Selders. Members are to bring sandwiches, cake or jello. Leon VanValkenburg and William Fritz are in charge of the program.

Mrs. Dean VanValkenburg will be hostess for an all day work meeting of the Ladies Union of the Baptist church today. A potluck dinner will be served at noon. Mrs. Ted McConnell is in charge of devotions and Mrs. Claire Beland will have the program.

The Comfort Extension Club will open its season with a meeting at the home of Mrs. George Finnegan, Wednesday, October 13. The lesson will be "Bridge Lamps May be Made Into Indirect Lighting, Wiring Kerosene Lamps and Refinishing Lamp Bases."

POMONA DELEGATES NAMED BY GRANGE

The regular meeting was held Thursday evening with Master Charles Patterson presiding. A large attendance was present. Delegates appointed to attend Pomona at Four Towns Grange, October 13, were Mr. and Mrs. Floyd Barrett, Mr. and Mrs. N. C. McConnell, Mr. and Mrs. Leroy Matthews, Mr. and Mrs. Martin Keasel, Mr. and Mrs. Frank Hoagland and Mr. and Mrs. Virgil Bortel. The fifth degree will be exemplified at the Clayton high school the same evening.

During the social hour, Mrs. ClauDyne Swick, lecturer introduced Howard Heath, rapid-fire radio broadcaster for Ann Arbor station, WPAG. He took recordings of songs by the Grange Chorus and remarks by Master Patterson, M. G. Partridge, implement dealer, and Rev. B. O. Bashore on what the Grange means to them to be broadcast the following morning. The October 14th meeting will be election of officers.

MISSION GUILD

The Florence Weld Mission Guild will meet Monday evening, October 11, at the home of Mrs. Thomas Hamilton. Devotions will be led by Mrs. Alta Boyce and Miss Edith Ingersoll will be the program leader. The topic is "Negro Schools."

O. E. S. MEETING

The regular meeting of the Order of Eastern Star will be held this (Thursday) evening at 8 o'clock, for the annual election of officers. Gold certificates will be presented to 50-year members.

Dining room, Helen Bale, Naomi Bugbee, Bessie Travis. Program, Mrs. Littell, Mrs. Halljday, Mrs. Sheward and Mrs. Ella Swick.

True Democracy Need In Europe

That America is not taking its opportunity to teach the true meaning of democratic living to the peoples of Europe, was the opinion of Dr. John Marvin, editor of the Michigan Christian Advocate, when he spoke to the Methodist Guild last week. Dr. Marvin had been in this country only a week after attending the World Council of Churches in Amsterdam, Holland, as a press delegate. He was secured through Dr. and Mrs. Norman MacNaughton. The meeting was in the Methodist church.

Dr. Marvin told of many "intangible" accomplishments of the Council. "The 'meeting of minds', he explained, "even though in some cases bringing no definite conclusion, could not but help broaden the thinking of the delegates from all sections of the world." All religions were represented except the Roman Catholic and the Soviet Russian. The framework of a continuing organization was set up and standing committees appointed for work on innumerable vital problems, such as relief, youth, race, etc.

At the close of the conference Dr. Marvin traveled to Paris and through the American zone of Germany. "Apparent everywhere", he said, "were countless hatreds and bitter prejudices among the peoples. America is not taking its opportunity to teach the true meaning of democratic living." Dr. Marvin cited incidents of the worthiness of CARE packages, but warned against sending impractical clothing such as high-heeled shoes and too worn clothing.

Before Dr. Marvin's talk, Mrs. Marie Deaner gave a background report on the development of a World Council of Churches acquainting members with its ideas and its emphasis on the similarity of all types of religions.

Plans were also laid that evening for a community recipe book. All those having a favorite recipe are urged to send it at once to Mrs. Irene Hay or Mrs. Alyce Dick.

The hostess, Mrs. Norman MacNaughton, served ice cream, cookies and coffee to close the evening.

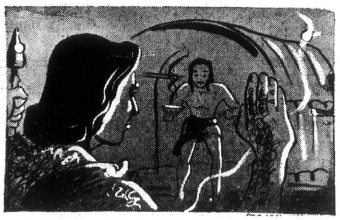
Go To Church On Sunday



Esau Sells His Birthright

"And Jacob had pottage: and Esau came from the field, and he was faint: and Esau said to Jacob, 'Feed me, I pray thee, with that same red pottage; for I am faint.' And Jacob said, 'Sell me this day thy birthright.' And Esau said, 'Behold, I am at the point to die: and what profit shall his birthright do to me?' And Jacob said, 'Swear to me this day' And he sware to him: and Esau sold his birthright unto Jacob." (Genesis 25:30-34.)

Jacob coveted something which belonged to Esau and he took advantage of Esau's hunger and weakness to get what he wanted. This is just one example of man's selfishness and greed which God deplores.

The church teaches the doctrine of brotherly love and compassion. Attend the church of your choice regularly and contribute your part towards making this a better world.

RIDGEWAY

Elmer Linn has received a copy of the Evening Leader of Corning, N. Y., centennial edition, from Edward J. Smith. They are celebrating the 100th anniversary of that city. Mr. Smith is a leading business man in Corning, being general manager and vice president of the Ingersoll Rand Co. there. He was born in Ridgeway, graduated from the local school and is a graduate of Engineering College of the University of Michigan.

Mrs. Emily Pfund of Adrian has been a guest the past week of Mr. and Mrs. Will Fletcher.

Mr. and Mrs. Hamilton of Macon were guests Wednesday of Mrs. H. A. Friedlander.

Mr. and Mrs. Wm. Fletcher and Mrs. Emily Pfund were dinner guests Tuesday evening of Mr. and Mrs. T. M. Birdsall.

Callers Sunday of Mrs. Elmer Linn were Mr. and Mrs. Hill of Monroe, formerly Jennie Curtiss; Mrs. Park of Birmingham, formerly Lottie Sanpier and Mrs. Vernon Flager of Dansville, formerly Lola Ensign. They were all former residents of this place.

There will be a church fair and turkey dinner at the Ridgeway Methodist church Friday. The dinner will be served at 5:30.

Mr. and Mrs. Will Fletcher were at Milan Sunday, guests of Mr. and Mrs. Raymond Francis, who entertained at a birthday dinner in honor of Mrs. Fletcher.

Mr. and Mrs. Garnet Baker of Clayton were guests Sunday of Mrs. Hattie Wood.

Mr. and Mrs. J. O. Strong were weekend guests of friends in Ohio and Blissfield. On the return to Melvindale they called on Mrs. Annie Pocklington.

Mr. and Mrs. Harold Harrison of Detroit were Sunday guests of Mrs. Ed Harrison.

Mr. and Mrs. W. T. Birdsall of Detroit called in town Saturday.

Mr. and Mrs. Joseph Exelby and Mr. and Mrs. Carl Exelby of Ann Arbor visited their parents, Mr. and Mrs. Everett Erelby and attended the McElroy-Fairbanks wedding in Britton Sunday.

Mrs. Charles Frost of Tecumseh spent Sunday in town.

Mrs. C. J. Underwood and Mrs. E. V. Avery of Ann Arbor called in town Saturday.

Mrs. Thelma Frayer, Mrs. Hazel Culbertson, Mrs. Dorothy Hindes and Miss Julia Gilmore attended a district meeting of the W. S. C. S. at the First Methodist church in Ann Arbor Tuesday.

Mr. and Mrs. T. M. Birdsall after several days stay in their home here returned to Detroit Saturday.

Mr. and Mrs. Fred Passow and children of Ann Arbor were Sunday guests of Mr. and Mrs. Smith Pocklington.

Mr. and Mrs. Albert Filter and family were Sunday guests of Mr. and Mrs. Evert Netcher at Onsted.

Mr. and Mrs. Ben Joseph of Liepsic, Ohio were Sunday guests of Mr. and Mrs. Wm. Miller.

TIPTON

The Ladies Aid Society met yesterday afternoon in the Grange Hall and tied off a quilt.

The annual church meeting was held after the services Sunday. A co-operative dinner was served.

Mr. and Mrs. J. F. Haines of Decatur, Ill., have returned home after visiting her sister and husband, Mr and Mrs. Ora Jones and family.

Mrs. Eva Wells has returned to Toledo after having been a guest of her brother, Zell Whelan.

Mr. and Mrs. William Jones of Dimondale have returned home after spending a few days with relatives here.

Michigan Mirror

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

LANSING—A key man in the Kim Sigler administration at Lansing, now bidding for another two year tenure, is John A. Perkins, newly appointed controller of the state department of administration.

Many of the governmental streamlining reforms, advocated unsuccessfully last spring by Governor Sigler, bear the stamp of Perkins and, through him, the blessing of political science experts at the University of Michigan. Principal achievement to date is the new state department of administration.

Re-election of Sigler will continue Perkins in the focal point of the reform movement at the state capitol. Hence the controller's views are of more than casual importance. Here are recent quotations:

Several former governors of Michigan pointed in the direction of the new Department of Administration without reaching the sound conclusion of Governor Sigler. In his first inaugural speech of 1935, Governor Fitzgerald said that, 'an important step in the reorganization of State Government is the elimination of the state administrative board . . . The many administrative duties now vested in the board can be handled better by state officers and their qualified assistants than by the present cumbersome board. I have been a member of the state administrative board for four years, and I cannot recall a single accomplishment which could justify its existence.'

"Two years later, Governor Murphy advocated a department of finance 'in which may be centralized and consolidated all accounting functions apart from auditing, budget preparation and financial control, and state purchasing.'

"By 1943 the need had become so obvious that Governor Kelly, after noting that there were in excess of 100 agencies of state government, in his inaugural message stated that, 'The constitution makes it clear that it is the duty of Governor to acquaint himself with the problems, accomplishments, and possible improvements of each one of these many and varied departments of state government, striving always to correlate their various activities into an efficient, economical working unit.

"'In order to fulfill this duty it is my opinion that the Governor should be provided by law with a department to be known as the department of business administration, directed by a business administrator under the personal supervision of and directly responsible to the governor, and clothed with proper and adequate authority.'"

Perkins points out that this department, as created by the legislature, lacks the real tools for getting results — namely, budget control, accounting and purchasing. Hence its death was inevitable, and the legislature ordered it in 1945.

By relieving the state administrative board of these important functions, which are being actually administered by administrative employees not responsible directly to the governor, the Sigler reform would permit the board to become the "governors' cabinet", according to Perkins.

As has been pointed out previously by Perkins in this column, the new department will not result immediately in large dollar savings.

"In the first place, the department's own expenditures may actually increase slightly as it undertakes the long-neglected tasks of better servicing the line departments and institutions and requiring of them better operations . . . Business organizations have long realized that it was wise to spend a dollar in order to save several dollars."

Perkins expresses some concern about the future of the new department.

"Unthinking resentment against increased tax burdens may bring bitter and unfounded criticisms against the department," he states.

Why "increased tax burdens"? Because the State of Michigan, must seek new sources of revenue as a result, "largely although not entirely," of the diversion to local units of a major part of its sales tax revenue.

If the voters in November reaffirm diversion of sales tax revenue to local governments, as now appears to be likely) Perkins forecast increased taxes in order to stave off "a deficit of millions of dollars."

Looking for someone to blame, voters may jump at the conclusion that the Sigler-sponsored reform—the new state department of administration—is responsible.

At least, that's the 1948 apprehension of Controller Perkins. Time will tell!

LEGAL NOTICES

NOTICE

Sealed bids for the construction of a

SEWAGE PUMPING STATION
NORTH MAUMEE STREET
TECUMSEH, MICHIGAN

will be received by the Village of Tecumseh, Michigan at the office of the Clerk in the Village office until

12 O'CLOCK, NOON,
EASTERN STANDARD TIME
MONDAY, OCTOBER 11, 1948

and at that time and place will be publicly opened and read aloud.

The proposed work consists of the construction of a Sewage Pumping Station with necessary Pumping and Screening Equipment, approximately 500 lineal feet of 12 inch sewer with manholes and approximately 540 lineal feet of eight inch Cast Iron Force Main.

The Contract Documents including plans, specifications are on file in the office of the said Clerk and at the office of the Consulting Engineers, Finkbeiner, Pettis & Strout, 518 Jefferson Avenue, Toledo, Ohio, copies of which may be obtained by depositing $10.00 with said Consulting Engineers for each set so obtained. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the plans and documents in good condition prior to or at the time of opening of bids.

All bids shall be signed and submitted on the blanks which are in the specifications and shall be secured from the Consulting Engineers. Bids shall state the price for materials and labor separately on the blanks provided therefor, shall be enclosed in sealed envelopes marked "Bid for Sewage Pumping Station", and addressed to the Clerk of the Village of Tecumseh, Michigan.

Each bid must contain the name of every person, firm or corporation interested in the same, and be accompanied by a bond to the satisfaction of said Clerk or a certified check on a solvent bank, in the sum of 5% of the amount of the bid, made payable to the Village of Tecumseh, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

The Village reserves the right to reject any or all bids and to waive any irregularities in bidding.

No bidder may withdraw his bid for a period of 30 days after the scheduled time for the receipt of bids.

By Order of the Council of the Village of Tecumseh, Michigan
Wade L. Jones, Clerk
Sept. 30- Oct.7

SLUYTER ELECTRIC

Cooperation Wins on the Telephone Party Line, Too

Real teamwork is needed to win football games. And the same spirit of cooperation is necessary in order for a telephone party line to function smoothly.

Today, continued shortages of vital materials make it possible for us to continue our expansion program only by party line telephone installations. We would like to give a private line to everyone who wishes one; but when it is a case of party line —or no telephone—you'll surely agree that party line is better.

So won't you please be a good party line neighbor. It means better telephone service for everyone —including you.

REGISTRATION NOTICE
For GENERAL ELECTION
TUESDAY, NOVEMBER 2, 1948

To the Qualified Electors of the Township of Tecumseh, County of Lenawee Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at Supervisor's Office WEDNESDAY, OCTOBER 13, 1948 The Twentieth Day Preceding Said Election From 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

In any Township or City in which, the Clerk does not maintain regular daily office hours, the Township Board or legislative body of such Township or City may require that the Clerk of such Township or City shall be at his office or other designated place for the purpose of reviewing applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at Supervisor's office Saturday, October 9, 1948, from 1 o'clock p.m., to 8 o'clock p.m., Monday, October 11, 1948, from 1 o'clock p.m. to 5 o'clock p.m., Tuesday, October 12, 1948, from 1 o'clock p.m., to 5 o'clock p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

HUGH H. HANNA,
Township Clerk
Sept. 30-Oct. 2

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 1st day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of CHRISTIAN KURTZ, Deceased.

On reading and filing the petition of Richard F. Roe, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 25th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

Don't Let CARELESSNESS Start A Fire

AND DON'T, BECAUSE OF NEGLECT,

BE THE CAUSE OF AN AUTO ACCIDENT

This is National Fire Prevention Week and all of us . . . our Village Officials, our Chamber of Commerce, our State and National Law Enforcing Agencies, the public generally, are urging us to be careful . . . to prevent fire. We're happy to cooperate in every way.

At the same time, however, we'd like to stress the importance of saving lives through safe driving . . . protective maintenance of automobiles. It's important that brakes and headlights function properly, that tires are good and that the steering mechanism works properly.

For the things that your car needs to make it safe . . . for every mechanical care . . . our garage is the place to obtain it. Our mechanics are factory trained, our tools are factory designed, the parts that we use are precision built.

So, to save time, to cut the cost of your repair bills, bring your car to us for the service it needs. We'll do it conscientiously, and economically.

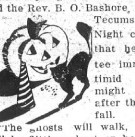
THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-SEVEN | TECUMSEH, MICHIGAN, OCTOBER 14, 1948 | FIVE CENTS PER COPY

FOR GRAND PRIZES AND AN EVENING OF FUN

The Spooks Will Parade Here At Hallowe'en Civic Party

If you believe in ghosts — and live in Tecumseh — you'd better stay at home and keep the shades drawn on Saturday night, October 30, because the witch that rides the broomstick, the spirit with the head of a pumpkin and the black cat that crosses the path of the superstitions will be on parade . . . and there's no maybe about it.



Saturday night, October 30, is Hallowe'en and the Rev. B. O. Bashore, who is planning Tecumseh's "Spooks" Night celebration, says that he'll not guarantee immunity to any timid resident who might venture forth after the hour of nightfall.

"The ghosts will walk, the Old Witch will be flitting about on her broom and as for black cats, well, they'll probably be here, too," the Rev. Mr. Bashore said.

Of course, Mr. Bashore said that everything will be in fun . . . because it's planned that way. Annually, the Rotary Club sponsors a Civic Hallowe'en party for the young folks of Tecumseh and its trading area and this year's party will be larger than ever before.

There's going to be barrels of cider, donuts by the hundred, a parade of merry-makers in costume through the business district, headed by the high school band, and later there'll be a big bonfire in Elliott Park, where the cider and donuts will be dispensed. Prizes for finest costumes will be awarded to those taking part in the parade.

An innovation this year will be the drawing of pictures on store windows by members of the art classes of the high school. Windows will be assigned by the school, and special crayons will be used.

The party is staged annually by Rotary in an effort to reduce vandalism to a minimum in Tecumseh on Hallowe'en. The expense of the party this year is being borne by the Rotary and Exchange clubs, the Community Chest, the Chamber of Commerce and the village council.

"The party is rather expensive," Bashore said, "but it is realized that the destruction of property is expensive, too. The youngsters understand that because of the party there is to be no destruction, and, in years past the youth of Tecumseh have cooperated 100 per cent. We believe that the boys and girls will cooperate with us again this year."

A complete program for the Hallowe'en party will be announced in about a week. In the meantime, oldsters and youngsters alike are preparing the costumes that will be worn at the Spooks Party, and some of the wearers of the costumes will be awarded grand prizes.

Red Feather Drive Planned

ORGANIZATIONS ASKED TO SUBMIT BUDGETS FOR THIS YEAR'S PROGRAM

Do you want a feather in your cap?

Red Feather time will soon be here for Tecumseh and every public-spirited citizen will be asked to pitch in and help to put over the Red Feather campaign for the Tecumseh Community fund.

The following groups received funds from the 1947 campaign:

Give Now — To Your Community Chest

Tecumseh Recreation Center, $1,200 for summer playground activities; Wolverine Council, Boy Scouts of America, $533; Tecumseh Health Education Committee for remedial work in school health program $150; Tecumseh Hospital Auxiliary in place of an annual tag day $350; Tecumseh Child Study Club $150; Tecumseh Girl Scouts $350; The Tecumseh Chapter of the Lenawee County Cancer Unit $1000; the 1947 Hallowe'en Party $26; the 1947 Children's Christmas party $33.

Secretaries of participating organizations are asked to submit their 1948-49 budgets to George Adamson, chairman of the Tecumseh Community Fund, or to Edward Escolme, the secretary-treasurer, in order that these budgets may be considered by the board, before the opening of the 1948-49 campaign.

Funeral Services Held For Accident Victim

Funeral services were held at the Niblack Funeral Home in Britton, Friday afternoon, for Russell K. Harvey, seven-year-old son of Mr. and Mrs. Lyle Harvey of one mile east of Tipton, who died Tuesday evening of last week after suffering a broken neck when he fell from a haymow 40 minutes earlier. E. D. Pumphrey of Ridgeway officiated and burial was in the Ridgeway cemetery. The bearers were Ralph and Raymond Easton, Walter Mueller and William Spreeman. Friends and relatives attended from Jackson, Manchester, Adrian, Clinton, Tipton, Tecumseh, Romulus, Bellville, Blissfield, Milan and Britton.

Russell was playing with his younger brothers, Douglas and Ronald, in the haymow at the Harvey farm, when the mishap occurred. Russell lost his footing and fell 12 feet, landing on the back on the wheel of a combine. His neck snapped but the boy did not lose consciousness at once. A Tecumseh physician was called but Russell died soon after he arrived. Coroner Paul Mott of Adrian ruled the death accidental.

In addition to his parents and brothers, Russell is survived by two sisters, Jean and Joan at home and his grandparents, Mrs. Frances Easton of Tipton and Mr. and Mrs. Reuben Harvey of Ridgeway.

NOTICE

Office closed from noon, October 16 to October 21, inclusive, while I am attending clinics of International College of Anesthetists at Montreal.

Camera Club To Show Pictures To Shut-Ins

Members of the Indian Snappers Camera Club are offering a community service by showing their moving pictures to shut-ins and older folks in this locality, simply by the asking. Anyone desiring a member to come to their home with movies should call John Saling at the Tecumseh Camera Shop and he will make the arrangements.

The club meets once a month on Monday night at the Camera Shop and guest night is being planned for the December meeting. At this time Clyde Giltner will show some of his black and white pictures of western scenes.

Boy, 3, Killed When Hit By Car

WILLIS G. PORTER, jr., FATALLY HURT IN ACCIDENT WEST OF VILLAGE

A Tecumseh boy was one of three victims in as many traffic fatalities over the weekend in Lenawee county.

Willis G. Porter, jr., aged three years, son of Mr. and Mrs. Willis G. Porter of 802 West Pottawatamie street, was fatally injured Saturday afternoon about 4:30 when he was struck by a car driven by Duane R. Covell of Adrian. The accident happened as the child was crossing the highway, just west of the village limits.

The child and one of his sisters were on their way to a grocery store, crossing the pavement, (M-50), from south to north when it is believed the youngster broke away from his sister's handclasp and darted into the path of the Covell car. He was dead on admittance to Tecumseh Hospital. Covell was driving slowly but was unable to avoid the accident. State police from Blissfield, driving behind the Covell car, witnessed the mishap. Coroner Paul Mott of Adrian held that the child's death was accidental.

Do You Have A Pair Of Old Shoes To Give?

The Tecumseh Exchange Club's drive for old shoes, cooperating in the nation-wide S. O. S. Campaign, will end on October 20, Leon P. Williamson, president of the club, announced today.

"To date," Mr. Williamson said, "we have received about 750 pairs of shoes, but we believe that there are still more old shoes available for the needy in Europe. The need in the war-devastated areas for footwear is tremendous, and we'd like to know that Tecumseh is doing its part."

Mr. Williamson said that persons who have old shoes to donate, and who find it inconvenient to drop them in one of the downtown receiving barrels, should notify some member of the Exchange club and the shoes will be called for. Phone calls may be made to Williamson or to Ned Rosacrans, John Saling, Rhae Henkel, Ellsworth Collins, Max Brandt, Charles Seitz or James Artman.

After October 20, Williamson said the shoes collected locally will be shipped to Detroit for over-seas distribution.

PRICE CORRECTION

In the Kroger advertisement, page three, ground beef is advertised in error. U. S. government grade good Kroger cut Tenderay chuck roasts should be priced at 69c pound.

Braves Divide Pair Of Games

LOSE TO TOLEDO BY ONE TOUCHDOWN; DEFEAT HUD SON; MONTAGUE, SUNDAY

The past week of football saw Tecumseh's semi-pro team split a pair of games with Ace Auto Parts and Hudson Athletic Club. The Braves lost to Ace Auto of Toledo 7 to 0, Wednesday night, and then beat Hudson, 13-0, Sunday afternoon. Both games were played at Recreation Center.

Wednesday night, the local boys battled on even terms with the Toledo team till the fourth quarter. The first period saw a battle of lines and neither team drove any distance. The Braves put up a strong defense to stop a Toledo attack on the Tecumseh 12-yard line as the half ended.

In the third quarter, Tecumseh put on an offensive drive that reached the Ace 6 yard line where Toledo's line stiffened and stopped the attack there. On the fourth down Byron Pilbeam, Brave guard, tried a field goal and missed. Then Ace Auto put on a great running and passing attack that went from their own 20 to a touchdown. The score came when Toledo's quarterback, Lawnids, dropped back from the T formation and threw a 6 yard pass to end Bock. The kick was good and Toledo led 7 to 0. Tecumseh came back after the kickoff and was on the march as the game ended. Tecumseh made 13 first downs to Toledo's 12.

On Sunday afternoon, the Braves grabbed a quick two-touchdown lead in the first period. The first score came on a break as Hudson was punting on fourth down. A bad pass from center forced Hudson's kicker, Hersch, to run the ball and he was thrown on the Hudson 20. Tecumseh moved quickly after taking over there to score. Pilbeam's kick was no good for the extra point.

After kicking off to Hudson, the Braves came right back to score again. After an exchange of punts, Purkey intercepted a Hudson pass on the Hudson 45. With Baker calling signals and mix-

HARVEST HOME SERVICE IS HIGHLY SUCCESSFUL

Several bushels of potatoes, much canned and fresh fruits and vegetables, eggs, dairy products and even clothing were just a few of the items which filled the rostrum at the Baptist church, Sunday morning, for the annual Harvest Home Festival.

N. C. McConnell and E. H. Harris arranged the foodstuffs donated by members of the church and congregation. Everything has been taken to the Gleiss Memorial Center in Detroit.

Rev. B. O. Bashore delivered the sermon and special music was sung by the choir under the direction of Mrs. Harley McConnell.

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet Friday, October 15, at the home of Mrs. George Wright instead of with Mrs. R. W. Herrick as originally planned. The assisting hostesses are Mrs. Thomas O'Hara, Mrs. Harold Wilson, Mrs. R. M. Ries, Mrs. Ed Berry and Mrs. R. S. Moore.

DATE IS CHANGED

The Ladies Auxiliary of the Hall-Slater Post, V. F. W., will meet Thursday evening, October 21, in the post rooms, instead of the regular meeting night, October 14.

New Superintendent To Speak To P. T. A.

Due to the Teachers Institute in Lansing and East Lansing this week, the regular meeting of the P. T. A. is postponed until Thursday evening, October 21, at 8 o'clock. However, the program will be the same with Earl Place, the new superintendent of schools, as the guest speaker. The vice president, Mrs. Ray Sluyter, will plan special music and recreation for the evening.

Mrs. T. Rentschler, president, is appointing room representatives in preparation for the year's work. Mr. and Mrs. Thomas O'Hara are co-chairmen of the membership drive and will present their plans at the October meeting.

Mr. and Mrs. Carl Foshender and James McDowell are completing arrangements for the school dance to be held in the gym this Friday evening after the home football game with Pittsford. Mr. and Mrs. R. H. Moore will represent the P. T. A. at this dance. The junior and senior high students together with the visiting students are invited to attend.

4,000 Persons At Band Festival

TWELVE MUSICAL ORGANIZATIONS IN MASS PROGRAM AT RECREATION CENTER

Four thousand persons attended the second annual Band Festival, staged at Recreation Center here, Tuesday evening. The Festival was under the supervision of Clare Cambum, director of the Tecumseh High School Band, and was sponsored by the school and the Band Parents Club. The Rev. B. O. Bashore, pastor of the Baptist church, acted as master of ceremonies.

Bands participating in the program were from Lyons and Metamora, Ohio, Britton, Clinton, Morenci, Brooklyn, Sand Creek, Blissfield, Adrian, Hudson, Napoleon and Tecumseh.

A feature of the program was the formation of "The Great White Cross," by some 65 majorettes. The cross was formed while the field was darkened and when the lights came on the majorettes were given a loud ovation.

Twenty-four trumpeters played during the flag-raising ceremony and at the conclusion of the program there was a massed band program.

The first festival a year ago attracted about 1,200 persons but this year's crowd was estimated at well over 4,000.

HARRY SCHUCH'S FATHER DIES IN UNION CITY

Mr. and Mrs. Harry Schuch were in Union City on Saturday to attend the funeral services of Mr. Schuch's father, William Schuch, 85, who died suddenly while attending a theatre in Union City, Wednesday evening.

Mr. Schuch was born in Pennsylvania, September 29, 1885. He is survived by two sons, Harry of Tecumseh and Clarence of Union City; two daughters, Mrs. Bessie Tule of Union City and Mrs. Ruth Bahlberg of Morenci; a brother, Harry of Annaconda, Mont.; a sister, Mrs. Harriett Lusk of Williamsport, Pa.

Burial was in the Riverside cemetery, Union City.

SCHOOLS CLOSED

Tecumseh public schools are closed today and Friday while the teachers are attending the regional teachers meeting at East Lansing.

Indians Humble Clinton Eleven

WIN FIELD-DEDICATION GAME BY ONE POINT; PITTSFORD HERE, FRIDAY

By Gordon Comfort

The Tecumseh high school Indians traveled to Clinton Friday night to dedicate the Redskin's new lighted football field, and after a hard fought battle Coach Duvall's charges emerged victorious by the slim margin of one point. It was Duaine Murphy's kick after the touchdown that provided the winning point. The game had been tied at six all, when Melvin Murphy caught the ball in the end zone. Tecumseh had the pigskin on the Clinton 35 yard line when Gillin passed to Murphy for the score.

Tecumseh received the opening kickoff on their own 31 and got in bad right away by failing to punt on the fourth down. The Redskins took over on the Indians 29 stripe but failed to capitalize on their break because Campbell intercepted a pass on the 20. The Indians failed to gain and Dick Case made the best punt of the evening, the ball rolling to the 15 where it was brought back to the 20. After an exchange of punts, Coach Stuckwische's eleven got another break when they blocked a Tecumseh punt and recovered the ball on the Indian 15 yard stripe. However, Clinton did not gain, due to the fine work of the Tecumseh line and the Indians took over on their 18 yard line. Neither team threatened during the remainder of the first half.

The Redskins received the kickoff starting the second half and

(Continued on page 6)

Wood Products Expands Plant

NEW BUILDING ON MOHAWK TRAIL TO BE COMPLETED IN ABOUT SIX WEEKS

The G. & J. Wood Products, manufacturers of crates and boxes and other wood products for Tecumseh Products Company and Bruce Foundry & Manufacturing Co., soon will be located in its new building on Mohawk Trail, just south of the village, and within a few hundred yards of the Products plant.

The company announced that in a month or six weeks its new building would be completed and that the machinery and equipment now in use in its factory on the Macon road would be transferred to the new location. The new building is 80 by 80 feet in size, of quonset design, and is constructed of brick, steel and cement. The company owns 18 acres of land in its new location, making the purchase from the Ford Motor Co.

Jack Morehouse and George Sackett are the owners of G. & J. Products. At the present time only half a dozen persons are employed but this number may be increased in the expanded plant.

School Survey Shows New High School Need

During the last three weeks, members of the Tecumseh board of education and the superintendent of schools have been reconsidering the building needs of the Tecumseh public schools.

The problem was studied from several points of view, the goal being that of housing well all of the children of the school area.

To assist the school authorities in this work, E. B. Holden, a man in the school business for many years and who is now, educational advisor to the Warren S. Holmes Company of Lansing, was invited to survey the needs locally. During the time he was here last week he visited all classrooms in Central, West Branch, East Branch and Brownville schools as well as all of the residential areas of Tecumseh. Hours were spent deliberating the problems from every angle and considering the welfare of the students today and the future growth of the community. Mr. Holden concluded that Tecumseh should go ahead without delay on the erection of the high school building.

The architects, Britsch and Munger of Toledo, advised Tuesday afternoon that the revised plans and specifications will be ready by the end of this week. Next week the board will advertise for bids for the construction of the new Tecumseh high school.

NOTICE

My office will be closed all day Friday, 15 October.

Santa Claus Expected For Pre-Christmas Visit

Christmas lights will twinkle in abundance in Tecumseh this year . . . and early, too.

The Chamber of Commerce already is making its plans for the decoration of Tecumseh's streets in keeping with the holiday season. A year ago, it will be remembered, outside lights were banned, because of the shortage of electric current.

"But this year it's different," Ronald Harris, secretary of the Chamber, said, "and soon we'll be able to announce a real holiday program."

And, what is more, Mr. Harris said that he has written to Santa Caus, asking that he pay a pre-Christmas visit to Tecumseh.

"If Santa can come," Harris said, "The Chamber plans to arrange a big reception for all of the children."

Edward Escolme Guest Of Honor

RECEPTION HELD FOR FRIENDS PASTOR, CELEBRATING 30th ANNIVERSARY

The Rev. Edward Escolme, pastor of the Tecumseh Friends church was honored last evening at a reception given by the mem-

Rev. Edw. Escolme

bers of his church. The occasion was the successful completion of his thirtieth year as their pastor. But the affair took on the nature of a community event rather than a church function as friends and fellow townspeople from the other churches, and civic organizations came to honor one who for three decades has merited the highest esteem of the entire community.

Following the regular mid-week prayer meeting at 7:30, led this week by Perry Haycin in the program honoring the Rev. Mr. Escolme began at 8:15 in the basement to the new church addition. Mrs. Herbert Murphy was chairman of the decorating committee.

Ralph Comfort acted as master of ceremonies, and Naomi Sallows led in group singing. The invocation was given by Rev. Alvin Brazee.

Mr. Escolme then spoke on "My First Impressions of Tecumseh" going back to the day of his arrival when A. A. Comfort met him at the Tecumseh station in October of 1918. Mrs. Melinda Comfort revived the event in the minds of some of the older persons present as she spoke on "My First Impressions of Edward Escolme."

A trumpet duet "The Holy City" was played by Lynn Wilson of Clinton and Marian Comfort. Then Rev. Howard and Mary Moore of Birdsall, life long friends of Mr. Escolme gave their early impressions of the honored guest.

Miss Beth Satterthwaite spoke briefly on "Pleasant Memories," and the girls church of the Sunday School sung. Greetings from absent friends were read by Elizabeth Hayden. Mrs. Edward Escolme then spoke on "Twenty-two years in the Friends Parsonage." This was followed by greetings from many present. Refreshments were served.

The Herald is indeed happy to extend its warmest congratulations, not only to Edward Escolme as a friend, a citizen, and a zealous pastor of the community, but also to the church that for thirty years has been unified in its wisdom in striving to hold him in Tecumseh.

Social Economy Greatest Threat To U.S. Freedom

CONG. PAUL SHAFER OF BRONSON SOUNDS WARNING IN TALK TO LOCAL CLUBS

The fear of America is not from known Communists and Soviet agents, it is the trend toward the socialization and the communization of our economy, Paul W. Shafer of Bronson, congressman from the third district of Michigan, declared Tuesday evening when he addressed a joint meeting of the Rotary and Exchange Clubs at Brees House.

"Our greatest danger comes from another direction—the ignorance of so many of our citizens

Rep. Shafer

in regard to the economic facts of life, both in regard to their own finances and in regard to their government's finances. The big battle for the socialization of America is not taking place in the House Committee on Un-American Activities, but in the House Committee on Ways and Means, which deals with taxes, and with any of a dozen other important committees dealing with economic subjects in the House and the Senate," Cong. Shafer said. "This fight against totalitarianism is not dramatic. It is difficult to help people understand such a fight that goes on gradually, year after year, and to make them understand their stake in it, which is just as great as if it were a bloody battlefield war.

"Communism, as a philosophy, can come to America and be adopted by us, although we might, like the Yugoslavs, never truckle under Stalin. During the past 15 years, as the late Mr. Roosevelt once remarked, "The New Deal has built up huge new powers for the central government. The demand and from every little city and town in the nation for Uncle Sam to do something about this, that or the other problem, became so great that congressmen had to vote to do something about these projects, or lose office. Many Americans who have never dreamed they would like Communism welcomed such activities by the government. They had the idea, as unsound as it was pernicious in the exercise of freedom, that bureaucrats could do things with their money that they could not do themselves, working together. A lot of Americans still have that idea. They want Uncle Sam to operate this mine, that electric company, or this or that particular industry. But we know that the more business the government gets into, the more tax money it wastes, the smaller the area of freedom left for individuals who do not want to work for the government."

The congressman pointed out that Great Britain is now undergoing an affair with Socialism and that the average Britisher has lost many freedoms. "Britain never has, and perhaps never will, recover its former prestige in the world, because its people turned to the false and alluring road of

(Continued on Page 6)

PRIVATE FUNERAL IS HELD FOR CHILD

A private funeral service was held in the Collins Funeral Home Thursday afternoon for Gloria Jean Bracey, 2-year-old daughter of Mr. and Mrs. John Forgacs, who died Tuesday afternoon, October 5, in the Coldwater hospital, where she had been a patient for one week. Rev. J. deRuiter officiated and burial was in the Tipton cemetery. The bearers were Arthur Teske, Herman Radant, Harold Radant and Frederick Radant. Friends and relatives attended from Britton, Palmyra, Tipton and Tecumseh.

Besides her parents, surviving are one sister, Annetta Lea Bracey, grandparents, Mr. and Mrs. Amiel Teske of Tecumseh and several aunts, uncles and cousins.

WHERE THE MONEY GOES

Every now and then, consumer groups draw an unflattering comparison between the price of beef on the hoof, at wholesale, and the price charged for table cuts at retail. The difference is large. And that leads many people to a totally erroneous idea of the costs involved in processing and marketing.

Some time ago one of the meat packing companies explained, in full detail, where the money goes to. At that time, choice cattle were selling on the Chicago market at an average of 32.5 cents a pound—yet steaks were selling in New York for as high as $1.00 a pound. And here are the reasons why.

For a thousand pound steer, the farmer received $325. By the time it was dressed and chilled, that steer weighed only 625 pounds. After adding plant expenses, and deducting the value of by-products, the packer had little more than $307 invested in 625 pounds of beef—which works out to 49¼ cents a pound.

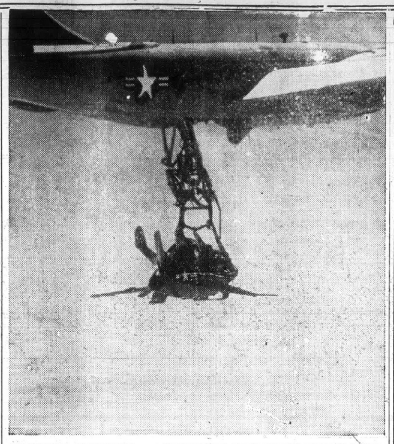
By the time the beef reached New York, the packer's cost per pound had risen to 51.9 cents. It was sold to the retailer at around 52 cents, leaving but a fraction of a cent per pound for the packer.

By the time the retailer prepared the beef for sale, his investment was over 60 cents a pound. His selling cost, plus a small profit, averaged about 12½ cents. Consequently, all the cuts had to move at an average of 73 cents for each and every pound. Some of the less desirable cuts had to be sod for as little as 40 cents a pound. And that simply means that the price of the choicest cuts, such as fine steaks, had to approach a dollar.

What is true of meat is true of all staple foods. All along the line, production costs and retailing costs are held to the minimum. Profits are minuscular. And the consumer gets the lowest price possible under today's economic conditions.

—o—

People who know nothing about a major problem can give you the answer without waiting to think.



PARASITE IN FLIGHT . . . Most radical of all new jet aircraft is the air force's McDonnell XF-85 parasite fighter which is carried in bomb bays of long-range bombers and launched from a trapeze attachment on the underside of the mother ship. The tiny plane, with a wing span of 21 feet and length of 15 feet, is shown as it was carried aloft by a B-29 during a recent test flight at Muroc air base, Calif.

CHICKEN IN THE ROUGH . . . This picture will stand as documentary evidence that Miss America of 1948—also known as Bebe Shopp of Hopkins, Minn.—is a wholesome, home-loving, chicken-loving type of girl. No professional glamor girl, she enjoys rural life. Feeding the chickens and gathering eggs are part of her daily routine—which was interrupted of course when she went to Atlantic City.

charge of the program.

A Sunday afternoon caller of Mr. and Mrs. Clarence Exelby was Mrs. Mabel Halfaker of Detroit.

Mr. and Mrs. Roy Carothers and Kay and Mrs. Don Gearheart and daughter called at the Smith Pocklington home Sunday.

Mrs. Mary Underwood and Mr. and Mrs. Robert Exelby and sons were in East Lansing Sunday at the home of Mr. and Mrs. Leon Exelby. Mrs. Exelby is not well and was moved to a Lansing hospital Monday morning.

Mr. and Mrs. Harry Thornberry entertained Mr. and Mrs. Leroy Morse of Toledo over the week end. Also Bob Campbell of Webb City, Missouri, is spending an indefinite time at the same home.

Mrs. Frank Hoagland, who has been ill with bronchitis is able to be up some each day.

Mr. and Mrs. Clarence Exelby went to Dearborn Monday to spend a few days with Mr. and Mrs. Donald Exelby and children.

The junior class is sponsoring a bake sale Saturday at one of the local stores.

The R. M. C. Teachers Club met at the home of Mrs. Lillian Buttolph Monday evening for a potluck supper. Mrs. Bessie Wise presided at the business session. Miss Thelma Youngiove and Mrs. Belva Welchner were in charge of the entertainment of the evening.

Miss Merlyn Brown and Robert Goetz of Ann Arbor were week end house guests of Prof. and Mrs. William Goetz at Lafayette, Ind., and also attended the Michigan-Purdue football game Saturday.

From where I sit ... by Joe Marsh

How to Celebrate Your Wedding Anniversary

The "Dutch" Millers celebrated their Tin Wedding Anniversary Saturday. Everything had to be tin. Folks even ate off tin plates, and drank coffee out of tin cups.

When it was time to drink a toast to the "bride and groom," out came the final touch: ice cold beer in cans. And come the Millers' 15th anniversary (Glass) I expect we'll be toasting them with sparkling beer in *bottles!*

And I couldn't help thinking that there was a lesson for married folks in the way Dutch and his missus have got along together—in their policy of live-and-let-live, with never a criticism of each other's differences in taste.

From where I sit, it's due to two things: Temperance—as that moderate preference for beer suggests, and Tolerance—for their own differences of opinion—and for the tastes of others, whether applied to beer, to politics, or how to celebrate an anniversary.

Joe Marsh

Social Economy

(Continued from page 1)

socialism," he declared.

"We in this country, when we stop and think about it, can see how we have been heading toward the same kind of situation. We seem to seek it as an easy way out, but history proves to us that it is the hard way out. The easiest way, in the long run, is the way of self-denial, hard work, meeting our community problems on a community basis.

"The American habit of running to Washington with every local and state problem must be stopped. If we do not stop it, regardless of the political party in power, we shall see the end of our free government, as the average Britisher, who has sense enough to think about it, already realizes that he has lost his freedom."

"Creeping collectivism" is the term applied by some economists to the ism now threatening freedom, Shafer said. It never attacks frontally against all freedom. It advocates, many of them stupidly and unknowingly, attack specific evils in our society and take away little freedoms here and there. Many of us do not lose these little freedoms, because we do not have to exercise them, and consequently give the issues little regard.

"The federal government, spending billions of dollars it takes from us, runs up the cost of living. Furthermore, through wasting huge sums, it discourages the worker element in our society. Men who do not want to be drones become disillusioned and disgusted. A gradual let-down spreads over the nation, as we know it has. Labor does not produce well, for it realizes that there are millions of loafers sucking up a free living from Uncle Sam. Industrialists become just as disillusioned. The end result is more and more control, through the moneybags, by the bureaucrats.

"Not many Americans get excited about taxes, but one out of every four dollars earned by the average American laborer goes for taxes. Instead of working for wage increases, it would pay the workers to unite behind a program to cut government expenses, thus lowering taxes. That is the best way I can imagine for them really to increase their take-home pay. But most workers don't see the point and they go on their way, seeking more wage increases, thus increasing the cost of goods, thus making them want more wages. It is a vicious cycle. It can be broken only by the mass education of the people in simple a-b-c economics," the Congressman pointed out.

Some eminent scholars believe that the United States almost inevitably will turn socialistic, or Communistic in effect, in the next two or three decades. The trend, they say, Shafer said, has gone so far as to be impossible of adequate checking.

"Such pessimists have not taken into account the capacity of the American people to learn, to realize their mistakes, to build again on the firm foundation of government," Shafer declared. "We were given, back more than 150 years ago, the design of a great confederacy. The foundations of our government were securely laid. We still can build on them. I am convinced that Americans are learning the lesson of government and that we will overcome the evils that threaten us and our way of life, either at home or abroad. But the race will go to the swift. The contest will go to the strong."

By profession, Mr. Shafer is a newspaper man. He publishes The Bronson Journal. In Tecumseh, he was the guest of Earl L. Wickwire, who introduced him at the club meeting.

Braves Divide

(Continued From Page 1)

ing up end runs and passes, the Braves scored on a 9 yard line from Kensler to Baker. This time Pilbeam kicked the extra point squarely between the uprights and Tecumseh led 13 to 0. The rest of the half saw Hudson put on an aerial attack but they couldn't connect on them for yardage.

The second half saw the Braves march 80 yards but stopped as Kensler fumbled on the Hudson 14 yard line as the drive started on the Tecumseh 6. Then Hudson started the fourth quarter with an aerial attack that saw them throw 12 passes. A stubborn Brave defense allowed only five of these to connect and these were short ones. Hudson never could penetrate the Tecumseh defense because of the star performances of the line and back. Snyder, Williams, Furrow and Purkey led the defense while Baker, Kensler, Kennedy and Aten carried the offense in great style. The Braves outscored Hudson on first downs 12 to 9.

The Braves travel to Montague for a game with the Maroons next Sunday afternoon.

Hudson: ends, Diening, E. Hersch; tackles, Daniels, Clouse; guards, Russell, Crout; Center, Lamb; backs, Sturgis, Hoffner, J. Herseh, Hacket.

O. E. S. Will Install Officers, October 21

Mr. and Mrs. Chester Beach will be installed as worthy patron and worthy matron of the Tecumseh chapter, Order of the Eastern Star, next Thursday evening, October 21, at 8 p.m. They were elected at the annual meeting of the organization last Thursday evening as were the following: associate matron, Mrs. Kenton Hunt; associate patron, George McCombs; secretary, Mrs. Lynn Harris; treasurer, Mrs. Louis Schneider, sr.; conductress, Mrs. Warren Benham; associate conductress, Mrs. Charles Driffill. Alternate delegates to the 1949 grand chapter session will be Mrs. Benham, Mr. McCombs and Mrs. Driffill.

Mrs. Ollie Hendershott and Mrs. Florence Montgomery, 50-year members, were escorted to the East and presented with gold certificates and yellow roses. Five other 50-year members unable to attend were Mr. and Mrs. Robert S. Moore, Mrs. LaVern Smith, Miss Jennie Gillespie and Miss Bess Spayde. Mrs. Dwight Hodges presented the chapter with a new white ballot box on behalf of the Past Matrons Club, of which she is president.

Announcement was made of the autumn meeting of the Lenawee-Monroe County Association to be held at the Clayton high school gymnasium, November 9.

Girl Scout Bazaar To Be Held December 4

The annual Girl Scout bazaar will be held December 4, it was announced after a meeting of the Tecumseh Girl Scout Association at the high school, last week Wednesday evening.

The following officers will take office at the November meeting: president, Mrs. Grenval Spangler; vice president, Mrs. Ralph Helzer; secretary-treasurer, Mrs. Winthrop Winfield; corresponding secretary, Mrs. Robert Manchester; secretary of supplies, Mrs. Truman Rentschler; registrar, Mrs. Keith Barron; custodian, Mrs. Jens Touborg.

Mrs. Owen Partridge entertained the Brownie leaders, co-leaders and committee women at her home Friday evening, at which time Mrs. William Townley, area consultant, was the speaker. Mrs. Townley will address the Girl Scout leaders, co-leaders and committee women at the high school Friday evening, October 22.

Miss Emily J. Todd Weds Max W. Skinner

Announcement is being made of the marriage of Miss Emily J. Todd, daughter of Mr. and Mrs. Albert J. Todd and Max W. Skinner, son of Mr. and Mrs. Verdi Skinner, which took place September 25, 1943 in Napoleon, Ohio. The Rev. Kline of the First Presbyterian church of that city performed the double ring ceremony.

The ceremony was witnessed by Mr. and Mrs. Melvin Murphy, sister and brother-in-law of the groom.

The young couple left immediately on a trip through the Smokey Mountains and Southern Tennessee. They are now residing at Wamplers Lake.

O. E. S. TO PRESENT DRAMA AT CLINTON

The Golden Rod chapter, Order of the Eastern Star, of Clinton, will present "The Light Eternal," a famous Biblical drama, in the Clinton high school auditorium, Sunday evening, October 17, at 8 p.m.

O. E. Priest is directing the spectacular dramatization, which consists of the most important events leading up to and connected with the giving of the Ten Commandments. Persons in the community are playing the leading roles and there will be a chorus of some 30 voices. The chapter is sponsoring the production to enlarge the chapter rooms.

HERITAGE OF AN AMERICAN SOLDIER . . . When Pvt. Robert Johnstone Jr., of Easton, Pa., was killed in action in the battle for the Philippines, he left behind him a will that many would call strange. He directed that his G.I. insurance of $10,000 should be used to educate a Japanese in the American way of life. This year his "love thine enemy" idea bore fruit. Robert Nishiyama (right above), a student kamikaze pilot during the war, arrived at Lafayette college, Easton, Pa., to start classes on a scholarship financed by Pvt. Johnstone's will. Here, he is greeted by Mr. and Mrs. Robert Johnstone and their son Bruce.

CAMPAIGNER . . . Children and corn are main items on the agenda of every American political candidate, even including President Truman. Here, at Grinnell, Iowa, where Mr. Truman made a major campaign speech, he is presented with a sturdy ear of corn by Katherine Melburn, 5.

Child Study Club Entertained On Monday

The Tecumseh Child Study Club met Monday evening at the home of Mrs. Robert Ries in Ridgeway with Mrs. Howard Truesdale and Mrs. Hugh Andrews as the assisting hostesses.

The program was presented by the Indian Acres Extension Club and consisted of a demonstration of a new method of ironing by Mrs. Paul Wolf. Mrs. Kenneth Johnson and Mrs. George McCombs were in charge of the children's favors which were unique toy airplanes of gum and candy. Several records were purchased by money appropriated by the club for the music department of the school. They are: "The Kiddie Bandwagon," "Uncle Don on the Farm," "Little Toot," "Tubby, the Tubba," "Rusty and Orchestraville," "Mozart, His Story and His Music," "Beethoven, His Story and His Music." An expression of thanks was extended by the music department for the records as there is a need for music appreciation in the schools.

Six new members have been admitted to the club since the beginning of the season.

MRS. ALICE NEIDELMAN BURIED IN RIVERSIDE

Funeral services were held Monday in the Hause Funeral Home, Clinton, for Mrs. Alice Neidelman, 43, who died at Ford Hospital in Detroit, Thursday morning. Rev. Alvin Brazee officiated and burial was in Riverside cemetery.

Surviving are her husband, Abraham R. Neidelman of Detroit, her parents, Mr. and Mrs. Homer Prentiss of west of Clinton and two sisters, Mrs. Don Brown of Manitou Beach and Mrs. Orville Weas 1 of Britton.

BURIED IN LAPEER

Funeral services were held Friday in Lapeer for Mrs. Nettie Grover, 83, who died at her home there. Mrs. Grover was formerly Miss Nettie Pierce of Tecumseh, where she owned and operated a millinery store for many years. She was a matron and teacher at the Girls' Training School in Adrian at one time. Her husband preceded her in death several years ago and only stepsons survive.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet Monday, October 18, at the home of Mr. and Mrs. Mel Partridge. Mr. and Mrs. Fred Sheldon will be the assisting host and hostess.

You are not alone if your thoughts are good.

Indians Humble

(Continued from page 1)

seemed to go through Tecumseh's line at will. They took three first downs to make the goal line. This march was climaxed by a short pass from a Clinton Back to end Duane Belmore for the touchdown. The score, 6 to 0. The Indians got into threatening territory a short time later but lost their chance.

Late in the fourth period, Tecumseh challenged Clinton's lead when Halfback Dave VanWinkle intercepted a pass on his own 20 yard line. Tecumseh then took to the air and passed their way to the Redskin's 36 where Half Mel Murphy raced to the end zone to receive the pass which tied up the match. Duaine Murphy sent the pigskin spinning between the uprights for the extra point. The score, 7 to 6, in favor of Tecumseh. Clinton came back with a vengeance, returning the Indians kick-off to Tecumseh territory. The closing gun, however, spoiled the Redskin's schemes and the joyous Indians came out victors of a match with their keenest competitors, the Clinton Redskins.

Pittsford, L. C. A. A. cellar-dwellers, will travel here to meet the Indians under the lights at Recreation Center, tomorrow night, October 15

Bazaar And Dinner To Be Held By Methodists

The Woman's Society of Christian Service of the Methodist church is completing plans for its annual bazaar and dinner to be held in the church parlors next Wednesday, October 20. The bazaar will open formally at 3 o'clock and continue indefinitely, while the dinner service will begin at 5:30 p.m.

The president, Mrs. T. Rentschler, announces the following committees are busy making this an attractive affair: fancy goods and rugs, chairman, Mrs. Claude Gray. Mrs Lizzie Foster and Mrs. Mertie Waring; country store, chairman, Mrs. Carl Burch, Mrs. Ed Pangle, Mrs. Earl Updike, Mrs. Mary McLain, Mrs. H. H. Loveland and Mrs. Blanche Sones; aprons, chairman, Mrs. Edward Leighton, Mrs. Bert Warren and Mrs. Walter Abbott; baked goods, chairman, Mrs. Grenval Spangler, Mrs. Lenore West and Miss Arlene Sherman; candy booth, chairman, Janet Erhart; posters, Youth Fellowship; dinner, general chairman, Miss Vera Gilbert.

The Methodist women will use the proceeds to finance their Christian work throughout the world, therefore the patronage of the community will be greatly appreciated. Dinner tickets may be secured at the door.

STATE VICE REGENT IS GUEST OF D. A. R.

Abi Evans chapter, D. A. R., met Friday at the home of Mrs. C. D. Branigin. Mrs. Donald F. Wright, regent, presided and during a short business meeting presented all the charter members and past regents present. Mrs. Murray Day sang "Autumn" by Thurlow Lieurance and gave a reading entitled "Slogans."

Mrs. Walter C. Pomeroy of Ann Arbor, state first vice regent, gave an interesting talk on the aims of the D. A. R., in which she emphasized the great need for promotion of teaching of good citizenship to our children. Mrs. Branigin and her assistants, Mrs. Wm. Wehr, Mrs. George Elliott, Mrs. E. D. Brown and Mrs. Charles Mensing served tea to a large number of members and guests.

PAST CHIEFS CLUB

The Past Chiefs Club will meet at the home of Mrs. Ida Allison, 409 West Logan St., Friday evening, October 15. Miss Nellie Wilson will be the assisting hostess.

LODGE TO MEET

The regular meeting of the Rebekah Lodge will be held Friday evening, October 15, for the initiation of candidates followed by a lunch.

CARD OF THANKS

I wish to thank my friends and neighbors for the many cards and flowers received during my illness at Tecumseh hospital. They were all appreciated.

Mrs. Curtis Beach

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, October 20, at the home of Mrs. Mary Cleveland with Mrs. Dena Wallace and Mrs. Daisy Boltz as assisting hostesses.

Herald classifieds pay big dividends.

MRS. EARL WOOD TO ENTERTAIN MONDAY CLUB

The Tecumseh Monday Club will meet at the home of Mrs. Earl Wood, October 18, with Mrs. Fay Whelan, Mrs. Glenn Vandenbergh and Mrs. William Mitchell as the co-hostesses. Mrs. Guy Pocklington, program leader, will introduce Mrs. Philip Gentile of the Detroit extension service of the University of Michigan, who will speak on international affairs. For reservations members are to call Mrs. M. G. Partridge, Mrs. Fay Whelan, Mrs. Louis Schneider, sr., Mrs. Faye VanValkenburg or Mrs. Ted LaBounty.

PLAN JOINT MEETING

Plans were discussed for the second annual ceremonial of El Misti Santha, Nomads of Avrudaka, to be held November 27 in conjunction with the D. O. K. K. S. at a recent meeting of the Santha. During the business session reports of the Nomad convention held recently in Lansing were given. A memorial service was held for Marguerite Morton of Detroit, who died September 4. In conclusion refreshments were served by the committee.

GRANGE MEETS TONIGHT

The Tecumseh Grange will meet this (Thursday) evening, October 14, at 8 p.m., at which time there will be an election of officers. Ice cream will be served and members are to bring cake or cookies. The committee is composed of Mr. and Mrs. Charles Dickerson, Mr. and Mrs. George Brablec, Mr. and Mrs. Douglas Grady, Mr. and Mrs. Alex Gibson and Mr. and Mrs. Robert Gibson.

EVANGELISTIC MEETING

Rev. and Mrs. Betts of Jackson, musical evangelists, will be at the Baptist church, Wednesday evening, October 27, at 8 o'clock. The two evangelists have a truckload of instruments which they play during the service. They have appeared at the Iron Creek church on two other occasions.

JUNIOR LEAGUE

The Junior League of the Baptist church will meet at the home of Mrs. Charles Kempf, Tuesday evening, October 19, with Mrs. Lyle Grigg as the assisting hostess. Mrs. Herbert Hoag will lead in devotions and Mrs. Jesse Nichols has charge of the program.

MEETING POSTPONED

The regular meeting of the Friends Missionary Society has been postponed from today until next Thursday, October 21, when members will gather at the church for an all-day meeting. A potluck dinner will be served.

B. Y. F. BANQUET

Members of the Baptist Youth Fellowship will attend the annual banquet of the B. Y. F. Lenawee County Association, Monday evening at Monroe. Dinner will be served at 6:30 p.m.

SCOUT MEETING

Den mothers and pack council members of the Cub Scouts will meet at the Baptist church, Monday evening, October 15, at 7:30.

LYSTER LEAGUE

St. Peter's Lyster League will meet at the home of Mrs. Helene Broillier, Wednesday, October 20, to work on material for the bazaar to be held November 11.

Boy, 3, Killed

(Continued from page 1)

Surviving the boy are his parents, two sisters, Gretta and Brenda, at home, his grandparents, Mr. and Mrs. Howard Porter of Bradenton, Fla., and a number of aunts, uncles and cousins. He was born December 24, 1944, and was a member of the cradle roll of the Methodist church here.

Funeral services were held Tuesday at 2:30 from the Collins Funeral Home, the Rev. Herbert Brubaker of Blissfield, officiating, assisted by Dr. Norman MacNaughton. Burial was in Brookside cemetery. The bearers were David Rohrback, William Leader, Nickey Touborg and David Ousterhout.

Friends and relatives attended the services from Toledo, Adrian, Blissfield, Ann Arbor, Britton, Ridgeway, Holloway, Tipton and Tecumseh.

Two Others Killed

Two other persons were killed in traffic accidents in the county over the week-end.

Arnold Hook, 72, of Columbus, Neb., visiting in Adrian on his wedding trip, died Sunday in Bixby hospital from injuries suffered Saturday evening when he was hit by a car driven by Dr. Bernard Patmos of Adrian. The accident happened on North Main street as Mr. Hook was crossing the street and stepped from between two parked cars.

Lemuel A. Griswold, 19, was fatally injured Sunday afternoon when his car struck a telephone pole in Hudson. He died on admittance to Thorne Memorial Hospital.

State police say Griswold was driving his car at a high rate of speed and lost control when it hit a bump in the road. Griswold suffered a broken neck.

ORIGINAL WAF . . . Mary Irene Webster of Pittsburgh, Pa., first WAF (women's air force) recruit to pass examination in the new organization, totes her newly issued clothing to her barracks at Bowling field air base, Washington, D. C.

WESLEY CLARK DIES

Wesley Clark, aged 67 years, died Monday in South Bend, Ind. He was a son of the late James and Carrie Clark and lived most of his life in Tecumseh. He leaves the widow and six children.

Mrs. Leland Cheever of Tecumseh and his sons, Harlo and James Clark of Adrian are attending the funeral in South Bend today. (Thursday).

INFANT BURIED

A prayer service was held Thursday afternoon in the Ridgeway cemetery for the infant son of Mr. and Mrs. Mervin Pilbeam of Ridgeway, who was born dead at Tecumseh hospital, Thursday morning.

TO MEET OCTOBER 18

The Northeast Extension Club will meet at the home of Mrs. Wilbur Boyce, Monday, October 18. The lesson will be "Lamp Modernized."

CHIMNEY SWEEP ON MISSION TO MOSCOW . . . Because he had lost all faith in formal diplomacy and striped-pants negotiators for peace, Arthur Cuttriss, 43-year-old London chimney sweep, appointed himself ambassador of the working man and started to plan his own mission to Moscow. Cuttriss (left) is shown with Lewis Rothwell, a bobbin-winder, as they called at the Russian consulate in London to see about visas. He hopes that a man-to-man talk with Stalin will settle the whole problem of world peace. The two "envoys" will use this little car for the trip to the Russian capital. They're taking along a change of clothing and three extra gallons of gas.

LOCALS AND PERSONALS

Mr. and Mrs. Frank Harris and two children of East Tawas arrived Tuesday at the home of his parents, Mr. and Mrs. Lynn Harris, where they are spending this week.

Miss Anna Nickel has returned to Seattle, Washington, after visiting relatives in this vicinity. While here, Mr. and Mrs. E. J. Aebersold entertained some 50 relatives honoring her sister, Miss Mary Gregg, and Miss Nickel, guests were from Detroit, Williamston, Milan, Ann Arbor, Wyandotte, Adrian and Ypsilanti. Miss Gregg left this morning for her home in Washington, D. C.

Mr. and Mrs. Charles Stephenson and sons, accompanied by Mr. and Mrs. T. A. Stephenson of Onsted were weekend guests of Mr. and Mrs. Orland Stephenson of Oak Park, Illinois.

Hunting SUPPLIES AND EQUIPMENT
PHEASANT and DUCK SEASON OPENS
FRI. At Noon, NOV. 15
Whatever your needs may be for the hunting season, we are in a position to supply them . . and with quality that's tops, whether it be guns, ammunition, clothing or other accessories.
WE ISSUE HUNTING LICENSES

Shot Gun Shells
We have them for 4:10, 28-gauge, 20, 16 and 12 gauge.

Hunting Coats
Our fine assortment of hunting coats, priced as low as $8.50.

Decoys
Yes, we have some fine decoys . . . the kind that the hunters really like. And the price is only $1.25 each or $12.95 a dozen.

Hunting Shirts
See us for your hunting shirts. We have some fine ones priced at $3.95.

Rifle Ammunition
We have a good stock of high-power rifle ammunition but our advice is to buy early.

HUNTING SOCKS
To keep your feet warm and dry, we suggest a pair or two of our socks. They're priced at $1.00 a pair.

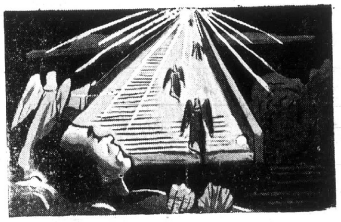
Go To Church On Sunday


Jacob Sees The Ladder
"And Jacob went out from Beersheba . . . and he lighted upon a certain place, and tarried there all night . . . and he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it . . . and the Lord stood above it and said, '. . . The land whereon thy liest, to thee will I give it, and to thy seed shall all families of the earth by blessed." (Genesis 28:10-20 Abridged.)
The power of God is great and when Jacob awoke from his sleep he was afraid and vowed that if he could go again to his father's house in peace the stones would be God's house.
Come to the church of your choice regularly to help you understand these prophecies of both Bible and New Testament.

EDUCATION IS A FAMILY AFFAIR . . . On the theory that knowledge is power, the Aloys Daack family of State Center, Iowa, shifted into high gear and went off to college together. Mother, Dad and 17-year-old Jim Daack enrolled in a body at Carthage college, Carthage, Ill., for a family fling at higher education. Mother and son are freshmen, and the father, a navy veteran, is a junior. Moved by an ambition to become a doctor, Aloys is taking a pre-medical course. Here, the trio is waiting for their German class to begin.

Students Name Class Officers

JUNIOR AND SENIOR HIGH PREPARE FOR BUSY YEAR; MANY ACTIVITIES

Officers who will direct the activities of the junior and senior high school classes during the coming year have been chosen, an announcement from the office of James McDowell, principal, said today.

David Green was named as president of the Student Council with Neal Brazee as adviser of the organization. This group is planning a number of projects to improve the school, and for entertainment for the high school.

Both junior and senior students are busy with money-making activities. Senior students are now selecting the design of their class ring, and these should be ready for delivery at Christmas time.

The officers chosen by the classes are as follows:

12th Grade: President, William Martin; vice president, Jack Gillen; secretary, Jane Hanna; treasurer, Zoe Ann Pennington; Student Council, Janet Ehinger and Gordon Comfort; Red Cross Council, Roberta Holmes and Shirlie Moore; adviser, Mrs. Dickinson and counselor, Mr. McDowell.

11th Grade: President, Marlys Arnold; vice president, Jerry Bowen; secretary, JoAnn Johnston; treasurer, Gerald VanValkenburg; Student Council, Joan Buehrer and John Ladd; Red Cross Council, Alice Osburn and Charlene Joseph; adviser, Mr. Duvall; counselor, Mrs. Service.

10th Grade: President, James Dick; vice president, David Osterhout; secretary, Shirley Finnegan; treasurer, Joan Breitenwischer; Student Council, David Murphy and Betty Jo Hanna; Red Cross Council, Evelyn Arnold and Gerald Aebersold; adviser, Mr. Hart; counselors, Mrs. Kuhn and Mr. Furbush.

9th Grade: President, Carole Harper; vice president, Kathron Hicks; secretary, Virginia Gregory; treasurer, Virginia Snyder; Student Council, Robert Marsh and Janet Erhart; Red Cross Council, Donna Martin and Beverly McLaury; adviser, Mr. Dick; counselors, Mr. Crisp and Mr. Runk.

8th Grade: President, Lorissa Peotter; vice president, Florine Schultz; secretary, Irma Brollier; treasurer, Sue Kizer; Student Council, Kirk Smith and Margaret Touborg; Red Cross Council, Diane Dillon and Merlyn Wagner; adviser, Mr. Brazee; counselor, Mr. Locke.

7th Grade: President, Lorene Mack; vice president, Albert Hart; secretary, Janis Boltz; treasurer, Judy Sisson; Student Council, Sylvia Golat and Max McLaury; Red Cross Council, Patsy Purcell and Dale Tingley; adviser, Miss Bortner; counselor, Mr. R. N. Brazee.

LEGAL NOTICES

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 11th day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LESTER W. MIX, Deceased.

On reading and filing the petition of Leon R. Mix, executor upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 1st day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

We Want You To Understand Our Service Policy

When you bring your car to us for service . . . whether you bought the car from us, it makes no difference . . . we have a very definite obligation. We are bound under our business policy, to repair your car to YOUR satisfaction.

We believe that YOU MUST BE SATISFIED with the work that we do if we are to continue to attract you to our shop as a customer.

For nearly 20 years, our garage has been known as Tecumseh's "Honest Service Garage." We intend to maintain and defend that reputation.

Constantly, we instruct our mechanics never to slight a job regardless of how trivial.

We are only human. Errors do happen to all of us. For that reason we say to our customers: "If the work we have done for you is not to your satisfaction: if your car does not operate as it should after the work is finished, BRING IT BACK."

We guarantee absolutely, all of the work that we do. We have trained mechanics, factory designed tools and precision built parts. There is no reason why we cannot guarantee every job.

So, if you bring your car to us for service and, if a mistake has been made, feel free to tell us about it. We'll thank you, and, what is more, we'll make it right . . . or there'll not be any charge.

Politicians Worry As Voting Nears

Anything Likely G.O.P. Told, 5 Amendments Are On The Ballot

By Gene Alleman
(Special to The Herald)

LANSING—The Michigan political campaign has reached the interesting stage of alternating doldrums and jitters.

Encouraged by public opinion polls, Michigan Republican leaders have been cocksure and confident of a G. O. P. landslide in November. Everyone was happy until "inside information" recently arrived, always from persons who should know, to the effect that Republican popularity is ebbing fast. Governor Kim Sigler's re-election is in great doubt, so it is said. President Truman will get support of labor and so on.

Some voters have even wondered who is running for governor on the Democratic ticket: Mennon Williams or Attorney General Eugene C. Black. Black has been stealing anti-administration headlines in the press with persistent regularity.

It all contributes to October jitters.

Call for a constitutional convention, five proposed amendments to the constitution and one referendum will also come before Michigan voters in November.

Disinterest exists at present regarding changes. Yet the proposals are far-reaching, and they merit thoughtful consideration.

Should a constitutional convention be called to recommend revision of the state constitution? That's the question submitted by the state legislature for voters' decision this fall. The present constitution, effective Jan. 1, 1909, has been amended 44 times. Fifty-two proposed amendments were defeated.

The present constitution, as amended, diverts sales tax revenue to schools. It freezes gasoline tax revenue for highway use. It requires uniform taxation, a bar to a scaled state income tax. For these reasons, among others, opposition to a new convention is well organized.

No. 1 of the proposed constitutional amendments would define the order of succession of state officials, as follow: Governor, lieutenant governor, secretary of state, attorney general, state treasurer and auditor general. This order of succession would prevail in any vacancy which might occur following election of a governor.

No. 2 of the proposed amendments is the controversial repeal of sales tax diversion. Such diversion was approved by a majority of voters two years ago under a campaign sponsored jointly by cities and school teachers. Cutting a deep hole in state finances, the tax diversion amendment is benefitting public schools, cities and townships.

Unless this amendment is repealed, the legislature is likely to enact new or higher taxes to offset an inevitable deficit. One plan is a 5-cent sales tax.

School teachers and city employees are campaigning to defeat repeal of the amendment. They have a pocketbook interest in the outcome.

No. 3 amendment on the ballot would permit the legislature to fix compensation of the governor, secretary of state, state treasurer, auditor general and attorney general.

At present, the 1909 constitution sets their salaries at sums so low the legislature has had to authorize "expenses" for the governor and administrative board salaries for other state officials. The 1909 salary limits are obviously inadequate and obsolete. Deputies of state officials receive more compensation than do their bosses!

No. 4 amendment would remove the $3 daily salary of members of the state legislature and it would permit legislators to fix salaries for the next term of office.

The fifth proposed amendment would liberalize the present 15 mill limitation of real estate taxes by authorizing the following: Extending from 5 to 20 years the period for which millage might be raised from 15 mills up to 50 mills; decreasing the two-thirds majority to a simple majority.

The referendum concerns the Callahan act, adopted by the 1947 legislature, which provides for regulation and registration of foreign agents. This law was aimed at Communist agitators. The referendum was sponsored by "left-wing" elements.

In less than three weeks these issues will come before voters for decision.

The deadline is approaching fast.

—o—

Russia cured inflation there—by taking nine-tenths of the peoples' money away from them.

ONSTED

Members of the junior class of the Onsted high school are collecting scrap metal today. Last evening they enjoyed a skating party at Sylvan Gardens.

The first degree was conferred upon several persons at a special meeting of the Onsted lodge F. & A. M., Monday evening.

Maurice Feight will act as scoutmaster of the new Boy Scout troop of Onsted and vicinity. The troop committee consists of Freman Slater, Rex Johnson, Leland Feller and Edgar Brisendine while members of the fireman scout committee are Kenneth Adams, Elwyn Onsted and Russell Yocum. Members of the troop insofar are Gary Slater, Marion Schultz, Jack Feller, Merlin Allshouse, Ronald Brisendine, Larry Wimple and Bill McCaughey. All boys of 12 years of age and older are invited to meet with the troop.

Thursday evening guests of Dr. and Mrs. Philip Sayre were Mr. and Mrs. E. W Banks of Albion and Mrs. Nellie Epps of England.

Mr. and Mrs. Reginald Ross and daughter are occupying the apartment vacated by Mr. and Mrs. Earl D. Bowen and family who have moved to Tecumseh.

Mr. and Mrs. Alfred Lapham were elected worthy patron and worthy matron of the Cambridge chapter, Order of the Eastern Star at the annual meeting Friday evening. Other officers are: associate patron and matron, Mr. and Mrs. Elwyn Onsted; secretary, Mrs. Ralph Morris; treasurer, Mrs. Alton Brooks; conductress, Mrs. Cecil Pawson; associate conductress, Mrs. Raymond Aebersold. Installation services will be held October 25.

Mrs. H. S. Reynolds was elected president of the Dewey-Warren club which was organized at her home, Friday afternoon. There were 31 members present and membership cards will be mailed to them later. Mrs. Roy G. Turner was named secretary.

The Missionary Society is meeting at the church this afternoon.

Mr. and Mrs. Elwyn Onsted held open house Sunday afternoon in observance of the Golden Wedding of his parents, Mr. and Mrs. Arthur N. Onsted.

Mr. and Mrs. Harold Hoxie of Waterloo, Ind., visited in town Friday.

Those from here who attended the wedding of Dorles Jean Frampus and Gordon Johnson at Detroit, Friday evening, were Mr. and Mrs. Glen McCaughey and children, Luane, Ruth, Nancy, Bill and David.

Mr. and Mrs. Robert Ostrander purchased the Carl Onsted home after selling their farm to Mr. and Mrs. Newport Stemce of Adrian.

Mr. and Mrs. Thomas Alderdyce have returned home after spending the summer at Manusa Lake.

The finance committee reported favorably on bills as read.

Moved and supported that report of Finance Committee be accepted and orders be drawn for several amounts. Ayes: McCombs, Mensing, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Moved and supported that $5,000.00 be transferred from General Fund to Water Fund as a loan. Ayes: McCombs, Mensing, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Moved and supported that Village Treasurer be granted extension of warrant to October 11, 1948. Motion carried.

The following ordinance was offered for adoption by Trustee McCombs.

An Ordinance to regulate, control and license the sale, storage, delivery, and distribution of food both wholesale and retail, within the Village of Tecumseh, and to provide for the inspection of groceries, meat markets, stalls, shops, stores, storehouses, cold storage plants, or where fish, oysters, birds, fowl, vegetables, fruits, milk, ices, beverages, meat, meat food products, baked goods or any other provision or food, intended for consumption by human beings, is manufactured, held, kept, stored, or offered for sale, disposition, or other distribution as food for human beings; providing for the licensing and fees therefor; and providing for penalties for violations thereof.

THE VILLAGE OF TECUMSEH, ORDAINS:

SECTION 1. The following definition shall apply for the purpose and within the meaning of this ordinance.

(a) A grocery is a food establishment where staple articles of food commonly called groceries are handled for sale or delivered.

(b) A meat market is a food establishment where meats and their by-products are handled for sale or delivery.

(c) A bakery is a food establishment where bread, baked goods, pastries, etc., are prepared for sale or delivery.

(d) A confectionery store is a food establishment where ice cream, carbonated beverages, candy, popcorn, and the like are sold or are prepared for sale or delivery.

(e) A fish market is a food establishment where fish are handled for sale or delivery.

(f) A beverage manufacturing plant is a food establishment where carbonated beverages and other soft drinks are prepared and bottled for sale or delivery.

(g) A fruit and vegetable market is a food establishment where fruits and vegetables are handled for sale or delivery.

(h) A food manufacturing establishment shall be taken to include all food establishments where food is prepared, cooked, canned, packed or in any way converted from the state or form in which it was received.

(i) A wholesale food merchant shall be taken to mean any person, firm or corporation selling food or by-products of the kind intended for human consumption, to another person, firm or corporation for the purpose of resale.

SECTION 2. The following shall be and are hereby designated as the minimum building and equipment requirements for food establishments which are operating in or selling food in the Village of Tecumseh.

Building and Equipment requirements applying to all food and beverage establishments:

1. Smooth and easily cleaned walls, ceilings and floors.

2. Walls and ceilings painted with a light-colored gloss paint at least once each year or otherwise redecorated or cleaned in a manner satisfactory to the Health Officer.

3. Adequate toilet facilities as required in Section 9 of this ordinance, conveniently located in connection with the establishment.

4. Suitable lavatory or sink in addition to dishwashing sink, located in or near the toilet room and an adequate supply of soap and paper or individual linen towels.

5. Running water of suitable quality for drinking purposes.

6. Adequate ventilation by windows, transoms, flues, or exhaust fans as may be approved by the Health Officer.

7. Adequate natural or artificial lighting.

8. Screening on all outside openings of buildings between May 1 and October 1. All screen doors to swing outward and be equipped with self-closing devices. Provided electric fans may be used in place of screening if it is possible to keep the establishment free of flies by such means.

9. All equipment including counters, cases, tables, refrigerators, blocks, stoves, ventilating hoods, fans, steam tables, meat grinders, beaters, dish washing and sterilizing equipment, dishes, pots, pans and kettles and all other food establishment equipment shall be such that they will meet the approval of the Health Officer.

10. Sufficient number of 20 gallon galvanized cans with tight-fitting metal lids to hold all garbage, tin cans, papers and other refuge. Such cans shall be free from leaks and shall be thoroughly cleaned and scalded each time they are emptied.

11. All garbage shall be kept separate from glass, tin cans, paper or other refuse.

12. That there be no connection between living or sleeping rooms or food establishment rooms.

Additional minimum building and equipment requirements for various kinds of food establishments as specified below:

1. Meat Markets

(a) All meat grinders, slicers, etc., must be of a type that the grinding unit and working parts may be easily removed to facilitate cleaning.

(b) Adequat refrigeration boxes, cases, etc., to keep all fresh meats at a temperature of 50 degrees F. or less at all times; all refrigerator boxes shall be provided with drains, waste pipes and all walk-in boxes shall have an electric light installed in the box.

2. Milk

(a) Adequate refrigeration to keep milk at a temperature of 50 degrees F. or below at all times. All refrigerator boxes shall be provided with accurate thermometers.

SECTION 3. That every person, firm, or corporation who, as owner or manager, keeps, maintains, or operates a food establishment in the Village of Tecumseh shall keep the same in a clean, sanitary, and healthful condition at all times.

SECTION 4. That it shall be unlawful for either the owner or proprietor of any firm or corporation maintaining, operating, or managing any food establishment in the Village of Tecumseh to suffer, permit, or allow any employee, officer, or agent employed therein or thereabouts in the handling of any food product intended for human consumption to be or remain in an unsanitary filthy, or dirty condition either as to person or clothing while so employed or engaged in the handling of such products intended for human consumption.

SECTION 5. That it shall be unlawful to sell, expose for sale, or have for other disposition any prepared food for human consumption, unless the same is stored in closed glass cases or other suitable containers and protected from dirt, flies, insects, and dogs, cats, rats, and mice and other contaminating materials.

SECTION 6. That it shall be unlawful to sell, expose for sale, to dispose of, or deliver any sugar, honey, pickles, olives, sauerkraut, jelly, peanut butter, apple sauce, lard, bread, baked goods, or any like products intended for human consumption, unless the same packages in which such product is contained shall be dust proof and kept covered.

SECTION 7. That it shall be unlawful to sell or offer for sale any contaminated, adulterated, or unfit food intended for human consumption, or any food which has been exposed to dust, flies, contamination by the public, vermin or other contaminating material in violation of the terms of this ordinance.

SECTION 8. That it shall be unlawful to cause, permit or suffer any decayed food or meat or vegetable matter of any kind to remain in any receptacle, ice box or other compartment wherein any fruits, meats, vegetables or other food intended for human consumption is kept for sale or other disposition.

SECTION 9. That it shall be unlawful to operate, maintain or conduct any food establishment in the Village of Tecumseh unless the person so owning, conducting, managing or operating such business shall provide or cause to be provided a sanitary toilet which shall be located in a separate room partitioned off from the rest of the establishment by a tight partition with a tight-fitting self-closing door and shall have an electric light in each toilet room, and such room shall be ventilated directly to the outside air by means of a window or other form of ventilator approved by the Board of Health; provided that where both sexes are employed, separate toilets shall be provided for each sex, except where all of the people who work in the establishment are members of one family.

SECTION 10. That it shall be unlawful for any person, firm or corporation to operate, maintain or conduct any business where food intended for human consumption is prepared, manufactured, canned, or sold, or otherwise disposed of unless there shall be provided in such building a room or rooms with ample supply of running water and soap and a suitable lavatory and individual paper or linen towels, and unless the operative clerks and employees and all persons who handle materials from which food is prepared, or handle the finished product, shall be required to keep themselves and their persons and clothing in a thoroughly clean condition.

SECTION XI. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within (30) days after the effective date of this ordinance any person, firm or corporation operating a restaurant in the Village limits shall file with the Village Clerk such a certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION 12. That it shall be unlawful to use any machinery or utensils in and about the preparation or handling of food or beverages intended for human consumption, unless the same shall be thoroughly cleaned and sterilized daily and shall be maintained in a sanitary condition and properly covered and protected while not in use, provided that meat grinding units shall be kept under refrigeration except when actually being used.

SECTION 13. Licenses

(a) Licenses. No establishment shall engage in the sale, manufacture, delivery, or distribution of food in the Village of Tecumseh without first the owner or operator having obtained a license.

Every such establishment shall make application to the Village Clerk for such license in writing upon blanks to be furnished by such Village Clerk and pay a fee of Ten Dollars ($10.00) therefor. Licenses shall expire at midnight on the following May 1st. Application for renewal of all licenses shall be duly made at least 30 days before the Commencement of the license year. Only establishments who have complied with the requirements of this ordinance shall be entitled to receive and retain such license. Licenses may be suspended by the enforcing officer upon the violation by the holder of the provisions of this ordinance, and may be revoked by the enforcing officer when it is found after hearing that the holder of the license has failed to conform with the provisions of this ordinance.

(b) License Fees. The Village Clery is hereby empowered upon the payment of the proper fees to grant licenses to any persons, firm or corporation, presenting applications executed by the enforcing officer and Village Council. The fee for each such license shall be established by resolution of the Village Council and may be from time to time changed by resolution of the Village Council.

Penalty for Violation. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall upon conviction thereof before a Court of competent jurisdiction be punished by a fine not exceeding One Hundred Dollars ($100.00) or by imprisonment in the County Jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the Court.

SECTION 15. Ordinance Declared Severable. The sentences, sections, and provisions of this ordinance are declared to be severable, and any portion which is declared unconstitutional or invalid for any reason by a court of competent jurisdiction shall in no way affect the remaining sentences, sections or provisions of this ordinance.

SECTION 16. Repealing Clause. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 17. Effective Date. This ordinance is ordered to take effect November 5, 1948.

Marvin Watkins,
President
Wade L. Jones,
Village Clerk

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

The following ordinance was offered for adoption by Trustee McCombs.

AN ORDINANCE TO REGULATE, ESTABLISH STANDARDS OF SANITATION AND LICENSE RESTAURANTS AND OTHER EATING HOUSES WITHIN THE VILLAGE OF TECUMSEH. THE VILLAGE OF TECUMSEH ORDAINS:

SECTION I. DEFINITIONS: The following definitions shall apply in the interpretation of this Ordinance.

A. RESTAURANT. The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, luncheonette, tavern, bar, root beer stands, sandwich stands, soda fountain, dairy bar, and all other public eating and drinking establishments, as well as kitchens in which food and drink are prepared for sale elsewhere to the public.

B. UTENSILS. "Utensils" shall include any kitchenware, tableware, glassware, cutlery, utensils, containers or other equipment with which food or drink comes in contact during storage, preparation, or serving.

C. OPERATOR. The term "Operator" shall include every person, firm or corporation conducting the business of a restaurant, as herein defined, whether or not he is the owner of the premises on which the business is conducted.

D. The term "employee" shall mean any person who handles food or drink during the preparation or serving, or who comes in contact with any eating or cooking utensils or who is employed at any time in a room in which food or drink is prepared or served.

E. HEALTH OFFICER. The term "health officer" shall mean the health officer of the Village of Tecumseh or his authorized representative.

F. PERSON. The word "person" shall mean person, firm, corporation or association.

SECTION II. APPLICATION. Application for restaurant license shall be in writing by the operator of the restaurant or agents on forms to be provided by the Village Clerk, which forms shall provide the name and location of the restaurant, the owner of the premises, the operator of the restaurant and the manager or other agent if other than the owner or operator. The application shall agree to comply with all rules and regulations of this Ordinance and to allow the health officer to enter and inspect the restaurant and everything connected therewith at any time desired.

SECTION III. ISSUANCE OF LICENSES. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh until the requirements of this Ordinance have been complied with, and the application shall have been approved by the health officer. The approved application shall be presented to the Village Clerk and upon payment of Ten Dollars ($10.00), the Clerk may issue a restaurant license. Each license shall bear the date of expiration, shall be issued only to and in the name of the operator of the restaurant, shall be non-transferable, and for the purpose of this Ordinance, shall be conclusive evidence of the ownership and operation of the business. Such license, together with the inspection rating, shall at all times be posted in a conspicuous place in the licensee's restaurant.

SECTION IV. TERMINATION. SUSPENSION AND REVOCATION OF LICENSES. Every restaurant license shall terminate on the last day of April following the date of issuance. Whenever in the opinion of the health officer it becomes necessary for the protection of the public health and safety, any restaurant license may be suspended temporarily for a minimum period of ten (10) days by the health officer. Every license may be revoked after an insanitary notice has been given to the operator, and after an opportunity for a hearing before Village Council, or a Village Board of Health if and when established, upon the violation by the holder of any of the provisions of this Ordinance. Written notice of the time and place of such hearing and a copy of the charges preferred shall be served upon the licensee at least five (5) days before the said hearing, unless such licensee consents in writing to an earlier hearing. Findings of fact made by the Village Council, or said Board, at such hearing shall be final and conclusive. Upon revocation of a restaurant license by the Village Council, or said Board, for any cause whatever, all rights of the licensee thereunder shall forthwith be terminated and no new license shall be approved until a new application has been approved and fees paid as required for a new license.

SECTION V. REINSTATEMENT OF LICENSE. Any restaurant the license of which has been revoked may at any time make application for the reinstatement of the license. Within ten (10) days after the receipt of satisfactory application accompanied by a statement signed by the applicant to the effect that the violated item or items of the specifications have been conformed with, the health officer shall make a reinspection and thereafter as many additional reinspections as he may deem necessary to assure himself that the applicant is again complying with the requirement hereof, and in case the findings indicate compliance, shall reinstate the license.

SECTION VI. EXAMINATION AND CONDEMNATION OF UNWHOLESOME, ADULTERATED OR MISBRANDED FOOD OR DRINK. Sample of food or drink may be taken and examined by the health officer as often as may be necessary for the detection of unwholesomeness, adulteration or misbranding. The health officer may condemn, and forbid the sale of, denature, remove and destroy any food or drink which is unwholesome, adulterated and misbranded.

SECTION VII. BASEMENTS. No cellar, basement or room wholly or partly underground shall be used as a restaurant unless the floor, ceiling and walls shall be constructed of tile, cement, or other material impervious to dampness or water unless such room or rooms of basement or cellar be provided with openings to outer air and with proper ventilation.

SECTION VIII. VIOLATIONS. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh unless it conforms with the requirements of this Ordinance. When any operator of a restaurant violates any of the items or sections of this Ordinance, the health officer is authorized to issue a violation ticket.

Penalties in connection with violation tickets shall be as follows:

The first ticket for each violation, $5.00.

The second ticket for the same violation within one year, $10.00.

The third ticket for the same violation within one year, $15.00.

After an insanitary notice has been served on the operator for any insanitary condition existing in or about the restaurant or any section or item of this ordinance that has not been complied with, the restaurant may be closed temporarily to allow time for compliance with the Ordinance.

SECTION IX. INSPECTION OF RESTAURANTS. At least once every six (6) months the health officer shall inspect every restaurant located within the Village of Tecumseh. The sanitation of all restaurants shall be based on a system of grading. Restaurants receiving a rating of at least 90% or more shall be awarded Grade A, all restaurants receiving a rating of at least 80% and less than 90% shall be awarded Grade B, and all restaurants receiving a rating of at least 70% and less and 80% shall be awarded Grade C. The rating and grading of restaurants shall be based upon the standards of construction and operation contained in section ten (X) hereof.

SECTION X. SANITATION REQUIREMENTS FOR RESTAURANTS.

All restaurants shall comply with all of the following items of sanitation.

Item 1. CONSTRUCTION, FLOORS. The floors of all rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, and shall be smooth, and shall be kept clean and in good repair. Kitchen floors shall be impervious to water.

Item 2. WALLS AND CEILINGS. Walls and ceilings of all rooms in which food and drink is stored, prepared or served, shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is stored or prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash and spray.

Item 3. WINDOWS AND DOORS. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing, unless other effective means are provided to prevent the entrance of flies.

Item 4. LIGHTING. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. VENTILATION. All rooms in which food or drink is stored, prepared or served, or in which utensils are washed, shall be well ventilated.

Item 6. TOILET FACILITIES. Every restaurant shall be provided with adequate and conveniently located toilet facilities for its employees and patrons. In restaurants hereinafter constructed, toilet and lavatory rooms shall not open directly in to any room in which food or drink or utensils are handled or stored. The doors of all toilets shall be self-closing. Toilet rooms shall be kept in a clean condition, well lighted and be well lighted and ventilated.

ITEM 7. WATER SUPPLY. The water supply shall be easily accessible in all rooms in which food is prepared or utensils are washed, and shall be adequate and of a safe and sanitary quality.

ITEM 8. LAVATORY FACILITIES. Adequate and convenient hand-washing facilities shall be provided, including warm water, soap, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first thoroughly washing his hands.

ITEM 9. CONSTRUCTION OF UTENSILS, EQUIPMENT. All multi-use utensils and all show or display cases, windows, counters, shelves, tables, refrigerators and equipment, sinks, and other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and shall be kept in good repair and condition.

ITEM 10. CLEANING AND BACTERIAL TREATMENT OF UTENSILS AND EQUIPMENT. All equipment, including display cases, windows, counters, shelves, tables, refrigerators, stoves, hoods and sinks, shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters, chefs and other employees shall be clean. Single-service containers shall be used only once. All beer mugs must be thoroughly washed and sterilized at least twice per week by any mechanical washing machines approved by this health department or health officer.

All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively subjected to an approved bactericidal process after each usage. All multi-use utensils used in the preparation or serving of food and drink shall be thoroughly cleaned and effectively subjected to an approved bactericidal process immediately following the day's operation. Drying cloths, if used, shall be clean and shall be used for no other purpose.

All equipment used in the preparing, storing or serving of foods or beverages shall be kept in a clean and sanitary manner at all times. Cracked or chipped dishes shall not be used. All dishes or utensils used for serving foods shall have smooth even surfaces, and be of such material as to be non-absorbent. All utensils, glasses, or other dishes used in serving food or beverages shall be thoroughly washed and cleansed by hand or mechanical means after separate use, in hot water of not less than 100 degrees F. when washed by mechanical means, and such water shall contain soap, soap powder, or other effective cleansing agent so as to remove all foreign material. Immediately after washing and before being used, the dishes, glasses and utensils shall be sterilized by one of the following methods:

(1) When washed by hand: by complete immersion in hot water maintained at a temperature of not less than 170 degrees F. for a period of not less than two minutes.

(2) When washed by mechanical means: by a thorough rinse or spraying process with hot water maintained at a temperature of not less than 170 degrees F.

(3) By being subjected to a thorough clear water rinse by immersion or a spraying process after which they shall be completely immersed for a period of at least two minutes in clean water containing a sterilizing solution of not less than 100 parts per million of available chlorine.

When the foregoing provisions cannot be complied with, an alternative method of using single service containers shall be substituted. Such containers shall be stored free from contamination and shall be used only once after which they shall be promptly discarded.

ITEM 11. STORAGE AND HANDLING OF UTENSILS AND EQUIPMENTS. After bactericidal treatment no utensil shall be stored except in a clean, dry place, protected from flies, dust or other contamination, and no utensil shall be handled except in such a manner as to prevent contamination so far as practicable. Single-service utensils shall be purchased only in sanitary containers, and shall be stored there in a clean dry place until used, and shall be handled in a sanitary manner.

ITEM 12. DISPOSAL OF WASTES. All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles in such manner as not to become a nuisance, and as not to be accessable to flies, rats or vermin.

ITEM 13. REFRIGERATION. All perishable food and drink shall be kept at or below 50 degrees F., except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

ITEM 14. WHOLESOMENESS OF FOOD OR DRINK. All food and drink shall be wholesome and free from spoilage and contamination. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from sources approved by the health officer. Milk and fluid milk products shall be served in the original containers in which they were received from the milk distributor. Bottles of milk shall not be completely submerged in water. Provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

ITEM 15. STORAGE AND DISPLAY OF FOOD AND DRINK. All food and drink shall be stored and displayed as to be protected from dust, vermin, unnecessary handling, droplet infection, overhead leakage, and any other contamination. No live animals or fowls shall be kept or allowed in any room in which food or drink is prepared, stored or served. All means necessary for the elimination of flies, rats and roaches shall be used. Bulk sugar dispensers shall be provided with an opening equipped with a self-closing device.

ITEM 16. CLEANLINESS OF EMPLOYEES. All employees shall wear clean outer garments and shall keep their hands and person clean at all times while engaged in handling food, drink, utensils, or equipment. All female employees shall wear hair nets and all male employees shall wear caps while preparing or serving food.

ITEM 17. MISCELLANEOUS. The premises of all restaurants shall be kept clean and free of litter or rubbish. No person, operator or employee shall live or sleep in said restaurant or any room above or adjacent thereto which is not separated by solid partitions or floors with no doors, windows, or openings. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.

SECTION XI. RE-INSPECTIONS. Upon written request on the part of the management, a re-inspection may be made; provided, that when a restaurant receives a rating of 70% or more (Grade C) a re-inspection for the purpose of raising the grade shall not be made within thirty (30) days. In the case of restaurants that are closed, or have a rating of less than 70%, an inspection shall be made at the earliest convenience of the health officer to consider the reissuance of the license. No inspection shall be made for the purpose of establishing a grade unless the restaurant shall have been in operation for at least two weeks.

SECTION XII. DISEASES AND NOTICE THEREOF. No person who is affected with any infectious, disease, communicable disease, or with any venereal disease in a communicable form, shall work or be permitted to work in any restaurant. Notice shall be sent to the health officer immediately by the restaurant manager or by the employee concerned if he or any employee contracts any infectious, contagious, or communicable disease, or has a fever, a skin eruption, a cough lasting more than 3 weeks, or any other suspicious symptoms. It shall be the duty of any employee to notify the restaurant manager immediately when any of said conditions exist, and if neither the manager or the employee concerned notifies the health officer immediately when any of said conditions exist, they shall be held jointly and severally to have violated this section.

SECTION XIII. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every restaurant employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious, or communicable disease. After the effective date of this ordinance or operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had such an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious, or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within thirty (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employer shall file with the Village Clerk such certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after same are presented to him.

SECTION XIV. PROCEDURE WHEN INFECTION IS SUSPECTED. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the health officer is authorized to require any or all of the following measures: (1) The immediate exclusion of the employee concerned from all restaurants, (2) the immediate closing of the restaurant concerned until in the opinion of the health officer no further danger of disease exists, (3) adequate medical examination of the employees and his associates with such laboratory examinations as may be indicated.

SECTION XV. METHOD OF BACTERIOLOGICAL EXAMINATION OF EATING AND DRINKING UTENSILS. The bacterial count shall not exceed 100 organisms per utensil when tested as examined as determined by the method for the examination of eating and drinking utensils contained in the United States Public Health Service Code, established by Section XVI hereof.

SECTION XVI. ENFORCEMENT INTERPRETATION. The provisions of this ordinance shall be enforced in accordance with the interpretations contained in the United States Public Health Service Code Regulating Eating and Drinking Establishments, a certified copy of which shall be on file at the office of the Village Clerk.

SECTION XVII. PENALTIES. Any person who violates any provision of this ordinance shall be fined not more than One Hundred Dollars ($100.00) and the costs of prosecution or by imprisonment for a term not exceeding ninety (90) days or both such fine and imprisonment at the discretion of the court.

SECTION XVII. REPEAL AND DATE OF EFFECT. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed. This ordinance shall take full force and effect on the 5th day of November, and shall be published with the Council proceedings in the Tecumseh Herald on the 14th day of October, 1948.

Approved and passed: October 4, 1948.

Published: October 14, 1948.

Effective: November 5, 1948.

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

Moved and supported that reports of Police and Fire Departments be accepted as read. Motion carried.

Moved and supported that Hubert VanCamp be granted permission to break curb at 205 East Chicago Boulevard, opening to be 30 feet wide in accordance with plans as approved by State Highway Department, driveway to be of approved cement construction, specifications to be furnished by Village Engineer. Ayes: McCombs,

Home Fires Are Most Dangerous

SIX TIMES AS MANY KILLED IN FIRES AT HOME AS IN PUBLIC BUILDINGS

"Six times as many Michigan people die in fires in their own homes as die in public building fires," Dr. Albert E. Heustis, state health commissioner warned Michigan residents today in urging every family to participate this week in National Fire Prevention Week.

"Each family should spend some time during Fire Prevention Week checking on precautions which may save lives," the Commissioner said.

These are some of the things you can do.

See that all matches are far out of reach of children. Provide a metal container for used matches, let no person throw them into the wastebasket.

Check the smoking habits of your family. Let no person smoke in bed. See to it that there are sufficient ash trays in the various rooms. Check your cigarettes to be sure they are completely extinguished when discarded.

Have your furnace or heating equipment, its flues and chimney cleaned and thoroughly checked for faults, cracks, loose bricks or rusted out places.

Be sure that every gasoline container is so marked that it cannot be mistaken for kerosene. Allow no one to use inflammable cleaning fluids for clothing, floors or furniture within the house.

Do not use electrical appliances that misbehave. Do not overload a lighting circuit. Have all worn wiring and poor sockets replaced. When fuses blow out, when lights flicker, when equipment does not work properly, you and your family are in danger. Something is wrong.

The same is true for gas appliances. Any smell of gas requires that the entire supply for the house be shut off until a check has been made by an employee of the gas company. The smell of gas means that gas has escaped into the room or basement. Attempting to light the fire or heater may blow up or burn up the entire house.

Clean up your attic, basement and closets; especially get those oily dust mops out of closets, and dispose of old paint cloths, oily dusting rags, old paints and varnishes. Such things can cause spontaneous fires without warning in less than an hour's time.

Use only a metal container for furnace ashes and be sure that it is not near kindling, papers, or the wooden coal bin.

Screen your fireplace; keep lighted candles far from blowing curtains and drapes; and supervise fall bonfires carefully.

Do not leave children alone in the house. Be sure that you have checked the furnace, turned off the iron, the gas stove, and the water heater when you leave the house. Turn off and disconnect your electric flatiron whenever you leave the room.

In case of fire, save life before property.

Keep in mind, too, that 20 to 30 Michigan people die each year from carbon monoxide poisoning from faulty furnaces, faulty water heating equipment or faulty chimneys.

Give a thought to these and other fire hazards in your home or on your farm. Homes are hard to get, property is valuable and life is irreplacable, the commissioner concluded.

LOCALS AND PERSONALS

Weekend guests of Miss Louise Wilson were Miss Bernice Erbe of Croswell, Richard Lanke of Detroit and David Faling of Petersburg.

Additional Sunday dinner guests were Mr. and Mrs. Wesley Schafer of Monroe.

Mr. and Mrs. Charles Davidson and son Charles, jr, of Detroit, Mr. and Mrs. Robert Beasley and son Gary of Plymouth and Mr. and Mrs. William Spreeman were Sunday guests of Mrs. Charles Lister near Britton.

Mrs. Hoyt Whelan, Mrs. Orville Laidlaw, Mrs. James Artman, Mrs. R. S. Moore, Mrs. Burtsel Claus, Mrs. Clarence Fisher and Mrs. J. Floyd Elliott were in Ann Arbor recently for the luncheon and annual meeting of the Hugenot Society which met at the Woman's League Building. The "Day of Remembrance" of the Society will be held in Tecumseh in May.

Mr. and Mrs. S. E. Chase and family of Dearborn spent Sunday at the home of his father, C. R. Chase.

Perry Hayden was in High Point, North Carolina, Sunday and Monday, to show his tithing movie at the Oakhill Friends church, which celebrated its 50th anniversary.

Barbara Kerby attended the Purdue-Michigan football game at Lafayette, Indiana, and spent weekend at the Alpha Chi Omega sorority house.

Rev. B. O. Bashore will attend the Grand Lodge Session of the Independent Order of Odd Fellows at Grand Rapids, Monday through Friday. Rev. Bashore is Grand Chaplain of the Lodge.

COUNCIL PROCEEDINGS

Village of Tecumseh
Council Building
October 4, 1948

Present: President Watkins
TrusteesOusterhout, McCombs, Beach, Mensing, Driscoll, Porter.
Absent: None.

The following ordinance was offered for adoption by Trustee McCombs.

An Ordinance to regulate, control and license the sale, storage, delivery and distribution of food, both wholesale and retail, within the Village of Tecumseh, and to provide for the inspection of groceries, meat markets, stalls, shops, stores, storehouses, cold storage plants, or where fish, oysters, birds, fowl, vegetables, fruits, milk, ices, beverages, meat, meat food products, baked goods, or any other provision or food, intended for consumption by human beings, is manufactured, held, kept, stored, or offered for sale, disposition, or other distribution as food for human beings; providing for the issuing and fees therefor; and providing for penalties for violations thereof.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. The following definition shall apply for the purpose and within the meaning of this ordinance.

(a) A grocery is a food establishment where staple articles of food commonly called groceries are handled for sale or delivered.

(b) A meat market is a food establishment where meats, and their by-products are handled for sale or delivery.

(c) A bakery is a food establishment where bread, baked goods, pastries, etc., are prepared for sale or delivery.

(d) A confectionery store is a food establishment where ice cream, carbonated beverages, candy, popcorn, and the like are sold or are prepared for sale or delivery.

(e) A fish market is a food establishment where fish are handled for sale or delivery.

(f) A beverage manufacturing plant is a food establishment where carbonated beverages and other soft drinks are prepared and bottled for sale or delivery.

(g) A fruit and vegetable market is a food establishment where fruits and vegetables are handled for sale or delivery.

(h) A food manufacturing establishment shall be taken to include all food establishments where food is prepared, cooked, canned, packed or in any way converted from the state or form in which it was received.

(i) A wholesale food merchant shall be taken to mean any person, firm or corporation selling food or beverages of any kind intended for human consumption to another person, firm or corporation for the purpose of resale.

SECTION 2. The following shall be and are hereby designated as the minimum building and equipment requirements for food establishments which are operating in or selling food in the Village of Tecumseh.

Building and Equipment requirements applying to all food and beverage establishments:

1. Smooth and easily cleaned walls, ceilings and floors.

2. Walls and ceilings painted with a light-colored gloss paint at least once each year or otherwise redecorated or cleaned in a manner satisfactory to the Health Officer.

3. Adequate toilet facilities as required in Section 9 of this ordinance, conveniently located in connection with the establishment.

4. Suitable lavatory or sink in addition to dishwashing sink, located in or near the toilet room and an adequate supply of soap and paper or individual linen towels.

5. Running water of suitable quality for drinking purposes.

6. Adequate ventilation by windows, transoms, flues, or exhaust fans as may be approved by the Health Officer.

7. Adequate natural or artificial lighting.

8. Screening on all outside openings of buildings between May 1 and October 1. All screen doors to swing outward and be equipped with self-closing devices. Provided electric fans may be used in place of screening if it is possible to keep the establishment free of flies by such means.

9. All equipment including counters, cases, tables, refrigerators, blocks, stoves, ventilating hoods, fans, steam tables, meat grinders, heaters, dish washing and sterilizing equipment, dishes, pots, pans and kettles and all other food establishment equipment shall be such that they will meet the approval of the Health Officer.

10. Sufficient number of 20 gallon galvanized cans with tight-fitting metal lids to hold all garbage, tin cans, papers and other refuse. Such cans shall be free from leaks and shall be thoroughly cleaned and scalded each time they are emptied.

11. All garbage shall be kept separate from glass, tin cans, paper or other refuse.

12. That there be no connection between living or sleeping rooms or food establishment rooms.

Additional minimum building and equipment requirements for various kinds of food establishments as specified below:

1. Meat Markets

(a) All meat grinders, slicers, etc., must be of a type that the grinding unit and working parts may be easily removed to facilitate cleaning.

(b) Adequate refrigeration boxes, cases, etc., to keep all fresh meats at a temperature of 50 degrees F. or less at all times; all refrigerator boxes shall be provided with accurate thermometers and all walk-in boxes shall have an electric light installed in the box.

2. Milk

(a) Adequate refrigeration to keep milk at a temperature of 50 degrees F. or below at all times. All refrigerator boxes shall be provided with accurate thermometers.

SECTION 3. That every person, firm, or corporation who, as owner or manager, keeps, maintains, or operates a food establishment in the Village of Tecumseh shall keep the same in a clean, sanitary, and healthful condition at all times.

SECTION 4. That it shall be unlawful for either the owner or proprietor of any firm or corporation maintaining, operating, or managing any food establishment in the Village of Tecumseh to suffer, permit, or allow any employee, officer, or agent employed therein or thereabout in the handling of any food product intended for human consumption to be or remain in an unsanitary, filthy, or dirty condition either as to person or clothing while so employed or engaged in the handling of such products intended for human consumption.

SECTION 5. That it shall be unlawful to sell, expose for sale, or have for other disposition any prepared food for human consumption, or any cheese, candy, bread, cakes, pies, figs, dates, prunes, raisins, mince meat, fresh or smoked meats, fish, or other food, except fruits and vegetables in broken packages, unless the same shall be kept and stored in closed glass cases or other suitable containers and protected from dirt, flies, insects, and dogs, cats, rats, and mice and other contaminating materials.

SECTION 6. That it shall be unlawful to sell, expose for sale, any contaminated, adulterated, or unfit food intended for human consumption or any food which has been exposed to dust, flies, contamination by the public, vermin or other contaminating material in violation of the terms of this ordinance.

SECTION 8. That it shall be unlawful to cause, permit or suffer any decayed food or meat on the table matter of any kind to remain in any receptacle, ice box or other compartment wherein any fruits, meats, vegetables or other food intended for human consumption is kept for sale or other disposition.

SECTION 9. That it shall be unlawful to operate, maintain or conduct any food establishment in the Village of Tecumseh unless the person so owning, conducting, managing or operating such business shall provide or cause to be provided a sanitary toilet which shall be located in a separate room partitioned off from the main portion with a tight-fitting self-closing door and shall have an electric light in each toilet room and such room shall be ventilated directly to the outside air by means of a window or other form of ventilator approved by the Board of Health; provided that where both sexes are employed, separate toilets shall be provided for each sex, except where all of the people who work in the establishment are members of one family.

SECTION 10. That it shall be unlawful for any person, firm or corporation to operate, maintain or conduct any business where food intended for human consumption is prepared, manufactured, canned, or sold, or otherwise disposed of unless there shall be provided in such building a room or rooms with ample supply of running water and soap and a sufficient lavatory and individual paper or linen towels, and unless the operative clerks and employees and all persons who handle material from which food is prepared or handle the finished product, shall be required to keep themselves and their persons and clothing in a thoroughly clean condition.

SECTION XI. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every employee shall obtain and present to his employer a certificate from a physician or resident health officer of the Village's limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. After the effective date of this ordinance no operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village's limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within thirty (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employer shall file with the Village Clerk such a certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION 12. That it shall be unlawful to use any machinery or utensils in and about the preparation or handling of food or beverages intended for human consumption, unless the same shall be thoroughly cleaned and sterilized daily and shall be maintained in a sanitary condition and properly covered and protected while not in use, provided that meat grinding units shall be kept under refrigeration except when actually being used.

SECTION 13. Licenses

(a) Licenses. No establishment shall engage in the sale, manufacture, delivery, or distribution of food in the Village of Tecumseh without first the owner or operator having obtained a license.

Every such establishment shall make application to the Village Clerk for such license in writing upon blanks to be furnished by such Village Clerk and pay a fee of Ten Dollars ($10.00) therefor. Licenses shall expire at midnight on the following May 1st. Application for renewal of all licenses shall be duly made at least 30 days before the Commencement of the license year. Only establishments who have complied with the requirements of this ordinance shall be entitled to receive and retain such license. Licenses may be suspended by the governing officer upon the violation by the holder of the provisions of this ordinance, and may be revoked by the governing officer when it is found after hearing that the holder of the license has failed to conform with the provisions of this ordinance.

(b) License Fees. The Village Clery is hereby empowered upon the payment of the proper fees to grant licenses to any persons, firm or corporation, making applications approved by the governing officer and Village Council. The fee for each such license shall be established by resolution of the Village Council and may be from time to time changed by resolution of the Village Council.

Penalty for Violations. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall upon conviction thereof before a Court of competent jurisdiction be punished by a fine not exceeding One Hundred Dollars ($100.00) or by imprisonment in the County jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the Court.

SECTION 15. Ordinance Declared Severable. The sentences, sections, and provisions of this ordinance are declared to be severable and any portion which is declared unconstitutional or invalid for any reason by a court of competent jurisdiction shall in no way affect the remaining sentences, sections or provisions of this ordinance.

SECTION 16. Repealing Clause. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 17. Effective Date. This ordinance is ordered to take effect November 5, 1948.

Marvin Watkins,
President
Wade L. Jones,
Village Clerk

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach,Ousterhout, Driscoll. Nays: None. Motion carried.

The following ordinance was offered for adoption by Trustee McCombs.

AN ORDINANCE TO REGULATE, ESTABLISH STANDARDS OF SANITATION AND LICENSE RESTAURANTS AND OTHER EATING HOUSES WITHIN THE VILLAGE OF TECUMSEH.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION I. DEFINITIONS: The following definitions shall apply in the interpretation of this Ordinance.

A. RESTAURANT. The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, luncheonette, tavern, bar, root beer stand, sandwich stands, soda fountain, dairy bar, and all other public eating and drinking establishments, as well as kitchens in which food and drinks are prepared for sale elsewhere to the public.

B. UTENSILS. "Utensils" shall include any kitchenware, tableware, glassware, cutlery, utensils, containers or other equipment with which food or drink comes in contact during storage, preparation, or serving.

C. OPERATOR. The term "Operator" shall include every person, firm or corporation conducting the business of a restaurant, as herein defined, whether or not he is the owner of the premises on which the business is conducted.

D. The term "employee" shall mean any person who handles food or drink during the preparation or serving, or who comes in contact with any eating or cooking utensils or who is employed at any time in a room in which food or drink is prepared or served.

E. HEALTH OFFICER. The term "health officer" shall mean the health officer of the Village of Tecumseh or his authorized representative.

F. PERSON. The word "person" shall mean person, firm, corporation or association.

SECTION II. APPLICATION. Application for restaurant license shall be in writing by the operator of the restaurant or agents or forms to be provided by the Village Clerk which forms shall provide the name and location of the restaurant, the owner of the premises, the operator of the restaurant and the manager or other agent if other than the owner or operator. The applicant shall agree to comply with all rules and regulations of this ordinance, and to allow the health officer to enter and inspect the restaurant and everything connected therewith at any time during.

SECTION III. ISSUANCE OF LICENSES. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh until the requirements of this Ordinance have been complied with and the application shall have been approved by the health officer. The approved application shall be presented to the Village Clerk and upon payment of Ten Dollars ($10.00), the Clerk may issue a restaurant license. Each license shall bear the date of expiration, shall be issued only to and in the name of the operator of the restaurant, shall be non-transferable, and for the purpose of this Ordinance, shall be conclusive evidence of the ownership and operation of the business. Such license, together with the inspection rating, shall at all times be posted in a conspicuous place in the licensee's restaurant.

SECTION IV. TERMINATION, SUSPENSION AND REVOCATION OF LICENSES. Every restaurant license shall terminate on the last day of April following the date of issuance. Whenever in the opinion of the health officer the licensee is violating any of the provisions of the public health and safety, any restaurant license may be suspended temporarily for a period of ten (10) days by the health officer. Every license may be revoked after an insanitary notice has been given to the operator, and after an opportunity for a hearing before Village Council, or a Village Board of Health if and when established, upon the violation by the holder of any of the provisions of this Ordinance. Written notice of the time and place of such hearing and a copy of the charges preferred shall be served upon the licensee at least five (5) days before the hearing, unless such licensee consents in writing to an earlier hearing. Findings of fact made by the Village Council, or said Board, at such hearing shall be final and conclusive. Upon revocation of a restaurant license by the Village Council, or said Board, for any cause whatever, all rights of the licensee thereunder shall forthwith be terminated and no new license be approved until a new application has been approved and fees paid as required for a license.

SECTION V. REINSTATEMENT OF LICENSE. Any restaurant the license of which has been revoked may at any time make application for the reinstatement of the license. Within ten (10) days after the receipt of satisfactory application accompanied by a statement signed by the applicant to the effect that the violated item or items of the specifications have been conformed with, the health officer shall make a reinspection and thereafter as many additional reinspections as he may deem necessary to assure himself that the applicant again complying with the requirement hereof, and in case the findings indicate compliance, shall reinstate the license.

SECTION VI. EXAMINATION AND CONDEMNATION OF UNWHOLESOME, ADULTERATED OR MISBRANDED FOOD OR DRINK. Sample of food or drink may be taken and examined by the health officer as often as may be necessary for the detection of unwholesomeness, adulteration or misbranding. The health officer may condemn, or forbid the sale of, denature, remove and destroy any food or drink which is unwholesome, adulterated and misbranded.

SECTION VII. BASEMENTS. No cellar, basement or room wholly or partly underground shall be used as a restaurant unless the floor, ceiling and walls shall be constructed of tile, cement, or other material impervious to dampness or water unless such room or rooms of basement or cellar be provided with openings to outer air and with proper ventilation.

SECTION VIII. VIOLATIONS. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh unless it conforms with the requirements of this Ordinance. When any operator of a restaurant violates any of the items or sections of this Ordinance, the health officer is authorized to issue a violation ticket.

Penalties in connection with violation tickets shall be as follows:

The first ticket for each violation, $5.00.

The second ticket for the same violation within one year, $10.00.

The third ticket for the same violation within one year, $15.00.

After an insanitary notice has been served on the operator for any insanitary condition existing in or about the restaurant or any section or item of this ordinance that has not been complied with, the restaurant may be closed temporarily to allow time for compliance with the Ordinance.

SECTION IX. INSPECTION OF RESTAURANTS. At least once every six (6) months the health officer shall inspect every restaurant located within the Village of Tecumseh. The sanitation of all restaurants shall be based on a system of grading wherein all restaurants receiving a rating of at least 90% or more shall be awarded Grade A, all restaurants receiving a rating of at least 80% and less than 90% shall be awarded Grade B, and all restaurants receiving a rating of at least 70% and less and 80% shall be awarded Grade C. No restaurant receiving a rating of less than 70%, or Grade C, shall operate. The rating and grading of restaurants shall be based upon the standards of construction and operation contained in section ten (X) hereof.

SECTION X. SANITATION REQUIREMENTS FOR RESTAURANTS.

All restaurants shall comply with all of the following items of sanitation.

Item 1. CONSTRUCTION, FLOORS. The floors of all rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, and shall be smooth, and shall be kept clean and in good repair. Kitchen floors shall be impervious to water.

Item 2. WALLS AND CEILINGS. Walls and ceilings of all rooms in which food and drink is stored, prepared or served, shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is stored or prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash and spray.

Item 3. WINDOWS AND DOORS. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing, unless other effective means are provided to prevent the entrance of flies.

Item 4. LIGHTING. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. VENTILATION. All rooms in which food or drink is stored, prepared or served, or in which utensils are washed, shall be well ventilated.

Item 6. TOILET FACILITIES. Every restaurant shall be provided with adequate and conveniently located toilet facilities for the use of its employees and patrons. In restaurants hereinafter constructed, toilet and lavatory rooms shall not open directly into any room in which food, drink, or utensils are handled or stored. The doors of all toilets shall be self-closing. Toilet rooms shall be kept in a clean condition, in good repair, and be well lighted and ventilated.

ITEM 7. WATER SUPPLY. The water supply shall be easily accessible to all rooms in which food is prepared or utensils are washed, and shall be adequate and of a safe and sanitary quality.

ITEM 8. LAVATORY FACILITIES. Adequate and convenient hand-washing facilities shall be provided, including warm water, soap, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first thoroughly washing his hands.

ITEM 9. CONSTRUCTION OF UTENSILS, EQUIPMENT. All multi-use utensils and all show or display cases, windows, counters, shelves, tables, refrigerators and equipment, sinks, and other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and shall be kept in good repair and condition.

ITEM 10. CLEANING AND BACTERIAL TREATMENT OF UTENSILS AND EQUIPMENT. All equipment, including display cases, windows, counters, shelves, tables, refrigerators, stoves, hoods and sinks, shall be kept clean and free from dust, dirt, insects, and other contamination. Towels or cloths used by waiters, chefs and other employees shall be clean. Single-service containers shall be used only once. All user utensils must be thoroughly washed and sterilized at least twice per week by any mechanical washing machines approved by the health department or health officer.

All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively subjected to an approved bactericidal process after each usage. All multi-use utensils used in the preparation or serving of food and drink shall be thoroughly cleaned and effectively subjected to an approved bactericidal process immediately following the day's operation. Drying cloths, if used, shall be clean and shall be used for no other purpose.

All equipment used in the preparing, storing or serving of foods or beverages shall be kept in a clean and sanitary condition at all times. Cracked or chipped dishes shall not be used. All dishes or utensils used for serving foods shall have smooth, even surfaces, and be of such material as to be non-absorbent. All utensils, glasses, or other dishes used in serving food or beverages shall be thoroughly washed and cleansed by hand or mechanical means after separate use, in hot water of not less than 100 degrees F. when washed by mechanical means, and such water shall contain soap, soap powder, or other effective cleansing agent so as to remove all foreign matter immediately after washing and before being used, the dishes, glasses and utensils shall be sterilized by one of the following methods:

(1) When washed by hand: by complete immersion in hot water maintained at a temperature of not less than 170 degrees F. for a period of not less than two minutes.

(2) When washed by mechanical means: by a thorough rinse or spraying process with hot water maintained at a temperature of not less than 170 degrees F.

(3) By being subjected to a thorough clear water rinse by immersion or spraying process after which they shall be completely immersed for a period of at least two minutes in clean water containing a sterilizing solution of not less than 100 parts per million of available chlorine.

When the foregoing provisions cannot be complied with, an alternative method of using single service containers shall be substituted. Such containers shall be stored free from contamination and shall be used only once after which they shall be promptly discard d.

ITEM 11. STORAGE AND HANDLING OF UTENSILS AND EQUIPMENTS. After bactericidal treatment no utensil shall be stored except in a clean, dry place, protected from flies, dust or other contamination, and no utensil shall be handled except in such a manner as to prevent contamination so far as practicable. Single-service utensils shall be purchased only in sanitary containers, shall be stored there in a clean dry place until used, and shall be handled in a sanitary manner.

ITEM 12. DISPOSAL OF WASTES. All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles in such manner as not to become a nuisance, and so not to be accessable to flies, rats or vermin.

ITEM 13. REFRIGERATION. All perishable food and drink shall be kept at or below 50 degrees F., except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

ITEM 14. WHOLESOMENESS OF FOOD OR DRINK. All food and drink shall be wholesome and free from spoilage and contamination. Milk, fluid milk products, ice cream, and other frozen desserts served shall be from sources approved by the health officer. Milk and fluid milk products shall be served in the original containers in which they were received from the distributor, or bottles of milk shall not be completely submerged in water. Provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

ITEM 15. STORAGE AND DISPLAY OF FOOD AND DRINK. All food and drink shall be stored and displayed as to be protected from dust, vermin, unnecessary handling, droplet infection, overhead leakage, and any other contamination. No live animals or fowls shall be kept or allowed in any room in which food or drink is prepared, stored or served. All means necessary for the elimination of flies, rats and roaches shall be used. Bulk sugar dispensers shall be provided with an opening equipped with a self-closing device.

ITEM 16. CLEANLINESS OF EMPLOYEES. All employees shall wear clean outer garments and shall keep their hands and person clean at all times while engaged in handling food, drink, utensils, or equipment. All female employees shall wear hair nets and all male employees shall wear caps while preparing or serving food.

ITEM 17. MISCELLANEOUS. The premises of all restaurants shall be kept clean and free of litter or rubbish. No person, operator or employee shall live or sleep in said restaurant or any room above or adjacent thereto which is not separated by solid partitions or floors with no doors, windows, or openings. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.

SECTION XI RE-INSPECTIONS. Upon written request on the part of the management, a re-inspection may be made; provided, that when a restaurant receives a rating of 70% or more on any inspection for the purpose of raising the grade shall not be made within thirty (30) days, in the case of restaurants that are closed for have a rating of less than 70%, an inspection shall be made at the earliest convenience of the health officer to consider the compliance of the ordinance. No inspection shall be made for the purpose of establishing a grade unless the restaurant shall have been in operation for a least two weeks.

SECTION XII. DISEASES AND NOTICE THEREOF. No person who is affected with any infectious, disease, communicable disease, or with any venereal disease in a communicable form, shall work or be permitted to work in any restaurant. Notice shall be sent to the health officer immediately by the restaurant manager or by the employee concerned if he or any employee contracts any infectious, contagious, or communicable disease, or has a fever, a skin eruption, a cough lasting more than 3 weeks, or any other suspicious symptoms. It shall be the duty of any employee to notify the restaurant manager immediately when any of said conditions exist, and if neither the manager or the employee concerned notifies the health officer immediately when any of said conditions exist, they shall be held jointly and severally to have violated this section.

SECTION XIII. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every restaurant employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious, or communicable disease. After the effective date of this ordinance no operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious, or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within thirty (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employer shall file with the Village Clerk such certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION XIV. PROCEDURE WHEN INFECTION SUSPECTED. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the health officer is authorized to require any or all of the following measures: (1) The immediate exclusion of the employee concerned from all restaurants, (2) the immediate closing of the restaurant concerned until in the opinion of the health officer no further danger of disease exists, (3) adequate medical examination of the employee and his associates with such laboratory examinations as may be indicated.

SECTION XV. METHOD OF BACTERIOLOGICAL EXAMINATION OF EATING AND DRINKING UTENSILS. The bacterial count shall not exceed 100 organisms per utensil surface area examined as determined by the method for the examination of eating and drinking utensils contained in the United States Public Health Service Code Regulating Eating and Drinking Establishments, a certified copy of which shall be on file at the office of the Village Clerk.

SECTION XVII. PENALTIES. Any person who violates any provision of this ordinance shall be fined not more than One Hundred Dollars ($100.00) and the costs of prosecution or by imprisonment for a term not exceeding ninety (90) days or both such fine and imprisonment at the discretion of the court.

SECTION XVII. REPEAL AND DATE OF EFFECT. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed. This ordinance shall take full force and effect on the 5th day of November, and shall be published with the Council proceedings in the Tecumseh Herald on the 14th day of October, 1948.

Approved and passed: October 4, 1948.

Published: October 14, 1948.

Effective: November 5, 1948.

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

Moved and supported that reports of Police and Fire Departments be accepted as read. Motion carried.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946

Of The Tecumseh Herald published every Thursday at Tecumseh, Michigan, for October 1, 1948.

State of Michigan
County of Lenawee, ss.

Before me, a notary public in and for the State and county aforesaid, personally appeared Earl L. Wickwire, who, having been duly sworn according to law, deposes and says that he is the publisher of the Tecumseh Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily, weekly, semiweekly or triweekly newspaper, the circulation) etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946.

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, Earl L. Wickwire, Tecumseh, Michigan.

Editor, Earl L. Wickwire, Tecumseh, Michigan.

Managing Editor, Earl L. Wickwire, Tecumseh, Michigan.

Business manager, Earl L. Wickwire, Tecumseh, Michigan.

2. That the owner is: Earl L. Wickwire, Tecumseh, Michigan.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: none.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is: 1,711.

Earl L. Wickwire,
Owner.

Sworn to and subscribed before me this 30th day of September, 1948.

LeRoy H. Titley,
My commission expires December 16, 1949.

"My dear! What a lovely coat, it must have cost a fortune!"

"No, only a kiss."

"One that you gave your husband?"

"No, one that he gave the maid."

West Chicago Blvd., Phone 289, Tecumseh

MACON

Guests Saturday of Mr. and Mrs. Clayton Bigelow were Mr. and Mrs. Clayton Bigelow jr., and children of Willow Run and William Lichty of Ypsilanti.

Mr. and Mrs. Gordon Matthews and family of Royal Oak were entertained over the weekend in the home of Mr. and Mrs. J. W. Sheward.

Mrs. Maude Day, Mrs. J. W. Howell and John C. Howell called Sunday in Ypsilanti on their cousins, Mr. and Mrs. Roy Chambers and Mr. and Mrs. Clarence Chambers.

Ray Hendershot of near Brooklyn, formerly of Macon, was the honor guest at a dinner given by Mrs. Hendershot the evening of October 3, celebrating his birthday anniversary. Macon relatives present were Mr. and Mrs. Charles Bigelow and children, Mr. and Mrs. Ray Smith and Mrs. Lilah Howell.

Mrs. Mary Howell served a southern fried chicken dinner Wednesday in observance of her cousin, Elva Richart's birthday anniversary. After dinner an old-fashioned visit was enjoyed and guests were served refreshments of wafers and ice cream.

The Community Club will meet Tuesday evening October 19, at the home of Mr. and Mrs. Will E. Swick. Potluck supper will be served at 7:30 p.m. and will be followed by a program.

Family Night at the Macon Methodist church will be Thursday evening, October 21. A program will follow the potluck supper.

Mr. and Mrs. Burt Gruder, Delmar Bruder and the latter's sister, Mrs. Gerald Carey spent the week end at Gibson City, Ind. Saturday they were guests at the celebration of Mrs. Bruder's father, Andrew Reynolds's 80th birthday anniversary.

The annual Harvest Festival will be observed at the Methodist church Sunday morning with gifts of fresh and canned fruits and vegetables to be sent to the Old People's Home at Chelsea.

Miss Gertrude Scudder of Detroit spent the weekend in her home in Macon, with her brothers, Jesse and Raynor Scudder.

Mr. and Mrs. Ralph A. Halladay spent several days recently in Delta, Ohio visiting relatives. While there they attended the wedding of Mrs. Halladay's niece, Miss Phyllis Ohlinger and Mr. Glen Mohler.

The friends of Mrs. Elpha Ellis will be sorry to learn that since the recent operation on her hip she has been in a coma and does not recognize her family or friends.

Miss Jeanne Swick, daughter of Mr. and Mrs. Mills Swick, came home from Detroit, where she is attending art school, to go to the Michigan-Oregon ball game at Ann Arbor Saturday, with her parents.

Miss Dorothy McCollum and Ray Schmelz with Mr. and Mrs. Edward Cunningham of Carleton, spent the week end at a cottage at Curtis Lake near Au Sable. They spent their time while there fishing and reported a catch of eighty-nine beautiful rock bass.

Melvin Travis returned Saturday from a three week's refresher course on carburetion in St. Louis, Michigan. Mr. Travis spent his leisure time while there taking color photographs of the parks and beauty spots of St. Louis.

Mr. and Mrs. Leon Hall had as a guest for several days. Mrs. Hallie Gray of Florida. While here they spent Sunday in the home of Mr. and Mrs. Roger Wilson in Tecumseh.

Mr. and Mrs. Harley Preston had as weekend guests. Mr. Preston's daughter and husband, Mr. and Mrs. Loy Nelson. Tuesday, the Prestons spent the day in Ypsilanti, visiting Mr. Preston's father, Joshua Preston and Mr. and Mrs. Harley Schock.

Mr. and Mrs. Roy Heilman attended the wedding recently of Lewis Heilman and Miss Mary Elizabeth Bon Secour of Cheboygan. Mr. Heilman is the son of Karl Heilman, formerly of Macon.

Roy Heilman and Mrs. Heilman have been making frequent visits recently to Detroit, to be with his mother, who is in Mt. Carmel hospital, in a very serious condition.

Mr. and Mrs. Martin Korth attended the wedding of Harold Ruhl of Tecumseh and Miss Jean Williams at Battle Creek, Sunday. Mr. Korth attended Mr. Ruhl as best man.

Mrs. Dill Burleson is spending some time in the home of her daughter, Mrs. Everett Ferguson (Nellie Burleson) of Jonesville, to assist in welcoming into the home a new member of the family, a son, born September 27.

Mrs. Melvin Travis entertained at dinner Sunday a group of friends from Toledo. Miss Olga Stone, Miss Eunice Renz and Miss May Baker.

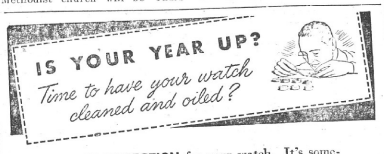
THAT'S HOW TUNNELS ARE BORN . . . The final "breaking through" of the rock barrier where the two sections of the Brooklyn-Manhattan tunnel join underneath the waters of New York harbor took place with a considerable bang as a dynamite charge was used to blast a hole through the last few feet of rock separating the two ends of the tunnel. The project, which has been under construction since 1940 and will cost 70 million dollars, is expected to be open for motor vehicle traffic in 1950. Above, Sam Allen, superintendent of the Brooklyn section, shakes hands with Andy Amisano of the Manhattan section.



FREE INSPECTION for your watch. It's something you should have done at least once a year. If repairs are needed you can be sure of expert service at reasonable prices. All work guaranteed.

Elgin watch owners—get this amazing new mainspring

Elgin's DuraPower Mainspring that eliminates 99% of watch repairs due to steel mainspring failures is now available for replacement in Elgin models from 1939.

STATE: Governor; Lieutenant Governor; Secretary of State; Attorney General; State Treasurer; Auditor General.

CONGRESSIONAL: United States Senator; Representative in Congress.

LEGISLATIVE: State Senator; Representative in State Legislature.

COUNTY: Judge of Probate; Prosecuting Attorney; Sheriff; County Clerk; County Treasurer; Register of Deeds; Circuit Court Commissioner; Drain Commissioner; Two Coroners; Surveyor.

PROPOSITIONS

Also for the purpose of voting on the following propositions

Proposal No. 1

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO THE ORDER OF SUCCESSION IN THE PERFORMANCE AND DUTIES OF THE GOVERNOR.

A Joint Resolution of the 1947 Legislature proposing an amendment to sections 16, 17 and 18 of article 6 of the state constitution relative to the order of succession in the performance of the powers and duties of the governor, and to read as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

In case of the death of the governor-elect before taking and subscribing to the constitutional oath of office, or before entering upon the duties of his office, the powers and duties of the office shall devolve upon the lieutenant governor-elect on the commencement of his term of office.

Sec. 17. After the lieutenant governor, the line of succession and order of precedence of state officers, who shall act as governor, shall be secretary of state, attorney general, state treasurer and auditor general, and during a vacancy in the office of governor, if the lieutenant governor or any state officers in line of succession die, resign, be impeached, displaced, be incapable of performing the duties of office, or be absent from the state, serving no state officer prior in the line of succession to fill the office of governor, the state officer next in line of succession shall act as governor during the residue of his term or until the absence or disability giving rise to the succession ceases.

In case of the death of the lieutenant governor-elect or any state officer or officer-elect in this line of succession before taking and subscribing to the constitutional oath of office, or before entering upon the duties of office, leaving no state officer-elect prior in line of succession to fill the office of governor, the powers and duties of the office of governor shall devolve upon the state officer-elect next in line on the commencement of his term of office.

Sec. 18. The lieutenant governor or other state officer in the line of succession, while performing the duties of governor, shall receive the same compensation as the governor.

Provision of existing constitution altered by such proposal if adopted, now reads as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases. When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

Sec. 17. During a vacancy in the office of governor, if the lieutenant governor die, resign, or be impeached, displaced, be incapable of performing the duties of his office, or absent from the state, the secretary of state shall act as governor until the vacancy be filled or the disability cease.

Sec. 18. The lieutenant governor or secretary of state, while performing the duties of governor, shall receive the same compensation as the governor.

Proposal No. 2

PROPOSED AMENDMENT TO THE CONSTITUTION PROVIDING FOR THE REPEAL OF SECTION 23, ARTICLE 10.

A Joint Resolution of the 1947 Legislature proposing an amendment to the state constitution providing for the repeal and striking therefrom of section 23 of article 10 of the state constitution relative to the return of one cent of a state sales tax levy to be divided among school districts cities, townships and villages and providing for the making of annual grants to school districts out of general funds.

Provision of existing constitution to be abrogated by such proposal, if adopted, now reads as follows:

Sec. 23. There shall be returned to local governmental units and school districts by the method hereinafter set forth, one cent of a state sales tax levy on each dollar of sales of tangible personal property on the present statutory base (not rate). The state tax collecting authority shall divide the entire sum without deduction and remit 50 per cent thereof among the school districts on the basis of the school census on which primary school money is distributed for that fiscal year. The balance of 50 per cent shall be returned to counties as a whole on a population basis and payment shall be made to the county treasurer who shall remit to the respective cities, townships and villages within the county on a per capita basis. Population computation shall be based on the last statewide federal census for purposes of division among counties and upon the same basis or upon any special federal county-wide census, whichever is later, for intra-county division purposes. All remittances provided shall be made on a quarterly basis. The legislature shall hereafter make annual grants to school districts out of general funds, over and above all constitutional allocations heretofore and herein provided, in at least amounts which bear the same ratio to total state sales tax revenues of the preceding year which the legislative grants in the fiscal year 1945-1946 bore to said revenues of the preceding year.

Proposal No. 3

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION OF CERTAIN STATE OFFICERS

A Joint Resolution of the 1948 Extra Session of the Legislature proposing an amendment to section 21 of article 6 of the state constitution, providing that the compensation of the governor, secretary of state, state treasurer, auditor general, and attorney general be determined by law, and to read as follows:

Sec. 21. The governor, secretary of state, state treasurer, auditor general, and attorney general shall each receive such compensation as shall be prescribed by law which shall be in full for all services performed and expenses incurred during his term of office: Provided, That the same shall not be changed during the term of office for which elected.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 21. The governor and attorney general shall each receive an annual salary of five thousand dollars. The secretary of state, state treasurer, commissioner of the state land office and auditor general shall each receive an annual salary of twenty-five hundred dollars. They shall receive no fees or perquisites whatever for the performance of any duties connected with the offices. It shall not be competent for the legislature to increase the salaries herein provided.

Proposal No. 4

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION AND EXPENSES OF MEMBERS OF THE LEGISLATURE.

A Joint Resolution of the 1948 Extra Session of the Legislature, proposing an amendment to section 9 of article 5 of the state constitution, providing for the determination of the compensation and expenses of members of the legislature by law, and to read as follows:

Sec. 9. The compensation and expenses of the members of the legislature shall be determined by law: Provided, That no change in compensation or expenses shall be effective during the term of office for which the legislature making the change was elected Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 9. The compensation of the members of the legislature shall be three dollars per diem during the term for which they are elected, and they shall receive no further compensation than as specified in this section for service when the legislature is convened in extra session. Members shall be entitled to ten cents per mile and no more for one round trip to each regular and special session of the legislature by the usually traveled route. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Proposal No. 5

AMENDMENT TO THE CONSTITUTION SO AS TO MODIFY THE FIFTEEN-MILL LIMITATION

Initiatory petition to amend section 21 of article 10 of the constitution of the state of Michigan so as to modify the fifteen-mill limitation to permit increase of the limitation for a period of not to exceed twenty years, and to require a majority vote of the electors instead of a two-thirds vote to increase such limitation, said amendment to read as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed twenty years at any one time, to not more than a total of five per cent of the assessed valuation, by a majority vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

Provision of existing constitution altered by such proposal, if adopted, now reads as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed five years at any one time, to not more than a total of five per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

Proposal No. 6

REFERENDUM OF ACT NO. 270 OF PUBLIC ACTS OF 1947, ENTITLED "AN ACT TO REGULATE AND CONTROL THE OPERATION OF FOREIGN AGENCIES ACTING WITHIN THE STATE OF MICHIGAN; AND TO PRESCRIBE PENALTIES FOR VIOLATIONS OF THE PROVISIONS OF THIS ACT."

Petitions for Referendum of Act No. 270 of the Public Acts of 1947, entitled "An act to regulate and control the operation of foreign agencies acting within the state of Michigan; and to prescribe penalties for violations of the provisions of this act."

At a general election to be held on Tuesday, November 2, 1948, the question of calling and holding a convention for the purpose of making a general revision of the constitution pursuant to the provisions of section 4 of article 17 of the constitution, shall be submitted to the electors of the state qualified to vote for members of the legislature.

The ballots, upon which the question of the general revision of the constitution shall be submitted to the qualified electors of the state, shall be separate and distinct from any and all ballots containing the names of nominees for public office or relating to amendments to the constitution, except in the cases of the use of voting machines, and shall be as follows:

"GENERAL REVISION OF THE CONSTITUTION

Shall a convention for the purpose of a general revision of the constitution be held?

Yes ( )

Shall a convention for the purpose of a general revision of the constitution be held?

No ( )."

Local Propositions: None

NOTICE RELATIVE TO OPENING AND CLOSING OF THE POLLS

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Hugh H. Hanna, Township Clerk

NOTICE

Sealed bids for the construction of a

SEWAGE PUMPING STATION
NORTH MAUMEE STREET
TECUMSEH, MICHIGAN

will be received by the Village of Tecumseh, Michigan at the office of the Clerk in the Village office until

12 O'CLOCK, NOON,
EASTERN STANDARD TIME,
MONDAY, OCTOBER 18, 1948

and at that time and place will be publicly opened and read aloud.

The proposed work consists of the construction of a Sewage Pumping Station with necessary Pumping and Screening Equipment, approximately 500 lineal feet of 12 inch sewer with manholes and approximately 540 lineal feet of eight inch Cast Iron Force Main.

The Contract Documents including plans, specifications are on file in the office of the said Clerk and at the office of the Consulting Engineers, Fickbohner, Pettis & Strout, 518 Jefferson Avenue, Toledo, Ohio, copies of which may be obtained by depositing $10.00 with said Consulting Engineers for each set so obtained. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the plans and documents in good condition prior to or at the time of opening of bids.

All bids shall be signed and submitted on the blanks which are in the specifications and shall be secured from the Consulting Engineers. Bids shall state the price for materials and labor separately on the blanks provided therefor, shall be enclosed in sealed envelopes marked "Bid for Sewage Pumping Station", and addressed to the Clerk of the Village of Tecumseh, Michigan.

Each bid must contain the name of every person, firm or corporation interested in the same, and be accompanied by a bond to the satisfaction of said Clerk or a certified check on a solvent bank, in the sum of 5% of the amount of the bid, made payable to the Village of Tecumseh, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

The Village reserves the right to reject any or all bids and to waive any irregularities in bidding.

No bidder may withdraw his bid for a period of 30 days after the scheduled time for the receipt of bids.

By Order of the Council of the Village of Tecumseh, Michigan
Wade L. Jones, Clerk
Sept. 30- Oct.7

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 1st day of October in the year one thousand nine hundred and forty-eight.

Preset, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of CHRISTIAN KURTZ, Deceased.

On reading and filing the petition of Richard F. Roe, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 25th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

(A true copy)
Hazel D. Gregg, Probate Register.
Oct. 21-RFR

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 6th day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LAVERN G. BOYCE, Deceased.

On reading and filing the petition of Richard F. Roe, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the first day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate.

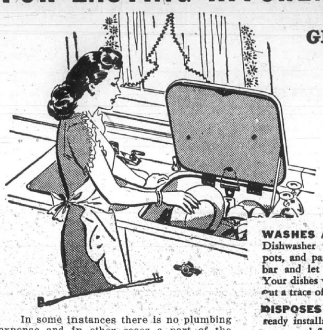
FOR LASTING KITCHEN CONVENIENCE



GENERAL ELECTRIC
Electric Sink
WITH AUTOMATIC DISHWASHER AND DISPOSALL*

WASHES ALL YOUR DISHES — The G-E Automatic Dishwasher washes all your dishes, glassware, silverware, pots, and pans in a few minutes. Simply press the control bar and let the dishwasher do the rest — automatically. Your dishes will be hygienically and sparkling clean — without a trace of grease.

DISPOSES OF GARBAGE — The Disposall, designed for ready installation in the G-E Electric Sink, shreds all food wastes, and flushes it down the drain. You can forget about garbage cans and garbage odors because food waste is disposed of while it is still fresh.

In some instances there is no plumbing expense and in other cases a part of the plumbing expense is assumed by us. See us for information on actual cost of installation.

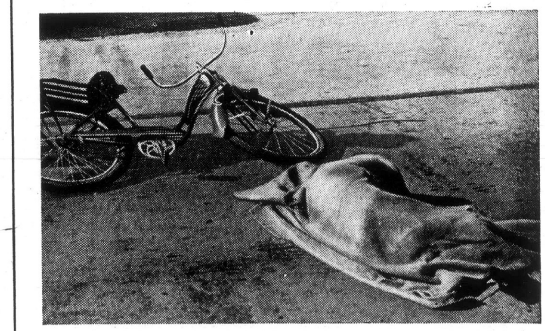
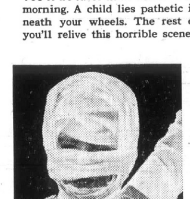
Sometimes you get away with it...but

You drive right by the "School" sign. But you don't slacken your speed. You're in a hurry to get to the office. And this morning you get away with it. But...

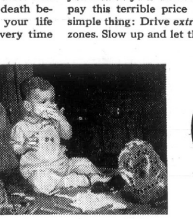
Sometimes You Don't!



You'll be later than usual at the office this morning. A child lies pathetic in death beneath your wheels. The rest of your life you'll relive this horrible scene every time you look at your own child. You need never pay this terrible price if you will do this simple thing: Drive extra carefully in school zones. Slow up and let the children grow up.



Scalds and burns kill and permanently disfigure thousands children each year. So matches out of reach of children. Use the inner burner of your stove for boiling.



Suffocation and poisoning add to the slaughter of the innocents. Consult your doctor about proper bedclothes for infants and keep all poisons locked away where small hands can't reach them.

GREEN CROSS FOR SAFETY

Precaution Needed In Corn Picker Operation

Mechanical corn picking has ended the back-breaking and time consuming farm job of hand harvesting, but even the skill of the mechanical picker requires precautions, points out Louis G. Hall, county agricultural agent.

This year's corn harvest will bring another heavy toll of mangled fingers, hands, arms, and legs, unless safer practices are adopted.

Here are three rules from the National Safety Council that will check these unnecessary mishaps.

1. Stop the picker—the corn picker has hazardous mechanisms exposed to do the job for which it is designed. Power must be turned off before clearing the machine. Also, remember to shut off the power before lubricating or adjusting any part of the machine.

2. Keep guards in place. Manufacturers furnish convenient shields for power take-offs and other exposed hazards that can be guarded. All you have to do is keep them in place.

3. Watch out for fire—practice good housekeeping around your equipment. Keep manifolds and exhausts free from trash accumulations, avoid leaky fuel lines, and never refuel a tractor with the motor running.

These are simple things to do. They are easier than taking a trip to the hospital or paying doctor bills for an injury, Mr. Hall advises.

The reclamation of arid lands was begun in 1902 under the administration of Theodore Roosevelt.

Margaret Chase Smith (R. Me.) is the first woman elected to the Senate without having first served by appointment.

HIT OF THE YEAR!
Have you tried DYNAFLOW?

Do you want to know what the motorwise press has in mind when it talks about "the biggest advance since the self-starter"?

Do you want to know how it feels to command the smoothest flow of power to be found on land, on sea, or in air?

Then settle yourself behind the wheel of a Buick Roadmaster, and try out Dynaflow Drive.*

Here, you will find, is something vastly more than "no clutch" driving.

It's a brand-new way of transmitting the driving force from an engine to the rear wheels — without buck or bobble.

You have a drive that gets completely away from gears which have to shift.

You have a drive that takes you from a standing start — through every speed range — with a steady, willing swoop of power.

You have in Dynaflow a built-in supercharging assembly that combines the smoothness of oil with an instant response to acceleration.

You have, in other words, eager starts, easy-striding climbs, an unfettered pace on the straightaway — controlled by the gentle nudge of your toe on the gas treadle.

Except for parking or backing, there's nothing to do but steer the car, in a whole day's drive.

In ten wonderful minutes, you can check all these facts for yourself.

First step to this great adventure is to give us a call. Then we'll let nature take its course. But we might give you one hint: We'll be glad to book your order, whether or not you have a car to trade.

**You get Dynaflow Drive, at extra cost, on Roadmasters only.*

BUICK alone has all these features

★ DYNAFLOW DRIVE (Roadmaster Series)
★ TAPER-THRU STYLING (Super and Roadmaster)
★ VIBRA-SHIELDED RIDE ★ SAFETY-RIDE RIMS
★ HI-POISED FIREBALL POWER
★ ROAD-RITE BALANCE ★ RIGID TORQUE-TUBE

OLIVER'S

Nation-Wide Store

HOLLOWAY

Mr. and Mrs. B. Dibble received word Wednesday evening of the death of Mrs. Janet Grover, formerly Miss Nettie Pierce of Tecumseh, at her home in Lapeer, Mich. She was 83 years old. She was formerly in business in Tecumseh, owning and operating a millinery store for many years. At one time she was the matron and teacher at the Girs' Training School at Adrian. She lived alone in Lapeer, her husband preceded her in death several years ago. She has several step-sons and friends and relatives to mourn her loss. The funeral was held Friday afternoon in Lapeer.

Mr. and Mrs. Charles Klappich and Mrs. M. Schmidt of Monroe were Sunday evening supper guests of Mr. and Mrs. Bert Klappich.

Mr. and Mrs. Frank Hall entertained Sunday in their home, Mr. and Mrs. Fred Blouch of Wamplers Lake, Mr. and Mrs. Ernest Hazard of Blissfield and Mrs. Edw. Spaulding of Tipton.

Mr. and Mrs. Edward DeGrout and Mr. and Mrs. Harvey Lewis attended the Duane-Boch wedding Saturday evening at Ypsilanti.

Mr. and Mrs. George Lewis and daughter of Willow Run Village spent Sunday at the home of his parents, Mr. and Mrs. Harvey Lewis.

Mr. and Mrs. Edward Mitchell and daughter Mary Margaret attended the birthday party of Mrs. Mitchell's mother, Mrs. E. W. Haynes, which was held Sunday at the home of Mr. and Mrs. Chet Haynes of Lansing.

Mr. and Mrs. Harold Johnston were hosts Sunday evening to 20 supper guests honoring the birthdays of their son Steven, and Karen Mitchell, both of whom were one year old and Edward Ventz. It also marked the wedding anniversary of Mr. and Mrs. Edward Ventz. Ice cream and cake were served and the honored guests received nice gifts.

The South Holloway Extension Club will meet Wednesday morning with Mrs. James Mitchell. A potluck dinner will be served at noon. Meeting and lesson in the afternoon.

Districts 2 and 3 P. T. A. held their first meeting Friday evening at the Holloway school. Election of officers were president, Mrs. Paul Kopke, first vice president, Miss Delores Martolock; secretary and treasurer, Mrs. Bert Klappich. Plans were made for a carnival to be held in November.

—o—

CLINTON

Members of the Band Boosters Club have resumed their monthly meetings and are planning a dance in November. Mrs. Charles O'Neill and Mrs. Ray Newton will arrange for the musicians.

Mrs. Mary Hull was elected worthy matron and Roy Bower worthy patron of the Golden Rod chapter, Order of the Eastern Star, at the annual meeting Thursday evening. Other officers are: associate matron, Mabel Porter; associate patron, Murl Greenfield; conductress, Mrs. Edna Spence; associate conductress, Mrs. Elva Hoelzer; secretary, Mrs. Amanda Feldkamp; treasurer, Mrs. Barbara Bower. The officers will be installed October 20 and initiation ceremonies will be held October 28.

Mrs. Elmer P. Johnston has been returned to her home after spending several weeks at the Howell sanitorium.

Mr. and Mrs. W. H. McMinn visited friends in Detroit, Marine City and Capac the past few days.

The Congregational Philathea class will meet this (Thursday) evening at the home of Inez Halladay. It will be the annual "experience money" meeting.

Mrs. Eva Hindes and brothers John and Hugh Wright of Flint were in Cambridge, Ohio, Friday and Saturday, due to the death of their sister, Mrs. Joy Brown.

Miss Rodie Mallion of Petoskey is visiting her brother, William Mallion, at the home of Mrs. Nettie Canfield.

Friday guests of Mrs. Frank Harrison were Mrs. Leo Fagan of Flint, Mrs. Earl Houghtby of Blissfield and Mr. and Mrs. George Drinkwater of Oregon.

Mr. and Mrs. Lawrence Gunn attended the American Legion and Auxiliary meeting of the second district in Hudson, Sunday.

Dr. and Mrs. F. H. Littell attended the monthly meeting of the Methodist Ministerial Association in Romulus, Monday.

Mrs. Fred Geiger and daughters with Mrs. Byron Rudick of Melvindale and Mrs. Erma Haney of Belleville will leave this evening to spend a few days in Pennsylvania.

—o—

William C. Hayden

UPLAND, INDIANA — William Comfort Hayden, son of Mr. and Mrs. Perry M. Hayden, 512 W. Logan St., Tecumseh, is one of Taylor University's first string football players. He has developed fast since practice began, and his speed and weight will be a big factor in Taylor's tough schedule which includes games with Hillsdale, Canterbury, and Ohio Northern.

Hayden performed well at left halfback position in Taylor's first game with Huntington College and Coach Don Odle is counting on him to provide much of the Trojan's punch during the remainder of the season.

LOCAL KROGER MANAGER ENTERS SALES CONTEST

Harvey Wilson, local Kroger store manager has entered a company-wide sales contest in which an all-expense paid trip to Florida and Cuba for nine days is offered as first prize.

He is competing against 76 other store managers in this area from which two winners will be picked. In all, 50 Kroger store managers and their wives will leave for Florida on January 4, 1949. During their Florida stay, they will visit Marineland, Daytona Beach, Silver Springs, Bok Tower, Cypress Gardens, and will have two days in Miami Beach at the exclusive Vanderbilt hotel.

They will take the S. S. Florida from Miami Beach to Havana on January 10. While in Cuba they will tour Havana and will visit Cuban sugar plantations.

All employees in the winning store will also receive awards. They will have the choice of the following prizes: 12 gauge shotgun, wool blanket, wrist watch, electric toaster, steam iron, waffle iron and sandwich toaster, mantel clock, electric razor, dresser set and three-piece pen and pencil set.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FORTY-EIGHT | TECUMSEH, MICHIGAN, OCTOBER 21, 1948 | FIVE CENTS PER COPY

AN EDITORIAL

Two referendum questions and five proposed constitutional amendments will receive voters attention when they go to the polls in the general election on November 2.

There is an old saying—and it generally holds true—that when a voter is in doubt through, perhaps, a lack of knowledge about any particular question or proposal, he casts a "No" vote. In the forthcoming election, because there has been but little said or printed regarding any of the issues, all of which are important, it is quite likely that all seven of them will be snowed under.

Because we believe that a "No" vote should not be cast in each instance, The Herald takes this opportunity to advise its readers on the issues.

The first proposal, No. 1 on the ballot, would amend the state constitution to establish the order of succession in the event of death of the governor or the governor-elect. In the event of death, succession would pass down to the lieutenant governor and other elected administrative officers.

We believe that the first proposal is sensible and should become law. For that reason, a "Yes" vote should be cast.

The second proposal, No. 2, provides for the repeal of the so-called sales tax diversion amendment, approved two years ago by the electors.

More is being said about this amendment than all of the others combined because schools, cities and townships are vitally interested. They receive large amounts of sales tax money from the state to help pay the cost of operation. Tecumseh schools have benefited directly, as have the township and the village.

Some of the larger cities contend that, under the law, they receive too little of the diversion money while smaller units receive more than they need. In some instances, perhaps, that may be true but, no provision for any aid to any units has been made in the event of the repeal of the amendment.

Until some clearly-defined, long-range planning program for assistance to these units has been drafted, we believe that the law should stand "as is" and that a "No" vote should be cast. To remove, suddenly, the aid that is now being received would, in our opinion, be disastrous.

The third and fourth proposals, No. 3 and No. 4, deal with the fixing of salaries of elected administrative officials and members of the legislature. These salaries are now fixed by the Constitution, but the amendment would permit the legislature to establish them.

The salaries fixed by the Constitution are 50 years old and for that reason are far out of line. We can no longer expect to hire competent men for governor, representative or senator and pay them the going wage in 1900. We believe that the legislature should have the right to establish salaries, and that a "Yes" vote should be cast.

The fifth proposal, No. 5, is a proposed Constitutional amendment to modify the 15-mill tax limitation. It does not propose to remove the limitation but it does provide that it may be temporarily modified for a specific purpose by a simple majority vote. At the present time, a two-thirds majority is needed.

Tecumseh recently had some experience with this law when it approved a bond issue for the building of a new school. School districts contend that it would "ease the strain" for future expansion. In our opinion, there is little danger in the proposal and a "Yes" vote should be cast.

The sixth proposal, No. 6, is a referendum question on the so-called Callahan Act, which would require registration of foreign agents operating in Michigan. We would suggest a "Yes" vote.

The seventh proposal, No. 7, deals with the question of whether or not a convention should be called to consider a general revision of Michigan's Constitution. The state's constitution is about 50 years old. Of course, there have been some amendments, and there probably will be more. We do, believe, however, that a convention at this time is not necessary. We would, therefore, suggest a "No" vote.

Grange Names New Officers

DECIDES TO SPONSOR TOWN HALL, PLANS BOOSTER NIGHT AND DEDICATION

New officers were elected, Booster night planned and it was voted to sponsor this Winter's Town Hall meetings at the regular meeting of the Tecumseh Grange, last Thursday night.

The new officers are: master, Mills Swick; overseer, Hérold Rhorback; lecturer, Marjorie Rohrback; steward, William Grigg; assistant steward, Howard Rhora; chaplain, Mrs. P. G. Ash; treasurer, N. C. McConnell; secrtary, Mrs. William Grigg; gate keeper, Dow Bilby; Ceres, Mrs. Charles Dickerson; Pomona, Madeline Downing; Flora, Mrs. Helen Bale; Lady assistant steward, Mrs. Howard Rhora; executive committee, Charles Patterson.

The dedication of the new Grange hall will be combined with Booster night, Thursday, November 4. Lecturer ClauDyne Swick has prepared a fine program.

Because many members will attend the State Grange at Traverse City next week, the next meeting will be held Friday evening, October 22, at 8 p.m. The committee includes Mr. and Mrs. Charles Patterson, Mr. and Mrs. Jack Snoddy, Mrs. Myrtlene Craig, and Mr. and Mrs. Charles Bigelow. Members are to bring pie and ice cream will be furnished.

Michigan Weather Is Varied In October

It is said that it takes all kinds of people to make a world and, likewise, in October, it takes all kinds of weather to make a Michigan day.

Tuesday was proof of the statement insofar as weather was concerned. Soon after noon the skies darkened, it rained, snowed and hailed—and then the sun shone. It all happened within 30 minutes.

Monday's early morning temperature dropped to 26, said to have been the coldest October 18 reading since 1901.

Motorists, driving about 8 o'clock Sunday evening, reported the first snowflakes. And there were a few more on Tuesday.

$1,000 Damage In House Fire

HOME OF LYLE CUBBERLY MAIDEN LANE, SCENE OF BLAZE SATURDAY EVE.

Loss was estimated at $1,000 when fire damaged an upstairs bedroom at the Lyle Cubberly residence on South Maiden Lane, Saturday evening at 7 o'clock. Tecumseh firemen confined the blaze to the one room.

Shortly before the fire was discovered Mr. Cubberly heard a noise and went to the basement to investigate, finding everything in order. Later, one of the children prepared to retire for the night, opened the door of a closet in the bedroom where the fire occurred, and the flames burst out. The cause of the fire is not known.

Firemen answered a call to The Diner, Sunday at 7:30 p.m., when a grill caught fire. No damage resulted.

BIG BRASS SHINES IN KOREA . . . General of the Army Douglas MacArthur, supreme commander of the Allied forces in the Pacific, is shown reviewing Korean sailors as he arrived at Seoul's Kimpo airport for the proclamation of the American-sponsored republic of Korea. Three years ago Korea was liberated from 45 years of Japanese rule. With MacArthur is Lt. Gen. John R. Hodge, U. S. military commander in Korea. The trip to Korea marked the second time MacArthur has left Japan since the beginning of the occupation. The other instance was a flight to Manila to attend the birth of the Philippine republic.

BEWARE OF THE FELLOW WHO COUGHS, SNEEZES

Hitch-Hiking Virus Blamed For Spread Of Colds

"Michigan's first "cold" wave is here. Avoid the person who sneezes, coughs or has a sore throat as you would poison ivy," Dr. Albert E. Heustis, state health commissioner advised today.

Colds will cause more absenteeism from school, office and industry during the next few months than all other communicable diseases put together. The average Michigan person will have two or three colds before Easter.

Colds usually become widespread about the time cool weather forces people to start heating their homes, schools, office buildings and factories in the fall, and they continue to be prevalent until spring. They decline a bit in December after the first wave has caught most of the susceptibles, and then increase again in the early spring after the short lived immunity of the first

(Continued on Page 4)

Plans Complete For Hallowe'en

PARADE, CIDER AND DONUTS, BONFIRE AND PRIZES PROMISED AT CIVIC PARTY

Next week Saturday night, Hallowe'en in Tecumseh, will be a great night for the youngsters. The spooks will walk, black cats will purr and there'll be fun generally for everybody, the Rev. B. O. Bashore, chairman of the Rotary Club's civic Hallowe'en party, said today.

The celebration this year is being sponsored by Rotary and the Exchange club, the Community Chest, the Chamber of Commerce and the Village Council are cooperating.

"We expect it to be one of the biggest parties in Tecumseh since before the war," the Rev. Mr. Bashore said. "It will get under way about 7 o'clock with a parade of masqueraders, led by the high school band. Prizes for best costumes will be awarded. Then, everybody will go to Elliott Park where there'll be barrels of sweet cider and donuts by the hundreds. There'll also be a bonfire and likely a snake dance."

Oldsters will get some fun cut of the celebration, too. Certain windows of stores in the downtown district will be decorated by art students from the high school and prizes for the best pictures will be awarded.

"Everything is in fun, and the purpose of the party is to cut vandalism in Tecumseh to a minimum," Bashore said. "In previous years, youngsters have cooperated completely and there has been no damage here on Hallowe'en. We believe that they will do it again this year, realizing that a civic party, such as is being staged this year, is very expensive."

GIRL SCOUTS ELECT

Girl Scout troop No. 5 met last Wednesday at the Methodist church and elected the following officers for the first half of the year: president, Mary Pat McCann; vice president and scribe, Betty Barton; secretary, Mary Lou Partridge; treasurer, Sylvia Helserman; patrol leaders, Judy Fairbanks and Meredith Hoffmeister. Mrs. Irene Hay is leader of the troop.

Place Speaks Tonight At P. T. A. Meeting

Earl H. Place, superintendent of schools, will speak on the subject, "Our Schools," at the postponed meeting of the Parent-Teachers Association to be held in the high school gymnasium tonight, October 21.

Mrs. Ray Sluyter, program chairman, has announced the year books are in readiness and will be distributed this evening. Wallace Whiting is assisting with a program of special music and social hour. Mr. and Mrs. Thomas O'Hara will present their plans for boosting the membership of the organization. Parents of the kindergarten and first grade children will serve refreshments.

The second of a series of school dances sponsored by the P. T. A., will be held in the high school gymnasium, Friday evening following the football game with Dexter. All junior and senior high students and Dexter high school students are invited. Mr. and Mrs. Carl Fosbender are the official representatives at these dances and will ask other parents to assist them.

Says It's Nice To Visit Europe, But It Is Much Nicer To Get Home

It is fine to visit England, the British Isles and Europe but the greatest thrill of such a trip is when you return and again set foot on the soil of the United States, Donald Goddard said, Tuesday evening, when he talked to the Rotary Club, following dinner at Brees House. Mr. and Mrs. Goddard left early in the summer to visit relatives in England and returned only two weeks ago.

During their stay abroad, the Goddards visited 10 countries, the most beautiful of which was Switzerland, the speaker said. "That's a great place to go for a vacation," Goddard said. "Everything is beautiful, the people are hospitable, and it is quiet and restful. Even the street cars are noiseless."

On the continent of Europe, the Goddards found critical rationing in many countries, thriving black markets and strange monitary systems. Like in the United States, hotels are crowded, some cafe prices are very high and some foods are delicious.

"It was a fine trip and I enjoyed every minute of it, but, as I told you, the happiest part of it all was when we again set foot on land in New York," Goddard concluded.

CHURCH CLUB MEETS

The Wednesday Night Club of the Presbyterian church met last Tuesday evening at the church. "Get acquainted" games were led by Donald Wilson and Si Kring spoke on "Alcoholics Anonymous" following the business meeting. Refreshments were served to 22 members present. The next meeting will be held Wednesday evening, October 27.

Seek New Bids On High School

NOVEMBER 23RD AT NOON FIXED AS TIME FOR OPENING OF NEW PROPOSALS

Bids for the construction of Tecumseh's proposed new $400,000 high school will be received by the board of education here up to noon, November 23, at which time they will be opened and, it is hoped, a contract awarded for the erection of the structure. The board this week authorized an advertisement for bids on plans completed by Britsch & Munger, Toledo architects.

Initial bids for the construction of the school were received by the board several weeks ago and were rejected when it was found that the lowest "firm" bid by contractors was $806,000, more than double the amount of available cash. Since that time, new plans have been drawn and certain features in the proposed construction have been eliminated. It was said today that the architects feel certain that the new plans will come well within the board's budget.

In the proposed new construction, no provision has been made for a gymnasium and the number of class rooms in the building has been reduced to 18. This number may be increased to 21 if the second floor of the east wing of the building can be completed with cash available. There also were other minor changes in the plans.

"The board has been assured by the architects that there is little doubt but that the proposed new building can be constructed with available funds," Earl Place, superintendent, said.

The school is to built on property owned by the district on North Maumee street, immediately east of the Recreation Center. Whether construction of the building will begin this winter, it was said, will be left to the discretion of the successful bidder.

Tecumseh has available $400,000 for the new building. Of this amount, $180,000 is realized from the sale of bonds, $145,000 is the gift of Tecumseh Products Co., Ray W. Herrick, president, and his associates, and the balance comes from a sinking fund, established two years ago.

Rags, Tatters Party Planned By B. & P. Women

All members of the Tecumseh Business and Professional Woman's Club are requested to attend the meeting at the Baptist church, Monday, October 25, dressed in "rags and tatters" and for those who do not appear in this manner, there will be a kangaroo court.

Mrs. Jessie Sluyter and Mrs. Margaretta Irisbin have arranged for this evening of fun for the annual Hallowe'en party. Dinner will be served at 6:45 and members are asked to bring their pennies and nickels. Mrs. Gladys Spangler has charge of devotions and the hostesses are Elizabeth Chase, Hazel Creger and Beatrice Daykin.

1002 Pairs Shoes Going To Europe

The Exchange Club's campaign for old shoes for Europe met complete success in Tecumseh, Leon Williamson, president of the club, said today.

The four-week campaign ended this week and on Wednesday the shoes were shipped to Detroit from which point they will be sent to Europe.

"We collected 1,002 pairs of shoes," Mr. Williamson said, "and many of them were new or slightly-worn shoes.

We would like to take this opportunity to thank residents here for their fine cooperation."

Chest Budget Totals $5,320

RED FEATHER CAMPAIGN TO BEGIN HERE NEXT THURSDAY, CONTINUE TO NOV. 19

Tecumseh's Red Feather Community Chest Campaign will be launched here next Thursday, October 28, and will continue through Friday, November 19, it was announced today by Geo. H. Adamson, president of the Chest, following a budget meeting, Tuesday evening.

This year's Chest budget totals $5,320, which is slightly higher than last year's receipts. Vance Ogden has been chosen to direct the campaign and organizational work will begin next week.

Sharing in the Chest this year will be the following organizations with budgets fixed by the directors: Tecumseh Hospital Auxiliary, $500; Cancer Society, $350; civic Hallowe'en and Christmas parties for children, $200; Girl Scout Association, $400; Wolverine Council, Boy Scouts of America, $400; Tecumseh Recreation Center, $500; Sister Kenny Foundation, $100, (this amount to be given in the event a separate drive locally is not conducted by the Foundation); Salvation Army, $300; Michigan Welfare League, $10; Travelers Aid, $10; Michigan Aid for Blind, $50; Reserve for emergencies, general welfare and campaign expenses, $2,500.

The Chest was organized here in 1943 and has operated successfully since that time, merging the efforts of all organizations into a single community-wide campaign of giving. Last year's receipts, according to a report by the Rev. Edward Escolme, secretary-treasurer of the organization, amounted to $4,654.

"We are looking forward to a successful campaign this year," Mr. Adamson said, "and we trust that the community will contribute generously to this civic enterprise in which all organizations listed combine their efforts instead of directing separate drives."

Charles C. Reeves, 71, Is Buried In Chicago

Masonic funeral services were held in Chicago Monday afternoon for Charles C. Reeves, aged 71 years, of Handley, Texas, who died Wednesday, October 13, after a short illness. Burial was in the Acacia cemetery in that city.

Surviving are his wife, Rosa A. Reeves of Handley; four daughters, Mrs. Starling Olufs, Dorothy Larson and Mildred Reeves all of Chicago and Mrs. Lucille Schlegel of Tecumseh; four sons, Joseph of Handley, and Charles, Herbert and Bob of Chicago; two sisters, Carrie Freeman of London, Canada and Jane Paupel of Wilmette; two brothers, Frank and Fred of Chicago, 13 grandchildren and several nieces and nephews.

Mr. and Mrs. Schlegel left last Thursday for Chicago and arrived home Monday night.

Mrs. Etta Cadmus, 76, Buried At Ridgeway

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton for Mrs. Etta Cadmus, 76, who died Thursday morning in Foote hospital, Jackson, where she had been a patient for eight days. Burial was in Ridgeway cemetery.

Mrs. Cadmus had lived on a farm northwest of Ridgeway and when her husband, James, died in 1942, she moved to Tecumseh. For the last year she had made her home temporarily in Jackson.

Surviving are one son Lamont A. Cadmus, sr., of Toledo, two grandsons, four great-grandchildren and other relatives.

Will Dedicate School, Sunday

BOYSVILLE, CATHOLIC PROJECT AT MACON, IS NOW THE HOME OF 15 BOYS

Fifteen boys have arrived at Boysville, Catholic school in Macon, and classes have begun with Brother Patrick Cain as director. The formal dedication of Boysville will be held Sunday, October 24, with Edward Cardinal Mooney of Detroit in charge.

The one-time Ford Farms headquarters has been transformed into a small city for homeless boys. Although patterned after Boystown in Nebraska, the school will house, not delinquents, but boys who need a home and possibly financial aid. The construction of the "City" is being financed by the Catholic Archdiocese of Michigan, and the operating expenses will be paid for by the Knights of Columbus of Michigan.

Although there are only 15 boys at Boysville now, eventually it will become a "small city" with a population of 300. The boys and faculty alike are "roughing" it now, but where space heaters now heat the buildings, eventually there will be a central heating plant. Where there are now 80 acres of mud by next summer there should be as many acres of grass. A chapel, to be erected on a knoll at the north end of the campus, will replace the one used now in the building which once housed the Macon fire truck. This same building is used as a residence for the director and chaplain, Fr. Gilbert J. Wenz, and eventually it will be a faculty residence hall.

Other building plans for next spring includes a completely equipped gymnasium of brick construction directly west of the present mill building. An outdoor swimming pool is already available.

All the citizens of Boysville will receive a high school education and those showing aptitudes will be given college preparatory training. All others will learn trades.

Brother Charles Dolan is assistant director and instructor and Brother Alexander Buckley is teaching science and mathematics. History is being taught by Brother Rene Tenhart. The Ford saw mill building is being used to teach shop techniques, the industrial arts instructors being Michael A. Cavalier of Buffalo, New York, and William Dettman of Britton.

Indians Bow To Pittsford

FIRST HOME GAME ENDS IN 6-0 DEFEAT; DEXTER HERE FRIDAY EVENING

(By Gordon Comfort)

The Tecumseh Indians bowed to the powerful Pittsford team in a game played Friday night at Recreation Center, under the lights. The game was climaxed by a long touchdown run by the brilliant Pittsford halfback, John Hummon, who, in the latter part of the fourth quarter, intercepted a Tecumseh pass on his own two yard line and ran the length of the field. This was a hard "first home game" for the Indians, who tied their first two games and won the third with Clinton by a score of 7 to 6.

The first half was anyone's game with Coach Duvall's eleven gaining four first downs to Pittsford's three. Tecumseh threatened once in the first half and even crossed the goal but a five-yard penalty called it back. This drive was started when Tecumseh recovered a Pittsford fumble on the 44 yard line and Jack Whelan made a long run around his own right end from the 44 down to the

(Continued on page four)

Weekly Sound Pictures Sponsored By St. Peter's

A weekly matinee of sound pictures sponsored by St. Peter's church, has been operating for four weeks. Beginning, Saturday, October 23, all children of Tecumseh between the ages of 5 and 14 will be welcome to attend the show at four p.m., in St. Peter's Youth Center.

The program, under the direction of the Rev. Allan L. Ramsay and Thomas J. Tonnesberger, includes a cartoon, a serial depicting the adventures of two Boy Scouts in the jungles of Central America, and a feature picture of action and interest to the children.

THE GREAT DIFFERENCE

Even socialism, it seems, must imitate capitalism on occasion.

In England, a number of the socialized coal mines—those which are losing the most money—are to be closed, and their labor and equipment is to be shifted to mines which have a better financial record. Before this can be done, however, the government must make surveys and plans, in the fashion of bureaucrats the world over, and so mines which lose as much as $28 on each ton of coal produced will continue in business for some time.

Commenting on that, one of this country's principal business newspapers said that it looks like those who are most hostile to private enterprise are acting like benighted capitalists themselves. However, it went on, "There is one difference between the capitalist and the government. When the capitalist no longer made a profit, he did not call in a board of statisticians and get up a blueprint; he just quit and saved such portions of his hide as he could . . . Unlike the government, he had no authority to tax all the people in the country to continue to subsidize his operations while he made a retreat which would be orderly and face-saving."

Look at the American coal mines by contrast. Private enterprise has built them to a point of efficiency where each miner can get out several times as much coal each day, and with less labor, than his English counterpart. As a result, the American miner gets a wage which would seem actually unbelievable anywhere else. If a mine operator loses money, it is tough luck. Under this system, our coal production has been sufficient for our great needs, with a margin left over for export to other countries—and experts say it can be further stepped up if required. Things are certainly different in the socialist paradises, where everything is in short supply.

WAR DADS URGE NAVY TO REVISE MILITARY LAW

BUFFALO, N. Y.—The American War Dads have called on Congress for a law changing the United States Navy's courts martial policies "so that better justice will be administered to all concerned."

In a resolution passed as the unit closed its sixth national convention, the War Dads said the navy's "code of discipline had not been changed since the days of John Paul Jones."

In other resolutions the War Dads asked Attorney General Tom Clark to prosecute persons or groups advocating overthrow of the government, backed universal military training, demanded that Congress appropriate $300,000,000 to the states for educational purposes, and called for United States action to conclude peace treaties as soon as possible with Germany and Japan.

The average Russian works 107 hours for a pair of shoes. The average American, seven hours.

HOLLOWAY

Holloway Presbyterian Church
James Letcher, Acting Pastor
Morning worship at 10:30. Sermon: "Transforming Faith." Special music. Sunday school at 11:30, Lyle Calhoun, superintendent. Youth Service at 7:30, Spaghetti supper will be served to the youth group at 7:45 with devotional service and special music following.

Recent visitors in the home of Mr. and Mrs. Edward DeGroot were Mr. and Mrs. Warren LaRue of Perrysburg, Ohio, Mr. and Mrs. Levi Oren of Muncie, Ind., Mr. and Mrs. William Mennell and son George and Mr. and Mrs. George Marshall of Dearborn.

Mrs. Amiel Wellnitz returned home Monday from Salina, Kansas where she visited friends and relatives for the past two weeks.

Mr. and Mrs. Harold Richardson have named their infant daughter born October 6 at Tecumseh, Janice Gayle. Mrs. Richardson is the daughter of Mr. and Mrs. Elmer Harper of Holloway.

Miss Patricia McWilliams left Friday for Fort Wayne, Ind., where she met her friend, Miss Gladys Smith. They both left for Los Angeles on Saturday. Miss McWilliams has been spending the last three weeks at the home of her parents, Mr. and Mrs. Melvin McWilliams.

Mr. and Mrs. Glenn Bellneir of Inkster spent the week end as the guests of Mr. and Mrs. John Marine. Other guests in the Marine home were Mrs. Lydia Mitchell and daughter Ramona of Adrian who spent the last of the week.

Mr. and Mrs. Clark Sinclair entertained Mr. and Mrs. S. J. Forsyth of Detroit this last weekend.

Mrs. Ken Kopke and Mrs. Elwyn Green and children spent the last of the week with Mr. and Mrs. Joe Glenn and family of Wayne. Saturday, Mr. Kopke and Mr. Green were also guests in the Glenn home. The birthdays of Donna Jean and Jerry Glenn were celebrated.

Mr. and Mrs. Raymond Kahle and children spent Sunday with Mr. and Mrs. John Buehrer of Chesterfield, Ohio.

Mr. and Mrs. Lyle Schneerer of Muskegon spent the weekend visiting his father, Mr. Oliver Schneerer.

Miss Janet Gallaway of Ford Hospital, Detroit, spent the week end with her parents, Mr. and Mrs. Lawrence Gallaway.

The October Birthday Club met for their annual meeting at the home of Mr. and Mrs. Leslie Calhoun on Sunday with a co-operative dinner at one. Election of officers for the coming year were president, Harold Johnston, vice president, Matt Lunn; secretary-treasurer, Mrs. Lawrence Williams, and historian, Mrs. Edward Mitchell. An interesting program was held with Mrs. Lawrence Williams as director. Dinner was served to 50 guests from Detroit, Brooklyn, Clinton, Adrian and Holloway. The place of the meeting next year will be announced at a later date.

The P. T. A. of District 9 will meet Thursday evening at the school. This meeting was postponed from last week due to the Teacher's Institute.

The Ladies Aid of the Holloway Presbyterian church will meet Thursday afternoon with Mrs Leslie Calhoun instead of Mrs. Telen Jewett as announced. Devotions will be given by Mrs. Ralph Reinhart, leader, Mrs. Clark Sinclair. Mrs. Calhoun will be assisted by Miss Zora Kerr, Misses Ella and Maude Rainey, Mrs. Ellen Schwab, Mrs. Carl Gritzmaker and Mrs. John Calhoun.

Mrs. Clara Meyers and Miss Mabel Rogers of Detroit and Mrs. Sanny Stewart of Lansing are spending a few days visiting Mrs. Ida Rogers and Mr. and Mrs. Myrlen Fairbanks.

Mr. and Mrs. I. W. Calhoun of Detroit spent Sunday visiting relatives around Holloway.

Mr. and Mrs. Alton Wellnitz accompanied by Mr. and Mrs. Solon Daniels of Whiteford Center spent the last of the week as the guests of Mr. and Mrs. Harold Knoblough of Washington, D. C. They expect to return Monday evening.

PERMANENT . . . Mrs. Martha Jane Thompson of Valencia, Pa., who recently turned 100, is convinced that a woman should try to look her best at any age. So she got a permanent wave. She says she is opposed to shawls.

Sam Brand says—

DOESN'T take a mind reader to figure out what most folks are thinkin' about these days. Just take a walk through the shop. All you hear is, "How many hits did soandso get?" "How'd they make out yesterday?"

Take it from ol' Sam, it's baseball they're talkin' about. And I bet the same thing's goin' on in shops like ours all over the commity . . . everybody talkin' bunts and battin' averages.

Speaking of baseball and averages, ever stop and think about the high "battin' average" a brand manufacturer's got to have to stay in business? Yes sir, anybody who sells anything has got to make a "hit" with *all* his customers every day of the year. That is, if he means to stay in business very long.

That's why manufacturers of famous brand name goods work hard to keep the quality of their products up to snuff, spend lots of time and money developin' new things or betterin' the old ones. They've got to. For unless they keep pleasin' folks with solid "hits," sure as shootin', they'll wind up on the bench, quicker'n you can say "STRIKE THREE."

Hitch-Hiking

(Continued from page 1)

llege has worn off.

Colds are caused, not by changes in the weather, but by a filtrable virus, a germ so small that it flies from the mouth of an infected person when he speaks and hitches rides on particles of dust in the air.

The cold virus attacks the mucous membranes of the nose and throat, especially those dried out in overheated rooms. The virus irritates the membranes which secrete an additional supply of mucous in an attempt to get rid of the irritant. This results in "sniffles," early symptom of a cold. Sneezing and coughing, and other involuntary efforts to get rid of the irritant, throw out myriad small droplets of mucous filled with the cold virus. These get on hands, handkerchief, pencils, telephones and other articles, and some of them float about on particles of dust in the air.

When the throat and nose are sufficiently irritated and especially if the person is tired, run-down or chilled, other germs may attack in the wake of the cold virus. The thin watery secretion of the cold-infected nose becomes yellow with pus and complications develop. Then still other germs are spread by coughs and sneezes, and the cold hangs on and on. Complications of a cold may include mastoid, sinus, ear or tonsil infections, as well as pneumonia or influenza. Many other ailments follow readily in the path of a cold.

The person with the first sign of a cold should go to bed. Your doctor can give pills or shots to help ward off secondary invaders, and prevent complications.

"When a cold-infected person cannot go to bed, he has a definite obligation to protect others from his illness," Dr. Heustis said. "He should cover his nose and mouth with disposable tissue when he coughs or sneezes, and carefully dispose of all discharges from his nose and throat. He should stand far enough away from others that he will not spray them with his cold virus."

Ten precautions which the Michigan Department of Health feels will help to cut the number of serious colds this winter follow:

1. Stay away from the person who has a cold and stay out of crowded places during cold epidemics.
2. Try not to get over-heated or chilled.
3. Avoid sitting in dried out, smoke, chemical or dust-laden air.
4. Dress according to the weather and according to the temperature in which you must work.
5. Get plenty of sleep. Avoid fatigue. Rest when you are tired.
6. Eat regular, well-balanced meals and drink plenty of water. Wash your hands before eating or handling food.
7. Avoid articles which have been sprayed with cold germs or handled by people who have colds.
8. Get some outdoor exercise each day. Let sunshine into your home, office, school or factory.
9. Go to bed at the first sign of a cold.
10. Call your doctor if the signs persist. Follow his advice. Avoid self-medication.

Indians Bow

(Continued From Page 1)

21. One pass from Gillin to Cameron placed the ball on the 8 yard line and another short pass to Cameron was completed in the end zone. A streak of bad luck stopped this though. Namely, the penalty that nullified Cameron's touchdown and then a fumble which Pittsford recovered on their own 30 yard line.

The fourth quarter saw a little more excitement than the third. The Indians made their way to their opponents five yard line where Martin lost the ball to the Pittsford eleven. Two plays later Tecumseh again had the ball by intercepting a pass which made it a first down on the 15. Then it happened—Halfback Hummon intercepted an Indian pass on the two yard line and found himself with excellent interference that did it's job well. He broke into the open and ran 98 yards down the east side of the field to score the only Pittsford touchdown. There was no extra point, as the kick was bad. The remaining part of the quarter the Indians failed to make any substantial gain, and at the end of the game had lost their first home effort of the season by a score of 6 to 0.

The Indians will clash with Dexter, tomorrow night at Recreation Center, under the lights. Next week Friday, October 29, the league-leading Morenci Bulldogs will travel here to meet Tecumseh.

REBEKAHS INITIATE

The Tecumseh Rebekah Lodge held its regular meeting Friday evening with Noble Grand, Mary Furgason, presiding. The Degree Staff initiated a class of four candidates. Plans were completed for the supper and bazaar to be held in the K. of P. hall, October 29, after which refreshments were served by Mrs. Martha Nye and her committee. Guests were present from the Blissfield and Britton lodges.

GUILD TO MEET

The Methodist Guild will meet at the home of Mrs. Owen Partridge, 103 North VanBuren, Tuesday, October 26. Mrs. Ledah Beal will be in charge of the program.

Church Program On Air, Friday

ANOTHER EPISCOPAL PROGRAM TO BE BROADCAST FROM CKLW, DETROIT

Next Friday evening at 8 o'clock Eastern Standard Time, Miss Celeste Holm, motion picture academy award winner, and Walter Abel, will be heard over station CKLW in the famous Broadway success "Dark Victory."

This is the fourth radio presentation of "Great Scenes from Great Plays" sponsored by the Episcopal families of Tecumseh.

Miss Holm's starring role in "Gentlemen's Agreement not only won the much coveted award but also thousands of enthusiastic supporters in every state in the Union.

Her portrayal of Judith Traherne in "Dark Victory" enables her to rise to new dramatic heights.

Walter Able as "Dr. Steele," the great surgeon with human sympathy for all mankind, gives her every opportunity to display her dynamic artistry.

How a woman conquers a great and abiding inward fear through love is the fundamental theme of "Dark Victory."

The great lesson dramatized in this play is that love can always conquer fear— a principle demonstrated by millions of sincere Christians throughout the world who know how the love of God brings them greater peace and security—helps them rise above the myriad fears and uncertainties of our modern world.

That's why the Christian Church is doing so much to relieve the tensions born of fear—tensions between nations as well as in individuals. That's why so many are discovering how much more between nations as well as in are when they make the teachings of the Church the foundation of their entire existence.

British Halt Razing Of Air Raid Shelters

LONDON—Britain has stopped general demolition of its wartime air raid shelters.

A Home Office spokesman said that except for shelters which have been condemned as dangerous, all of these refuges from air attack will be left standing for the time being.

No general instruction has been issued, the Home Office said, but suspension notices have been sent to "certain areas." The spokesman said no more detailed information was available.

No statistics were available on the number of shelters still in good condition. Thousands — chiefly surface shelters erected in busy city streets and parks — have been destroyed. Most of the big underground shelters are still available.

NAMED SECRETARY

Doris Bilby was elected secretary of the Baptist Youth Fellowship Lenawee County Association at the annual meeting held at Monroe, Monday evening. Some 161 young people from the county were in attendance. Miss Bilby is president of the local group. 12 attended the meeting from here.

PAST MATRONS CLUB

The Past Matrons Club will hold its annual meeting at the home of Mrs. Olive Hendershot, West Chicago Blvd., Wednesday, October 27. A potluck supper will be served at 7 p.m.

'First Free State' Had Slaves in Early Days

Slavery once existed in pioneer Iowa, despite the fact that Iowa generaly has been referred to as the "first free state in the Louisiana purchase." When the first white men settled in Iowa, a few brought slaves with them, according to the State Historical Society of Iowa.

Although the Missouri Compromise had prohibited slavery north of Missouri, the frontiersmen paid scant attention to such legal technicalities. Thus, Isaac R. Campbell, living on the present site of the city of Keokuk in 1834, owned a slave named John who, it was said, was saving money to buy his freedom. Col. Stephen W. Kearny, who came to Fort Des Moines near the mouth of the Des Moines in 1834, had a mulatto slave woman as a family servant. She left Iowa with the Kearny family, still a slave. Dred Scott squatted on Scott county land for his master, Dr. John Emerson, while the latter served as an army surgeon at Fort Armstrong.

When the Methodists at Dubuque built the first church in Iowa in 1834, three "colored" residents, said to be slaves, contributed a total of one dollar to the historic log cabin edifice. Josiah Smart purchased two Missouri female slaves to act as servants at his Indian agency home on the Des Moines. The census of 1840 showed 176 free colored persons and 16 slaves in the Territory of Iowa.

Rain Made to Order or Stopped When Desired

Making it rain to order and stop when enough is "delivered" has been demonstrated experimentally at Odessa university as well as at a number of other Soviet scientific institutions.

Precipitation from clouds by use of calcium chloride has been repeatedly caused on open fields as well as on a small laboratory scale. V. Celeste Holm, head of the special laboratory at Odessa university, states. A plane, flying over a cloud bank, scatters pulverized calcium chloride, which in several minutes makes it rain.

It has long been known that calcium chloride causes precipitation from fog, but the phenomenon was given little practical attention. The American physicist Humphreys considered that 12 or 15 pounds of the substance were needed to cause the precipitation of a quart of water from a fog. Fedoseyev and his coworkers have proven that for every unit of weight of calcium chloride used, 357 units of moisture may be precipitated.

The supply of calcium chloride is almost incalculable. Millions of tons are thrown away by chemical plants as a waste product. Experiments were first conducted in Turkmenia, where aircraft dusted clouds with it. Large cloud banks were crisscrossed in all directions as well as cut in half by the planes dusting the atmosphere with the powder, which in every case caused a precipitation of moisture.

Insulate for Comfort

Economical and comfortable heating in winter and, to some extent, keeping the house cool in summer depend largely on retarding the flow of heat between the inside and the outside of the building. Insulating the house to keep the heat in also helps to prevent the entrance of heat from the sun through the roof and walls in hot weather. As long as there is a difference in temperature between the inside and the outside of the house, there is a flow of heat from the warm side to the cooler side. To determine the amount of heat lost in winter, and to decide what steps should be taken to restrict it, the loss through windows and doors, the loss through infiltration and the loss through walls, roofs and floors must be considered to reduce the loss through each.

Mount Lassen Volcanic

One of the greatest fields of former volcanic activity in the world lies in the northwestern corner of the United States; its lavas cover a quarter of a million square miles and include large areas of Washington and Oregon and portions of California, Nevada, Idaho, Montana and Wyoming. Most of this great region now blooms with forest and prairie. The origin of its soil foundations is apparent only to the eye of the geologist except where the ice-clad cones of monster volcanoes rise from the Cascade range, where Lassen peak still vomits smoke and steam and where remnants of twisted lava emerge, as on Mount Washburn, above the forest of Yellowstone.

Launder Your Paper

A new paper is now available having softness, whiteness and high tear strength that can be laundered as cloth, boiled in soapy water and ironed in a mangle. In its original form it was used during wartime for making maps. It is said to be similar to blueprint paper, which, however, is coated linen. The new paper has been greatly softened since the war and should now be usable for bed sheets and pillow cases, as well as for garbage-disposal bags, cartons and wrappings for frozen foods, paper twine, rug backing as well as magazine covers and special circulars and for many other purposes.

"Our Town" Program Is Enjoyed By Wit, Wisdom

"Our Town" was the theme of the program when the Tecumseh Wit and Wisdom Club met Monday evening at the home of Mr. and Mrs. Mel Partridge with Mr. and Mrs. Fred Sheldon assisting. During the business meeting it was voted to assist financially with the adult education program.

After the group singing led by Faye VanValkenburg, Mrs. Sheldon presented Rev. Alvin Brazee who spoke in his amusing manner on "the Brownville I knew as a boy." Other interesting talks enjoyed by the group were given by Mrs. Leon VanValkenburg, who reminisced on the schools in the community; Mrs. Glenn VanDenbergh told of the churches, and Wilfred Waldron, who spoke of the industries. The program closed with a poem entitled, "On The Road To Long Ago."

Refreshments were served by the hosts and hostesses and a social time was enjoyed.

BAZAAR AND DINNER

Plans for the annual bazaar and dinner have been completed by the organizations of St. Peter's church. The affair will be held on November 11 and will include a public dinner, served from 5:30 to 7:30 in the parish house. The regular sale of bazaar articles and baked goods plus a carnival, offering side shows, cartoons and trick photography, will be held in the Youth Center.

G. O. P. HEADQUARTERS

The Republican Headquarters, located in the Ford building, is open daily Monday through Saturday from 1 to 5 p.m., until November 2. Those wishing absentee voters ballots should call 555 or 269. Pictures, buttons and literature are available at the headquarters.

Past Chiefs To Attend Meeting In Chelsea

The Past Chiefs Club of the Pythian Sisters met at the home of Mrs. Ida Allison, Friday, October 15, with Miss Nellie Wilson assisting. Mrs. Allison's two daughters, Mrs. Frank Cosgray and Mrs. Milford Osburn were guests for the evening.

A short business session was held at which time plans were made for the Past Chiefs to attend the Minnie Mix Past Chiefs meeting at Chelsea, October 28. For reservations Mrs. Alfred Beckman should be called before Monday, October 25. The Past Chiefs will fill the chairs in the Pythian Temple the evening of October 27.

Games were played and prizes awarded to Mrs. Rose Schreder, Mrs. Ervie Raymond and Mrs. Lynn Hubbard. The guest prize was won by Mrs. Frank Cosgray. Lunch was served.

Mrs. Edwin Swift will entertain the group at the next meeting with Mrs. Si Kring as assisting hostess.

INSTALLATION SERVICE

A semi-public installation service will be held by the Tecumseh chapter, Order of the Eastern Star, this (Thursday) evening at 8 p.m.

Faith and patience are great assets and wonderful helps when you need them.

The empty honors that the world bestows do not carry beyond the grave.

GIRL SCOUT MEETING

All Girl Scout leaders, co-leaders and committee women will meet at the high school tomorrow evening, October 22, at 8 o'clock. Mrs. William Towniley, area consultant, will be present to discuss any problems the women may have concerning the Girl Scout work.

CARD OF THANKS

I wish to thank my friends for the beautiful cards and flowers and the Ladies Aid for the box of fruit, which I received during my stay in the hospital. My special thanks to pastor Fred Cesler for his comforting words and visits.

Mrs. Harry Willert

CARD OF THANKS

The Willis Porter family wish to thank their relatives, neighbors and friends for their kindness and help of any kind given to them at the time of their recent bereavement. Also for the beautiful floral offerings, the food, those who offered cars, the Reverends MacNaughton and Brubaker for their consoling words and Mr. Collins for his thoughtfulness. All was deeply appreciated.

CARD OF THANKS

We wish to extend our sincere thanks to the Tecumseh fire department, friends and neighbors for the assistance rendered at the time of the fire at our home.

Mr. and Mrs. Lyle Cubberly and family

LOCALS AND PERSONALS

Carol Spangler has been returned to the home of her parents, Mr. and Mrs. Grenval Spangler, after being a patient in St. Joseph's hospital in Ann Arbor for several weeks with a broken leg. Carol will be confined to bed for a month.

Mr. and Mrs. Percy Bowen and guests Mr. and Mrs. D. B. Finch were at East Lansing, Sunday, to visit the former's daughters Louise and Dorothy Bowen.

Mr. and Mrs. Dale Hoag and two sons of Saginaw spent from Thursday to Sunday at the home of her parents, Mr. and Mrs. Fred Sheldon.

Sunday dinner guests of Mr. and Mrs. Grenval Spangler and family were Mr. and Mrs. Harold Ranger and daughter Barbara of Morenci. Out-of-town callers in the same home Sunday afternoon were Mr. and Mrs. Elwood Spangler, sr., and Mr. and Mrs. Elwood Spangler, jr., and daughter Shirley Ann of Toledo and Mrs. Kenneth Frost and children of Macon.

Perry Hayden was in Grand Rapids Monday night to speak at the Prohibition Rally there. He left yesterday for Washington, D. C., where he will remain until Saturday and on Sunday will speak at the First Presbyterian church in Fremont, Ohio.

Mr. and Mrs. D. B. Finch of Charleston, West Virginia, are the guests of her brother and wife, Mr. and Mrs. Percy Bowen.

Mr. and Mrs. Marion C. Hufford of Frankfurt, Indiana, are visiting at the home of their daughter and family, Mr. and Mrs. W. J. Bruce and son, for a few days.

Mr. and Mrs. Dow Bilby and family were Sunday dinner guests of his sister, Mrs. Rena Bailey of Onsted. In the afternoon they attended the Golden Wedding of Mr. and Mrs. Arthur Onsted at the home of their son, Mr. and Mrs. Elwyn Onsted.

Mr. and Mrs. Donald Beevers and son spent the weekend at the home of her parents, Mr. and Mrs. J. E. Powell at Tekonsha.

Mr. and Mrs. W. J. Bruce and their guests, Mr. and Mrs. Marion C. Hufford attended the Dewey Homecoming in Owosso, Saturday.

Mrs. M. O. Lipp was called to Conover, Wisconsin, Wednesday night, to be with her sister, Mrs. Carl Nelson, who underwent an emergency operation. Mrs. Lipp expects to be gone about a month.

Weekend guests of Mr. and Mrs. Glenn VanDenbergh were their daughters, Margaret VanDenbergh of Grand Rapids and Mr. and Mrs. Walter Sauer of Plymouth. Betty Bishop of Alma College will spend this weekend at the same home.

Mr. and Mrs. Elmer Spreeman and son were recent guests of her parents, Mr. and Mrs. Guy McGill in Hudson.

Mr. and Mrs. Fred Willertz and family of East Detroit were week end guests at the George Schumm home.

Sunday guests of Mr. and Mrs. Elmer Spreeman and son were Mrs. Arno Spreeman and two daughters of Deerfield.

Mr. and Mrs. Chester Bashore of Baltimore, Maryland, arrived at the home of Mr. and Mrs. B. O. Bashore to spend a few days.

Albert Tonneberger surprised his wife, Tuesday evening, with dinner all prepared when she returned from her school duties in Onsted, the occasion being her birthday anniversary. Mr. and Mrs. John Becker were additional guests and later all attended the theatre.

Mr. and Mrs. John Kopka entertained 22 guests Monday evening in honor of their son, Pfc. John Kopka, who arrived home Sunday from Texas where he completed his basic training with the air force. He will leave Sunday for Williams Field, Chandler, Arizona, where he will receive training as a jet mechanic. Among the guests were Mr. and Mrs. Jay Kleinert who have been visiting here from Arizona and they will return home Sunday. Phillip Gee of Dundee is planning to return with them. Mr. Gee is the father of Mrs. Kleinert and Mrs. Kopka.

Harvey Hindes spent Monday in Reading on business.

Mr. and Mrs. Lloyd Hendershott of Muncie, Ind., were guests of his cousins, Mr. and Mrs. Ernest Robinson, over the weekend. Mr. Hendershott lived on a farm northeast of Tecumseh when he was a boy.

Mary Manchester, daughter of Mr. and Mrs. Robert Manchester, and David Holden, son of Mr. and Mrs. Laine Holden, underwent tonsillotomies at Tecumseh hospital last week.

Mr. and Mrs. W. J. Ingersoll of Oak Park, Illinois, have been visiting his sister, Miss Edith Ingersoll for several days.

Joseph Rohweder, Ned Baldwin, R. H. Moore, Clarence Gilman, C. M. Brown, Dr. M. R. Blanden, C. O. Butler and Frank Smith are on a two-weeks hunting trip in New York State.

Musical Evangelists To Hold Service Here

Rev. and Mrs. Clarence Betts, musical evangelists, will be at the Tecumseh Baptist church, Wednesday, October 27.

The evangelists, who will bring the gospel message in music, are well-known for their truckload of varied musical instruments, which they play during the service. The instruments include Hawaiian guitar, sleigh bells, piano accordian, vibraharp, cowbells, mandolin, and marimba besides their vocal music.

The program will begin at 8 o'clock. A free-will offering will be taken. The public is invited to attend.

Preceding the service a family potluck supper will be held for members of the congregation at 6:30 p.m.

—o—

Club Women Hear Talk On International Affairs

Mrs. Philip Gentile of the Detroit Extension Service of the University of Michigan gave an interesting and instructive talk on international affairs when she addressed the Tecumseh Monday Club, October 16, at the home of Mrs. Earl Wood. Mrs. Guy Pocklington, program leader, introduced Mrs. Gentile. The assisting hostesses were Mrs. Fay Whelan, Mrs. Glenn VanDenbergh and Mrs. William Mitchell.

Mrs. Donald Goddard, president, opened the business meeting with a brief welcome. It was voted to give $5 to Town Hall. Announcement was made of the convention of the Southeastern District Association of Women's Clubs to be held in Ann Arbor, October 21 and 22. Mrs. E. J. Aebersold and Mrs. Earl Wood are the delegates. It was also announced that the concerts sponsored by the Adrian Woman's Club will be $6.00 for the winter season.

Mrs. R. S. Moore will be the hostess for the November 1 meeting at which Jean Walton and her musicians from Adrian College will present the musical program.

TO REPAIR WINDOWS IN BAPTIST CHURCH

Mrs. Carl Kempf entertained the Baptist Junior League at her home on North Union St., Tuesday evening. Mrs. Lyle Grigg was the assisting hostess.

During the business session it was voted to give money to various causes including the recovering of the cushions in the church and repairing of the church windows. Another rummage sale was planned for the near future, the proceeds of which will also go for the renovation of the cushions.

A playlet was presented by Mrs. Clair Beland, Mrs. Charles Williamson, Mrs. Llewellyn Sisson, Mrs. Dow Bilby and Mrs. B. O. Bashore, Mrs. Charles Beland led in devotions. In conclusion refreshments were served by the hostesses.

—o—

PYTHIANS MEET

The regular meeting of the Pythian Sisters was held in the K. of P. hall, last week Wednesday, with Most Excellent Chief, Mrs. Clark Vincent presiding. During the business meeting it was announced that the chairs would be filled by the Past Chiefs at the next meeting October 27 and the vacation gifts will be sold at that time. The district deputy, Mrs. Henry Kempf, was presented with a gift from the Temple. In conclusion lunch was served by the October committee.

If you were the President of A&P...

What would you do to make your A&P a better place to shop?

Have you ever said to yourself, "If I were the President of A&P, I know what I'd do"? I think there are many A&P customers who would like the opportunity to express themselves on the subject of their A&P. I really believe that from your side of the counter, you know A&P best. That's why I ask your opinion.

You can help to make your A&P an even better place to do all your food buying by sending me your suggestions . . . criticisms . . . opinions. For instance, what about our service? Is it as courteous and helpful as you would like it to be? Is it prompt and efficient, too? Do you always find all items plainly and correctly price-tagged—as they should be? What in your opinion are we doing that we could do even better? Or what are we not doing that you feel we should do?

I INVITE YOU TO WRITE AND TELL ME HOW YOUR A&P MAY SERVE YOU BETTER

We of A&P want to make our stores the finest places of all in which to shop. That is why your suggestions, criticisms and opinions will be gratefully received and acknowledged. You see there are 100,000 employees of A&P from coast to coast jealously guarding the A&P reputation for courteous, honest, and efficient service. They never want to fail you in any way, but if they do, I am sure that they, as well as I, would appreciate your writing me.

Feel Free To Allow The Children To Shop Here

We've never been too busy to wait on the children who come to our store . . . and daily there are dozens of them who shop with us for their mothers.

We realize that mothers find it convenient to have their children stop at our store for the groceries on their way home from school. We welcome this trade.

For generations — several of them — this store has rendered this service to its customers. And, many of the fathers and grandfathers, and grandmothers, too, who now shop here, first shopped with us as "children."

Don't hesitate . . . if its more convenient to have the children stop . . . we're glad to have them.

Textile Worker Off To College

RHODES SCHOLARSHIP SENDS KNOWLEDGE-HUNGRY MAN TO OXFORD

SPARTANBURG, S. C.—It's been pretty tough at times for John Quitman Hill, once a textile worker, but he's headed for Oxford University now.

The greatest adventure yet in his long quest for knowledge began when John, and his little family sailed on the Queen Mary for England, October 1. The South Carolina farm boy who weathered childhood illnesses and adolescent money shortages now is a Rhodes scholar.

The onetime textile mill mechanic won the scholarship last winter in competition with 18 college graduates from the Carolinas, Georgia, Virginia, and Tennessee.

John a farm boy, was 11 before he could enter school. He finished a seven-grade rural school, was graduated from high school, then went to work in the Lyman plant of the Pacific cotton mills near here.

He worked the "second trick," an eight hour shift that ended at 11 p.m. That schedule permitted him to enroll at Spartanburg Junior college. Then he won a scholarship to Wofford College here, where he studied a year before being called into military service in World War II.

He came back to Wofford after his discharge from the Marine Corps, and was graduated in 1947. He became a part-time instructor in math and experimental physics at Wofford, all the while holding down a full-time night job in Pacific mills.

Mr. Hill, a retiring chap, had little to say after he won the Rhodes scholarship, but he did promise his admirers he'd "keep on working hard and do my best."

As the Hill family left for New York to embark for Southampton they had one regret. "Butch," their dog had to be left behind.

"But we're going to send for him," assured nine-year-old Linda Dawn, the Hill's only child.

At Oxford, Mr. Hill will live at St. Peter's Hall and his wife and daughter will live in a nearby town. His scholarship stipend will be $2,000 a year, considerably less than he's been making.

But his friends here tell you: "Don't you worry about John; he'll get along."

WHO CASTS THE FIRST STONE . . . For a study in the brutalized emotions that can grip men who are caught in the surge of mob action, take a look at this picture of some young French aviation workers in the middle of a big riot in Paris. They are posing defiantly with hands filled with stones and chunks of broken concrete which they hurled at police during the recent riot of the members of the nationalized aviation industry in the French capital. Several persons, including police, were injured in the clash which was touched off when the workers staged a mass demonstration outside the industry's headquarters.

BANKRUPT RAILROAD SAVED AS STRIKERS RESUME JOBS

AUGUSTA, GA. — The long-bankrupt Georgia-Florida Railroad was saved from possible oblivion by an agreement here between striking employees and management.

Members of three nonoperating brotherhoods, who walked out a week ago, agreed to return to work immediately. They thus stayed off a threat by Federal Judge Frank M. Scarlett to scrap the 408-mile line.

The man who said 'one half of the world does not know how the other half lives'—never was on a rural phone line.

BRITTON

The Women's Fellowship of the Jackson association of Congregational Christian churches held at Chelsea last Wednesday was attended by Mrs. Walter Exelby, Mrs. Glen Gripton, Mrs. George Forsythe, Mrs. Raynor Benedict, Mrs. Gerald Hallauer and Mrs. G. L. Gripton.

The L. and M. County Line Extension Club met Wednesday at the home of Mrs. Chester Brown with a potluck dinner served at noon. The lesson on "Modernizing Lamps" was given by the leaders, Mrs. Howard Heiden and Mrs. Henry Heiden during the afternoon.

Mr. and Mrs. Edward Rudel, Marvin and Donald of Lincoln Park spent Monday with Mr. and Mrs. Valden Bidle and called at the Arthur Carothers home.

The first quarterly conference of the Britton Methodist church will be held in the local church, October 26, at 7:30. The district superintendent, Dr. Fitch will preside.

Mr. and Mrs. LaVern Russell, Mr. and Mrs. Lawrence Hoagland, Mrs. Alice Hamilton, and Mrs. Myrtle Taylor attended the Grand chapter sessions of the Order of the Eastern Star held last Thursday at Grand Rapids.

Sunday guests of Mr. and Mrs. Ernest Palmer were Mr. and Mrs. Paul Palmer of Toledo.

Mrs. Lilly French was moved from the Earl Smith home to her own home in Tecumseh last week. Her daughter, Mrs. Clarence Larson is caring for her. Mrs. Tucker's condition is about the same.

Mr. and Mrs. Edward Kanous and children were in Roseville Sunday as guests of Mr. and Mrs. Carl Brablec.

Mr. and Mrs. Fred Rnora returned home Saturday evening from an overnight stay at Rev. and Mrs. Will Smith's at Whittemore, Mich.

The Methodist Youth group will meet with the Rea youth group at the Rea Methodist church next Sunday evening.

The Dundee Council of church women is sponsoring pack-a-towel outfits for boys and girls of teen age in the displaced persons camp in Europe. Womens groups of the Christian and Methodist churches are asked to bring them to World Community Day meeting November 5 at Azalia church or send them with local delegates. Directions for packing them are found in the September church women's magazine.

Our idea of a 'model husband' is one who thinks his wife's headache is as important as his own rheumatism.

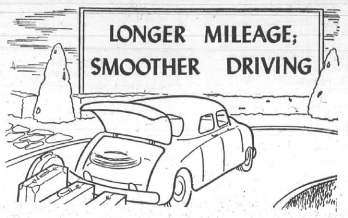
NAVAJO INDIANS ARE TOPIC FOR DISCUSSION

"Navajo Indians" was the topic for discussion at the Presbyterian Woman's Association meeting at the church, last week Wednesday evening. Mrs. Howard Truesdale was in charge and Mrs. S. W. Boyce described the health habits of the Navajos. Mrs. Richard Moiles described their religion and Miss Mary Whitelock described their education. Mrs. Dwight Hodges displayed some Indian blankets and other articles, after which pictures were shown of the Presbyterian hospital which is the Navajos only contact with the outside world. Concluding the program Miss Jeanette Ehringer played a piano solo.

Plans were made for the members who attended the Presbyterial in Lansing yesterday. Assisting Mrs. Lee Purkey with the refreshments were Mrs. John Hall, Mrs. Ned Baldwin, Mrs. Neville Hart, Mrs. James Hartsell, Mrs. Charles Kemp and Mrs. Carl Stevens.

SCOUTS MEET

The Sunflower Troop of the Tecumseh Girl Scouts met last week Wednesday at the Methodist church at which time the following officers were elected: president, Wilma Bumpus; vice president and scribe, Donna Mason; secretary, Betty Bird; treasurer, Betty Day.



Yes, you get longer wear and increased mileage from your car — when you let us service it regularly! Our skilled mechanics use the most modern equipment and put your car in tiptop shape in no time at all . . . at a very moderate charge. Why not drive over and see us today? You'll enjoy smoother, safer, more economical driving tomorrow — and all winter long!

HARVEST TIME...Dr. Leonard H. Newman, famed Canadian cerealist, has retired as the power behind the thrones of wheat kings. He developed many important rust-resistant varieties of wheat and a new principle for milling flour to vitaminize bread.

TO MEET MONDAY

All Den mothers and Pack Council members of the Cub Scouts will meet at the Baptist church, Monday evening, October 25, to discuss the program for this year.

Go To Church On Sunday

Rebekah At The Well

"Behold, I stand here at the well of water: and let it come to pass that the damsel to whom I shall say, 'Let down thy pitcher, I pray thee, that I may drink;" and she shall say, 'Drink, and I will give thy camels drink also;' let the same be she that thou hast appointed for thy servant Isaac; . . . And Isaac brought Rebekah into his mother's tent and she became his wife." (Genesis 24:12,25-20 abridged.)

The servant of Abraham took Rebekah to be the wife of Isaac, son of Abraham. Their marriage started out happily but met misunderstanding at the birth of the twins Esau and Jacob.

Your church helps you see the way to happy living through understanding and companionship in the home. Attend the church of your choice regularly to let yourself and others know the importance of strong family ties for strong and better nations.

Tax Amendment Defeat Likely

SCHOOLS, CITIES AND TOWNSHIPS PLAN FOR DEFEAT OF AMENDMENT NO. 2

By Gene Alleman
(Special to The Herald)

LANSING—Ho, hum! That old sales tax amendment is back on the ballot.

School teachers, city employees and township officials want to keep the diversion amendment in the constitution. They are campaigning vigorously to roll up a big "No" vote. Teachers and city employees have a direct pocketbook interest in the outcome, for the amendment would keep a steady flow of sales tax dollars coming back to school and city treasuries.

Contrasted to this, the taxpayer is yet to be convinced that school, city and state government needs cannot be adequately financed out of present taxes. Price inflation is yet running strong, and the cry of state officials that the "wolf" was at the door (a deficit in the Lansing kitty) has been repeatedly contradicted by new all-time highs in collection of taxes. The latest estimate puts the 1948 sales tax aggregate in the neighborhood of $200,000,000—just $5,000,000, more than state experts thought the state could possibly collect.

Early in 1947 Governor Sigler asked the state legislature to place the issue of amendment repeal on the 1948 general ballot. Later the governor changed his mind, convinced that only a whopping deficit in the state treasury could turn the tide of public opinion. He then advocated the calling of a constitutional convention plus other reforms designed to "streamline" state government. While the legislature did not remove the repeal proposal from the 1948 ballot, it did add the substitute call for revision of the entire state constitution.

The situation thereby has developed where state officials do not expect a majority of voters to vote "Yes" on the repeal amendment—No. 2 on the special ballot. Three groups are campaigning for a "No": School teachers, city employees and township officials. No organized drive is in sight to get out a "Yes" vote.

Even former Lieutenant Governor Vernon J. Brown concedes that an "overwhelming negative vote can be expected."

Brown feels that the "cities of the state have suffered long at the hands of a legislature made up largely of members from rural sections." He continues, "Year after year and session after session city mayors, councilmen and managers; public works engineers and superintendents; controllers and treasurers; and citizens of cities where adequate city services were impossible to provide from the property tax alone, sought help in Lansing. Consistently they were turned aside and sent home empty-handed. They were even denied the authority to levy excise taxes to help out in meeting the costs of essential services within the cities. None can complain too bitterly that once they got their 'mad up' these city folks dipped too deeply into state funds. Neither can the school teachers be condemned for helping themselves."

It is admittedly difficult to explain bookkeeping matters to the average citizen. This is especially true about the state treasury's "surplus". Funds ear-marked for future expenditure become a part of the cash balance in the treasury. When the legislature wound up its 1948 affairs, there was a difference of $35.3 millions between anticipated 1948-49 revenues (July 1, 1948 to July 1, 1949) and the legislature's 1948-49 appropriations.

However, the state had $23 million surplus—(now you have it and now you don't!)—left over from previous years.

Auditor General Murl K. Aten has reported an additional balance of $10.6 million at the end of the 1947-48 revenue-expenditure period.

And so, as long as inflation keeps booming and taxes keep mounting, everything may appear to be rosy at Lansing. When deflation sets in, trouble is inevitable. But that is "tomorrow" and why worry about fixing the roof as long as it isn't raining?

Steer Clear of Athlete's Foot During Open Season

Every day is open season on human beings for trichophytons, although the spread is more rapid during warm weather. Trichophytons is the medical name of the infection we usually call "athlete's foot." Public showers, locker rooms, gymnasiums, swimming pools, all these places are perfect breeding grounds for the ailment that seems to hit every other person in hot weather.

The germ of athlete's foot is a microscopic fungus, which grows in dark, moist and warm places. The fungus must have moisture to live—and does very nicely on perspiration. Of the 40 different species of ringworm, only two develop into athlete's foot, but given plenty of moisture and warmth, they can equal a plague.

To avoid athlete's foot, therefore:

1. Keep feet dry at all times. Daily use of powder will help.
2. Change your shoes every day. If you have only two pair, alternate.
3. Change socks daily, oftener if necessary.
4. Be certain to wear shoes with leather soles, whose microscopic pores allow evaporation of heat and perspiration.
5. Avoid excessive friction on hot pavements by choosing shoes designed to give a maximum of flexible walking comfort.
6. Don't go barefoot, indoors or out.

Portable Laboratory Used To Test Milk at Source

A modern laboratory on wheels is providing scientific tests for Wisconsin's milk supply right out in the field where the milk is produced.

The mobile laboratory is operated by the Wisconsin state department of agriculture.

When the mobile laboratory comes into a community, samples of milk and cream will be picked up by department dairy inspectors, and sediment and methylene blue tests made. Each sample will be given direct microscopic examination to identify the type of bacteria and to determine whether the milk has been produced under proper sanitary conditions. Pasteurized milk will be tested to determine whether or not the pasteurization has been proper and complete.

Samples of milk from each farm supplying the market will be checked and the inspectors will follow up the tests by farm visits where they will suggest ways to correct improper production methods.

Work of the laboratory staff will not be limited to scientific tests. In addition to visits to the producing farms, conferences will be held with plant operators and city and health officials. The truck is equipped with two projectors for showing strip films and demonstrations will be conducted. At these demonstrations microscopic material will be shown and discussed.

Brucellosis Food Loss

The annual food loss in milk, butter, beef, veal and pork from brucellosis reaches a staggering total in calories of the kind most needed by an underfed world, according to American Medical association. Brucellosis, commonly known as undulant fever or Malta fever, is one of the most prevalent diseases today and a source of potential danger to the national health. Goats, cows and hogs harbor the infection and man contracts it by drinking raw milk or handling infectious material. The total number of cases reported in the United States has averaged about 4,000 yearly for the past several years. Pasteurization of all dairy products must remain the greatest bulwark against human infection until methods of control can be perfected.

Good Looking Floors

The condition and materials of the floors of the house have much bearing on the appearance and comfort of the house and on the ease of housekeeping. Rough or warped floors with wide cracks between the boards are difficult to keep clean. They are hard to sweep or mop, the finish wears off rapidly on the high spots and dirt works up from the wide cracks. A smooth, well-finished floor is not only easier to clean but its appearance is better at all times. Many of the older houses have floors of wide, native white-pine boards. This makes a good-looking floor if sanded smooth and finished. White pine is soft and is likely to be marred by nails in shoes or by furniture being moved on it.

Just a Little Mink

It is the nastiest tempered little animal in the United States, the mink that makes possible many $5,000 fur coats. The animal is probably the most resourceful hunter of the weasel family, resembling an English polecat in size with a very disagreeable smell. Its color varies from light shades of brown to a rich, glossy dark brown. If left alone and not bred for color, in succeeding generations they would gradually change in color to dark brown entirely. The mink is a natural hunter, sleeping only when he is too tired to move. With short legs and long, supple body, the mink maintains such speed that few pursuers can catch him, and hardly any of the pursued escape.

Tularemia Should Be Guarded Against, State Health Department Advises

Rabbit Hunters Given Warning

The wild rabbit hunter, and his frau who heaps a platter full of delicious meat browned to a turn, or serves up a wild game potpie or mincemeat should give a thought now to the danger of tularemia, according to Michigan Public Health, monthly bulletin of the Michigan Department of Health.

Some Michigan wild rabbits have tularemia, a disease of rodents, which is easily transmitted to man when he handles, dresses or cooks the game. The disease in man is extremely painful, dangerous and difficult to treat and sometimes fatal, the bulletin said.

Twenty-seven cases of tularemia have been reported in Michigan during the past two years, all but one of them during the hunting season. Two cases have been reported already this year.

Humans usually get tularemia from handling or eating the carcass of an infected wild rabbit. Domestic rabbits are almost entirely free of the disease. The organism of the disease can be carried by rabbit ticks, wood ticks and certain other biting flies and may be transmitted to humans by them. The germ is so small that it can get into the body through unbroken skin on the hands or face or it may enter through the eyes, mucous membranes or intestinal tract. Man usually gets sick three or four days after he gets the organism in his system, but the illness may not appear until eleven or twelve days after.

The illness begins with chills, fever, body pains and nausea. A sore usually appears where the germ entered the body and the nearby lymph glands become swollen. These glands become extremely painful and often are abscessed and have to be opened. They may continue to discharge for weeks. This condition is usually accompanied by fever and may confine the patient to bed for weeks or months. While this is the usual type of the disease, a large infecting dose of the organism may cause a high sustained fever and prostration. This type of the disease often causes death and at best requires long convalescence.

Precautions which all those handling, cleaning or cooking game should observe are these:

1. Always wear rubber gloves when dressing wild rabbits. Be careful that a sharp bone does not pierce the glove.
2. Do not handle wild rabbits that are found dead.
3. Shoot only rabbits which are running; slow or sluggish rabbits are likely to be infected with tularemia.
4. Cook wild rabbits thoroughly so that no red meat or red blood remains. Thorough cooking of the meat destroys the germs.
5. Play safe! Destroy all rabbits whose internal organs are studded with small white spots; they may have tularemia.
6. Guard against the bites of flies and ticks.

This information on tularemia, along with information on hunting hazards, autumn fire prevention, the state-wide child safety campaign, social hygiene and other health topics is contained in the October issue of Michigan Public Health. Subscription to the monthly bulletin may be had without charge by writing to the Michigan Department of Health, Lansing 4, Michigan.

MODERN VERSION OF 'THE GLEANERS' . . . With no coal allotted for domestic purposes as a result of the Russian blockade, fuel is precious in beleaguered Berlin. This picture shows Berliners recovering coal which has spilled out of trucks leaving the coal yard at Templhof air base for power plants in the area controlled by Allied governments other than Russia. Coal and thousands of tons of food now are arriving in Berlin via the U. S. army air shuttle. Berlin residents have gathered at mass meetings to protest Russian attempts to use starvation tactics as a lever to pry political concessions from the United States, Great Britain and France.

COMMANDER . . . Gen. Jonathan Wainwright, commander of American troops at Bataan and subsequently a prisoner of the Japanese during the war, was elected national commander of the Disabled American Veterans at the annual convention in New York.

CHURCHILL AND 'IKE' CONTRIBUTE PAINTINGS

NEW YORK—Gen. Dwight D. Eisenhower and Britain's Winston Churchill, colleagues in prosecuting the war in Europe, have teamed up again — in an operation far afield from battles.

The two wartime leaders are contributing oil paintings, by themselves, for exhibition in aid of the Urban League service fund.

When the show opened Sept. 27 at the Associated American Artists galleries, places of honor were occupied by an oil painting made expressly for the occasion by General Eisenhower and a landscape by Mr. Churchill.

In a letter that accompanied his contribution, General Eisenhower said:

"While I, it must be obvious, have painted the picture myself, it is nevertheless a copy of one painted by an artist named Henry C. Balink."

Mr. Churchill, a well-known amateur artist, was represented by a canvas entitled "View of the City of Marrakech."

The National budget for 1880 was $338,865,031. For 1947, $40,823,734,061.

"Look Out When It's Dark Out," Traffic Hint

"Look out when it's dark out!" This warning by the Chamber of Commerce is the slogan of a traffic safety program this month emphasizing the hazards of driving and walking after dark.

"Darkness triples your chances of a fatal accident," A. W. Porter, chairman of the Chamber's Safety Committee, said today. "That is, for every mile of motor travel three times as many fatal accidents occur in the hours of darkness as in daylight, according to the National Safety Council.

"And of all fatal traffic accidents, three out of five occur at night," he said.

"The causes of an increase in traffic accidents after dark seem pretty obvious, but people seem to ignore them. You turn on the lights in your house when night falls — so let's turn a little light on the causes of night traffic accidents and try to cut down the night toll of deaths and injuries."

Here are some of the reasons why more traffic accidents occur at night, according to Mr. Porter:

1. Motorists cannot see as far nor as well as in daylight.
2. More drivers and more pedestrians may have been drinking.
3. Drivers at night — and pedestrians, too — are more likely to be tired. Fatigue reduces alertness and ability to react quickly.
4. Speeds considered safe in daylight may be too fast for safety at night.
5. Pedestrians too often do not realize they cannot be seen.

—o—

YES, IT'S HAPPENED

After being out of order for over a year, the south door of the Tecumseh post office has been repaired. It is now possible to go in one door and leave by the other.

In behalf of the regular patrons of the building, The Herald extends congratulations.

COUNCIL PROCEEDINGS

Village of Tecumseh
Council Building
October 4, 1948

Present: President Watkins.
Trustees Ousterhout, McCombs, Beach, Mensing, Driscoll, Porter.
Absent: None.

The following ordinance was offered for adoption by Trustee McCombs.

An Ordinance to regulate, control and license the sale, storage, delivery, and distribution of food, both wholesale and retail, within the Village of Tecumseh, and to provide for the inspection of groceries, meat markets, stalls, shops, stores, storehouses, cold storage plants, or where fish, oysters, birds, fowl, vegetables, fruits, milk, ices, beverages, meat, meat food products, baked goods, or any other provision or food, intended for consumption by human beings, is manufactured, held, kept, stored, or offered for sale, disposition, or other distribution as food for human beings; providing for the licensing and fees therefor; and providing for penalties for violations thereof.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. The following definition shall apply for the purpose and within the meaning of this ordinance.

(a) A grocery is a food establishment where staple articles of food commonly called groceries are handled for sale or delivered.

(b) A meat market is a food establishment where meats and their by-products are handled for sale or delivery.

(c) A bakery is a food establishment where bread, baked goods, pastries, etc., are prepared for sale or delivery.

(d) A confectionery store is a food establishment where ice cream, carbonated beverages, candy, pop-corn, and the like are sold or are prepared for sale or delivery.

(e) A fish market is a food establishment where fish are handled for sale or delivery.

(f) A beverage manufacturing plant is a food establishment where carbonated beverages and other soft drinks are prepared and bottled for sale or delivery.

(g) A fruit and vegetable market is a food establishment where fruits and vegetables are handled for sale or delivery.

(h) A food manufacturing establishment shall be taken to include all food establishments where food is prepared, cooked, canned, packed or in any way converted from the state or form in which it was received.

(i) A wholesale food merchant shall be taken to mean any person, firm or corporation selling food or beverages of any kind intended for human consumption, to another person, firm or corporation for the purpose of resale.

SECTION 2. The following shall be and are hereby designated as the minimum building and equipment requirements for food establishments which are operating in or selling food in the Village of Tecumseh.

Building and Equipment requirements applying to all food and beverage establishments:

1. Smooth and easily cleaned walls, ceilings and floors.

2. Walls and ceilings painted with a light-colored gloss paint at least once each year or otherwise redecorated or cleaned in a manner satisfactory to the Health Officer.

3. Adequate toilet facilities as required in Section 9 of this ordinance, conveniently located in connection with the establishment.

4. Suitable lavatory or sink in addition to dishwashing sink, located in or near the toilet room and an adequate supply of soap and paper or individual linen towels.

5. Running water of suitable quality for drinking purposes.

6. Adequate ventilation by windows, transoms, flues, or exhaust fans as may be approved by the Health Officer.

7. Adequate natural or artificial lighting.

8. Screening on all outside openings of buildings between May 1 and October 1. All screen doors to swing outward and be equipped with self-closing devices. Provided electric fans may be used in place of screening if it is possible to keep the establishment free of flies by such means.

9. All equipment including counters, cases, tables, refrigerators, blocks, stoves, ventilating hoods, fans, steam tables, meat grinders, beaters, dish washing and sterilizing equipment, pots and pots, pans and kettles and all other food establishment equipment shall be such that they will meet the approval of the Health Officer.

10. Sufficient number of 20 gallon galvanized cans with tight fitting metal lids to hold all garbage, tin cans, papers and other refuse. Such cans shall be free from leaks and shall be thoroughly cleaned and scalded each time they are emptied.

11. All garbage shall be kept separate from glass, tin cans, paper or other refuse.

12. That there be no connection between living or sleeping rooms or food establishment rooms.

Additional minimum building and equipment requirements for various kinds of food establishments as specified below:

1. Meat Markets

(a) All meat grinders, slicers, etc., must be of a type that the grinding unit and working parts may be easily removed to facilitate cleaning.

(b) Adequate refrigeration boxes, cases, etc., to keep all fresh meats at a temperature of 50 degrees F. or less at all times; all refrigerator boxes shall be provided with accurate thermometers and all walk-in boxes shall have an electric light installed in the box.

2. Milk

(a) Adequate refrigeration to keep milk at a temperature of 50 degrees F. or below at all times. All refrigerator boxes shall be provided with accurate thermometers.

SECTION 3. That every person, firm, or corporation who is an owner or manager, keeps, maintains, or operates a food establishment in the Village of Tecumseh shall keep the same in a clean, sanitary and healthful condition at all times.

SECTION 4. That it shall be unlawful for either the owner or proprietor of any firm or corporation maintaining, conducting or managing any food establishment in the Village of Tecumseh to suffer, permit, or allow any employee, officer, or other employed therein or thereabout in the handling of any food product intended for human consumption to be or remain in an unsanitary, filthy, or dirty condition either as to person or clothing while so employed or engaged in the handling of such products intended for human consumption.

SECTION 5. That is shall be unlawful to sell, expose for sale, or have for other disposition any prepared food for human consumption, or any cheese, candy, bread, cakes, figs, dates, prunes, raisins, mincemeat, fresh or smoked meats, fish, or other food, except fruits and vegetables in broken packages, unless the same shall be kept or stored in closed glass cases or other suitable containers and protected from dirt, flies, insects and dogs, cats, rats, and mice and other contaminating materials.

SECTION 6. That it shall be unlawful to sell, expose for sale, to dispose of, or deliver any sugar, honey, pickles, olives, sauerkraut, jelly, peanut butter, apple sauce, lard, bread, baked goods, or any like products intended for human consumption, unless the receptacles in which such product is contained shall be dust proof and kept covered.

SECTION 7. That it shall be unlawful to sell or offer for sale any contaminated, adulterated, or unfit food intended for human consumption or any food which has been exposed to dust, flies, contamination by the public, vermin or other contaminating material in violation of the terms of this ordinance.

SECTION 8. That it shall be unlawful to cause, permit or suffer any decayed food or meat or vegetable matter of any kind to remain in any receptacle, ice box or other compartment wherein any fruits, meats, vegetables or other food intended for human consumption is kept for sale or other disposition.

SECTION 9. That it shall be unlawful to operate, maintain or conduct any food establishment in the Village of Tecumseh unless the person so owning, conducting, managing or operating such business shall provide or cause to be provided a sanitary toilet which shall be located in a separate room partitioned off from the rest of the establishment by a tight partition with a tight-fitting self-closing door and shall have an electric light in each toilet room, and such room shall be ventilated directly to the outside air by means of a window or other form of ventilator approved by the Board of Health; provided that where both sexes are employed, separate toilets shall be provided for each sex, except where all of the people who work in the establishment are members of one family.

SECTION 10. That it shall be unlawful for any person, firm or corporation to operate, maintain or conduct any business where food intended for human consumption is prepared, manufactured, canned, or sold, or otherwise disposed of unless there shall be provided in such building a room or rooms with ample supply of running water and soap and a suitable lavatory and individual paper or linen towels, and unless the operative clerks and employees, and all persons who handle material from which food is prepared, or handle the finished product, shall be required to keep themselves and their persons and clothing in a thoroughly clean condition.

SECTION XI. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. After the effective date of this ordinance no operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employer shall file with the Village Clerk such certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION 12. That it shall be unlawful to use any machinery or utensils in and about the preparation or handling of food or beverages intended for human consumption, unless the same shall be thoroughly cleaned and sterilized daily and shall be maintained in a sanitary condition and properly covered and protected while not in use, provided that meat grinding units shall be kept under refrigeration except when actually being used.

SECTION 13. Licenses

(a) Licenses. No establishment shall engage in the sale, manufacture, delivery, or distribution of food in the Village of Tecumseh without first the owner or operator having obtained a license.

Every such establishment shall make application to the Village Clerk for such license in writing upon blanks to be furnished by such Village Clerk and pay a fee of Ten Dollars ($10.00) therefor. Licenses shall expire at midnight on the following May 1st. Application for renewal of all licenses shall be duly made at least 30 days before the Commencement of the license year. Only establishments who have complied with the requirements of this ordinance shall be entitled to receive and retain such license. Licenses may be suspended by the enforcing officer upon the violation by the holder of the provisions of this ordinance, and may be revoked by the enforcing officer when it is found after hearing that the holder of the license has failed to conform with the provisions of this ordinance.

(b) License Fees. The Village Clery is hereby empowered upon the payment of the proper fees to grant licenses to any person, firm or corporation, presenting applications approved by the enforcing officer and Village Council. The fee for each such license shall be established by resolution of the Village Council and may be from time to time changed by resolution of the Village Council.

Penalty for Violation. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall upon conviction thereof before a Court of competent jurisdiction be punished by a fine not exceeding One Hundred Dollars ($100.00) or by imprisonment in the County jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the Court.

SECTION 15. Ordinance Declared Severable. The sentences, sections, and provisions of this ordinance are declared to be severable, and any portion which is declared unconstitutional or invalid for any reason by a court of competent jurisdiction shall in no way affect the remaining sentences, sections or provisions of this ordinance.

SECTION 16. Repealing Clause. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 17. Effective Date. This ordinance is ordered to take effect November 5, 1948.

Marvin Watkins,
President
Wade L. Jones,
Village Clerk

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

The following ordinance was offered for adoption by Trustee McCombs.

AN ORDINANCE TO REGULATE, ESTABLISH STANDARDS OF SANITATION AND LICENSE RESTAURANTS AND OTHER EATING HOUSES WITHIN THE VILLAGE OF TECUMSEH.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION I. DEFINITIONS; The following definitions shall apply to the interpretation of this Ordinance.

A. RESTAURANT. The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, luncheonette, tavern, bar, root beer stands, sandwich stands, soda fountain, dairy bar, and all other public eating and drinking establishments, and messes as kitchens in which food and drinks are prepared for sale elsewhere to the public.

B. UTENSILS. "Utensils" shall include any kitchenware, tableware, glassware, cutlery, utensils, containers or other equipment with which food or drink comes in contact during storage, preparation, or serving.

C. OPERATOR. The term "Operator" shall include every person, firm or corporation conducting the business of a restaurant, as herein defined, whether or not he is the owner of the premises on which the business is conducted.

D. The term "employee" shall mean any person who handles food or drink during the preparation or serving, or who comes in contact with any eating or cooking utensils or who is employed at any time in a room in which food or drink is prepared or served.

E. HEALTH OFFICER. The term "health officer" shall mean the health officer of the Village of Tecumseh or his authorized representative.

F. PERSON. The word "person" shall mean person, firm, corporation or association.

SECTION II. APPLICATION. Application for restaurant license shall be in writing by the operator of the restaurant or agents on forms to be provided by the Village Clerk, which forms shall provide the name and location of the restaurant, the owner of the premises, the operator of the restaurant and the manager or other agent if other than the owner or operator. The applicant shall agree to comply with all rules and regulations of this Ordinance and to allow the health officer to enter and inspect the restaurant and everything connected therewith at any time desired.

SECTION III. ISSUANCE OF LICENSES. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh until the requirements of this Ordinance have been complied with and the application shall have been approved by the health officer. The approved application shall be presented to the Village Clerk and upon payment of Ten Dollars ($10.00), the Clerk may issue a restaurant license. Each license shall bear the date of expiration, shall be issued only to and in the name of the operator of the restaurant, shall be non-transferable, and for the purpose of this Ordinance, shall be conclusive evidence of the ownership and operation of the business. Such license, together with the inspection card, shall at all times be posted in a conspicuous place in the licensee's restaurant.

SECTION IV. TERMINATION, SUSPENSION AND REVOCATION OF LICENSES. Every restaurant license shall terminate on the last day of April following the date of issuance. Whenever in the opinion of the health officer it becomes necessary for the protection of the public health and welfare, any restaurant license may be suspended temporarily for a maximum period of ten (10) days by the health officer. Every license may be revoked after an insanitary notice has been given to the operator, and after an opportunity for a hearing before the Board of Health if and when established upon the violation by the holder of any of the provisions of this Ordinance. Written notice of the time and place of such hearing and a copy of the charges preferred shall be served upon the licensee at least five (5) days before the hearing, unless such licensee consents in writing to an earlier hearing. Findings of fact made by the Village Council, or said Board, at such hearing shall be final and conclusive. Upon revocation of a restaurant license by the Village Council, or said Board, for any cause whatever, all rights of the licensee thereunder shall forthwith be terminated and no new license shall be approved until a new application has been approved and fees paid as required for a new license.

SECTION V. REINSTATEMENT OF LICENSE. Any restaurant the license of which has been revoked may at any time make application for the reinstatement of the license. With, in ten (10) days after the receipt of satisfactory application accompanied by a statement signed by the applicant to the effect that the violated item or items of the specifications have been conformed with, the health officer shall make a reinspection and thereafter as many additional reinspections as he may deem necessary to assure himself that the applicant is again complying with the requirements hereof, and in case the findings indicate compliance, shall reinstate the license.

SECTION VI. EXAMINATION AND CONDEMNATION OF UNWHOLESOME, ADULTERATED OR MISBRANDED FOOD OR DRINK. Sample of food or drink may be taken and examined by the health officer as often as may be necessary for the detection of unwholesomeness, adulteration or misbranding. The health officer may condemn, or forbid the sale of, denature, remove and destroy any food or drink which is unwholesome, adulterated and misbranded.

SECTION VII. BASEMENTS. No cellar, basement or room wholly or partly underground shall be used as a restaurant unless the floor, ceiling and walls shall be constructed of tile, cement, or other material impervious to dampness or water unless such room or rooms of basement or cellar be provided with openings to outer air and with proper ventilation.

SECTION VIII. VIOLATIONS. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh unless it conforms with the requirements of this Ordinance. When any operator of a restaurant violates any of the items or sections of this Ordinance, the health officer is authorized to issue a violation ticket.

Penalties in connection with violation tickets shall be as follows:

The first ticket for each violation, $5.00.

The second ticket for the same violation within one year, $10.00.

The third ticket for the same violation within one year, $15.00.

After an insanitary notice has been served on the operator for any insanitary condition existing in or about the restaurant or any section of this ordinance that has not been complied with, the restaurant may be closed temporarily to allow time for compliance with the Ordinance.

SECTION IX. INSPECTION OF RESTAURANTS. At least once every six (6) months the health officer shall inspect every restaurant located within the Village of Tecumseh. The sanitation of all restaurants shall be based on a system of grading wherein all restaurants receiving a rating of at least 90% or more shall be awarded Grade A, all restaurants receiving a rating of at least 80% and less than 90% shall be awarded Grade B, and all restaurants receiving a rating of at least 70% and less and 80% shall be awarded Grade C. No restaurant receiving a rating of less than 70%, or Grade C, shall operate. The rating and grading of restaurants shall be based upon the standards of construction and operation contained in section ten (X) hereof.

SECTION X. SANITATION REQUIREMENTS FOR RESTAURANTS.

All restaurants shall comply with all of the following items of sanitation.

Item 1. CONSTRUCTION, FLOORS. The floors of all rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, and shall be smooth, and shall be kept clean and in good repair. Kitchen floors shall be impervious to water.

Item 2. WALLS AND CEILINGS. Walls and ceilings of all rooms in which food and drink is stored, prepared or served, shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is stored or prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash and spray.

Item 3. WINDOWS AND DOORS. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing, unless other effective means are provided to prevent the entrance of flies.

Item 4. LIGHTING. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. VENTILATION. All rooms in which food or drink is stored, prepared or served, or in which utensils are washed, shall be well ventilated.

Item 6. TOILET FACILITIES. Every restaurant shall be provided with adequate and conveniently located toilet and lavatory facilities for its employees and patrons. In restaurants hereinafter constructed, toilet and lavatory rooms shall not open directly in to any room in which food, drink, or utensils are handled or stored. The doors of all toilet rooms shall be self-closing. Toilet rooms shall be kept in a clean condition, in good repair, and be well lighted and ventilated.

ITEM 7. WATER SUPPLY. The water supply shall be easily accessible to all rooms in which food is prepared or utensils are washed, and shall be adequate and of a safe and sanitary quality.

ITEM 8. LAVATORY FACILITIES. Adequate and convenient hand-washing facilities shall be provided, including warm water, soap, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first thoroughly washing his hands.

ITEM 9. CONSTRUCTION OF UTENSILS. EQUIPMENT. All multi-use utensils and all show or display cases, windows, counters, shelves, tables, refrigerators and equipment, sinks, and other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and shall be kept in good repair and condition.

ITEM 10. CLEANING AND BACTERIAL TREATMENT OF UTENSILS AND EQUIPMENT. All equipment, including display cases, windows, counters, shelves, tables, refrigerators, stoves, hoods and sinks, shall be kept clean and free from dirt, refuse, insects and other contaminating material. All cloths used by waiters, chefs and other employees shall be clean. Single-service containers shall be used only once. All beer coils must be thoroughly washed and sterilized at least twice per week by any mechanical washing method approved by the health department or health officer.

All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively subjected to an approved bactericidal process after each usage. All multi-use utensils used in the preparation or serving of food and drink shall be thoroughly washed and effectively subjected to an approved bactericidal process immediately following the day's operation. Drying cloths, if used, shall be clean and shall be used for no other purpose.

All equipment used in the preparing, storing or serving of foods or beverages shall be kept in a clean and sanitary manner at all times. Cracked or chipped dishes shall not be used. All dishes or utensils used for serving food, shall have smooth even surfaces, and be of such material as to be non-absorbent. All utensils, glasses, or other dishes used in serving food or beverages shall be thoroughly washed and cleansed by hand or mechanical means after separate use, in hot water of not less than 100 degrees F. when washed by mechanical means, and such water shall contain soap, soap powder, or other effective cleansing agent so as to remove any foreign material. Immediately after washing and before being used, the dishes, glasses and utensils shall be sterilized by one of the following methods:

(1) When washed by hand: by complete immersion in hot water maintained at a temperature of not less than 170 degrees F. for a period of not less than two minutes.

(2) When washed by mechanical means: by a thorough rinse or spraying with hot water maintained at a temperature of not less than 170 degrees F.

(3) By being subjected to a thorough steam rinse by immersion or a spraying process after which they shall be completely immersed for a period of at least two minutes, in water containing a sterilizing solution of not less than 100 parts per million of available chlorine.

When the foregoing provisions cannot be complied with, an alternative method of using single service containers shall be substituted. Such containers shall be stored free from contamination and shall be used only once after which they shall be promptly discarded.

ITEM 11. STORAGE AND HANDLING OF UTENSILS AND EQUIPMENTS. After bactericidal treatment no utensil shall be stored except in a clean, dry place, protected from flies, dust or other contamination, and no utensil shall be handled except in such a manner as to prevent contamination so far as practicable. Single-service utensils shall be purchased only in sanitary containers, shall be stored there in a clean dry place until used, and shall be handled in a sanitary manner.

ITEM 12. DISPOSAL OF WASTES. All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles in such manner as not to become a nuisance, and as not to be accessable to flies, rats or vermin.

ITEM 13. REFRIGERATION. All perishable food and drink shall be kept at or below 50 degrees F., except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

ITEM 14. WHOLESOMENESS OF FOOD OR DRINK. All food and drink shall be wholesome and free from spoilage and contamination. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from sources approved by the health officer. Milk and fluid milk products shall be served in the original containers in which they were received from the distributor. Bottles of milk shall not be completely submerged in water. Provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

ITEM 15. STORAGE AND DISPLAY OF FOOD AND DRINK. All food and drink shall be stored and displayed as to be protected from dust, flies, vermin, unnecessary handling, droplet infection, overhead leakage, and any other contamination. No live animals or fowls shall be kept or allowed in any room in which food or drink is prepared, stored or served. All means necessary for the elimination of flies, and roaches shall be used. Bulk sugar dispensers shall be provided with an opening equipped with a self-closing device.

ITEM 16. CLEANLINESS OF EMPLOYEES. All employees shall wear clean outer garments and shall keep their hands and person clean at all times while engaged in handling food, drink, utensils, or equipment. All female employees shall wear hair nets and all male employees shall wear caps while preparing or serving food.

ITEM 17. MISCELLANEOUS. The premises of all restaurants shall be kept clean and free of litter or rubbish. No person, operator or employee shall live or sleep in said restaurant or any room above or adjacent thereto which is not separated by solid partitions or floors with no doors, windows or openings. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.

SECTION XI RE-INSPECTIONS. Upon written request on the part of the management, a reinspection may be made; provided, that when a restaurant receives a rating of 70% or more (Grade C) a re-inspection for the purpose of raising the grade shall not be made within thirty (30) days. In the case of restaurants that are closed, or have a rating of less than 70%, an inspection shall be made at the earliest convenience of the health officer to consider the reissuance of the license. No inspection shall be made for the purpose of establishing a grade unless the restaurant shall have been in operation for at least two weeks.

SECTION XII. DISEASES AND NOTICE THEREOF. No person who is affected with any infectious disease, communicable disease, or with any venereal disease in a communicable form, shall work or be permitted to work in any restaurant, and it shall be sent to the health officer immediately by the restaurant manager or by the employee concerned if he or any employee contracts any infectious, contagious, or communicable disease, or has a fever, a skin eruption, a cough lasting more than 2 weeks, or any other suspicious symptoms. It shall be the duty of any employee to notify the restaurant manager immediately when any of said conditions exist, and if neither the manager or the employee concerned notifies the health officer immediately when any of said conditions exist, they shall be held jointly and severally to have violated this section.

SECTION XIII. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every restaurant employee shall obtain and present to his employer a certificate from a medical doctor residing within the village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. After the effective date of this ordinance or operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within two (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employer shall file with the Village Clerk such certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION XIV. PROCEDURE WHEN INFECTION SUSPECTED. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the health officer is authorized to require any or all of the following measures: (1) The immediate exclusion of the employee concerned from all restaurants, (2) the immediate closing of the restaurant concerned until in the opinion of the health officer no further danger of disease exists, (3) adequate medical examination of the employee and his associates with such laboratory examinations as may be indicated.

SECTION XV. METHOD OF BACTERIOLOGICAL EXAMINATION OF EATING AND DRINKING UTENSILS. The bacterial count shall not exceed 100 organisms per utensil surface area examined as determined by the method for the examination of eating and drinking utensils contained in the United States Public Health Service Code, established by Section XVI hereof.

SECTION XVI. ENFORCEMENT INTERPRETATION. The provisions of this ordinance shall be enforced in accordance with the interpretations contained in the United States Public Health Service Code Regulating Eating and Drinking Establishments, a certified copy of which shall be on file at the office of the Village Clerk.

SECTION XVII. PENALTIES. Any person who violates any provision of this ordinance shall be fined not more than One Hundred Dollars ($100.00) and the costs of prosecution or by imprisonment for a term not exceeding ninety (90) days or both such fine and imprisonment at the discretion of the court.

SECTION XVII. REPEAL AND DATE OF EFFECT. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed. This ordinance shall take full force and effect on the 5th day of November, and shall be published with the Council proceedings in the Tecumseh Herald on the 11th day of October, 1948.

Approved and passed: October 4, 1948.

Published: October 14, 1948.

Effective: November 5, 1948.

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

Marvin Watking, President
Wade L. Jones, Clerk

ELECTION NOTICE

To the Qualified Electors of the Township of Tecumseh, County of Lenawee Michigan.

NOTICE IS HEREBY GIVEN that a General Election will be held on TUESDAY, NOVEMBER 2, 1948 at the Council Building

For the purpose of electing the following officers

PRESIDENTIAL: Electors of President and Vice-President of the United States.

STATE: Governor; Lieutenant Governor; Secretary of State; Attorney General; State Treasurer; Auditor General.

CONGRESSIONAL: United States Senator; Representative in Congress.

LEGISLATIVE: State Senator; Representative in State Legislature.

COUNTY: Judge of Probate; Prosecuting Attorney; Sheriff; County Clerk; County Treasurer; Register of Deeds; Circuit Court Commissioner; Drain Commissioner; Two Coroners; Surveyor.

PROPOSITIONS

Also for the purpose of voting on the following propositions

Proposal No. 1

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO THE ORDER OF SUCCESSION IN THE PERFORMANCE AND DUTIES OF THE GOVERNOR.

A Joint Resolution of the 1947 Legislature proposing an amendment to sections 16, 17 and 18 of article 6 of the state constitution relative to the order of succession in the performance of the powers and duties of the governor, and to read as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases. When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

In case of the death of the governor-elect before taking and subscribing to the constitutional oath of office, or before entering upon the duties of his office, the powers and duties of the office shall devolve upon the lieutenant governor-elect on the commencement of his term of office.

Sec. 17. After the lieutenant governor, the line of succession and order of precedence of state officers, who shall act as governor, shall be secretary of state, attorney general, state treasurer and auditor general, and during a vacancy in the office of governor, if the lieutenant governor or any state officer or officers in this line of succession die, resign, be impeached, displaced, be incapable of performing the duties of office, or be absent from the state, leaving no state officer prior in the line of succession to fill the office of governor, the state officer next in line of succession shall act as governor during the residue of his term or until the absence or disability giving rise to the succession ceases.

In case of the death of the lieutenant governor-elect or any state officer or officer-elect in this line of succession before taking and subscribing to the constitutional oath of office, or before entering upon the duties of office, leaving no state officer-elect prior in line of succession to fill the office of governor, the powers and duties of the office of governor shall devolve upon the state officer-elect next in line on the commencement of his term of office.

Sec. 18 The lieutenant governor or other state officer in the line of succession, while performing the duties of governor, shall receive the same compensation as the governor.

Provision of existing constitution altered by such proposal if adopted, now reads as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases. When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

Sec. 17. During a vacancy in the office of governor, if the lieutenant governor die, resign, or be impeached, displaced, be incapable of performing the duties of his office, or absent from the state, the secretary of state shall act as governor until the vacancy be filled or the disability cease.

Sec. 18. The lieutenant governor or secretary of state, while performing the duties of governor, shall receive the same compensation as the governor.

Proposal No. 2

PROPOSED AMENDMENT TO THE CONSTITUTION PROVIDING FOR THE REPEAL OF SECTION 23, ARTICLE 10.

A Joint Resolution of the 1947 Legislature proposing an amendment to the state constitution providing for the repeal and striking therefrom of section 23 of article 10 of the state constitution relative to the return of one cent of a state sales tax levy to be divided among school districts, cities, townships and villages and providing for the making of annual grants to school districts out of general funds.

Provision of existing constitution to be abrogated by such proposal, if adopted, now reads as follows:

Sec. 23. There shall be returned to local governmental units and school districts by the method hereinafter set forth, one cent of a state sales tax levy on each dollar of sales of tangible personal property on the present statutory base (not rate). The state tax collecting authority shall divide the entire sum without deduction and remit 50 per cent thereof among the school districts on the basis of the school census on which primary school money is distributed for that fiscal year. The balance of 50 per cent shall be returned to counties as a whole on the population basis and payment shall be made to the county treasurer who shall remit to the respective cities, townships and villages within the county on a per capita basis. Population computation shall be based on the last statewide federal census for purposes of division among counties and upon the same basis or upon any special federal county-wide census, whichever is later, for intra-county division purposes. All remittances provided shall be made on a quarterly basis. The legislature shall hereafter make annual grants to school districts out of general funds, over and above all constitutional allocations heretofore and herein provided, in at least amounts which bear the same ratio to total state sales tax revenues of the preceding year which the legislative grants in the fiscal year 1945-1946 bore to said revenues of the preceding year.

Proposal No. 3

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION OF CERTAIN STATE OFFICERS

A Joint Resolution of the 1948 Extra Session of the Legislature proposing an amendment to section 21 of article 6 of the state constitution, providing that the compensation of the governor, secretary of state, state treasurer, auditor general, and attorney general be determined by law, and to read as follows:

Sec. 21. The governor, secretary of state, state treasurer, auditor general, and attorney general shall each receive such compensation as shall be prescribed by law which shall be in full for all services performed and expenses incurred during his term of office: Provided, That the same shall not be changed during the term of office for which elected.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 21. The governor and attorney general shall each receive an annual salary of five thousand dollars. The secretary of state, state treasurer, commissioner of the state land office and auditor general shall each receive an annual salary of twenty-five hundred dollars. They shall receive no fees or perquisites whatever for the performance of any duties connected with the offices. It shall not be competent for the legislature to increase the salaries herein provided.

Proposal No. 4

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION AND EXPENSES OF MEMBERS OF THE LEGISLATURE.

A Joint Resolution of the 1948 Extra Session of the Legislature proposing an amendment to section 9 of article 5 of the state constitution, providing for the determination of the compensation and expenses of members of the legislature by law, and to read as follows:

Sec. 9. The compensation and expenses of the members of the legislature shall be determined by law: Provided, That no change in compensation or expenses shall be effective during the term of office for which the legislature making the change was elected. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 9. The compensation of the members of the legislature shall be three dollars per diem during the term for which they are elected, and they shall receive no further compensation than as specified in this section for services when the legislature is convened in extra session. Members shall be entitled to ten cents per mile and no more for one round trip to each regular and special session of the legislature by the usually traveled route. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Proposal No. 5

AMENDMENT TO THE CONSTITUTION SO AS TO MODIFY THE FIFTEEN-MILL LIMITATION.

Initiatory petition to amend section 21 of article 10 of the constitution of the state of Michigan so as to modify the fifteen-mill limitation to permit increase of the limitation for a period of not to exceed twenty years, and to require a majority vote of the electors instead of a two-thirds vote to increase such limitation, said amendment to read as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed five years at any one time, to not more than a total of five per cent of the assessed valuation, by a majority vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

Provision of existing constitution altered by such proposal, if adopted, now reads as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed five years at any one time, to not more than a total of five per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the years 1932.

Proposal No. 6

REFERENDUM OF ACT NO. 270 OF PUBLIC ACTS OF 1947, ENTITLED "AN ACT TO REGULATE AND CONTROL THE OPERATION OF FOREIGN AGENCIES ACTING WITHIN THE STATE OF MICHIGAN; AND TO PRESCRIBE PENALTIES FOR VIOLATIONS OF THE PROVISIONS OF THIS ACT."

Petitions for Referendum of Act No. 270 of the Public Acts of 1947, entitled "An act to regulate and control the operation of foreign agencies acting within the state of Michigan; and to prescribe penalties for violations of the provisions of this act."

At a general election to be held on Tuesday, November 2, 1948, the question of calling and holding a convention for the purpose of making a general revision of the constitution pursuant to the provisions of section 4 of article 17 of the constitution, shall be submitted to the electors of the state qualified to vote for members of the legislature.

The ballots, upon which the question of the general revision of the constitution shall be submitted to the qualified electors of the state, shall be separate and distinct from any and all ballots containing the names of nominees for public office or relating to amendments to the constitution, except in the cases of the use of voting machines, and shall be as follows:

"GENERAL REVISION OF THE CONSTITUTION

Shall a convention for the purpose of a general revision of the constitution be held?

Yes ( )

Shall a convention for the purpose of a general revision of the constitution be held?

No ( )"

..... Local Propositions: None .....

NOTICE RELATIVE TO OPENING AND CLOSING OF THE POLLS

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Hugh H. Hanna, Township Clerk

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee holden at the probate office in the city of Adrian on the 11th day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LISTER W. MIX, Deceased.

On reading and filing the petition of Leon R. Mix, executor upon the estate of said deceased alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 1st day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

CLINTON

Bishop Here Sunday

The Rt. Rev. Russell L. Hubbard, recently consecrated Suffragan Bishop of Michigan, made one of his first visits as a bishop at St. John's Episcopal church, Sunday. Bishop Hubbard has had much experience in small churches and large but is especially interested in the small church and missions in the diocese. He was the guest of Mr. and Mrs. W. P. VanTuyle while here.

Mrs. Ivan Baldwin, Mrs. L. C. Weaver, Mrs. Emma Hause, Mrs. Glenn Randall and Mrs. Eva Hause attended the Women's Fellowship of the Jackson association of Congregational Christian churches in Chelsea, last week.

The Congregational church will hold a Harvest Home family night supper and sale at the church this (Thursday) evening.

Mrs. F. H. Halladay spent the weekend in Owosso with her daughter, Mrs. Roger DeYoung.

Guests of Mr. and Mrs. William Kershner and family were her brother and wife, Mr. and Mrs. N. J. Caudra of Fairbanks, Alaska.

Guests of Mr. and Mrs. A. J. Allen are Mr. and Mrs. W. J. Walker and Mrs. Edna Dahl of Elgin, Ill.

DOTES ON GOATS . . . Carl Sandburg, free verse poet and historian, never has allowed his literary efforts to interfere with his hobby of raising goats. He has a flock of 80 on his farm at Flat Rock, N. C.

Five-Point Plan

The Rev. Harry Sullivan, young pastor of the Clinton Congregational church, addressed members of the Parent-Teachers Association at the high school last week. Rev. Sullivan stressed the needs of the young people in the community and outlined a five point program. First, the necessity for strengthening the family unit; second, a need for basic moral training in the school; third, teaching young people to express themselves in public; fourth, the need for school children to have physical education instead of just a favored few able to participate in competitive sports; fifth, the opening up of the churches and making them attractive. Mr. Sullivan said his church would have the first dance for its young people in the church basement in the near future. Proceeds from the play "George Washington Slept Here" to be presented by the Clinton Players this month will be used for the lighting of the school gymnasium. Another project to be undertaken by the Players will be the building of tennis courts that will be suitable for dancing and in the winter can be flooded for skating. Three large camp coffee pots and an electric mixer were gifts from the P. T. A. to the school home making department. The November meeting will be planned by the men of the organization.

VIDEO IN MILWAUKEE CAR SEEN LEADING TO TROUBLE

MILWAUKEE — Television is car borne in Milwaukee now, and after one quick look, safety officials said they could see nothing but trouble.

Dr. B. L. Corbett, Director of the City Safety Commission, heard the story of how an industrial research company installed a standard TV receiver in a stock car and said, "frankly, this catches us off base."

"I can't see how in the world any driver could take his eyes off the road to watch a television program without risking his own neck and the necks of others."

Herald Classifieds pay big dividends.

From where I sit ... by Joe Marsh

I'm Glad We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass—others say mixed with oats or barley. But all agree that a *mixture's* better than a single crop.

I sometimes think people are the same way—and the strength of America is its *mixture* of so many different strains—some from one country, some from another—right down to little differences: like folks who have a taste for beer and those who prefer cider.

From where I sit, so long as we never become intolerant of one another's different tastes—so long as we live together with our differences, and even *supplement* them the way brome grass does alfalfa, then we're a mighty good crop!

So neighbor—enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

Joe Marsh

1½ Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employes.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give *one million employes an annual raise which would average $1500 per employe!*

The total cost of this would be no less than 1½ billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads, they must have still further rate and fare increases.

Demands Unreasonable

These employes have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Railroads Run for Everybody—Not Employes Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. *But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!*

CHEVROLET GIVES MORE VALUE

More Value in Riding Comfort
You'll find that Chevrolet gives more riding-smoothness, more riding-steadiness, on all kinds of roads because it has the original Unitized Knee-Action Ride, proved and perfected by 14 years of experience in building Knee-Action units. Available only in Chevrolet and higher-priced cars!

More Value in All-round Safety
Chevrolet brings you the fourfold safety-protection of Fisher Unisteel Body-Construction, safety plate glass in all windows, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes; and this is another combination of features found elsewhere only in higher-priced cars!

It's first in all these basic motoring advantages . . .

FIRST IN BIG-CAR QUALITY at LOWEST PRICES

. . . just as it's first in nationwide registrations!

More Value in Performance with Economy
There's nothing like Chevrolet's world's champion Valve-in-Head engine . . . with its record of having delivered more miles of satisfaction, to more owners, over a longer period, than any other engine built today . . . and Valve-in-Head design is exclusive to Chevrolet and higher-priced cars!

More Value in Beauty and Luxury
You know that there's only one leader in fine coachcraft—Body by Fisher! It's world-famous for quality, beauty and luxury, not only in exterior design, but in interior appointments like hardware and upholstery, as well. And Body by Fisher, too, is exclusive to Chevrolet and higher-priced cars!

Compare Values!... Compare Prices!...

BIDS WANTED FOR

New High School Building

TECUMSEH, MICHIGAN

Sealed proposals for the construction of a New High School Building at Tecumseh, Michigan, will be received by the Board of Education of Tecumseh School District No. 7 at the office of the Superintendent of Schools, Tecumseh High School, Tecumseh, Michigan, until 12:00 o'clock noon Eastern Standard Time on the 23rd day of November, 1948, and at that time and place will be publicly opened and read aloud.

Copies of the Plans and Specifications may be obtained at the office of Britsch & Munger, Registered Architects, 531 Nicholas Building, Toledo, Ohio, by depositing fifteen dollars ($15.00) cash or certified check for each set of documents so obtained. The amount of the deposit will be refunded to each person or firm receiving plans who returns the plans and specifications in good condition within ten days after the opening of bids.

The Board of Education reserves the right to reject any or all bids and to waive informalities in bidding.

A certified check or bank draft, payable to the Board of Education of Tecumseh School District No. 7, or a satisfactory Bid Bond executed by the Bidder and a Surety Com pany, in the amount of 5 per cent of the bid must accompany each bid.

No bid may be withdrawn for at least thirty (30) days after the scheduled closing time for the receipt of bids.

Board of Education,
Tecumseh School District No. 7

WHO SAID ANYTHING ABOUT MOTHER LOVE? . . . While Keeper Helen Martini stands on the alert outside the cage in New York's Bronx zoo, a tiny tiger cub newly recovered from a broken leg stages a rather doubtful and uneasy reunion with its tigress mother after having been away from the cage-home during its period of recovery. Because of the surly disposition and unpredictable behavior which the mother developed while her cub was away, keepers took precautions so that she would not turn savagely on her own offspring. She broke the little fellow's leg originally by accident when she rolled over on him without growling at him to get out of the way first.

PALMAN'S

MACON

Twenty members of the Macon Woman's Club were in Saline Friday, and attended the Reciprocity Day meeting of the Saline Woman's Club, the South Saline Willing Workers and the Macon Woman's Club. The meeting was held in St. Paul's Lutheran church. A program, which followed the potluck dinner, was presented by the president of the Willing Workers. Dr. Yoder of the Ypsilanti State Hospital was the guest speaker. Included also on the program was community singing with Mrs. Merritt Martin of Saline at the piano, a reading by Mrs. Bertha Hall, and at the request of the Saline Club, a skit entitled "The Scandal" was presented by Mrs. Luella Bigelow, Mrs. Arlene Papp, Mrs. Frances McClue, Mrs. Bessie Travis and Mrs. Helen Bale, all of the Macon Club.

The Macon Woman's Club was entertained Thursday at the home of Mr. and Mrs. Duane Robison for the usual potluck dinner and monthly business meeting. Twenty-two members were present. The program following the business session consisted of a discussion on constitutional rights for women by a Mrs. Preston of Ann Arbor. Mrs. Lovejoy of Ann Arbor urged the club to appoint a committee to write up our country's history. A skit entitled "The Scandal" was presented by Mrs. Luella Bigelow, Mrs. Helen Bale, Mrs. Frances McClue, Mrs. Arlene Papp and Mrs. Bessie Travis. The ladies were requested to repeat the play at the Reciprocity Day meeting at Saline. The date of the annual club banquet was changed from Thursday, November 4 to Thursday, November 11. All members will please remember the change of date.

Burt Bruder and daughter, Mrs. Mildred Moore went to Chelsea Monday and took the donations of canned and fresh vegetables collections given by the Clinton and Macon Methodist churches to the Chelsea Methodist Home for the aged.

Mr. and Mrs. Elon Reynolds and children of Royal Oak, Frank Morgan of Detroit and Mr. and Mrs. "Bill" Morgan and daughter, Miss Sally Morgan of Plymouth were dinner guests Sunday of Mrs. Percy Morgan and Mr. and Mrs. Darwin Smith.

A group of neighbors met Saturday evening at the home of Mr. and Mrs. Wade Scudder in observance of Mrs. Scudder's birthday anniversary. A social evening was enjoyed and refreshments of cake, ice cream and coffee were served.

Mr. and Mrs. Leon Hall returned Monday evening after a three day trip to Iron Mountain.

Miss Mary Morden of Saline called Thursday on Mr. and Mrs. Revilo Sage and Mrs. Ella Pennington.

Mr. and Mrs. Duane Robison and mother, Mrs. Enola Hall were dinner guests Wednesday of Mr. and Mrs. Charles Cady of near Ypsilanti.

Mr. and Mrs. Chalmer Bruder of Belleville, Mr. and Mrs. Edward Furlong of Ypsilanti, and Mr. and Mrs. H. F. Moore and sons were dinner guests Sunday of Mr. and Mrs. Burt Bruder.

Mr. and Mrs. Marvin Smith of Detroit spent Saturday with her parents, Mr. and Mrs. Earl Kuder.

Mr. and Mrs. Keith Cammet of Saline have been spending several days at her parents, Mr. and Mrs. Leon Hall's home.

Mr. and Mrs. Herman Scofield of Hale were recent guests of her sister, Mrs. Earl Kuder and husband.

Arthur Brace of Central City is a guest this week of Mr. and Mrs. Walter Bale and family.

Chest Campaign Launched Today

CHAIRMAN IS OPTIMISTIC AS DRIVE FOR $5,320 BUDGET IS STARTED HERE

A whirl-wind campaign—scheduled to end November 19—was launched today by Vance Ogden, general chairman of Tecumseh's Community Chest drive which has as its goal $5,320 in cash to be distributed to budgeted organizations.

Sharing in the Chest this year are these organizations: Tecumseh Hospital Auxiliary, $500; Cancer Society, $350; Hallowe'en and Christmas parties Blind, children, $200; Girl Scouts, $400; Wolverine Council, Boy Scouts of America, $400; Tecumseh Recreation Center, $500; Sister Kenny Foundation, $100; Salvation Army, $300; Michigan Welfare League, $10; Michigan Aid for Blind, $50; Reserve for emergencies, general welfare and campaign expenses $2,500.

"We hope to be able to complete the drive successfully in three weeks or less," Mr. Ogden said today as he named committees and campaign workers. "We trust that the public will give generously because it goes without saying, that the giving is for a worthy cause."

Last year, Tecumseh met its Chest quota without difficulty.

Committee captains announced by Mr. Ogden are as follows: Special token gifts, the Rev. Edward Escolme. Clubs, Leon Williamson, Charles Butler, Robert French. Fraternal organizations, Yale Kerby. Public schools, Earl

Dedicate New Catholic School

BOYSVILLE, AT MACON, SCENE OF IMPRESSIVE SERVICES ON SUNDAY

Boysville, the new Catholic high school for homeless boys, located on what was once a 130-acre tract owned by Henry Ford and Edison Institute at Macon, was dedicated Sunday afternoon by His Eminence, Edward Cardinal Mooney of Detroit. More than 3,000 attended the service which was simple and impressive — impressive because already Boysville is the home of 15 homeless boys and before the year's end the enrollment will reach 70.

"It is better to build a boy than to mend a man," the Rev. Fr. Jerome MacEachin of Lansing, state chaplain of the Knights of Columbus, told his listeners. The Rev. Fr. MacEachin was the principal speaker.

"We are dedicating a school that is modeled on the finest in Christian faith. It provides an opportunity for boys with problems the chance to prepare themselves for that which they are to be," he said.

After Cardinal Mooney had blessed the new school he declared in a brief talk: "There will be no monuments at Boysville except the monuments of the souls of the boys who will be built up and

Mrs. Minnie Spittler, 77, Is Buried At Ridgeway

Mrs. Minnie Ousterhout Spittler, aged 77 years, died Sunday at 5 p.m. in the Parrett Nursing Home where she had been a patient for three years.

Born, December 24, 1870, in Ridgeway township, she spent her entire life in this vicinity. She was preceded in death by her husband, William F. Ousterhout, February 16, 1937. She married Silas Spittler September 12, 1940, and he died October 1, 1947. Mrs. Spittler was a lifelong member of the Tecumseh Baptist church.

Surviving are one son, Bert G. Ousterhout and two grandchildren of Tecumseh, one brother, Rufus Underwood and one sister, Mrs. Lulu Younglove of Britton, and several nieces, nephews and cousins.

The funeral was held Tuesday afternoon at 2:30 o'clock in the Collins Funeral Home with the Rev. B. O. Bashore officiating. Burial was in the Ridgeway cemetery. The bearers were Ralph Younglove, Perry Younglove, Clark Rathbun, Ralph Atchison, Kenneth D. Hall and Harold Wilson. Friends and relatives attended from Adrian, Britton, Hillsdale, Brooklyn, Deerfield and Tecumseh.

Absent Voters May Get Ballots

CAN BE ISSUED UNTIL 5 P.M., SATURDAY; EARLY VOTE TUESDAY IS URGED

If you know that it will be impossible for you to go to the polls next Tuesday to vote in the national election, H. H. Hanna, township clerk, today pointed out that absent voter ballots may be issued by his office until Saturday night, October 30, at 5 p.m.

"Persons who know that they will be out of town on election day, or who are ill and confined to their home, and who desire to vote, should let us know before next Saturday at 5 o'clock," Mr. Hanna said. Persons who ask for the service will receive a ballot permitting them to vote, he said.

Mr. Hanna also pointed out that it will be necessary for early voting in Tecumseh township if all of the electors cast their ballots. There are about 2,200 registered voters, of which number 1,200 are in the west precinct.

"If everybody votes, " Hanna said, "ballots locally must be cast early and regularly. The polls will be open for 13 hours and that means that between 150 and 200 persons must vote every hour, if everybody votes. The election board is going to be very busy because, in all probability, a large vote will be cast."

Election officials believe that it will be possible for many of the women voters, especially housewives, to cast their ballots during the morning hours.

The electon booths for both Tecumseh township precincts, (Tecumseh village and township both vote in the same), will be set up in the Council Building on South Evans street.

Agnes M. McWilliams Is Buried In Brookside

Miss Agnes Marie McWilliams, daughter of the late Mr. and Mrs. David McWilliams, died at her home, Saturday, October 23, at 11:20 a.m. after a few weeks illness. She was born, October 6, 1892. In the home in which she died.

After graduating from Cleary Business College in Ypsilanti, she was employed for two years in Detroit. Later she moved to Jackson where she was employed at the Y. W. C. A. as Membership and Finance Secretary for 17 years.

Her winning personality, unselfishness and kindness to others won her many friends. She was a member of the Presbyterian church, Tecumseh Garden Club and the Harmony Home Makers Club.

Surviving are two sisters, Miss Mary McWilliams at home and Mrs. Margaret Luthers of Ypsilanti; one niece, Nancy Luthers; two nephews, Stuart and David Luthers and one uncle, Andrew McWilliams of Holloway, also several cousins.

Funeral services were held Tuesday afternoon at two o'clock in the home with the Rev. Donald Wilson officiating. Burial was in Brookside cemetery in Tecumseh. The bearers were Charles Howe, Herbert Murphy, Jack Smith, Bert Bruder, Floyd Elliott and William Lowry. Friends and relatives attended from Detroit, Jackson, Ypsilanti, Chicago, Cleveland, Flint, Lexington, Ky., and Bloomington, Ind.

My office will be closed from Saturday, October 30 to December 2, inclusive.

H. H. Hammel, M. D. —Adv. N11

Big County Vote Likely, Tuesday

TECUMSEH EXPECTED TO CAST NEAR RECORD NUMBER OF BALLOTS

Tecumseh and Lenawee county are expected to cast their proportionate number of ballots in the national election next Tuesday when more than 2,500,000 Michigan voters go to the polls in what now appears to be one of the most spectacular elections since the defeat of Herbert Hoover by Franklin D. Roosevelt, 16 years ago. Locally, the polls in the council building will be open from 7 o'clock in the morning until 8 o'clock in the evening. There are more than 2,300 voters registered in the township and election officials expect unusually heavy balloting.

"If everybody votes," H. H. Hanna, township clerk, says, "then ballots here must be cast at the rate of nearly 200 an hour. That means that voting must be done early by those who can, and also it means that voting must be steady."

Electors this year will receive five ballots when they go to the polls.

The first ballot is the so-called "Presidential Ballot" and on this appears the names of the candidates for president and vice president of the seven major parties. Dewey and Warren, head the Republican ticket. Truman and Barkley, the Democrat.

The second ballot, known as the "State Ballot," lists the names of all candidates for the seven parties for state, congressional and county offices. On this ballot the names of two Tecumseh men appear, Perry M. Hayden who is

(Continued on Page 4)

Will Dedicate Grange Addition

DISTRICT DEPUTY WILL SPEAK AT BOOSTER NIGHT MEETING, NEXT THURSDAY

The new addition of the Tecumseh Grange hall will be formally dedicated when the Grange observes Booster Night next Thursday evening, November 4. The district deputy, James Marr, will officiate.

Stanley Powell of Ionia, author of "Looking in on the Legislature," published in the Michigan Farmer magazine, will be the guest speaker. Howard Heath of radio station WPAG, Ann Arbor, will also be a guest and there will be special music.

Supper will be served at 7 o'clock and each family is to bring a chicken, a quart of gravy and a dish to pass. Potatoes and rolls will be furnished. The committee in charge includes Mr. and Mrs. Charles Ricicia, Mr. and Mrs. Nelwyn Bishop, Mr. and Mrs. George Bishop, Mr. and Mrs. Walter Dale, Mr. and Mrs. Carol Culbertson, Mr. and Mrs. Floyd O'Dell and Mr. and Mrs. Marvin Johnson.

Among those attending State Grange at Traverse City this week are Mr. and Mrs. Charles Patterson, Mr. and Mrs. Earl Pennington, Mr. and Mrs. Mills Swick, Mr. and Mrs. Floyd Barrett, Mr. and Mrs. Clayton Bigelow, Mr. and Mrs. William Grigg and Mr. and Mrs. Ernest Harris.

Delegates to Pomona, November 10 at Morenci, are Mr. and Mrs. Irving Boltz, Mr. and Mrs. Earl Pennington, Mr. and Mrs. Richard Steele, Mr. and Mrs. Percy Cadmus, Mr. and Mrs. Charles Bigelow and Mr. and Mrs. Ernest Harris.

Oddfellows, Rebekahs To Be Church Guests

Members of the Tecumseh Lodge No. 14, I. O. O. F., and the Rebekahs, will be the special guests at the morning service at the Tecumseh Baptist church, next Sunday, October 31, at 11 o'clock.

Dignitaries expected are the Grand Master, Francis M. Dodge of Detroit and the Grand Warden, George W. Bain of Wyandotte. Others will be present from Albion and Parma. Rev. B. O. Bashore, Grand Chaplain, will deliver the sermon, speaking on the theme "Friendship, Love and Truth." Special music under the direction of Mrs. Harley McConnell, will also be heard.

After the service, the guests will enjoy a potluck dinner at the Tecumseh Grange Hall. During the afternoon of fellowship, the Grand Master will deliver an address.

SCOUTS IN CAMP

The Girl Scout Cardinal Troop No. 6 enjoyed an overnight camp-out October 15 at Ousterhout's cottage at Wamplers Lake.

A Hallowe'en Joke Of The 1948 Variety

Hallowe'en pranks change with the times.

Monday morning, when drivers prepared to take the two Britton school busses on their regular trips, they found that pranksters had let all of the air out of the tires—eight wheels on each bus.

A portable compressor was brought into play but it took several hours to reinflate the tires and it was nearly noon before some of the children arrived for their classes.

It was a good joke—the late children didn't seem to mind but Geo. Beal, superintendent, is keeping his opinions to himself.

As we remember Hallowe'en jokes, they sometimes boomeranged.

School Board Opposes Repeal

URGES "NO" VOTE ON PROPOSAL NO. 2, "YES" VOTE ON NO. 5, NEXT TUESDAY

The Tecumseh Board of Education, in meeting last week, urged local voters to cast a "No" vote on Proposal No. 2, and a "Yes" vote on Proposal No. 5, when they go to the polls next Tuesday in the national election.

Proposal No. 2 is the so-called sales tax repeal amendment, diverting to the schools, townships and municipalities, thousands of dollars in sales tax annually. The amendment was overwhelmingly approved by Michigan voters two years ago.

The local board of education took a definite stand against the repeal.

In the fiscal school year, 1946-47, the Tecumseh school district as a result of the amendment, received from the sales tax fund $4,386. In the fiscal year, 1947-48, the district received $15,551.34 and this year, thus far, receipts have totaled $4,421.15, making a grand total received thus far of $24,

OES Officers Are Installed

125 GUESTS ATTEND SERVICES AT LODGE HALL HERE THURSDAY EVENING

Thursday evening a very impressive candlelight installation service was held for the new officers of the Tecumseh chapter, Order of the Eastern Star. Mrs. Leah Hart, the retiring matron, made the arrangements for the service.

Mrs. Gladys Russell, the installing officer, was assisted by Mrs. Leda Beal, installing marshal; Mrs. Alice Hamilton, grand committeewoman, installing chaplain; Mrs. Ethel Glenn of Stockbridge, past grand organist, installing organist; and Mrs. Belva Weichner, installing soloist.

The installations were as follows: worthy matron, Mrs. Macy Beach; worthy patron, Chester Beach; associate matron, Mrs. Katherine Hunt; associate patron, George McCombs; secretary, Mrs.

J. R. Thompson Discusses Problems Of The Banker

Some of the bankers' problems, and why bankers sometimes are accused of being "hard hearted," were discussed by John R. Thompson, cashier of the United Savings Bank of Tecumseh, when he spoke at the regular dinner-meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Thompson is a member of the club.

Mr. Thompson briefly reviewed some of the "yardstick" rules of the banking business and then told many interesting experiences he had had in his work.

L. W. Larsen, a member of the board of directors presided at the meeting in the absence of C. O. Butler, president, and M. G. Partridge acted for Clarence Gilman, chairman of the program committee. Mr. Butler and Mr. Gilman are in New York State on a hunting trip.

NOTICE

My office will be closed November 1, 2 and 3 while I am attending the state convention.

Dr. T. Rentschler Adv. O28

VOTERS NOTICE

State Representative Rollo Conlin will discuss the amendments to the state constitution which are to be voted on next Tuesday at the Republican Headquarters in the Ford Bldg., at 8 o'clock this evening.—Adv. O28

PARADE, BONFIRE, CIDER AND DONUTS ON HALLOWE'EN PROGRAM

Unique Window Decoration Contest to Attract Public

Adrian, Braves Game, Saturday

COUNTY CHAMPIONSHIP WILL BE DECIDED AT TILT AT RECREATION CENTER

By Max Brandt

If all predictions hold true, the battle of the champions will be waged here Saturday night, October 30, at Recreation Center. The Big Reds of Adrian and the Tecumseh Braves will clash for the supremacy of the county. The kickoff will be at 8 p.m.

Both teams have beaten the other semi-pro team in the county, namely Hudson. Adrian just edged out Hudson 14 to 12 while the Braves won easily 13 to 0. The Braves have won 3, lost 6 and tied 1 so far this year. The tie was when Adrian and Tecumseh clashed previously. It was a 0 to 0 battle at Adrian. The Braves, in their first year of organized football, have stood up very well considering the stiff opposition played. They will be at full strength for the Adrian battle.

During the past week and a half, the Braves have lost two close games. They were edged out 2 to 0 by Montague, the latter team out for revenge for the beating the Braves gave them here 10 to 6 earlier in the season.

The game was a bitter battle all the way and it wasn't until the

State Police Seek Recruits

YOUNG MEN WILL BE INTERVIEWED NOVEMBER 10 BY CLINTON SERGEANT

Sergeant Carl H. Miller, commander of the Clinton post of the Michigan State Police, will be at his office from 8 a.m. to 10 p.m., Wednesday, November 10, 1948, to interview young men interested in joining the department.

"While candidates for enlistment may make application at any time, this day is being set aside especially for interviews with those who desire to learn more about the department and to help them fill out their application blanks," Sgt. Miller said.

"We are at present conducting a recruiting effort in preparation for another training school. We expect to get enough graduates out of this school to bring our force up to authorized strength, so it is advisable that candidates do not delay, but act now in filing their application. Succeeding schools will be held only to make replacements unless authorization is given to increase the size of the department."

Candidates must be between 21 and 30 years of age, inclusive, physically fit, unmarried, and have a high school education or its equivalent.

Regarded as a career service, the State Police offer subsistence in addition to salary, civil service employment security, interesting work, promotions based on merit, paid vacations, sick leave and a pension. In additon, the Veterans' Administration has classified the State Police school as on-the-job training and veterans are eligible for extra compensation under the GI bill.

While candidates will find it advantageous to call at the post, Sgt. Miller said, they need not do so, but may obtain information and application blanks by writing to the Civil Service Commission or tht Michigan State Police in Lansing.

Condition Of Injured Hunter Is Improving

The condition of John Curtiss, jr., who accidentally shot himself while hunting Thursday afternoon, continues to improve, attendants at Tecumseh hospital, where he is a patient, said.

Curtiss, 16-year-old son of Mr. and Mrs. John Curtiss of South Maumee St., was hunting near Tecumseh with two companions when the mishap occurred. He was pulling his gun through a fence when it accidentally discharged, the shot striking him in the right side of his chest. He was removed to the hospital by ambulance.

SCOUT TROOP MEETS

The Sunflower Troop of the Tecumseh Girl Scouts met at the high school last week Wednesday afternoon, for a hike north on M-50 to the Mill Pond, and returning to the school. Mrs. Irene Hay is the leader of the troop.

Bashore Is Reappointed Grand Chaplain, I. O. O. F

Rev. B. O. Bashore, pastor of the Tecumseh Baptist church, was re-appointed grand chaplain of the Independent Order of Odd Fellows at the Grand Lodge held at Grand Rapids last week. This is the third time such an honor has been bestowed upon the Rev. Mr. Bashore, the first being in the state of Iowa and his appointment this year is the second successive time in Michigan. W. L. Becker was the official delegate from the Tecumseh Lodge, I. O. O. F., No. 14.

Mr. Bashore was one of the official delegates of the Grand Lodge to the Rebekah Assembly last week Wednesday and spoke briefly at that time.

Morenci Eleven To Play Indians

GAME UNDER THE LIGHTS ON FRIDAY EVENING, HERE; DEXTER IS DEFEATED

(By Gordon Comfort)

Tecumseh high school's football game at Recreation Center, Friday night, was an out-of-league tilt with Dexter high. The final score was 20-7 in favor of the Indians. Coach Elven Duvall's charges scoring once in each of the first three quarters and Dexter once in the second quarter.

The Indians got off to a fine start when halfback Jack Gillin took the opening kickoff on his own 20 and scampered down the field to the Dexter 25 where three plays later the other halfback Mel Murphy ploughed over for the score. Duane Murphy kicked the extra point and the score was 7-0.

In the second quarter, the Tecumseh boys' fumble was recovered by the Dexter team on the Indians 39 yard line. The next play was a pass complete on the 15 and the receiver went for the score. The conversion was good and the game was tied at seven all. The tie was broken almost immediately though when Mel Murphy took their kickoff on his own 20, and with fine blocking, broke loose and ran 80 yards down the east side of the field for a touchdown. Again, Duane Murphey's conversion was good and Tecumseh led by seven points. The outstanding defensive play of Rentschler and Underwood at guards did much toward preventing Dexter from scoring again.

The Indians score in the third period was made by Jack Gilin after Tecumseh intercepted a Dexter pass on the 41 and a forward pass was ruled complete on the nine yard stripe. Melvin Murphy moved the ball to the two, and Gillin went through the line for the score. The extra point was blocked. There was no scoring in the fourth period and the Tecumseh Indians were out in front at the close of the game by a score of 20 to 7.

Tecumseh stands tied with Blissfield for third place in the L. C. A. A. league, both teams having won one, lost one and tied one game. The powerful league-leading Morenci Bulldogs will travel here Friday night, October 29 to clash with the Indians.

Fathers, Sons Enjoy F. F. A. Pheasant Dinner

Mr. Kerry of the Vocational Education Department of Michigan State College, East Lansng, was the guest speaker at the annual pheasant dinner and parent and son banquet of the Tecumseh chapter of the Future Farmers of America, last week, Wednesday at the high school. Mr. Kerry spoke on the subject of "Cooperation." Lawrence Young acted as toastmaster. Some 75 parents, teachers and members were in attendance.

Ira Jump, county F. F. A. adviser and vocational agricultural teacher of Clinton, presented the county judging award to the chapter. Included in the program was the initiation of Greenhands into the organization. They were James Dick, Freddy Long and Carl Lickfelt. It was decided to send the two boys who had acquired the greatest number of points in the F. F. A., to Kansas City for the 20th national convention of the F. F. A.

Earl H. Place, superintendent of schools, concluded the evening with a few brief remarks.

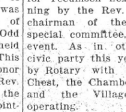
BAND PARENTS CLUB

The Band Parents Club will meet this (Thursday) evening at the high school, at 8 o'clock. There will be no post card reminders mailed to members.

A Hallowe'en celebration, unique in that it will be a community affair that may be enjoyed by both old and young alike, is promised for Tecumseh next Saturday evening by the Rev. B. O. Bashore, chairman of the Rotary Club's special committee, sponsoring the event. As in other years, the civic party this year is sponsored by Rotary with the Community Chest, the Chamber of Commerce, and the Village Council cooperating.

"We in Tecumseh believe that if the young folk are offered worthwhile entertainment, vandalism on Hallowe'en can be cut to a minimum," the Rev. Mr. Bashore said." We have proved it in other years, and we expect this year's party, which will be more elaborate than ever, to be a complete success.

"We are spending considerable time and money to pep up this year's party, and we trust that there will be no property destruction or windows soaped in the community."



Saturday's party will get under way at 7 o'clock in the evening with a parade of masked merrymakers through the business district, headed by the high school band. The parade will form at the high school. Prizes in cash will be awarded for the most original costume, boy or girl, the most unique costume, boy or girl, the funniest costume, boy or girl, the youngest costumed boy or girl, and many other divisions. The merrymakers will twice parade past the judges stand.

Then the masqueraders will go to Elliott park, where there will be hundreds of gallons of sweet cider and donuts by the dozens for everybody. There will be a big bonfire and a snake dance.

"Of course, the witches will walk, the ghosts will talk and the black cats will be out in profusion, but it wouldn't be Hallowe'en without them," Mr. Bashore said. "Everything will be in fun, and

(Continued on page four)

Parents Urged To Visit School

NATIONAL EDUCATION WEEK TO BE OBSERVED; P. T. A. PLANS PROGRAM

American Education Week will be climaxed in Tecumseh by an "open house", to be sponsored by the Parent-Teacher Association, Thursday evening, November 11, at the central school building. During the week of November 7 the parents are urged to visit the branch schools and then attend the meeting at the high school on Thursday evening at 8 o'clock.

Earl H. Place, superintendent of schools, discussed the proposed sales tax diversion repeal to be voted on November 2, when he addressed some 100 members of the P. T. A., last Thursday evening at the school.

Mrs. Ray Sluyter and Wallace Whiting were program leaders and presented Miss Marjorie Mohr, vocal music teacher, and her Girls Glee Club. The audience participated in the Hallowe'en skit prepared by Mr. Whiting. Refreshments were served by parents of the kindergarten and first grade children.

"WITHOUT UNDERSTANDING"

Men whose motives are of the best may unwittingly undermine a nation's liberties. The late Mr. Justice Brandeis, one of the greatest of liberal jurists, touched on this when he said: "Experience should teach us to be most on our guard to protect liberty when the government's purposes are beneficent . . . The greatest danger to liberty lurks in insidious encroachment by men of zeal, well-meaning but without understanding."

Many specific examples of this could be cited here and abroad. And one current example, whose importance may not be widely realized, lies in the aggressive campaign to force compulsory medical insurance on the country. Those who favor it say that it is not socialized medicine. Yet, as history shows, whenever the government dominates the practice of medicine, complete socialization always follows.

Lenin, who was certainly one of the world's foremost authorities on totalitarian techniques, once said, "Socialized medicine is the keystone to the arch of the socialized state." That is completely logical. For under socialism, the state must be top dog in everything—including the standards of medical service the people are to receive. Regimentation must be complete if it is to succeed.

The fight against the destruction of private medicine is simply part of the larger fight to guard our freedoms. Justice Brandeis went to the heart of the matter when he warned against "insidious encroachments by men of zeal, well-meaning, but without understanding."

HOLLOWAY

The Ladies Aid of the Holloway Presbyterian Church met Thursday afternoon with Mrs. Leslie Calhoun, assisted by Mrs. John Calhoun. The afternoon was spent making aprons for the bazaar to be held in November. Money was sent to CARE for a box to be sent to Germany. Refreshments were served to the 26 members present.

The olunteer Class of the Holloway Presbyterian church will meet at the home of Mr. and Mrs. Roland Fairbanks on the evening of October 27. The program will be under the direction of Mr. and Mrs. Leslie Calhoun and devotions will be given by Mrs. Roger Gillespie.

Max Gritzmaker, son of Mr. and Mrs. John Gritzmaker spent the weekend from his studies at Michigan State College with his parents.

Mr. and Mrs. Lawrence Gallaway left the last of the week for La-Grange, Ill., and Chicago to spend several days visiting relatives there.

Mr. and Mrs. Alfred Hoelzer of Ann Arbor spent Sunday as the guests of Mr. and Mrs. Leon Stattz.

Mr. and Mrs. Paul Kopke and children were Sunday guests of Mr. and Mrs. Melvin Sell of Toledo.

Mr. and Mrs. Alton Wellnitz and children spent Sunday visiting Mrs. S. E. Beaverso of Holgate, Ohio.

The South Holloway Extension Club met Wednesday morning with Mrs. James Mitchell. The meeting was held in the morning with potluck dinner at noon served to 20 members and visitors. The lesson on Remodeling Lamps was given by the leaders, Mrs. James Mitchell and Mrs. Hugh Mitchell. The November meeting will be held with Mrs. Blanche Waldeck.

The P. T. A. District 9 met Thursday evening at the school with a Hallowe'en party. Prizes for the children were won by Billy Mitchell, the most comical and Molly Mitchell as the most original. Adult prizezs were won by Miss Betty Martolock and Lawrence Marks. Hallowe'en games were played and prizes won. The next meeting will be a box social with Mrs. James Mitchell and Mrs. William Trinka as hostesses.

RIDGEWAY

The Ridgeway Garden Club will meet with Mrs. Ray Lindbert at 10 a.m., Thursday, November 4. A potluck dimner will be served.

Miss Florine Linn and Mr. and Mrs. Elmer Linn called on Milan friends Saturday.

The United Workers met in the church Tuesday evening this week. A potluck supper was served to members and their families.

Roy and Robert Montgomery of Blissfield called in town Friday.

Mrs. Marcia Baker spent the past few days with her daughter, Mrs. Lester McDonnell of Melvindale.

Mrs. Carroll Culbertson went to Detroit Friday to visit relatives. Mr. Culbertson joined her there Sunday and they returned home in the evening.

Mrs. Mary L. Anspach had as guests the past week her brother, N. P. Reed of Mason and his daughter, Mrs. C. Huntington, also of Mason.

Sunday guests of Mrs. Mary L. Anspach were Mr. and Mrs. Darrel Huntington and family of Eaton Rapids, also Mr. and Mrs. A. J. Todd of Tecumseh.

GUILD TO MEET

St. Peter's Guild will meet at the home of Mrs. W. C. Brooks, Thursday, November 4, at 2 o'clock, with Mrs. B. A. Everlove as assisting hostess.

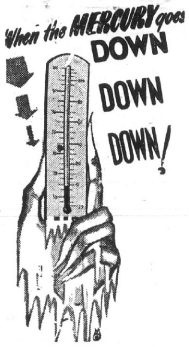
Cut Your Fuel Costs
Up To 30%

It's just good business, you'll agree, to cut fuel costs as much as 30 per cent in a single heating season . . . yet there are many folks who hesitate to insulate their homes.

And its true, insulation saves up to 30 per cent in fuel costs . . . pays for itself in three or four years . . . to say nothing of the added comfort, both summer and winter.

IT'S NOT TOO LATE TO INSULATE . . . and we'd suggest that you do it NOW and begin immediately to cut your fuel costs.

Insulation works for you 12 months out of every year. It makes your house cooler in summer, warmer in winter.



THEN'S WHEN
YOU'LL WISH YOU'D DONE THIS

MACON

There was a large gathering of friends and neighbors at the October Family night potluck supper at the Methodist church. Following the supper which was served in the church dining room at tables decorated with bouquets of garden flowers and autumn leaves a program was presented including group singing led by Mrs. F. Littell and a duet by Mr. and Mrs. Clayton Bigelow. Dr. Littell presented screen views of events in the life of Florence Nightingale. The total amount of donation was $136 with $134 remaining after expenses were paid. Mrs. R. A. Halladay was pianist of the evening.

Mr. and Mrs. Clarence Hall were in Dearborn Saturday evening to attend the wedding of Miss Lillian Jean Hawn and William Chambers, both of Dearborn, who spoke their vows at 7:30 p.m., before the altar at Mt. Olivet Methodist church. Following the ceremony a reception was held in the church parlors.

Mrs. Rose Gilmore and sister, Mrs. Ellen Collins, and Mrs. Gretel Collins and Mrs. Jennie Temple of Tecumseh were in Toledo, Thursday and called on Mrs. Georgianna Abbot. The group were celebrating Mrs. Gilmore's birthday anniversary.

Mr. and Mrs. Ronald Pilbeam and uncle, Charles Schoolmaster were in Carleton Sunday afternoon and called on the latter's nephew, Orrin Calkins and Mrs. Calkins. The afternoon visit was in honor of Mr. Schoolmaster's birthday anniversary.

Mr. and Mrs. Ray Gilmore were host and hostess at a family dinner Sunday in celebration of Mrs. Gilmore's birthday anniversary. Guests present were their children Mr. and Mrs. Herbert Gilmore and Millard Gilmore and grandchildren Miss Rose Mary Gilmore and Wesley Gilmore.

Mr. and Mrs. Bert Sharpe and two children of Dearborn were guests from Friday until Sunday of Mr. and Mrs. Harold Crittenden. Additional guests Saturday in the same home were Mr. and Mrs. Paul Richter.

Mrs. Madge Morse and daughter of Hamilton, Ohio were guests from Thursday until Saturday of Mr. and Mrs. Leon Vealy. Bert Mead and son Lyle of Ypsilanti were also recent guests in the same home.

Mr. and Mrs. Ralph Halladay returned Monday from a four day's visit with friends in St. Mary's Ohio.

Mr. and Mrs. Clifford Bruder and two children of Lansing were dinner guests Sunday of his parents Mr. and Mrs. Burt Bruder.

Guests Sunday in the John Crittenden home were Miss Marian Crittenden and friend, Mrs. Effie Steffner both of Detroit.

Mr. and Mrs. Kenneth Frost and children and the former's mother Mrs. Jesse Frost returned home Monday evening following a four day hunting trip to Clear Lake.

Mr. and Mrs. Carl Cox of Tecumseh were recent callers of Mr. and Mrs. Leon Vealey.

Mr. and Mrs. Elwyn Bugbee entertained at dinner Friday evening Mr. and Mrs. Lynn Taft of Sequin, Texas, and Mr. and Mrs. Wm. Taylor and Myrna and Ivan Bugbee all of Adrian.

On Wednesday, Mr. and Mrs. Ray Gilmore entertained at dinner Clarence Gilmore of Tecumseh, Frank Gilmore and daughter Hilda of Parma, Mrs. Alta Boyce of Tecumseh, the Misses Julia and Lula Gilmore of Ridgeway and Mrs. Ellen Patton of Tecumseh, honoring the hosts' brother, Clarence, who leaves for Florida within a few days.

Mrs. Carl Thomas is home from the Tecumseh Hospital, and her aunt, Mrs. Ina Lyons of Berrien Springs, is caring for her.

Mrs. Effie Kuder is ill of a heart ailment.

—o—

To the men of the U. S. Armed Forces, all honor and respect from a grateful nation.

Unique Window

(Continued From Page 1)

we expect everybody, old and young, to have a good time."

Fun For Old And Young

As a result of Tecumseh's first Halloween soap art contest, a half dozen merchants share the unusual distinction of asking that their windows be soaped and then being disappointed. Thirty-five downtown stores requested that their windows be used in the contest, but since there are only twenty-three students in Miss Dorothy Burgess's new high school art class, some had to be eliminated. A few eighth graders of sufficient skill have been recruited, and at present it appears that twenty-eight stores will have pictures in the contest.

The committee in charge divided the business district so that there would be about the same number of pictures in each block and drew lots for the selected stores. The public will find soap pictures on windows on both sides of Chicago Boulevard between Ottawa and Pearl, on North Evans, and on West Logan. In the event that Miss Burgess is able to discover more talent, this number will be added to.

The art students have been planning their drawings for weeks, and some of the pictures are making their appearance on store windows today. Interest in the contest is widespread and it is expected that visitors from all over this section will come to Tecumseh to see the pictures, Saturday evening.

Although some cities use a window art contest every year, this is the first time it has been used in Tecumseh. It is expected that the interest displayed this year will be such that next year more students will enter the contest and that every store in town will have an example of student art on its window.

The following students are entered in the contest: Nadine Carney, Marlys Arnold, Evelyn Arnold, Florine Schuitz, Margaret Deming, Dola Lou Lanning, Phyllis Butler, Shirley Teske, Jennie Phillips, Jim Hubbard, Bonnie Beasley, Jim Colson, Garland Holmes, Roberta Holmes.

Alice Osburn, Lourissa Peotter, Dean Peotter, Sally Jo Rentschler, Barbara Quigley, Shirley Fosbender, Juanita Downard, Shirley VanCamp, Bob Rupert, Wilma Gurtzweiler, Jack Whelan, John Underwood and Marian Westgate.

Judging of the pictures will take place Saturday with Mrs. Jens Touborg, Mrs. J. W. Spafford, and Mrs. Burdette Kizer acting as judges. The winner of the first prize in the contest will receive a $10 cash award, the second prize, $7 and the third, $5.

Costume judging will be done by Ernest Green, Ted Ehringer, Mrs. Paul Keyser, Mrs. Jas. McDowell and Mrs. Earl Place.

Exchange Club Plays Host To Children

Children of Tecumseh Exchange Club members were guests at the regular dinner meeting of the club, Monday evening at Brees House, and, according to several members, it proved to be one of the best meetings of the year. Special guests were the Fuschia Brownie Scout troop No. 11, its leader, Mrs. Owen Partridge, and co-leader, Mrs. George Heeman. The Exchange sponsors this troop and 73 persons were in attendance.

Members of Fuschia troop No. 11 are Joyce Ann Partridge, Brenda Hesman, Lois Butler, Martha Owen, Jane Colegrove, Karolyn Mueller, Judy Ripley, Mary Jo Tressler, Mary Ann Mason, Dorothy Goodwin, Joyce Matheny and Joan Kampf.

John Saling showed three reels of comic film, which delighted the guests immensely. As the children departed from the "Kiddies Party", they were treated with candy.

G. Garlick was a guest of Donald Wilson.

Adrian, Braves

(Continued from page 1)

Brave line let up for a minute that the game was decided. As Baker tried to punt out of danger on his two yard line, Montague broke this and blocked the kick. The ball rolled behind Baker and out of the end zone and two points. The game saw a bitter battle of lines which were playing a very rugged game. The contest was played at Montague.

Last week Sunday, the Braves traveled to Bay City to play a return game with the All-Stars. The Braves waged the contest on even terms with Bay City the first quarter, then another one of the breaks, which have hounded the Braves all year, came. A Bay City back gathered in one of Baker's punts on his own 30 yard line, and outran the entire Tecumseh team for 70 yards and a score. The extra point kick hit the goal posts and bounced back. The score was 6 to 0. Bay City leading at half time.

Misfortune struck again on the second half kickoff. The Braves fumbled the kickoff and Bay City recovered on the Tecumseh 25 yard line. It took the All-Stars 11 plays before they could crush the Braves defense for the final score. The kick was blocked. The final score was Bay City 12, Tecumseh 0.

Tecumseh's line displayed a rugged picture for the fans there, but the breaks were against them. The rest of the game was played around midfield. It was the sixth victory in seven starts for Bay City this year. The Braves are hoping that a few of those breaks will go their way Saturday night against Adrian. A large crowd is expected for the battle.

Chest Campaign

(Continued From Page 1)

Place and Mrs. M. Brisbin. Factories and chain stores, Ellsworth Collins and Vance Ogden. Outlying business area, M. G. Partridge.

Residential districts: Southwest area, Mrs. Helen Mix and Mrs. Mabel Whiting. Northwest area, Mrs. Frank Purcell, Mrs. E. Green. Northeast area, Mrs. Carl Thompson, Mrs. Ron Johnson.

Tecumseh township: Northeast area, Fred Sheldon. Southeast area, Arthur Eaton, northwest area, Mrs. D. Brown, southwest area, Mrs. Carl Thompson and Mrs. Albert Tonneberger. Leslie Becker is the township captain.

Women's clubs, Mrs. Ruth Rentschler. Advertising and publicity, Mr. Ogden and Earl Wickwire. Window displays, Earl Bryan, Glenn Kohler and Mr. Ogden.

Business district solicitation: Northeast section, Marvin Watkins, northwest section, Harold Green, southeast section, Ned Rosacrans, southwest section, Mrs. Yale Kerby, Mrs. Florence Howe. It was said that additional committees would be named in areas not now covered as the campaign progresses.

"This year," Ogden said, "there will be no personal solicitation of any workers in the factories. All solicitations will be made personally in the homes. Last year, there was some confusion about solicitation and we want to clear up the situation this year at the beginning of the campaign."

Dedicate New

(Continued from Page 1)

trained and prepared for the life for which they were made."

A check in the amount of $10,000 was presented to Cardinal Mooney by the Boysville Auxiliary, composed of interested men and women. The money is to be used for the school's improvement.

The deacons of honor for Cardinal Mooney at the services were the Rev. Fr. John Wittstock of Detroit, and Rev. Joseph of Whalen of Grand Rapids. For the benediction the deacons were the Rev. Frs. Robert Fitzpatrick of Saginaw, and Earl Sherican of Flint. The choir of 30 voices which sang during the service, was under the direction of the Rev. Fr. Frank Flynn of the Sacred Heart Seminary, Detroit.

Although only 15 boys are at present located at Boysville, it is expected that the enrollment will steadily increase until 300 are registered within four years. The school is making use of the many buildings of the old institute, including the saw mill, the machine shop, the industrial arts building, and others. Several buildings have been moved to the site from Detroit.

Cardinal Mooney said that while the school as it exists today is just a "humble beginning" it will be improved upon from year to year until all temporary buildings have been replaced by permanent ones, not luxurious but comfortable.

Boysville will be operated by five dioceses of the Catholic ecclesiastical province of Detroit in collaboration with the Michigan Knights of Columbus.

CHILD IS INJURED IN FALL FROM CAR

Randall Angott, aged two years, was cut about the scalp and face, Sunday afternoon, when he fell from a car driven by his father, Arthur, of East Detroit. The accident happened on the Macon Road, near Macon, as the car was moving about 35 miles per hour. The lad was playing in the rear seat of the car and managed to open the door. After treatment at Tecumseh hospital he was released.

DEPENDABLE CLASS

Mrs. Norman MacNaughton was hostess to the Temple Dependable class of the Methodist church at her home in Adrian, last Thursday afternoon. Eleven members and five guests were in attendance. Mrs. Gertrude Pangle, president, presided at the business meeting after a short program was given by several members. Mrs. MacNaughton served refreshments after which an enjoyable social time was held.

HOSTESS TO CLUB

The Indian Acres Extension Club met at the home of Mrs. Howard Truesdale, Monday, October 25. Seven members and two guests were present. Mrs. Richard Preston presented an illustrated program on "Convalescent Play." In conclusion the hostess served refreshments.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet Tuesday evening, November 2, at the home of Mrs. Doris Bagshaw at 8 o'clock. Mrs. Ruth Puffer will present the program of "Travelogues" and Mrs. Henrietta Lindsley will lead in devotions. The assisting hostess is Mrs. Puffer.

Detroit Rector Will Preach Here, Sunday

The Rev. Paul G. Musselman, rector of Mariner's church, Detroit, and chairman of the Department of Promotion of the Episcopal Diocese of Michigan, will be the special preacher at St. Peter's church on Sunday, October 31, at 11:15 a.m.

Mariner's church is the historic Episcopal church on the Detroit River at the foot of Woodward Ave. In his Diocesan work, Mr. Musselman has been an outstanding leader and speaker for the expansion of the Diocesan missionary program.

School Board

(Continued From Page 1)

658.49. The district expects to receive from the fund yet this year an additional $13,262, it was said.

The district's budget, established last summer, took into consideration the receipt of this money and the financial structure of the schools would be greatly damaged in the event of a repeal, it was said.

It also was pointed out that the village and the township receive from the sales tax diversion approximately $25,000 annually, the village receiving well over $20,000 of the amount.

In the event of the repeal of the amendment next Tuesday, it was pointed out, the school district, the village and the township would lose an income of more than $40,000.

Proposal No. 5, on which the board of education, by resolution, urged a "Yes" vote would, by constitutional amendment, permit school districts to issue bonds for a period up to 20 years by a simple majority vote of the electors.

At the present time, districts may not issue bonds for a time longer than five years, and then only if approval is given by a two-third majority vote.

It will be recalled that Tecumseh encountered this law when it voted last summer to bond for $180,000 for a new high school. The bonds here were issued for only a five year period and the two-thirds vote was necessary.

Educators, locally and statewide, feel that districts, now facing expansion programs, would be generally benefitted if it were possible to issue bonds maturing over a longer period of years, and, also, if a simple majority rather than a two-thirds majority of the voters were needed for approval.

OES Officers

(Continued on Page 1)

Agnes Harris; treasurer, Mrs. Alice Schneider; conductress, Mrs. Emma May Bonham; associate conductress, Mrs. Vera Driscoll; chaplain, Mrs. Myrtle Taylor; marshal, LaRue Hoagland; organist, Mrs. Vera Driscoll; Adah, Mrs. Anna Rozelle; Ruth, Mrs. Beulah McCombs; Esther, Mrs. Louise Partridge; Martha, Mrs. Katherine Gibson; Electa, Mrs. Ethel Green; warder, Mrs. Marie Morehouse; sentinel, Warren Benham; flag bearers, Mrs. Lucille Schlegel and Ruth O'Neill; soloist, Mrs. Belva Weichner.

Mr. and Mrs. Beach were escorted to their stations by their daughter Karen and their son Jimmy.

The past matrons formed a circle at the altar for the welcoming of Mrs. Hart as junior past matron.

Some 125 guests were served refreshments in the dining room by Mrs. Dora Warren and her committee. The decorations were in keeping with Hallowe'en.

The next meeting of the O. E. S. is next Thursday, November 4.

Big County Vote

(Continued from page 1)

seeking election as lieutenant governor on the Prohibition ticket, and John C. Truesdale, who is a candidate for county sheriff on the Democrat ticket. It is expected that both of these men will receive a big complimentary vote in Tecumseh.

The third ballot is the "Non Partisan Ballot" and lists the name of only one man, Maurice E. Tripp, who is seeking reelection as Lenawee county's probate judge. He is unopposed.

The fourth ballot is known as the "Referendum Ballot," and lists five proposed constitutional amendments and one referendum question.

The fifth ballot, also known as a "Referendum Ballot," lists the seventh referendum issue, proposing a revision of Michigan's constitution.

The text of the seven proposals will be found elsewhere in this newspaper, printed in their legal forms.

Although interest centers in the election around the race between Dewey and Truman for the presidency, there also is keen competition in the battle between Kim Sigler and G. M. Williams for the governorship of Michigan. Sigler, a Republican, is the incumbent.

It is generally conceded that Tecumseh township and Lenawee county will remain, as they have in other years, solidly Republican. In the congressional race, Homer Ferguson is favored to win over his Democratic opponent, F. E. Hook, and likewise, Earl C. Michener, veteran member of Congress from the second district, is expected to be an easy victor over Preston Slosscn, U. of M. professor, and a Democrat. In the state legislative race, Elmer Porter, senator, and Rollo Conlin, representative, both Republicans, are seen as winners.

LOCAL STUDENT CROWNS ALBION FESTIVAL QUEEN

Before a large crowd of returning alumni, Robert W. Mohr, son of Mr. and Mrs. Roland Mohr of 214 East Logan, newly elected president of the Student Council at Albion college, crowned Albion's Homecoming Queen, Donna Mesdema of Grand Rapids, Saturday afternoon before the football game at Alumni Field.

HONOR BIRTHDAY

Mr. and Mrs. Orman Lamkin and Mr. and Mrs. H. D. Harrison of Detroit and Mr. and Mrs. K. D. Hall entertained forty guests with a potluck dinner on Saturday in the latter's home. The occasion was in honor of the 90th birthday anniversary of Charles H. Kemp. Guests were present from Onsted, Adrian, North Adams, Holloway, Tipton, Ann Arbor, Blissfield and Tecumseh. Mr. Kemp enjoys excellent health and expects to leave in November to spend the winter in Florida.

Tecumseh Folk Urged To Attend P. T. A. Meet

Mrs. Truman Rentschler, president of the Parent-Teacher Association, has received the program for the Parent Education Institute to be held in the Racham Building at Ann Arbor, next Thursday and Friday, November 4 and 5. All members of the Tecumseh P. T. A. are invited to attend the institute.

The theme of the institute is "To Raise The Standards of Home Life," and the addresses to be given will include, "Personality Needs of The School-Age Child," Dr. Ethel Kewin, University of Chicago; "Some Legal Problems in Parent-Child Relationships," Dr. John F. Cuber, Ohio State University; "Psycho-Dramatic Presentation of the Family Council," Dr. Howard Y. McClusky, University of Michigan. A panel discussion on the subject "Community Responsibility to the Family," will follow. There will be other interesting subjects and activities including classes in parent education and several films to be shown.

CLUB ENJOYS DINNER

The B. P. S. P. S. C. met Friday night at Brees House for dinner, this ending the attendance contest. The tables were beautifully decorated with fall flowers by Mrs. George Green and her committee.

After dinner the group adjourned to Mrs. Green's home, where a short business session was held, during which time the program for the year was planned. It was voted to have only one meeting a month, this to be the third Wednesday. It was also voted to send $10 for a CARE package to be sent overseas.

Games were played and prizes won by Mrs. Arthur Bowser, Mrs. Carl Thompson and Mrs. Glen Wilson.

B. & P.W. Members Enjoy Big Hallowe'en Party

Hilarity and much laughter marked the benefit Hallowe'en party of the Business and Professional Women at the Baptist church, Monday evening. Mrs. Jessie Snyder and Mrs. Margaretta Brisbin were responsible for the evening enjoyed by over 50 members and guests.

The members came dressed in "rags and tatters," some of which were finery in days gone by. Mrs. Ayesha Laidlaw, in tails and high silk hat, as the "judge" was actively engaged in fining the women for various misdemeanors. Mrs. Snyder acted as toastmistress and presented Miss Marjorie Mohr, Tecumseh school music teacher, who in turn introduced her Girls Glee Club, which entertained with two numbers.

Upstairs in the parlor the women enjoyed a fish pond, tea leaves were read by Mrs. Cecil Smith and the remainder of the program included quartette singing, lingerie fashion show, millinery show, dancing team and other laugh-provoking antics. The school teachers presented a playlet written by Miss Bessie Bortner, this only adding to the merriment. The auction sale of baked goods, with Mrs. Susan Porter as auctioneer, netted a sizeable sum of money. Mrs. Brisbin conducted the "orchestra," after which Miss Mohr led in group singing which concluded the evening.

Tecumseh F. F. A.

The advanced feeding class of the F. F. A. is running a experiment on "how to best feed hogs." Six pigs were purchased from a nearby farmer. They were divided into two groups, weighed, wormed and put on a balanced ration. Mr. Chet Baker of the Hayden Milling Co., is supplying the ration for one group while the other set is on a class ration. Weights will be taken every two weeks. At the end the hogs will be sold and the profit if any, will be placed in the F. F. A. treasury.

From where I sit ... *by* Joe Marsh

Want To Join Our Club?

Newcomers to our town are puzzled when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is.

Well, the answer is: *any one* can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better.

Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women contributing cakes, pies, and coffee, the men contributing the meat for barbecuing, and the beer or ale.

From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.

As I say, Neighbor, any one can join up! So come along a week from this Saturday.

Joe Marsh

The Wit and Wisdom Club will meet at the home of Rev. and Mrs. Alvin Brazee in Manchester, Monday evening, November 1, with Mr. and Mrs. Glenn VanDenbergh assisting.

DAUGHTERS TO MEET

The Daughters of St. Peter will hold an important meeting at the home of Mrs. O. W. Laidlaw, Tuesday evening, November 2, at 8 o'clock. All members are urged to attend.

GOOD CHEER CLASS

The Good Cheer Class of the Baptist church school will hold a hard-times party at the home of Mr. and Mrs. Norman McConnell Friday evening, October 29, at 7 o'clock, for the purpose of raising funds for the new church cushions.

WEEK OF PRAYER

The Week of Prayer and Self Denial will be observed in the parlors of the Methodist church Friday, October 29, at 2:30 p.m. Mrs. Claude Gray, secretary of Spiritual Life for the W. S. C. S., will introduce the program.

BURIED AT NORTHVILLE

Funeral services were held Friday afternoon in Northville for Mrs. Maud Moffitt, aged 66 years, of Northville, who died at 11:30 last week Tuesday night after suffering a heart attack earlier in the day.

Mrs. Moffitt was preceded in death by her husband, infant son, parents, three brothers, and two sisters. She was a sister of the late James R. Collins of Tecumseh.

One brother, Charles, survives as well as several nieces and nepheys.

Mrs. James R. Collins and Mrs. Walter Pfaus attended the services.

HALLOWE'EN PARTY

The Altar Society of St. Elizabeth's church has announced a Hallowe'en party for this evening at 6:30 in the church basement. All children of the parish and their parents are invited.

Hart's Market in A&P Store

High Quality Foods Bring Our Customers Back

Scores of years ago, when this food store first opened, we decided to sell only high-quality, nationally advertised brands of merchandise . . . the kind that we could unconditionally guarantee . . . that would give the purchaser the most for his money.

We believe that this policy has paid dividends because our customers come back, day-after-day, month-after-month, year-after-year, as our regular customers.

If you'd lke to join this happy group of satisfied food buyers, we'd like to have you shop with us regularly, too.

Pretty Autumn Wedding At Manchester Church

At a lovely autumn wedding taking place in the Evangelical Lutheran church in Manchester, Miss Jean Marie Trinkle, daughter of Mr. and Mrs. Otto Trinkle of Manchester and Elmen Leslie Kopka, son of Mr. and Mrs. Arthur Kopka, sr., of Dundee, were united in marriage. The double ring service was performed October 16, at 7:30 p.m., by the Rev. H. S. VanRague.

As Mrs. Royal Davidter played a program of nuptial music Francis Kopka of Azalia and Robert Difenderfer of Manchester seated the guests in pews trimmed with satin bows and evergreen. Wayne Teachworth, brother-in-law of the groom sang "I Love You Truly" and "Because."

As the bride approached the altar decorated with candelabra, palms and baskets of white gladioli and pom pon mums, she was lovely in a candlelight satin gown fashioned of the high waisted empire style. Folds of satin formed the bodice and panels of chantilly lace gave beauty and grace to the gown which had a cathedral train. Her Mary Queen of Scots headpiece was also of chantilly lace and the illusion veil was fingertip length. Her cascade bouquet of white roses was centered with a removable corsage of white roses. The bride was given in marriage by her father.

Mrs. Robert Difenderfer attended her sister as matron of honor and was gowned in waltz blue satin. Her headpiece was of peach ostrich tips and she wore peach mitts. Her flowers were a cascade of picerede gladioli and Johanna Hill roses.

Little Diane Teachworth, niece of the bridegroom, wore a pink dotted swiss gown and carried a basket trimmed with pink ribbons and filled with pink carnations. The ring bearer was Dennis Winter, nephew of the bridegroom, and carried the rings on a pillow of satin ribbons and lace.

Arthur Kopka, jr., of Monroe, assisted his brother as best man.

For her daughter's wedding, Mrs. Trinkle chose dark green crepe with black accessories and a corsage of yellow roses while Mrs. Kopka wore back crepe with black accessories and a corsage of yellow roses.

After the ceremony a reception was held for 175 guests in the church parlor. Miss Joyce Tirb, Miss Maxine Tirb, Miss Helen Marie Traub, Miss Aileen Kulenkamp and Mrs. Wilbert Reiser were assisted with the serving by Mrs. Otto Kulenkamp, Mrs. Kenneth Furgason, Mrs. Donald Uphaus and Mrs. Larry Miller. Miss Lois Kopka was in charge of the guest book. Mrs. Wilbert Trinkle of Dexter and Mrs. Carl Schuler of Dundee cut the wedding cake. Guests were from Ann Arbor, Monroe, Chelsea, Jackson, Adrian, Detroit, Toledo, Petersburg, Azalia, Saline, Britton, Blissfield, Ypsilanti, Dundee, Clinton, Tecumseh, Manchester and Springfield, Ohio.

For the trip to northern Michigan and Canada, the bride wore a gray suit with black accessories and the corsage from her bridal bouquet. Mr. and Mrs. Kopka are now residing at their home at 615 North Union St.

The bride is a graduate of Manchester high school and is employed in the shipping office at the Tecumseh Products Company. The groom served in the U. S. Army for three years, much of that spent overseas, and is now an inspector at the Tecumseh Products Company.

Pre-nuptial showers were given by Mrs. Robert Difenderfer, Mrs Kenneth Furgason and Mrs. Otto Trinkle.

ONSTED

Officers of the Berean Sunday school class were named as follows: president, Gerald Ferris; vice president, Edward Kamke; secretary and treasurer, Mrs. Bernie Hauge.

Mrs. R. A. Kerr entertained her bridge club at her home Tuesday.

Ronald Winter, Dr. Roy Larson and Lynn Barrows received the third degree of the Onsted Lodge F. & A. M. The next meeting of the lodge will be held November 2.

GIRL SCOUT ASSN. TO HOLD ANNUAL MEET

The annual meeting of the Tecumseh Girl Scout Association will be held in the music room of Tecumseh high school, Wednesday evening, November 3, at 8 o'clock. All members and mothers of Girl Scouts are urged to attend.

Jacob Receives Esau's Blessing

"And Jacob went near unto Isaac his father; and he felt him, and said, 'The voice is Jacob's voice, but the hands are the hands of Esau' . . . And he said, 'Art thou my son Esau?' And Jacob said, 'I am.' And Isaac the father said, 'Bring it near to me, and I will eat of my son's venison, that my soul may bless thee.'" (Genesis 27:27 Abridged.)

Isaac wanted his eldest son Esau to inherit all of his power and lands. He sent Esau, the hunter for venison, which he would eat; and after eating he would bless Esau with his inheritance. Jacob, disguised as Esau, received Isaac's blessing and again Esau was left out. Again deceit and trickery worked with temptation and greed.

Today's church is fighting such evil—you help fight too, by attending the church of your choice regularly.

ELECTION NOTICE

To the Qualified Electors of the Township of Tecumseh, County of Lenawee Michigan.

NOTICE IS HEREBY GIVEN, that a General Election will be held on TUESDAY, NOVEMBER 2, 1948 at Council Building

For the purpose of electing the following officers

PRESIDENTIAL: Electors of President and Vice-President of the United States.

STATE: Governor; Lieutenant Governor; Secretary of State; Attorney General; State Treasurer; Auditor General.

CONGRESSIONAL: United States Senator; Representative in Congress.

LEGISLATIVE: State Senator; Representative in State Legislature.

COUNTY: Judge of Probate; Prosecuting Attorney; Sheriff; County Clerk; County Treasurer; Register of Deeds; Circuit Court Commissioner; Drain Commissioner; Two Coroners; Surveyor.

PROPOSITIONS

Also for the purpose of voting on the following propositions

Proposal No. 1

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO THE ORDER OF SUCCESSION IN THE PERFORMANCE AND DUTIES OF THE GOVERNOR.

A Joint Resolution of the 1947 Legislature proposing an amendment to sections 16, 17 and 18 of article 6 of the state constitution relative to the order of succession in the performance of the powers and duties of the governor, and to read as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases. When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

In case of the death of the governor-elect before taking and subscribing to the constitutional oath of office, or before entering upon the duties of his office, the powers and duties of the office shall devolve upon the lieutenant governor-elect on the commencement of his term of office.

Sec. 17. After the lieutenant governor, the line of succession and order of precedence of state officers, who shall act as governor, shall be secretary of state, attorney general, state treasurer and auditor general, and during a vacancy in the office of governor, if the lieutenant governor or any state officer or officers in this line of succession die, resign, be impeached, displaced, be incapable of performing the duties of office, or be absent from the state, leaving no state officer prior in the line of succession to fill the office of governor, the state officer next in line of succession shall act as governor during the residue of his term or until the absence or disability giving rise to the succession ceases.

In case of the death of the lieutenant governor-elect or any state officer or officer-elect in this line of succession before taking and subscribing to the constitutional oath of office, or before entering upon the duties of office, leaving no state officer-elect prior in line of succession to fill the office of governor, the powers and duties of the office of governor shall devolve upon the state officer-elect next in line on the commencement of his term of office.

Sec. 18. The lieutenant governor or other state officer in the line of succession, while performing the duties of governor, shall receive the same compensation as the governor.

Provision of existing constitution altered by such proposal if adopted, now reads as follows:

Sec. 16. In case of the impeachment of the governor, his removal from office, death, inability, resignation or absence from the state, the powers and duties of the office shall devolve upon the lieutenant governor for the residue of the term or until the disability ceases. When the governor shall be out of the state at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the state.

Sec. 17. During a vacancy in the office of governor, if the lieutenant governor die, resign, or be impeached, displaced, be incapable of performing the duties of his office, or absent from the state, the secretary of state shall act as governor until the vacancy be filled or the disability cease.

Sec. 18. The lieutenant governor or secretary of state, while performing the duties of governor, shall receive the same compensation as the governor.

Proposal No. 2

PROPOSED AMENDMENT TO THE CONSTITUTION PROVIDING FOR THE REPEAL OF SECTION 23, ARTICLE 10.

A Joint Resolution of the 1947 Legislature proposing an amendment to the state constitution providing for the repeal and striking therefrom of section 23 of article 10 of the state constitution relative to the return of one cent of a state sales tax levy to be divided among school districts, cities, townships and villages and providing for the making of annual grants to school districts out of general funds.

Provision of existing constitution to be abrogated by such proposal, if adopted, now reads as follows:

Sec. 23. There shall be returned to local governmental units and school districts by the method hereinafter set forth, one cent of a state sales tax levy on each dollar of sales of tangible personal property on the present statutory base (not rate). The state tax collecting authority shall divide the entire sum without deduction and remit 50 per cent thereof among the school districts on the basis of the school census on which primary school money is distributed for that fiscal year. The balance of 50 per cent shall be returned to counties as a whole on a population basis and payment shall be made to the county treasurer who shall remit to the respective cities, townships and villages within the county on a per capita basis. Population computation shall be based on the last statewide federal census for purposes of division among counties and upon the same basis or upon any special federal county-wide census, whichever is later, for intra-county division purposes. All remittances provided shall be made on a quarterly basis. The legislature shall hereafter make annual grants to school districts out of general funds, over and above all constitutional allocations heretofore and herein provided, in at least amounts which bear the same ratio to total state sales tax revenues of the preceding year which the legislative grants in the fiscal year 1945-1946 bore to said revenues of the preceding year.

Proposal No. 3

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION OF CERTAIN STATE OFFICERS

A Joint Resolution of the 1948 Extra Session of the Legislature proposing an amendment to section 21 of article 6 of the state constitution, providing that the compensation of the governor, secretary of state, state treasurer, auditor general, and attorney general be determined by law, and to read as follows:

Sec. 21. The governor, secretary of state, state treasurer, auditor general, and attorney general shall each receive such compensation as shall be prescribed by law which shall be in full for all services performed and expenses incred during his term of office: Provided, That the same shall not be changed during the term of office for which elected.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 21. The governor and attorney general shall each receive an annual salary of five thousand dollars. The secretary of state, state treasurer, commissioner of the state land office and auditor general shall each receive an annual salary of twenty-five hundred dollars. They shall receive no fees or perquisites whatever for the performance of any duties connected with the offices. It shall not be competent for the legislature to increase the salaries herein provided.

Proposal No. 4

PROPOSED AMENDMENT TO THE CONSTITUTION RELATIVE TO COMPENSATION AND EXPENSES OF MEMBERS OF THE LEGISLATURE

A Joint Resolution of the 1948 Extra Session of the Legislature, proposing an amendment to section 9 of article 5 of the state constitution, providing for the determination of the compensation and expenses of members of the legislature by law, and to read as follows:

Sec. 9. The compensation and expenses of the members of the legislature shall be determined by law: Provided, That no change in compensation or expenses shall be effective during the term of office for which the legislature making the change was elected. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows:

Sec. 9. The compensation of the members of the legislature shall be three dollars per diem during the term for which they are elected, and they shall receive no further compensation than as specified in this section for service when the legislature is convened in extra session. Members shall be entitled to ten cents per mile and no more for one round trip to each regular and special session of the legislature by the usually traveled route. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

Proposal No. 5

AMENDMENT TO THE CONSTITUTION SO AS TO MODIFY THE FIFTEEN-MILL LIMITATION

Initiatory petition to amend section 21 of article 10 of the constitution of the state of Michigan so as to modify the fifteen-mill limitation to permit increase of the limitation for a period of not to exceed twenty years, and to require a majority vote of the electors instead of a two-thirds vote to increase such limitation, said amendment to read as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed twenty years at any one time, to not more than a total of five per cent of the assessed valuation, by a majority vote of the electors of any assessing district or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

Proposal No. 6

REFERENDUM OF ACT NO. 270 OF PUBLIC ACTS OF 1947, ENTITLED "AN ACT TO REGULATE AND CONTROL THE OPERATION OF FOREIGN AGENCIES ACTING WITHIN THE STATE OF MICHIGAN AND TO PRESCRIBE PENALTIES FOR VIOLATIONS OF THE PROVISIONS OF THIS ACT."

Petitions for Referendum of Act No. 270 of the Public Acts of 1947, entitled "An act to regulate and control the operation of foreign agencies acting within the state of Michigan; and to prescribe penalties for violations of the provisions of this act."

At a general election to be held on Tuesday, November 2, 1948, the question of calling and holding a convention for the purpose of making a general revision of the constitution pursuant to the provisions of section 4 of article 17 of the constitution, shall be submitted to the electors of the state qualified to vote for members of the legislature.

The ballots, upon which the question of the general revision of the constitution shall be submitted to the qualified electors of the state, shall be separate and distinct from any and all ballots containing the names of nominees for public office or relating to amendments to the constitution, except in the cases of the use of voting machines, and shall be as follows:

"GENERAL REVISION OF THE CONSTITUTION

Shall a convention for the purpose of a general revision of the constitution be held?

Yes ( )

Shall a convention for the purpose of a general revision of the constitution be held?

No ( )."

..... Local Propositions: None .....

NOTICE RELATIVE TO OPENING AND CLOSING OF THE POLLS

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Hugh H. Hanna, Township Clerk

STATE OF MICHIGAN, County of Lenawee, ss.

Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 11th day of October in the year one thousand nine-hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LESTER W. MIX, Deceased.

On reading and filing the petition of Leon R. Mix, executor upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 1st day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP, Judge of Probate

(A true copy)

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of EDWARD D. GERRY, Deceased.

On reading and filing the petition duly verified, of Fay A. Wiggins, administrator of said estate, praying that he may be authorized, empowered and licensed to sell the real estate described in said petition at private sale for reasons therein stated.

It Is Ordered, That Monday, the 1st day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP, Judge of Probate

CARD OF THANKS

I wish to express my sincere thanks to the many friends and neighbors for the beautiful flowers, baskets of fruit and cards sent to me during my recent stay in the hospital. I appreciated and enjoyed them all very much.
Mrs. Carl Thomas

ITS YOUR JOB ITS OUR JOB

To Protect Human Life

IS YOUR CAR SAFE TO DRIVE?

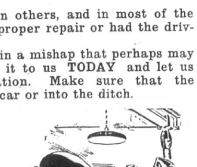
DO THE BRAKES HOLD? HOW ARE THE LIGHTS?

Through Neglect, Don't be the Cause of an Accident

Every day you read about accidents, some of them more serious than others, and in most of the instances the accidents could have been avoided had the cars been in proper repair or had the drivers been a bit more cautious.

DON'T BE THE CAUSE OF AN ACCIDENT! Don't become involved in a mishap that perhaps may cost somebody's life BECAUSE YOUR CAR is not safe to drive. Bring it to us TODAY and let us check the brakes, the headlights, the fuel pump, ignition and carbueration. Make sure that the tires are servicable . . . that a blow-out will not send you into an oncoming car or into the ditch.

OUR SERVICE IS AT YOUR SERVICE



Our service department is steadily growing and the reason it is growing, we believe, is because we are known far and wide as "The Honest Service Garage." We use factory-approved tools, precision-built parts, our mechanics are factory-trained. We cut repair bills because it takes us less time—because of proper tools and know-how—to do the work.

In our shop, every job is GUARANTEED. If it's not right, bring it back, and we'll make it right.

2,500,000 Votes Expected In State Election On Tuesday

See Defeat Of Proposal No. 2

REPEAL OF TAX DIVERSION AMENDMENT UNLIKELY AT POLLS, TUESDAY

By Gene Alleman
(Special to The Herald)

LANSING—Next Tuesday — November 2 — is the day!

Voters of Michigan will decide many important matters by the democratic principle of majority action. Ballots cast may reach the 2,500,000 mark.

Citizens will have an opportunity to vote for president, vice-president, United States senator, and congressmen. They will choose state officials for two-year terms, together with members of the state senate and state house of representatives.

Furthermore, five constitutional amendments and two referendum are up for consideration — a lengthy and somewhat confusing responsibility. This column will endeavor to explain, in a non-partisan way, the major issues on the SPECIAL BALLOT. We assume that you have made up your mind, by now, regarding your preference of federal and state officials.

Ballot proposal No. 1 was approved by the Michigan state legislature to avoid the Georgia experience after the 1946 election. The Georgia governor-elect died before he could take office, and a bitter dispute developed as to whether the lieutenant governor should take office or whether the legislature had power to appoint his successor.

This proposed amendment would fix the succession of officers as follows: governor, lieutenant governor, secretary of state, auditor general and state treasurer.

So far, we have not heard of any opposition to this proposal. Constitutional lawyers concede that the present charter is not clear.

Ballot No. 2 calls for repeal of the sales tax diversion amendment which is now funnelling 75 percent of the state sales tax back to local units of government—public schools, cities and townships.

In the fiscal year ended June 30, 1948 the state collected $184.6 millions in sales tax revenue. School revenues have been boosted thus to $112.5 millions.

Jack Green, Lansing Associated Press writer, forecasts that repeal of the sales tax diversion amendment will be defeated by popular vote.

Comment by Henry Steffins, director of the Michigan Survey, a taxpayer organizaton: "So long as sales tax revenues keep rising 10 or 20 per cent every year, the state may be able to forestall drastic measures . . . Most observers seem to think that diversion will not be repealed until the people can see in black and white the disastrous effects it is having on the state."

Judgment of the writer of the "Michigan Mirror": "The taxpayer is yet to be convinced that school, city and state government needs cannot be adequately financed out of present taxes . . . As long as inflation keeps booming and taxes keep mounting, everything may appear to be rosy at Lansing. When deflation sets in, trouble is inevitable."

Proposal No. 3 on the special ballot would permit the state legislature to fix salaries of state elective officials. The constitutional salary of Governor Kim Sigler, as set according to 1909 standards, is $5,000. The same sum is car-marked for the attorney general. The 1909 constitution also fixes the salary of secretary of state, state treasurer and auditor general at $2,500 a year!

How does Michigan manage to induce qualified citizens to serve as a state official? Answer: By a legislative subterfuge, upheld by the state supreme court, of allowing either an additional salary for membership on the state administrative board, or in the case of the governor, an "expense account" with no strings attached.

Governor Sigler is paid $20,000 a year on this basis. Other state officials get $7,500 a year, with the exception of the lieutenant governor who draws $3,800 a year plus $3 a day, or around $4,500. Governor Dewey and Governor Warren are paid $25,000 a year by their respective states — New York and California. A further adjustment in the governor's compensation may be forthcoming in the future when the governor's residence at Lansing is ready for occupancy.

Ballot proposal No. 4 would permit adjustment of the $ per day salary now paid to members of the state legislature. Since this amount is paid daily, whether the legislature is in session or not, the year's compensation averages $1,095.

New York pays $2,500 a year plus actual traveling expenses for a round trip once a week; Pennsylvania, $3,000 for each session and $500 for a special session; Illinois, $5,000 for two year term plus 10 cents a mile traveling expense; and Ohio, $2,000 a year plus traveling mileage once a week.

On a basis of compensation for time served at Lansing during a session of the legislature, Michigan legislators received the following salary: 1947 session, 158 days, $6.95 per day; 1948 special session, 67 days, $15 per day.

Twenty-one states now permit the legislature to fix salaries of its members, but not for the term for which members are elected.

Other ballot issues are as follows:

Proposal No. 5: An amendment to modify the 15-mill limitation.

Proposal No. 6: A referendum on the act to regulate and control the operation of foreign agencies within the State.

Separate Ballot: A referendum on the question of calling a convention for the purpose of general revision of the constitution.

Bumper Potato Crop Is Troubling Canada

OTTAWA — Informed sources have disclosed that Canada may have trouble disposing of an expected bumper crop of about 80,000,000 bushels of potatoes this year.

The crop is tentatively valued at between $50,000,000 and $60,000,000.

However, a government spokesman said it was not true that Canada was trying to flood the American market with the dominion's production.

The Ottawa spokesman said that Canada also imports potatoes from the United States.

"We probably import just as much during June, July, and August as we export during the whole of the year," the spokesman said.

Again - Firestone Brings You Famous POLAR GRIP* TREADS

Read What Users Say:

TROY MYERS
City Cab Co.
Sapulpa, Okla.
Says: "We used Polar Grip Treads on our taxi fleet last winter. My drivers think they are wonderful. With Polar Grips our cabs make better time—they save us many dollars on wrecks, dented fenders, etc."

WILLIAM S. ANNIN
Pittsfield, Mass.
Says: "I am thoroughly sold on Polar Grip Treads for winter driving in the Berkshire Mountains. On ice or snow, they give traction when ordinary tires would spin. I expect to use them in the snow months as long as I drive a car."

H. E. BAKER
Salesman
106 W. Pomfret St.
Carlisle, Pennsylvania
Says: "Being a salesman on the road, it is necessary for me to travel on many bad roads covered with ice and snow. Polar Grips have done everything I have been told they would do and I am sold on them 100%."

FRANK W. MUELLER
Representative
Dept. of Veterans Affairs
Grand Junction, Colorado
Says: "My job takes me over all roads in Western Colorado and I have to travel over mountain passes in all kinds of weather. But now I feel perfectly safe as Polar Grip Treads give my car perfect traction in the winter months."

TO MAKE YOUR WINTER DRIVING SAFER

NEW ★ IMPROVED Available in 2 Tread Designs—Select the Tread That Fits Your Needs!

DELUXE CHAMPION TREAD DESIGN for Wet, Slippery or Icy Roads

8.30 6.00-16 ON YOUR TIRE

STUDDED GROUND GRIP DESIGN for Country Roads and Deep Snow Driving

FOR SAFETY'S SAKE..

Put these New Firestone POLAR GRIP TREADS on your tires

They have no equal for winter driving! The De Luxe Champion tread design has millions of tiny edges to grip the road, resist skidding and give you greater winter driving safety. The Studded Ground Grip Tread design, in addition to the millions of tiny gripping edges, has rugged tread "studs" that bite through the surface—give extra traction in mud or snow or whenever the going is tough. Be "Winter-Sure"—let us put Polar Grip Treads on your tires today or select from our stock of Polar Grip treaded tires to fit your winter driving needs.

LIKE TO FEEL THIS UNDER YOUR TOE?

Step out with Brand-New Fireball Power in your old Buick

THIS is a brand-new Buick engine. It's fresh from the factory—straight from the same assembly line where the engines in 1948 Buick cars are built.

If you'd like to boss it around—mister, that's easy, if you have any Buick built since 1937.

All we need to do is take out your old engine—and put this one in.

Then *you* can feel the thrill of a brand-new Fireball engine. You can enjoy all the pep, power and performance that you'd get if you had a 1948 car.

It's spick and span, from head to pan, with all the features that make today's Buick engine the pacesetter of the power parade.

And it can be yours in less than two days. Look at the list of what you get—the most complete power package ever. There's a brand-new ignition system—brand-new clutch, pistons, pins, rings, valves—even the water pump.

We can make this offer because engine output has outstripped new-car production at the factory. The cost? Much less than you think, although it varies a bit from model to model.

Come in today for detailed figures on bringing your old Buick right up to date on power.

CLINTON

Officers Installed

Mrs. Mary Hull was installed as worthy matron and Roy Bower as worthy patron during the installation services of the Golden Rod chapter, Order of the Eastern Star, last week, Wednesday evening. Mrs. Mabel Kinietz was the installing officer; Mrs. Sylvia Cook, the installing marshal; Mrs. W. P. VanTuyle, the installing chaplain and Mrs. Burton Stadler the installing organist.

Other officers installed are Mrs. Mabel Porter, associate matron; Murl Greenfield, associate patron; Mrs. Amanda Feldkamp, secretary; Mrs. Barbara Bower, treasurer; Mrs. Edna Spence, conductress; Mrs. Elva Hoelzer, associate conductress; Mrs. Jean Weinberg, marshal; Mrs. Lucille Alonzo, warder; Mrs. Elnora Knight, Ada; Mrs. Mary Knight, Ruth; Mrs. Martha Jump, Esther; Mrs. Winifred Stout, Martha; Mrs. Evelyn Harrison, Electa; Mrs. Edith Pence, chaplain; Charles Spence, sentinel; Mrs. Celestia Ingraham, organist; Mrs. Laura Randall and Mrs. Lucile Hill, color bearers.

As Neil Jones sang "The Lord's Prayer," Mrs. Hull escorted to the east by her daughter, Candace. Mr. Bower was escorted to his station by his wife, Barbara. The retiring matron, Mrs. Laura Randall, was presented with a past matron's jewel by Mrs. Pearl Campbell, president of the Past Matron's Club. Willis Sproull was presented with a past patron's pin by Roy Bower.

Guests were from Adrian, Hudson, Clayton and Manchester. A special meeting for initiation will be held this evening, October 28.

To Send Xmas Gifts

Lawrence Gunn, commander of the F. E. Pieper post, American Legion, requests that all names of men in the service at this time be left with Harold Gasner or Vance Ogden before November 10. The post is arranging to send Christmas gifts to these men and relatives and friends can assist them in this project. The post will entertain the Junior baseball team and its helpers, Wednesday evening, November 10. Plans were also completed for the annual Thanksgiving Party to be held November 20. R. J. Stauffer was appointed to work with the Chamber of Commerce in preparing the community Hallowe'en party, November 1.

Mrs. Fred Blumhardt, Mrs. F. E. Odell, Mrs. Carl Garrison, and Mrs. John Norcross attended the fall roundup of the Washtenaw county home economics extension clubs at Ann Arbor, last week. Mrs. Norcross is senior member of the executive board.

Chester Merritt, Neil Jones and Kenneth Moore have completed the arrangements for the community Hallowe'en party to be held Monday evening, November 1. It is being sponsored by the Clinton Chamber of Commerce.

A Good State Needs A Good Legislature

Graduate, University of Michigan Literary College and Law School. A Practicing Attorney in Monroe since 1940.

Pledged to full participation in Senate work and to impartial and independent representation of the best interests of all citizens. A supporter of the schools, the merit system and civil rights.

—Political Advertisement

Will Rogers said:

"It's great to be great, but greater to be human!"

REMEMBER reading about that scared, teary-eyed girl arrested for shoplifting? The wise judge suspended sentence. A Red Feather youth service stood by the girl—guided her. Now she's one of the most popular leaders in the girls club.

(The men and women who support Community Chest services like this are really *human.)*

Recall the 81-year-old scrubwoman so badly hurt getting off the bus last summer? Our visiting nurse reports she'll be up and about soon.

(Thanks to those human *folks whose contributions to our Chest keep the visiting nurse "visiting.")*

And surely you saw the pictures in the paper of those five freckle-faced redheads (all under 8) whose father deserted the family? Day nurseries are minding those youngsters while the mother is at work.

(Sort of makes you feel awfully glad you gave liberally to our Chest last time; eh, buddy?)

We COULD go on and on. We COULD tell you about the baby that was "sure to die" until the clinic (sparked by *your* dollars) saved her. And we COULD tell about our Family Service agencies and how many bewildered couples they've helped over domestic and financial hurdles (thanks to your dollars!).

But Will Rogers said it all. The really "greater" folks who support our Red Feather services don't crave fame. THEY JUST WANT TO BE HUMAN.

We *know* that's how *you* feel, too. We know you'll dig down right past your heart and deep into your pocketbook when the Chest Volunteer calls this week.

Remember—one pledge covers many Red Feather services. Because we have a well-managed Community Chest uniting many appeals, you are called on only once a year for all of them. So when you give, GIVE ENOUGH . . . enough for ALL Red Feather services . . . enough for a FULL year.

Everybody benefits . . . Everybody gives

AUXILIARY MEETS

The V. F. W. Auxiliary met Thursday evening with Glenda Berger of Ann Arbor, senior vice president of the sixth district, present for the annual inspection.

Mrs. Earl Kruger was initiated into the Auxiliary. During the business meeting conducted by the president, Ethel Hammack, it was voted to give $5 to the Tecumseh Adult Education program. Plans were made to sponsor a Brownie Scout troop and it was voted to give $6 toward this project. $5 was also donated to the Christmas fund for the V. F. W. national home in Eaton Rapids. A bake sale was planned for November 6.

Three visitors were present from the Adrian Auxiliary. Refreshments were served in conclusion.

GAME SUPPER

The Welcome Class of the Friends Sunday school enjoyed a game supper in the church basement, Friday evening, with Mrs. Walter Wiemer and Mrs. Henry Hamilton as hostesses. Some 22 members were present. During the evening spent socially Edward Escolme and Marvin Johnson showed moving pictures. It was decided to hold the November 19 meeting in the same place with Mary Harsh and Ruth Grove as the hostesses for a pancake supper.

CLINTON

The name of Mrs. Clyde W. Way has been drawn for federal grand jury duty November 3.

A. J. Allen underwent an operation at St. Joseph's hospital in Ann Arbor for the removal of cataracts.

Joseph Fink of Chicago was a recent guest of Dr. and Mrs. F. H. Littell.

A noble aim,
Faithfully kept, is a noble deed;
In whose pure sight all virtue
doth succeed.

Farmers In Britain Are Asking Better Deal

MAIDSTONE, ENGLAND—Britain's farm workers are asking for a better deal, a union leader announced here.

General Secretary A. C. Dann of the National Union of Agricultural Workers said a claim has been sent to the Central Wages Board for a 44-hour week, two weeks' yearly vacation, more overtime pay and a "substantial increase" in the minimum wage of £4 10s ($18) a week.

"We do not have strikes and lockouts in our industry; we produce the goods and do our bit, and in return we expect conditions at least consistent with those of skilled workers in other industries," he said.

BIDS WANTED FOR

New High School Building

TECUMSEH, MICHIGAN

Sealed proposals for the construction of a New High School Building at Tecumseh, Michigan, will be received by the Board of Education of Tecumseh School District No. 7 at the office of the Superintendent of Schools, Tecumseh High School, Tecumseh, Michigan, until 12:00 o'clock noon Eastern Standard Time on the 23rd day of November, 1948, and at that time and place will be publicly opened and read aloud.

Copies of the Plans and Specifications may be obtained at the office of Britsch & Munger, Registered Architects, 531 Nicholas Building, Toledo, Ohio, by depositing fifteen dollars ($15.00) cash or certified check for each set of documents so obtained. The amount of the deposit will be refunded to each person or firm receiving plans who returns the plans and specifications in good condition within ten days after the opening of bids.

The Board of Education reserves the right to reject any or all bids and to waive informalities in bidding.

A certified check or bank draft, payable to the Board of Education of Tecumseh School District No. 7, or a satisfactory Bid Bond executed by the Bidder and a Surety Company, in the amount of 5 per cent of the bid must accompany each bid.

No bid may be withdrawn for at least thirty (30) days after the scheduled closing time for the receipt of bids.

Board of Education,
Tecumseh School District No. 7

Clerk of the Board

COUNCIL PROCEEDINGS

Village of Tecumseh
Council Building
October 4, 1948

Present: President Watkins.
Trustees Ousterhout, McCombs, Beach, Mensing, Driscoll, Porter.
Absent: None.

The following ordinance was offered for adoption by Trustee McCombs.

An Ordinance to regulate, control and license the sale, storage, delivery, and distribution of food, both wholesale and retail, within the Village of Tecumseh, and to provide for the inspection of groceries, meat markets, stalls, shops, stores, storehouses, cold storage plants, or where fish, oysters, birds, fowl, vegetables, fruits, milk, ices, beverages, meat, meat food products, baked goods, or any other provision or food, intended for consumption by human beings, is manufactured, held, kept, stored, or offered for sale, disposition, or other distribution as food for human beings; providing for the issuance of and fees therefor; and providing for penalties for violations thereof.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. The following definition shall apply for the purpose and within the meaning of this ordinance.

(a) A grocery is a food establishment where staple articles of food commonly called groceries are handled for sale or delivered.

(b) A meat market is a food establishment where meats and their by-products are handled for sale or delivery.

(c) A bakery is a food establishment where bread, baked goods, pastries, etc., are prepared for sale or delivery.

(d) A confectionery store is a food establishment where ices cream, carbonated beverages, candy, pop-corn, and the like are sold or are prepared for sale or delivery.

(e) A fish market is a food establishment where fish are handled for sale or delivery.

(f) A beverage manufacturing plant is a food establishment where carbonated beverages and other soft drinks are prepared and bottled for sale or delivery.

(g) A fruit and vegetable market is a food establishment where fruits and vegetables are handled for sale or delivery.

(h) A food manufacturing establishment shall be taken to include all food establishments where food is prepared, cooked, canned, packed or in any way converted from the state or form in which it was received.

(i) A wholesale food merchant shall be taken to mean any person, firm or corporation selling food or beverages of any kind intended for human consumption, to another person, firm or corporation for the purpose of resale.

SECTION 2. The following shall be and are hereby designated as the minimum building and equipment requirements for food establishments which are operating in or selling food in the Village of Tecumseh.

Building and Equipment requirements applying to all food and beverage establishments:

1. Smooth and easily cleaned walls, ceilings and floors.

2. Walls and ceilings painted with a light-colored gloss paint at least once each year or otherwise redecorated or cleaned in a manner satisfactory to the Health Officer.

3. Adequate toilet facilities as required in Section 9 of this ordinance, conveniently located in connection with the establishment.

4. Suitable lavatory or sink in addition to dishwashing sink, located in or near the toilet room and an adequate supply of soap and paper or individual linen towels.

5. Running water of suitable quality for drinking purposes.

6. Adequate ventilation by windows, transoms, flues, or exhaust fans as may be approved by the Health Officer.

7. Adequate natural or artificial lighting.

8. Screening on all outside openings of buildings between May 1 and October 1. All screen doors to swing outward and be equipped with self-closing devices. Provided electric fans may be used in place of screening if it is possible to keep the establishment free of flies by such means.

9. All equipment including counters, cases, tables, refrigerators, blocks, stores, ventilating hoods, fans, steam tables, meat grinders, beaters, dish washing and sterilizing equipment, dishes, pots, pans and kettles and all other food establishment equipment shall be such that they will meet the approval of the Health Officer.

10. Sufficient number of 20 gallon galvanized cans with tight-fitting metal lids to hold all garbage, tin cans, papers and other refuge. Such cans shall be free from leaks and shall be thoroughly cleaned and scalded each time they are emptied.

11. All garbage shall be kept separate from glass, tin cans, paper or other refuse.

12. That there be no connection between living or sleeping rooms or food establishment rooms.

Additional minimum building and equipment requirements for various kinds of food establishments as specified below:

1. Meat Markets

(a) All meat grinders, slicers, etc., must be of a type that the grinding unit and working parts may be easily removed to facilitate cleaning.

(b) Adequate refrigeration boxes, cases, etc., to keep all fresh meats at a temperature of 50 degrees F. or less at all times; all refrigerator boxes shall be provided with accurate thermometers and all walk-in boxes shall have an electric light installed in the box.

2. Milk

(a) Adequate refrigeration to keep milk at a temperature of 50 degrees F. or below at all times. All refrigerator boxes shall be provided with accurate thermometers.

SECTION 3. That every person, firm, or corporation who, as owner or manager, keeps, maintains, or operates a food establishment in the Village of Tecumseh shall keep the same in a clean, sanitary, and healthful condition at all times.

SECTION 4. That it shall be unlawful for either the owner or proprietor of any firm or corporation maintaining, operating, or managing any food establishment in the Village of Tecumseh to suffer, permit, or allow any employee, officer, or agent employed therein or thereabout in the handling of any food product intended for human consumption to be or remain in an unsanitary filthy, or dirty condition either on by person or clothing while so employed or engaged in the handling of such products intended for human consumption.

SECTION 5. That is shall be unlawful to sell, expose for sale, or have for other disposition any prepared food for human consumption, or any cheese, candy, cakes, figs, dates, prunes, raisins, mincemeat, fresh or smoked meats, fish, or other food, except fruits and vegetables in broken packages unless the same shall be kept or stored in closed glass cases or other suitable containers and protected from dirt, flies, insects, and dogs, cats, rats, and other contaminating materials.

SECTION 6. That it shall be unlawful to sell, expose for sale, to dispose of, or deliver any sugar, honey, pickles, olives, sauerkraut, jelly, peanut butter, apple sauce, lard, bread, baked goods, or any like products intended for human consumption, unless the receptacles in which such product is contained shall be dust proof and kept covered.

SECTION 7. That it shall be unlawful to sell or offer for sale any contaminated, adulterated, or unfit food intended for human consumption or any food which has been exposed to dust, flies, contamination by the public, vermin or other contaminating material in violation of the terms of this ordinance.

SECTION 8. That it shall be unlawful to cause, permit or suffer any decayed food or meat or vegetable matter of any kind to remain in any receptacle, ice box or other compartment wherein any fruits, meats, vegetables or other food intended for human consumption is kept for sale or other disposition.

SECTION 9. That it shall be unlawful to operate, maintain or conduct any food establishment in the Village of Tecumseh unless the person so owning, conducting, managing or operating such business shall provide or cause to be provided a sanitary toilet which shall be located in a separate room partitioned off from the rest of the establishment by a tight partition with a tight-fitting self-closing door and shall have an electric light in each toilet room, and such room shall be ventilated directly to the outside air by means of a window or other form of ventilator approved by the Board of Health; provided that where both sexes are employed, separate toilets shall be provided for each sex, except where all of the people who work in the establishment are members of one family.

SECTION 10. That it shall be unlawful for any person, firm or corporation to operate, maintain or conduct any business where food intended for human consumption is prepared, manufactured, canned, or sold, or otherwise disposed of unless there shall be provided in such building a room or rooms with ample supply of running water and soap and a suitable lavatory and individual paper or linen towels, and unless the operative clerks and employees and all persons who handle material from which food is prepared, or handle the finished product, shall be required to keep themselves and their persons and clothing in a thoroughly clean condition.

SECTION XI. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. After the effective date of this ordinance no operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within (2) weeks after entering such employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employee shall file with the Village Clerk such a certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after the same are presented to him.

SECTION 12. That it shall be unlawful to use any machinery or utensils in and about the preparation or handling of food or beverages intended for human consumption, unless the same shall be thoroughly cleaned and sterilized daily and shall be maintained in a sanitary condition and properly covered and protected while not in use, provided that meat grinding units shall be kept under refrigeration except when actually being used.

SECTION 13. Licenses

(a) Licenses. No establishment shall engage in the sale, manufacture, delivery, or distribution of food in the Village of Tecumseh without first the owner or operator having obtained a license.

Every such establishment shall make application to the Village Clerk for such license in writing upon blanks to be furnished by such Village Clerk and pay a fee of Ten Dollars ($10.00) therefor. Licenses shall expire at midnight on the following May 1st. Application for renewal of all licenses shall be duly made at least 30 days before the Commencement of the license year. Only establishments who have complied with the requirements of this ordinance shall be entitled to receive and retain such license. Licenses may be suspended by the enforcing officer upon the violation by the holder of the provisions of this ordinance, and may be revoked by the enforcing officer when it is found after hearing that the holder of the license has failed to conform with the provisions of this ordinance.

(b) License Fees. The Village Clery is hereby empowered upon the payment of the proper fees to grant licenses to any persons, firm or corporation, permitting applications approved by the enforcing officer and Village Council. The fee for each such license shall be established by resolution of the Village Council and may be from time to time changed by resolution of the Village Council.

Penalty for Violation. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall upon conviction thereof before a Court of competent jurisdiction be punished by a fine not exceeding One Hundred Dollars ($100.00) or by imprisonment in the County jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the Court.

SECTION 15. Ordinance Declared Severable. The sentences, sections, and provisions of this ordinance are declared to be severable, and any portion which is declared unconstitutional or invalid for any reason by court of competent jurisdiction shall in no way affect the remaining sentences, sections or provisions of this ordinance.

SECTION 16. Repealing Clause. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 17. Effective Date. This ordinance is ordered to take effect November 5, 1948.

Marvin Watkins,
President
Wade L. Jones,
Village Clerk

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

The following ordinance was offered for adoption by Trustee McCombs.

AN ORDINANCE TO REGULATE, ESTABLISH STANDARDS OF SANITATION AND LICENSE RESTAURANTS AND OTHER EATING HOUSES WITHIN THE VILLAGE OF TECUMSEH.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION I. DEFINITIONS: The following definitions shall apply in the interpretation of this Ordinance.

A. RESTAURANT. The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, lunchroom, tavern, bar, root beer stands, sandwich stands, soda fountain, dairy bar, and all other public eating and drinking establishments, as well as kitchens in which food and drinks are prepared for sale elsewhere to the public.

B. UTENSILS. "Utensils" shall include any kitchenware, tableware, glassware, cutlery, utensils, containers or other equipment with which food or drink comes in contact during storage, preparation, or serving.

C. OPERATOR. The term "Operator" shall include every person, firm or corporation conducting the business of a restaurant, as herein defined, whether or not he is the owner of the premises on which the business is conducted.

D. The term "employee" shall mean any person who handles food or drink during the preparation or serving, or who comes in contact with any eating or cooking utensils or who is employed at any time in a room in which food or drink is prepared or served.

E. HEALTH OFFICER. The term "health officer" shall mean the health officer of the Village of Tecumseh or his authorized representative.

F. PERSON. The word "person" shall mean person, firm, corporation or association.

SECTION II. APPLICATION. Application for restaurant license shall be in writing by the operator of the restaurant or agents on forms to be provided by the Village Clerk which forms shall provide the name and location of the restaurant, the owner of the premises, the operator of the restaurant and the manager or other agent if other than the owner or operator. The applicant shall agree to comply with all rules and regulations of this Ordinance and to allow the health officer to enter and inspect the restaurant and everything connected therewith at any time desired.

SECTION III. ISSUANCE OF LICENSES. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh until the requirements of this Ordinance have been complied with, and the application shall have been approved by the health officer. The approved application shall be presented to the Village Clerk and upon payment of Ten Dollars ($10.00), the Clerk may issue a restaurant license. Each license shall bear the date of expiration, shall be kept only to and in the name of the operator of the restaurant, shall be non-transferable, and for the purpose of this Ordinance shall be conclusive evidence of the ownership and operation of the business. Such license, together with the inspection rating, shall at all times be posted in a conspicuous place in the licensee's restaurant.

SECTION IV. TERMINATION, SUSPENSION AND REVOCATION OF LICENSES. Every restaurant license shall terminate on the last day of April following the date of issuance. Whenever in the opinion of the health officer it becomes necessary for the protection of the public health and safety, any restaurant license may be suspended temporarily for a maximum period of ten (10) days by the health officer. Every license may be revoked after an insanitary notice has been given to the operator, and after an opportunity for a hearing before Village Council, or a Village Board of Health if and when established, upon the violation by the holder of any of the provisions of this Ordinance. Written notice of the time and place of such hearing and of the specific charges preferred shall be served upon the licensee at least five (5) days before the hearing, unless such licensee consents in writing to an earlier hearing. Findings of fact made by the Village Council, or said Board, at such hearing shall be final and conclusive. Upon revocation of a restaurant license by the Village Council, or said Board, for any cause whatever, all rights of the license thereunder shall forthwith be terminated and no new license shall be approved until a new application has been approved and fees paid as required for a new license.

SECTION V. REINSTATEMENT OF LICENSE. Any restaurant the license of which has been revoked may at any time make application for the reinstatement of the license. Within ten (10) days after the receipt of satisfactory application accompanied by a statement signed by the applicant to the effect that the violated item or items of the specifications have been conformed with, the health officer shall make a reinspection and thereafter as many additional reinspections as he may deem necessary to assure himself that the applicant is again complying with the requirement hereof, and in case the findings indicate compliance, shall reinstate the license.

SECTION VI. EXAMINATION AND CONDEMNATION OF UNWHOLESOME, ADULTERATED OR MISBRANDED FOOD OR DRINK. Sample of food or drink may be taken and examined by the health officer as often as may be necessary for the detection of unwholesomeness, adulteration or misbranding. The health officer may condemn, or forbid the sale of, denature, remove and destroy any food or drink which is unwholesome, adulterated and misbranded.

SECTION VII. BASEMENTS. No cellar, basement or room wholly or partly underground shall be used as a restaurant unless the floor, ceiling and walls shall be constructed of tile, cement, or other material impervious to dampness or water unless such room or rooms of basement or cellar be provided with openings to outer air and with proper ventilation.

SECTION VIII. VIOLATIONS. It shall be unlawful for any person to operate a restaurant in the Village of Tecumseh unless it complies with the requirements of this Ordinance. When any operator of a restaurant violates any of the items or sections of this Ordinance, the health officer is authorized to issue a violation ticket.

Penalties in connection with violation tickets shall be as follows:

The first ticket for each violation, $5.00.

The second ticket for the same violation within one year, $10.00.

The third ticket for the same violation within one year, $15.00.

After an insanitary notice has been served on the operator for any insanitary condition existing in or about the restaurant or any violation of this ordinance that has not been complied with, the restaurant may be closed temporarily to allow time for compliance with the Ordinance.

SECTION IX. INSPECTION OF RESTAURANTS. At least once every six (6) months the health officer shall inspect every restaurant located within the Village of Tecumseh. The sanitation of all restaurants shall be based on a system of grading wherein all restaurants receiving a rating of at least 90% and more shall be awarded Grade A, all restaurants receiving a rating of at least 80% and less than 90% shall be awarded Grade B, and all restaurants receiving a rating of at least 70% and less and 80% shall be awarded Grade C. No restaurant receiving a rating of less than 70% shall operate. The rating and grading of restaurants shall be based upon the standards of construction and operation contained in section ten (X) hereof.

SECTION X. SANITATION REQUIREMENTS FOR RESTAURANTS.

All restaurants shall comply with all of the following items of sanitation.

Item 1. CONSTRUCTION, FLOORS. The floors of all rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, and shall be smooth, and shall be kept clean and in good repair. Kitchen floors shall be impervious to water.

Item 2. WALLS AND CEILINGS. Walls and ceilings of all rooms in which food and drink is stored, prepared or served, shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is stored or prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash and spray.

Item 3. WINDOWS AND DOORS. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing, unless other effective means are provided to prevent the entrance of flies.

Item 4. LIGHTING. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. VENTILATION. All rooms in which food or drink is stored, prepared or served, or in which utensils are washed, shall be well ventilated.

Item 6. TOILET FACILITIES. Every restaurant shall be provided with not less than one sanitary toilet located toilet and lavatory facilities for its employees and patrons. In restaurants hereinafter constructed, toilet and lavatory rooms shall not open directly in to any room in which food, drink, or utensils are handled or stored. The doors of all toilets shall be self-closing. Toilet rooms shall be kept in a clean condition, in good repair, and be well lighted and ventilated.

ITEM 7. WATER SUPPLY. The water supply shall be easily accessible to all rooms in which food is prepared or utensils are washed, and shall be adequate and of a safe and sanitary quality.

ITEM 8. LAVATORY FACILITIES. Adequate and convenient hand-washing facilities shall be provided, including warm water, soap, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first thoroughly washing his hands.

ITEM 9. CONSTRUCTION OF UTENSILS, EQUIPMENT. All multi-use utensils and all show or display cases, windows, counters, shelves, tables, refrigerators, stoves, hoods or other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and shall be kept in good repair and condition.

ITEM 10. CLEANING AND BACTERIAL TREATMENT OF UTENSILS AND EQUIPMENT. All equipment, including display cases, windows, counters, shelves, tables, refrigerators, stoves, hoods and sinks, shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters, chefs and other employees shall be clean. Single-service containers shall be used only once. All beer coils must be thoroughly washed and sterilized at least once per week by a mechanical washing machines approved by the health department or health officer.

All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively subjected to an approved bactericidal process after each usage. All multi-use utensils used in the preparation or serving of food and drink shall be thoroughly cleaned and effectively subjected to an approved bactericidal process immediately following the day's business. Drying cloths, if used, shall be clean and shall be used for no other purpose.

All equipment used in the preparing, storing or serving of food and drink shall be kept in a clean and sanitary manner at all times. Cracked or chipped dishes shall not be used. All dishes or utensils used for serving foods shall have smooth even surfaces, and be of such material as to be non-absorbent. All utensils, glasses, or other dishes used in serving food or beverages shall be thoroughly washed and cleansed by hand or mechanical means after separate use, in hot water of not less than 100 degrees F. when washed by mechanical means, and such water shall contain soap, soap powder, or other effective cleaning agent and to remove all foreign material. Immediately after washing and before being used, the dishes, glasses and utensils shall be sterilized by one of the following methods:

(1) When washed by hand: by complete immersion in hot water maintained at a temperature of not less than 170 degrees F. for a period of not less than two minutes.

(2) When washed by mechanical means: by a thorough rinse or spraying with hot water maintained at a temperature of not less than 170 degrees F.

(3) By being subjected to a thorough clear water rinse by immersion or a spraying process after which they shall be completely immersed for a period of at least two minutes in clean water containing a sterilizing solution of not less than 100 parts per million of available chlorine.

When the foregoing provisions cannot be complied with, an alternative method of using single service containers shall be substituted. Such containers shall be stored free from contamination and shall be used only once after which they shall be promptly discarded.

ITEM 11. STORAGE AND HANDLING OF UTENSILS AND EQUIPMENTS. After bactericidal treatment no utensil shall be stored except in a clean, dry place, protected from flies, dust or other contamination, and no utensil shall be handled except in such a manner as to prevent contamination so far as practicable. Single-service utensils shall be purchased only in sanitary containers, shall be stored there in a clean dry place until used, and shall be handled in a sanitary manner.

ITEM 12. DISPOSAL OF WASTES. All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles in such manner as not to become a nuisance, and as not to be accessable to flies, rats or vermin.

ITEM 13. REFRIGERATION All perishable food and drink shall be kept at or below 50 degrees F., except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

ITEM 14. WHOLESOMENESS OF FOOD OR DRINK. All food and drink shall be wholesome and free from spoilage and contamination. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from sources approved by the health officer. Milk and fluid milk products shall be served in the original containers in which they were received from the distributor. Bottles of milk shall not be completely submerged in water. Provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

ITEM 15. STORAGE AND DISPLAY OF FOOD AND DRINK. All food and drink shall be stored and displayed as to be protected from dust, vermin, unnecessary handling, droplet infection, overhead leakage, and any other contamination. No live animals or fowls shall be kept or allowed in any room in which food or drink is prepared, stored or served. All means necessary for the elimination of flies, rats and roaches shall be used. Bulk sugar dispensers shall be provided with an opening equipped with a self-closing device.

ITEM 16. CLEANLINESS OF EMPLOYEES. All employees shall wear clean outer garments and shall keep their hands and person clean at all times while engaged in handling food, drink, utensils, or equipment. All female employees shall wear hair nets and all male employees shall wear caps while preparing or serving food.

ITEM 17. MISCELLANEOUS. The premises of all restaurants shall be kept clean and free of litter or rubbish. No person, operator or employee shall live or sleep in said restaurant or any room above or adjacent thereto which is not separated by solid partitions or floors with no doors, windows, or openings. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.

SECTION XI RE-INSPECTIONS. Upon written request on the part of the management, a re-inspection may be made; provided, that when a restaurant receives a rating of 70% or more (Grade C) a re-inspection for the purpose of raising the grade shall not be made within thirty (30) days. In the case of restaurants that are closed, or have a rating of less than 70%, an inspection and rating may be made at convenience of the health officer to consider the reissuance of the license. No inspection shall be made for the purpose of establishing a grade unless the restaurant shall have been in operation for at least two weeks.

SECTION XII. DISEASES AND NOTICE THEREOF. No person who is affected with any infectious, disease, communicable disease, or with any venereal disease in a communicable form, shall work or be permitted to work in any restaurant. Notice shall be sent to the health officer immediately by the restaurant manager or by the employee concerned if he or any employee contracts any infectious, contagious, or communicable disease, or has a fever, a skin eruption, a cough lasting more than 2 weeks, or any other suspicious symptoms. It shall be the duty of any employee to notify the restaurant manager immediately when any of said conditions exist, and if neither the manager or the employee concerned notifies the health officer immediately when they of said conditions exist, they shall be held jointly and severally to have violated this section.

SECTION XIII. HEALTH CERTIFICATES. Within thirty (30) days after the effective date of this ordinance every restaurant employee shall obtain and present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. After the effective date of this ordinance or operator shall employ any person until such prospective employee presents a statement from such a medical doctor showing that such employee has had an examination and that the same did not disclose that such employee was suffering from or afflicted with tuberculosis, a venereal, contagious, or communicable disease. Within two (2) weeks after entering said employment said employee shall present to his employer a certificate from a medical doctor residing within the Village limits showing that such employee is not suffering from or afflicted with tuberculosis, a venereal, contagious or communicable disease. Within thirty (30) days after the effective date of this ordinance or at the time of applying for a license every operator, manager or employee shall file with the Village Clerk such certificate applying to himself, and shall file all certificates and statements relating to his employees with the Village Clerk after same are presented to him.

SECTION XIV. PROCEDURE WHEN INFECTION SUSPECTED. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the health officer is authorized to require any or all of the following measures: (1) The immediate exclusion of the employee concerned from all restaurants. (2) the immediate closing of the restaurant concerned until in the opinion of the health officer no further danger of disease exists, (3) adequate medical examination of the employee and his associates with such laboratory examinations as may be indicated.

SECTION XV. METHOD OF BACTERIOLOGICAL EXAMINATION OF EATING AND DRINKING UTENSILS. The bacterial count shall not exceed 100 organisms per utensil surface area examined as determined by the method for the examination of eating and drinking utensils contained in the United States Public Health Service Code Regulating Eating and Drinking Establishments, a certified copy of which shall be on file at the office of the Village Clerk.

SECTION XVI. PENALTIES. Any person who violates any provision of this ordinance shall be fined not more than One Hundred Dollars ($100.00) and the costs of prosecution or by imprisonment for a term not exceeding ninety (90) days or both such fine and imprisonment at the discretion of the court.

SECTION XVII. REPEAL AND DATE OF EFFECT. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed. This ordinance shall take full force and effect on the 5th day of November, and shall be published with the Council proceedings in the Tecumseh Herald on the 14th day of October, 1948.

Approved and passed: October 4, 1948.

Published: October 14, 1948.

Effective: November 5, 1948.

Motion made by Mensing, supported by Porter that the above ordinance be adopted as read. Ayes: McCombs, Mensing, Porter, Beach, Ousterhout, Driscoll. Nays: None. Motion carried.

County of Lenawee. ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 6th day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LAVERN G. BOYCE, Deceased.

On reading and filing the petition of Richard F. Roe, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the first day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate.

On motion of Dr. Helzerman and seconded by Mr. Breitenwischer the Treasurer, Mr. Satterthwaite was instructed to purchase short term treasury bonds with money which is in the bank. Motion carried.

Mr. McDowell, principal of Tecumseh High School and Co-director of Camp North Woods last summer, appeared before the Board to discuss Summer Camp. Many details of the summer camp program were gone over including the finances. Inasmuch as fewer students attended the school camp than had been anticipated, the school camp was not a paying proposition. After considerable discussion of the program the deficit of $1098.53 was made up by Mr. Touborg, Mr. F. K. Smith and Mr. C. M. Brown. It was moved by Dr. Helzerman and seconded by Mr. Satterthwaite that the Board express to Mr. Touborg and through him to Mr. Smith and Mr. Brown, our "thank you" for this contribution toward the camp program. Motion carried.

In the discussion of the proposed Amendment No. 2 and No. 5 which will be voted on November 2, 1948, it was brought out that the Tecelved to date from Tax Diversion cumseh Public Schools have re- $24,658.47.

The Board unanimously passed a resolution pertaining to Amendment No. 2 and 5.

"Resolution Urging "No" on Proposal 2 and "Yes" on Proposal No. 5.

Moved by Mr. Satterthwaite and seconded by Dr. Helzerman, that the Board adopt the following resolution relating to proposals to amend the State Constitution in the November election:

"We urge a 'No' vote on Proposal No. 2 which would repeal the constitutional provision guaranteeing a certain share of sales tax money to cities and schools. Repeal would cost the Tecumseh Public Schools approximately $17,640.00 a year."

"We urge a 'Yes' vote on Proposal No. 5, which would liberalize the 15 mill amendment by making it possible for school districts to increase the limitation by a majority vote instead of a two-thirds vote. The school building situation in Michigan is critical, and in a majority of school districts it is impossible to raise sufficient funds for building construction in a five-year period."

The motion passed unanimously."

A general discussion of the entire school building program took up the rest of the meeting. The result of a survey which was made by the help of Mr. E. B. Holden of Lansing, was discussed at length. It was decided unanimously that we shou'd go ahead with the building of the proposed High School building for the Tecumseh Public schools.

Mr. Munger, Architect of Toledo, advised today that the revised plans and specifications would be ready by the end of the week. The Board also decided to advertise in the Tecumseh Herald for October 21 and 28 and in the Michigan Contractor and Builder for October 23 and 30 for new bids on the proposed High School building. The bids will be opened at a special meeting of the Board of Education Tuesday Noon, November 23, 1948 Eastern Standard Time in the present High School Building.

Meeting adjourned at 11 o'clock p.m.

R. F. Helzerman, M.D.,
Secretary

Order of Hearing—Probate of Will

STATE OF MICHIGAN,
County of Lenawee, ss.

Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 19th day of October in the year one thousand nine hundred and forty-eight.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of ETTA CADMUS, Deceased.

On reading and filing the petition, duly verified, of Lamont. A. Cadmus, Sr., son and legatee of said deceased, praying that an instrument in writing and purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to Robert L. French (the executor named in said instrument, being a non-resident of the state of Michigan) or to some other suitable person.

It Is Ordered, That Monday, the 15th day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

NINETY EIGHTH YEAR NUMBER FIFTY | TECUMSEH, MICHIGAN, NOVEMBER 4, 1948 | FIVE CENTS PER COPY

Ogden Hopeful In Chest Drive

EARLY SOLICITATIONS INDICATE THAT $5,320 QUOTA WILL BE SUBSCRIBED

Although it was a bit too early to release contribution figures, Vance Ogden, general chairman of Tecumseh's Community Chest campaign was hopeful today of early success as workers began their actual house-to-house solicitation for funds. The Chest quota this year is $5,320 and the drive is due to close on Friday, November 19.

"Of course, campaign workers are just getting under way and it is too early to make any forecast," Mr. Ogden said, "but I am very hopeful. The few solicitors I have contacted tell me that they are meeting a generous public and we hope to reach our goal within the alloted time."

Mr. Ogden pointed out that the public appreciate the fact that Tecumseh is combining all of its campaigns into one single Chest effort and he declared that many have expressed themselves accordingly.

Give Now — To Your Community Chest

Sharing in the local Chest this year are these organizations: Tecumseh Hospital Auxiliary, $500; Cancer Control Society, $350; Hallowe'en and Christmas parties for children, $200; Girl Scouts, $400; Boy Scouts (Wolverine Council of America), $400; Sister Kenny Foundation, $100; Salvation Army, $300; Michigan Welfare League, $10; Michigan Aid for Blind, $50; Tecumseh Recreation Center, $500; Reserve for emergencies, general welfare and campaign expenses, $2,500.

Mr. Ogden last week announced the committee captains in the several areas of the village and township and this list is being augmented this week in an effort to speed up the solicitation.

"I want to point out again," Ogden said, "that there will be no solicitation of individuals in the several factories this year. Last year there was some confusion regarding factory solicitation and we want it understood this year that all solicitation will be in the homes and in the business area."

Ogden said that next week he would make his first announcement regarding actual cash receipts.

Lift Station Bids Rejected

COUNCIL TURNS DOWN CONTRACTORS' OFFERS; BIDS NEARLY DOUBLE ESTIMATE

It looks like a case of too many jobs and too few contractors, village officials said today after they had rejected two bids for the construction of a sewage pumping station on North Maumee street and ordered bidders' checks returned to them.

The pumping station was to serve Herrick Park and the immediate area. When plans for the station were drafted, it was estimated that the lift station could be built for $22,500 and it was on this basis that bids were requested. However, the bids received by the Council were far in excess, one of them being approximately $35,000 and the other $44,000.

"We will sink new test wells to discover the amount of quick sand in the area and then proceed again with the bidding," Wade L. Jones, clerk, said. However, Mr. Jones indicated that it seemed unlikely that the station would be built this winter or fall because the weather would be too cold to pour concrete.

The bids were rejected by the Council, in regular session on Monday evening. Council also fixed December 6 as the date for hearing on the rezoning of two lots in Assessors Plat No. 1. Purchase of 100 new water meters was approved.

Reports of committee chairmen and department heads were heard and ordered filed and current bills were audited and ordered paid.

Funeral Service, Today For Peter J. Waldron

The burial of Peter J. Waldron of Detroit, who died Monday evening, will be held at the Aten cemetery near Tecumseh today (Thursday) at 1 o'clock. Funeral services will be held in Detroit this morning at 11 a.m.

Mr. Waldron resided in Tecumseh until 1912 when he went to Detroit to live with his daughter, Mrs. Etta Yeager. He was the son of Peter F. and Sarah Waldron and a brother of Jonas Waldron, all of whom preceded him in death.

Surviving besides his daughter are one grandson, Charles Yeager, Jr., of Detroit and several nieces and nephews in and around Tecumseh.

Braves, Adrian In 13-Tie Game

EVENLY MATCHED TEAMS BATTLE IT OUT AT RECREATION BEFORE 2,500 FANS

By Max Brandt

In one of the bitterest battles ever fought at Recreation Center, the Tecumseh Braves were hosts to the Big Reds of Adrian, Saturday night. The game was played before an estimated crowd of 2,500 fans who saw the Braves lose a 13-point lead to Adrian, and finish in a 13 tie. The first half was a repetition of the first game played at Adrian earlier in the season, which ended in a scoreless tie.

Tecumseh kicked off to start the game and the Big Reds punted back after three running plays netted them a -7 yards. Neither team could get up enough steam to penetrate the others territory. At the start of the second quarter, Adrian got a break as fullback Harrison fumbled on his 21 and the Big Reds recovered there. But the Braves defense stiffened and recaptured the ball as Adrian fumbled on the Tecumseh 9. Both teams took to the air in the second quarter as the line play of both squads stopped all running plays in their tracks. Adrian intercepted one of Kensler's passes only to have the Braves grab an Adrian goal on the third play after that. The half ended with Adrian in possession of the ball at midfield.

The second half opened with

(Continued on page 6)

Schools Will Observe Education Week, Nov. 7-13

Cards have been sent out inviting parents of High School students to meet in conference with the advisors and counsellors to discuss their childrens' problems. These conferences will take place Monday, Tuesday, and Thursday afternoons from four to five, and Wednesday afternoon from 2:30 to 5 p.m.

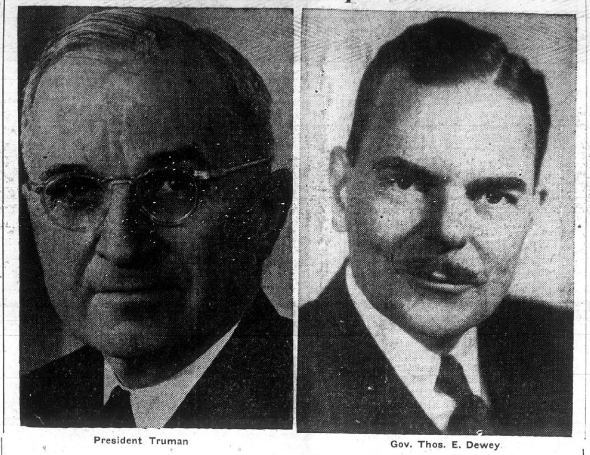
On Thursday evening of American Education Week, the Central building is holding open house. Rooms and teachers will be available for visitation from 7 to 8 p.m. Representative samples of student work will be on display. At 8 p.m., two plays, "Beachhead for Freedom" presented by the Senior High School English departments, and "And the Stars Heard," presented by the 4th, 5th, and 6th grades, will be held in the High School auditorium. Refreshments will be served at the conclusion of the program. All parents are urged to attend. Only as we all cooperate, can we make this important week a success, the school pointed out.

James McDowell, high school principal, has appointed the following committees to plan and present to the public the program for National Education Week. The following committees are working at the present time: Publicity, Mr. Dick, Alvin Brazee, Mr. Locke; Appointments, Mr. Crisp, Mr. Runk, Mr. Duvall; Information Bureau, Mrs. Service, Mrs. Kuhn, Neal Brazee; Play and Music, Mrs. Dickinson, Miss Bortner, Mr. Camburn, Miss Mohr; Assignments, Mr. Hart, Miss Frautschi, Signs and Decorations, Miss Burgess, Mr. Furbush.

DRAWS FINE AND JAIL FOR ASSAULT, BATTERY

Roger Wilson, 41, Tecumseh, was arrested at 3 a.m., Sunday, by local police, and arraigned Monday before Justice Clyde Barber on complaint of his wife, Dorothy Wilson, charged with assault and battery. He pleaded guilty and drew a fine of $15, court costs of $6.70, and was sentenced to spend three week-ends in the county jail at Adrian. Justice Barber ruled that Wilson was to spend from 6 p.m., Saturday to 6 a.m., Monday at the jail on three consecutive week-ends.

Victor And Vanquished



President Truman — Gov. Thos. E. Dewey

TRUMAN WINS, CONGRESS IS DEMOCRATIC

MICHIGAN REMAINS REPUBLICAN BUT SIGLER IS DEFEATED; COUNTY SOLID GOP

President Harry S. Truman won a comparatively easy Democratic victory over his Republican opponent, Gov. Tom Dewey of New York, in Tuesday's national election. President Truman piled up well over 300 electorial votes, far more than the 266 needed for victory, and Gov. Dewey conceded defeat at 11:15 Wednesday morning.

The President's victory — although not a landslide, sufficient to be very emphatic — came not only as a surprise to the Republicans, but to many Democrats as well. So strong was the President's power that he carried with him into both the national House and Senate a majority of Democrats.

Senator Homer Ferguson of Michigan, although returns are still incomplete, appears to have defeated his Democratic opponent, Frank Hook, and in the second congressional district, Earl C. Michener is holding a commanding lead over his Democratic contender.

(Continued on page 6)

ENGINEER SPEAKS

Clifford Knudsen, an engineer associated with the Tecumseh Refrigeration Sales & Engineering, discussed the building of Boulder Dam when he spoke, Tuesday evening, to the Rotary Club, following dinner at Brees House. Mr. Knudsen was one of the engineers employed in the construction of the dam and his talk was very educational and was enjoyed.

TRUCK FIRE

Tecumseh firemen were called to the Kuehman Potato Chip farm on the Tecumseh-Clinton road, Tuesday at 4:45 p.m., where the engine of a truck owned by the Bruce Foundry Co., caught on fire. Damage was slight.

10th Birthday Service, Sunday

GRACE EVANGELICAL CHURCH TO OBSERVE ANNIVERSARY WITH SERVICES

On Sunday, November 7, the members of Grace Lutheran church will celebrate their tenth anniversary.

It was on August 14, 1938, that the first Lutheran services in Tecumseh were conducted by the Rev. A. G. Wacker of Scio in the Braun Building at 206 E. Chicago Boulevard. At this first service the Rev. R. W. Scheele was ordained and installed as the first pastor of the Tecumseh Mission.

On September 11, 1938, a Sunday School was organized.

Grace congregation was officially organized on January 23, 1939. At the time of organization C. R. Henkel was elected president of the congregation; C. Wagner, secretary; O. Teske and W. Korth, deacons; H. Dinse, A. Filter and H. Blohm, trustees.

A Ladies Aid Society was organized in February 1939 and is still active today.

In the fall of 1939 it became evident that the building the congregation was occupying would not be suitable for long because of the church growth. The congregation finally decided on the present site of Maumee and Shawnee as the location for their house of worship.

When a fire on March 20, 1940, destroyed to a great extent the building in which services were

(Continued On Page 6)

GETS JAIL TERM

Richard Wayne, 52, Tecumseh, was fined $10, assessed court costs of $6.70 and sentenced to spend 10 days in the county jail at Adrian, when he pleaded guilty to a drunk and disorderly charge before Justice Clyde Barber on Monday. Wayne was arrested Saturday night by Tecumseh police.

Tells of Jump From Transport

FLOYD GUY, JR., WITH PARATROOPERS, SAYS "ITS SAFE AS EASY CHAIR"

Parachute jumping is just as easy and just as safe as sitting in your easy chair at home, Floyd Guy, jr., son of Mr. and Mrs. Floyd Guy, wrote his parents this week. Pvt. Guy is now at the Aberdeen Proving Grounds, Maryland, where he is taking intensive training in parachute jumping and in the use of small arms. He graduated from Tecumseh high school last June.

In the letter to his parents, young Guy writes:

"Well, I do'ed it. I made my first real parachute jump this morning. It wasn't bad at all. We jumped from a C-46 transport, the weather was nice and warm and there was a light breeze.

"I was the second one to leave the ship and did I ever sweat that jump out. If you ever hear anyone say that they wouldn't be scared to jump you tell them they are ignorant or don't know what they are talking about. You are not scared after you leave the ship, its when you are standing in the door that you sweat.

"I left the ship at exactly 9:15:15. I know it was that time because the first man left at 9:15 and it was 15 seconds later that I followed. Sixty of us made the jump.

"I will tell you what it was like. I stood in the door after the first man left, waiting for the buzzer to give me the signal to leave. When it did I stepped out with my left foot and the wind tore me out of the ship and I started to fall. I counted to six slowly and just at six my chute opened. The jump isn't bad, it is when the chute opens that you get the jerk. it feels as though the harness is going to cut your legs off and it just about knocks the breath out of you. After that, all you do is float down. When you hit ground you hit about as hard as if you

Your "Best Girl" In Rags, Tatters

Pictured above are the Business and Professional Women of Tecumseh all dressed up in "rags, tatters and what-have-you," for the Hallowe'en party held recently at the Baptist church. The party was planned by Jessie Sluyter and Margaretta Brisbin and proved to be one of the best meetings for some time.

Among the members and guests who can be "recognized" are: standing, reading from left to right: Margaretta Brisbin, Mrs. Lillian Service, Mrs. Doris Tonneberger, Miss Elizabeth Chase, Mrs. Ivah VanValkenburg, Miss Myrtle Mattis, Mrs. Susan Porter, Miss Geraldine French, Mrs. Heilman, Mrs. Lester Coller, Mrs. Yale Kerby, Mrs. Hilda Will, Miss Beatrice Daykin and Mrs. Frank Smith (in rear), Mrs. Hazel Creger, Mrs. Billie Whelan, Mrs. M. G. Partridge, Mrs. Zeigler, Mrs. Florence Fogle, Mrs. Anna Hardenburgh, Mrs. Ayesha Laidlaw, Miss Bessie Bortner, Mrs. Purnell Osburn and Miss Marie Frautschi.

Kneeling, left to right: Mrs. Cecil Smith, Miss Bernice Parker, Mrs. Goldie Watkins, Miss Nina Heath, Mrs. Helen Oliver, Mrs. Marguerite Garlick, Mrs. Jane Van Camp, Mrs. Louise Mikesell, Mrs. Betty Williamson. Sitting, left to right: Mrs. Margaret Hiemerdinger, Marjorie Mohr, Mrs. Gladys Spangler, Mrs. Myrna Tingley, Mrs. Naomi Sallows and Miss Mabel Lockwood.—Photo by Al Schumm.

Mrs. Elfie F. Ellis, 85. Is Buried At Macon

Mrs. Elfie F. Ellis, aged 85 years, died Sunday at 3:25 p.m. in the University of Michigan hospital, Ann Arbor, where she had been a patient for seven weeks.

Born, June 22, 1863, in Saline township, she was the daughter of the late Mr. and Mrs. Sylvester Thomas. Her husband, Garret D. Ellis, preceded her in death May 31, 1944.

Mrs. Ellis was a member of the Macon Methodist church, Ladies Aid Society and a charter member of the Macon Macabees. Surviving are one sister, Mrs. M. G. Augustis of Ypsilanti, one brother, Marcene Thomas of Tecumseh, several nieces, nephews and cousins.

The body was taken from the Collins Funeral Home to the Macon Methodist church where the funeral service was held Wednesday afternoon. Dr. F. H. Littell officiated and burial was in the Macon cemetery. The bearers were O. S. Evans, Guy Collins, Ray Hendershot, Ray Smith, Ralph Halladay and Clayton Bigelow.

Honor Students Listed At THS

THIRTEEN IN JUNIOR AND SENIOR HIGH SCHOOLS ON A HONOR ROLL

Only thirteen students in both the junior and senior high schools had their names listed on the "A" honor roll as the first six weeks of the first semester ended. The honor list this semester is determined by averaging the students grades in academic subjects. Band, chorus, physical education and art credits do not count in determining honor grades, James McDowell, principal, said.

The "A" honor students are:

8th Grade—Sally Jo Rentschler.

9th Grade—James Breitenwischer, Beverly Hay, Robert Kruger, Nita Spangler and Richard Whelan.

10th Grade—Gerald Aebersold.

11th Grade—Jerry Bowen, David Green, Shirley Teske and Florence Tilton.

12th Grade — Gordon Comfort and Barbara Schoeck.

The "B" Honor roll students are:

7th Grade— Ronald Baker, Janet Bashore, Janis Boltz, Ardyth Eaton, James Hartsell, Douglas Hooten, Grace Moore, Mary Nixon, Patsy Purcell, Nancy Randall, Judith Sisson, Doris Tressler, Louis Vargo, Alroy Vanderpool and Thomas Will.

8th Grade—Jerold Barron, Robert Binns, Melvin Boltz, Janet Bowser, Irma Broiller, Diane Dillon, No'Reen Hartley, Nancy Kinietz, Tom Naser, Lorissa Peotter, Joan Pfaus, Kirk Smith, June Stuart, Margaret Touborg, Nancy Treby, Merlyn Wagner and James Wilson.

9th Grade — Helen Adams,

Mrs. Clark Goodacre Heads Band Parents

Mrs. Clark Goodacre was elected president of the Band Parents Club, when that organization met at the high school, Thursday evening. Other officers named are: vice president, Mrs. Ralph McCarbery; secretary, Mrs. Richard Drouillard; treasurer, Mrs. Wayne Patton.

Plans for the purchase of new uniforms for the high school band were discussed. The band is in dire need of such a change as the uniforms now in use are old and worn. A public auction is being planned to raise funds for this project and will be held at a future date.

The next meeting will be held November 18 and all members, parents who have children in the band and all those interested in the band are invited to attend.

CHILD IS INJURED IN FALL FROM CAR

Sharon Kay Bartenslager, three-year-old daughter of Mr. and Mrs. Ben Bartenslager, suffered a severe cut on her forehead when she fell from the automobile in which she was riding with her parents, Sunday afternoon, near Ridgeway. Sharon and her sister were in the rear seat of the Bartenslager car, when she apparently pushed down on the door handle. Her mother's efforts to hold her failed and sharon rolled across the road and into a ditch. Several stitches were required to close the head wound.

NOTICE

My office will be closed from November 8 to 30.

Spooks' Party A Big Success

800 YOUNGSTERS ENJOY BONFIRE, CIDER AND DONUTS; ADULTS HAPPY, TOO

It was a big time in Tecumseh on Hallowe'en, for both the young folk and the adults. More than 800 youngsters enjoyed the merry-making, parade, bonfire and cider and donuts and a crowd of adults, estimated at 2,000, was on hand in the downtown district to cheer the costumed fun-seekers and to inspect soap-designed windows which brought prizes totaling more than $25.

"The young folk here cooperated 100 percent in the program and for the Rotary Club and myself I'd like to say a great big thank you to everyone, including those who assisted in staging the party and the high school band," the Rev. B. O. Bashore, general chairman said. The party this year, as in the past, was sponsored by the Rotary Club with the Community Chest, the Village Council and the Chamber of Commerce cooperating.

As a result of the Hallowe'en celebration there was no vandalism reported in the village. There was, of course, the usual number of "trick or treat" youngsters, but they are always enjoyed . . . and, too, they always go away with candy, gum or money.

This year's party got under way with a parade of masked merry-makers at about 7 o'clock. Cash prizes were awarded to the winners in the several divisions and

Bulldogs Down Indians, 14-0

TECUMSEH PLAY LAST GAME OF SEASON FRIDAY, NOV. 12, WITH BLISSFIELD

(By Gordon Comfort)

The Tecumseh Indians took a beating Friday night at Recreation Center at the hands of the Morenci Bulldogs. The final score was 14 to 0 in favor of the Morenci team. The Indians didn't even threaten seriously and the speedy little Morenci eleven didn't have much trouble. The first half was scoreless with Tecumseh fumbling the ball three times, Morenci recovering in the Indian territory. Even with these chances the Bulldogs failed to score any of the three times.

The second half, the Bulldogs began putting on the steam and went through and around the Te-

(Continued on page 6)

State Police To Recruit Officers On November 10

A reminder was given today that Sergeant Carl M. Miller, commanding officer of the Clinton post of the Michigan State Police, will be at his office from 8:00 a.m. to 10:00 p.m. next Wednesday, November 10, to meet young men interested in joining the department.

"Applications will be filed at any time, but this will be a special opportunity for those interested to obtain information about the State Police and receive aid in filling out their application blanks," Sgt. Miller said.

Recruits accepted now will comprise a new training school class.

Applicants must be between 21 and 30 years of age, unmarried, physically fit, and have a high school education or the equivalent.

In addition to their pay, State Police receive subsistence, paid vacations, sick leave and pensions. They have employment security under the state civil service provisions and promotions are made on the basis of merit.

Sgt. Miller pointed out that if it is inconvenient to call at the post, application blanks may also be obtained by writing to the State Civil Service Commission or the Michigan State Police at Lansing.

TWO MEN ARE HELD IN THEFT OF AUTO

Claude Creger, 31, Clinton, and John W. Lawrence, 24, Hudson, waived examination and were bound over to the circuit court under $500 bail when they were arraigned before Justice Lowe, Adrian, Monday, charged with driving away an automobile without the owner's consent.

The two men were arrested by local police after they had driven away a car owned by Victor Moore, Osseo, Mich., from the Tecumseh Products Co. parking lot, Saturday night.

The Tecumseh Herald
EARL L. WICKWIRE
Editor and Publisher

The oldest newspaper in Lenawee county. Established in 1850.

Published Every Thursday Morning. Offices at 127 W. Chicago Boulevard, Tecumseh, Michigan. Telephone 476.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

WHICH DO YOU WANT?

What is the life of the doctor like under state dominated medicine—and what kind of service can the patient expect?

An interesting sidelight on that was carried by one of the wire services early in October. A doctor in Morley, England, announced his intention to quit his profession and take up farming. His reason was that the government's national health service has "ruined, degraded, and debauched a once honorable profession." His wife, who expressed agreement with this, added, "Doctors live in constant fear of missing a really serious case among the crowds who flock to the surgeries under the new scheme."

Thousands of British physicians, judging by a poll which was taken some time ago by the British Medical Association, hold similar views. England's national health service—which is directly comparable in many ways to the schemes for compulsory health insurance which are being aggressively pressed in this country—has made the doctor the servant of the politician. It has made it necessary and obligatory for doctors to attempt to take care of so large a panel of patients that it is next to impossible to make accurate diagnoses in difficult cases, or to provde truly adequate care for those who are seriously ill. Armies of people who are not ill take up doctors' time—on the theory that they have health service coming for nothing, and so might as well take advantage of it whether they need it or not.

Contrast this with the American system—where the doctor is free of politics, and where voluntary, low-cost health insurance has gone a remarkably long way in solving the problem of how to pay for medical attention. Then decide which you prefer.

MACON

The Intermediate and Primary classes of the Methodist church school were entertained in the church dining room Saturday afternoon at a Hallowe'en party. The boys and girls were costumed for the occasion, games were played on the church lawn and the hostesses (the teachers and parents) served apple cider, doughnuts and Hallowe'en cookies.

Mrs. Rose Gilmore entertained the W. S. C. S. at her home, Thursday. Following the potluck dinner, Mrs. Burt Bruder took charge of the business session in the absence of the president, Mrs. Ida Mehler. Devotions were conducted by Mrs. Margaret Hall. It was voted to have Family Night at the church November 23. Mrs. Blanch Travis gave a reading for the afternoon program.

Mr. and Mrs. Clarence Hall and Mr. and Mrs. Clarence Damon and children were dinner guests Sunday in Tecumseh of Mr. and Mrs. Harold Hall. The occasion honored both Clarence and his wife, whose birthday anniversaries occurred October 31 and October 14 respectively.

Dinner guests Tuesday evening of Mrs. Percy Morgan and Mr. and Mrs. Darwin Smith were Mr. and Mrs. Bill Morgan, Miss Sally Morgan and Bob Burley, all of Plymouth. Friday evening in the same home, guests were Mr. and Mrs. Clark Rathbun of Tecumseh.

Mrs. Charles Gorton entertained twenty young people Saturday evening at a Hallowe'en potluck supper. Apple cider and doughnuts were some of the treats.

The Birthday Club was entertained Friday evening in the home of Mr. and Mrs. Russell Collins. The special feature of the potluck supper was the birthday cake. The October birthday anniversaries of Mrs. Pearl Kuder and the hostess were observed.

Callers Sunday afternoon in the home of Mr. and Mrs. Revilo Sage were Mr. and Mrs. Walter Kasno and three children of Detroit.

Mr. and Mrs. Walter Bale and family returned Sunday from a four day outing at their cottage at Eight-Point Lake.

Russell Liddell was a guest over the week end of Ferd Shove of Manitou Beach at the latter's cabin near Mio.

Mrs. Jennie Ladd is a guest this week in Toledo of Miss Grace Chesbro.

Mrs. Daisy Millage of Milan and Mr. and Mrs. Carroll Kuder were guests Wednesday afternoon of Mr. and Mrs. Earl Kuder.

Mrs. Bertha Stilts is assisting in the care of her aunt Effie Kuder who is reported to be slowly improving from her recent heart attack.

Mrs. Hamilton Moore and mother, Mrs. Burt Bruder spent Monday afternoon in Toledo.

Mr. and Mrs. David Younglove and daughter of Deerfield were guests Monday evening of his mother, Mrs. Jennie Younglove.

David Lindbert of Ann Arbor, son of Mrs. Aileen Lindbert, called on his grandparents, Mr. and Mrs. Ross Biddle Monday evening.

Mrs. Kenneth Frost and children called on little Carol Spangler of Tecumseh, a daughter of Mr. and Mrs. Grenval Spangler, who suffered a broken leg recently.

Mr. and Mrs. R. A. Halladay have returned from St. Mary's O., where they were guests of Mrs. Halladay's college roommate, Mrs. J. Stewart and Mr. Stewart.

Mr. and Mrs. Melvin Travis were hosts over the weekend to Mrs. Travis' brother, Mr. Roscoe Baker, an instructor in Libby High School, Toledo, his wife and daughter, Miss Fern Baker.

DELEGATES TO REPORT

The Tecumseh Hospital Auxiliary will meet next Tuesday evening, November 9, at 8 o'clock, at the home of Mrs. R. H. Moore. Delegates to the state meeting at Grand Rapids of the Women's Hospital Auxiliaries, sponsored by the Michigan Hospital Association will give reports.

DO YOU REMEMBER?

1858

Tecumseh was visited by a severe fire November 2, destroying Randall & Co. Shoe Store, Curtis Drug Store, Gilman's Harness Shop, the buildings of H. A. Adams, Jos. Church, T. Brown, M. P. Henry and Henry Taylor.

After this week The Herald will be issued on Wednesday instead of Tuesday.

1878

We had our first snow storm October 30.

The last brick on the new Herald building was laid October 31. We can move in about four weeks.

1888

Born, October 28, to Mr. and Mrs. Al VanWinkle, a son.

The Republican torchlight parade Monday night was the largest and most brilliant ever seen in Tecumseh. 600 marchers were led by 140 horsemen.

The marriage of Lena VanNess of Raisin and Burt Poucher of Franklin took place October 31.

All things movable were put in outlandish places Hallowe'en night.

1908

Char'es Wagner of Toledo, Tecumseh's second baseman and playing manager, has purchased the Tecumseh franchise, players and equipment.

The Tipton Pythian Sisters will celebrate their 10th anniversary November 12.

Beryl Alice Hurlburt and W. Elmer Slayton were married October 29 at the home of her parents in Detroit.

1918

Born, November 2, to Mr. and Mrs. Fred Smith, a daughter.

Born, November 3, to Mr. and Mrs. Norman Taylor, a daughter.

Miss Jessie Smith is another Tecumseh girl to go across as a Red Cross nurse.

Herbert V. Henderson, a former Tecumseh boy, has received his commission as second lieutenant at a training station in France.

1928

F. S. Anderson has purchased the interests of Geo. Isaacson in the Tecumseh Hudson-Essex Sales Corp.

Mr. and Mrs. Charles McCarbery of Britton celebrated their 29th wedding anniversary October 26.

Mrs. Lou Howe fell last week from a chair and broke her hip.

Cyrus Underwood has sold his house and 27 acres on M-50 to Mrs. Ada Harvey of Romulus.

1938

Perry M. Hayden was elected to the board of directors of the American Millers Association.

Vern Manwaring is traveling on crutches due to broken bones in his right foot received in a fall Friday—not in the football game.

Born, Monday, to Mr. and Mrs. Francis Packard, a son.

Born, October 29, to Mr. and Mrs. Fay Luce of Tipton, a daughter.

Mr. and Mrs. Burt Poucher held open house in observance of their 50th wedding anniversary, October 30.

The immortal and universally loved LITTLE WOMEN is featured on the Episcopal Church's radio program November 5, at 8 P. M. EST. Joan Caulfield (center) plays the role of Jo; Rosemary Rice (left) is Beth, Susan Douglas (right) is Meg. At the close of the play the Episcopal Church has a very brief message for the listening audience; a message that may give hearers a new idea about the place the Christian religion can take in the lives of worried and frustrated people of an atomic age. All Mutual Broadcasting System stations.

'Little Women' To Be Broadcast

IS SIXTH IN AIRSHOWS SPONSORED BY THE EPISCOPAL CHURCH

During the past four generations, one of the great stories of American home life has been Louisa May Alcott's "Little Women" which has been chosen as the sixth program to be broadcast next, Friday evening from 8 p.m. over station CKLW by the Episcopal farvilies of Tecumseh.

Miss Joan Caulfield, Hollywood's gift to radio, and currently appearing in the motion picture "Larceny," plays the tempestuous role of "Jo" in "Little Women."

Miss Caulfield endeared herself to countless thousands of the youth of America for her portrayal of Corliss Archer in the legitimate stage success "Kiss and Tell" which ran for two years.

Although home life has changed considerably since the daily and sometimes hourly crisis affected the March home, the lives of Meg, Jo, Beth and Amy — the happy moments and the sad ones — are mirrors of youth the world over, and present a message to all families everywhere.

The program's tender and dramatic scenes from "Little Women" were chosen to show how one family found happiness and security through such a combined love in spite of being very poor . . . In spite of a steady succession of illnesses, accidents, and other typical family tribulations.

Today, of course, it is especially difficult to keep families together, both physically and spiritually. There are so many other things outside the family that are intriguing . . . that tend to develop ever wider family separations.

But regardless of all the disturbing factors in our modern world, families can be strong, happy and secure within themselves when the entire family bases its operations on sincere devotion to each other and to God through the Church.

ONSTED

The Girl Scout Troop No. 1 opened Girl Scout week Sunday by attending services at the Onsted church, Sunday morning, in a group. Tuesday evening they entertained their parents and friends with a program and social hour at the high school.

Those who attended Michigan State Grange at Traverse City were Mrs. Don Drewyor, Mrs. Mary Shepherd, Mrs. Edward Russell and Mrs. Harriett Hardcastle.

Mr. and Mrs. J. L. Lindsay are spending several weeks at their cottage at Lake Charlevoix.

Armed Forces Of U. S. Now Exceed 1,500,000

WASHINGTON — The United States has more than 1,500,000 men under arms.

Figures released October 19 by the Defense Department showed the total strength for the army, navy, air force and marines on October 1, was 1,531,881.

This represented an increase of about 37,000 over the September 1 figure.

Here are the September recruiting figures, with the estimated total strength for each service on October 1, in parenthesis: Army, 45,444 (635,000); Navy, 14,751 (413,476); air force, 12,032 (406,000); marine corps, 3,088 (77,405).

Salute the men of our Army, Navy, Air Force, Marine Corps and Coast Guard for in them, in great measure, lies our strongest power for peace!

Herald classifieds pay big dividends.

Mrs. E. D. Pumphrey was in Chicago the past week to visit her father, who is ill.

Mr. and Mrs. John Hamilton of Ypsilanti were guests of Mrs. H. A. Friedlander last Friday.

Daniel Linn and Fay Hindes are on a hunting trip in Canada.

Mr. and Mrs. Frank Bartle of Flint spent the weekend with Mr. and Mrs. Will Fletcher.

Miss Joan Hindes entertained the M. Y. F. at her home Saturday night. A hay rack ride was enjoyed.

Guests Saturday of Mr. and Mrs. Carroll Culbertson were her brother and wife, Mr. and Mrs. Booth of Detroit.

Mr. and Mrs. Dewey Sturtevant and Mr. and Mrs. C. M. Culbertson visited Mr. and Mrs. T. M. Birdsall in Detroit Sunday.

The following attended a missionary rally at Wellsville Sunday night, Dorothy Hindes, Thelma Frayer, Edith Southard and daughter, Mary Louise, Lulu and John Gilmore, Dorothy Kruger and son, Robert, Mrs. Nellie Long, Ralph Keith, Dorothy Jewel and Donna Spencer. Miss Lulu Tubbs, a returned missionary from Africa was the speaker.

After a two weeks visit with relatives and friends in Detroit, Mr. and Mrs. W. E. Allen returned home Saturday.

Mr. and Mrs. Will Fletcher and Mr. and Mrs. Frank Bartle were Blissfield callers Sunday.

NO SCUFF MARKS

Good news to homemakers is offered by the B. F. Goodrich company which now sells non-marking rubber soles and heels in a neutral color—just the cure for a universal floor problem. Now Johnnie and Jane can't come dashing in from school leaving hard-to-remove scuff marks all over the floors. Furthermore, with the new type soles on shoes, cobblers will be able to match the color to the tops each time they are polished.

Kroger

Kroger Salutes 4-H Clubs

The week of Nov. 1 through Nov. 7 is National 4-H Achievement Week. At this time Kroger salutes the 1,800,000 4-H Club members who during 1948 have devoted themselves to "creating better homes today for a more responsible citizenship tomorrow." In carrying out this program, the boys and girls of the 4-H clubs have made themselves better leaders for tomorrow's better America.

HAPPY HOME BUILDERS NAME NEW OFFICERS

R. O. VanValkenburg was elected president of the Happy Home Builders class of the Baptist church school, which met Monday evening at the home of Mr. and Mrs. Lyle Grigg. Assisting the president will be Carl Kempf, vice president; Mrs. Lyle Grigg, secretary; Mrs. Dow Bilby, treasurer; Mrs. Charles Beland, chairman of flower committee. Some 22 members and 10 children were present.

During the business session it was voted to give financial aid to the Old Folks Home at Maywood, Ill., and also to give $100 for the new church cushions. The class will also pay for the materials to be used in constructing another folding screen for the primary room.

The next meeting will be held December 13 at the home of Mr. and Mrs. Mills Swick at Macon.

Miss Luella Lowry Bride Of Lewis Lent

The home of Mr. and Mrs. Glenn L. Kemp of Tipton was the scene of a wedding ceremony impressive in its simplicity, Friday afternoon, when her sister, Miss Luella Lowry became the bride of Lewis M. Lent, both of Tecumseh. The Rev. B. O. Hashore performed the double ring ceremony at 3 o'clock.

For her informal wedding, the bride chose a dubonnet red suit with black accessories and her corsage was a white orchid and stephenotis. Mrs. Kemp attended her sister and was dressed in an autumn green suit with brown accessories. Her corsage was yellow and bronze chrysanthemums. Mr. Kemp attended as best man.

Baskets of yellow and white mums decorated the living room and refreshments were served after the wedding from a lace covered table. Later a wedding dinner was served at The Commodore Perry Hotel in Toledo.

Upon their return from a wedding trip through the south, the couple will be at home at 211 South Union street, until the completion of their new home on West Pottawatamie street.

Braves, Adrian

(Continued From Page 1)

both teams fighting hard to get the first score. Adrian, led by quarterback Schamberger, put on a determined aerial drive only to have it backfire in its face. Bob Aten intercepted one of Schamberger's tosses on the Adrian 45 and outran the Big Reds for the touchdown. Byron Pilbeam place kicked the extra point and Tecumseh led 7 to 0 as the period ended.

The fourth quarter had all the action any game could offer its fans. After Tecumseh had kicked off to Adrian, the Big Reds couldn't roll and punted out on the Braves 35. On the next play, Kensler ran off guard to the Tecumseh 46, where Bob Kennedy faded back and threw a long pass that end Hough caught on the Adrian 20 and raced into the end zone for the score. Pilbeam's kick was blocked and the Braves led 13 to 0.

Adrian struck back quick and hard. On the kickoff, Brunt Adrian halfback, took the ball on his 10 and outstepped the Braves to the Tecumseh 17 where he was tackled from behind. In two plays, Adrian had their touchdown and on the second try, Tecumseh off side the first time and blocked the kick. Adrian placed kicked the extra point and the score read 13 to 7.

The Big Reds last score came as a gift to them when Aten dropped back to punt, a bad pass from center went over his head and Adrian took over on the Braves 16. Tecumseh held on downs but after Baker kicked out of his end zone, Adrian came back to score on an 18-yard pass play. The Braves line charged hard and blocked the extra point kick. The game ended two minutes later in a 13 to 13 tie. Tecumseh led in first downs 8 to 6.

Both lines were hitting for keeps, both on offense and defense, with Snyder, Purkey and Pagel leading the Braves defense. Schamberger was the outstanding Adrian threat while Baker, Kensler, Kennedy and Aten displayed excellent offensive threats, for the Braves.

The line-up was as follows:

Tecumseh: ends, Purkey, Hough; tackles, Williams, Williamson; guards, Tilton, Pilbeam; center, Carpenter; backs, Baker, Aten, Kennedy, Kensler.

Adrian: ends, Judson, Britton; tackles, Snyder, Brown; guards, Ehinger, Poucher; center, Morsebacks, Schamberger, Stegg, Brunt, Thompson.

Score by quarters:

Tecumseh	0	0	7	6	13
Adrian	0	0	0	13	13

Spooks' Party

(Continued on Page 1)

then everyone went to Elliott park where the big bonfire and 200 gallons of cider and 1,600 donuts were ready to bring happiness. There were plenty of "refills" and no one was turned away.

In the downtown district, some 25 store windows had been selected for Hallowe'en decoration by members of the art class of Tecumseh high school. This was the first year that such a feature had been employed, and it afforded considerable enjoyment to both young and old. A special soap was used for the store window cartoons and they were judged and prizes awarded.

Shirley Teske won first prize for her soap drawing; second prize was awarded to Bob Rupert and two third honors were won by Jim Colson and Alice Osburn. Wilma Gartzweiler, Shirley Fosbender and Lorissa Peotter all received honorable mention for their drawing. All those taking part in the contest were members of the high school art class. The judges were Mrs. Burdette Kizer, Mrs. Jens Touborg and Mrs. Jerry Spafford.

Costume judges from the P. T. A. were Ernest Greene, Ted Ehinger, Mrs. Paul Keyser, Mrs Earl Place, Mrs. James McDowell and Miss Bessie Bortner. These winners were named:

In the group 8 years and under: funniest boy and girl, David Holden and Diane Socks; most original, Patty Squires and Isabel Combs; most unique, George Henry Heeman and Harriett Blanden. In the 8 to 12 years group: funniest, Mary Lou Burleson and Shirley Mack; most original, Connie Skiver and Dulcie Bowen; most unique Bob Rupert and Bruce McDowell. The youngest boy in costume was Charles Squires, 2 years and 11 months, and the youngest girl was Carol Campbell, 2 years and 3 months.

COMMUNICATION

To The Editor:

I went over to the cemetery on Sunday to see my wife's grave and to my great surprise I found that someone had been there, dug up the flowers on the grave and took them away. I never thought there was anyone in Tecumseh who would lower themselves to such a dirty low sneak thief.

Mr. Guy Grieves

W. S. C. S. TO MEET

The W. S. C. S. of the Methodist church will have an all day meeting in the church parlors, Wednesday, November 10. The business will be conducted at 11 a.m. followed by a potluck dinner at 1 p.m. Members are to bring table service, sandwiches and a dish to pass. The program at 2 p.m. will be led by Mrs. Arthur Brown and devotions will be given by Mrs Claud Gray. Mrs. H. H. Loveland will preside for the annual thank offering. The hostesses are Mrs. H. H. Loveland, Mrs. Charles Scheunholtz and Mrs. E. A. Collins.

SEAT NEW OFFICERS

The regular November business meeting of the Tecumseh chapter, Order of the Eastern Star, will be held this (Thursday) evening promptly at 8 o'clock. The new officers will preside for the first time and there will be reports of the Grand Chapter held recently. Life memberships will be presented and other business will be discussed.

GUILD TO MEET

The Florence Weld Mission Guild will meet Monday evening November 8, at the home of Mrs. Lee Purkey. The topic is "Presbyterians in Alaska," with Mrs. John Lott as leaders. Devotions will be led by Mrs. John Hall.

CHILD STUDY CLUB

The Tecumseh Child Study Club will meet Monday, November 8, at the home of Mrs. W. D. Hite, at 8 o'clock. The assisting hostesses will be Mrs. Earl Lindsley, Mrs. Wallace Whiting and Mrs. Ken Barron. Earl Place, superintendent of schools, will be the guest speaker and his topic will be "Parents and Teachers in Partnership." Members who wish to bring guests may notify the hostess by Monday noon.

UNION TO MEET

The Ladies Union of the Baptist church will meet at the home of Mrs. Sam Clough today (Thursday) at 2 o'clock. Mrs. Anna Morse has charge of devotions and Mrs. Neil Pearson the program. Mrs. Henry Hamilton will speak of her homeland, Greece.

P. E. O. LUNCHEON

Chapter AJ, P. E. O., will have a luncheon at the home of Mrs. John Lott, this Thursday) noon. The state organizer and state president will be guests.

HUGE OIL ENVESTMENT

The capital investment of the United States oil industry is placed at $20,000,000,000.

Fruit Growers Warned To Protect Their Trees

As winter comes on, fruit growers are being urged to see that their trees are properly protected against mice and rabbits, County agricultural agent, Louis G. Hall, reports that matted grass along fence rows and sod and weeds around trees are good places for these animals to hide.

A number of methods are used for control: Mechanical protectors of wire netting; cleaning sod away and mounding around the tree with cinders or gravel; killing mice by means of poison bait; pruning the trees; and painting trunks of trees with repellent.

Killing the mice has proven most effective. This can be done by the use of poison bait, placed along the surface runways, or in the holes in the ground made by mice. The poison bait can be obtained from the Grand Rapids Grower, Grand Rapids, which is the distributor for Michigan.

Hints for using the bait can be found in Extension Bulletin 196, "Protecting Fruit Trees Against Mice and Rabbits," which can be obtained from Agent Hall's office.

Satisfactory control of rabbits is usually possible by the use of a repellent which is applied to the trunk of the trees. A repellent formula is given in the extension bulletin.

Special problems in controlling mice and rabbits that damage fruit trees may be brought to the agent's office for advice.

Tells Of Jump

(Continued from page 1)

jumped off a six foot wall. I hit and fell forward and onto my left side as I had been taught and spilled the air out of my chute.

"We made the jump from 2,000 feet so I had plenty of time to look over the country as I came swinging down. I have to make three more daylight jumps and one night jump before I qualify as a paratrooper, but I'm not worried.

"After we landed we were all picked up in ambulances and are given complete check-ups and taken to the hospital where we X-rayed.

"I make a jump once a week from now on for four weeks. The only thing that I don't really like about jumping is when the chute opens but the lieutenant says that after a couple of jumps you know just when the chute will open and you will relax automatically.

"Don't worry about me jumping. It's as safe as you are when you are taking it easy in your easy chair."

10th Birthday

(Continued from page 1)

being held it was necessary to hold services for a time in the home of one of the members and then in the Episcopal church in Clinton.

On December 16, 1940, the present church was dedicated and services have been held there ever since that date.

In 1943, Pastor Scheele accepted a call to become general missionary of the Michigan District of the Wisconsin Synod of the Lutheran Church, and the present pastor, J. A. deRuiter, was called to serve the congregation.

During the ten years of its existence Grace Church has increased from 33 communicant members to 150, from 53 souls to 220. Some 80 children and 19 adults were baptized, 77 confirmed, 23 marriages and there were seven deaths.

The members of Grace Ev. Lutheran Church will celebrate the 10th anniversary with two services. The pastor will deliver the morning sermon at 10:30 a.m., and the former pastor Rev. R. Scheele now of Manistee, Mich., will deliver the sermon at the evening service at 8 p.m. Following the evening service a reception will be held in the church parlors.

Bulldogs Down

(Continued From Page 1)

cumseh line for long gains. In the third quarter, on the opening kickoff fullback Howard Crout broke loose and ran 85 yards down the field for a tally. He had fine blocking and no one on the Tecumseh team could catch him. Packer ran the ball across the line for the extra point, and the score was 7-0. The Indians took to the air in an attempt to retaliate, but these tactics failed to yield much yardage and Morenci, after a series of four first downs scored from the three yard line. Crout again made the touchdown.

The Bulldogs rolled up eleven first downs as compared to four for the Indians. Each team recovered three fumbles and Morenci intercepted one pass.

The players were:

Tecumseh—Ends, Cameron, Case Tackles, VanCamp, D. Murphy. Guards, Rentschler, Judd. Center, Campbell. Backs, Martin, Gillin, M. Murphy, Hinkle.

Referee, Chapman, Ypsilanti.

Head-linesman, Godfroy, Monroe.

Umpire, Maschke, Lambertville.

The Indians will play their last game of the season at Recreation Center next week Friday, November 12, with Blissfield.

Adrian College Students Present Club Program

Mrs. R. S. Moore entertained 51 members and guests of the Tecumseh Monday Club at her home, November 1. The assisting hostesses were Mrs. George Green, Mrs. R. H. Moore, Mrs. Fred Marsh, Mrs. Roy Whiting, Mrs. W. H. Mast and Mrs. Floyd Waring.

Mrs. Donald Goddard, president, presided at the business meeting at which time it was voted to give $10 to the Community Fund. Mrs. Goddard and Mrs. Guy Pocklington gave reports of the state Federation meeting held recently.

Mrs. Moore introduced Jean Walton, who in turn presented Joyce Woodcox and Bette Davis, all students at Adrian College. Miss Walton plays the violin. Miss Woodcox the piano, and Miss Davis sings. The following program was announced: "Wanting You" from "The New Moon" by Sigmund Romberg and "I'll See You Again" from "Bittersweet" by Noel Coward, Bette Davis, contralto; "Sonata in G Major" by Elliott, Griffes, Jean Walton; "Venetian Love Song" by Nevin and "Indian Summer" by Myra Adles, Joyce Woodcox; "How Lovely Are Thy Dwellings" by Samuel Liddle and "Great Peace Have They" by J. Rogers, Bette Davis; "Mazurka" by Edgar Narse, Jean Walton. The program concluded with a group medley of folk and spiritual songs by Stephen Foster.

P. T. A. Is Sponsoring 'Open House' At School

The Tecumseh Parent-Teacher Association is sponsoring an open house at the central school building next Thursday evening, November 11, climaxing American Education Week. Earlier in the week the parents are invited to meet with the counsellors to discuss their childrens' problems.

Parents of all children attending local schools are urged to attend the open house. Samples of school work will be on display from 7 to 8 p.m. and teachers will also be available in their respective rooms for visitation.

Two plays will be presented by the high school English departments and the lower grades. Refreshments will be served in conclusion.

TRUMAN WINS

(Continued From Page 1)

der from Ann Arbor, Preston Sloason.

Michigan, although giving a majority vote to the national Republican ticket, turned thumbs down on its Republican governor, Kim Sigler, and defeated him by well over 70,000 majority. Michigan's next governor will be G. Mennen Williams, 37-year-old Grosse Pointe socialite and a Democrat. It appears, however, from incomplete returns, that all other GOP candidates on the state ticket were victorious.

Lenawee county did not follow the state-wide Democratic trend, particularly in Wayne County, and remained solidly Republican. Not a single Democrat received a majority vote in this county, and in Tecumseh, a like record was established.

Incomplete returns in the district indicated that Elmer Porter had defeated his Democratic opponent, Victor Weipert, Monroe, for state senator. Rollo Conlin was an easy winner over Larry Lawrence for state representative.

In the county races, Wade Willett won by about a 7,000 majority over his Democratic opponent, John C. Truesdale, Tecumseh, for the office of sheriff. Robert King was re-elected county clerk, Harry Bradley, county treasurer and Leonard Warner, register of deeds. Archie Bruce was elected drain commissioner and coroners, unopposed, both Republicans, are Ed M. Braun and Paul Mott.

On the seven proposed constitutional amendments and referendum questions, Lenawee county voted about two to one in favor of the first one, the order of succession of state officers, nearly two to one against the second one, the proposed repeal of the sales tax, and nearly two to one in favor of the third, the proposal to raise the pay of state officials. On the fourth, proposing a pay raise for legislators, the county vote was about seven to five in favor, and on the sixth, controlling foreign agents, the vote was more than two to one in favor. On the seventh, the proposed constitutional convention, the vote was 8 to 6 against.

Tecumseh township, solidly Republican normally, continued that way in Tuesday's voting. Not a single Democrat received a majority of the vote locally.

The vote here was as follows, first figures in all instances being the first precinct, the second figure the second precinct:

Governor: Sigler, 333, 739. Williams, 161, 294. Lieut. Gov.: Keyes, 330, 715, Connolly, 142, 263; Secy. of State: Alger, 339, 762; Fox, 137, 248. Atty. Gen.: White, 333, 747, Roth, 146, 256. State Treas.: Brake, 342, 751, Kozaren, 142, 257. Aud. Gen.: Aten, 335, 740, Price, 143, 266. U. S. Senator: Ferguson, 335, 763, Hook, 143, 254. Congressman: Michener, 315, 687, Slosson, 181, 341. State Senator: Porter, 328, 745, Weipert, 147, 262. State Rep.: Conlin, 327, 754, Lawrence, 146, 235. Pros. Atty.: Martin, 326, 740, Bean, 156, 270. Sheriff: Willett, 294, 683, Truesdale, 193,358. County Clerk: King, 339, 753, Patterson, 142, 253. County Treas.: Bradley, 329, 742, Hunt, 152, 269. Drain Com.: Bruce, 335, 754, Snyder, 143, 251. Coroner: Braun (R), 740, 340, Mott (R), 741, 346. Surveyor: Frazier, unopposed.

Tecumseh's vote on the amendments and referendum questions were as follows: First figures are the first precinct, second figures the second precinct:

Amendment No. 1, order of succession, Yes, 256, 594, No, 100, 186. No. 2, sales tax diversion, Yes, 109, 198, No, 329, 679. No. 3, state officials' pay, Yes, 339, 526, No, 195, 214. No. 4, pay of legislators, Yes, 231, 504, No, 107, 254. No. 5, Modify 15 mill limit, Yes, 298, 590, No, 141, 291. No. 6, Reg. Foreign agents, Yes, 260, 550, No. 71, 206. No. 7, constitutional convention, Yes, 165, 427, No, 235, 461.

LOCALS AND PERSONALS

Mrs. Dewey Berry and Mr. and Mrs. Ira Lamkin of Blissfield called on friends in town Sunday, and were dinner guests of Mr. and Mrs. B. J. Roberts.

Mrs. Charles H. Williamson has left for Wilmington, Calif., where she will spend the winter with her daughter and family, Dr. and Mrs. Arthur Lepon and daughters.

Charles Kemp and Clarence Gilmore left yesterday for Eustis, Florida, to spend the winter months.

Miss Jennie Gillespie and Mrs. J. B. Riggs of Ann Arbor accompanied the latter's cousin, Mrs. Florence Morgan, to her home in St. Petersburg, Fla. They were gone three weeks and returned home Saturday.

Mr. and Mrs. C. V. Baily of Hannibal, Mo., and Mr. and Mrs. L. C. Baily and two children of Canton, Mo., have been visiting for a week at the C. O. Baily home. The Bailys entertained at a family reunion Sunday and additional guests were Mr. and Mrs. George DeLong and son, Mrs. G. DeLong and Ray W. Binns of Ypsilanti, Miss Ruth Baily of Ann Arbor, Mr. and Mrs. Pawson Baily, Miss Rebecca Baily, and Miss Maude Richardson of Adrian, Mr. and Mrs. Claude Sebring and two children of Macon and Mr. and Mrs. Warren Puffer.

Violets are blooming in the yard at Mrs. John Kopka's home.

Rev. and Mrs. B. O. Bashore and family will be dinner guests tomorrow evening of Rev. and Mrs. O. V. Robinson and Dr. and Mrs. Ralph Andem of Lansing.

Mr. and Mrs. Lyle Grigg and family have returned to their home after spending the week at the farm of his parents, Mr. and Mrs. William Grigg while the latter couple attended the state Grange at Traverse City.

Mr. and Mrs. Boyd Baird of Detroit spent the weekend at the home of her parents, Mr. and Mrs. Dale Tingley.

Harvey Hindes spent the weekend in Clinton visiting friends and relatives.

Mr. and Mrs. Ellsworth Robison and family were in Vassar Sunday as guests of Mr. and Mrs. Charles Boussum.

Dr. Arthur H. Brown is in Detroit today attending the clinics of the Detroit District Dental Society.

Mr. and Mrs. Clyde Barber will leave tomorrow for Saginaw to spend a few days at the home of their son, Berford Barber.

Dr. and Mrs. Paul Hanna and daughters and Otto Stelter of St. Joseph spent the weekend at the home of her parents, Mr. and Mrs. Clyde Barber. Saturday Mr. Barber and his guests attended the Illinois-Michigan football game at Ann Arbor.

Members of the Past Chiefs Club who attended the Minnie Mix Past Chiefs Association in Chelsea last week were the Mesdames Lillie Gray, Rena Hubbard, Esther Beckman, Fannie Brees, Leah Oliphant, Ivah Marsh, Jessie Manwaring, Dora Aten, Margaret Swift and Beatrice Schuch.

Mr. and Mrs. Clark Rathbun have moved to Fowlerville where their new home has been constructed.

Mr. and Mrs. Darwin Creger entertained at a family dinner in their home on West Brown St., Monday evening, for the pleasure of their niece, Judy Ann Francouer, who is celebrating her 9th birthday. The centerpiece, a large decorated birthday cake, complete with lighted candles, was made by Mrs. Francouer. Judy received many lovely gifts. The evening was spent socially.

Mrs. B. O. Bashore entertained Monday evening at a dinner as a surprise for her daughter, Janet, who is celebrating her birthday. The guests included Linda Sisson, Judy Sisson, Mary Nixon, Patty Smith and Marcia Bashore.

Mr. and Mrs. Reuben Tucker of Deerfield and Mrs. Charles Lister of near Britton were Sunday dinner guests of Mr. and Mrs. William Syreeman. Afternoon callers were Mrs. Albert Filter and daughter, Alice.

Jerry Filter underwent an appendectomy in Tecumseh hospital, Monday.

HOSPITAL NOTES

Born, October 27, to Mr. and Mrs. Vern Manwaring, a daughter.

Born, October 31, to Mr. and Mrs. Herman Schmidt, a son.

Born, November 1, to Mr. and Mrs. Arthur Fritz, a son.

Born, November 2, to Mr. and Mrs. Arthur Williams, a daughter.

Those discharged October 27 were Grover Bingham of Clinton, Miss Naomi Dickason of Clarkston, Mrs. Harold Pearson of Toledo and Mrs. Roy Wagner of Britton.

Those discharged October 28 were John Curtis, George Buss of Manchester and Mrs. Charles Lewis and son of Clinton.

Mrs. Albert Duval and daughter returned to their home in Deerfield October 29.

Those discharged October 30 were Frank Chase, George W. Kensler of Manchester, James Nighswander, Mrs. Percy Slater and Wilbur Mault of Saline.

Mrs. William Korta of Britton and Olan Foor of Manchester were discharged October 31.

Mrs. Joe Davila of Britton and Robert Hamilton were discharged November 1.

Those discharged November 2 were Mrs. James Smith, Betty Irene Heisten, Mrs. Vern Manwaring and daughter and Bonnie Kempf.

CULBERTSON P. T. A.

The Culbertson P. T. A. will meet Friday evening, November 5, at the home of Mr. and Mrs. Irving Boltz. A potluck supper will be served at 7 p.m. after which the program will be presented by R. B. Tuttle of Adrian, who will show movies.

Several New Books On Library Shelves

Several of the latest fiction books have been received at the Tecumseh Library. Included are "The Kings Rogue," Max Peacock; "The Crusaders," Stefan Heym; "Catalina," W. Somerset Maugham; "Something Gleamed," Theda Kenyon; "Lost Stage Valley," Frank Bonham; "The Perilous Flight," Neil H. Swanson; "Red Clark to the Rescue," Gordon Young; "The Bowl of Brass," Paul I. Wellman; "A Clouded Star," Anne Parish; "Burning Gold," Robert Hardy Andrews.

Miss Ruth Harding, librarian, has announced the following nonfiction books, which should be of interest to many folks, "Toward Maturity," Rasey; "Stories of Our Patriotic Songs," Lyons; "Europe in Revolt," Kraus; "The Story of Medicine," Robinson; "How to Stop Worrying and Start Living," Carnegie; "Lord, Teach Us To Pray," Claudel; "United States Experience in Democracy," Craven and Johnson.

Miss Harding is very pleased with the new steps at the library which were completed before school began in the fall. "The old steps were crumbling and were quite hazardous. The new ones are so safe, especially for our children here," Miss Harding commented.

Odd Fellows, Rebekahs Are Guests of Baptists

Odd Fellows and Rebekahs from this vicinity attended services at the Baptist church, Sunday morning, enjoyed a potluck dinner at noon and heard the Grand Master, Francis M. Dodge of Detroit, speak in the afternoon.

Some 200 persons were in attendance at the church services, at which time the Rev. B. O. Bashore, pastor, and Grand Chaplain delivered the sermon, "Friendship, Love and Truth." James Freckelton, baritone, sang "The Lord's Prayer," accompanied by Mrs. Kenton Hunt.

The dinner, served at the Tecumseh Grange Hall by the local Rebekahs, was enjoyed by over 100 lodge members. In the course of the afternoon, which was spent informally, the Grand Master addressed his audience. Rev. Bashore has expressed his thanks to the Rebekahs for arranging the decorations and other preparations to make this annual event successful.

Grange Delegates Home From State Convention

Some 14 members of the Tecumseh Grange returned home Saturday after attending the state Grange at Traverse City, held last week. Fifty-six members from Lenawee county attended State Commissioner of Agriculture, Charles Figy of Morenci, was re-elected state overseer. Nine members of the local Grange had the honor of assisting District Deputy James Marr of North Rome install the newly elected state officers on Friday evening. The 1949 state meeting will be held in Jackson.

The Tecumseh Grange will hold Booster Night this evening, November 4, at which time the new addition to the hall will be dedicated. The potluck supper will be served at 7 o'clock. Stanley Powell of Ionia will be the guest speaker.

TIPTON

The D. J. VanValkenburg house across from the Excelsior school is being occupied by Mr. and Mrs. Calvin Pawson.

Mr. and Mrs. H. C. Munger and grandchildren, Jeanette and Duane Daniels, were recent guests of Mr. and Mrs. Fay Munger and family at Columbus, Ohio.

Recent guests of Mr. and Mrs. Frank Baldwin were Mr. and Mrs. Leo Wells of St. Louis, Mich.

St. Peter's Will Stage Annual Bazaar, Dinner

The members and parish organizations of St. Peter's church invite the public to their annual bazaar and dinner on Thursday, November 11. Beginning at 2:30 with a sale of articles the Daughters of St. Peter will have aprons; St. Peter's Guild, baked goods; Altar Guild, Christmas cards and wrappings; Lyster League, pillow cases; Girls' Friendly Society, novelty jewelry; and the choir members will have a country store filled with fresh fruit and vegetables.

At 4 p.m., a carnival will begin including fish pond, cartoons, games, etc. The sliced roast beef dinner will be served from 5:30 to 7 p.m.

Herald Advertising Bargains Save You Money

D. A. R., NOVEMBER 12

Abi Evans chapter, D. A. R., will meet at the home of Miss Jennie Gillespie, Friday evening, November 12, at 8 p.m. Miss Edith Ingersoll is program chairman. A discussion on the topic, "The Origin of Family Names," will be led by Mrs. J. Floyd Elliott. Members are to bring wrapped gifts for the D. A. R. approved schools. Assisting the hostess will be Mrs. Percy Heidenreich, Mrs. Joseph McLaughlin, Mrs. Carl Stevens, Mrs. Christine E. McClure and Miss Isabel Tripp.

Ideal Jobs In 'Future Factory'

MAKING WORKERS' JOBS AT TRACTIVE IS THE HOPE OF FUTURE BUSINESS

CLEVELAND—How to build factories that 75,000,000 American factory workers will enjoy working in, and how to design such structures so they will be a community asset rather than a liability, are highly important factors in constructing "The Factory of the Future" according to leading engineers and builders.

The Austin Company of Cleveland, Ohio, builders of the first "windowless" 5-acre plant in America in 1939 and the present new structure for Allentown's Western Electric Company sees many changes in the next few decades as more and more industries consider the importance of controlling light, heat, humidity, and sound 24 hours of the day if need be.

The first such plant constructed by the Austin Company was in Fitchburg, Mass., for the Simonds Saw and Steel Company. Nowhere, say company engineers have they found evidence to controvert the basic idea of a 100 percent controlled-conditions plant.

According to the H. K. Ferguson Company, also contract builders and industrial engineers of Cleveland and New York, much more imagination and daring is needed in constructing new factories than ever before.

"The factory of the Future' is highly important to almost 75,000,000 Americans whose livelihood is earned from industry," Ferguson engineers point out.

"The transition will not be rapid; it will take years. But there are certain unalterable facts that are already clear. Among these are the coming importance of the air view of the plant; night architecture; benefits of the parkway approach to the plant; adequate facilities for parking and transportation services; added conveniences for personnel to improve worker efficiency; boiler house improvements; and basic layouts."

"The time has come for us to make up our minds that the personnel department, representing extra consideration for the employee, is here to stay," says a late report issued by the Ferguson Company. "Time has come, too, for us to realize the importance of employee morale and its value in dollars and cents to any management.

"Factories in the past have given the connotation of an armed camp. In wartime this is necessary for security reasons, but for the peacetime plant, an appeal to workmen rather than a repulse, should be present at the locale where they spend so much of their time."

HOLLOWAY

Holloway Presbyterian Church
James Letcher, Acting Pastor

Morning Worship at 10:30. Sermon: "The Christian Challenge to Young People." Special music. Sunday school at 11:30, Lyle Calhoun, superintendent. Attendance contest for the primary department will start Sunday. Youth Group will meet at the church at 7:30. Junior Choir will hold their first meeting at the church at 2:30.

Mr. and Mrs. William H. Marr of Onsted spent Sunday as the guests of Mr. and Mrs. M. Fairbanks.

Ron Beaverson of Detroit spent the week end with his sister and family, Mr. and Mrs. Alton Wellnitz.

Raisin Sewing Circle will meet Friday afternoon with Mrs. Robert Mitchell. There will be an auction of miscellaneous items held.

There will be a meeting of the trustees and elders of the Holloway Presbyterian Church, Sunday afternoon from 2:30 to 5.

Mr. and Mrs. Donald Lowery have named their daughter born Saturday at Bixby Hospital, Brenda Kay.

Mason McWilliams, Loretta McMahan, Rosemary Swinderman and Lewis Downing attended the Grosse Isle Naval Air Show at Grosse Isle on Sunday.

The pupils of the West School, District 9 have been blessed (?) with the chicken pox. Friday afternoon the Hallowe'en party was held with three pupils left to attend. Among those who now have the disease are Billy Mitchell, Ken Mitchell, Ann and Dan Wellnitz, Charles Urban, Janice Williams and Marjorie Mitchell.

Mrs. Elizabeth Holdridge of Indianapolis, Ind., and Mr. and Mrs. Frank Ley of Milan were Sunday guests of Mr. and Mrs. George Henry, Sr.

Mr. and Mrs. Ken Kopke had as their guests Sunday, Mr. and Mrs. Joe Glenn and children of Wayne.

Mr. and Mrs. Allen Blouch and children, Mr. and Mrs. Sherman Blouch and son and Miss Edna Blouch of Ypsilanti attended a dinner Sunday at the home of Mr. and Mrs. Fred Blouch at Wamplers Lake who will leave Tuesday morning for their winter home at Eustis, Florida.

Mr. and Mrs. Robert Forsythe now of Adrian were pleasantly surprised Friday evening when their former friends and neighbors of Holloway came to help them celebrate a housewarming. Mr. and Mrs. Forsythe moved from Holloway to their new home in Adrian recently. They were presented with a blanket from the group.

Miss Nina Sackett of Children's Hospital, Detroit spent the week-end visiting Mr. and Mrs. Frank Hall.

Go To Church On Sunday

Jacob Schemes To Find A Way To Establish His Home

"Jacob said unto Laban his father-in-law: 'Send me away, that I may go into mine own place, and to my country. Give me my wives and my children, for whom I have served thee, and let me go: for thou knowest my service which I have done thee."—Genesis: 30:-25-27.

Jacob had serevd 20 years to get Rachel and Leah for his wives and now he wanted to go away from his father-in-law and make a home of his own. Laban wouldn't let Jacob leave, so he had to scheme to get away.

The doctrines of your church set forth a creed by which men can live harmoniously, regardless of color or creed. The church, with your regular participation in its activities, can help you be a better citizen. Attend the church of your choice regularly.

GENERAL ELECTRIC

Electric Sink

WITH AUTOMATIC DISHWASHER AND DISPOSALL*

WASHES ALL YOUR DISHES—The G-E Automatic Dishwasher washes all your dishes, glassware, silverware, pots, and pans in a few minutes. Simply press the control bar and let the dishwasher do the rest — automatically. Your dishes will be hygienically and sparkling clean — without a trace of grease.

DISPOSES OF GARBAGE—The Disposall, designed for ready installation in the G-E Electric Sink, shreds all food waste, and flushes it down the drain. You can forget about garbage cans and garbage odors because food waste is disposed of while it is still *fresh*.

In some instances there is no plumbing expense and in other cases a part of the plumbing expense is assumed by us. See us for information on actual cost of installation.

From where I sit ... by Joe Marsh

"Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among *happily* married couples, those who criticized *themselves* outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what *made* happy marriages, *companionship within the home* was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

Joe Marsh

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

LANSING—Now that the election is over, the state capital is again giving attention to proposed streamlining and reorganization of state government.

The reform movement of Governor Kim Sigler, rebuffed in part at the 1948 special session of the state legislature, can now proceed, piece by piece, toward its objective.

Here are some of the new "pieces" to be fitted into the reform jig-saw pattern:

Merger of all labor agencies into a new "state department of labor and industrial relations" to be headed by a single commissioner appointed by the governor. A subcommittee of the governor's legislative committee on governmental reorganization held a hearing at Lansing. It seemed that nearly all agencies involved were cool to the plan, to say the least.

The merger would consolidate the following units: State labor mediation board, state department of labor, unemployment compensation commission, state employment service, unemployment compensation appeal board, workmen's compensation commission, and superintendent of employment agencies.

While the commissioner would be subject to appointment by the governor, a six-member state advisory committee is suggested to offer counsel. This group, too, would be subject to wishes of the governor.

Removal of the office of state superintendent of public instruction from the state ballot has been recommended by a citizens' committee. The committee was formed at the request of Governor Sigler.

A state board of education would be appointed by the governor, with the approval of the legislature. This board, in turn, would select and appoint the superintendent of public instruction. This change would require adoption of an amendment to the state constitution. Supporting the change are Dr. Alexander Ruthven of the University of Michigan and Dr. John A. Hannah of Michigan State College.

Here is another prospective amendment for Michigan's 1909 constitution.

Miscellany: Student enrollment at Michigan State College has exceeded the 16,000 mark . . . The Michigan Society of Architects is making a survey of the 17-room Orlando M. Barnes residence at Lansing, offered to the State of Michigan at $1 annual rental for the governor's home . . . The building will have to be remodelled.

The new state department of economic development, one of Governor Sigler's pet projects, has become the target of Loren B. Miller, director of Detroit bureau of governmental research. Miller recommends that the department be abolished by the legislature because of its "starry-eyed and unrealistic" program.

John A. Perkins, state controller, estimates it costs the State 50 cents to dispatch a letter. This sum includes the cost of letterhead, envelope, clerical labor and postage. Postage and cartage charges totaled $1,473,000 last year.

Sixty Michigan Communities are permitting industrial cyanide to be discharged into rivers and streams according to the state control commission. Legislative prohibition has been suggested as a solution. It has been estimated that 200,000 fish were killed in the Kalamazoo River by cyanide released by the Union Steel Products Company of Albion. The state conservation department has filed civil suit.

The 1949 auto-license plates will go on sale January 1, it is announced by Secretary of State Fred M. Alger Jr. The Michigan Good Roads Federation proposed that the new plates be withheld until the legislature can consider increase of the weight tax. Alger says he must follow the law which calls for license sale by January 1.

CLINTON

Officers Installed

Officers of the F. E. Pieper post, American Legion Auxiliary, were installed at a special meeting last Wednesday evening. Mrs. Mary Hull with Mrs. Roscoe Parker as sergeant-at-arms, installed the following: president, Mrs. Hattie Feldkamp; first vice president, Mrs. Clyde McDermott; second vice president, Mrs. L. K. McIntyre; secretary, Mrs. George Bowman; treasurer, Mrs. Vance Ogden; chaplain, Mrs. Byrdella Hull; sergeant-at-arms, Mrs. Maurice Heath; historian, Miss Hazel Way. Committees were appointed by the president and Mrs. Feldkamp was presented with a corsage and a past president's pin. Mrs. Hull also was presented with a gift. A potluck supper was served preceding the business. The regular meeting of the auxiliary was held Tuesday evening.

Born, October 23, to Mr. and Mrs. Kenneth Zink of Wayne, a son. Mrs. Zink was formerly Myrna VanNest of Clinton.

Mr. and Mrs. Raymon Stauffer were in Cleveland last week because of the death of his father.

Dr. and Mrs. W. P. Purfield and daughters are moving to Evans Lake.

Two candidates were initiated into the Golden Rod chapter, Order of the Eastern Star, Thursday evening, when the retiring officers conducted the ceremonies. Mrs. Cora McDermott and Miss Eleanor Wellwood were the candidates.

Miss Noriene Baley was the honored guest at a miscellaneous shower Thursday evening at Brees House in Tecumseh. The dinner was given by the bride-elect's co-workers at Clinton Woolen Mills.

Recent guests of Mr. and Mrs. Claude LeVeck were Melvin Weber and Homer Brooks of Quincy, Ill.

Miss Ada Quinn and Mrs. James Cullen spent Thursday in Jackson with Mr. and Mrs. Edward Cullen and daughter.

A. J. Allen has returned home after being a patient in St. Joseph's hospital, Ann Arbor.

TREASURE HUNT

The Sunflower Troop of the Tecumseh Girl Scouts enjoyed a treasure hunt last week Wednesday, which ended with a marshmallow roast at the home of Mrs. Clarence Beach.

New! The makers of the world's favorite washer announce a speedy way to

DRY YOUR WASH WITHOUT WORK

Amazing new Bendix automatic Dryer does away with six more washday chores

1. No more heavy, wet clothes to carry.
2. No more stooping and lifting.
3. No more waiting for the weather to behave.
4. No more clothes pins and clothes lines.
5. No more soot and dust to mar your wash.
6. No more messed-up back yard.

Now any day is a perfect drying day and every washday is much easier! For, this way, a simple twist of a dial gets the clothes fluffy-dry for storing . . . or damp for ironing . . . in a matter of minutes!

Automatically, your Bendix Dryer tumbles the clothes in a revolving cylinder while clean, heated air blows through them. Then, when clothes are just the way you want them, the dryer shuts itself off.

Stop in for a free demonstration and ask about our new easy payment plan.

BENDIX automatic Dryer

Available in both GAS and ELECTRIC models

BRITTON

Hallowe'en parties here were in three groups with the little folks and their teachers Miss Thelma Younglove and Mrs. Kathryn Smith entertaining Friday afternoon at 2 o'clock while the third, fourth, fifth and sixth and teachers Mrs. Geraldine Beal and Mrs. Lillian Buttolph had their usual parade at 7:30 Friday evening. The upper room girls and boys met at school at 8 o'clock Saturday evening for a hay ride and dance later in the gymnasium. The P. T. A. with committees from school and village sponsored all groups with prizes and refreshments. The Britton merchants and local organizations contributing paid the expenses.

Mrs. Robert Steward was hostess to the North East Britton Extension Club recently with a lesson on "Modernizing Lamps" given by Mrs. Harold Prelipp and Mrs. Emery Downing. The new officers elected for the coming year are: leaders, Mrs. Prelipp and Mrs. Downing; chairman, Mrs. Emery Downing; secretary and treasurer, Mrs. Walter Prill; recreational chairman, Mrs. Martin Keasal. Mrs. Clyde McCaughey will hold the next meeting November 26.

The Christian Church Dorcas class met at the church for a one o'clock luncheon with Mrs. Nina Taylor in charge. The program was presented by Mrs. Hazel Kuster. "Friendly Service Day" will be observed November 18.

The Christian Duets are planning to sponsor the annual Harvest Auction which will be held at the church November 10.

Rev. and Mrs. Gerald Hallauer and children are home after spending some time with relatives at Davenport, Iowa.

Mrs. Herman Steuwe is recovering from an injury to her ankle.

Mrs. Velma Miller entertained at the home of her mother, Mrs. Bertha Swick recently Mr. and Mrs. Grover Yates and son of Walled Lake, Mr. and Mrs. Dick Wendt and daughter of Ann Arbor, Mr. and Mrs. Joe Cangel and Tom McMillan of Detroit.

Mrs. Sam Patterson has returned home after spending some time in Detroit as a guest of Mrs. Pearl Muffet.

Mr. and Mrs. Eugene Meyers have returned home to Grand Rapids after visiting in the Edward Kanous home and other relatives.

Mr. and Mrs. Earl Pennington, Mr. and Mrs. Mills Swick, Mr. and Mrs. Floyd Barrett and Mr. and Mrs. Charles Patterson were in Traverse City last week attending State Grange.

Mr. and Mrs. Ronald Cheever entertained at dinner recently in honor of M. F. Cheever's birthday anniversary. The guests included Mr. and Mrs. M. F. Cheever, Mr. and Mrs. Russell Cheever of Tecumseh and Mr. and Mrs. John Beal, Janet and Sandra.

GI Arctic Outfits Are Reduced To 21 Pounds

CHICAGO—The United States Army, "preparing for an eventuality which might find our troops engaged in Arctic operations," has developed experimental, lighter-weight clothing, a general reports.

Maj. Gen. William H. Middleswart, chief of the military planning division of the Office of the Quartermaster General, said the new clothing weighs 21 pounds and will protect a man at 55 degrees below zero.

The present standard clothing ensemble weighs 25 pounds and protects a man at degrees minus 40.

In a talk to the Women's Advertising Club here, he said the Army also has developed a catalytic heating pad that will keep a sleeping bag heated for 20 hours. This bag would be used to evacuate wounded soldiers.

He said the Army is working on a similar unit that would provide added heat inside gloves and clothing when the apparel otherwise would be too bulky.

Speaking of light-weight plastics, he said they might prove to be the answer to developing effective body armor for troops.

The Strange Secret of the One-Way Door

There is a famous painting called "The Light of the World." It shows Christ knocking at the door of a humble dwelling.

When the artist, Holman Hunt, completed it, a critic turned to him and said: "There is an error in your painting. You have forgotten to put a latch on the door."

"There should be no latch on that door," said the artist. "It is the door to the human heart. *It can be opened only from within.*"

* * *

Sometime, during the next few days, there will be a knock on your door.

It will be a neighbor soliciting for your Community Chest and its Red Feather services. When he calls, we hope your door will open wide for him. We hope, too, you will open your heart and give generously.

It means so much to so many.

Old Man WINTER Is Coming!

Is Your Car Ready For Sub-Zero Weather?

Any day now, you can expect to get up in the morning and find the mercury in your thermometer well below the freezing line and then . . . what about your car?

Is your car ready for winter? Have you had the radiator drained, the hose connections checked, anti-freeze installed? Your battery, is it in good condition, ready to start the winter "grind?"

Then there's the condition of the motor oil, the lubrication of the chassis, the wheels, the steering gear . . . all of these things need attention if your car is to properly serve you in cold weather.

RIGHT NOW is the time to bring your car to us for winterizing . . . to allow us to get it ready for sub-zero temperatures. DON'T WAIT for the rush. DO IT NOW!

Butler Motor Sales, Ford Tecumseh Michigan

Hours: 7 A.M., to 6 P.M., Daily. Closed Sundays.

Few good resolution-makers are discouraged by past failures.

THE TECUMSEH HERALD

NINETY EIGHTH YEAR NUMBER FIFTY-ONE — TECUMSEH, MICHIGAN, NOVEMBER 11, 1948 — FIVE CENTS PER COPY

Chest Drive Is Going Slowly

LESS THAN 25% OF QUOTA SUBSCRIBED; ONLY ONE WEEK REMAINS FOR WORK

Only one week remains before the close of Tecumseh's Community Chest drive and to date, less than 25% of the quota has been subscribed, Vance Ogden, general chairman, said today.

"There are some of the area captains who have not turned in their reports, but to date it appears that subscriptions total about $1,200, or less than a quarter of the quota," Mr. Ogden said. "This means that some intensive work must be done in the remaining days if Tecumseh is to meet its $5,320 quota by next week Friday night."

In some sections of Tecumseh, Ogden said, residents are subscribing more money than they did a year ago and in other sections the amounts are less. He pointed out that this year's quota is little more than it was a year ago and expressed a hope that residents would be as generous this year as in 1947.

Generally speaking, Ogden said, the public is very sympathetic to the Chest drive because it combines in a single effort the solicitation of funds for many local organizations. This year, these groups are sharing in the quota: Tecumseh Hospital Auxiliary, $500; Cancer Control Society, $350; Hallowe'en and Christmas parties for children, $200; Girl Scouts, $400; Wolverine Council, Boy Scouts of America, $400; Sister Kenny Foundation, $100; Salvation Army, $300; Michigan Welfare League, $10; Michigan Aid for Blind, $50; Tecumseh Recreation Center, $500; Reserve for emergencies, general welfare and campaign expenses, $2,500.

"I still feel that Tecumseh will meet its quota because that is the reputation of the community," Ogden declared. "I know, too, that some of the workers are going to do their most serious work in the remaining days, and I sincerely hope that we will meet, if not oversubscribe the fund."

Ogden pointed out that there will be no personal solicitation in the factories this year. All solicitation will be in the homes, he said.

Robert Quackenbush Buried In Brookside

Funeral services were held from the Collins Funeral Home, Monday afternoon, for Robert Quackenbush, 88, who died Wednesday night, November 3, at the home of his daughter, Mrs. Grace Powell, at Pueblo, Colorado. Rev. Alvin Brazee officiated. The burial service was conducted at the grave in Brookside cemetery by the K. of P. lodge, No. 190, of Tecumseh, of which he was a charter member. The pall bearers were Clarence Aebersold, Floyd J. Elliott, Duncan Oliphant, Henry Kempf, Raynor Ross and Silas Kring. The honorary bearers were Ernest Van Vleet, Lynn Hubbard, Alfred Beckman, Clark Vincent, Luther Wood and Earl Updike. Friends and relatives attended from Pueblo, Colo., Britton, Ridgeway, Macon, Tipton, Holloway, Adrian, Monroe, Dundee, Ypsilanti and Tecumseh.

A former resident of Tecumseh, Mr. Quackenbush was born September 12, 1862, north of Monroe. Preceding him in death were his wife, Nellie, August 29, 1945, and a son Raynor.

Surviving are the one daughter, Mrs. Powell and three granddaughters all of Pueblo, one brother, G. S. Quackenbush of Adrian and several nieces and nephews.

LOCAL YOUTH HELD ON BREAKING, ENTERING

Charles Jemay, 17, Tecumseh, will be arraigned this week in an Adrian court on a charge of breaking and entering, following his arrest here, Saturday.

Local police say that Jemay admitted that he broke into the Elmer McKenzie gas station, North Evans street, early Saturday morning and stole $65 in silver money and a quantity of papers. All of this was recovered.

Jemay, police say, was paroled in September 1947 from the Ionia reformatory where he served eight months on a larceny charge.

It Costs Time and Money To Destroy Jail House

Francis McAllister, 29, Tecumseh, may have had fun while it lasted but Justice John Lowe of Adrian, sentenced him to spend 30 days in the county jail, Tuesday, to think it over, when he pleaded guilty to a charge of being drunk and disorderly.

McAllister, it seems, was arrested Saturday night by local police on Maiden Lane and taken to the village lock-up in the council building. On the way to the jail officers had some difficulty with the prisoner, but the real fun started once he was locked up. He literally destroyed the interior of the one-room lock-up, broke the toilet stool into small pieces and ripped water pipes off the walls. When police here found that they were unable to cope with him—he was armed with a piece of water pipe—state police at Clinton were called. When a tear gas gun was pointed at McAllister he quieted down and was removed to the county jail at Adrian.

Today, village workmen are considering ways and means to repair the local lock-up. It will cost a considerable sum and, in all probability, will take about 20 days to complete the job. In the meantime, local prisoners will be housed in the Adrian jail.

Powell Speaks At Grange Meet

NEED FOR FARMER ORGANIZATION STRESSED AT THURSDAY DEDICATION

The importance of the Grange to a community and every farmer and his family was stressed by Stanley Powell of Ionia when he addressed over 350 persons at the annual Booster Night of the Tecumseh Grange and the dedication of the new addition to the hall, Thursday evening.

"Records show that 12% of the persons living in the United States are farmers, and only 4.4% of these farmers are Grangers," the State Grange executive committee member said. "If more farmers would belong to the organization it would not only be advantageous to the farmer and his family alone, but to the community to which he belongs," Mr. Powell said. He also told of his efforts to have a fair and just system of taxation enacted.

The new hall was filled to capacity. Guests included members from nine other Lenawee county Granges and the Pomona Master of Washtenaw County.

ROBERT W. MOHR IS HONORED AT ALBION

Robert W. Mohr, a senior at Albion college and the son of Mr. and Mrs. Roland Mohr of 214 East Logan, has just been named by the Student Council of Albion and a representative faculty committee for the 1948-49 publication of Who's Who Among Students in American Universities and Colleges, according to a statement by Dean Emil Leffler of Albion. Mohr was chosen because of his character, scholarship, leadership in extra-curricular activities and the possibility of future usefulness to society.

At Albion Mohr has been president of the Student Council; vice-president of the Interfraternity Council; president of the Delta Tau Delta fraternity; and a member of the "A" club, the Biology club, the Chemistry club, the football team and the track team.

INFANT SON DIES

Randall L. Covell, infant son of Mr. and Mrs. Clayton L. Covell, 605 W. Cummins St., died Monday morning at 3:45 o'clock, ten hours after birth at Tecumseh hospital. Surviving are the parents, one brother, Gary Wayne, grandparents, Mr. and Mrs. Clayton S. Covell of Tecumseh and grandfather, Leland Jennings, sr., of Mt. Pleasant. Prayer services were conducted at the grave in Brookside cemetery by Rev. B. O. Bashore.

TO TELL OF ENGLAND

Mrs. Donald Goodard will speak of her trip to England when she addresses the Tecumseh Monday Club, November 15, at the Tecumseh Methodist church. Mrs. Jennie Temple is program leader and the hostess, Mrs. M. L. Dannells, sr., will be assisted by Mrs. Perry Hayden, Mrs. Luther Kemp and Mrs. Percy Hand.

TODAY ONLY!

St. Peter's Church Bazaar. Roast beef dinner, 5:30 to 7. Bazaar and carnival from 2:30. —Adv. N11

CHAMBER O.K.'S ANNEXATION AND CITY FORM GOV'T

SIX-MONTH'S STUDY ENDS IN DECISION TO SUBMIT PROPOSALS TO VOTERS

The board of directors of the Chamber of Commerce, following a six-month's study of Tecumseh's growth, industrially and in population, voted at a special meeting, Tuesday evening, to launch a program to annex approximately 400 acres of land in Tecumseh and Raisin townships, adjoining the present corporation, and, at the same time, to change Tecumseh's form of government from a village to city. Legal steps to carry the program to a successful conclusion will be taken immediately, and it is expected that, if voters approve, the actual change-over can be made in June of 1949.

"The Chamber has moved very slowly and very carefully in its study of both the annexation program and the program to change Tecumseh's form of government, and its directors feel that the steps are logical and beneficial to all concerned," Ronald E. Harris, secretary, said today.

"The Chamber intends, during the months to come, to bring to the public all of the facts concerning the program, that voters may be fully informed at the time of the elections. It believes that when the electors understand the program it will be approved overwhelmingly," Mr. Harris said.

The description of the area to be

(Continued on page 6)

Lightning Fire Destroys Barns

UNIDENTIFIED TRUCK DRIVER CREDITED WITH SAVING COWS AND PONIES

A freak November electrical storm—as severe as in mid-summer and which lasted well over an hour—swept most of Lenawee county early last Friday morning. Nearly an inch of rain fell and near Tipton, two farm barns were razed by fire, started by lightning.

An unidentified truck driver aided the release of 23 cows and four ponies from a barn on the Lamont Simmons farm near Tipton, when it was struck by lightning. Friday morning at 6 a.m., during the severe electrical storm. The lightning caused a fire which destroyed two barns and a milk house and killed a cow and a bull.

A loud clap of thunder awakened Mrs. Simmons. She looked out of one of the windows of the house to see the hay-filled barns burst into flames. Robert Karle, son-in-law of the Simmons', and the trucker who was driving by at the time, removed the cattle and ponies to safety. The Tecumseh and Adrian fire departments were called and saved a small barn and a pony shed. At one time the intense the of the fire, which could be seen by local residents who were awakened by the sirens of the fire engines, threatened the house. The barns were 36 by 55 feet and 38 by 45 feet.

The loss is partially covered by insurance.

SEVERAL BIDS LIKELY ON NEW SCHOOL HERE

At least seven general contractors and a dozen or more subcontractors have applied for plans and specifications for the proposed $400,000 high school here, indicating that interest in the construction among builders is far greater than it was when the board of education advertised for bids which were rejected, about two months ago, Earl H. Place, superintendent of schools, said today.

The first bids were rejected because contractors' prices doubled the cost of the proposed building. Plans were changed and new bids will be opened on November 23.

"The board, in regular session Tuesday evening," was very optimistic regarding bids on the new plans," Mr. Place said, "and we now expect to come within the money available for construction."

FARMER IS INJURED IN ATTACK BY BULL

Kenneth F. Kopke, of Raisin township, near Holloway, was seriously injured, Tuesday evening about 5:30, when he was attacked by a bull. The accident happened on the Kopke farm while Mr. Kopke was doing his chores. The injured man was removed to Tecumseh Hospital by ambulance. He suffered several broken ribs and chest injuries.

DAILY DOUBLE . . . This pair of unrelated "twins" is the reason that some of the good people of Van Dyke, Mich., go about muttering in confusion. They are Marie Kohler (left) and Charleen Rogucki, both six years old, and they're as alike as two peas in the proverbial pod. Strange as it may seem, Marie and Charleen are not related to each other except in the duplication of physical characteristics.

AN EDITORIAL

Although state and county officers appear unable to recognize the fact, the heavy volume of traffic that flows over State Trunk Lines M-50-52, between Tecumseh and Adrian is making the 12-mile stretch of highway one of the most dangerous in Lenawee county. The accident count on this road has been steadily mounting during the past several months and as winter approaches, adding snow and ice hazards, it is only logical to assume that it will increase still more unless something is done to control those drivers who would make the road a speedway.

It is indeed unusual to be able to drive either to or from Adrian to Tecumseh and not be driven onto the berm of the road at least once by a road hog. Speeds ranging from 70 to 75 miles an hour are common, and cutting in and out as a result of such fast driving is the order of the day rather than the exception.

Truck traffic on this route also is mounting and while there was a time when most motorists regarded the truck driver as a courteous individual, a few round trips to Adrian by way of M-50-52 forces him to change his mind. Truck and bus drivers, it would seem, are fast learning that motorists recognize that trucks and busses are larger than cars and that there is, therefore, little reason to "argue" over who "owns" the road, if the argument must be done from behind the steering wheel.

State and county officers must be aware of the dangerous conditions on this highway because they, too, travel the route several times a week. But there is no organized road patrol.

If the so-called Adrian-Tecumseh road is to be given over exclusively to speed demons, road hogs and careless drivers, it should be so posted by the state. The sane drivers then could "drive at their own risks" much the same as they do when highways are under construction.

Students Favor Dewey, Sigler

SCHOOL CHILDREN HERE DID NOT GO ALONG WITH STATE, NATIONAL VOTE

Gov. Thomas E. Dewey won an over-whelming victory over President Truman last Tuesday, when Tecumseh junior and senior high school students cast their votes at school. Gov. Kim Sigler also recaptured the governorship by a large majority.

The voting was not held during classtime, but before school at morning and noon, between classes and during study periods, at the students own initiative, thus paralleling the voting in later adult life. Only those in grades 8 to 12 were allowed to vote.

Similarly, the right to vote involved the duty to register beforehand. Those desiring to cast their ballots for national and state officers had to register according to grades in their free time. No one was compelled to vote or to register, this choice being left up to each student. Thus, of the 317 students comprising grades 8 through 12, 77.8% registered (considerably above the national average registration), of those registered, 96.4% voted on Tuesday. The ballots carried the names of the presidential candidates among the Republican, Democratic and Progressive parties and the Republican, Democratic and Prohibition candidates for Governor of Michigan.

In popular votes cast, Gov. Dewey received 165 to President Truman's 49 and Mr. Wallace's 4. For governor, Sigler polled 169, Williams 42 and Phillips 1.

To demonstrate the principles of the electoral vote, each grade was used to represent a state, having one electoral vote for every 5 (or major fraction thereof) students. Thus the entire electoral vote was cast for Gov. Dewey for President and Gov. Sigler to succeed himself as governor of the State of Michigan.

All registration and voting, as well as the tabulating of the results, was conducted by the Tecumseh high school Student Council, of which David Green is president.

I will be deer hunting from November 14 to November 30 inclusive. Office open for collection and refills.

R. F. Holzerman, M.D. —Adv. N25

Senior Play Will Be Presented, December 2-3

"The Inner Willy," a play with a decidedly new plot, has been selected by the Tecumseh high school seniors. Willoughby, played by Jim Colson, is a young boy, who has been raised by three maiden aunts, Olga, Louise and Hester. Beulah Withrow, Mary Dinse and Shirley Moore portray the aunts.

Suddenly a new character, enacted by Gordon Comfort, pops up from nowhere, none other than Willoughby's inner self, visible only to Willy himself. "The Inner Willy" as he is called proceeds to take over Willy's life with exciting results. Carol Martin whom Willy secretly admires is played by Barbara Schoeck. Two giggling twins, Trudy and Janet add to the fun. Pat Hammack and Mary Brown play these two parts. The remaining roles were cast as follows: Marybelle, the girl next door, Gloria Yost; Stanley Clark, inclined to be tough, Gene Tuckey and his pal Mike, Jack Gillin.

The play is under rehearsal, directed by Mrs. Hazel Dickinson and Miss Bessie Bortner. December 2 and 3 are the nights selected with the curtain going up at 8:15 p.m.

RECREATION CENTER FINANCING DISCUSSED

Ways and means of better financing the Tecumseh Recreation Center were discussed by members of Rotary following a talk on Recreation finances by Fay Whelan, treasurer, at the regular luncheon meeting of the club Tuesday evening at Brees House.

Mr. Whelan pointed out that the Center is not self-supporting if a program of year-round activities is to be offered to the public and improvements to the field and playground are to be continued. He asked that Rotarians turn their thoughts to a solution of the problem.

C. O. Butler, president, asked members of the youth committee of the club to consider the Center's problems and to report to the club at a later date on its findings.

Child Study Club Hears Supt. Place

Earl H. Place gave an informative talk on the subject, "Parents and Teachers in Partnership," when he addressed the Tecumseh Child Study Club Monday evening at the home of Mrs. W. D. Hite. Mrs. Keith Baron, Mrs. Wallace Whiting and Mrs. Earl Lindsley were the assisting hostesses.

During the business meeting it was voted to give $10 to the Community Chest, $5 to Town Hall and $10 to the East Branch school to purchase milk for the children there. Mrs. David Dick was in charge of the children's favors, which were clever little dolls made of peanuts and candy. Refreshments were served by the hostesses.

School Program Here, Tonight

PARENTS, FRIENDS INVITED TO NATIONAL EDUCATION WEEK OBSERVANCE

This evening, November 11, at 8 o'clock there is to be presented a program of entertainment in the high school auditorium, in connection with the observance of National Education Week. It is hoped that a large number of parents and interested friends will attend.

The first play on the program will be given by pupils from the fourth, fifth and sixth grades. The directors are Miss Bernice Parker and Mrs. Inez Boltz. The second play will be presented by the speech department of the high school under the direction of Mrs. Hazel Dickinson and Miss Bessie Bortner.

The program is as follows: "March Necord" (Al Hayes) and "Prelasian," (Charles Bennett), school band, Clare Cambarn directing. Play, "And The Stars Heard." Cast—Billy Cooper, Robert Francouer; Mrs. Cooper, Sandra Judson; Mr. Cooper, Fred Buchheimer; Doug, Glen Williams, Rev. Marsh; Peter, Val Spangler; Miss Brooks, Shirley Larnard; Ann, Rita Crosby; Bob, John Naser; Mary, Wilma Bumpus; Jim, Jim Monahan. Play, "Beachhead for Freedom." Cast—first boy, Harlon Ruhl; second boy, Ronnie Henkle; first girl, Charlotte Miller; second girl, Josephine Powell; Bill, Dick Kahle; Mary, Nancy Sisson; Farmer, Dick Case, wife, Bonnie Beasley; Uncle Sam Charles Gorton; Miss Liberty, Lenore McKenzie; Kurt, Ronald Harper; Margie, Dola Lanning; Hilda, Gloria Brockkway; Anton, Doug Monagan; Miss Ames, Myrna Beevers; Bill, Richard Muhn, Helen, Claudia George; Greta, Vernita Withrow; announcer, Dick Kahle; teacher, Greta Jennings.

Between the plays the high school chorus will sing "Desert Song" (Sigmund Romberg) and "Oklahoma" (Richard Rogers), directed by Miss Marjorie Mohr.

"A Tale Of Two Cities" To Be Broadcast, Friday

Charles Dickens' masterful story of the French Revolution, "A Tale of Two Cities," has been selected as the seventh radio drama to be broadcast in "Great Scenes from Great Plays" over station CKLW by Protestant Episcopal families in Tecumseh. Mr. Brian Aherne, for many years a star on Broadway and in Hollywood, plays the role of Sidney Carton, the brilliant London lawyer who sacrifices his life in a French gallows to save the life of Charles Darnay, his friend, and husband of the girl he loves. The play will be broadcast Friday evening at 8 p.m.

This story of self-sacrifice — of innocent victims caught up by forces much greater than themselves — of one man who redeemed himself and others by a great act of selfless love is undoubtedly one of the greatest dramas of all time. It is also a story of great strength and great emotional appeal.

One of the principles of the Christian religion is the power of self-denial and self-sacrifice. It is also one of the principles most easily overlooked or forgotten, which is why "A Tale of Two Cities" was chosen to give added emphasis to this point. Only by sacrifice of selfish interest can a satisfactory family life be built. Only by mutual sacrifice can sound relations be established between peoples of different racial origin and religion and only by mutual sacrifice can the nations of the world build a permanent and enduring peace.

NOTICE

My office will be closed from Saturday, October 30 to December 2, inclusive.

Five Are Hurt In Auto Mishaps

TWO CARS COLLIDE AT BILLINGTON'S CORNERS; GEO. RUBADOU STRUCK BY AUTO

Mrs. John Barry, 46, Wayne, died at 4:50 Tuesday afternoon in Tecumseh hospital from injuries suffered last week Thursday evening in an automobile accident on US-112, west of Clinton.

Dr. R. G. B. Marsh said Wednesday that death was due to internal injuries. An autopsy, he said, was performed by Dr. Bernard Steinberg, Toledo pathologist.

Mrs. Barry's body was removed to the Collins Funeral Home here and Wednesday afternoon was taken to a Wayne funeral home.

Five persons were injured, one of them suffering a broken leg, in three automobile accidents in this vicinity during the past week. The other four persons were released after treatment at Tecumseh hospital.

A two-car collision at Billington's Corners, Saturday evening at 10:15 p.m., sent two persons to Tecumseh hospital for treatment of minor injuries. An automobile being driven by Richard Crocker, 18, of Plymouth, going north on M-52, struck the side of a car being driven east on M-50 by Eldon J. Service, 19, of Tecumseh. Margaret Ackley, 13, of Clinton and Edison Brown, 18, of Manchester, passengers in the Service car were treated at the hospital. Miss Ackley suffered a bruised hip and Brown suffered lacerations of the forehead and a bruised elbow. State police of the Clinton post investigated. No traffic summons was issued.

Harry W. Schuch and Alfred Reeves, both of Tecumseh, were treated at Tecumseh hospital after they were involved in a head-on collision on US-112 four miles west of Clinton, last Thursday evening about 9 o'clock. A Wayne couple were also injured and taken to the hospital.

State police of the Clinton post said Schuch, driving west in a pickup truck, applied his brakes which locked, causing the truck to swerve into the path of an eastbound car driven by John Barry of Wayne. Mr. Barry suffered face lacerations and his wife, Doris, received a fractured left arm. Mr. Reeves, a passenger in the truck driven by Schuch, was

Indians Ready For Blissfield

PLAY SUGARBOYS AT RECREATION CENTER, FRIDAY EVE.; WIN FROM SUMMERFIELD

(By Gordon Comfort)

The Tecumseh Indians pulled a victory out of the hat Friday afternoon at Petersburg by defeating the Summerfield eleven 13 to 12. This was the third win for the Indians, having tied 2 and losing 2 previously.

The first half of the grid game was almost uneventful, as there was no scoring. The Summerfield boys pulled some strange plays in the first quarter. They used spread formation, double passing, and the end centering the ball.

Summerfield drew first blood in the third quarter. They had scored once previously but a clipping penalty nullified it. The running attempt for the extra point was a failure and the score was 6-0.

Tecumseh came back twice in the fourth quarter, first with Jack Whelan running 45 yards for a touchdown, then with Mel Murphy making another long run for the second Tecumseh tally. Only one of the two attempts at extra points was good and the Indians led 13-6. Tecumseh's opponents came back with a bounce and drove their way down the field to the goal line and ultimately crossed over it. But Coach Duvall's fighting line prevented the extra point and the Indians led at the end of the game by a slim one point. The final score was Tecumseh 13, Petersburg 12.
